Students Collecting

Students at Spearman Elementary and Jr. High are currently conducting a collection drive that will earn their school an IBM PC Jr. computer system. As part of a program called 'COMPUTER-RIFIC', IBM and Proctor and Gamble are offering free computers to schools in exchange for proof of purchase for Proctor and Gamble participating brands. We know we have people in our community who will want to help our school. They can do so by saving the UPC Symbols from the list of products and giving them to our students or at collection boxes located at CUTRATE and IDEAL. The brand names are: Bounty, Citrus Hill juice, Coast soap, Crest, Crush [16 oz, 10 oz, and 2 liter bottles], Encaprin, Luvs diapers, Prell concentrate, Puffs tissues, Sure deodorant, Tide, Jif peanut butter, Scope, Pert, and Liquid Prell.

We hope to collect enough proofs of purchase before the deadline of Jan. 31, 1985.

If you have any questions, call one of these members of the PTA. Jolinda Hutchinson 9-2285; Debbie Clement 9-2191; and Karen Schnell 9-3620.

UPC SYMBOL:

Dear Santa,

Please bring me a puppy, a real one, not a fake one. I think that's all. Get momma and daddy some new shirts and jeans and get my mamma and daddy's presents wrapped, please. Bring Annie a dolly and wrap it.

Your friend,
Josh Mayhew

Dear Santa,

I have been a good little girl. Please bring me a baby Cabbage Patch kid and a blue baby Care bear. I want some clothes for me, and I also want a paint set. I want you to bring my Daddy a buckle for his belt and a new computer. I want Matthew to have a new shirt. I love you Santa!

Michele Murrell

Dear Santa,

I want a HeMan for Christmas. I also want a play school building and a basket ball and a teddy bear. Please bring me some skates and a Santa doll to sleep with. I want a Jack-in-the-box, and a football and a drum.

Love

Empty Stocking Fund

Has your stocking ever been empty on Christmas? Most are lucky enough to have family and friends nearby to see that we are remembered at this time of year. Twelve patients at the Manor aren't that lucky. You can be the friend they need.

The Chamber of Commerce is trying to spark interest in the "Empty Stocking Fund" to provide Christmas remembrances for them. Watch for "Empty Stocking" or other containers around town. Drop in a donation. The benefit to you is a good feeling that will last and last.

Some of the places you can donate are: J.G.'s, Bunkhouse, Gift Box, Sacks, Trudys, A & L Printing, Sound Trax, Desk Set, Crawford Motor Co., Knack Shoppe, Brock Ins., jPrairie Chalet, Rexall Drug, First State Bank, Cochran's Fabrics, Hickersons Jewelry, Lady Fair, Kids Stuff, Kerry Henton, CPA., Gordon's Drug, Brown Graham Co., Boyd's Shoes, Chamber of Commerce and the Spearman Pizza Hut.

Need a Tax Break?

If so, let us help you with this suggestion: The Stationmasters' House Museum right here in Spearman would be the best place for a donation. Remember, it is a non-profit organization thus making your donation tax deductible.

When we send our donations away from home we often wonder how they are used. There is no need to wonder any longer—just make your contribution to our Museum here in Hansford County and stop by to see for yourself. You are always welcome.

Send your donation to Rubyjo Wilbanks, P.O. Box 532, Spearman, TX 79081 or give it to any member of the Museum Board.

STRATEGIES

A financial game plan for retirement.

DEVELOPING A PLAN

There is an important way you can help your financial strategy now and at retirement time.

It's with an IRA. Individual Retirement Account from First National Bank in Perryton.

You can help now because it's the biggest tax break ever. Every wage earner can subtract up to \$2,000 yearly from your gross annual income with an IRA. Married couples with a non-working spouse may deduct up to \$2,250 or when both work up to \$4,000.

PROTECT YOUR INVESTMENT

Of course, at the First National Bank in Perryton your IRA is protected up to \$100,000 by the FDIC. And, we charge no maintenance fee.

REACH YOUR GOAL

Then an IRA helps you later because your money draws interest at the highest rates available until you start making withdrawals at retirement. It is remarkable how much momentum an IRA can gather as you head towards retirement. If you start before 30 it can accumulate more than a million dollars.

WTSU prepares for 75th anniversary

"The eyes of the general public are upon West Texas State University to see how appropriately and how well it celebrates the distinguished achievements of 75 years, and how successfully it steers a future course of progress."

With these words, a WTSU task force set in motion a special steering committee for the events of the university's 75th anniversary in 1985.

The steering committee has been charged with establishing a favorable, attractive image for WTSU through a year-long series of special events celebrating the school's diamond jubilee. The inauguration of Dr. Ed Roach as seventh president of WTSU has been scheduled to coincide with the anniversary, thus allowing the opportunity to honor the past while launching a new future.

Reflect on the first 75 years. Focus the attention of the general public on WTSU's major goals: teaching, research, and service. Generate ideas for the future. With these principles in mind, the steering committee has pulled together ideas for a number of

exciting 75th anniversary events including, but not limited to, a Founders' Day reenactment of the original groundbreaking, a "Wellness Weekend," and the inauguration.

The steering committee is treble chaired: Mrs. Sybil Harrington as honorary chairperson; Mrs. Sharon Brown, the general chair; Mrs. Lila Vars, the internal chair.

Committee members have been drawn from the board of regents, faculty, staff, administration, and student body of WTSU, the media, government officials, support groups, parents of students, and community representatives from Canyon, Amarillo, and vicinity.

The committee members are Dr. Bruce Allison, Mrs. Lee T. Bivins, Dr. John Brooks, Carl Cannon, Danny Conklin, Dr. James Cornette, Bill Cope, Don Curphey, Jon Drake, Joyce Fowler, Gene Glazener, Mary Hill, Betty Howell, Esther Jackson, Jim Jenkins, Dr. David Jorns, Bob and Nancy Josseland, Dean Kelly, and Dr. Robert Kinney.

Brownie Troops go caroling

Brownie Troops 126 and 116, and Girl Scout Troop 127, went caroling Tues., Dec. 18th, 1984.

Leaders are Joy Henson and Charlotte Martin, Troop 116-Myrna Biggers-Troop 126-Judy Martin and Phyllis Cummings, Troop 127. Neighborhood Chairman is Judy Tindell.

They stopped in at the Hansford Manor, the hospital and Golden Spread Center.

After an hour of caroling, the scouts went back to the Scout House and had cookies and hot chocolate.

Later, two special guests arrived, Santa Claus and his helper. The girls told him what they wanted for Christmas and received a candy cane. We'd like to thank everyone who took part in the caroling, driving, and cleaning up.

Lion's donate \$200 to Empty Stocking Fund

The Spearman Lions Club held their regular Tuesday noon meeting at the Cattleman's Restaurant, which was beautifully decorated for the Holiday Season. The Lions gave \$200 to the Empty Stocking Fund (the Rotary only gave \$140) to help assure that everyone at the Manor will have a wonderful Christmas.

Martin Foster gave an excellent Christmas program, interspersed with many humorous notes.

Museum needs your help

Stationmaster's House Museum has had lots of hustle-bustle of late. Museum Auxiliary members have made some progress on furnishing the bedroom. Mrs. Idella Close Randall furnished the 1900's iron bedstead; Rubyjo Wilbanks fitted it with springs and mattress. Virginia Barkley furnished a beautiful counterpane and pillow cover made and used by her mother while her parents (Judge A.F. Barkley) lived at Old Hansford.

FILED

OCT 16 1984

ARTHUR G. JOHNSON, CLERK By [Signature] Deputy

CIVIL ACTION NO. W-4613

NOTICE OF PROPOSED SETTLEMENT OF HELIUM CLASS ACTIONS AND OF HEARING THEREON

TO: Landowners, Royalty Owners, Mineral Owners, Oil & Gas Lessees And Producers Having An Interest In Helium Bearing Natural Gas Delivered By Panhandle Eastern Pipe Line Company To National Helium Corporation For Extraction And Sale, More Particularly Described Below.

TO: The Following Described Classes Of Landowners In The Above Cases:

(As described in Civil Action No. KC-1980)

"... persons, firms and corporations owning a mineral interest in land from which helium has been, or is being, or will be severed from the ground in connection with or because of production under oil and gas leases, which helium has been, is being or will be taken into possession by the United States of America in Seward County, Kansas at the delivery point described in that certain contract between the United States of America and plaintiff in interpleader National Helium Corporation dated October 13, 1961."

and

(As described in Civil Action No. W-4613)

"All persons and concerns who own or have owned a mineral interest in land as to which helium has been, is being or will be severed from the ground in connection with or because of production under oil and gas leases, which helium has been, is being, or will be removed from gaseous streams flowing from wells productive under such leases, with such removal being done in ... [a plant] in Seward ... [County], Kansas, ... owned by National Helium Corporation, or who have been, are entitled to or will be entitled as lessors, to royalty payments by reason of the production or marketing of natural gas pursuant to such leases since the beginning of such removal of such helium from such streams in such ... plant and the heirs, executors, administrators, trustees and assigns of such persons; the officers, successors, trustees, and assigns of any such concerns as are existing, dissolved or dormant corporations; the executors, administrators, trustees, successors and assigns of such persons or concerns as are or were partners or in partnership; the unknown guardians, conservators and trustees of such persons as are minors or are in anywise under legal disability."

and

TO: The following described classes of Lessee-Producers in the above cases:

(As described in Civil Action No. KC-1980)

"... the persons, firms and corporations denominated 'lessee-producers,' who are the owners of leasehold interests in the oil and gas leases [from which gas is produced for delivery to Panhandle Eastern Pipe Line Company] and who deliver, have delivered or will deliver helium contained in gaseous streams directly or indirectly to Panhandle Eastern Pipe Line Company, which helium has been, is being or will be removed and delivered by plaintiff in interpleader National Helium Corporation into the possession of the United States of America at the delivery point described in that certain contract between the United States and National Helium Corporation dated October 13, 1961."

and

(As described in Civil Action No. W-4613)

"All persons, firms, corporations, or concerns who are or have been the owners of leasehold interest under the oil and gas leases covering the mineral interests in land owned by the members of the Landowner-Lessor Class above described [in the Landowner-Class definition in Civil Action No. W-4613] or who are or have been making, or required to make royalty payments to lessors by reason of natural gas production under such leases since the beginning of such removal of helium from such streams, or who are or have been the owners of unleased mineral interests in land from which and while helium has been so severed and removed, and the heirs, executors, administrators, trustees and assigns of such persons; the officers, successors, trustees and assigns of any such concerns as are existing, dissolved or dormant corporations; the executors, administrators, trustees, successors and assigns of such persons or concerns as are or were partners or in partnership; the unknown guardians, conservators and trustees of such persons as are minors or are in anywise under legal disability."

NOTICE IS HEREBY GIVEN that a hearing will be held before the United States District Court for the District of Kansas beginning on the 5 day of March, 1985, at 10:00 o'clock a.m., in the United States Court House, 401 North Market, Wichita, Kansas and continuing from time to time without further notice as the Court may direct.

The purpose of this hearing is to determine whether a proposed compromise and settlement in the above captioned actions should be approved by the Court. The proposed compromise and settlement involves two separate lawsuits, namely: (1) National Helium Corporation vs. Panhandle Eastern Pipe Line Company, et al., being Civil Action No. KC-1980, (which action is an interpleader action consolidated with five (5) related interpleader cases, all pending on appeal in the United States Circuit Court for the Tenth Circuit; and as so consolidated are commonly referred to as "The Consolidated Helium Cases"); and (2) Oliver S. Brown, et al., vs. Mobil Oil Corporation, et al., Civil Action No. W-4613, pending in the United States District Court for the District of Kansas. These cases involve conflicting claims respecting certain helium or rights relating thereto.

The helium involved in the proposed settlement is the helium commingled in helium bearing natural gas streams that came into the possession of Panhandle Eastern Pipe Line Company (Panhandle Eastern) which streams were in turn delivered by Panhandle Eastern to a plant owned and operated by National Helium Corporation (National Helium), where the helium was removed from the gas streams during the period from 1963 to 1973, inclusive. Most of such removed helium was delivered to the United States of America during such period and was paid for pursuant to the contract between National Helium Corporation and the United States dated October 13, 1961. Lesser quantities of the removed helium was sold to private purchasers during the period from 1966 through 1981, inclusive.

Case No. KC-1980 Involving Helium Sold By National Helium To The United States

A trial of the liability phase of Case No. KC-1980 was held during the latter part of 1968. On appeal the United States Court of Appeals for the Tenth Circuit

found that Panhandle Eastern and National Helium were liable to the Lessee-Producer and Landowner Classes for the reasonable value at the time of sale and point of delivery by the producer of helium ultimately sold to the United States. As a result of subsequent appeal and further proceedings before the U.S. District Court for the District of Kansas, it has been determined that members of the Landowner Class are entitled to a fractional royalty (typically 1/8th under the terms of their leases) of such reasonable value. Following a trial held in November and December, 1982, the Court found that the value of helium for which Panhandle and National must account is \$3.82 per Mcf for helium extracted and sold. This decision has been appealed by various parties to the United States Circuit Court of Appeals for the Tenth Circuit. Case No. KC-1980 has been remanded to the United States District Court to consider the approval of the settlement.

Case No. W-4613 Involving Helium Sold by National Helium to Purchasers Other Than the United States

Case No. W-4613 is an action initiated on behalf of a landowner class against a lessee-producer class and against members of the Helex Group, which group includes Panhandle Eastern and National Helium. All of the persons and concerns who are parties to the Consolidated Helium Cases, except the United States of America, are also parties to Case No. W-4613 which case was originally filed as Case No. 4989 in the District Court of Stevens County, Kansas on the 29th day of April, 1971 and was removed to this Court on petitions by Panhandle Eastern, other members of the Helex group and the Lessee-Producer defendants. On June 3, 1971, the Plaintiffs moved the Court for an order remanding the case to the state court on the grounds that the federal court had no jurisdiction of the subject matter of the case which motion was overruled. Plaintiffs filed a motion to amend the order denying remand in order to certify controlling questions of law so as to permit interlocutory appeal therefrom which motion was also overruled. The Landowners seek recovery for the value of helium sold to purchasers other than the United States and also urge in personam claims for cancellation of the leases based upon abandonment and breach of a covenant to market the helium for value and seek, alternatively, recovery for a reasonable royalty with respect to helium delivered and sold. (The payments received by National Helium from the government which are the subject matter of Case No. KC-1980 are payments for some such helium.) The Landowners have other such claims in Case No. W-4613 against pipe line companies and helium extractors other than Panhandle Eastern and National Helium and against Lessee-Producers as to helium which is not involved in the proposed compromise and settlement agreement.

The Lessee-Producers have filed cross-claims against Panhandle Eastern and National Helium for the value of helium sold to purchasers other than the United States. Panhandle Eastern and National Helium have denied any liability for all claims by the Landowners and Lessee-Producers. On January 5, 1984, the Court ruled that the liability principles established in Case No. KC-1980 should apply in Case No. W-4613. Case No. W-4613 has not yet reached the trial stage.

The Settlement Agreement

The terms of the proposed compromise and settlement are contained in an agreement denominated Helium Settlement Agreement, dated July 17, 1984, and executed by Panhandle Eastern and National Helium, on the one part, and individuals acting on their own behalf and on behalf of members of the Landowner Classes, on the second part, and by Lessee-Producers acting on their own behalf and on behalf of the Lessee-Producer Classes, on the third part.

The Helium Settlement Agreement and all other papers filed in these cases may be examined and copied during regular office hours at the office of the Clerk of the District Court, 401 North Market, Wichita, Kansas. While the entire Settlement Agreement must be examined for an understanding of the complete transaction, basically the agreement provides that Panhandle Eastern and National Helium will have deposited or will deposit with the Court Clerk a settlement fund based on a value of \$3.60 per Mcf. of helium actually extracted and sold by National Helium, plus interest. The settlement fund, after deduction of administrative and litigation expenses and attorney fees, is to be distributed among the members of the classes as their interest is determined in the manner hereinafter provided. The most significant portions of the Settlement Agreement are the following excerpts from paragraph (7):

"(7) For all purposes of the Helium Class Actions the value of helium at the wellhead which helium was delivered by Lessee-Producers to Panhandle is agreed to be \$3.60 per Mcf. The principal amounts ultimately due individual Lessee-Producers and Landowners shall bear interest according to the interest formula prescribed by the Court in the judgment of November 8, 1983, in the Consolidated Helium Cases calculated until November 18, 1983, on which date Panhandle deposited with the court clerk the Court Settlement Fund as ordered by the Court. For the period subsequent to November 18, 1983, the individual Landowners and Lessee-Producers will be entitled to a share of the interest which the Court Settlement Fund has earned while in the hands of the court clerk in the proportion which the individual's share of the Court Settlement Fund bears to the total Court Settlement Fund. It is the intent of the parties that interest included in the portion of the Court Settlement Fund relating to the case of Oliver S. Brown, et al. v. Mobil, et al., shall be calculated as if judgment had been entered in such case as of November 8, 1983 on the same basis as was entered in the Consolidated Helium Cases and as if the principal and interest required by such judgment had been deposited with the court clerk on November 18, 1983."

The interest formula prescribed by the Court in the judgment of November 8, 1983 is as follows:

"The rate of interest shall be 6% per annum on each year's production of helium from the end of each year until

November 12, 1974, with the total of such principal and accrued interest to bear interest at the rate of 8% per annum from that date until July 1, 1980; and at 12% per annum from July 1, 1980 to July 1, 1985; and at 15% per annum from July 1, 1985, until the date of judgment. From the date of judgment, all principal and interest then accrued shall bear interest at the rate prescribed by the federal statute on judgments, as amended, 28 U.S.C. §1961."

Panhandle Eastern and National Helium contend in the litigation that interest should be calculated on a basis less favorable to the Landowners and Lessee-Producers than set out above. However, for the purposes of the settlement, they have agreed to pay interest on the basis of such formula. As a result, interest calculated through November 17, 1983, adds approximately \$5.61 to the \$3.60 payment for contained helium at the wellhead, for a total payment of approximately \$9.21 per Mcf.

If the compromise and settlement as presently proposed is approved by the Court, the Court will determine the amount of helium extracted by National Helium and sold which shall be allocated to each input point on the Panhandle Eastern Pipe Line system and, based on such allocation, will further determine the amount of the total settlement which shall be attributable to each individual and concern having claims against Panhandle Eastern and National Helium.

It is also a condition of the Settlement Agreement that the Landowner Classes, through named representatives and their attorneys, relinquish all claims in Cases KC-1980 and W-4613 pertaining to or affecting the helium extracted by National Helium as helium applies to the oil and gas leases from which it was produced. By such consent and agreement, Landowners relinquish and release all claims arising prior to the date of the execution of the agreement and asserted in such cases against Lessee-Producers other than for the payment of royalties as provided therein.

If the proposed compromise and settlement agreement is approved by the Court, Case No. W-4613 will continue only as to claims in the cases against pipe line companies and helium extractors other than Panhandle Eastern and National Helium.

Further the Settlement Agreement provides that the Lessee-Producer and the Landowner Classes release Panhandle Eastern and National Helium from any claims to the funds recovered by National Helium for breach of contract from the United States in Action No. 158-75 in the United States Court of Claims.

Approval Proceedings

At the hearing to be held beginning on the 5th day of March, 1985, counsel for Landowners and Lessee-Producers will be awarded attorney fees and the Court will allow litigation expenses incurred by representatives of the classes. All such amounts will be paid from the settlement fund prior to distribution. The Court may also permit Court administrative expenses to be paid from the Settlement Fund.

Each member of the Landowner Classes and Lessee-Producer Classes described above is hereby notified that if any member of such classes wishes to show cause why his or her interests have not been adequately represented by the named representatives of the Classes or to object to the proposed settlement, such cause or objection must be made by the filing of an appropriate pleading on or before the 19th day of Feb., 1985, with the Clerk of this Court. All class members will be bound by all actions taken in these matters by the United States District Court for the District of Kansas. At the hearing on March 5th, 1985, any member of the classes represented in these cases may appear and present proper argument and evidence, but no person not a named party will be heard and no papers will be received unless notice of intention to appear and copies of such papers are filed with the Clerk of this Court on or before Feb. 19, 1985.

The form of this NOTICE is approved by the Court and ORDERED to be sent to each member of the classes above described who has not heretofore appeared in these actions and whose name and address can be determined reasonably.

Counsel for the representatives of Landowner and Lessee-Producer Classes have recommended to their clients that the Settlement Agreement be accepted and such counsel will indicate to the Court at the settlement hearing that in their opinion the settlement is in the best interest of the members of their respective classes.

At The Time Of The Hearing, Neither The Parties Nor Counsel Will Have Sufficient Information To Advise Which Persons Are Entitled To Recover Under The Terms Of The Settlement Agreement Or Of The Amounts Of Money That Any Person Entitled To Payment Can Expect To Receive Under The Terms Of The Settlement Agreement. Because Calculations Will Need To Be Made To Effectuate The Settlement, Some Time Will Elapse Before Those Persons Entitled To Recover Payments Will Receive Them.

DATED AND ENTERED at Wichita, Kansas, this 16 day of Oct., 1984.

For most people, the only "good" bill is a paid bill. Unpaid bills can result in embarrassing second notices and may even affect your credit rating.

Some people have the money to pay their bills, but simply have trouble getting the checks written and in the mail before the deadline. Others run short of money to pay all their bills, especially if one was an unexpected expense.

A monthly "bill reminder" is one way to avoid either problem. It's simply a chart with columns labeled: date received, type of bill, amount of total bill, date payment due, date paid, amount paid, new unpaid balance, and comments.

As you receive each bill, fill in the information for the first four columns. The list of due dates will help you avoid late payments. When you pay the bill, fill in the remaining information and you have checklist of payments and outstanding balances that you can use to plan ahead for next month and to keep track of your spending.

You can also plan ahead for those irregular, sometimes "Surprise" bills such as insurance that's due quarterly or bi-annually; income tax; vacation costs; club memberships and magazine subscriptions. Just enter these on the chart for the month in which they are due.

You can also prepare for irregular expenses by taking the total cost of the anticipated bill and dividing it by twelve. Then enter in that much money as a "Bill" on your bill planner each month.

For example, if you have a yearly insurance bill of \$480, enter \$40 each month on your bill reminder and then save that money until the bill is actually due.

The bill reminder can also help you save money. If you are able to make savings a "fixed" expense by entering it as a bill, you are more likely to save it. Some have called this "paying yourself first." If you only save what's "leftover" at the end of a month, you may not save anything.

A bill reminder is not an elaborate device. It can be done simply with a pencil and paper or you can do it on a home computer. Either way, it will help keep you organized and avoid unwelcome surprises at bill-paying time.

Wawaka Talk

by Mary-Ann Hooper

Driving to work the most brilliant, philosophical thoughts and ideas go through my otherwise average mind. When I sit down to a typewriter, however, and reach out to type, there's nothing there. I've thought many times of keeping a diary, but at the present, who would be interested in such mundane things as supper menus, when we feed the bulldogs, or what time we put our kids to bed. It might be good filler for a time capsule but at present it's zilch. Since I have neither the biting wit of an Anne Landers nor the humorous observations of an Erma Bombeck, what does that leave me? I've always been told that everyone of us has at least one redeeming quality. Oh well, there's always Charm! That's it! I'll work "double time" on my Charm. Watch out world!

We are sorry to hear that the Garza's (Roy, Gume, Martin, Adrian & Joey) are moving to Gruver. We will miss them.

The U.S. Post Office customer service center will be open Saturday, Dec. 15, and Saturday 22 from 9:30 to 12 in order to serve Christmas mailers better, according to Postmaster Ray Robertson.

MR. KRICKLE: What? I thought you two were very happy together!

MR. ZAMBIE: I want to be the first one up this year to get the house warm!

Dear Santa,

I would like a Care Bear. Get my mom a diamond ring. Daddy likes a saddle, he always like to ride. Get Kim a Care Bear Necklase.

Love,
Kelly Boone

Dear Santa,

I want to say, Dear Santa, I want a Cabbage Patch Kid for Christmas and then I want to maybe some day come to your home.

Love
Lexy Spivey

Dear Santa,

I want a Cabbage Patch Kid, a Care Bear, Grumpy and Tenderheart, an air pump and an Army Suit and a Castle Gray-skull set and a he-man set, a stomper set and car set. I love you.

Services

Helen Ooley Langley, 72, of Baird, TX, passed away at 3:15 Sunday, December 16 at Humana Hospital in Abilene after a brief illness.

Services were held at 2:30 p.m. Tuesday, December 17 at Parker Funeral Home. The Reverend Dan Wooldrige, pastor of the First Baptist Church, officiated. Burial was in Ross Cemetery Annex.

Mrs. Longley was born September 7, 1912 in Higgins, TX. She had lived in Baird for three years, coming from Midland, TX. She was an Episcopalian.

Survivors include a daughter, Mrs. Sonny Barber Burleson of Baird; one sister, Ruby Printz of Pueblo, CO.; one brother, Hershel Ooley of Spearman; two grandchildren; two great grandchildren; and several nieces and nephews.

City Hall moves

City Hall and the Police Department will be moving to their new location at 30 S.W. Court and open for business at 8:30 A.M. December 17, 1984. Utility billing payments can be made at the drive-up window and we ask citizens to use the first drive-up. For over-the-counter business, the front entrance of the building can be used for this purpose. The Police Department entrance will be at the rear of the building on First Avenue, and they will also be opened on December 17, 1984, at this location.

THANKS

This newspaper joins, with many of our readers with expressing our thanks and gratitude to the city employees and the postal service for their extra work during the ice storm over the weekend. We would also like to thank the Spearman Chamber of Commerce, and C of C President, Robert Elliott for the beautiful Christmas lights in Spearman this year.

Operation Christmas Greeting-

It's that time of year again!!! The Christmas Season!!! And the Hansford Hospital Auxiliary is asking you once more to send them the money you would spend sending Christmas cards so that they may fund their gifts to the Hospital and the Manor.

Since 1978 the Christmas Greeting Card drive is the only fund drive the Auxiliary does and you, the public, have been very supportive in responding. Thanks to your generosity the Auxiliary has been able to furnish a labor room, lights for an operating room, freezer for serum, curtains and shades, chairs, make-up shelves for the bathrooms, kitchen stoves and small appliances, a patio for the Manor, seasonal decorations for both, and many, many other gifts and services.

We will greatly appreciate your support again this year. Please send your checks to Helen Etter, Box 1045, Spearman, TX. 79081. Each week the Spearman Reporter, the Gruver Statesman, and the Hansford Plainsman will print your name telling that you have donated to the Christmas Greeting Fund instead of sending cards.

We wish everyone a joyous Holiday Season. Instead of sending Christmas cards this year, we have donated to the Hansford Hospital Auxiliary for use in their work in the Hospital and the Manor.

"THE FIRST CHRISTMAS."
IT'S A TRADITION.

There comes a time of year when the air gets crisper, friends get closer, and feelings get warmer. It's the Christmas spirit, and you can feel it in the air.

At the First National Bank of Perryton, we have a tradition to celebrate that spirit. We call it the FIRST CHRISTMAS, and we want you to be a part of it.

On December 20th, 21st and 24th, from 9:00 a.m. to 3:00 p.m., you're invited to come by the lobby of the bank. We'll have good things to eat and beverages of the season. Both present and past employees of the bank, as well as the First Women's Advisory Council will be serving as your hostesses. It's sure to be a happy celebration of a warm tradition that brings friends and neighbors together.

It's our way of saying Merry Christmas.

"Glory to God in the highest, and on earth peace, good will toward men." Luke 2:14.

The Christmas Story is like a golden life line that down through the ages keeps unraveling, bringing hope to a weary world. Though its words are old, they are ever fresh and new because they are living words.

The Babe of the Christmas Story grew up and still lives. He freely forgives the sincere and daily gives us the bread of life and supplies us with living waters.

How could it be that He left His beautiful home of peace and love, exchanging the companionship of adoring angels for those who spat in His face!

Why would such a perfect one take on human nature after it had been weakened by four thousand years of sin!

What a Gift! It took an infinite love that we cannot yet fully understand. It is a Gift we can never repay, but at Christmastime we have a chance to show appreciation for this Gift by first thankfully accepting it, and then passing on to others a portion of the blessings we've received!!

Let this Christmas truly bring "good will toward men"!!
