1965 Was Wet Year For County

It started dry, but before the year was over, 1965 was a wet year, according to rainfall records kept by Mrs. Pat Cates, the weather observer for Spearman.

Rainfall and snow moisture for 1965 lacked only 1.20 to tallying as much as was recorded here for both 1963 and 1964. The total last year was 26.52 inches. In 1963 the total was 13.71 and in 1964 it was 14.01.

May and June were the really big moisture months of the year. May had 6.93 inches and June produced 9.67.

April and November were the dry months. No measurable moisture fell in the fourth and eleventh months.

The moisture by months was: January .9; February .25; March .85; April 0; May 6.93; June 9.87; July .99; August 3.76; September 1.57; October 1.18; November 0; and December 1.12.

Dirt storms in the early months of the year destroyed much of the dryland wheat crop and had the nation's news media talking about dustbowl.

The late spring rains produced some wheat on the dryland and gave the irrigation wells a rest. It also put grass on the rangeland. The rains of the summer and fall produced a record dryland maize crop.

The moisture and warm, open fall and early winter produced a large amount of winter wheat pasture. It put the livestock producers into 1966 with good prospects.

ICE BREAKER - This late model car broke through the ice on a dry weather lake Friday night. Mansel Bryan, the driver, and two other boys were hunting rabbits when they got on the lake. The car was pulled back on top of the ice Saturday morning and off the lake. The car was not damaged.

Bitter Cold Grips County This Week

The cold arctic air that has been on the Panhandle for the past weeks continued to cling with icy fingers Saturday morning.

The second lowest reading of the new year and this winter was recorded Saturday morning with the official

weather gauges at the Pat Cates home reading five below zero.

This is the fourth time in the last eight days that the mercury has dropped below the zero mark. Saturday, Jan. 22, the temperature was 10 below zero and on Wednesday morning, Jan. 26, the low was three below zero. Friday morning the low was four below zero.

Wednesday was the only day in the past eight that the mercury has climbed above the freezing mark. The high on Wednesday was 42.

Last Sunday the low temperature was zero and the high was 32.

Varsity Teams Play Here Tues., Fri.

Spearman varsity basketball teams will be at home this week for games with Shamrock Tuesday night and Stinnett Friday night.

These will be the last two district games for the Lynxettes. The boys have games the following week at Boys Ranch and then come home for the final game with Phillips.

Two starters for the Lynx and Lynxettes are sidelined with injuries. Charles Shieldknight is out with an ankle injury. Kathi Pattison is to go to Oklahoma City Monday for a specialist to examine her knee. She has been out since the Duncanville Tournament.

Phillips is rolling toward the district title, with Stinnett in second place in the boys competition.

The Stinnett girls have lost only to Spearman and will be shooting for a tie with the Lynxettes in the district race when they come to Spearman Friday night.

Some snow has been falling intermittently during the past week, but Sunday morning was the only time it was in a measurable amount, .05 of an inch.

The high and low temperatures for the past eight days were Saturday, -10, 29; Sunday 0, 32; Monday 12, 24; Tuesday 16, 28; Wednesday -3, 42; Thursday 8, 29; Friday -4, 12 and Saturday +5.

Most city streets have had the snow and ice beaten off, but there are still slick spots and cars continued to stick on ice occasionally on Main Street when parked at the curb.

There were several minor accidents during the week, but no one was injured and the damage was light.

No accidents have been reported on rural roads or highways. The Texas Highway Patrolmen reported earlier this week that they had not worked an accident in the area.

Three Teams In Finals

Spearman Junior High School teams were in the finals of three of four divisions of the tournament held here Thursday and Friday.

Teams in the finals were the seventh grade boys and girls and the eighth grade girls. Stratford took the Spearman eighth grade boys out Friday night with a 29-25 win.

The eighth grade girls got to the finals by beating Stinnett 40-12 and White Deer 22-21. Gruver got to the finals in the division by beating Skellytown 21-19 and Stratford 25-24.

The eighth grade boys beat Stinnett 19-10, then lost to Stratford 29-25. Gruver got to the finals by beating Fritch 35-21. Gruver and Boys Ranch were in the consolation finals. Gruver lost to Stratford 27-20 and then beat Stinnett 23-12.

The seventh grade girls met Stratford in the finals. They beat Stinnett 14-11. Stratford beat Spearman b team 42-2. They beat Gruver 14-12.

All the finals were played after press time for the Sunday paper.

Copeland Files For Re-Election

Another city councilman has filed for re-election to the post he has held since 1960.

E. J. Copeland has filed for another two-year term on the council.

He was out of town Monday and absent from the council meeting when Mayor Bob Vaughn and councilman Richard Holton filed for new terms.

Holton is just completing his first term and Vaughn has served as councilman and later mayor since 1959.

Fouls Defeat Lynx; Sick Lynxettes Win

It took a team effort by the Spearman Lynxettes to beat Dalhart 40-24 in Dalhart Friday night. The Lynx fouled away a first half lead to lose 44-39.

Several of the Lynxettes were having a bigger battle with the flu bug than they were with Dalhart. Spearman started slow and was leading only 8-5 and 20-15 at the end of the first two quarters.

Nancy McCullough, Robbie Ownbey and Bethany Donnell put the brakes on the Dalhart scoring in the second half holding them to nine points while Spearman pushed in 20 to ice the victory.

Karen Gibson and Barbara Wilde each hit 11 points on four field goals and three free shots. Susan Hutchison was right behind them with nine points on three field goals and three free shots. Marcia Shieldknight hit one field goal and three free shots for five points and Cecilia Wilson had one field goal and two free shots for four points.

Coach Dean Weese said the girls played a good game considering the number of them who were sick.

The Lynx outscored Dalhart 34 to 28 from the floor, but gave Dalhart too many free shots. Spearman committed 21 fouls and Dalhart committed seven. Spearman made five of nine while Dalhart cashed in on 16 of 28 tries.

Spearman was leading 12-4 at the end of the first quarter and 20-17 at the half. In the third quarter Dalhart came back hot to take a 33-27 third quarter lead.

Dave Clement led the Spearman scoring with 10 points. Larry Butts and Ken Shufeldt

each had nine. Carl Close and Monte Black had four each. Carroll Day had three points.

Spearman controlled the rebounds in the first half, but as the fouls piled up, Dalhart was able to gain control of the important rebounds.

Monday Is Last Chance

Monday, Jan. 31 at midnight is the deadline for paying your 1966 poll tax and qualifying yourself to vote in city, school, county and state elections.

One must also get a non-payment poll tax certificate to be qualified to vote in federal elections.

Sheriff and Tax-Collector J. B. Cooke said Saturday that midnight Monday was the deadline. It will not do any one any good to come in Tues., Feb. 1, expecting to get a poll tax, just because he forgot to get it before the deadline.

There will be poll tax receipts in the Sheriff's office at the back of the courthouse that can be purchased until midnight Monday.

Cooke said there had been only 1,400 poll taxes paid Saturday. He estimates there are from 2,000 to 2,500 persons eligible to vote in the county if they pay their poll taxes.

The tax is only \$1.50 in Hansford County.

This year there are city, school, county, state and national elections on tap and a petition is being circulated to call a county bond election.

President Gets Jacobs' Name

Elmon Jacob's name has been submitted to President Lyndon Johnson for appointment as Postmaster of the Spearman Post Office, according to a radio news report Friday night.

Jacobs has been acting Postmaster of the Spearman office for the past year. He was assistant Postmaster and employed in the local office prior to being named acting Postmaster.

LEADER- Calvin Hibler (second from right) of the Texas Education Agency, discussed the points of curriculum planning he was to talk to Spearman teachers about Thursday afternoon in a workshop conducted here. School administrators listening are (left) James Pendergraft, Allen Alford, Dr. Bill Reeves and Jim Cherry.

Judge Johnnie Lee, guest speaker, was introduced and gave the program on Civil Defense, bringing the group up to date on procedures and conducting a question and answer discussion.

Dorcas Collard, who is in charge of the Mothers' March Sunday, made assignments and gave out materials for the drive.

Apple and cherry pie and coffee were served to members Dorcas Collard, Elvonna Davis, Pat Donnell, Helen Etter, Joyce Lackey, Ruby Lair, Ruth Skinner, Helen Watson, Mona Beth Windom, Charlene Bulls, Pat Dear, Cauleen Mason and Barbara Schnell.

Time for Fun Party Is Monday

The Spearman Home Demonstration Club will sponsor the Time For Fun Club Monday, Jan. 31 at 7 p.m. at the clubroom.

Card of Thanks

Words can never express what we, as a family, would like to say to all our wonderful friends. While "our loved one" was in the hospital and when we had to tell him "good-bye" we were never without your telephone calls, offers of help, food, flowers, memorial donations, comfort and your love. You did so many things, like clearing our sidewalks, and we don't know who to thank. We are so thankful to each of you.

We want to include a very special thank you to Dr. Kleeberger, each wonderful nurse, and every employee at the Hansford County Hospital. Without your special help and tenderness toward our loved one; our grief would have been almost unbearable.

God has blessed the city of Spearman with the best people in the world. May he bless each of you, in the future, is our prayer.

Mrs. Hays Is Circle Hostess

A continuation of the study on Acts was held Wednesday when the Susannah Wesley Circle of the WSCS met at the church. Mrs. Wesley Daniel is leading the study and Mrs. Hubert Hays, Jr. was hostess for the meeting.

Present were Pat Reeves, Virginia Sell, Marie Beck, Carolyn Messer, Marie Hays, Margaret Adamson, Myra Grimes, Linda McLain, Donna Baxter, Virginia Trindle, Patsy Sheppard, Lucile Lewis, Mary Brown, Beth Daniel and visitors, Rita Reed, Wanda Reed and Lou Howerter.

Circle Meets In Jones Home

Mrs. Don Jones was hostess for the Alma Reed Circle of the W.M.U. when it met in her home Wednesday morning.

Mrs. Jones presided at the business session and the prayer calendar was read by Mrs. Herman Boone.

The Bible study was conducted by Mrs. Fred Holt.

Present were Mmes. Ray Moore, Major Lackey, A.F. Loftin, Luther Berry, R.H. Gray, Boone, Holt and the hostess.

Mr. and Mrs. Ray Phelps are spending the week in Ft. Worth and with their son, Mr. and Mrs. Howell Ray Phelps in Houston.

Soap, the oldest and most popular laundering product, is formed from animal fat and caustic soda.

Mrs. Gates Has Circle Program

The Louise Mitchell Training Circle under the direction of Mrs. J.D. Helms met in the First Baptist Church Wednesday morning.

Donna Helms read the prayer calendar followed with prayer by Mary Lovett.

A card was signed by the group to be sent to Angie Sheets who is a patient in a Oklahoma City Hospital.

Patsy Gates gave the program "The Technique of Presenting a Good Program" after which the meeting was closed with prayer by Mrs. Helms.

Attending were Louise Hawkins, Mary Lovett, Patsy Gates, Donna Helms and the hostess, Jane Moyer.

Livestock Prices Will Be Strong Again this Year

COLLEGE STATION.—Prospects for livestock prices for the year ahead are bright.

Ed Uvacek, livestock marketing specialist at Texas A&M University, says lower cattle numbers, a smaller calf crop, and a reduced slaughter level should hold fed cattle and feeder calf prices above 1965 levels.

He adds that 1966 may well be one of the most profitable years since the early 1950's for sheep and lamb producers.

The specialist believes hog prices during the first half of 1966 will again establish new heights. A large production of the spring pig crop could provide an over-correction on the number of hogs and force price levels during the last half of 1966 to levels slightly below those of last year.

Uvacek says the inventory count of cattle and calves on farms on January 1 is expected to be down about one and a half million head from a year ago. He believes herd liquidation to continue through 1966 but at a slower rate, thus reducing the number still further on next January 1. This, he adds, may well be the end of liquidation and the start of another build up phase for a new cycle.

He noted that cow slaughter in 1965 was up about 26 percent over 1964 and was a major factor in the January 1 inventory reduction figure. But there were other factors which added strength to the 1965 market; steer slaughter was down and heifer slaughter up and slaughter weights of both steers and heifers were down, thus reducing the total production of beef.

Uvacek expects cow prices to seasonally move higher into the spring and then slack off during summer and fall. The demand for replacements plus lower levels of imports strengthened cow prices during 1965, and will continue to influence 1966 prices.

Grand Coulee Dam, which spans the Columbia River in Washington state, is one of the most gigantic concrete structures ever built, requiring 1,585,000 cubic yards of concrete.

Equity Sends Group South To Galveston

A chartered bus left Perryton Monday morning, carrying 32 Equity members and employees plus two from the Union Equity at Enid, bound for Galveston and an inspection tour of the new export elevator facilities of the Union Equity at the port city.

This multi-million dollar installation was built by the Union Equity, headquartered at Enid, and is designed to speed the flow of export grain and is intended to be instrumental in the development of world grain trade.

The Perryton Equity Exchange holds about 20 per cent of the ownership of the Union Equity and Audie Conley of Perryton is the president of Union Equity.

The chartered bus was due to be back in Perryton Wednesday night.

Making the trip were Don Deeg, Robert Copp, Jack Tollison and H. B. Parks of Pringle; Dean Gray and A. T. Pittman of Beaver; Jim Helmuth of Knowles; Jack Hendrickson, Jim Arnold, Hardesty, Danny Pletcher, D. D. Hummer, Oliver Carter, Rollin Thurman, Ray Osborne, Bill Gray, Perryton; J. W. Rice, Twichell; Johnny Rhea and Perry Dixon of Morse.

Guy Fuller To Be Honored At Open House

Open house honoring Guy Fuller of Spearman will be held at Perry Memorial Library on Sunday afternoon, January 30, between 3 and 5 p. m.

Mr. Fuller is the artist whose work is on display during January, one of a series of exhibits sponsored by the Sorosis Club.

The Spearman art class will sponsor the exhibit-open house and the public is invited to attend.

Fuller is the first man to take part in the exhibits. Fuller, farmer and rancher and long-time resident of Spearman, has been painting since 1958. He started to paint when doctors advised him to slow down a bit and take-up a hobby.

He had started to paint a picture on his own, with some suggestions from his wife, Blanche, also a talented artist, when Mrs. Gwenfred Lackey happened in and consented to teach him. He has been her only pupil.

NEWSMEN PICK A QUEEN—Dale Evans, singer, song-writer, author, movie-radio-TV star and Queen of the Cowgirls, has been named Texan of the Year by the Texas Press Association. Announcement of her selection came from Don Coppedge, chairman of TPA's Texan of the Year Committee and publisher of the Waxahachie Daily Light. Uvalde-born Miss Evans is the wife of Roy Rogers, popularly known as King of the Cowboys. Rogers will accompany his wife to San Antonio where the newsmen will present the special award to Miss Evans during TPA's Mid-Winter Convention, Jan. 28-29. Winn Crossley, association president and publisher of the Madisonville Meteor, said this is the first time in the history of the state's largest newspaper organization that a woman has been selected as Texan of the Year.

TPA Honors Dale Evans

Texas newsmen have selected Dale Evans, the world's Queen of the Cowgirls, as Texan of the Year.

It's an honor bestowed annually on a native-born Texan presently residing outside the State and bringing fame to the state.

Texas-born Dale Evans, one of the all-time greats in the "wild west" rodeo world, was chosen for the honor by a selection committee composed of members of the Texas Press Association and headed by Don Coppedge, publisher of the Waxahachie Daily Light. Announcement of the selection of Miss Evans came from TPA President Winn Crossley, publisher of the Madisonville Meteor.

Miss Evans and her equally-famous husband, Roy Rogers, King of the Cowboys, will be in San Antonio on Jan. 29. She will receive the TPA recognition at the Honor Banquet which closes the Association's 19th Annual Mid-Winter Convention at El Antonio Motor Inn.

President Crossley pointed out that Miss Evans is the first woman to receive this singular honor. It is the highest honor bestowed on a fellow Texan by Texas publishers.

Previous recipients of the award were Paul Richards, then manager of the Baltimore Orioles; Van Cliburn, world-renowned pianist; Dan Blocker, popular TV star; and C. B. (Tex) Thornton, distinguished industrialist-entrepreneur.

Last year TPA presented their Distinguished Service Award to University of Texas Coach Darrell Royal.

Born in Uvalde, Texas, Miss Evans attended business school in this state, then began her professional career as a western and country-style rodeo singer. She made her first western movie in 1943.

In 1947 she married Roy Rogers, and together they have ridden the ranges of the world. They have received honor after honor, in many realms, starring on radio, TV, in movies, rodeos and other shows.

Not only have they endeared themselves to children everywhere, but the Rogers' have become one of the couples most admired by adults.

In addition to distinguishing themselves as co-stars of western presentations, they are parents of an international family. They have several children of their own, plus a number whom they have adopted and are rearing as their own, including a little Indian girl and a Korean orphan.

Dale and Roy are the first two people in show business ever to receive the American Legion citation for their contribution to wholesome entertain-

ment. They are the only show business personalities to receive the titles of Honorary Knight for Life and Lady of Camelot from Round Table International. The Round Table has selected only 18 persons in all the world for this honor during the past 30 years.

Not only has TPA's first woman Texan of the Year reached the stars with her husband, but she has distinguished herself in many other ways. Recently she was named Woman of the Year by International Orphans, Inc.

She is a recording artist for RCA Victor, and has composed numerous western songs.

The beautiful and youthful

star has written six books. The first was an inspiring and sentimental story of their daughter who passed away at age two. Her recently published sixth book, "Dearest Debbie," is the story of the little Korean orphan and her delightful contributions to the Rogers' lives. Debbie was killed in a tragic bus accident when she was nine. Currently Dale and Roy are among the sponsors of the Cal Farley Ranch. The past year they also helped to sponsor the American Bible Association's release of 55 million Bibles throughout the world at Christmastime.

Over 350 daily and weekly members of TPA will be in San Antonio to pay tribute to Miss Evans at the Honor Banquet, which will dramatically conclude Texas Press Association's annual Mid-Winter meeting.

Payment Increase Noted By Social Security Office

941,300 people in Texas received \$60,499,000 in monthly social security benefits in 1965, according to Virgil J. Holloway, officer-in-charge of social security branch office in Pampa. "This is an increase of 48,338 people and \$7,780,789 over 1964," he said. Nationwide, by the end of the year, 20.8 million persons were receiving \$1.5 billion monthly in cash social security benefits.

"The main reason for the increase in money paid out," he continued, "was the 7 percent increase in benefits, enacted in July but retroactive to January 1965." In September, checks covering the retroactive payments and amounting to \$885 million nationally were sent out to the more than 20 people then on the social security rolls.

The Social Security Amendments of 1965 also made 61,000 persons in Texas newly eligible for monthly benefits and added a program of health insurance for people 65 or over which will go into effect beginning July 1, 1966.

Mr. Holloway said that the health insurance program--known as Medicare--is available to 886,000 people 65 or over in Texas. The basic hospital insurance part, he continued, is automatic for every one of these people, whether or not they are eligible for

regular social security benefits.

The medical insurance part, covering doctors' bills and other medical expenses, is voluntary and will cost the participant \$3 a month (with the Federal government contributing a matching amount.) Those who want this insurance have to sign up for it.

And, Mr. Holloway emphasized, people who are already at least 65 have only until March 31st to sign up, if their coverage is to begin on July 1st.

Going back to the past year, Mr. Holloway said: "Altogether, the changes made in social security in 1965 are the most important since social security began 30 years ago."

"This program of social insurance has come a long way in our generation," he said, "and we are getting ever closer to our goal of economic security for all Americans."

For more information about the Medicare Program or about the regular monthly benefits, get in touch with the Social Security Branch Office, 400 W. Kingsmill, Hughes Building, Pampa, Texas.
