Engaged—

Mr. and Mrs. Preston Smith of Spurman announce the engagement of their daughter, Dorothy, to William Allen Coker, Jr., son of Mr. and Mrs. Allin Coker, Jr., of Dublin, and her fiance and graduate of Spurman High School.

Personal note to my secret pal: The surprise (which came by mail) was a letter from "D.C.W." The “ .. .” was my secret pal and the “ .. .” was me.
March Draft Quota
Latest Since 1933

State draft boards are scheduled to forward 9,245 young men for physicalual mental and physical examinations in March. Colonel M. E. Schwerin, state selective service director, announced Thursday.

The March quota was a decrease of 1,570, previously announced, the largest monthly draft quota required for the arm forces since 1953.

The March induction quota of 1,774 compared with a February call of 1,372. Local board quotas for induction and preinduction examination in March already have been figured and sent to the state's 377 local boards.

The Smith-Hughes Act passed in 1917 provided federal funds to the States, on a matching basis, for establishing programs of vocational education in public high schools, which in turn were to be served to expand the projects.

We need help to see straight. Imagery is almost subdivided and no one can be induced to look in our eyes. Most men, particularly those who understand the situation, do not see the right side up because he was God and the light of the world. It is God who appointed our eyes and choses what was seen before the lens of the eye to be the image for the right side up view. We cannot sort out the world apparent inverted or upside down. We could adjust to this upside-down way of seeing things so that it would seem right and everything else wrong.

Here is where our human nature has been perverted. We have turned the Texas Christian University campus. The March induction quota, 1,372, previously announced, the largest monthly draft quota since 1953, provided federal funds to the States, on a matching basis, for establishing programs of vocational education in public high schools, which in turn were to be served to expand the projects.

Men for preinduction mental examination.

Robert Conard, Pastor
Old & Phillips Church

Robert Adamson will be the soloist of the WT Symphonic Band repertoire. This band will include the March 1 induction of the Buffalo Band. The WT Symphonic Band played a continuous concert March 1.

The Selective Service regulations are the corrective. Our kinds of bifocal approach to the Gospel is the corrective. We look at the world upside down and the brain that straightens it all out for us. When people adjust to this upside-down way of seeing things so that it would seem right and everything else wrong.

Climaxing the tour, the WT Symphonic Band will perform in concert at the Abilene Christian University, Thursday evening, March 1, in the Abram H. Hill Auditorium. The program is one of 14 concerts for the group scheduled for the Liverpool area.

Conducted by Gary Gurnett, director of bands, the Symphonic Band will perform for the March 1st concert in the Abram H. Hill Auditorium. The program is one of 14 concerts for the group scheduled for the Liverpool area.

Mrs. Allen Is
Guard Hostess

The Arts and Craft Guild meeting February 18, in the Center Stage Guild,Alford,"Skyliner Suite in A Minor," Jacob's "Suite in A Minor," and the March 1 induction quota, 1,372, previously announced, the largest monthly draft quota since 1953, provided federal funds to the States, on a matching basis, for establishing programs of vocational education in public high schools, which in turn were to be served to expand the projects.

The Smith-Hughes Act passed in 1917 provided federal funds to the States, on a matching basis, for establishing programs of vocational education in public high schools, which in turn were to be served to expand the projects.

Nothing else wrong.

Card of Thanks

I want to take this opportunity to thank you for your kindness, care and love you have given during my recent illness, for all those who stood by and your kindness will not be forgotten.

Sincerely yours, Gaye Johnson,
Gaye Johnson

Winds More Bearable in Our Area

by Bob Crawford
Soil Conservation Service

Spring is almost here. The wind months are upon us. This is the time to make windbreaks that will make winds more bearable.

A.R. Henderson of Gruver has an excellent windbreak upon his property. Evergreen trees are a must for an attractive and effective windbreak. They should be placed about 75-125 feet from the house and should be placed in rows at least 30 feet and not more than 40 feet to the north and west sides of the house. Two rows of trees are very desirable because they provide a thinner screening if the house is staggered.

Trees should be planned 8-10 feet apart in the row. 50-70 feet between rows of multiple rows are used. Planted trees are superior to native trees, because of the hardiness, Usually 100%. Even if they are planted on a well prepared seeded or bare ground. Native-planted trees are usually cheaper, but often they do not produce the same growth in the first season. This adds for much more labor in replacing trees. Trees should be planted from now until April for best results.

Contact the local Soil Conservation Service for more details in planning your windbreaks.

Buddy Dawson spent Saturday with the Loyd Carrols while his family was in Amarillo visiting his mother-in-law, who is in the hospital.

Miss Hutchinson Gives Program

Miss Hutchinson met with club at the office of Linda Nolte, Home Demonstration Agent, Tuesday, May 8th. Zelma Galvanth, president, called the meeting to order, and Mrs. Miriam Womble was elected to the office of secretary, Kay Bailey was elected Council Delegate Alternate.

Shebecks Hatchett, Junior Organization Leader, gave the program on how to have a demonstration, the demonstrator- "Making the Proper Care of the Nails."

Present were Vicki Cummings, Kathy Brown, Judy Windom, Cindy Ratzloff, Chris Jenkins, Leslie Jenkins, Zelma Galvanth, Anita Cook, Marty Simmons, Diane Holtie, Linda Wade, and Shebecks Hatchett.

Mr. and Mrs. W.R. Morrison and Bill were Saturday overnight and Sunday guests of their daughter, Mr. and Mrs. Don Jones, Winnie and Paula.

Mr. and Mrs. W.A. Ellsworth who has spent time in Amarillo with her daughter and family, Mr. and Mrs. Terry King were home for a few hours Monday but returned to Amarillo to spend another week with the Mayes.

Mays PTA met Monday evening at the home of Mrs. Jim Womble, president.

A nominating committee was appointed by the park, Johnny Brumley and Marcella Buchanan as the PTA office officers for next year. The committee will present their report at the monthly meeting when the school year begins.

Two delegates for the spring convention will be selected. They will be Ann Mrs. Robin Gimbil and Evi Henderson.

Mrs. June Stine, third grade teacher, presented a video on a particular area of a flower garden under the best care. This adds much more labor in replacing trees. Trees should be planted from now until April for best results.

Contact the local Soil Conservation Service for more details in planning your windbreaks.

Teachers To Play Basketball

Attention All Teachers! Please make no plans for Tuesday, March 8, because this will be your night to show your basketball talents. The student council of Spearman High School is going to sponsor a Friday basketball game March 8 at 7 p.m. If you don’t have time to eat before going to the game, there’s no problem, because the concession stand will be open.

Information as planned, there will be a men and women’s game. The teams will consist of a high school men and women’s team and two jr. high school teams. The games will be between the high school and jr. high.

So don’t forget the place is varnished gym, the day, Tuesday, March 8 at 7 p.m.

The FHA Sweetheart Banquet was held Feb. 18 in the R. High Cafeteria. The theme “Harmony” was carried out in both decorations and attire. The FHA colors of red and white were used.

The invocation was given by Mrs. John Hickey, sponsor. The program included music, presented by FHA Beau, Larry Holt, and FHA Sweetheart, Barry Hightower.

Mrs. Robertson was announced as the FHA Beauties for the year, and the society enjoyed the program. The theme for the annual FHA banquet was “The Art of Making the Most of You.”

PLAY BASKETBALL

Attention All Teachers!

If you don’t have time to eat before going to the game, there’s no problem, because the concession stand will be open.

Information as planned, there will be a men and women’s game. The teams will consist of a high school men and women’s team and two jr. high school teams. The games will be between the high school and jr. high.

So don’t forget the place is varnished gym, the day, Tuesday, March 8 at 7 p.m.

The FHA Sweetheart Banquet was held Feb. 18 in the R. High Cafeteria. The theme “Harmony” was carried out in both decorations and attire. The FHA colors of red and white were used.

The invocation was given by Kaye Kilgore, student chairman. She presented the FHA Beau, Larry Holt, and FHA Sweetheart, Barry Hightower.

Mrs. Robertson was announced as the FHA Beauties for the year, and the society enjoyed the program. The theme for the annual FHA banquet was “The Art of Making the Most of You.”

Hold it.

Before you guess who’s got the biggest V-8 and the most car, read this:

<table>
<thead>
<tr>
<th>Make</th>
<th>Model</th>
<th>Year</th>
<th>V8 Engine</th>
<th>Horsepower</th>
<th>Torque</th>
</tr>
</thead>
<tbody>
<tr>
<td>Chrysler</td>
<td>Newport</td>
<td>1965</td>
<td>413 V8</td>
<td>330 hp</td>
<td>480 lb-ft</td>
</tr>
<tr>
<td>Chevrolet</td>
<td>Impala</td>
<td>1965</td>
<td>409 V8</td>
<td>325 hp</td>
<td>440 lb-ft</td>
</tr>
</tbody>
</table>

Chrysler’s got the biggest V-8 going in. But if you’d like to go all out, Chrysler also has a 440 V8 engine — biggest production V-8 in its class. Either way, we can move you up to the big-car luxury and performance you want for far less than most people think. Come in and check our deal.
SOIL TEST

Irrigated 20 acres of grain sorghum and 60 acres of cotton - each three times from this tailwater installation

Mr. Byrd States

"In 1964, without using my tailwater, I made only 3500 lbs. of grain per acre and 57 bales of cotton on the same ground. The system paid for itself in one year and I plan to install another Peerless Tailwater Pump in 1966."

"My Cost To Irrigate With My Peerless Tailwater Pump Was 10¢ Per Acre."

Only Peerless Builds A Pump Especially Designed To Reclaim Irrigation Tailwater

Grain Yielded 5,200 Lbs. Per Acre And Cotton Made 102 Bales - All Without Fertilizer!
