

HANSFORD COUNTY'S LEADING NEWSPAPER

The Hansford Plainsman

VOLUME VI., NUMBER 100

SPEARMAN, HANSFORD COUNTY, TEXAS 79081

THURSDAY, OCTOBER 7, 1965

We jump up and down and scream so much about so many different things, we sometimes doubt if anyone ever listens. No matter, we are going to do some more screaming and jumping up and down. This time it is for joy.

We are jumping with joy about the way the majority of the businessmen and employees in Spearman pitched in and made such a success out of Crazy Day. It is a real tribute to a new spirit of co-operation that can mean much to our town.

We do not know just how hard profit this first Crazy Day put in everyone's pocket. It is none of our business. But, we and many others believe, the good it did is going to far overshadow any profit or loss realized on that one day.

Not only was the day good for customer-store relations, but we have not seen a time in Spearman when so many people seemed to be having as much fun as they were Saturday. The costumes were crazy and everyone was laughing and smiling. It was a good day.

Why the idea caught fire in the last few days, we do not know. But, for some reason the generally apathetic feeling everyone seemed to have the week before changed in the final week and everyone joined.

Several businessmen told us this week they had people in their stores they had never seen before, they also had a large number of people from Gruver, Morse and the surrounding area.

This made us feel good because we sent over 600 free papers to Gruver, Morse and Waka, so everyone in those areas would know what was being offered here.

If we can keep this spirit of co-operation in all our undertakings, then Spearman has developed the first important step in more growth and progress.

Crazy Day was a big day for us here at the Plainsman. We sold 117 subscriptions with our special price. We were so busy we could not get all of the 78 new customers on the mailing and carrier list by Sunday. We appreciate everyone's patience and hope that all of you new subscribers enjoy the paper. We also appreciate all of you old subscribers inviting us back into your home for another year.

The district football race begins tomorrow night in Fritch. The four pre-district games do not mean a thing, now. Those four games gave the coaches a chance to see the team under fire and make the necessary changes.

These next six games are the ones that spell championship and will tell what kind of team this year's Lynx really are.

In this issue of the Plainsman you will find a picture of the Morse football team of 1939. Take a look at the kind of equipment they wore then and see if you would like to play in a game today with that equipment.

PLANNING---Mrs. Virgil Mathews, County March of Dimes Chairman, and Fund Campaign Chairman Ed Dear select some campaign material for the March of Dimes. Hansford County gave more per capita than any other county in Texas this year. PLAINSMAN PHOTO

Hansford Is Top MOD County

Hansford County was the biggest hearted county in Texas and one of the largest in the nation, during the 1965 March of Dimes campaign this year.

Figures released this week showed that Hansford County gave an average of 57.5 cents per person during the campaign. This average put the county in fifth place in the nation. A Mississippi county was first.

The Hansford County average was over five times the amount of the 11 cents per person average for Texas.

Mrs. Virgil Mathews, County Chairman of the March of Dimes, said approximately \$1700 has been spent by the local March of Dimes chapter on four separate children during the past two years.

Another child will be given help by the local chapter as soon as it is 17 months old.

The chapter expects expenses in this case to be about \$500.

Assisting Mrs. Mathews on the county board of directors are C.A. Gibner, treasurer; Jessie Davis, secretary, Ed Dear, campaign director, Freeman Barkley, Mrs. Ralph Bort and Mrs. Corky Chapman of Gruver.

All band parents interested in chartering a bus from the Holiday Inn in Dallas to the Cotton Bowl on New Years Day should contact Frank Massad or Pete Fisher immediately.

If a bus is to be used to get to the ballgame, it must be chartered soon, Massad said. We might not be able to get one now, he added.

Mrs. Dear plan to attend the state March of Dimes meeting Nov. 4.

Election of officers, resolutions, presentation of youth awards and food will be the major events at the annual Farm Bureau County convention tonight (Thursday) at the Memorial Building in Gruver.

Six directors will be elected to fill the vacancies on the 18-member board. After the new board is named, it will elect the officers for the coming year. J.C. Harris will make the nomination committee report.

Elmo Dahl will present the resolutions to be voted upon by the County organization. Anyone having resolutions they wish to present from the floor is requested to have them in writing, so they can be recorded accurately.

Lynx Open District At Sanford-Fritch

The run for the roses begins for the Spearman Lynx at 8 p.m. Friday night when they meet the Sanford-Fritch Eagles at Fritch in the first District 1-AA contest for Spearman.

The Eagles have had little luck so far this season. They have not won a game, but Coach Don Seymour says they could begin clicking in any game and be a strong team.

Quarterback Joe Keim is a good passer for the Eagles and Ronnie Adkins and John Harbison are a couple of 165 pound backs that carry most of the offensive load.

The Eagle line is anchored by tackle Clyde McFarland, a 210 pound tackle. He is assisted by Kit Jackson, a 160 pound guard, as leaders in the forward wall.

Fritch runs for several different formations, single wing, variations of the T and I formations.

Last week Fritch was in the game with Shamrock until the half. The Irish went to the air in the final two quarters to pile up the points.

Fritch is operating under a new coach this year and there is the possibility the team may

start clicking in just any game and become a real threat. There are some good boys on the team.

Seymour said there were no big changes planned in the Lynx offensive and defensive units. The new defensive unit that bottled up Stratford two weeks ago will be unchanged.

This group has now had two weeks to do drill on the new positions and correct any mistakes that showed up in the Stratford game. Spearman was idle last Friday night.

In the offensive unit there is a spirited battle going on between Harrel Adkison and Ronnie Gilbert for one offensive tackle spot.

Adkison had the job early in the season, lost it in the third and fourth games to Gilbert and is now making a spirited bid to regain the position. Tuesday he had moved back to the starting spot.

Seymour said he did not know which boy would be starting Friday night, because they were battling toe-to-toe for honors.

No other starters were being challenged for their positions on the first unit and it will be the same as it has been all season.

While Spearman was idle Friday night the other district teams were opening the district battle. Friday night Dahlhart beat Stinnett 8-0, and Shamrock beat Sanford-Fritch. Saturday Phillips beat Boys Ranch.

BOY + MATCHES + GASOLINE = TROUBLE

A young boy, matches and a can of gasoline brought out the Spearman fire department Wednesday morning. The firemen quickly extinguished a can of burning gasoline and some rags in the garage of the Joe Graham residence at 718 E. Second. Firemen said the fire start-

ed when four-year old Ricky Graham dropped a lighted match in the gasoline. The gasoline had been used to clean some auto parts in the garage, the firemen said. Damage, according to the firemen, was confined mostly to smoke damage in the closed garage.

Cook-Turner Vows Exchanged October 1

Wedding vows were exchanged Friday, October 1 at 4 o'clock by Miss Sharon Cook and Loyall Turner. The double ring ceremony, solemnized in the home of the bride's parents, was conducted by Brother O.A. Busch.

Parents of the bride are Mr. and Mrs. A.F. Cook and the bridegroom's parents are Mr. and Mrs. Ned Turner, all of Spearman.

The bride, attired in a tailored white wedding suit, was given in marriage by her father. Her bouquet of white orchids and roses was carried atop a white Bible. Sharon Close of Spearman was maid of honor and carried a colonial nosegay of pink roses and white carnations which complimented her dress of soft pink. Bill Turner, brother of the bridegroom, was best man.

Vows were exchanged before the traditional wedding archway adorned with greenery, white satin and wedding bells. Seven branch candelabra and twin arrangements of white

gladioli flanked the archway. Wedding music was provided by Mrs. O.A. Busch of Perryton.

Guests of honor included Mr. and Mrs. C.G. Clements, grandparents of the bride, and Mrs. L.E. Clark of Wichita, Kan. aunt of the bride. Other guests included the immediate families of the couple.

The lace covered reception table featured a three-tiered wedding cake topped with the traditional bride and bridegroom. The centerpiece was a tall silver candelabra arrangement of pink and white. Mrs. Clark and Sharon Close served fruit punch and wedding cake to the reception guests.

The couple will be at home at Route 3, Spearman, following a wedding trip to Colorado and points west.

The parents of the bridegroom were hosts to a rehearsal dinner Thursday evening at Grunewald's Restaurant. The bride's chosen colors of pink and white were carried out in the centerpieces for that occasion.

Saw all those Friday night television shows for the first time last week and I think I'll still be able to tear myself away and get back in the spirit of things for the football game Friday night. I hope you will too.

Speaking of "getting into the spirit of things," Spearmanites certainly did just that Saturday for the first Crazy Day sale. According to most merchants, the sale was highly successful besides being lots of fun. Looks like it will become an annual affair so you might be saving those guinea feathers and voo-doo charms so you'll have the makings for an even crazier outfit next time around.

Our weather the past few weeks has been so beautiful that it has been hard to realize it's time for falling leaves again. The only bad thing about this pleasant season is making a decision in the mornings about whether to dress for cool or warm weather later in the day.

I liked this little quote Violeta Mahood used in the Sunday Herald over at Perryton.

"In summer's outmoded garb go I,
While women in Fall's beguiling
Ensembles of wool and fur go by.
So why am I brightly smiling?
Because I am cool as a clam can be
And that's the reason I'm beaming.
For the mercury's up to 93,
And the fashion plates are steaming."

Now that shorter and shorter skirts are the rage, the knees, whether shapely or shapeless, are uncovered for the world to see. I have my doubts that many of us will be won over to above-the-knee fashions but that's what they said about above-the-ankle fashions not so very many years ago I guess.

I read somewhere that "knee massaging" for lovely kneecaps is quite the thing in Paris now that thigh-high skirts are in vogue. It all takes place while milady is under the dryer and is supposed to accomplish wonders you never dreamed of.

Now you can't just worry about the wrinkles caused by laughing or frowning too many years, you've got to try and disguise a wrinkled kneecap.

This recipe for Williamsburg Cookies was sent to me by a very good friend. They are simple to make and quite good.

WILLIAMSBURG COOKIES

1 egg white
Pinch of salt
3/4 cup brown sugar (packed)
1 1/2 cup finely chopped pecans.
Beat egg white until stiff. Add salt and beat, gradually adding the brown sugar and beating well after each addition. Stir in nuts. Drop in mounds the size of walnuts on a greased cookie sheet. Bake at 250 degrees about 30 minutes. Makes about 48 cookies.

Take your problems to Church this week — millions leave them there!

A HORSESHOE OVER THE DOOR

Very useful in protecting the hoofs of horses and an important part of the equipment in the enjoyable game of pitching horseshoes. However, to expect a horseshoe placed above the door, in or about one's home, to ward off all danger and trouble and to bring health, wealth and solve all problems is putting faith in a power that does not exist.

The promise found in the Scriptural passage to the effect that "where two or three are gathered together in prayer, there God will be also," is worth more than all of the horseshoes or other charms in existence, in so far as true well-being is concerned.

Attending church is an infinitely better and more wholesome source of bringing true blessings, for at church one may always find fellowship, where two or more are willing and happy to join in prayer. If entered into whole-heartedly the Church will lead the way to power and joy such as horseshoes can never generate within one.

HOME DEMONSTRATION AGENT

Rice has been a food staple of centuries. Yet, its uses today are just as new and exciting as ever.

Improved processing procedures have shortened the cooking period, but the delicious taste and the nutritional value has been preserved. Do you know that along with carbohydrates (food energy) rice furnishes iron, calcium, vitamins B1, B2 and G?

Americans eat more rice every year; and, since this year's crop is a bountiful record-breaker, you'll find October a good month to use rice more in your meals.

One of the best aspects of rice is the way it mixes with such a large number of foods.

Almond Rice is delicious with meat loaf or shrimp. Just saute minced onion in butter, add minced parsley, salt and pepper. Fold this mixture into hot cooked rice.

Maybe your family would go for Rice with Chicken and Cheese. The recipe calls for: 1 1/2 cups cooked diced chicken, 2 cups chicken broth, salt, 1 onion chopped fine, 1 1/2 tablespoons butter, 1/2 cup uncooked rice and grated cheese.

In large fry pan, cook onion a few minutes in butter and add the broth, salted to taste. When it boils rapidly, add the rice slowly. Cover the pan and simmer about 25 minutes, or until the grains swell and become soft. Stir with a fork from time to time to keep the rice from sticking.

By the time the rice is done, it will have absorbed the broth, and the grains will be large and separate. Then add the chicken and more salt, if needed. Turn mixture onto a hot platter and sprinkle generously with grated cheese. Makes 4 servings.

Are your kitchenwares and household metals in good shape? It is always wise to take the best care of what we have, whatever it may be. Our metal equipment will serve us better if we give it the right kind of treatment.

Here are a few hints for care of some of our most common metals.

Aluminum—food should never be left in aluminum pans longer than necessary, or pitting of the metal will take place making it look bad and harder to wash, strong alkalis cause aluminum to turn dark and to pit, so never use strong soaps, washing powders, lye soda or other strong alkalis in aluminum pans.

Discoloration can be removed by boiling something slightly acid in aluminum, such as water with vinegar or cream of tartar—or cook acid food in the pan, such as tomatoes or apples.

Stainless Steel—for cleaning, use a gritless cleaning powder such as whitening or extremely fine steel wool. Never use coarse cleaners or steel wool. Polish with a soft cloth.

Copper and Brass—more abrasive cleaners can be used. The cooking surface of copper should be kept clean and free from tarnish. Hot vinegar and salt will remove spots, or you may use lemon rind and salt, if you don't have a commercial brass-copper cleaner.

For more details on cleaning and care of these and many other housewares and metals, ask for the Extension Bulletin, "Care of Household Metals, and Kitchenware" at the Extension office.

Mr. and Mrs. Loyall Turner

Cook-Turner Vows Exchanged October 1

Wedding vows were exchanged Friday, October 1 at 4 o'clock by Miss Sharon Cook and Loyall Turner. The double ring ceremony, solemnized in the home of the bride's parents, was conducted by Brother O. A. Busch.

Parents of the bride are Mr. and Mrs. A. F. Cook and the bridegroom's parents are Mr. and Mrs. Ned Turner, all of Spearman.

The bride, attired in a tailored white wedding suit, was given in marriage by her father. Her bouquet of white orchids and roses was carried atop a white Bible. Sharon Close of Spearman was maid of honor and carried a colonial nosegay of pink roses and white carnations which complimented her dress of soft pink. Bill Turner, brother of the bridegroom, was best man.

Vows were exchanged before the traditional wedding archway adorned with greenery, white satin and wedding bells. Seven branch candelabra and twin arrangements of white

gladioli flanked the archway. Wedding music was provided by Mrs. O. A. Busch of Perryton.

Guests of honor included Mr. and Mrs. C. G. Clements, grandparents of the bride, and Mrs. L. E. Clark of Wichita, Kan., aunt of the bride. Other guests included the immediate families of the couple.

The lace covered reception table featured a three-tiered wedding cake topped with the traditional bride and bridegroom. The centerpiece was a tall silver candelabra arrangement of pink and white. Mrs. Clark and Sharon Close served fruit punch and wedding cake to the reception guests.

The couple will be at home at Route 3, Spearman, following a wedding trip to Colorado and points west.

The parents of the bridegroom were hosts to a rehearsal dinner Thursday evening at Grunewald's Restaurant. The bride's chosen colors of pink and white were carried out in the centerpieces for that occasion.

"LITTLE MISS OCTOBER" - Lori Denise Crawford welcomes October with a sunny smile. She is six and a half months old and is the daughter of Mr. and Mrs. Roger D. Crawford of 201 Lomita in Spearman.

Saw all those Friday night television shows for the first time last week and I think I'll still be able to tear myself away and get back in the spirit of things for the football game Friday night. I hope you will too. ...

Speaking of "getting into the spirit of things," Spearmanites certainly did just that Saturday for the first Crazy Day sale. According to most merchants, the sale was highly successful besides being lots of fun. Looks like it will become an annual affair so you might be saving those guinea feathers and voo-doo charms so you'll have the makings for an even crazier outfit next time around. ...

Our weather the past few weeks has been so beautiful that it has been hard to realize it's time for falling leaves again. The only bad thing about this pleasant season is making a decision in the mornings about whether to dress for cool or warm weather later in the day.

I liked this little quote Violeta Mahood used in the Sunday Herald over at Perryton.

"In summer's outmoded garb go I,
While women in Fall's beguiling
Ensembles of wool and fur go by.
So why am I brightly smiling?
Because I am cool as a clam can be
And that's the reason I'm beaming.
For the mercury's up to 93,
And the fashion plates are steaming."

Now that shorter and shorter skirts are the rage, the knees, whether shapely or shapeless, are uncovered for the world to see. I have my doubts that many of us will be won over to above-the-knee fashions but that's what they said about above-the-ankle fashions not so very many years ago I guess.

I read somewhere that "knee massaging" for lovely kneecaps is quite the thing in Paris now that thigh-high skirts are in vogue. It all takes place while milady is under the dryer and is supposed to accomplish wonders you never dreamed of.

Now you can't just worry about the wrinkles caused by laughing or frowning too many years, you've got to try and disguise a wrinkled kneecaps. ...

This recipe for Williamsburg Cookies was sent to me by a very good friend. They are simple to make and quite good.

WILLIAMSBURG COOKIES

1 egg white
Pinch of salt
3/4 cup brown sugar (packed)
1 1/2 cup finely chopped pecans.

Beat egg white until stiff. Add salt and beat, gradually adding the brown sugar and beating well after each addition. Stir in nuts. Drop in mounds the size of walnuts on a greased cookie sheet. Bake at 250 degrees about 30 minutes. Makes about 48 cookies.

Rice has been a food staple of centuries. Yet, its uses today are just as new and exciting as ever.

Improved processing procedures have shortened the cooking period, but the delicious taste and the nutritional value has been preserved. Do you know that along with carbohydrates (food energy) rice furnishes iron, calcium, vitamins B1, B2 and G?

Americans eat more rice every year; and, since this year's crop is a bountiful record-breaker, you'll find October a good month to use rice more in your meals.

One of the best aspects of rice is the way it mixes with such a large number of foods.

Almond Rice is delicious with meat loaf or shrimp. Just saute minced onion in butter, add minced parsley, salt and pepper. Fold this mixture into hot cooked rice.

Maybe your family would go for Rice with Chicken and Cheese. The recipe calls for: 1 1/2 cups cooked diced chicken, 2 cups chicken broth, salt, 1 onion chopped fine, 1 1/2 tablespoons butter, 1/2 cup uncooked rice and grated cheese.

In large fry pan, cook onion a few minutes in butter and add the broth, salted to taste. When it boils rapidly, add the rice slowly. Cover the pan and simmer rice about 25 minutes, or until the grains swell and become soft. Stir with a fork from time to time to keep the rice from sticking.

By the time the rice is done, it will have absorbed the broth, and the grains will be large and separate. Then add the chicken and more salt, if needed. Turn mixture onto a hot platter and sprinkle generously with grated cheese. Makes 4 servings.

Stainless Steel—for cleaning, use a gritty cleaning powder such as whiting or extremely fine steel wool. Never use coarse cleaners or steel wool. Polish with a soft cloth.

Copper and Brass—more abrasive cleaners can be used. The cooking surface of copper should be kept clean and free from tarnish. Hot vinegar and salt will remove spots, or you may use lemon rind and salt, if you don't have a commercial brass-copper cleaner.

A HORSESHOE OVER THE DOOR

Very useful in protecting the hoofs of horses and an important part of the equipment in the enjoyable game of pitching horseshoes. However, to expect a horseshoe placed above the door, in or about one's home, to ward off all danger and trouble and to bring health, wealth and solve all problems is putting faith in a power that does not exist.

The promise found in the Scriptural passage to the effect that "where two or three are gathered together in prayer, there God will be also," is worth more than all of the horseshoes or other charms in existence, in so far as true well-being is concerned.

Attending church is an infinitely better and more wholesome source of bringing true blessings, for at church one may always find fellowship, where two or more are willing and happy to join in prayer. If entered into wholeheartedly the Church will lead the way to power and joy such as horseshoes can never generate within one.

Back-to-School Night Set October 11 by Local P-TA

Parents are encouraged to be in attendance at the annual P.T.A. sponsored Back to School Night October 11. A general meeting of parents with students in grades 1-8

will be in the junior high auditorium. General comments and directions will precede actual visitation of classrooms. Each parent will follow an abbreviated (seven min-

utes) period by period schedule provided by their child. In cases where more than one child from the family is attending school, grand-parents are encouraged to help see that each child is represented by a parent.

Our highest hopes for Education in Spearman can be realized only when lines of communication remain open between the school and community. The school understands the importance of parents understanding what is being done in the classroom and that both must work as a team in the best educational opportunities are to be provided for boys and girls.

A "Back to School Night" provides an unusual opportunity for parents to gain insights into the daily activities of their children. Informed parents serve the best interest of their child, community and school.

These brave adventurers share terrifying experiences that will delight audiences of all ages. Adkison Is Chosen As Pep Hero

The unanimous choice of Peppers for their hero was Harrel Dene Adkison. Harrel was the unanimous choice because he always had a kind word for the Cheerleaders and the Peppers' efforts. He seemed to really appreciate everything they did in boosting the support of football. He has played varsity football for 2 years. He says that football is the one thing he really enjoys in life. Harrel's pet peeve is that he hates noisy eaters. Harrel is a senior this year and after graduation he plans to go to college at Hardin-Simmons to major in pre-med. Harrel said he considered it an honor to be the Peppers' "Hero" and the Peppers all agree that he certainly deserved the honor.

Choir Plans Busy Year

The Spearman High School choir plans a busy year according to Mr. Lewis Tilford, choir director. Although this is the first year that the choir has met during school hours, there are ninety-three students enrolled, a fewer number than enrolled in last year's choir.

This year there will be a girls' and a boys' glee club. Also, there are two sextet groups. The members of the Lynx Minstrels and the Boys Quartet have not been chosen yet.

The programs for the '65-66 year have been planned as follows:

Dec. 16-"Evening of Song" a program including some Christmas music.

Feb.-a tour is in the process of being arranged for the group.

March-PMAC in Goodwell, Oklahoma and a Spring Concert.

Some of the selections to be used in competition are: Hallelujah Chorus from "The Messiah" (Handel), The Sound of Music, (Rodgers and Hammerstein), Bali Hai (Rodgers and Hammerstein), and He, Watching Over All the World (Mendelssohn.)

Miss Betty Brown Reigns As Homecoming Queen

Miss Betty Brown was crowned annual Homecoming Queen for 1965-66 at the halftime ceremonies Friday night, Sept. 24, during the game between the Spearman Lynx and the Stratford Elks. Miss Brown was escorted by Lynn Buzzard and Skipper Robinson, co-captains

for the game. Her attendants were Sue Stubblefield, senior, escorted by Clayton Cochran; Cheryl Bollinger, junior, escorted by Larry Butts, Glenda Yancy, sophomore, escorted by Dave Clement; and Sue Sloan, freshman, escorted by Rennie Berry.

The Queen and her attendants were chauffeured around the playing field and were met at the fifty yard line by their escorts, who accompanied them to the center of the field where the Lynx Band played "Sweetheart of Sigma Chi." The attendants were presented bouquets of long stem red roses by the cheerleaders and the queen was presented a bouquet of roses and mums by co-captain Skipper Robinson. The queen then received a kiss from and was crowned by Lynn Buzzard.

The royal five were then escorted to a throne decorated in purple and white, where they remained for the completion of the game.

Also going to Gruver from Spearman were James Schnell and Phillip Renner, who acted as the official voting delegates from our chapter.

Peppers Are Selling Magazines

The Peppers, spirit organization of Spearman High School, is offering a magazine subscription service to citizens of Spearman.

In association with the Quality School Plan, a different company from that used in past years, the Peppers will offer 164 magazines for new or renewal subscription.

This magazine service will begin Thursday, October 7, and end seven school days later, October 18.

The Peppers will receive a fifty percent or thirty percent commission off each order written. In addition to this, ten percent of the gross sales over \$975 will be earned.

Money earned from this service will be used to help pay for the spring athletic banquet and prom.

Special orders of magazines received by citizens may be accepted by the Peppers, if the magazine is offered on their list.

Among magazines listed for Spearmanites to select are: Reader's Digest, \$2.97, Life, \$5.95, Look, \$3.50, McCall's, \$3.00; and Better Homes and Gardens, \$3.00.

Those who wish to renew subscriptions may help the Peppers give better service by having a mailing label from a recent issue ready to attach to the order.

If during the magazine subscription service a citizen is not contacted by a pepper, he may call the high school office 2584, and a club member will be sent by.

The tiger scores again!

'66's dramatically fresh and new, but still very, very Pontiac. That's written all over it, from the no-doubt-about-it new front end to the trimly tailored rear. (Did you think for one minute that we'd leave out the unique Pontiac styling character you like so well? Never!)

Another nice thing about the '66 Pontiacs is that there are more of them—3 new super-sumptuous thoroughams and 4 Venturas. And, of course, for you

other Pontiac lovers we've got a bright new Grand Prix, new Catalinas, new Star Chief Executives—all with new Wide-Track ride and improved cat-

quick handling. But you'll discover those things when you slip behind the wheel and turn a new '66 tiger loose. **Wide-Track Pontiac/'66**

Oklaunion used a passing attack and the Mustangs couldn't seem to stop their passing offensive. All their touchdowns were made on passes. Morse had twice as many first downs as Oklaunion, but managed to score only once more in the game. Final score was 56-12.

The Mustangs will play Yarbrough, Okla. here this Friday night at 7:30 p.m. The game should be a good one if the early scrimmage between the two teams is any indication.

Reports Made To Council

City Councilmen received the reports of the Corporation Court and Fire Department and paid the bills at a routine business meeting Monday night.

During September the Corporation Court handled 19 cases and assessed fines totaling \$387.50. Judge T. J. Pittman told the council that the new criminal code which goes into effect Jan. 1, 1966, will require some changes in the court proceedings.

A meeting with attorneys and law enforcement officers will be held next Tuesday to explain the new code more fully. Judge Pittman, City Manager Dale Foshee and Chief of Police Wayne Pierce attended a conference on the new code in Amarillo recently.

The fire department answered six fire alarms in August and September. All of the fires were minor and will not affect the fire insurance key rate.

Five or six more members are needed by the fire department. A recruiting drive will be started in the near future. Anyone interested in joining and training with the Volunteer Fire Department is asked to contact the City Manager.

Bids were opened from four oil companies for supplying the city with gasoline for the next six months. The low bid of 18.5 cents from Gulf Oil was accepted by the city.

Others bidding were R.E. Lee Oil, 20.5 cents, Consumers 20.5 cents and Davis Oil 19.66 cents. These were the prices after the four cent federal tax was deducted.

Woman Injured In 3-Car Wreck

A Spearman woman was released Tuesday from North Plains Hospital in Borger after being injured in a three-car accident in Stinnett at 5:30 p.m. Monday.

Mrs. Marie Gould was treated for a facial laceration and other injuries after being taken to Borger to the hospital.

Mrs. Gould's car was the third car involved in a smash-up at the curve on the south edge of Stinnett.

Highway patrolmen investigating the accident said a car driven by W.L. Brooks, 21, of Stinnett, an inmate, went out of control at a high rate of speed and jumped the meridian strip in the four-lane street.

The car, traveling north, just missed one car occupied by a woman and child, and hit a car driven by Thomas Dell Brewer, 19, and the two cars went into Mrs. Gould's car which was also going south.

Brooks was the most seriously injured with lacerations on his face and head. Brewer had a whiplast injury.

Arts and Crafts Guild Meets

The Arts and Craft Guild met Friday afternoon for china painting in the home of Deta Blodgett.
