AN ELECTION PRIMER

Pertinent Points About Our Election Machinery For New Voters and Old

THE ELECTION OF 1904.

Who were the two leading presidential candidates in 1904?

Theodore Roosevelt and Alton B. Parker, both of New York.

Did Roosevelt receive a majority of the popular vote?

He did. His clear majority over all candidates was 1,736,264. There were four lesser candidates.

And who were they?

Eugene V. Debs of Indiana, Socialist; Silas C. Swallow of Pennsylvania, Prohibitionist; Thomas E. Watson of Georgia, Populist, and Charles H. Corrigan of New York, Socialist Labor.

What was the vote of these candidates?

Debs, 402,283; Swallow, 258,536; Watson, 117,183; Corrigan, 249.

Did any of these lesser candidates carry any electoral votes?

No. The total electoral vote was 476, of which Roosevelt got 336 and Parker 140. The electoral vote for the vice presidential candidates, Fairbanks and Davis respectively, was the same.

Is not that always the case?

Not necessarily. In 1896, when Bryan was nominated on both Democratic and the Populist tickets for president, with Arthur Hall of Maine for vice president on the first ticket and Thomas E. Watson of Georgia for vice president on the second ticket, Watson received twenty-seven electoral votes for the vice presidency.

What was Roosevelt's plurality over Parker?

It was 2,545,515. Roosevelt's total vote was 7,623,486; Parker's total, 5,077,971.

How To Avoid Typhoid Fever.

Dr. J. D. Stocking, health officer of Donley county, has caused to be widely circulated a message containing valuable hints and suggestions as to the best methods of avoiding the dread disease, typhoid fever, which generally makes its appearance in the spring of the year.

We cull the following from his letter:

Typhoid is emphatically a germ disease, and prevails throughout the civilized world, water, milk and flies being the three chief sources or agents of infection.

The great source of infection is always through the excrements of the body of the patient, in all of which the bacillus typhosus literally swarms. This fact has been positively proven, and many interesting records made of the results of drinking water that has been infected by these discharges.

It is neither healthful nor exhilarating to drink a clear solution of sewage from a privy, however diluted, but as a matter of fact it is astonishing how long communities may drink sewage-laden water with comparative impunity, so long as the sewage contains no typhoid discharges. This fact has been proven by investigations prompted by development of typhoid fever, when the water would be discovered to contain the germ that could be traced to typhoid discharges that had recently been deposited in a cesspool which had for years been polluting the water unnoticed.

Milk vessels should always be washed with pure water. In the larger cities weekly certificates from the family physicians of all dairymen are filed asserting that no typhoid fever exists in their families, or among their employes. This has been so effective in New York that during the last five years not a single case has been traceable to

infected milk from dairymen.

The filthy fly is the main contagion spreader in this country, particularly where vaultless privies are in vogue, and excrements are exposed to the millions of flies through the greater part of the year, the services of the city scavenger being called into use only once a month.

A fact regarding the typhoid germ not generally known and yet very important to be known, that proper care may be taken, is that for months after the recovery of the patient there are millions of germs still in the system capable of being transmitted through the excrements.

The last method of the transmission of the germ is by direct contact with the patient. This method is comparatively rare, and comes from soiled hands that are not properly cleansed before something is handled and eaten. The careless eating of fruit that is left exposed to the flies in the sick room or a luncheon that has been left on the table or sideboard for the night watch, and been walked over by the filthy fly is a dangerous thing.

To destroy the ravages of disease, every care should be exercised and the contagion must be fought from both ends of the line.

First sterilize all the discharges from the patient by the addition of carbolic acid, or the bichloride of mercury in solution. Then bury them beyond the possibility of any access of the fly. Screen against the flies and destroy as far as possible, their breeding places.

Dig all privies at least six feet deep, and exclude light, for where darkness reigns flies are unknown. To have these privies cleansed or new ones dug before the excreta gets within two feet of the surface will be found a very safe arrangement.—Daily Panhandle.

Walter Pinnell and wife went to Draw Sunday to visit Mrs. Pinnell's parents, Mr. and Mrs. Henderson.

Morgan Items.

It has cleared up and turned warm and everybody is busy planting corn, cotton and feed stuff and turning sod. Quite a number of acres of new land is being put in in this community this year. The women also are making their mark in the way of gardening. The girls are changing the looks of the yards by digging up the blue weeds and in their place are planting flower seeds which are springing up and in a few weeks will be a profusion of fragrance and bloom. Nothing adds more to the beauty of a home than a nice yard filled with flowers.

The singing at Mr. J. A. Shaw's on Sunday night of the 19th was well attended, and all report a nice time and plenty of good things to eat, as the rain came up and they all had to remain all night some not getting home until 10 o'clock Monday morning.

Miss Velma Shaw visited at the home of Miss Clara Milliken last Monday and Tuesday.

Mrs. Morgan and Mrs. Claiborne spent a pleasant evening with Mrs. Shaw one day last week.

Mrs. Callie Lunsden called at Mrs. Caruthers' one evening lately.

Mrs. Lee has been real sick with la grippe for the past few days.

Prof. Claiborne came in from Mickey, Floyd county, last Saturday, where he had taught a very successful singing. He reports good health, lots of rain and people well up with their farming in that part of the country.

Misses Aubrey and Velma Shaw, accompanied by their brother, Clyde, attended church at Lynn last Sunday and took dinner with the Misses Milliken.

Mr. Frank Kruse attended church at Lynn and went home with Mr. Ed Milliken.

The gentlemen of the community met Saturday night to decide in regard to establishing a phone line from Tahoka to the Lynn P. O. We learn there were \$40.00 subscribed. We would be glad if the amount could be raised so we could be in touch with the county capital.

Mrs. B. B. Wise visited Mrs. Dora Milliken last Saturday eve.

Mr. G. W. Pilley and wife were trading in the county capital on Wednesday last.

Mr. and Mrs. S. B. Claiborne attended church at Lynn last Sunday and spent a pleasant hour at the home of the Rev. H. S. Hatchett. They also attended Sunday School and singing in the afternoon.

Mrs. J. E. Ketner and children spent the night with Mrs. Knigh-ton last Saturday night.

Mr. Wilson Embry and wife made a flying trip to Post City one day last week.

Quite a crowd was at Morgan at Sunday School and singing last Sunday. There is quite an interest taken there in Sunday School and singing. We also have church every third Sunday by Rev. H. S. Hatchett.

HAY SEED.

Edith Items.

The hail last Wednesday night did considerable damage to fruit, young corn, and garden stuff of

all kinds that had been brought up by the recent rains.

Mr. and Mrs. J. M. Hickson were in Tahoka Wednesday.

Mesdames Sid Sanders and T. A. Brown were in town shopping the first of last week.

T. A. Brown and son, Clark, were in Tahoka Saturday. Mr. Brown purchased a new cultivator and says he is now going to read the riot act to the blue weeds.

Mr. and Mrs. Wesley Womack were in town trading one day last week.

Joe Elliott went to town the latter part of last week and bought a new planter preparatory to putting in his crop.

Charley Brown of Tahoka was in Edith last Wednesday.

Little Misses Orvella and Eula Stanbro spent Wednesday afternoon at G. W. Harrison's.

Mr. Goodon of Tahoka made a business call on Frank and Alex Vaughn last Wednesday.

Mr. and Mrs. Will Shepherd spent last Thursday with Mrs. Shepherd's parents, Mr. and Mrs. J. V. Dyer.

T. A. Brown has just completed a new pigeon house and gives notice that he will soon be ready to serve up the squab course to his friends when they call.

Mrs. Sid Sanders spent Friday afternoon with Mrs. L. C. Harrison.

Miss Tessie Henderson departed Friday for Loreine, at which place she will make her future home. She will reside with relatives at Loreine while completing a stenographic course from a commercial school when she expects to enter the employ of her uncle in the capacity of stenographer. While Miss Tessie's many friends regret sincerely that she finds it to her interest to remove from our midst, all join in wishing her contentment and happiness in her new home.

Joe Elliott and Miss Eddie Dellis attended the musical given by Mrs. Donaldson and her pupils at Tahoka last Thursday night. They are very complimentary in their praise of the programme rendered by Mrs. Donaldson's pupils and the manner in which they acquitted themselves; attaching a great deal of credit for the success of the occasion to the skill and ability of this gifted teacher as well as to the efforts of her pupils.

Frank and Alex Vaughn and Jim Elliott attended the Ellerd speaking at Tahoka Monday.

Mr. and Mrs. J. M. Hickson visited Mr. Hickson's brother, Wesley Hickson, and family Sunday afternoon.

Mr. McIntyre removed his family from town first of the week to his farm here.

O. C. (Dock) Stanbro made a business trip to Tahoka Saturday.

W. M. Meacham expected his mother of Tarrant county out to pay him a visit last week, but owing to the wash-outs on the T. & P., she was unable to reach the stage line at Big Springs, as has been the case up to the time of this writing.

PAT.

Mr. McIntyre is moving his family to his place east of town, where they will live this summer.

News From Lynn.

H. M. Larkin and wife of Tahoka were visiting relatives at Lynn the first of this week.

Mrs. Maud Cosstephens has been on the sick list for the past few days.

J. E. Ketner attended the W. O. W. meeting in town Saturday evening.

W. P. Wyly and Don Hatchett were in Tahoka hearing the political speaking Monday.

Rev. H. S. Hatchett preached at Lynn last Sunday.

Rev. G. F. Shattuck preaches at Lynn on the 2nd Sunday in each month instead of the 5th Sunday as a typographical error made us state two weeks ago in the "News."

Misses Anfrey and Velma Shaw and their brother, Clyde, of Morgan, attended church at Lynn last Sunday.

Prof. S. B. Claiborne and wife were at Lynn last Sunday. The Professor has just returned from teaching a music class at Mickey near Floydada. He will probably begin a singing school at Post City soon.

Mrs. Lewis of Tahoka is visiting her daughter, Mrs. Dora Milliken of Lynn.

Miss Ruth Ketner returned home Sunday after a week's visit in the county capital.

Mr. and Mrs. Jesse Hatchett took dinner at the home of W. H. May last Sunday.

Mrs. Johnny Meacham called on Mrs. Maud Cosstephens Saturday.

Frank Cruz of Morgan neighborhood was at Lynn Sunday.

Wilson Embry was in Tahoka Saturday afternoon and Sunday.

John and Joseph Fancher took some milk cows to Walter Robison in Tahoka last week.

The cool weather lately is hindering cotton coming up. Feed crops are looking well.

The attendance at church and Sunday School at Lynn last Sunday was small.

The storm Saturday night wrecked H. S. Hatchett's windmill, blowing the wheel from the tower.

AN EYE DENT.

Land Wanted:—I want to buy one hundred to one hundred and fifty acres of land that is ready for cultivation or in cultivation, must be good deeds and title, will pay half cash and remaining part on any terms you want, must be good level property and well worth the consideration.

Write all particulars to R. E. Callahan, Box 888, Dallas, Texas.

Charley Lupton from north of the city, whose leg was broken by falling from a horse, had the member set Saturday and is doing as well as possible.—Big Springs Herald.

Bro. Bishop the pastor of the Baptist church met with the Ladies' Aid Monday afternoon and delivered a very interesting talk on the necessity of an organization of ladies in connection with every church.

Mrs. Petty is spending the week in town with her friend, Mrs. Roberts. Mrs. Petty is not well and has come in for treatment.

Six pages full of news this week ought to be worth the 2 cents it costs.

The trees in front of the Tahoka Drug Store are an ornament to the north side of the square and a credit to the firm who own them.

We receive a copy of the Bellevue News for our exchange table this week. We are always glad to exchange with those who ask, thereby enlarging and broadening our own vision.

Why don't some one start a 4th of July movement? We ought to have something worth while this year. We were entertained abroad last year and should return the courtesy this year.

It's about time to clean up the premises and clean out the tanks, and make general preparations to preserve the health of the town. A good many towns had a regular clean up day in March. It is about time Tahoka followed their example, or set one for ourselves.

Carcasses should be burned from low on, instead of being allowed to rot and pollute the air, to the great discomfort of any one who owns a self respecting nose. A gallon of kerosene is a small price to pay for the privilege of breathing pure air and being able to enjoy the flowers.

On our exchange table this week we find Vol. 1, No. 3, of the Rochester Review, edited by Geo. M. Hill. The review is a five column folio, all home print and has a nice advertising patronage. We see it is the third start for a newspaper in the town of Rochester, Haskell county. The Lynn County News died twice before the present management took hold of it, but we have managed to keep it going for nearly three years, and we wish the Review the same success that we have had.

The flower crop in the court house yard give it a very jaundiced appearance. To turn up the earth thereabouts would relieve it of that awfully yellow cast, don't you think?—Floyd Co. Hesperian.

Better fire your county dads and get some new ones. Tahoka has a court yard that would rival any ladic's garden for freedom from weeds, and sports a grove of well cultivated young trees.

Well, Lubbock will positively not be cut done. Stand up and take notice, we have a lady candidate for county and district clerk.—Lubbock Avalanche.

We are glad to see the ladies of Lubbock coming to the front. Tahoka sports a physician and an editor of the feminine persuasion. Who's going to be next? We are very proud of our lady physician, but can't say about the editor as we are "her" and we are too bashful to throw bouquets at ourself.

There is one church in Sherman, the First Presbyterian, where all the ladies remove their hats at the Sunday morning service. The innovation should be copied at other churches. The Merry Widow hat will make matters worse for the people behind them.—Sherman Democrat.

This would be an ideal innovation, could it be introduced into all public gatherings. It is indeed trying to try and follow a discourse of any kind through a bewildering array of millinery, which in itself is enough to distract the attention of an ordinary mind.

The Lynn County News has the finest roll of correspondents on the Plains. Every week AX EYE DENT comes in from Lynn with his well filled budget to delight the editor's heart. Dear little SUN BEAM from Draw seldom fails to flit by the door and throw us an entrancing smile and a bouquet of news that is hard to beat. Then here comes PAT with his freckled face and bonny blue eyes, bashfully saying, "Please mum, here's them newses I picked up around Edith." Then comes HAV SEED from Morgan pounding along in cowhide boots and a big straw hat with a pitchfork full of neighborhood news, presenting them with a broad smile and hearty hand shake that makes us feel that it is good to be alive. Last, but not least, BUTTERCUP comes nodding by and flings us a golden shower of spicy happenings from Midway.

Can't some other community catch a correspondent and get them hitched to a pencil and have something doing?

Mr. and Mrs. W.D. Nevels went to the ranch Saturday afternoon to visit Mr. Nevels' parents, who reside there. They report a very pleasant time and some goodies from the garden.

Mrs. Montgomery is quite sick with a spell of la grippe.

It has been decided by the Baptist brethren to build a parsonage at this place and as a result a subscription list was circulated this week for the purpose of raising the necessary funds. It is desired to build a modest and at the same time a house that will be a credit to the town and a pleasure to live in. G. I. Britain of Matador is expected to fill the position of housekeeper the first time. This is a laudable move on the part of the church members, as to carry on their work properly, one Sunday in each month is not sufficient time to accomplish much.—Floyd's Hesperian.

Midway Notes.

We have had a fine rain in this part of the country at last, and farmers are wearing bright faces now. Some of us were a little excited over the hail and wind Wednesday night.

The fruit supper at Mr. Kuykendall's Friday, the 10th was well attended and every one reports a nice time.

There were several of the Midway young folks at the Draw picnic.

Misses Linnie and Carrie King and young Mr. Luttrell visited Miss Audie and Mr. Pink Watts some time ago.

Mr. Dosch has recently returned home from a trip to Abilene.

The Misses King were visited by several friends a few Sundays ago. Among those present were Misses Lula and Nora Luttrell and others whose names we failed to learn.

Mr. Pink Watts happened to a painful accident some time ago by falling from the water tank at Tahoka public well and breaking two of his ribs.

Mr. T. L. Hickson was in town Monday.

Mr. Sumner Clayton was out at their place last week and returned home Saturday.

The singing at T-bar was simply fine, a nice crowd gathered and every one compliments the singers.

Dr. Davis and his two sons, Carl and Loyd, were in town Saturday on business.

Mr. Arthur Black spent part of the day Sunday at Mr. Cowan's.

Mr. G. C. King, who was badly hurt last week, is resting nicely at this writing.

A nice crowd attended the party at Mrs. Watts' Friday night. There were twelve girls several of which were from Tahoka. The games were mostly old time plays and several games of 42. As us boys were so bashful, the girls decided to take the lead, so at the midnight hour it was turned into Leap Year party, and the girls certainly did their part.

BUTTERCUP.

NEW STYLES FOR WOMEN.

"If the new-summer gowns have a conspicuous note at all this year it is in their trimmings, which seem to stand out in bold relief," says Grace Margaret Gould in Woman's Home Companion for May. "Much soutache in all widths and heavy cotton braid are used, in white and dyed to match the fabric. In the skirt and coat suits the outline of the coat is shown by the line of braiding, and either braid or buttons not infrequently trim the back.

Tassels are very much used wherever a place for them can be found. The heavy and the fine laces are fashionable in combination for trimming both gowns and separate blouses.

"Very narrow satin plaitings are much used as a trimming for silk voile and net gowns. They are often introduced in some brilliant shade, such as Empire green, on a gown of neutral tint. Plaitings of this style frequently simulate a bib effect on the bodice and outline a tunic effect in the skirt.

Buttons are used not only where they are needed, but where they are not needed on the new gowns. For the tailored suits there are the fabric covered buttons and the braid buttons.

The white and colored cotton crochet button is extremely high style, and for lingerie waists there are the new pearl bead buttons."

Murrell Skinner and Milton Moore made a flying trip to Post City last Saturday.

John Thomas and family of Tahoka have moved to Lewis Robinson's place east of town and will make their home there in the future.

The hail Wednesday night, the 22nd, broke the windows out at Cleveland's, Tunnell's, Bob Majors' and knocked all of Sil Sanders' patches off the trees.

Miss Viola and Masters Oscar and Roscoe Roberts accompanied their uncle, Walter Forrester, home Thursday afternoon. They will spend several days rustivating in the country.

The Primitive Baptists began their meeting Thursday evening at the Baptist as was formerly announced.

Mrs. Petty, who has been quite sick this week at the home of Mrs. Roberts, returned to her home Friday, accompanied by Mrs. Roberts, who will spend several days with her at her lovely home west of town.

W. L. Davis and family have moved to the country, ten miles south of town, where they will remain for the summer.

Miss Sadie Dyer spent last Saturday night with Misses Bernice and Eunice De Priest of this place.

The famous little dog, Trixy, at the Tahoka Hotel, died a few days ago, greatly to the distress of her owners.

Mr. and Mrs. Farris of Draw dined at the home of S. N. McDaniel last Saturday.

Miss Clara Porterfield entertained a party of little girls at her home last Friday afternoon. This was a very gay affair and the little hostess is to be congratulated upon her success as an entertainer.

The family of S. H. Howell left Tahoka last Saturday morning for their home in New Mexico.

FRIDAY, MAY 1, 1908
Tahoka has a base ball team now, in fact, there is talk of two, but the national game is here for the summer and will prove a never ending source of delight to its devotees.

Miss Ida Sanford returned last week from a visit to her sister, Mrs. Soulsberry, east of town.

Mr. McGee came in from Mr. Petty's last Saturday where he has been doing some inside painting.

Miss Robbie Chism entertained a few friends last Tuesday evening and a pleasant time is reported.

Larkin Weathers and wife are occupying the Howell place, having moved in as soon as the house was vacant.

A dance was begun at the court house Tuesday evening, but the severe north wind prevented the program from being completed.

The court yard has been newly plowed this week and continues to be a credit to our officials, who have it in charge.

Lynn county has been visited by fine rains and the farmers are improving the season as only good farmers know how.

Mrs. McCormick and son, Len, returned Tuesday from a visit to southern Texas where they have relatives. Mrs. McCormick went specially to see an invalid sister, whom she found much improved.

Mrs. Courtney Mellard left Tuesday for Amarillo where she will visit relatives for several weeks.

R. A. Butler has been in town visiting his mother, and his sisters, Mrs. Della Weathers and Mrs. Beulah King. Mr. Butler is a former resident of Lynn County, but is now making his home in scurry county.

Otho Thomas of the firm of Thomas Bros., returned home Monday from a visit to Ellis Co., where he spent the time pleasantly with friends and relatives.

G. W. King has recently had his house in the east side of town painted white and trimmed in green.

George Araett passed through Tahoka last Sunday with 1,755 head of cattle. He was on his way to Lamb county where he will put them on the grass to fatten through the summer preparatory to shipping them north in the fall. The outfit was composed of seven men, a tractor and a small force for so large a herd. They were moving the cattle from the 49 pasture near jail.

Ben King had his house painted last week.

A trip to the Tahoka Nursery now every thing in fine shape. Monthly roses and honeysuckle in bloom, the cannae are in fine shape giving promise of profuse blooming during the summer. The small fruit trees are all in a flourishing condition. Pie plant and the berries of different kinds are also doing nicely.

G. M. Clayton's residence has recently been repainted.

A CANDY BREAKING.
The candy breaking at the home of Mr. and Mrs. Walter Pinnell last Friday evening was a very enjoyable affair. The party was given to the younger set in Tahoka. The young gentlemen furnished an abundance of candy, which the little girls seemed to enjoy very much. All who attended expressed themselves as being much pleased with the entertainment afforded them by their kind host and hostess.

FOR SALE.
I have one Spalding hack and one Moon buggy that I will sell cheap for cash or good note. Will trade for cattle.
T. M. Bartley.

Box Supper.
There will be a box supper at the Duce of Hearts school house Saturday night, May 9th. Every body is cordially invited to attend, especially the candidates.

Lewis Robinson bought the cold drink business of the Weathers Bros. the first of this week, and is now to be found at the City Confectionery Parlor on the north side of the square.

C. T. Beard, a brother of A. T. Beard of this place, is getting acquainted with the highways and byways of Tahoka, on the driver's seat of the delivery waggon.

J. D. Crowley, of Post City, was in town Tuesday.

Sugar Beet Seed.
Tuesday the mail brought in sixty pounds of German sugar beet seed to be used as an experiment in raising that plant. Some weeks ago, the secretary of the Commercial Club called attention through the Brand of the intention to secure a few pounds of seed and a number of farmers came in and expressed their wish to have a portion sent to them. The names were forwarded to the department of seed distribution and Tuesday the seed came in. The secretary has a few pounds of seed on hand and will be glad to distribute them to those who will promise to take the proper care in planting and cultivating. He also has twenty pounds from Amarillo, which has been sent him by the Amarillo Chamber of Commerce. The seed will be sold to those wishing to enter the \$500 prize contest which Amarillo is offering for the best acre-crop. The secretary would be glad to get two or three to enter the contest. L. Gough will plant two acres and has already secured the seed.--Hereford Brand.
The farmers in Lynn county should take advantage of this offer and have their congressman remember them. The sugar beet is going to be a big money crop before very long and the man who has learned how to cultivate them will be in the lead.

Rev. Bishop, the pastor of the Baptist church at this place, came in on an auto from Big Springs last Sunday and filled the pulpit Sunday evening in an able manner. The Baptist meeting is set for the third Sunday in July and Brother Bishop is to do the preaching and use his own judgement in the matter of help. We congratulate our Baptist brethren upon securing the services of so able a man.

\$50 HEDGETHORN PUNCTURE-PROOF SELF-HEALING TIRES
A SAMPLE PAIR TO IN:RODGE, ONLY

50 HEDGETHORN PUNCTURE-PROOF SELF-HEALING TIRES
A SAMPLE PAIR TO IN:RODGE, ONLY
The regular retail price of these tires is \$2.50 per pair, but in introduction we will sell you a sample pair for \$1.00 each with order \$1.50. NO MORE TROUBLE FROM PUNCTURES
NAILS, Tacks or Glass will not let the air out. Sixty thousand pairs sold last year. Over two hundred thousand pairs now in use.
DESCRIPTION: Made in all sizes. It is heavy and easy riding, very durable and lined inside with a special quality of rubber, which never becomes porous and which closes up small punctures without allowing the air to escape. We have hundreds of letters from satisfied customers stating that their tires have been pumped up once or twice in a whole season. They weigh no more than an ordinary tire, the puncture resisting qualities being given by several layers of this specially prepared fabric on the tread. The regular price of these tires is \$2.50 per pair, but for advertising purposes we are making a special factory price to the rider of only \$1.50 per pair. All orders shipped same day letter is received. You do not pay a cent until you have examined and found them strictly as represented. We will allow a cash discount of 5 per cent (thereby making the price \$1.45 per pair) send FULL CASH WITH ORDER and enclose this advertisement. We will also send a nickel plated brass hand pump. Tires to be returned at OUR expense if for any reason not satisfactory on examination. We are perfectly reliable and money sent to us is as safe as a bank. If you order a pair of these tires, you will find that they will ride easier, run wear better, last longer and look finer than any tire you have ever used or seen at any price. We want you to send us a trial order at once, hence this remarkable tire offer.
IF YOU NEED TIRES
Don't buy any kind at any price until you send for the special introductory price quoted above; or write for our big Tire and Sundry Catalogue describes and quotes all makes and kinds of tires at about half the usual prices.
DO NOT WAIT
but write us a postal today. DO NOT THINK OF BUYING TIRES unless you are making. It only costs a postal to learn everything. Write it NOW.
