Fire From The Brakes.

There was quite a fire in the southeast corner of the county Tuesday afternoon. It is said to have started at the Indian Canyon school house in Borden county and burned a strip about 20 miles long by two wide. The fire was put out at Walter Pinnell's place after it had burned about half his grass. So far as we can learn no feed was burned, nor houses damaged. No one who had fire guards plowed lost any grass.

The apples were Plains grown and were of finer flavor than any of the California fruit. Mr. Fenn put up 300 two pound cans of home raised vegetables and fruit, with his miniature outfit and the excellency of his canned products entitle him to all the home patronage that he can supply.
