Our Litwalton Letter.

Editor Lynn County News.

The election is past and we have a fine set of Co. officers. Some of our neighbors went to Gail to vote, but the writer went to the Garza Co. voting box, which was at OS ranch. Our friend Clark had prepared a nice barbecue with beef and plenty of everything else good to eat. While at the election we met Mr. C. W. Post, who gave us an interesting and encouraging talk. Mr. Post stated that he was endeavoring to get the G. C. & Santepee Railroad Co. to build through our Co. If they do not he promises to build a road from the Orient, in which he was interested; also if we will organize, he will start the county seat off with business houses in all the different lines of industry. He proposes to start a system of water works and an electric light plant. He said he was not talking in the air but meant what he said. In regard to organizing. Mr. Post said he would leave that with the people, but it was decided that there were not enough voters in the county at present. Mr. Post said in private conversation that he would ride over all his territory and that he would sell land in quarter section blocks, skipping around in different places so as to start communities. Please excuse your unworthy correspondent as the cotton patch is white and I am sleepy.

Observer.

This reads like a fairy story, but sounds like business. Now Garza Co. it is time for your folks to get busy. —Ed.

Our new restaurant has opened its doors to the public and is prepared to serve ten and fifteen cent lunches to customers on short notice. Belton Howell is in charge, and his kitchen and dining room are nicely fitted up. The kitchen has a large six hole range and tables and shelves arranged to facilitate prompt service and appetizing meals. The dining room is large and pleasant and looks very inviting to the tired and hungry wayfarer, whether he comes from town or country. Belton looks very business like in his large white apron; But that child! You've got to taste to know how good it is. The restaurant fills a long felt want in Tahoka, and we hope it will receive a liberal patronage, and prosper accordingly. As soon as arrangements can be made regular meals will be another feature. Mr. Addison is proprietor.

THE MEN WHO WIN

THE LADIES' HEARTS

Are the men who dress neatly and tastefully. As every one knows, we handle the best line of men's and boys' clothing in this city. The quality will please you; the price surprise you. To the man who has already won the great prize and is now the head of a family, we will say good things to eat help to hold the grounds already gained by good clothes. Our Grocery department should not be overlooked by anyone who wants the best grade of goods with but a very small margin of profit added.

Uncle Jessie Standifer came to town Thursday and while his horse was hitched at the hotel it became excited and broke loose and ran away. The horse ran a mile or more up one street and down another before he really got scared and then he made short work of the buggy and harness. Mr. Lockwood went to the rescue and caught the horse which was not damaged, and brought the buggy to the shop. It was quite an accident, but could have been worse. No one was hurt.

"A Man's Life."

A mans life is full of crosses and temptations. He comes in to this life with out his consent and goes out against his will the trip between the two is exceding rocky. The rule of contraries is one of the features of the trip. When he is little the big girls will kiss him but when he is grown the little girls kiss him. If he raises a large family he is a chump but if he raises a small check he is a thief. If he is poor he is a bad manager if he is rich he is dishonest.

If he is in politics its for pie; if he's out of politics you cant place him and his no good for his county. If his dosent give to charity he is a stingy cuss if he does it is for show. If he dies young there was a great future ahead of him if he lives to an old age he has missed his calling. The road is rocky but man loves to travels it. All mens lives can be made much easier if they will go to the **Tahoka Drug Co.** for their drugs and drug sundries, Dr. S. H. Windham proprior North side of the square.

Judge Ira Webster, of Amarillo will preside over the fall session of District Court, which convenes Nov. 26th. Judge Kinder being disqualified by being attorney in part of the cases, some of which are quite interesting.

HAD A CLOSE CALL.

"A dangerous surgical operation involving the removal of a malignant ulcer as large as my hand, from my daughter's hip, was prevented by the application of Bucklen's Arnica Salve." says A. C. Stickel, of Miletus, W. Va. "Persistent use of the Salve completely Cures Cuts, Burns and Injuries. 25c at the Tahoka Drug Co.

HARD TO BEAT.

By special invitation the editor visited Mr. Leedy's place here for the purpose of inspecting his nursery stock. The first thing we saw was a crimson rambler rose seven feet high which had grown this year from a small slip; some Chrysanthemums and honey suckle also as fine as ever grew. We next went through the young orchard; the apple and peach trees were just as good as any we ever saw, they grew under ordinary conditions there being no irrigation used and the land was sod. Strawberries, blackberries and dewberries were growing and doing nicely. The grapes made a splendid growth this year showing thrifty branches free from disease or blemish. What impressed us as best of all was 850 young trees grown from grafts put out in the spring, they are a sturdy well grown lot that any prospective fruit grower would be proud to select from. Mr. Leedy will handle the Stark Bros. nursery stock as well as home grown. He expects to make bulbs and flowers a specialty. Any one improving a place would do well to see them.

A YEAR OF BLOOD.

The year 1903 will long be remembered in the home of F. N. Tackett, of Alliance, Ky., as a year of blood; which flowed so copiously from Mr. Tackett's lungs that death seemed very near. He writes: "Severe bleeding from the lungs and a fearful cough had brought me at death's door, when I began taking Dr. King's New Discovery for Consumption with the astonishing result that after taking four bottles I was completely restored and as time has proven recently cured." Guaranteed for Sore Throats, Coughs and Colds at Tahoka Drug Store. Price 50c and \$1.00. Trial bottle free. For sale by the Tahoka Drug Store.

G. W. Samford, who bought Mr. Doak's place is in town this week. He is accompanied by one of his married sons, who will possibly settle somewhere near here.

Made Happy for Life.

Great happiness came in to the home of S. C. Blair, school superintendent, at St. Albans, W. Va., when his little daughter was restored from the dreadful complaint he names. He says: "My little daughter had St. Vitus' Dance, which yielded to no treatment but grew steadily worse until as a last resort we tried Electric Bitters; and I rejoice to say, three bottles effected a complete cure." Quick, safe cure nervous complaints, general debility, female weakness, impoverished blood and malaria. Guaranteed by the Tahoka drug store, 50 cents. For sale by the Tahoka drug store.
