Walter Robison has bought the Sweet & King house on the corner of Petty and King streets, west of the square, for \$750. This house has three rooms 16x16 feet each, and four lots or 1/2 block 140x400 feet and a good well go with it. Mr. Robison says he is going to make a home there and with such a start it should be a good one.

Boy's and men's sweaters, and men's overshirts at Wells & Welchers. You just ought to see them.

Mr. G. W. Reed, one of Lynn countys best farmers, has 16 bales of cotton loaded ready for the road next week. This cot on was raised on 40 acres, and made a good 1/2 bale to the acre, but they just got tired and quit.

Meadow Dots.

We began to think we had lost "Dennis" from meadow, but we have a nice letter as follows: I guess The News has almost forgotten there is such a place as Meadow? there is, just the same. There is very little going on worth putting in such a valuable paper as "The News". The young people have a nice time going to sociabies, but I don't know how to give a glowing discription of them.

We had preaching on the 2nd Sunday in this month at the little school house, by our new Methodist preacher Rev. Smith, who gave us a good sermon. I hear of some sickness in our comunity, mostly gripe. A few yearlings are dying of blackleg, though ye scribe has lost none yet.

DENNIS.

Glad to now you did not freeze Dennis, we were afraid you would, Ed.

Alex Henderson formerly of this county but now at the V ranch in Garza county, came up to his mothers home with his baby who was suffering with her teeth, the little one was quite sick and her parents wished to have her near Tahoka where she could receive medical treatment, there being no good physician near the ranch, the little invalid is much improved now. Alex visited the Lynn County News while he was in Tahoka, and he told us he was allways glad to see the little home paper, in fact he said he would be glad to see any and all of his friends at any time. They had quite a time during the fire of the 17th of Jan, loosing about 50 sec-

tions of grass. They killed beeves and dragged the fire with them and and did all right as long as the fire was on the Plains but when it reached the brakes they had a hard time of it. They had 40 fire fighters sleep at the ranch after they got through with the fire. Alex invited us to come to see him this summer, said he would let us fish in the tank. We are sure going, and if we can get some candidate to dig a can of bait we will fish too.

The singing at Mrs. J. S. Wells, Sunday was well attended and the singing was fine.

Walter Robison sold his residence east of the square to W. E. Porterfield our hotel man who evidently believes there is a future for Tahoka.

Top prices paid for hides, green or dry, cow hides, calf hides or any other hides, just bring them in and Tom Simmons will buy them.

Mr. E. C. Dosch, of Clinton, Mo. is stopping with W. E. Downing.

Dont forget next First Monday, the fifth of March. Bring in your trading stock. Also if you have any race horses bring them along, for there is a \$40 purse up on the race. Mr. Hampton and family expect to leave for their new home in Lubbock the first of next week.

We join their many friends in wishing them all success in their new surroundings.

When you have to buy drugs, you want a pure, strong, cheap, compound. That is just what you can get at Taylor's Drug Store.

Plains Broom Corn.

Two big outfits came through Tahoka, Tuesday morning enroute to Colorado. They were loaded with 35 bales of broom corn which was raised three miles east of Lubbock. A bale of broomcorn is half as big as a bale of cotton and represents lots of brooms.

By the way, the next time you come to town why not bring Mrs. — with you and let her stop at Conway's store? She would put in the time with pleasure to herself and profit to you.

Messers. A. H. Herrington of Yoakum county and A. V. Taylor of Terry county, were in Tahoka the first part of the week. Mr. Taylor has finished his house on his homestead in Terry and returned for his furniture which he stored here.

Mr. S. N. McDaniel moved the house on his country place, from its former site near Tahoka lake to a point near the salt wells,

Messers Colwell and Joyce, of Stamford are in Lynn county on a prospecting tour, they like the country and expect to locate. These gentlemen are a brother-in-law and stepbrother of Matt. Williams of T— neighborhood.

Mrs. Williams of the T— paid the editor a pleasant call, Thursday afternoon.

Wells & Welcher have the largest, cheapest, and in every way the best line of Winter Gloves in town. Let us show you.

Thursday morning 18 bales of cotton passed through Tahoka enroute for the railroad. That sounds like we had some farmers, don't it?

Walter Pinnell our jolly barber went out to his place the first of the week to set out a large bill of orchard stock. Fruit trees make a country blossom like a rose in the spring, and taste like peach cobbler in the summer.

The coyottes caught a dog for Coleman Wells last week. The coyottes don't object to eating dog when they can't get chicken.

There was a runaway in town last Friday afternoon. A horse tied at Coleman Wells' gate become frightened at a tin can serenade by the children at school, broke his halter and fled. After quite a run he was caught and brought back, without having done any damage.

The young fry enjoyed a frolic at Mrs. Charly Brown's last Saturday night.
