For District Attorney

In this issue of the News, we have the honor of presenting to our readers the portrait of Mr. Bean M. Ellered, of Lynn County. He is a well-known attorney in the county, and his name is on the lips of all who know him. He is a man of great ability and integrity, and we are sure that he will make an excellent District Attorney.

Mr. Ellered is a pleasant speaker, and he tells all who will listen that he is worthy of Lynn County, Mr. Ellered is in the office as District Attorney and has handled the court room, he is building his reputation as an attorney. A part of his education he received in the states, a part at Waco. He has won the respect of his fellow attorneys and his clientele.

Prior to this election, two years ago, Mr. Ellered was a candidate for a seat in the Texas Senate, and in this election he was returned to the office of County Attorney. We quote Mr. Ellered as he says:

"I have been faithful to the cause of justice, and I will continue to be so. I will work for the best interests of Lynn County, and I will do my best to see that justice is done."
