Eternas Study Club To Sponsor Program On Cult October 29

The teenage years are very tough times for parents and children alike. A teenagers behavior is often unpredictable and impulsive. There are no sure-fire ways for dealing with these disturbing attitudes. Two policemen from Lubbock, Detective Floyd Price and Porfirio Deleon, will speak on October 29th on these issues.

Some problems teens may encounter include drugs, cult activity, and criminal gangs.

These two Crime prevention specialists will discuss with Motley County residents some Satanic symbols. This will give our community an idea of what symbols to be alert for in case there is any occult influence in our area. They will also inform parents on certain heavy metal groups which carry negative messages in their music. Holidays are held by the Satanic groups and Delectives Price and Deleon will alert listeners to these times. Some warning signs will be presented on

how to recognize Satanic involvement. The presentation will also include some parental strategies on drug abuse as well as tips on how to make a secure and loving home for your teen.

The public is invited on Tuesday, October 29th, to hear these informative

Absentee and Early Voting, October 16-November 1 in the Motley County Clerk's office.

by Mary Meason

The Motley County School Reunion is over for another year. The attendance was better than expected since so many people returned home for the Motley County Centennial Celebration.

Ed D. Smith was great as Master of Ceremonies, as usual, and can afford delightful entertainment, all on his own.

The 3M Company entertained everyone until the last note was sounded.

Donna Williams Nelson expressed her appreciation for her hometown and many of the people who were a part of her life here were especially remembered.

The infamous class of '60 was there in all their glory and making themselves heard at all possible times. They seem to always have more fun than anyone else.

The awarding of special awards is always interesting. Clarence Jinkins was again awarded the plaque for the oldest graduate. He graduated in 1914.

Bertha Stearns received the award for the earliest teacher. She taught in both Roaring Springs and Matador Schools.

Miss Freda Keahey was given an award and did deserve it. She taught 42 years in Roaring Springs and one year in Matador, where she taught the fifth grade. Anyone who teaches school for 43 years deserves a gold medal!

Bill Moss was given an award for his many years of dedicated service to the school.

Adele Burleson Forbis received the award for having travelled the farthest from Richland, Washington.

Donna Williams Nelson was elected Homecoming Queen and E.A. Day was elected Homecoming King.

Tony and Sherry Rose were elected co-presidents for 1992 Homecoming; Pennie and Kelly Keltz were elected covice-presidents; Hazel Donovan and Olivia Barton were elected as co-Secretary and Treasurer.

Directors elected were Larry and Deidra Clifton, Seven Alexander, Carla Jones, Kate Hurt, Glenda Williams, Cora

Smallwood and Reneigh Burns.

The dinner of Fajitas was served in the School Cafeteria, and the dance at the fire hall was enjoyed by many who attended the Homecoming. Now everyone is looking forward to the main event of the year, Homecoming 1992.

Those attending were Gail McWilliams King, DeSoto, class of 1956; Daphne Lynn Jolley, Dalhart, class of 1960; Alton and Oneita Kimbell Titus, Colleyville, class of 1940; Ronnie Welling, Amarillo, class of 1970; Paula Pallmeyer Welling, Amarillo, class of 1974; Joyce Irby Meacham, Midland, class of 1941; Carolyn Pohl Limmer, Snyder, class of 1960; Wandean Garrison Parks, N. City Landfill Closed

The Matador City Council had regular session to decide what to do with their trash on Monday morning, October 7.

Due to a sudden EPA Regulations announcement on Tuesday, an instant decision about the future of existing landfill had to be made. It was closed on Wednesday morning.

Under the provisions of the EPA regulations, cities that closed their landfills before the publications of the new regulations in the federal register could close under current Texas Department of Health (TDH) regulations.

The cities who wait to close after the deadline will have to deal with the more expensive new EPA regulations for closure, which could mean a monitor well for 30 years.

The City already has been paying 50¢ per ton to the TDH, 70-90 tons a week for the past three years, just to haul garbage from town to the landfill. This expense will continue.

Jackie Howell of Waste Management

of Lubbock and formerly a City Councilman of Littlefield, presented a temporary solution to the City's trash problem.

Waste Management will provide a container for the City to dump the garbage (solid waste) in and they will transport it to Lubbock.

Howell said they were a large company and had several cities under contract now.

Howell explained if they could contract with Paducah, Matador and Floydada, they will not only be a transfer station, but will purchase the dumpsters and trucks and collect all of the trash themselves. This proposal will relieve the City of the burden of collecting.

After deliberation on the fairest way to charge for the added service, the Council elected to set up two rates residence \$9.00 and Commercial, \$27.00 per water meter.

Matador has 433 active water meters and each meter will have an added "trash collection" price increase since the trans-

porting will cost the City approximately \$600-800 a load at 2 loads a week.

Waste Management gave the City a list of trash they will not take: BATTERIES, TIRES, OIL FILTERS, PAINT BUCKETS, LARGE APPLIANCES, LIMBS and GRASS. The City will pay by the ton and if any hazardous waste material is dumped, the City will pay to have it delivered to the hazardous waste landfill in Lubbock.

Other business on agenda included:

- * The Council approved the reading of the minutes.
- * Paid outstanding bills;
- * Accept bids on Waste Water Plant Improvements;
- * Changing Workman's Comp Insurance to save approximately \$3,000.

Council heard David Hodges and David DeBusk of Plainview explain Health Insurance.

Council tabled decision to continue to be a member of SPAG or not. Meeting adjourned.

Roaring Springs City Council Meets

The Roaring Springs City Council met Tuesday, October 8, at 6:30 p.m. for their regular meeting.

Frances Walters read the minutes which were approved and expenses were discussed and accepted to pass to pay, \$3,613.89 for September expenses.

Walters had a request for a steam engine to be placed at the Roaring Springs Depot. Council explained engines had to be brought in by rail because of the weight and since the rail was no longer in Roaring Springs, this couldn't be done.

Mayor Joey Thacker explained the progress on the city selling water to Roaring Springs Ranch Club. They are in the process of getting easements from property owners between the city limits

and the Ranch. As of this week, Harry Hamilton would not sign the easement unless the City would exchange 2 city lots with him. The project will be held until all easements are signed. Thacker explained any land owner could tie on to this line and purchase water too.

Walters had a request for a steam engine to be placed at the Roaring Springs and commercial, \$27.00 per water meter the minutes;

Council went into closed session at this time to discuss personnel and the problem of the Dickens landfill closing due to EPA regulations.

Bill Hand was the only Council member absent.

Hospital Board Meeting Report

The Motley County Hospital Board met October 8 in the Clinic Building Boardroom at 6:30 a.m. Members present were Charley Johnson, James Stanley and Bob Davis. Absent were Ruth Lee and Tom Bowman.

Minutes were approved as read. Bills were read and passed to be paid. Board discussed the ceiling being repaired in the Clinic in October, with hopes that tax money will come in so expenses can be

FOOD SAFETY FOR TAILGATE PARTIES

Tailgating becomes a favorite activity with fall weather and football games. These events can be lots of fun with good food and good friends. But don't let the later onset of foodborne illness sour the remembrance of a good time.

Foodborne illness, with its stomach cramps, diarrhea, nausea, headache and maybe even vomiting, can be caused by improper handling of foods. The bacteria that cause foodborne illness grow at temperatures between 40 degrees Fahrenheit and 140 degrees F. This is called the "danger zone". So even though the weather may be cooler in the fall, this won't totally eliminate the problem.

So what foods present a problem? Almost any food can be a vehicle for foodborne illness, but the most perishable foods are moist, protein-containing foods such as meats, poultry, fish, seafood, eggs and dairy products. This list even includes items such as cream pies, custards and pastries that include cream fillings. These foods should not stay in "danger zone" temperatures for more than two hours. Dishes containing these perishable foods should be kept either hot (above 140 degrees F.) or cold (below 40 degrees F.).

Popular hot menu items such as chili, soups, stews and even hot dips can be safely transported in a thermos, if the thermos is working properly and proper precautions are taken. Check the seal of the thermos to be sure it fits tightly. Be sure the thermos is clean; and rinse it with boiling water right before using it. Bring the food to as high a temperature as you can before pouring it into the thermos.

Try to prepare just enough food to serve your guest without leftovers. Any leftovers probably should be discarded. Hot casseroles should probably be served immediately upon arriving. Wrap them in several layers of aluminum foil, followed by newspapers and a towel. Observe the two hour limit with these.

Cold foods can be transported in an ice chest with ice, dry ice or cold packs to

keep the foods below 40 degrees F. Pack the foods in shallow containers and be sure the foods are cold when they are put in the ice chest.

If sandwiches are on the menu, they should be kept cold or else eaten within the two-hour limit. Foods such as deviled eggs and dips with dairy products in them also fall into the two-hour category.

If fast foods such as fried chicken or deli foods are on the menu, either pick them up immediately before the event and eat within two hours, or purchase them ahead of time. Keep these foods refrigerated and reheat them if they are to be eaten hot.

If you don't want to bother with perishable foods, there are other options. Foods such as canned meats, some specially-prepared dried or cured meats, some hard cheeses, peanut butter, fruits and vegetables, breads and cereal mixes, nuts and popcorn all fit into this category.

At the site, follow through with safe food handling practices. This means clean hands, utensils and dinnerware. Disposable items are probably a good idea. Spread a clean tablecloth on the tailgate or table and enjoy.

In short, to enjoy a tailgating adventure without later distress:

- Plan the menu to fit the situation.
- For perishable foods, keep "hot foods hot" and "cold foods cold."
- Don't let perishable foods stay in the "danger zone" for more than two hours.
- Keep everything clean to avoid contamination.
- Either take proper care of leftovers, or throw them away.

Educational programs conducted by the Texas Agricultural Extension Service are for people of all ages regardless of socioeconomic level, race, color, sex, religion, handicap, or national origin.

Letter to the Editor

Here comes another complaint about the condition of East Mound Cemetery.

I don't know why people bring their complaints to me. I suppose it's because I've lived here forever, am one of four members on the cemetery board and I guess they think I talk louder and complain the loudest of anyone, but that is one of the privileges of "old age"!

About a third (maybe) of the people buried in that cemetery were my family members. I have two sets of grandparents, one set of great-grandparents, many cousins, aunts, and uncles, my mother, father, brother, my husband, and my one and only child buried there and that is why I am so interested in seeing the cemetery neat and well kept. Other families feel the same way. The Paducah Cemetery caretakers cleaned up our Cemetery for the Motley County Centennial and East Mound Cemetery has been mowed over one time since May.

It has not been mowed since all the rains and it is a disgrace! The caretaker has been paid \$1,200 since he took over the care of the cemetery, and for what? He has finally mowed part of the new cemetery and the north side of the old cemetery, and all of the south side has not been touched! If the man ever gets the cemetery completely mowed it will be needing mowing again.

Several have called the president complaining about the condition of the cemetery, and they have been told to call Hazel Donovan, that she is in charge. That is a

first class case of "passing the buck." She has nothing whatever to do with the hiring and firing. That is left up to the president and the board. The board nor the Cemetery Association has been consulted about anything.

Hazel Donovan's only duty is to take in and deposit donations, and pay the bills, and I suppose to receive complaints - she has had plenty of them!

But please call the right person, not us. The president is responsible for the hiring and he also set the price to be paid which is \$400 a month - the year round.

That might be all right for a very wet summer, but certainly not for the winter months and dry summers.

Another complaint has been lodged. A lady went to the cemetery one afternoon between 3:30 and 4:00. The iron pipe barrier on the road to the cemetery was closed. There were no reflectors, no red flag nor a warning sign.

The lady ran into the pipe and the damage to her car amounted to \$2,000. That barrier is not supposed to be closed after 7:00 a.m. nor closed before 7:00 p.m. and 7:00 p.m. is too early to close the barrier in the summer.

In spite of all this bad news please keep sending in your donations. So many of the graves have sunken in and need to be repaired. Maybe we will get it all done eventually!

Commissioners Hold Regular Meeting

Motley County Commissioners Court met October 14 at 10 a.m. for regular business.

J.M. Russell gave the invocation followed by the reading of the minutes and bills accepted as read.

Court discussed taking bids each year on insurance for the courthouse on the courthouse and contents. Also changing yearly due date to the first of December. Tabled until November.

All reports were read: Treasurers, Sheriff and Tax Collector, County Agent, Library (checked out 557 books in September), and J.P.'s collecting, Precinct 1, \$3,353.50; and Precinct 4, 0.

J.N. Fletcher had a request from Mission Cable to put a guy wire on County Property in Roaring Springs. After discussion of previous problems with guy wires, Court voted no.

Judge Boyce Hart had Russell read a resolution request supporting Amendment 4 to be voted on in the November 5 election. Passed.

Judge Hart requested moving the Motley County Abstract Office to a main floor office. This office space was the

former County Agent's office space. Judge Hart explained this would also cut down on heating and cooling expenses. This passed.

The court voted to give Judge Hart and County Treasurer Joe Campbell permission to secure funds for operating expenses, if needed, from the First State Bank of Matador.

Donna Flinders, South Plains Emergency Medical Systems Coordinator of Lubbock, explained the Motley County membership will be \$3,250.00 for the 1991-92 fiscal year. Flinders stated this assessment was raised \$250 this year to

help meet a \$15,000 grant funding to add new programs. Two of the projects being school education programs and debriefing teams to go to rural EMS and help normal people deal with abnormal situations.

Flinders also stated they have a crew account to repair and replace the repeater tower when necessary. Meeting adjourned.

Salvation's Source

Salvation has to different people different connotations. But when Christians speak of salvation, we ought always to mean that salvation having to do with the soul and the safety of an acceptable relationship with God. We should never place on the same level with that, the betterment of economic or social conditions. Nor, should we, without specific context, mix physical salvation with the spiritual.

Salvation has but one source! The apostle Paul summed it up when he wrote: "For this is good and acceptable in the sight of God our Saviour:" (1 Timothy 2:3). Paul stated the same truth in 1 Timothy 4:10, when he said: "For therefore we both labour and suffer reproach, because we trust in the living God, who is the Saviour of all men, especially of those that believe." This is an elementary truth. God is our Saviour in the sense that the Father originated salvation and through

His mercy, love and grace made all the provisions for our salvation that needed to be made.

In still another sense, Jesus is our Saviour. For every time we speak the name Jesus we imply Saviour because that is the meaning of His name. Read in Matthew 1:18-21 and notice in verse 21 the reason for calling His name Jesus: "For he shall save his people from their sins."

Israel, in ancient times, forgot her maker. Let us never forget or be timid in our praise for the Great God of our Salvation and His Son who died for us at Calvary.

Tuesday morning, October 8, at 10:00 a.m. John Colton Russell, Clay and Cody Cooper, Emily Hurt, Timmy Bowman, Kattie Campbell, Chance Alan Bingham, Dakota Meyer, and Shelby Stokes, met at the Library where Lola Pohl was waiting to play, music for them to sing to and to hop, skip and march with Judy Cooper directing and demonstrating. They then settled down to see the last half of the film *Rikki, Tikki, Tavi*, the charming little mongoose, who killed the cobra snakes that live in the garden of the English family who had rescued him after a violent storm. After Mrs. Cooper read the big storybook, *Harry McClary from Donaldson's Dairy*, everyone made a spider or a black cat with the materials furnished by Mrs. Edgar Lee. Under her capable instructions each child completed a Halloween creature to take home with them, while Jimmie Hunter told them about the "Old Lady Who Swallowed A Fly" then swallowed a spider to catch the fly.

A great big "THANK YOU" to these faithful Library School volunteers and to Mrs. Betty Moore who manned the front desk, checked out books to the nine children who attended, and kept the Library that afternoon and Friday so that I could be out of town.

group activities. Many Moms find this a great time to get in 30 or 40 minutes of child-free shopping.

I was very grateful that Jimmie Smith dropped by to sweep our sidewalk and help me mail the three heavy packets of film, and pick up three packets of new film. Remember that you can bring children or adult groups into the Library for a free showing of these films or one of the Videos which also rotate on a monthly basis. You may also rent the movie projector for \$2.00 and check out films to show at home.

Mrs. Winifred Lee decorated our windows for Homecoming weekend, and kept the Library open on Saturday so Homecoming eyes could visit and view the mural close-up. My thanks also go to the Herb Martins for loaning Herb's Longhorn jacket and Donnie Anderson Jenkins for coming down and helping me identify her classmates from 1930 for the Display case of Flomot School from 1927 until our one-person graduating class of 1972, Miss Jackie Starkey. I hope you got by to see the "Bloomer Girl" Basketball team and some of the classes and Faculty of by-gone days.

There is a new collection of adult fiction in both hardcover and paperback Western, Romance and Mystery, and two selections each for pre-schoolers and juvenile readers.

Welcome Home, Wilda, we missed you and hope you enjoyed a very refreshing vacation.

Salvation is the most needed thing in the world. Yet it's the least sought after.

It's the most valuable possession in the world. Yet it's the least prized.

It costs the most of all the possessions of life. Yet you can obtain it free of charge.

It's provided for everyone. Yet only a few get it. How?

School Board Meeting Report

The Motley County ISD Board of Trustees met October 9 at 7:30 p.m. President Guy Campbell called the meeting to order. The minutes and current bills were approved.

Board approved to advertise for Employee Health Insurance bids.

Board members gave reports on School Board Convention and Training attended in Houston.

Gale Stafford stated he learned, as being a voting delegate for Motley County, at the Convention, how important it is for the rural schools to attend and vote. Stafford explained the resolutions presented from this convention were then sent to the Congressmen to become laws, so it is important for the rural schools to

keep the larger schools from making all the resolutions.

Superintendent George Blanch announced three School Board Seminars coming up.

Blanch also explained Motley, Dickens, Floyd, Briscoe Counties were forming a District Council, which one Board member from each School Board will be appointed. Randy Barton was appointed.

Bettye Stevens presented the new checks and report cards printed out now by computer.

Board went into closed session to discuss and set up bid for sale of property belonging to Motley County ISD.

10. Rose stated that 15 completed the course and 15 will take the State Exam.

Johnson explained the monthly/yearly budget print-out will be used for the report each month.

The Board discussed and elected to change the meeting time to 7:00 a.m. next month and following.

Meeting adjourned.

Mrs. Rob Francis Honored With Bridal Shower

A Bridal Shower honoring Mrs. Rob Francis, the former Cassie Brothers of Paducah, was held Saturday, October 12 in the home of Mrs. Judy Renfro. Guests called from 10:30 to 11:30 a.m. and were registered by Miss Rachelle Renfro.

Hostesses for the courtesy in addition to Mrs. Renfro were Mesdames Olivia Barton, Lindy Stafford, Dixie Campbell, Janie Campbell, Frances Finch, Frances Hobbs, Nova Dell Turner, Tammy Stafford, Dell Bearden and Earlyne Jameson.

Mrs. Janie Campbell presided at the crystal punch service and Mrs. Dell Bearden at the silver coffee service. The table and decorations featured earth-tone colors. An ecru cutwork linen cloth covered the circular table. The centerpiece was a lovely autumn floral arrangement in a historical coffee pot complimented by artistic designs on the outer surface. Fruit slush punch and coffee were served

with apple, blueberry, banana bread and muffins, cookies, canapes and other appetizers.

The hostess gift was a set of cookware.

Out of town guests was the honoree's mother, Mrs. Gayle Brothers of Paducah, sister, Miss Anna Brother of Dumas and the grandmother of Mr. Francis, Mrs. Ruby Francis of Wichita Falls.

Class of 1941 Holds 50th Reunion

The graduating class of 1941 held their 50 year reunion in the Senior Citizen building on Saturday October 12.

A delicious lunch of Turkey, Ham, Chips, Desserts, tea and coffee was served.

Those attending were Flora and Benjie Supulver, Stanley, Dan and Ina Levell of Ft. Worth, Dude Barton, Flomot, Ed and Joyce (Irby) Meacham, Ellis Terry, Vernell Markham Nuss, Wandean Garrison Parks and husband Elzie, John M. Jackson of Wichita Falls, Eugenia and Myron Bethard, Roaring Springs; W.E. Ballard, Don T. and Betty Jo Martin, Hereford; Zona Ruth Cammack, Matador; A.J. Perkins, Lubbock; Alton and Jonita Titus, Ft. Worth; Willena (Wilkinson)

Hurt, Lubbock; E.A. and Dorothy Day, Matador; Lowell and Eva Barkley, Matador; Mrs. Melvin (Mary) Meason, teacher, Matador.

This reunion was very enjoyable, with several events that took place in elementary school and high school that have never before been revealed nor fully explained coming to light.

This class reunion was saddened Saturday night by the sudden illness of Ina Levell. She was transported to Floydada by Ambulance and then on to Lubbock by Helicopter. At this writing we are happy to report that she is some better but is still in serious condition.

Health News

THE FACTS OF SMOKING DURING PREGNANCY

In 1985, The Surgeon General wrote a new warning on cigarette ads. It stated, "Smoking by Pregnant Women may result in Fetal Injury, Premature Birth and Low Birth Weight."

When a pregnant woman smokes, nicotine passes into her bloodstream and causes the baby's heart to speed up. Smoking also makes the placenta, which handles the functions of eating and breathing for the unborn baby, less efficient. It makes the blood vessels constrict so that less oxygen reaches the baby.

The facts of smoking during pregnancy are:

- * Smoking increases the risk of premature rupture of the membranes. This leads to a premature birth.

- * Smoking increases the risk of ectopic pregnancy. The embryo implants outside of the uterus, usually in a fallopian tube. This type of pregnancy must be ended by surgery.

- * Smoking significantly increases the risk of miscarriage and stillbirth.

- * Women who smoke at least half a pack a day have a higher risk of toxemia, a complication of pregnancy that can jeopardize the health of both the mother and the baby.

- * Women who smoke have more abnormalities in the placenta and more bleeding during pregnancy.

- * Women who smoke are more likely to give birth to babies who are considered "depressed" or who have problems breathing at birth.

- * In some studies, smoking has been associated with a higher risk of certain birth defects.

"Smoking definitely increases the chances of prematurity. And prematurity is associated with learning disorders, hearing and vision problems and death," said Lauri Dalrymple, R.N.C., a birth educator at Methodist Hospital.

For more information about smoking during pregnancy contact your physician.

El Progreso Club "Travels" To Alaska

El Progreso Club met Oct. 10, 1991 in the community room of the Motley County Library for a program on Alaska given by Mrs. John (Josephine) Hamilton. The meeting was called to order by club president Mrs. Joe (Loys) Campbell and mention made of the annual letter from Vernon State Hospital concerning gifts for patients to give with clubs of the district providing them plus wrappings. Members should bring them to the next meeting which will be November 14. Mrs. Campbell presented Mrs. Frank (Lola) Pohl as leader for the afternoon. Mrs. Pohl read the caption from the yearbook, "Whatever snow falls, or water flows, or hung by clouds, or sown with stars, wherever are forms with transparent boundaries wherever are outlets into celestial space, wherever is danger, and awe, and love, there is beauty, plentiful as rain, shed for thee, and though thou shouldst walk the world over, thou shalt not be able to find a condition inopportune or ignoble." Emerson.

Mrs. Hamilton spent last winter in Alaska with her son Richard and daughter-in-law, Patti (Craven) Hamilton enjoying for the most part the different and unusual way the Alaskans subsist in the cold country. She had many pictures on poster-boards showing how she was dressed for outdoor activity, the interesting huge ice carvings and the ever-popular Iditarod race that was occurring while she was there. She called it the Alaskan "rodeo" in that everyone took part and it was such an exciting experience for everyone there. The Iditarod takes place between Anchorage and Nome and is a dog race with Susan Butcher winning for the past four years. Mrs. Hamilton met her and said she is a very down-to-earth person who cares greatly for the dogs she uses, watching their feed, changing their shoes and watching each individual dog. Mrs. Hamilton stated that Alaska is

divided into divisions, the Artic or North Slope where the oil area is; the area from Fairbanks which follows the Yukon River; the islands leading Westward; and the panhandle which is on the western side of Canada. She gave an early history of the "state", telling which groups of Alaskans live in which area - the Eskimos live on the Bering Sea and Artic Ocean and make a living raising reindeer which has become quite a large business; the Indians live on the islands and south panhandle and they make totem poles; the Aleuts live on the peninsula. She told of the Russians coming in to civilize the Alaskans and eventually, nearly exterminated them. There are numerous Russian churches still visible. Alaska is 800 miles from north to south and 800 miles from east to west.

Mrs. Hamilton showed an excellent video on Alaska interspersing that narration with comments to add to the interesting film. She did mention the state is becoming more and more like the "south 48" with crime building and other woes of the modern world.

Mrs. Harold (Grace) Campbell and Mrs. J.E. (Marge) Edwards provided a delicious Halloween refreshment table with orange sherbet punch, angel food cake and ice cream with strawberry, maple pecan and chocolate syrups to use all served from a Halloween decorated table. Those in attendance other than previously mentioned were Mrs. Robert (JoAnn) Dickson, Mrs. Bill (Judine) McCaghen, Mrs. E.A. (Dorothy) Day, Mrs. R.C. (Callie) Giesecke, Mrs. W.D. (Vena) Lipscomb, Mrs. Ted (Bailey) Elliott, Mrs. Douglas (Lila) Meador, Mrs. W.N. (Opal) Pipkin, Mrs. R.E. (Lucretia) Campbell, Rev. Mrs. Marihelen Cross, Mrs. Furman (Beverly) Vinson.

Thank You

We would like to thank everyone for the food, flowers, visits, calls, cards and especially your prayers at the loss of our loved one.

We would like to take this opportunity to thank all the people who helped to make Homecoming '91 a success. Of course Hazel and Olivia always keep things running smoothly and we had lots of good directors who did their jobs well. We appreciate the cooperation and assistance from the school administration also. We extend a great big thank-you to the 3M Co. for their wonderful performance, and to Ed D. Smith for never being speechless and being so good at it.

Amy's Anecdotes

by Amy Woolsey

I realized this last weekend, it being Homecoming and all, that it was time for me to grow up. It struck me that I'm not a little kid anymore.

My classmates and I, we think "Wow" we're seniors, we're fixing to be out of high school! Alright! But is it really all that great? This last weekend really made me think about it. All the troubles of the "real world" to deal with-ALONE. We have to deal with the problems on our own. People say that they do things on

their own already. Those are just small problems compared to the ones coming up.

We won't always have our parents to say "Hey, Mom, Dad, can you give me five dollars?" We'll have to get our own jobs and use our own money.

I've always wanted to be grown up, but now I'm not so sure. I guess I'm going to find out pretty soon. I just hope I can make it and I hope my classmates do too.

Hospital Prepared To Make Scholarship Loans

For the third year in a row, Crosbyton Clinic Hospital has received a federal grant via the Rural Health Care Transition Grant program. So far, the hospital has loaned \$55,000 to 15 area residents to assist the students with financing their health-related educations.

For the 1991-1992 grant year, the hospital will loan \$20,000 to area residents who will commit to working for Crosbyton Clinic Hospital for at least five years following graduation. Following graduation, graduates pay back the loans interest-free. The loans may be paid back through employee payroll deductions.

After loans are paid out, the money

then becomes available to loan to other area residents; thus, creating a natural pipeline of students who are being trained to become qualified healthcare professionals to benefit Crosbyton Clinic Hospital.

Administrator David Clark emphasized the hospital's future need to have more LVNs, medical records technicians, and registered nurses.

All those interested in applying for a scholarship loan should contact either David Clark or Anne Butler at Crosbyton Clinic Hospital, phone #675-2382. A one page application, available from the administrator's office, must be completed in order to be considered for a scholarship loan.

Scholarships for Entering Freshmen At UT Austin

AUSIN, TX -- Top Texas high school seniors are eligible to apply for Texas Excellence Awards for Scholarship and Leadership to attend The University of Texas at Austin. Up to nine awards are granted annually to entering freshmen by UT's Ex-Students' Association for a maximum of \$7,000 per year for up to four years. Prospective liberal arts students will be considered for the Dedman Scholarships, given through UT's College of Liberal Arts. Dedman Distinguished Scholars will receive \$7,000 per year, renewable up to three years. Another \$7,000 per year award is the Terry Foundation Scholarship which is for outstanding students who also have financial need. To apply for these awards as well as other scholarships to attend the University of Texas at Austin, complete the "Application for Freshman Scholarships for 1992-92" which is available from The Ex-Students' Association (512/471-8083) or from UT's Office of Student Financial Services (512/475-6282). Application deadline is January 2, 1992.

Applicants for both the Texas Excellence Award and the Dedman Scholarships must be in the top five percent of their classes and demonstrate leadership ability in the classroom and/or extracurricular activities. Terry Foundation Scholarships require high ACT or SAT score and class rank, demonstrated leadership, Texas residence, and financial need.

More than 16,000 Texas students have applied for the Texas Excellence Awards since they were first offered in 1982. The Ex-Students' Association is an independent partner with The University of Texas and its purpose is to serve the University and its alumni. Association programs are dependent on more than 52,000 annual dues-paying members.

She is very active in the First Baptist Church in Matador and the Eternas Study Club.

Her hobbies include Reading and Cross Stitch.

When asked what she thinks of the students at Motley County she stated, "friendly and fun-loving, most are hard-workers and caring."

Matadors Defeated By Dragons, 30-7

by Amy Woolsey

The Motley County Matadors were defeated by the Paducah Dragons during our Homecoming last Friday night at Burleson Field, 30-7.

Motley County had a total of 215 rushing yards and 15 passing. Frankie Ortiz made a 10-yard touchdown run, and Clay Ewing made the extra point, making the score 7-6 in the second quarter, Matadors lead.

Paducah came back and scored 18 points in the second half, leaving the score 30-7. The Matadors had a total of 16 first downs while Paducah only had 10.

The Matadors defense did a good job and the guys on the sideline cheered them all the way.

The Matadors play at Crowell this week. Come out and support these guys. Good luck and BEAT CROWELL!

Tom Edwards of Houston and Mrs. James Lane (Patti) and Kristin of Abernathy visited their parents, Mr. and Mrs. Jake Edwards, for Homecoming weekend.

Mrs. Edna Rogers is still a patient in Methodist Hospital and will be indefinitely. She is improving. Her address is Methodist Hospital, Lubbock, TX 79406.

Mr. and Mrs. John Jackson from Wichita Falls visited relatives in Matador for Homecoming. Mr. Jim Jackson and grandson, James Jackson, of Amarillo came on Friday night. The group, including Mrs. Jewell Landrum and son, Sid, and Mrs. Lucille Gaines, visited Mrs. Elga Evans and son, Roger, for a Fish Fry Supper on Friday night. Two Jackson brothers and the three sisters were together, Jewell, Lucille and Elga and John and Jim Jackson.

Mrs. Elga Evans and son, Roger, visited her daughters, Mr. and Mrs. Leroy Scott and Sharie and Mr. and Mrs. Ceaman Scott, Michael and Tobey in Lubbock last Tuesday and Wednesday. Mr. Grant Carlson visited his sister, Mrs. Frances Sherrod.

Mrs. Kaitie James moved recently to the Nursing Home in Crosbyton.

Visiting Mr. and Mrs. France Barton during Homecoming weekend were her sister and brother-in-law, Mr. and Mrs. Elzie Parks of Ft. Worth; also their daughter, Mrs. Shad (Brigid) Brooks and daughter, Lindsay, and her friend Julia Mason of Albuquerque, N.M.; and their son and family, Mr. and Mrs. Coke Barton and daughter Micela of Garden City. Mr. and Mrs. Parks visited also with her brother and family, Mr. and Mrs. C.D. Garrison.

Visitors in the home of Mr. and Mrs. J.P. Neighbors last week were her brother and sister-in-law, Mr. and Mrs. Herman Wagley of Grand Junction, Colo.; two sisters, Virginia Sorrels of Helena, Montana and Mae Wagley of Winters; and the Neighbors' two daughters and son: Mrs. Milton (Betty) of Hereford and Barbara Hofacket of Abernathy and Mr. and Mrs. Bill Neighbors of Granbury. It was the first visit the three Wagley sisters and their brother had had in a number of years, as all who remain of their family of eight children and their parents, Mr. and Mrs. H.M. Wagley.

CELEBRATES FIRST BIRTHDAY

Cagen Denison, who was one year old Sunday, October 13, had a pre-birthday celebration, Saturday, October 12 in the home of his parents, Billy Wayne and Debbie Denison. He blew out his one candle on a beautifully decorated chocolate birthday cake presented to him by his maternal grandmother, Mrs. Carolyn Fry of Hereford.

Adding to the happy occasion was the opening of birthday gifts, playing games

and refreshments of ice cream, cake and punch.

Those attending were his grandparents, Dywane and Carolyn Fry of Hereford and Zona and Ellis Duevold of Quanah; Carla Fry and Bobby Backus of Lubbock, David Denison and daughter, Micah of Quanah, Wynn Allen of Dallas, DeAnna Russell, Colton and Shana of Russellville and Rocky and Lavelle Vinson and Amanda of Whiteflat.

Public Notice

On July 1, 1991, Southwestern Bell Telephone filed an application with the Public Utility Commission of Texas that proposes to delete Paragraph 3.4(G) from Section 3 of Southwestern Bell's intrastate Access Service Tariff, which concerns credits where a customer uses Switched Access Service to furnish a service which has been defined to be an exchange service. The application was assigned Docket No. 10463.

Because Southwestern Bell is not aware of any customers who presently use switched access service to furnish an exchange service, Southwestern Bell does not believe its revenues will be affected. However, certain interexchange carrier customers of switched access service have made claims under the aforementioned tariff. Such customers, but only to the extent they provide an exchange service using switched access, would be affected by this application. Based on claims made for credits (assuming such credits were allowable), Southwestern Bell's revenues would be affected by no more than \$1,168,962 annually, which is .037 percent of the Company's adjusted revenue for the 12-month period ending December 31, 1990. It is not possible to know how many interexchange carriers might believe themselves entitled to credits, but 189 carriers have registered with the Commission pursuant to PUC Substantive Rule 23.61.

The tariff, after suspension, is proposed to be effective May 1, 1992.

Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission as soon as possible, but no later than November 15, 1991. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Blvd., Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission Public Information Office at (512) 458-0256. The telecommunications device for the deaf (TDD) number is (512) 458-0221.

Obituaries

Carl "Boots" Sanders

Services for Carl C. Sanders, 93, of Lubbock were held at 3 p.m. Saturday, October 12, 1991 in Mount Gilead Baptist Church with the Rev. G.E. O'Neal, pastor, officiating.

Burial was in City of Lubbock Cemetery under direction of Curry Funeral Home.

Sanders died Wednesday night in West Texas Hospital after a lengthy illness.

He was born in Henderson and moved from Roaring Springs to Lubbock in 1931. He retired from Carpenter Champion Paper Co. and was a deacon at Mount Gilead Baptist Church.

Survivors include his wife, Georgia; a daughter, Gracie Sanders Smith of Lubbock; and a brother, Johnny of Greenville.

Mary Pigg Schrandt

Funeral services for Mary Alice Pigg Schrandt, 67, of Lubbock were held at 11:00 a.m., Saturday, October 12 in the Fairmount Baptist Church with the Rev. Bob Ely, a retired Methodist Minister, officiating.

The Rev. Jake Diel of Amarillo assisted. Burial was in the Gray Mule Cemetery under the direction of Freeman Funeral Home.

Mrs. Schrandt died Thursday night in her residence in Lubbock after a lengthy illness. She had been under hospice care. She was born in Quitaque and had lived in Lubbock, Del Rio, Plainview,

Schrandt on Oct. 7, 1947 in San Antonio. He died in 1987. She attended schools in Gray Mule and graduated from Flomot High School and attended Lippert's Business College in Plainview. She was a Baptist.

Survivors include two sons, Wayne and George, both of Amarillo; three brothers, John Pigg and Jack Pigg, both of Quitaque and Benny Pigg of Wilcox, Arizona; three sisters, Mag Cogg and Jean McCarver, both of Hale Center and Wilma Hodges of Quitaque; and four grandchildren.

Pallbearers were Bill Pigg, Mike Pigg, Gregory Buffy, Kelly McCarber, Clinton Pigg, Clayton Pigg.

For we are God's workmanship, created in Christ Jesus to do good works, which God prepared in advance for us to do. Ephesians 2:10

Social Security Tips

by Mary Jane Shanes

Hospice care is special care for terminally ill people and their families. Medicare hospice benefits are available to those who have Medicare hospital insurance. This program covers a full range of benefits including physician services, nursing care, symptom management, and pain relief.

When a patient receives these services from a Medicare certified hospice, Medicare hospital insurance pays almost the entire cost of care. The only cost to the beneficiary is 5 percent - up to a maximum of \$5.00 - for each prescription for outpatient pain relief or symptom management, and a little above \$4.00 per day for respite care. (Respite care is inpatient care for the patient to give temporary relief to the person who provides care in the home).

A patient can receive Medicare-covered hospice care as long as a physician certifies that the patient is terminally ill. In addition, the person must sign a statement choosing hospice care for the terminal illness, and must receive the care from a Medicare-certified hospice.

For more information, about hospice benefits, contact Social Security and ask for the leaflet, Medicare Hospice Benefits.

Southwest Outdoors

with Mel Phillips

Two out-of-state sponsors now claim that a walleye national championship will be held at Lake Meredith during 1992. The local officials involved have done a great promotional job and will soon make their formal announcements.

The real question about this tournament is the controversial walleye length limits. Will the minimum length limit on walleye be lowered from the current limit of 16 inches? After several years of imposing a 16-inch minimum length for walleye, it appears that the limit will be lowered in time for these 40 visiting professional anglers.

In Texas, annual lake limits are usually decided at the preceding September meeting of the Parks and Wildlife Commission. Watch for special TPW action that lowers the limits to occur. The conflict between the science of fish management and the business of high exposure national tournaments will make for some very interesting explanations from the experts.

STRIPERS! If you enjoy catching stripers or want to learn more about catching them in our region, then contact the "Striper Club" and Harold Allm at P.O. Box 20154, Amarillo, Texas, 79114. Harold is tired of driving hundreds of miles or going out of state in order to catch his favorite fish. He and his new group point to the limited but very successful hybrid striper experiment at Lake MacKenzie.

Many view Lake Meredith as a natural open water lake with great potential to become an outstanding hybrid or striper lake. The huge economic impact of striper fishing has revitalized many businesses at Lake Texoma. Mr. Allm believes our region could use a similar economic boost.

Congratulations to all the winners at the first annual State Championship of "Old Texas." Fifty-three anglers from fifteen different cities in Texas and Oklahoma competed at Lake Greenbelt.

LONNIE COX of Canadian took home the 1st place trophy, \$660 in prize money, and a fishing trip on Elephant Butte with professional guide Dale Wazy.

Second place trophy, \$500 prize money, and a pheasant/quail hunting trip at Harper's Game Preserve near Booker was won by SPS employee BILLY SCHRADER of Amarillo.

Pampa's GARY CARTER used a special 'Roy Alderson model' floating worm to capture the third place trophy, \$160 prize money and a quail hunt at Bookout Hunting Resort near Channing.

TIM TRIMBLE of Clarendon took home fourth place money of \$106. RAYMOND BERGER of Borger finished fifth and BOB SCHIFFMAN of Pampa rounded out the top six.

Special thanks to Anchor Marine, Top-of-the-Line Marine, Greenbelt Marina and KGNC for helping make this tournament one of the best of the 1991 season.

Members of B.A.S.S. are invited to fish a team tournament on October 27th at Lake Baylor. Contact Bob Schiffman (669-0091) or Sam Taylor (323-8720) for the details.

Announcements

MATADOR LANDFILL NOW CLOSED!

The Matador Landfill has now been closed! The City of Matador asks that the following objects NOT be put in dumpsters:

Batteries, Tires, Oil Filters, Paint Buckets, Large Appliances, Limbs and Grass.

The City asks the cooperation of all citizens as this is causing an inconvenience for everyone. Although there is no simple or inexpensive solution, we need to work together to help in making everyone's job easier.
