Fastback roof line distinguishes 1967 Chevrolet Impala Sport Coupe

The 19 Chevrolet models in five series for 1967 are entirely new in appearance with freshly styled fenders, hood, grille, bumpers and taillamps. Bright fender wrap-arounds extend grille styling on all models, while fender lamps are featured in the wrap-around area on Caprice models. The exclusive new sport coupe roof line (above) stresses fastback styling with the rear window blending into the deck in an unbroken line. A four-way hazard flasher is now standard equipment on all '67 Chevrolets. Dealers throughout the nation will display the new Chevrolets on September 29.
