MATADOR, MOTLEY COUNTY, TEXAS, THURSDAY, FEBRUARY 11, 1965

## MATADOR SCHOOL PAYS ENTIRE DEBT

IT MAY BE a little old-fashioned in these days but Matador Independent School District is now free of bonded debt. In a meeting of the trustees Monday night, the board voted unanimously to pay the remaining \$5000 of bonded indebtedness. It is possibly the first time the district has been free of debt in history.

Of equally startling interest was an unanimous vote to end segregation in Matador public schools, effective September 1, 1965. The action resulted out of federal directives and regulations. This means, of course, that the colored school here will be closed after this term and that students will be integrated into Matador grade and high schools.

The trustees also passed a resolution requiring all school employees to submit a health certificate each year and to require all personnel to pay bills promptly or face the possibility of not being considered for employment on the termination of their contract.

N. L. Cook of Northfield was appointed to fill the unexpired term of resigned board member Hal Courtney.

Annual trustee election was ordered for April 3, with a reminder to all patrons that anyone desiring to run for a place on the board, must deliver their application or petition to County Judge Elbert Reeves before March 2.

Two members of the board will be elected. Names already presented for inclusion on the ballot are Johnny Stevens, for board president, and Ronnie Christian as member.

### Boys to Play in Dist. Tourney

The Matador High School Boys Basketball Team will enter the District Tournament this week end at Quitaque. Their first game will be on Friday (tomorrow) evening at 8:15 against the winner of the Flomot-Estelline game which will be played on Thursday.

The Matadors will enter the tournament with hopes of getting one more crack at the high flying Quitaque Panthers by winning Friday night and then defeating the Panthers on Saturday night. The Matadors could throw the district race into a tie and force a playoff with the Quitaque team. A large delegation of fans is expected to follow the team to Quitaque on both evenings.

Arrangements are complete for the twenty-seventh annual Mother-Daughter banquet which will be held tonight (Thursday) in the basement Fellowship Hall of First Baptist Church. Plans have been made for 113 girls and their mothers or "adopted" mothers.

### GIRLS BANQUET TONIGHT

Arrangements are complete for the twenty-seventh annual Mother-Daughter banquet which will be held tonight (Thursday) in the basement Fellowship Hall of First Baptist Church. Plans have been made for 113 girls and their mothers or "adopted" mothers.

### RESIDENT IS PATIENT IN AMARILLO HOSPITAL

Ben Edwards is a patient in St. Anthony's Hospital, Amarillo, where he had surgery Thursday. Two operations were performed, one on his left leg, the same type of surgery which he had on his right leg in early December, and the other for an aneurysm on the aorta in his abdomen. The latter was described as being the same type of operation performed for the Duke of Windsor recently in Houston. Mr. Edwards' daughter and husband, Mr. and Mrs. Roy Grundy accompanied him to Amarillo and remained until Saturday. Mr. and Mrs. J. E. Edwards drove to Amarillo Sunday to visit his brother, and also at his bedside have been relatives living there, Mr. and Mrs. Jack Edwards.

### LIGHT COTTON YEAR

That 1964 was a light crop will not be startling news to most Motley County farmers and business men. The extent of the "lightness" is reflected in cotton ginnings as reported by the US Department of Census, Bureau of Census.

The figures are through January 15 and give Motley County 9,153 bales from the crop of 1964 as compared with 16,880 bales on the same date from the crop of 1963.

Mrs. A. M. Wagner of Abilene visited here this week with her mother, Mrs. W. I. Rushing.

### FORMER RESIDENTS VISIT

Mr. and Mrs. D. H. McGinley and their daughter and family, Mr. and Mrs. Don Macon and children, Starla and Kirk of Slaton, all formerly of Matador, visited here Saturday in the home of Mr. and Mrs. D. L. Darnon, and with other friends.

Mr. and Mrs. Lynn McDaniel and son, Timmy visited friends in Crowell, Sunday.

Mr. and Mrs. E. A. Day and daughter, Jeanette visited in Snyder, Sunday as guests of former residents, the Rev. and Mrs. Miller Robinson.

### SOIL OFFICE WINS AWARD

A certificate of Merit was presented the Matador work unit of the Soil Conservation Service at an area meeting held in Vernon last week. The certificate was issued to Royce L. McDaniel, work unit conservationist, Chris L. Hacker Jr., and Glynard B. Moore. A cash incentive award for each of the three also accompanied the certificate. The embossed certificate was signed by H. N. Smith, State Conservationist.

Wording of the certificate only one presented at the meeting is as follows: "For superior performance in assisting the Upper Pease Soil Conservation through orderly development and use of soil, water, and plant resources."

The members of the Matador office did not know the award was to be given until it was presented to them.

### Exciting Finish

The exciting last quarter never saw Quitaque more than 3 points ahead; however, the game ended on the same dismal note.

Tim Green tallied 22 points, Charles Ezzell 12, Gary Campbell 6, Richard Campbell 4, Tom Green 4, Luis Moore 2, and Larry Bynum 2.

Quitaque was led by Monk with 19, Tipton with 16, and Johnson with 10.

The district tourney now remains the Matador's last hope for the district crown. If they win it, a playoff will be necessary to determine the championship.

Quitaque finished with a 10-0 ledger, Matador with an 8-2, and Estelline a 6-4 record in district play.

### Good Ball Handling

The Matador girls also ran into trouble with the Quitaque Panthelettes. The final score was 35-30, but the hometown girls gave an exhibition of good ball handling and hustling before having to concede to the taller team. The Panthelettes held a steady lead the first half but the two teams fought harder the rest of the game.

High point girl for the Matadors was Shelley Stevens.

A great defensive game was played by Olivia Campbell, Beverly Brandon, Jana Jones, and Sharlene Berryman.

The next two weeks the girls will be working hard getting ready for District Tournament to be held at Quitaque February 18-20.

Mr. and Mrs. Kim Wilkinson spent Sunday in Abilene visiting their daughter and family, Mr. and Mrs. C. O. Strickland and children. They were accompanied by Mr. and Mrs. Casey Jones, who visited with her sister and family, Mr. and Mrs. Jack Blair.

### Dancing Indians Enthral Sons and Fathers At Annual Banquet

DANCING INDIANS from the "Lubbock reservation" Tuesday night provided one of the most outstanding programs in the 28-year history of the Father-Son Banquet sponsored by the Matador Lions Club.

The group of entertainers billed as "Tafford Blessing and His Indian Dancers" are in reality a hobbyist troop, keeping alive the dances of various Indian tribes. Each dance was a studied art of perfection.

Matching the skill of the dancers were their costumes, in rich color, presented in absolute perfection. Each dance met enthusiastic applause from the crowded audience of fathers and sons in the First Baptist Church basement Fellowship Hall. The group was introduced by Scoutmaster Douglas Pitts Jr. Address of welcome was by Matador Lions Club President Freddie Welling.

At the assembly in the church sanctuary Scout Mark Hill was master of ceremonies. "America" was led by Richard Campbell, announcements and introduction of guests were by Lion Welling. Invocation was by County Judge Elbert Reeves.

During a poll preceding the program, nine members of the audience said they had been "sons" at the first father and son banquet 27 years ago. They were either father or "adopted fathers" at the Tuesday night banquet.

Charter Lion member J. R. (Rat) Whitworth told the Tribune that he was at the meeting of Lions 27 years ago when Scoutmaster Paul Eubank conceived the idea of the annual banquet. Lt. Eubank later lost his life in action in the South Pacific during World War 2. At the time he was a member of the Texas House of Representatives.

Tuesday night meal was prepared by Waybourn's Cafe and included steak, gravy, potato salad, tossed salad, dessert and beverage.

POST OFFICE MOVING—Above photo shows some of the work that went into moving post office equipment to the Barkley Building here Saturday. All fixtures were in place by 11:30 Saturday night. Photo shows Kirby Campbell at left, Dick Moss and Postmaster Charlie Scaff on the tractor as a section of boxes was moved.

Two Matador High School senior students, Tim Sturdivant and Richard Campbell, this week were in the limelight of publicity in different fields of achievement.

Tim, son of Mr. and Mrs. J. P. Sturdivant, received notice that he had been selected as a finalist in the National Merit Scholarship program. This qualifies him as one of 16,000 (out of 250,000) to enter finals.

Richard, son of Mr. and Mrs. R. E. Campbell Jr., Tuesday was signed by Texas Technological College, Lubbock to attend there on an athletic scholarship.

All-State Candidate

According to Bill Hart, Lubbock Avalanche Sports Editor, Campbell was one of 14 area schoolboy athletes signing pre-enrollment letters Tuesday, and one of only four all-state candidates in the group.

"All-state choices signing with Texas Tech were halfback Norman Bonner of Dumas, fullback Richard Campbell of Matador, and tackle Don King of Wichita Falls, and Ronald Snider of Ropesville." Hart reported.

King and Bonner made it in AAA, the others (Campbell and Snider) in B.

### TRAIL DUST

By DOUGLAS MEADOR

To deserve the confidence of a boy is one of the greatest achievements a man can obtain.

Change reflects the image of youth whether it is achieved by an old man or disdained by a young man who is the slave of his fears.

Photography never got off the ground commercially until someone discovered that a camera would copy the likeness of a grandchild.

Each adventure must make a new trail, if even but a foot. To walk in ruts made by the great is like harvesting a field that has already been harvested.

Television sponsors lose sight of a significant feat of manual dexterity that requires no more effort to turn off a switch than was required to turn it on.

Gossip is the screams of futility, a house without windows; the banging of doors no longer secure.

Fortune has always seemed partial to common sense, even when her sandals have become ragged in pursuit of the more agile and quick-starting braggard.

One way to prevent an argument is to exercise strict authority over the one participant with whom you have influence.

Buggywhip manufacturers could have saved the industry if their research had been sufficiently adequate to point out the future demand for cigarette filters.

Much of the energy lost in worrying could be converted into commercial channels if it did not compete with a "do-it-yourself" market.

### BANK HOLIDAY FRIDAY

Tomorrow, Friday, February 12, is a legal holiday (Lincoln's birthday) and the First State Bank here will be closed, according to an announcement made last week by bank officials. The bank will also observe Washington's birthday, February 22, as a national holiday.

### Importance Of Right Foundation Is Stressed In Message To Youth

"In building a foundation for life, there are two ways one can develop," a congregation of young people and adults were told Sunday night in union services at First Methodist Church.

The speaker, the Rev. James Hancock, pastor of the First Baptist Church used St. Luke 6:47-49 as a background for his message in which he stressed physical and mental development as supplements to a third—spiritual.

The union service was an annual Youth Observation in recognition of National Boy Scout Week and honoring the young people of the community.

"There are many confusing things that can trip young people of today," Rev. Hancock reminded his listeners. "Learn to live one day at a time... dream dreams and have visions, but don't be so caught up in dreams of tomorrow that you lose sight of the opportunities of today... build your house with a foundation laid on a rock—the rock that is Jesus... let your life be subject to God's will."

Members of Matador Boy Scout Troop 60 were in charge of the service with Don Pitts as Master of Ceremonies. Prayer was by Larry Bostick and Scripture reading was by Glen Moss. A poem was read by Ronnie Welling, and other Scouts served as ushers. Special music was a solo by Richard Campbell, accompanied by Mrs. John Stevens.

The Rev. W. F. Gaede, Methodist pastor presented the speaker. The congregation joined the Scouts in singing the Vesper Song preceding the benediction by Minister H. L. Dennis, Church of Christ pastor.

### Basketball Beau Is Dale Rector

Emotion was tense throughout the Matador-Quitque game here February 5, but things

didn't really start popping until the half of the boys' game.

Ruthie Lynn was the brave Matador captain who picked Dale Rector, the unsuspecting new Basketball Beau, from the spectators and led him into the center of a heart formed on the court by the Matador team.

Dale looked down shyly as Ruthie handed him the huge red package, and even more shyly after opening it to find the traditional candy and being rushed by the girls.

Dale is a sophomore at MHS, where he plays football and basketball.

### COW POKES

By Ace Reid

No, it ain't exactly where you said put it, but just look. We didn't have to dig one post hole!

This feature sponsored by THE FIRST STATE BANK

Besides San Antonio, Linda has lived in Abilene, El Paso, Lubbock, California, and Okinawa.

Almost everything is interesting to Linda. A very good student, Linda enjoys dancing, music, reading, traveling, shopping, and spring weather. Her special interests are sewing, and playing the piano. Since she wasn't born in West Texas, Linda isn't acclimated to the weather and sand storms are more than she can stand.

Although she attended high school in Matador for only two years, Linda has been very active. She belonged to the Drum and Bugle Corps, the F.H.A., the Beta Club, was vice-president of the Pep Club, is assistant business manager for La Arena this year and writes for the Matador Brand.

Texas Tech is the college of Linda's choice, and she hopes to major in education, or textiles and fashion field of Home Economics.

Tribune ads don't cost, they pay!

### Senior Spotlight by Kenneth Pitts

A well known figure around school, Scottie is very active in F.H.A. and in almost every other organization in the school. In F.H.A. Scottie is a past president. She made a trip to Chicago last summer as the area treasurer of the F.H.A., and she is this year's winner of the Betty Crocker Award. She has participated in the Drum and Bugle Corps, the Beta Club, and has been manager for the girls' basketball team.

### Seniors Are Hosts To Teen Canteen

by Linda Tilson

The tide was turned Friday night at Teen Canteen when the seniors hosted their "Sadie Hawkins" dance. Both the boys and girls discovered the advantages and disadvantages of being a member of the opposite sex.

Each girl had her big chance to ask the boy of her dreams for a long-awaited date. Once at the dance though, she found she had to keep a tight grip on him and hope that one of the stag girls who didn't have enough nerve to ask a boy for a date wouldn't ask her date to dance.

The boys, on the other hand, experienced the girls' anxiety of not knowing beforehand whether or not his current heart throb would ask him for a date. Many of the boys, however, had a Cinderella evening, for their dates picked them up after the game, took them to Teen Canteen, and then home afterwards.

The many original costumes impersonating "Lil' Abner", "Daisy Mae", and "Mama Yokum" made Teen Canteen look like a scene right out of the popular "Lil' Abner" comic strip.

The Juniors are responsible for the theme of the next Teen Canteen.

### "Brand" Editor Suffers Illness

Scottie Robbins, Editor of the Matador "Brand", has been sick with a sore throat this week, but her job has been capably handled by the Assistant, Karen Elliott, and several co-workers including Charles Ezzell, Tim Green, Kenneth Pitts, and Butch Wayborn. The above named have been eager for Scottie's return though it seems that it is a rough job and now they realize how hard her job is.

The one-act play tryouts were held this week. Mrs. Reece Timmons is the annual director of this event.
