#### TRAIL DUST

By DOUGLAS MEADOR

The climate of love is not affected as much by seasons as the whispering sentiments of enjoyment that rise in the mystic mountains of the heart.

Male judgement is not always consistent in the evaluation of a man. A man often discounts his own appearance in good clothes, but aware that a fine saddle can conceal most of the fault in a way-backed horse.

The giver, not the gift is appraised. A woman in love will find as much beauty in a bouquet of wild flowers as dew-dipped roses.

Equality remains less than a foggy dream in a country where the door to door peddler is turned away while fifty television commercials are received in the living room during a single evening.

It seems like chewing tobacco went out of vogue about the time you quit seeing men in sweat-stained overalls.

The death of a good man is like taking a great tree out of the forest; the winds of life's vicissitudes assail the less formidable deterrents.

#### Legion Auxiliary To Sell Poppies

The local Auxiliary of American Legion Fleming Post will sell poppies on the street, Saturday, November 7, according to an announcement this week.

The poppy, memorial flower of the American Legion throughout the nation, was adopted in 1920. It is a crepe paper replica of the famed poppies of Flanders' Field in France, and was created as a symbol of remembrance, and to raise funds for the aid of disabled veterans and their children.

The poppies are made by disabled veterans in hospitals over the country and provide an interesting and therapeutic occupation as well as enable them to send money home to their families.

There are no expenses to be deducted from the Poppy Day contributions. All workers are volunteers. According to the poppy chairman, "The entire profit of 100% is pledged to welfare relief, fulfilling the true meaning of the poppy—an emblem of Faith—Faith which is being kept with all who died, through service to the living."

#### RETURN HOME

Mr. and Mrs. C. T. Jinks returned home Sunday from Excelsior Springs, Mo., where they spent three weeks while Mr. Jinks was receiving treatment. En route home they drove through the Ozarks in Missouri and Arkansas.

Rev. and Mrs. W. B. Vaughn visited in Big Spring Thursday and Friday with their son and family, Mr. and Mrs. Wayne Vaughn.

The Matadors, with six wins and one tie on their record, will play host to the Rochester Steers tomorrow night on Burleson Field with both teams playing their initial district outing. Game time is 7:30.

The Steers have played a lot of rough games this year and do not hold an impressive win-loss record, however, their attack has been constantly riddled with injuries.

In last year's encounter between Matador and Rochester, the Matadors came out in front 28-0. 1962 was a different story; the steers battled the previously unbeaten Matadors to a 14-14 tie. That was the only game the Matadors did not win that year.

Matador will hold an insignificant three-pound weight advantage per man over the Steers, and will also have an advantage in experience. The Steers have only three starting seniors and the rest are juniors and sophomores.

The outstanding member of the backfield is the fullback, Johnny Wyatt. He is a 168 pound senior, and is an extremely hard runner. The other three backs are Huddeth, LaFerre, and Holmes.

Rochester runs mainly from a T-formation, switching occasionally to the slit-T and I formations. They are liable to try anything, such as the quail huddle on kickoffs and the eligible-center play where the line lines up on one side of the center and the quarterback, leaving the center as an eligible pass receiver.

#### Services Held for Mrs. Walter Craft

Funeral services for Mrs. Walter L. Craft, 67, of Roaring Springs, were held at 2 p.m. Wednesday at the First Baptist Church in Roaring Springs with the Rev. H. W. Hill, pastor of Southland First Baptist Church, officiating, assisted by the Rev. Mrs. Ben Dillard pastor of the Roaring Springs Assembly of God Church.

Burial was in the Roaring Springs Cemetery under direction of Seigler Funeral Home Matador.

Mrs. Craft died about 9:45 a.m. Tuesday in Stanley Hospital after a lengthy illness. She had been hospitalized for only seven days.

The former Ruby Knight was born August 2, 1897 in Cook County, Texas and was married to Walter L. Craft October 15, 1916, while still living in Cook County. They lived in Wise County for a time then moved (Continued on back page)

#### Change Is Posted In Mail Dispatch

A change in week end mail dispatch is posted here by Postmaster Charlie Scaff, effective Saturday, Nov. 14. On that date all out of town mail posted in the Matador post office must be deposited in the outside box after 12 noon Saturdays.

Effective on that date there will be no regular Saturday and Sunday afternoon dispatch from the post office. Out of town mail must be deposited in the outside box, or wait until the regular Monday dispatch. Patrons are also reminded to purchase stamps before noon on Saturdays, since the Sunday Childrens carrier will not stamp letters.

Change in pick-up time for both Saturday and Sunday will be 4:30 p.m. instead of the former 10 p.m. on Sundays.

#### Escobar Services In Corpus Christi

Final rites for Alfredo Escobar Sr., 57, resident of Roaring Springs about 12 years, were held Wednesday afternoon in Corpus Christi, where he lived before coming to this area.

Mr. Escobar died about 1 a.m. Sunday in the M. D. Anderson Hospital, Houston where he had been a patient the past month.

Mrs. Escobar and their oldest son, Pfc. Alfredo Escobar Jr., on leave from Ft. Devens, Mass., had been with him during his illness.

Survivors include the wife, seven sons and four daughters, all of the home. The oldest daughter, Maria, has been employed here at the City Bakery.

#### Lions Reschedule Mop & Broom Sale

Sale of mops and brooms by members of Matador Lions Club, scheduled for Oct. 24, has been rescheduled for Saturday, Nov. 14. A mixup of orders in the office of the supplying agency, Lighthouse of the Blind, was the reason the big truck did not come here on the advertised date.

The same members have been assigned to the new date, according to an explanation by Boss Lion Freddie Welling at the regular meeting Tuesday in the Methodist Church basement. Proceeds from the sale will be donated to the Hi-Plains Eye Bank, but dues to the Lions sponsored project have already been sent to the Amarillo headquarters. The Matador club is paid up 100%.

A record turnout at the directors' breakfast in El Matador dining room Monday morning was reported. Among the plans outlined by the civic club was a Santa parade here on December 12.

F.H.A. Loans Explained Program at the Tuesday meeting was an explanation in detail of the F.H.A. loans to rural areas by Alfred A. Harrison of Floydada, supervisor for Floyd and Motley Counties.

In explaining types of loans, Mr. Harrison emphasized frequently that F.H.A. could not make a loan unless the borrower was unable to obtain money from any other source. He said every request for money is carefully screened by the county committee consisting of J. C. Franks, Flomot, D. P. Keith, Matador and W. H. Marshall, Roaring Springs.

Mr. Harrison showed slides of farming and ranching projects in the county which have been financed by F.H.A. as impressive evidence of the aid to area economy. He also showed slides of the new Flomot water system, which was financed through an F.H.A. loan.

#### TO CROSBYTON

Mrs. J. P. Neighbors and Mrs. A. A. Harp visited in Crosbyton, Sunday afternoon with their respective parents, Mrs. H. M. Wagley and Mrs. C. C. Renfro, residents of Nichols Manor. Also a resident patient there is former resident, Mrs. Joe Campbell, who fell this summer and broke a hip and is bedfast.

#### ATTEND CONVENTION

Mr. and Mrs. D. P. Keith are in Corpus Christi this week, attending Texas Baptist General Convention, and visiting their son and family, Mr. and Mrs. Don Paul Keith.

New Tribune phone 347-2400

#### Awards Banquet Monday

A TOTAL of 140 awards will be presented here Monday night Nov. 9 to 82 4-H club members, and 9 leaders at the annual 4-H awards banquet in the American Legion building.

The announcement was made this week by County Agent W. C. Pallmeyer. He said a barbecue supper will start the evening at 7 p.m. Speaker will be Curly Hays of Abilene, well known for his work with the 4-H members in this area. Hall County REA, Dickens County REA, and the West Texas Gin, Matador, are joint hosts for the barbecue dinner.

Parents of award winners and guests will witness the presentation of awards in 23 programs carried out in 1964, Mr. Pallmeyer said.

#### Plans Advance For Homecoming

Plans are advancing for Homecoming November 20, of former Matador students and teachers, following a meeting Friday night of the Board of Directors of the Ex-Students and Teachers Association.

The meeting, held in the Commissioners Court room at the courthouse, was called by Algie Groves, president of the organization, who appointed all committees necessary for making preparations.

Letters of invitation have been mailed to all out of county exes, whose addresses are on file with the secretary, Mrs. R. E. Donovan. In former years a number of such invitations have been returned to the secretary because of insufficient or incorrect addresses. Sometimes an address has changed, due to the person having moved since last Homecoming, which would explain why some of the exes fail to receive a letter.

#### FROM HOUSTON

Mrs. Ronald Hobbs and daughter Deanna Lynn, of Houston are visiting here with her parents-in-law, Mr. and Mrs. B. H. Hobbs, having accompanied them home after they had attended Grand Chapter of Texas OES, in San Antonio. Mr. and Mrs. Hobbs also visited in Austin en route home. Ronald Hobbs will join his family here next week end and accompany them home.

### Motley County Votes Over 2 to 1 for LBJ; Ballot Lines Crossed Often at Busy Polls

AMERICA likes the Texan in the White House and Tuesday elected him to a four years term in one of the greatest Democratic victories in the nation's history. Lyndon Baines Johnson received the mandate of the country's voters by a far greater approval than the late John Kennedy, whose tragic death almost a year ago thrust the Texan into the world's most important position.

Motley County, which four years ago voted a majority for Richard Nixon, Tuesday went Democratic more than 2 to 1, in a total vote of 1074. President Johnson received 678 to Republican candidate Barry Goldwater's 324.

Governor John Connally received more votes in Motley County and in Texas than did President Johnson. A study of results shows voters crossed party lines at will.

Motley County voters gave 18th Dist. Congressman Walter Rogers 773 votes to his Republican opponent Bob Price's 240 or more than 3 to 1. Congressman Rogers, who visited in Matador and Roaring Springs Saturday, was re-elected but not by the heavy majority he received in some counties.

Senator Ralph Yarborough was re-elected over Republican Geo. Bush (553 to 441 in the county) and in the state but far short of the popularity of other leading Democrats.

Biggest vote-getter in the county was Democratic nominee Sheriff, Tax Assessor and Collector J. D. Spray, who was elected by 836 votes. County Attorney Howard Traveek was next with 930.

Largest Democratic vote in the county with a Republic opponent went to Attorney General Waggoner Carr who received 862 as compared with 168 for John Trice.

Congressman at large Joe Pool received 737 votes to Bill Hays 236. Lieut. Governor Preston Smith received 824 to Houston's 167. Comish. of Ag John White received 768 to Armstrong's 219. Comptroller of Public Acts Bob Calvert received 815 to Calmes' 162.

Land Office Comish. Jerry Sadler received 840 to Matthews' 183. Treasurer Jesse James received 806 to Neumann's 164. Jim Langdon received 822 for R.R. Comish. as compared with Flanagan's 172. Asso. Justice candidate Jack Pope received 819 to Kennerly's 175. Highest Constitution Party vote was 5 for Bert Ellis for treasurer.

Clyde Gilbert nominee for Comish, Prec. 1, received 519 of the 560 votes polled in Prec. 1. Three amendments carried by almost 2 to 1 majority. Election judges said many ballots were judged mutilated because voters ignored Constitution party nominees, or left two candidates for the same office.

Accident is Fatal To Ralph Horton

Ralph Horton, 47, former Matador resident whose home was Carlsbad N. M., died about 1 p.m. yesterday in an El Paso hospital, the victim of an accident in a mine shop a week ago.

Mr. Horton was crushed beneath a heavy motor, which he was helping to install. He was flown to El Paso for treatment, accompanied by his wife, the former Marion Clements, who was later joined by her mother, Mrs. W. W. Clements. It was believed for a time that medical science might be able to save his life.

Yesterday, however, Mrs. Clements telephoned her husband that the fight had been lost. Funeral services will be held at 2 p.m. Friday at the Sunset Church of Christ in Carlsbad, under direction of the Carpenter Funeral Home. Burial will be in Carlsbad Cemetery.

The Hortons' home address is 1015 North Alameda, Carlsbad. Mr. Horton is survived by his wife and two children, Linda and Richard, of the home.

#### School Scheduled By O.E.S. Chapter

A School of Instruction will be held in the Masonic Hall, for Matador Chapter 66, Order of the Eastern Star, Tuesday, Nov. 10, according to an announcement by Mrs. Buford Hobbs, Worthy Matron.

Mrs. A. V. Lowrie of Dodson, newly appointed Deputy Grand Matron of District 2, Section 5 of the Grand Chapter of Texas will open the school at 8:45 a.m. and other Grand Chapter officers will be here to serve as instructors.

Worthy Matron Mrs. Hobbs and her husband, Worthy Patron Buford Hobbs, attended Grand Chapter in San Antonio from Tuesday through Thursday last week, and Mrs. R. M. Stanley, who served as a page, attended the entire session which convened on Monday.

They attended a breakfast honoring Mrs. Lowrie, given Thursday morning by members of District 2, Section 5 in the River Room of the El Tropicana.

Mr. and Mrs. Guy Kimbell left Wednesday for a visit in Harrison, Ark., with his brother, Turner Kimbell and family.

Rites Today for Pioneer Banker

Funeral services will be held at 10 o'clock this morning for A. E. Ernest Herring, 82, of 3216 28th St., Lubbock, pioneer banker of Matador.

Services will be held at the First Baptist Church here and burial will be in East Mound Cemetery, under direction of Seigler Funeral Home.

Mr. Herring died at 10:45 Tuesday in a Lubbock convalescent home. Franklin-Bartley Funeral Home was in charge of the body in Lubbock.

He lived in Lubbock for the past four years, moving there from El Paso. He was an early-day resident of Motley County and a member of the Baptist Church.

Among survivors are nieces and nephews residing in Lubbock, Flomot, Matador and other area towns.

OPEN HOUSE TO HONOR RESIDENT ON BIRTHDAY

Friends are invited to an open house reception, Sunday, Nov. 8, from 1 until 5 p.m. at the home of Mrs. B. F. Jackson, on the occasion of her 81st birthday. Mrs. Jackson's children and grandchildren will be hosts for the occasion.

### Friends Join Dyes In Admiring Home

A proud and grateful family, Sunday shared their new home with friends and neighbors who helped make the home possible. They were proud because the home and all furnishings were new, and grateful to their friends and neighbors who came to their aid when their former home burned this summer.

Mr. and Mrs. Alfred Dye were assisted in the reception and open house Sunday, Nov. 1, from 2 until 5 p.m., by their daughter, Mrs. Rollie McNutt, of Muleshoe, and sons, A. J. Dye, student at West Texas State University, and Chester of the home. Mr. McNutt and small daughter, Shawn Lynn were also present to assist with hospitalities. Two other sons of the Dyes, Church of Christ Minister, Norton Dye of Sparks, Nevada and Duane Dye of Lake Jackson, could not be present.

Miss Cheryl Moore presided at the guest register. Misses Roma Redd and Cathy Clem presided at the coffee service while Miss Linda Parks served punch. Mrs. L. E. Klingery and Grandmother Dye, sister and mother of Mr. Dye, assisted in the kitchen.

Approximately 100 friends and neighbors called, including a number from Matador and area communities. Out of county guests were Mr. and Mrs. P. L. Orman (Mrs. Orman is a sister of Mrs. Dye); Mr. Orman's daughter, Mrs. Oleta Collier and Mrs. Thelma Smith Jones, all of Floydada; Mr. and Mrs. Claude Fletcher and Mrs. Jewel

McLaughlin of Lubbock; Mrs. Jessie Lee Lancaster, Post; Mrs. H. A. Stephens and children, Spur; Joe Douglas of Aspermont, roommate of A. J. Dye at WTSU; Richard Williams, Church of Christ ministerial student from ACC, formerly of McAdoo and his friend, Miss Cheryl Henderson of Chicago, Ill., also an ACC student.

### WSCS Observes Call To Prayer

Commemorating the "Call to Prayer and Self Denial," Mrs. Melvin Meason, Secretary of Spiritual Life of the Woman's Society of Christian Service presented the program, "Pray Without Ceasing," Thursday, in the Educational department of the Methodist Church.

Opening hymn, "Dear Lord and Father of Mankind" was led by Mrs. Myrtle Stubblefield, followed by the scripture readings by Mrs. Mattie Brotherton. A discussion by Mrs. Furman Vinson was on the subject of "Remodeling and repairing home mission buildings in the U. S. Overseas Work." Litany and closing prayer was by the leader.

On Wednesday evening at 7:30 another program, "The Quiet Hour," a part of the "Call to Prayer and Self Denial" week was led by Mrs. Meason, with scripture by Mrs. J. R. Whitworth. A solo, "Evening Prayer," was by Mrs. Glenn Woodruff, and a poem was read by Mrs. Clay Jameson. Benediction was by the leader.

Others present included Mesdames Olive Russell, Nelson McMahan, W. N. Pipkin, Wilbur

Gaede, Henry Ford, D. E. Pitts, Sterling Price, May Simpson, W. F. Jacobs, W. B. Vaughn and A. J. Daffern, and Miss Mary Slover.

### Halloween Party Held for Girls in Junior 4-H Group

The Matador Junior 4-H clothing project group sponsored a halloween and 4-H emphasis party for beginner girls, and the girls interested in the clothing project, Wednesday, Oct. 21.

The social was held in the basement of the Methodist Church.

Invitations in the shape of witches hats, prepared by Laura Jacobs, Peggy Marrs and Judy Marrs were given out at school to 36 girls.

As the guests entered they were signed in at the Goblin register by Bridget Barton. From there the girls were led through a horror hut by Patty Edwards, Charla Wason and Debbie Smallwood. They were met by a Halloween spook, Jeanette Day, who portrayed the usual ghost gestures.

The group was then seated in a green lighted room which featured witches, skeletons, scarecrows, pumpkins, black cats and streamers. At this time Jeanette Day presented a surprise appreciation gift from the girls to Mrs. Jerry Noles.

Various Halloween games were led by Brenda Wason and Kate and Loretta Thompson. Following the games, the group once again was taken through the horror hut to the refreshment table, which featured a

miniature witch stirring a pot, as centerpiece, and Halloween decorated cup cakes and orange drinks covered with black cat holders made by Debra Garrison.

The leaders then explained briefly what the girls would be learning and making in the clothing project.

Others attending besides those mentioned included Mrs. C. D. Garrison, Mrs. Bruce Marrs, Mrs. Manly Thompson, and an out of town guest, Mrs. W. R. Noles; and the following girls: Debra Halford, Cinda Simpson, Thanie Smallwood, Rosemary Fullingim, Lee Ann Thompson, Dorothy Mae Haney, Shane Stevens, Cynthia Moore, Linda Cammack, Gina Killingsworth, Gail Lynn Lou Ann Woodruff, Kay Cooper, Krista Price, Paula Palmeyer, Jackie Martin, Nancy Markham, Cindy Marshall, Tanya Moador, Debra, Brenda and Beverly Noles, and Mrs. Jerry Noles, sponsor.

### Davy Badgett has Birthday Party

Davy Badgett, son of Mr. and Mrs. David Badgett was honored at their home on Oct. 22, on the occasion of his sixth birthday.

Guests were entertained from 3:30 to 5 p.m. with games. Balloons and Halloween treats were given as favors. Cup cakes and punch were served the honoree and his guests along with coffee for the mothers. These included Karmen Braselton, Ann Seigler, Carolyn Rose, Ellen Giesecke, Marihelen Wason, Mary Elizabeth Pitts, Jackie Noles and Shirley Smith.

Children present were Stevie and Jeffery Braselton, Shelly and David Seigler, Tony,

Kenny and Colleen Rose, Ricky Turner, Craig Christian, Butch and Marion Giesecke, Mark Wason, Grant and Charlotte Johnson, Lulu Pitts, Ben Charles and Laura Grundy, Debra, Brenda and Beverly Noles, Lisa Smallwood, and Shirlene and Stevie Smith.

**ALIBI DAY**  
Twas ALIBI DAY and there were some really good ones, especially from the grandmothers and PROSPECTIVE grandmothers and MARY had a REAL one, having invited the association for lunch on this day and had a lot of other thoughts on her mind besides the 24 guests

**WINIFRED DARSEY** was declared winner - her alibi wouldn't even hold water! so she won a ball. Shirley Thompson and Mary Meason tied with a low net score of 36. Shirley won the draw and was awarded the ball. Others playing: Mickey Bostick, La Voe Thacker, Nell Clem, Lillian Thacker, Grace Campbell, Tommie Newman, Judine McCaghen, Laverna Price, Billie Barnhill, Greta Smallwood, Jerry Campbell, Vivian Campbell, Louise Barton, Catherine Bird, and Hazel. One of our members, Faye Clements was called out of town following an accident in which her son-in-law, Ralph Horton was critically injured.

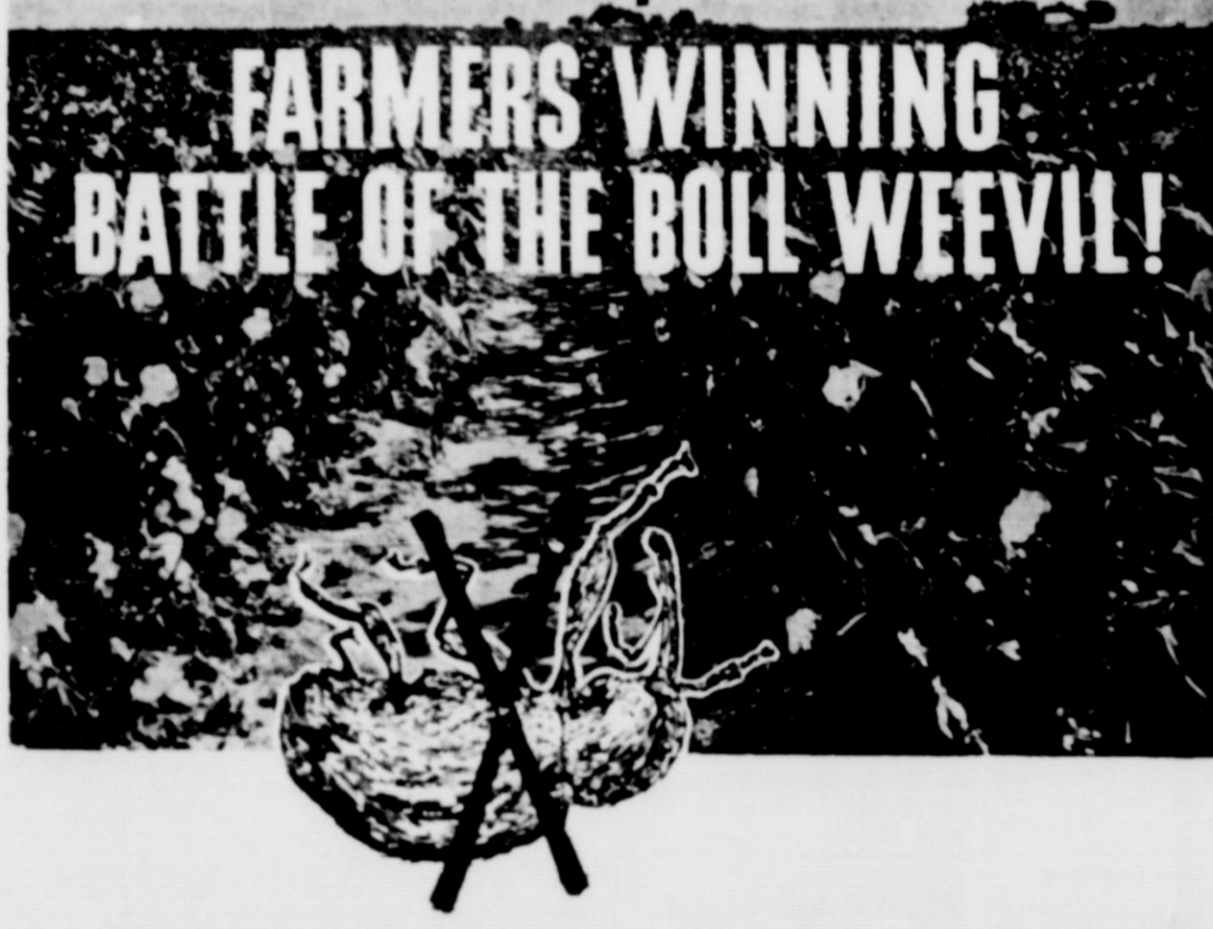

**TURKEY LUNCHEON**  
President Mary Meason was hostess to the Women's Golf Association for a TURKEY LUNCHEON. (She cooked the turkey, dressing and gravy) AND played golf with us that morning - the members furnished the trimmings and pies. Members present besides those who played, were Dorothy Day, Lucretia Campbell, Lucretia Grundy, Virginia Willie,

Helen Harp, and Ruby Miles

**BUSINESS MEETING**  
Following the MOST delicious luncheon there was a business meeting. Mary expressed her thanks to all her officers for a most enjoyable year. Our new President, Laverna Price named her committees as follows: Telephone, Lillian Thacker, Grace Campbell and Faye Clements; Rules, La Voe Thacker, Betty Graham, Louise Barton and Lucretia Grundy; Prodding, Nell Clem, Shirley Thompson, Mickey Bostick; Tournament, Vice President Lucretia Grundy; Greeting, Nell Clem made the suggestion and it was agreed, to say on Thursdays at 9 o'clock as long as the weather is pretty, meeting adjourned.

**MEN PLAY AT SPUR**  
Marvin Patton, Miss Hope, Alfred Barton, Tom Yeung and Bob Clem played in a tournament at Spur, Sunday, October 25. Alfred won first prize - a set of IRONS but made a GOOD swap with the second winner - including a golf bag, which Louise managed to get.

## FARMERS WINNING BATTLE OF THE BOLL WEEVIL!

### BATTLE RECORD TO DATE

SPRAYING	ACRES SPRAYED	COMMENT
Number 1 (Beginning Sept. 15)	303,000 acres (Originally estimated 240,000 acres. Total includes Skip-row)	First application was hampered by rain, wind, etc. Migrating weevils caused increase in size of control zone. Extremely high adult and unemerged weevil populations encountered.
Number 2 (Beginning about October 4)	281,000 acres (Reduction due to acreage desiccated or harvested)	Field checks indicated effective kill of adult weevils but continuing emergence kept new weevil population up. Additional planes brought in to speed up sprayings.
Number 3 (Beginning about October 13)	230,000 acres (Continuing harvest and desiccation)	Field examination showed great reduction in number of adult weevils, with low occurrence of weevils in diapause stage. Also fewer unemerged weevils.
Number 4 (Beginning about October 21)	190,000 acres	Few unemerged and very young weevils left. Practically no weevils in diapause stage.

**CONCLUSION:** Remaining unemerged and young adult weevils will be kept from going into hibernation either by frost or a fifth spraying. Entomologists agree that hibernating weevils will have been reduced by more than 90 percent by end of this year's program.

### Financial Arrangements

- Compresses to collect 50c per bale, and remit to a special boll weevil control fund in bank - no connection with P.C.G. regular funds.
- While compresses collect on all cotton, the contribution is voluntary for individual farmers who may request and receive refund.
- All funds are under direction of a Certified Public Accountant firm.
- Monthly financial reports by U.S.D.A. and Boll Weevil Steering Committee will be made - Complete audit will be published at the end of season.
- Any unexpended Steering Committee funds will be placed in interest bearing account for continuation of Boll Weevil Program next season. Unexpended U.S.D.A. funds must return to Treasury, as all appropriations are on annual basis only.

recent visitors in the home of Mrs. Myrtle Cornett and family. Visiting Sunday in the Tom Bateman home were Mr. and Mrs. Jerry Lewis and Stephen of Idalou, Mr. and Mrs. Jackie Bilberry, Shawna and Kristi, of Brownfield, and Mr. and Mrs. Alvis Bilberry and Jo Ann of Spur. Also visiting during the evening were Mr. and Mrs. Ray Bateman, Teri, Craig and Mitch, of Idalou.  
 Shawna Bilberry spent last week here and in Spur with her grandparents, the Tom Batemans and Alvis Bilberys.  
 Burt Hask and son, Stanley have returned from a hunting trip south of Grand Junction, Colorado. They spent about ten days there.  
 Mrs. H. F. Harfst and children of El Campo visited last week with her parents, Mr. and Mrs. L. Kelly.  
 Mrs. W. J. Bridge and DeWayne made a trip to Lubbock, last Monday where he received medical treatment.  
 Mr. and Mrs. Charlie Gage and Mr. and Mrs. Bill Vickery attended the funeral in Crosbyton last week for Mrs. Garner, 84, who formerly lived in the Croton community.  
**SCHOOL CLASSES GIVEN HALLOWEEN PARTIES**  
 Halloween was celebrated Friday at Patton Springs school in the primary grades. The first grade with their teacher, Mrs. Ralph Bennett enjoyed a party and refreshments.  
 The second grade under supervision of the teacher, Mrs. Richard Varnell paraded the hall as spooks and also enjoyed "spooking" the older students, after which they enjoyed a party and refreshments.  
 Mrs. Ralph Marshall's third grade recited Halloween poems and songs for the occasion, then enjoyed refreshments.  
 The 4th grade enjoyed a recreation period under the direction of their teacher, Mrs. Algie Groves and also played bingo with prizes awarded the winners.  
**FRESHMEN INITIATED**  
 Patton Springs freshmen FHA girls were initiated last Tuesday and Wednesday on Tuesday they began initiation by repeating the Creed. Those who failed had to swallow a concoction of "medicine." Only two failed. On Wednesday they dressed as specified by the FHA Club. Everyone except the girls themselves seemed to enjoy the antics, very much.

**CELEBRATES BIRTHDAY**

Cherry Bateman celebrated her 15th birthday, Thursday evening, Oct. 22 with a weiner roast and party at her home. Games and refreshments were enjoyed by a large group of her friends.

**Patton Springs FHA Has Recent Meeting**

Barbara Young brought the regular meeting of the Patton Springs FHA to order October 23. The initiation of the new members in the chapter was discussed by all members except the freshmen girls.  
 Also, there was discussion of the UNICEF "Trick or Treat" drive that took place October 29. Patton Springs FHA members joined in the drive, collecting pennies, nickels and dimes for needy children overseas.  
 Miss Barbara Waybourn, the chapter sponsor, explained the methods of selling magazines, as the chapter will be selling subscriptions during the next three weeks, to raise money for chapter expenses.  
 After the business part of the meeting, there was a panel discussion on "Family Relations." On the panel were Janice Thomason, Cheryl Bennett, Cherrie Hughes, Ann Martin, and Carolyn Brendle.  
 Danny Davis visited with Ronnie Cox of Matador, Friday night.

**Modern Terracing Modified to Fit Modern Equipment**

Modern day terracing has been modified to fit modern equipment according to information released by the local Soil Conservation Service office.  
 Parallel terraces were developed for land with uniform slopes and where minor earthmoving will not destroy productivity of the soil. Terrace spacings are arranged to fit a multiple of the width of the machinery selected. The terrace shape has also been modified to fit equipment used. Along with the terraces being parallel, the upper channels are leveled for a given distance to help in the spreading of water accumulation.  
 Parallel terraces usually require land-smoothing to help in their alignment. This consists of filling low places and cutting highs. Because of the additional work involved the cost is a little over three times that of standard terraces. The savings on time and equipment, by the elimination of point rows, usually pays the difference in a short while.  
 The only parallel terrace system in Motley County at the present time is in the extreme northern part of the county. Jack Case installed the system on his farm thru the Great Plains Conservation Program with the assistance of the Soil Conservation Service. Frazier Watson has a Great Plains Conservation Program contract with parallel terraces set up for the coming year.  
 Farmers who think they might like parallel terraces should contact their local Soil Conservation Service office.

**COUNTY AGENT PALLMEYER SAYS:**

Defoliants and desiccants have a place, but unless they are used properly, they can do more harm than good. Older, more mature cotton frequently can be prepared for machine harvest before frost, and proper use of harvest aid chemicals permits earlier harvesting of mature cotton before exposure to weather damage reduced the grade or actual field yield. Research shows that open cotton left in the field generally deteriorates one grade and around 1/32 in staple per month of weathering.  
 If a desiccant or defoliant is applied before cotton is fully mature, more than 60% of bolls open and preferably 80%, not only yield decreases, but also detrimental effects to seed and lint quality are possible. The more immature the cotton, the greater the loss. Economics is the greatest factor when considering the use of chemicals.

### Mavericks Defeat Childress, 48-22

by Tim Green

The Matador Mavericks wrapped up a fine season last week with a routy 48-22 victory over Childress. It was a wild-scoring affair in which every Maverick was played by Coach Jake Edwards.

The scoring began quickly when long-striding Darrell Marshall took the opening kickoff and raced 65 yards for a touchdown. Cox ran over the extra points. The next score was on a 45 yard drive by the Mavericks, climaxed by a 16 yard run by the outstanding Darrell Marshall. Cox ran over the extras again.

Childress then scored their first marker on a 20 yard run, and then ran over the extras to make the score 16-8. But on the following kickoff Darrell Marshall once again went all the way, this time for 70 yards. Cox once again ran the extra points over.

In the second quarter, Childress scored first on a 5 yard run and they also ran over the extras and the score was 24-16. Later in the second period Marshall again ran a touchdown, this one for 69 yards. Cox drove over the extras to make the score 32-16 at the halftime.

Childress scored first in the second half on an 11 yard run but the try for extra points failed. Don Cox hit Marshall on a pass in the third quarter for 39 yards and a score. Cox ran the extras. The final tally of the game came when Darrell Marshall scampered 54 yards for a TD, his sixth of the game. He also ran over the extras to make the final score 48-22.

Donnie Jackson, a pint-sized linebacker, led the Maverick defense. Mark Hill, Ronnie Wellington, Stanley Martin, Aaron Timmons, Larry Dunn, Stephen Gwinn, Leslie Jameson, Ronnie Martin, Mike Moore, and Don Pitts played a fine game.

### MHS YEARBOOK SHOWS PROGRESS

by Linda Tilson

If you had come to school this past week after the 3:35 bell had rung you would not have found the halls of MHS silent as usual, but would have found an industrious annual staff pounding busily away on typewriters and discussing annual pictures and layouts.

Editor Lynda Elliott and assistant editors Patsy Hankins and Janie Killingsworth have been working on the annual layouts every day after school. They have been very busy organizing the lay-outs of the group pictures and the separate pictures, together with putting the right student's name with the right picture. Because of

these girls' industrious work, the various parts of the annual are rapidly becoming organized. The business managers, Butch Waybourn, Judy Cook, and Linda Tilson were kept busy separating the grade school, high school, and pre-school pictures after they arrived last Tuesday. These business managers gave the pictures to the anxious students on Wednesday and the class business managers have been collecting the money for the pictures, as well as selling the last of the annual ads here in Matador and out-of-town.

Staff members not mentioned above include Karen Elliott, Junior Editor; Jana Jones, Judy Gwinn, and Sharlene Berryman, Sophomore Editors; Linda Vinson, Freshman Editor; Ruth Garnett, Lynn Cook, Jane Briscoe, and Ruthie Lynn, photographers and typists; Joanie Barton and John Barnhill, Junior Business Managers; Olivia Campbell and Shelley Stevens, Sophomore Business Managers; and Ann Marshall and Beverly Brandon, Freshman Business Managers.

### "The Branding Iron"

MHS has one teacher who has recently begun coming to school on the bus. She is Mrs. Timmons, who drove her car so hard and long it just quit!

"Oh! — they're awful! They look just like ME!" These were some of the more prevalent remarks as the students received their school pictures last week. Everyone seemed to think their's the worst of the whole school.

Early last week, several students were seen at MHS holding their arms and moaning "Oh — it hurts!" They were the basketball girls and football boys who took flu shots to prevent their contracting the disease later in the year.

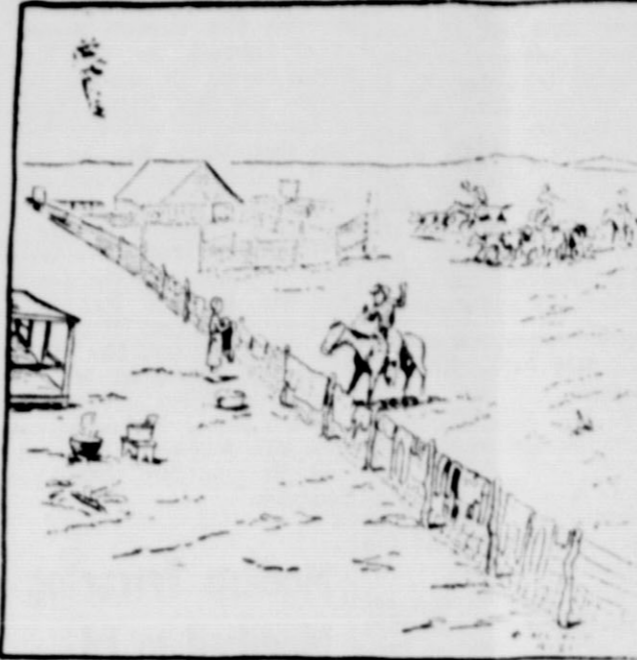

All the students joined together October 26 in noon assembly to sing happy birthday to Mr. Johnson. When asked by Richard Campbell "How ole are ya?" Coach Johnson replied slyly, "I'll be 16 next year!"

### CLASSES HAVE GOOD RECORDS

by Janie Killingsworth

During the first six weeks of school, the high school class attendance was especially good. The senior class had the highest average of 99.29 percent. Next was the sophomore class with an average of 98.8 per cent. The junior class was next with an average of 98 per cent, and then the freshman class having an average of 96.09 per cent.

Also during the Parents Visitation Week, high school had a 100 per cent attendance of the parents to receive the report cards and to talk to the teachers concerning the students.

### STUDENTS TAKE ABILITY TESTS

by Shelley Stevens

The juniors, sophomores, and freshmen have been very busy the last week taking different kinds of tests. Some of these tests showed the student's ability to think, while others showed the student's possible abilities for the future. By comparing these tests with others, the teachers can tell whether a student is loafing or doing his best.

### Maverick Corral

By Karen Elliott

The SECOND grade students have been decorating their room for Halloween. The decoration that is attracting the most attention is a witch made of styrofoam with button eyes and hair made of yarn.

The THIRD grade has a forest wonders kit. From this kit they have made paper.

In addition to studying, the

and M. E. Reeves are taking Modern Math courses under the instruction of Dr. Oliver Wheeler of the Education Department at Texas Tech. Dr. Wheeler taught an inservice course for the Matador teachers last spring.

Mrs. Edwards is studying Earth Science under Dr. Alonzo Jacka of the Geology Department. This class is planning two field trips, one to Fluvanna and the other to Palo Duro Canyon.

In connection with a unit in their science book entitled Machines that do work, the EIGHTH grade students have made simple electric motors. Each student assembles a motor. The completed motor is tested with a transformer and if it runs successfully the student earns a 95 grade.

The Third and Fourth Grade 4-H CLUB met Wednesday, October 21. Mr. Pallmeyer showed the group pictures of birds and told them the name of each one. The members filled out membership cards and Mr. Pallmeyer urged each member to keep a record.

The Club's first meeting was held September 16. Mr. Pallmeyer explained the different projects and the aim of 4-H work to 32 members.

### BEGINNERS SPOTLIGHT

Danny Ford Gwinn was born May 19, 1958, in Matador, Texas. Danny has spent his entire life in Matador where his father is assistant cashier at the First State Bank. Danny has one brother, Stephen, and one sister, Judy.

His twinkling eyes, amiable personality, and keen mind make Danny everyone's favorite.

When asked what he plans to do in the future, Danny promptly and sweetly replied, "I'm going to be a doctor."

### Roaring Springs, Jayton, Defeated By Matador Girls

by Stella Martin

The Matador Girls Basketball team made it three in a row last Thursday night by defeating Roaring Springs 50-40 at Roaring Springs in the A-Girls game. The girls previously made it two in a row by defeating Jayton 40-24 in the first home game, held October 24. The young and inexperienced team of last year is developing rapidly into a seasoned exper-

enced team. The scoring, rebounding, and ball handling of this year's team prove that experience plus ability are two necessary ingredients of a successful ball club.

The B-Girls' team lost to Roaring Springs Thursday night 18-14, but won over Jayton the Thursday night before to the tune of 38-23. Several promising freshmen as well as some veteran upperclassmen make the B-Girls' games exciting as well as showing plenty of good reserve for the A-Girls' team.

### Clarendon College Exes to Organize

Clarendon Junior College, "The Athens of the Panhandle," is in the process of organizing an Ex-Students Association. The organization will be open to all former students of CJC, with members of the faculty and Board of Regents listed as honorary members. An information bulletin will be sent to all members of the association from time to time concerning the organizational meeting, annual meeting, etc.

The purpose of the Association will be to keep ex-students informed of the progress of the college, to interest potential students in attending Clarendon

Junior College, and to build lasting spirit of loyalty to the institution.

The college is asking each person who has ever attended CJC to please send a postcard or letter to Mrs. Jean Moore, Student Personnel Officer, giving his or her full name (including maiden name) and present address, and including the names and addresses of those ex-students whom he or she knows. Such a listing is imperative if the Association is to complete its organization and begin to function, and should be formulated as soon as possible.

## PATTERNS FOR PROGRESS

### Does your Community Development Program include these basic steps?

Recent WTU advertising has outlined some of the basic community development elements which are widely considered essential in community growth. They are summarized here again to give communities an opportunity to check their local development plans.

- ... The Community Survey, an inventory of both favorable and unfavorable community resources and growth factors.
- ... Community Survey Analysis, where growth factors are continually being assessed and evaluated.
- ... The Industrial Foundation, which provides community-wide financing for the land, brick and mortar required for new industry.
- ... Community Leadership, the organized energy, effort and manpower essential for sound economic growth and development.

WTU Area Representatives will provide growth-conscious communities with information about these elements or about a complete development program. Request this service through your local WTU manager.

### No Permits to be For Antlerless Deer

With the approach of the hunting season, warning is issued this week by Motley County Game Warden Jerry Noles that certain restrictions are placed on hunting permits, specifically those pertaining to deer.

Deer season is now designated to open the second Saturday in November, which will be November 14, same date that the season opens for turkey and quail.

Although the state game law provides "I deer, buck or antlerless" this does not apply in Motley County, Noles said. General deer regulations provide that "it is unlawful to kill an antlerless deer without first obtaining a permit from the landowner where the deer is killed. Such permits are issued to the landowner by the local offices of the Parks and Wildlife Department."

"Permits to kill antlerless deer in Motley County will not be issued this year," Noles warned. "It might be that next year the supply will be great enough to permit issuing such permits," he said.

#### NEW ARRIVAL IS FIFTH GENERATION

Mr. and Mrs. Ronald Bailey of Lubbock are announcing the arrival of a son, Ronald Lance, who was born at 2:47 a.m. October 30, in West Texas Hospital, Lubbock. He weighed eight pounds, two ounces. The mother is the former Kay Rattan.

The new arrival is a fifth generation baby on the maternal side. Mr. and Mrs. Frank Price are grandparents. Mr. and Mrs. C. H. Murphy are great-grandparents and Mr. and Mrs. H. M. Murphy are great-great-grandparents.

On the paternal side the grandparents are Mrs. Inez Bailey of Brownfield, and Wel-

land, both students at Lubbock Christian College.
