TO MY FRIENDS...

As I have tendered my resignation as Commissioner of Precinct 4, effective on July 31, 1965, that I might accept appointment as Acting Postmaster of Roaring Springs, I want to express my appreciation for every courtesy, consideration, and act of kindness shown me during my tenure of office.

To the voters of Precinct 4, for permitting me to serve as your Commissioner, again I thank you.

Sincerely,
Chas Long

How Much Is A Doctor Worth?

There is, of course, no answer to this question. If you or a member of your family is stricken with a heart attack; if you have been in an automobile accident; if a baby becomes ill in the night; if someone is burned severely, or one of a thousand things that happen to people every day - you might wish to give a thousand dollars to have a doctor available.

Nearness to a doctor and hospital facilities might be the difference between life and death. It has happened many times.

We, who favor a Motley County Hospital District, want to continue the services of doctors and hospitals in this area. We have no hope or purpose other than to retain services that have prevailed for more than 70 years. We do not want to change the present situation; we want to protect it.

We know that it will cost in taxes. We pay our part of taxes and we do not want to pay more, but we have to make a choice. We feel that it is worth more taxes if we can preserve and

protect the facilities of hospitals and doctors.

We know that without the facilities, a vast area of possibly 10,000 people would lose protection.

We know that to make a trip of from 30 to 125 miles to a hospital and doctor, may cost from \$25 to \$100 or more.

This is money people who need doctors in the future, will pay. It is not taxes but it is money. In addition is the factor of time which may mean the difference of saving or losing a life, which may be one of our loved ones, or yours.

THIS MESSAGE IS PAID FOR AT REGULAR ADVERTISING RATES BY PROPERTY-OWNING, TAX-PAYING CITIZENS OF MOTLEY COUNTY WHO FAVOR THE CREATION OF A HOSPITAL DISTRICT.
