Dr. Thuy Danh Do Ends Association At Motley Clinic

A rumor that one of the county's three doctors is planning to leave Motley General Clinic has been confirmed.

At an open meeting called September 25 by Dr. Y Hoang Do and Dr. Thuy Danh Do for a conference with the Motley County Hospital Board, Dr. Thuy Do announced his plans to terminate his association with the clinic. Several local residents were also present, and the doctors explained that due to lack of time after they decided to hold the conference, an advance announcement was not possible.

Several factors are contained in the decision reached by the physicians who have been

practicing here since the clinic was opened in July. In an interview last week with Tribune publisher, Mrs. Douglas Meador, the doctors presented their reasons for their actions.

"We came to Matador last November at the invitation of the Hospital Board and entered into an agreement with the board who promised certain provisions in exchange for our services. We feel that we did not during the last few months, have the full cooperation of the board," explained Dr. Y

Each cited the lack of items in certain areas, that are essential in operating a clinic. These include laboratory equipment and a lab

technician Harold "Sparky" Meason had been serving as lab technician through the summer, but left Wednesday for former commitments. However, the laboratory tests still had to be sent to Lubbock before a report could be made.

"We were confronted by irate patients because the bills were so high," Dr. Y Do said. "I explained to one such patient that my fee was only \$7.00 which was for the regular office call. The remainder of the bill was made for the lab fee and other services."

The doctors cited general unorganization of management as another reason for their dissatisfaction. For example: "We were asked to interview applicants for both office and clinical personnel. After carefully considering each application, we made our decisions. However, the board made other decisions and disregarded our recommendations. After the clinic advertised for clinical aides, nine persons applied. We selected who we believed would be the best qualified. No one was hired. This placed us in an embarrassing position."

Continuing: "When we were first interviewed by the board, we listened to their promises, and the only request we made was that the starting salary be \$700, instead of the \$600, which they offered. This salary came from Title 6 of Public Service Employment from January, 1976 through June, 1976, since our time during the first several months was spent in studying. (Dr. Y Do observed at Hi-Plains Hospital in Hale Center during this time, while Dr. Thuy Do did extensive research in preparation for examinations for his national license to practice in this country.)

"We feel that we have given our best cooperation since we started practice July 6. The equipment is not adequate for the needs of the patients, and since the hospital is not in operation, we send the hospital patients to Paducah and Floydada. Sometimes we make as many as six trips a day to check on these patients. We had been assured that the hospital here would be opened for use by this time."

The doctors listed as some of the needs, including equipment and facilities not provided: X-ray technician; trained nurses; emergency bags, and lab facilities.

"We decided we had to make a decision for one of us (Dr. Do or Dr. Y) to go," said Dr. Thuy Do. "The area is not populated enough for three physicians." (Dr. Albert Trawick still attends his patients.) "On the average, 1500 people would keep one physician busy. The most we have here is 1091."

In summarizing the situation, he continued, "While we had no written contracts, we feel that the hospital board did not fulfill its oral commitments. We have no hospital for patients. We did not have the full cooperation of the board; we did not have up-to-date facilities; we did not have trained personnel (specifically someone to fill in medicare forms, Blue Cross and other insurance papers) and we could not make a living commensurate to certain standards. Also, we did not have the same line of charge in the clinic."

"We want to help this community. The people have been good to us, and we appreciate everything that has been done to make our residence here pleasant. Without proper facilities, a hospital and the full cooperation of the board, it is impossible to stay."

In another meeting with the Hospital Board, Saturday, a contract was signed with Dr. Y Do, who has agreed to stay until the first of January, under specified conditions.

DPS Agents Gather Field Of Marijuana

by Dwayne Cox
Avantache-Journal Staff
AFTER almost a year of speculation and about a month of sporadic surveillance, Department of Public Safety narcotics agents Tuesday harvested a marijuana

field one mile south of Roaring Springs and arrested three suspects.

Agents said the one-acre patch, one-half mile west of U.S. 70, was located in a well concealed area cleared from a dense mesquite thicket.

DPS Sgt. Tom Sullivan said agents had known of the field's existence almost a year but had not been able to pinpoint the location until receiving a confidential tip about a month ago.

Charged with felony possession of marijuana in connection with the find were Harold Brantley, 54, of Roaring Springs, his daughter, Camille Rankin, 27, of Roaring Springs, and Darlene Jones, 25, of Denver, Colo. The three were released last Monday on bonds of \$1,000 each set by Justice of the Peace Roy Smith.

The arrests came about 6:15 p.m. Monday, when agents observed three persons allegedly tending to the marijuana field, Sullivan said.

Agents said marijuana plants, a number of them 7-8 feet tall, weighed about 700 pounds and had a value of about \$60,000.

Sullivan said the find was "one of the largest fields in West Texas," and Motley County deputy Clyde Clifton said the patch was the first he had seen in Motley County during more than six years service.

Access to the field, agents said, could be gained only by walking the half mile from U.S. 70 along a dry, unnamed creek bed. Other items confiscated at the location included curing paraphernalia, plastic bags and five mounds of marijuana plant drying in trees.

The agents termed the marijuana "high quality" and said old stalks found at the scene indicated a previous harvest had been completed.

Agents said the marijuana field location, hidden in the rough ranch terrain until Motley County deputies learned of its exact location, was capable of supporting an entire drug operation from cultivating to bagging.

"They had the whole process there," an agent said.

"They could dry it and strip it into bags," Cut trees found at the location, agents said, indicated the acre had been cleared about a year ago from the rugged countryside which camouflaged the blooming crop successfully until last month.

"You'd have to know it was there to find it," an agent said. Roaring Springs police also assisted the DPS and Motley County Sheriff's Department in the seizure and arrests.

MARIJUANA CONFISCATION - Department of Public Safety Sgt. Tom Sullivan examines one stalk among more than 700 pounds of marijuana plants harvested from a one-acre patch one mile south of Roaring Springs just off U.S. 70. Three persons were arrested in connection with the find and confiscation, which DPS narcotic agents termed "one of the largest in West Texas."

Russian Military Target Of Speech

MAJ. JOSEPH HICKOX

Speaking here Tuesday night before a banquet meeting of Matador Lions Club, their ladies and Motley County School faculty and spouses, Major Joseph E. Hickox of Reese Air Force Base, Lubbock, expressed deep distrust of Russians and the Soviet military.

"The real expertise concerns the Soviet military," Major Hickox declared in his opening remarks after an introduction by Lion Secretary Forrest Campbell.

"Their strategy, in staggering amounts, is for real, and includes missiles, airplanes and submarines, all of the very latest mechanism. They are also manufacturing new aircraft carriers and new battle tanks. In my opinion, Russia is our number one enemy."

Major Hickox speaks his views fearlessly. And he speaks from experience, drawing on his observations as Assistant Air Attache for two years at the U.S. Embassy in Moscow to contrast the dreary, restrict-

ed life of the average Soviet citizen with the freedoms enjoyed in the United States. Major Hickox is assigned to the 64th Flying Tr. Wing as the Chief of Standardization-Evaluation Division under the Deputy Commander for Operations. He was honored by the Lubbock Chapter of the Air Force Association as its "Officer of the Year" for 1975-76.

During 1975, Major Hickox made 62 public speaking appearances and to date this year, he has made 60 more public speaking appearances. In addition, he has appeared on several television specials.

Showing slides as he spoke, Major Hickox described living conditions in Russia, and told of constant surveillance by the Moscow police of all foreigners and of how he and his friends retaliated. All rooms in his apartment were "bugged," he said, and everywhere he and his family went, the police followed.

"There are those who have, and those who have not," he said in talking of the system. He declared that alcoholism is one of the more serious problems in the Soviet Union. "It is a dull, dull existence for the working classes, with no future to look to... it is so depressing you can't maintain a sense of reality and sanity for a year, without brief periods of respite." The Danes and British, particularly had to leave because of the pressures, he said.

Motley Lashes 'Horns'

by Gary Welling
The Motley County Matadors increased their season record to 5-0 with a 39-7 drilling of the Lazbuddie Longhorns, Friday night at Lazbuddie.

Halfback Jerry Lee got the Matadors on the scoreboard first as he went over from the seven, with the P.A.T. good by Mickey Hurt, the Matadors led 7-0.

The Matadors really racked up the points as they scored three touchdowns in the second period, with Craig Christian accounting for two of the scores, and also Lee scored again on a 65 yard run. The Matadors led 27-0 at halftime.

In the second half the Matadors added more points as Quarterback Harold Dempsey took the ball into paydirt twice scoring on runs of 1 and 5 yards.

Lazbuddie finally got on the scoreboard as Quarterback Steinbock threw a 10 yard pass to end Widdham for the Longhorns lone score.

Motley County using their much bigger offensive line ran over the Longhorns for 23 first downs and only 7 for Lazbuddie.

Although this was an important victory for Motley the real challenge comes Friday night when the Matadors who are still ranked number one on the South Plains, and number 10 in state, go against the area's number three and states number five ranked team, Sudan. This game should be the contest for zone and a big turnout is expected here at Burleson Field.

HOSPITAL PATIENTS

Mrs. Lois Smart is a patient in Richard's Memorial Hospital, Paducah.

Free Verse: Where politicians have been, promises are laid end to end. The end.

Matrimony has signals similar to a steam engine. A whistle may be followed by wedding bells.

Love is a delicate sachet containing an enchanting fragrance which prevents life from becoming obnoxious.

Our society encourages an insipid standard of success which measures a man by the amount of wealth he has been able to accumulate rather than the amount he has found ways to spend with wisdom. Certainly the most unhappy individuals are those whose natures force a worship of frugality as a god.

Tiny sparks flashing inside the engine of a mighty power shovel will cause it to literally move mountains, yet without them it is at once a massive and helpless piece of machinery. Sparks of enthusiasm have a parallel control over human destiny.

New Zealand Is Subject Of Program Given UMW

The United Methodist Women met Tuesday night, Sept. 28 in the church parlor, with Mrs. John Hamilton presenting a slide program on her tour of New Zealand islands in the South Pacific. The hymn, "O Master Let Me Walk With Thee," was led by Mrs. Hamilton with Mrs. Frank Pohl at the piano. While visiting in Alaska with her children, Mrs. Hamilton was informed of a tour to the New Zealand Islands, sponsored by the University of Alaska. Since there were some cancellations by some of the tourists scheduled to make the trip, Mrs. Hamilton was able to go.

BLESSING OF MARRIAGE HELD IN PLAINVIEW

Mrs. Henry Ford and Mrs. R.E. Donovan attended blessing of marriage ceremonies in Plainview, Sept. 23 for Carol Ann and David Poole. The recent bride is the daughter of Mr. and Mrs. F.F. Calhoun, former Matador residents. Mrs. Calhoun will be remembered as the former Lorene Fryar.

The ceremony was held at seven o'clock in the evening at the First Presbyterian Church.

BIRTHDAY DINNER HONORS MRS. JUDAH

A birthday dinner honoring Mrs. Nola Judah, Thursday, Sept. 30, was given by her sister, Mrs. E.W. Smallwood. Present were Mrs. Judah's daughters, Mrs. Sarge Faulkenberry of Grandview and Mrs. Ima Harten of Red Oak, who visited her from Tuesday until Saturday, also a granddaughter, Mrs. Carolyn Piper and daughters, Kristy and Kathy of Clovis, N.M., who visited from Wednesday until Saturday. A nephew, Alfred Irvin of Del Rio also visited the group, and local residents attending were Mr. and Mrs. Edgar Lee.

Mr. and Mrs. Boyd Perkins of Tulia visited here Sunday with their son and family. Mr. and Mrs. Jesse Perkins and baby son, Jeremy Dane. Douglas Pitts Jr., of Lovington, N.M. spent the week end here with his mother, Mrs. D.E. Pitts.

In her discussion, Mrs. Hamilton told of the location of these islands. The larger island, called the North Island, is the location of Auckland and Wellington, while the city of Dunedin is located on the South Island. Also here was located a large, old church building called Christ Church.

The people, before the white men came over, belonged to a brown race called the Maoris. Now the population is most entirely European, Mrs. Hamilton said. She showed slides of snow capped glacier mountains, hot geyser springs, many kinds of different buildings with interesting displays inside. She had a display of rocks and other items.

Others attending, in addition to those mentioned, were Mesdames Agnes Aaron, Mattie Brotherton, Henry Ford, Vance Gilbreath, Lloyd Hearn, C.T. Jinkins, Homer T. Jenkins, Chas. Keith, W.F. Jacobs, Nelson McMahan, Ethel Payne, Olive Russell, Curtis King, Miss Mary Slover, and two visitors, Mrs. Keith Patton and Mrs. Roy Smith.

NEW ARRIVAL

Mr. and Mrs. Jesse Perkins are announcing the arrival of a son, Jeremy Dane, who was born Wednesday, Sept. 29 in St. Mary's of the Plains Hospital in Lubbock. The mother is the former Caron Russell. Grandparents of the baby are Mr. and Mrs. Boyd Perkins of Tulia and Mr. and Mrs. J.M. (Sonny) Russell of Matador. There are three great-grandparents Mrs. G.B. McElroy of Crosbyton, Mrs. Olive Russell, Matador, and Mrs. J.D. Perkins, Amarillo.

VISIT PARENTS

Visiting their parents, Mr. and Mrs. E.W. Smallwood, Sunday were Mr. and Mrs. Clyde Smallwood and Shelly of Liberal, Kansas. Mr. and Mrs. Herbert Smallwood of Iowa Park and their son, Jon, student at Texas Tech, Lubbock, and Mr. and Mrs. Jesse Smallwood and granddaughter, Nissa, of Plainview.

Mrs. W.B. Wason is visiting in Brownwood with her sister-in-law, Mrs. Lucy Wason.

Guests included the honoree's mother, Mrs. Vernon Higginbotham of Whiteflat and her sister, Mrs. Tommy Palmer of Roaring Springs.

CONSERVE AND SAVE ON ELECTRIC COOKING

- ★ For best results, use flat bottom utensils with tight fitting covers. Utensils of medium or heavy weight aluminum conduct heat faster, transfer heat evenly and respond quickly to temperature changes.
- ★ Match the utensil to the size of the unit. Use 8 inch units for large utensils. Use 6 inch units for small to average sized pans.
- ★ Use high setting for a quick start for any surface cooking, or to boil water quickly. When cooking temperature is reached, switch to a lower setting.
- ★ Do not pre-heat the oven for roasting or broiling, but do pre-heat the oven to the temperature given in the recipe for baking.

Roaring Springs,

AN OPEN LETTER TO THE VOTERS OF THE 13th CONGRESSIONAL DISTRICT FROM CONGRESSMAN JACK HIGHTOWER

Two years ago I was elected to Congress by an overwhelming margin against an incumbent Congressman. During the 1974 campaign I refrained from any personal attacks on my opponent.

At that time I made it a point with my volunteers and my staff that they should treat anyone who opposed me with the utmost respect.

I thank all of my friends, supporters and staff for keeping the 1974 campaign on the highest level possible.

Responsiveness of government was a key issue. Our government does a poor job when it compounds our problems with red tape and burdensome regulations. Bureaucratic brush-offs of legitimate requests are very frustrating. I decided to organize my staff in such a way that people could deal at the local level with the bureaucratic maze of the federal agencies.

I promised two years ago that you would be able to call a number in the district and get an answer. When I took office I immediately established district offices in Amarillo, Vernon, and Wichita Falls—staffed by personnel who have been instructed personally to be responsive to the wishes and needs of my constituents. I am pleased that many people have told me they appreciate the work and attitude of my assistants. This is the only way I know to have a responsive Congressional office and I assure you I intend to try to improve this service constantly.

The Postal Service has been a bigger mess than ever since the Nixon Administration reorganized it. This is one reason I have chosen not to flood the mails with political propaganda such as newsletters. My alternative has been to communicate through the news media and to come home to the district at every opportunity for personal contact with constituents. All you ever heard about Washington having an artificial atmosphere is true. It has been my experience that the worst Congressmen are those who rarely come home. I am not going to let that happen to me. My policy is to talk with the people at home to see what they are thinking, and return to Washington and vote their philosophy and interests. I live in the district and commute to Washington.

As many of you know, I am being attacked, broadside, by my opponent in this 1976 campaign. His allegations and innuendos are based upon a misrepresentation of the record. I have voted in my two committees—Agriculture and Small Business—and on the floor in exactly the way I have reported to you and as I promised. My record is conservative by any measure. It is also independent of domination either by the Democratic leadership of the House or the Republican White House. I am neither an obstructionist nor a rubber stamp.

As this Congress adjourns, its overall record is mixed. This Congress has done some things it should not have done and left undone some things it should have done—such as enacting a "sunset" bill to cut down on federal bureaucracies or formulating an effective energy plan. We have been able to enact a bill to provide for prompt payment for the cattleman. We were able to pass a bill to provide for some relief on the estate tax problem which should benefit everyone who wants his or her property to remain in the family. These steps are not enough but they are movement in the right direction.

All of us feel sometimes that our views are not reflected properly in Washington. I would prefer a Congress that holds a tighter rein on spending, but I do not choose the other 434 members of the House. I work with them and try to influence them, but I cannot dictate their votes. I feel my job is to represent you—the people of the 13th District—and I pledge to do my best to represent you well.

Sincerely,

JACK HIGHTOWER

ADVERTISEMENT FOR BIDS
Matador Water District
Matador, Texas

Sealed bids for drilling and equipping of two water supply wells in Motley County, Texas will be received by Mr. F.H. Welling, President, Matador Water District, City Hall, Matador, Texas until 8:00 p.m. October 14, 1976 and then publicly opened and read aloud.

Information for Bidders, Form of Bid, Plans, Specifications, and Forms of Bid Bond, Performance and Payment Bond together with other contract documents may be examined at the offices of Biggs and Mathews, Inc., 2500 Brook, Wichita Falls, Texas 76301. Copies may be obtained at the offices of Biggs and Mathews, Inc. upon deposit of \$15.00 for each set.

The project requires drilling, setting well casing and screen, gravel packing and testing two water supply wells near Roaring Springs in Motley County, Texas to a depth of approximately 100 feet below ground surface. Bidders must submit with their bids a Cashier's or Certified Check in the amount of five (5) per cent of the maximum amount of bid payable to the Matador Water District or a Proposal Bond in the same amount from a reliable surety company, as a guarantee that Bidder will enter into a contract and execute bond and guarantee forms provided within ten (10) days after the notice of award of contract to him. Bids without check or proposal bond will not be considered.

The successful Bidder must furnish bond in the amount of 100 per cent of the contract price from an approved surety company holding permit from the State of Texas to act as surety and acceptable according to the latest list of companies holding certificates of authority from the Secretary of the Treasury of the United States, or other surety or sureties acceptable to the Owner.

National 4-H Week Held

The 174 4-H members in Motley County will be among 5.6 million across the United States and 120,000 in Texas celebrating National 4-H Week October 3-9.

A number of special activities are planned in relation to this national observance, which has as its theme, "4-H - Room To Grow."

Lamps made by Motley County 4-H members were judged Monday, Oct. 4, and members of the Motley County Junior Rifle Club fired for NRA medals, Monday and Tuesday. Others are currently selecting animals to feed, or selecting projects or activities they will work with during the current 4-H year.

Saenz Rites Held Monday

Requiem mass for Mrs. Maria Saenz, 63, of Roaring Springs was held at 11 a.m. Monday in Our Lady of Guadalupe Catholic Church, Matador, with Father Malcolm Neyland, pastor, officiating.

Burial was in Roaring Springs Cemetery under direction of Seigler Funeral Home.

Mrs. Saenz died at 10:30 p.m. Thursday, September 30 in Crosbyton Hospital after a lengthy illness.

She had been a resident of Roaring Springs for 21 years. Survivors include her husband, Andres; five sons, Vicente and Roman, both of Roaring Springs, Fidel and David, both of Clovis, N.M., and Steve of Germany; three daughters, Beatrice Munguia of Fresno, Calif.; Andrea Medrano of Alameda, Calif.; and Marcy Payen of Roaring Springs; two brothers, Mike Hernandez of Roaring Springs and Gilbert Hernandez of Aransas Pass; three sisters, Eustacia Morano and Vicenta Cortinas, both of Gregory and Julia Montes of Roaring Springs; 22 grandchildren and two great-grandchildren.

To Sing At Afton

Richard Campbell will present special music in revival services at the First Baptist Church, Afton, tonight (Thursday), according to an announcement last week by the pastor, Rev. O.L. Dewees.

productive contributing members of society. 4-H helps youth learn skills to cope with real-life situations today as well as to prepare for the years ahead."

Congratulations are extended to all 4-H members, their parents, volunteer leaders, supporters and businesses for making the 4-H program what it is today - a dynamic, action-oriented program for action-oriented youth.

Projects have expanded from feeding of calves, hogs and rabbits; cooking, sewing and growing of crops and gardens to photography, electric, dog care, rocketry and presentation of demonstrations of many subjects, with other areas still open to members if the needs arise.

The winning lamp entries will be on display at West Texas Utilities Co., all this week, Agent Pallmeyer announced.

The annual 4-H Awards Banquet is scheduled for Monday night, October 18, it was further announced. Speaker will be Jimmy Irwin of Lubbock, a former Motley County 4-H member.

She is a granddaughter of Mrs. A.J. Townsend of San Antonio, also a former Matador resident.

From Austin, Mrs. Echols flew to Houston for her visit with the Porters.

CARD OF THANKS
We would like to express special thanks to all our friends and neighbors who contributed in any way to our welfare at the passing of our loved one. We would like to thank each of you who remembered us with cards, letters, flowers, and visits; for food provided and for your prayers.

We pray that you will be blessed in a special way for your many thoughtful deeds. Mrs. Lillie Rose and Family

TO PATIENTS OF MOTLEY GENERAL CLINIC

I will no longer be able to continue as your physician. I have terminated my practice in Matador as of October 2, 1976. I have arranged with my partner, Dr. Y Hoang Do, who is willing to continue your care. Your medical records have been left with him.

I regret having to leave Matador. I extend to you my best wishes for your future health and happiness.

Sincerely,
Thuy Danh Do, M.D. (1)

IN APPRECIATION
I wish to take this means of thanking the Green Thumb workers for the repairs which they did on our house in Roaring Springs.

RUSSIAN MILITARY

Major Hickox emphasizes the need to maintain American military superiority in order to preserve American freedom and security, as he describes the Soviet military buildup with particular emphasis on the threat that it poses.

In a question and answer session following his talk, Major Hickox told many interesting facts concerning living conditions in Russia. Only 6 per cent of the people belong to the Communist Party, he said, although the people are all taught that it is superior to a capitalistic form of government.

Boss Lion Larry Hoyle presided at the meeting held in the school cafeteria, and led the group in applauding Mrs. Randy Hicks and the Homemaking girls for the excellent meal. Lion Charles Johnson, who is also School Superintendent introduced faculty members and their wives or husbands, and Lion Bob Stanley introduced several other guests present, including new Baptist pastor
