UPCOMING EVENTS

September 1: SPIRIT RALLY, 7:30 p.m., Burleson Field.

HOME COMING - September 9 & 10.

September 13: PTO Meeting, 7:30 p.m., School Cafeteria.

Roaring Springs Ex-Students To Meet

There will be a meeting of Ex-Students of Roaring Springs, Tuesday, September 6 at 7:00 p.m. at the Depot.

All interested people are invited. Plans will be made for a reunion to be held in June of 1995.

Barbara's Bylines

I must say this was one of my most memorable Old Settlers.

Meeting Mrs. Thomas Colley who remembered the forming of the first Old Settlers planning with her mother and my grandmother, Dasie Blair Bird and several others.

This year I got to see the first Annual Matador Cowboy Reunion and all the excitement it created as 55 + former cowhands, cooks, etc. shared many stories of remember when.

One of the things I was so amazed about (and actually I should have known) was the horses were as remembered as the hands were. I heard, "That was ole Dishrag, remember it was in the herd with Panther, now that was a good horse." Could be the cowboys spent more hours with the horses than their wives and families.

The young people today complain if they have to work one extra hour over 8, and these guys got up before daylight and rode horses most of the day until dark or after, 7 days a week!

Big Crowd Attends 71st Annual Old Settlers Reunion

The 71st Annual Old Settlers Reunion was held last weekend in Roaring Springs with a big crowd of people coming for the celebration.

Excitement grew as the parade headed from downtown Roaring Springs to the Old Settlers grounds. Ed Leary of K-96 Radio of Childress, announced the parade to those who were waiting by the Pavilion, or not able to attend.

A long parade including the Motley County and Patton Springs Cheerleaders and football players added the color as did the floats, cars, bicycles, etc.

T. Jennings of Motley County carried the Texas flag and Robert Collier of Dickens carried the US flag, leading the parade, with Wayne Smith of Dickens leading the riderless horse in honor of the past pioneers.

Parade winners were: Best Horse Drawn Carriage, Pitchfork Ranch Wagon; Best Bicycle or Mini Car, Justin Jameson;

Best Antique Car, Mr. and Mrs. W.R. Daniel in their 1930 Model A; Best Float was sponsored by Porter Oil and Pure Country; Cowboy and Cowgirl awards went to Wallace Conaway and Donna Kennedy, Old Time; Paris Stanley and Tommy Gleghorn, Modern Day; Linda Cooper and Joel Reiger, Junior; Outstanding parade entry, float by Dickens County Courthouse Crew.

MEMORIAL SERVICE

The Memorial Service was opened by Motley County Judge, Laverna Price and Dickens County Judge, Woody McArthur as emcees.

Mike Crowley, Pastor of Matador and Roaring Springs Church of Christ, gave the invocation before the memorial lists were read by Kendra Clark of Dickens County, and Chelsea Read of Motley County.

Awards were given to those present to Oldest Women in Dickens County, Flora

Rich, 91, and Motley County, Viola Keith, 85; Oldest man, Dickens County, Ben Overstreet, 92; Motley County, Charlie Keith, 90; person having lived the longest in Dickens County, Flora Rich, 91 years and Motley County, Charlie Keith, 88 years; person traveling the furthest, J.L. Hardin of Gulfport, Mississippi.

Also recognized was Mrs. Ola Mae Thomas Colley of Shallowater. Her mother helped organize the first Old Settlers Reunion and Mrs. Thomas has only missed ten reunions.

Artist Larry Bridges, of Lubbock, presented his new painting of the Old Dickens County Courthouse to Judge Woody McArthur and Commissioner Don Edwards, to be in the Dickens County Courthouse. In return Coy Overstreet presented Larry Bridges with a commemorative Bicentennial Coin.

Mike Crowley gave the benediction.

Matador Cowboys Meet For First Annual Reunion

MEET FOR REUNION — Cowboys that once worked for the Matador Ranch gathered for their 1st Annual Cowboy Reunion, August 27, in Roaring Springs during the 71st Annual Old Settlers Reunion.

A new addition to the Old Settlers events this year was the First Annual Matador Cowboy Reunion held on Saturday, August 27 under the Chuckwagon fly near the Dutchman Creek Bridge.

Approximately 90 people began to gather before noon, anxious to see old friends and talk over days on the range for the Matadors.

That reminds me of the time....." were the words beginning many stories as the fifty-five cowboys registered and waited for the dinner bell.

Ed D. Smith and Robert Thornton, former wagon cook for the Matadors, cooked up a delicious meal of hearty stew, seasoned red beans, sourdough biscuits, and fruit cobbler, served with sliced onion, hot peppers, and sliced tomatoes.

All the cooking was done in cast iron pots and dutch ovens on the ground, like it was done in the earlier days. In the 1940's Red Payne brought in a wood cook stove to use, like they used in Montana.

Following the delicious meal, Jerry Green and Ed D. Smith emceed a brief meeting. A welcome was given by Colquitt Warren, a former Matador cowboy.

The earliest employee attending was Jim Koonsman. Traveling the longest distance was Wrang Bilberry of Rodeo, N.M.. These men were presented with Moore Maker, Inc. pocket knives. The earliest employee knife was donated by Wayland and Glynard Moore. A third knife was given as a door prize with Tom Smauley's name drawn from the bucket.

Officers were elected by acclamation for the 1994-95 year, Ed D. Smith, President; Banty Brandon, Vice-President; Jerry Green, Secretary/Treasurer; Johnny Stevens, Keith Slover and Richard Bumpus, Board of Directors.

Former and current employees attending were: Wrang Bilberry, W.K. "Rusty" Birchfield, Lewis "Stick" Bostick, Banty Brandon, Garland and Beverly Brantley, Ray Bumpus, Richard L. Bumpus, Jim Burrows, Benny Butler, Delbert Byrd, Joe and Loys Campbell, Rob Collier, J.B. Cooper, Tommy Cooper, W.J. Copeland, Pick Cox, Marvin "Pockets" Crawford, Johnny Davenport, Rosie Deaton, Alvin Durham, Slim Durham, J.R. Edwards, J. Don Finch, George "Sister" Fulgham, Jerry Green, Luther B. Green, Bill Hand, Bill Hemphill, Casey Jones, David Keith, Ellis Key, Jim Koonsman, Bruce McFall, Marion Martin, James J. Meador, Albert Ozborn, Curtis Ozborn, Jodi Rickel, Jordan Rogers, Clyde Shepherd, Red Shepherd, Keith Slover, Margie Smauley, Tom Smauley, Mrs. Ed D. Smith, Ed D. Smith, Earl Stermer, Johnny Stevens, Steve Stevens, Robert L. Thornton, Audrey Timmons, Colquitt Warren, Melvin "Wild Horse" Warren, Spike West, and Q.D. Williams.

PARADE WINNERS — Pitchfork Ranch Wagon (back), Best Horse Drawn Wagon; (front l-r) W.R. Daniel, Antique Car; Justin Jameson and Skylar Clifton, Mini Car; Johnny Turner, Miranda Funk, C.C. "Preacher" Brooks, Mickey Brooks, and Penny Bearden, Best Float.

BEST COWBOYS AND COWGIRLS — Pictured left to right, Donna Kennedy, Linda Cooper, Joel Reiger, Tommy Gleghorn, Paris Stanley and Wallace Conway; (front) The Dickens County Courthouse Crew, Outstanding Parade Entry.

PIONEER AWARDS — Pictured left to right, Ben Overstreet, Oldest Man Dickens County; Flora Rich, Oldest Woman Dickens County, and lived the longest in Dickens County; Viola Keith, Oldest Woman in Motley County; Charlie Keith, Oldest Man, and lived the longest in Motley County.

NEW OIL WELL — A new oil well in Motley County was completed and pump set on August 6. It is now pumping 160 barrels of oil a day and 20 barrels of water. The well is on Matador Land & Cattle Company land in the Salt Creek area, 23 miles east of Matador, operated by PLO, Inc. of Amarillo.

IS OSTEOPOROSIS IN YOUR FUTURE

Many women and men will undoubtedly wish some day that they would have built more dense or stronger bones while they could. Osteoporosis is said to be a disease of childhood that appears when you are older.

Osteoporosis is such thinning and weakening of the bones that they may later look like Swiss cheese. It makes bone fractures much more likely to occur in later life. Often the first sign of it is the pain that comes with a collapsed vertebrae (for no apparent reason), or a broken wrist or hip. Many people become "shorter" with the stopping when the vertebrae are affected. Osteoporosis often becomes more noticeable in women by about age 65 and in men about 10 years later.

From pre-adolescence through late adolescence or between the ages of 8 to 16, is when most bone density is formed. According to the Food Guide Pyramid, teens and young adults need the equivalent of three cups of milk a day up through the age of 24. They can continue building bone density only until age 30 to 35. After that time, people need to continue to have enough calcium to keep them strong.

Many women begin to lose too much calcium following menopause, but eating enough calcium, having enough vitamin D and exercise are essential for women of all ages, even after menopause. It is very important to have some vitamin D from food (fluid milk is the best source -- it is not added to cheese or yogurt) or supplemental pills, or some exposure to sun but not so much as to cause skin cancer. Other major factors that increase bone loss are:

— Too much phosphorus in foods/beverages like colas, etc. not balanced with enough calcium.

— Excessive salt and caffeine

According to the Hispanic Health and

Nutrition Examination Survey (HHANES) and the second National and Nutrition Examination Survey (NHANES-II), many more people may be at risk of having osteoporosis in their future. The survey did not inquire if people were taking any non-food sources of calcium such as supplements.

These surveys, (Looker, Loria, Carroll, McDowell and Johnson, 1993) revealed that Hispanic men tend to consume less calcium than non-Hispanic white men, and that Hispanic women consume amounts similar to non-Hispanic white women. Non-Hispanic blacks had the lowest calcium intakes of the population groups for both sexes.

There are about 300 milligrams (mg) of calcium in a cup of milk. The Recommended Dietary Allowance for adult men and women is 1200 mg calcium. If most adults will eat a wide variety of foods according to the Food Guide Pyramid, two servings or cups of milk a day should meet their needs. However, based on the NHANES II and HHANES studies, both men and women appeared to decrease their calcium intake with age (11-17 to 55-74 year age ranges reported) as follows:

— White females, 842 to 564 mg of calcium; White males, 1332 to 785 mg.

— Non-Hispanic black females, 700 to 460 mg; non-Hispanic black males, 887 to 628 mg.

— Mexican-Americans females, 853 to 582 mg; Mexican-American males, 985 to 743 mg.

Educational programs of the Texas Agricultural Extension Service are open to all citizens without regard to race, color, sex, disability, religion, age, or national origin.

A LONG WAY FROM HOME — Three young men from Budapest, Hungary visited the Tribune last week. They had flown to Washington, D.C. and driven to California and are now touring states on their way to Florida before going back to Washington, D.C. to fly home. They have a friend in a chess club called "Matador", and were very surprised when they came upon our town of Matador.

Roaring Springs Community Volunteers Announce Bingo Winners

by Lee Peacock

The Roaring Springs Community Volunteers would like to take this opportunity to thank each and every one who participated in the Cow Patty Bingo and those who purchased Cookbooks. The proceeds from these activities will be used to help build the Community Center.

Those who won the Cow Patty Bingo were W.R. Daniell, Floydada; R.W. McClure of Mt. Blanco Canyon, Crosbyton; Billie Dean Smith of Matador; and Billie Clifton of Roaring Springs. Thanks go to Billie Clifton for donating her winnings back to the Community

Volunteers.

Plans are being made to put in Camper hookups on the Volunteer property.

A "Historical Quilt" is being made to be given away during the School Homecoming June 17, 1995, the date set for the School Homecoming at the last Homecoming in June, 1991. Tickets will be available from any member of the Community Volunteers for \$1.00 each. Scenes on the quilt will include the School Buildings, past and present; Churches, past and present; Train, Train Depot; Old Settlers Pavilion; and various other scenes around and in Roaring Springs. Money from this quilt will also go to the building of the Community Center.

Matadors Complete Pre-Season With Two Shut-Out Wins

The Motley County Matadors completed the pre-season last Friday night by controlling the Seymour Panthers in the final scrimmage for both teams. The Matadors scored 4 times while holding the Panthers scoreless. The Matadors had also shut-out Crosbyton, the week before, not allowing any touchdowns for the Chiefs.

Motley County proved that they could score from long distance as well as on sustained drives. The first score came after a 70 yard drive as Brandon Blanch scored from a yard out. The Matadors struck again quickly as Brad Thacker hit Conway Clary on a 60 yard touchdown pass. On the next series of downs, Thacker hit Kevin Keltz with a short pass

over the middle that Keltz carried the distance to complete a 68 yard touchdown. Jarrod Brooks led the Matadors on their final touchdown drive with Blanch running it in from 38 yards out.

The offensive line, led by Seniors Don Martin, Chad Graves, Jeremy Jones, and Crawford Mason wore down the Panther defense giving the running backs room to operate. The entire Matador defense stopped the Panthers every time they tried to mount a drive.

Motley County opens the season for real this Friday night at Shamrock. Game time is 8:00 p.m. Take a carload and cheer on the Matadors.

The Matador Junior Varsity was just as impressive against the Panther J.V.

scoring twice and holding the Panthers scoreless. On the Matador's first offensive play, Ryan Martin took a handoff from quarterback Tyler Decker, stepped through a hole opened up by the right side of the line, and sprinted 70 yards to paydirt. Aaron Green also scored from long distance going 56 yards over the left side for the second touchdown.

Talon Cruse and Will Duarte had big hits on Panther ball carriers as the entire defense bottled up the Seymour offense. The only serious scoring threat was choked out as Cobey Turner intercepted a pass intended for a Panther receiver deep in Matador territory.

The Junior Varsity opens its season at home Thursday evening at 6:00 against the Valley Patriots.

LaArena Staff Members Attend Summer Workshop

Three students of Motley County ISD yearbook staff, Lesa Prather, Mark Lancaster, and DaVona Atkinson, along with Renee Atkinson, ventured out July 25-27 to attend the Jostens Yearbook Workshop on the campus of WTAMU, Canyon.

Mark and Lesa attended the computer session of the workshop. Using page-maker 4.0, they learned how to use the program to set up, arrange pages and make new page styles. They also learned how to include artwork on the pages.

DaVona and Mrs. Atkinson for the second year in a row, attended the photography sessions. In this session they learned the developing process of black and white film, composition of pictures,

photo essays and environmental portraits.

All students also attended the general yearbook sessions where they learned about yearbook layout, sales, and promoting the yearbook and presenting the best yearbook possible to their school.

The 1994-95 LaArena Staff consists of Lesa Prather, Mandie Carson, Heather Turner, DaVona Atkinson, Lindsey Williams, Mark Lancaster, Wendy Lancaster, Jeremy Smith, Veronica Gonzalez, Amanda Latham, and Mandi Farley. The sponsor is Denise Gastineau. They look forward to a good year.

If you did not buy a 1993-94 yearbook, and would like to buy one, the price is \$25 and please contact Mrs. Gastineau to get one.

time. Will be thinking of you all.

Love,
Ruby Bostick Anders
LaPlace, La.

Dear Hazel:

We are enclosing our donation for the Motley County "Exes" Homecoming in September. Your brochure is so well done and we appreciate whoever had a part in it.

We noted that Paul's 1934 class and my 1939 class is scheduled for a reunion, and we so regret we cannot be there to enjoy it.

Paul is very active in his law practice still, and we both do lots of counseling with hurting hearts. He leads a Bible study in our home each week with ages from the 20's to 70's married and we all get blessed and look forward to every week. He also teaches a Sunday School class for ages 60-80, but we have about 20 in their 30's and 40's who come in to listen anyway, but we are glad to have them. We had 78 present last Sunday. We are about to run out of room, but we are all loving what we are hearing, also. I am his teammate and his detail girl so I can keep pressures off him in that his ministry might be the most effective. Right now I am preparing for the wedding of a close friend's daughter to be held in our backyard. When they requested it, I thought, "Oh, My!" But its been good to motivate me to do some things I have put off due to peoples needs coming first. We are busy, but happy, and Paul is so very enthusiastic and lots of fun to live with. We praise God for these 53 years He has blessed us with.

You will always be special in our hearts, Hazel, and we always admired you and your abilities to much, though you were busy with a fulfilled life, and never realized we were watching and admiring you, but we were. Thank you for all you mean to so many people.

We send our love,
Doris and Paul Fulfer

We would love to be there for the Homecoming this year - but we are going to be in Matador August 25-27 so we can't make it back in September. Maybe we can come next year.

Enclosed are our dues for the year.

Mr. and Mrs. Melvin Cooper
Milan, N.M.

Dear Hazel,

The program for Homecoming looks like everyone will have a good time. Wish I could be there. I like the red folder.

Best wishes,
Katie Eubank Gustafson

Olivia,

I vote to have Homecoming around mid-October. As far as I'm concerned, the first full weekend in September is entirely too early.

Just thought I'd cast my vote.

Best wishes,
Jill Scaff Taylor
Fort Stockton, TX

Olivia,

I'm sorry that I won't be able to come this year. I enjoy the reunions when I can get out that way.

The folder as "program" is nice. Wish we would have had one like that last year. Hope you keep using it. Have a good

Dear Olivia,

It hurts me to report that Bebe will not be attending the Homecoming this year. Bebe has been in a nursing home almost a year.

Dear Friends and Family of Gene and Brunie Harbour:

On August 28, 1994, Gene and Brunie Harbour celebrated their 65th Wedding Anniversary! They celebrated this momentous event in Dallas, Texas, where they have lived for the past 12 months.

As most of you know, The Harbours lived in Central Texas for 38 years, spending approximately 35 years in Rogers and approximately 3 years at the Temple Meridian Retirement Community. We moved them to Dallas last August, and they live at the C.C. Young Memorial Campus. Gene lives in an independent living unit and Brunie in the nursing home.

Both Gene and Brunie's health is excellent, taking into consideration Gene will be 89 and Brunie will be 93 in October. Gene makes a short walk each afternoon to spend 2-3 hours with Brunie, then returns to her unit in time for dinner with her friends in E-Building (no more cooking for Gene since moving to Dallas).

The Harbours have adjusted well to their new home in Dallas, but still miss their many friends of almost 40 years in Bell County. Bruce, Larry, Brian and their families, all live in the Dallas area and love having their Mom and Dad close by, less than 20 minutes away. Perry and his wife still live in New York City and come to Dallas when their busy schedules permit. Gene and Brunie have been blessed with eight (8) grandchildren, all in the Dallas area, with ages ranging from 27 to 10 years of age.

The Lord has truly blessed Gene and Brunie by giving them each other, and by giving each of them long and fruitful lives. The Harbours would love hearing from you, if you have a chance to drop them a note, to help them stay in touch with their many friends and family across Texas.

Their address is as follows:
Mr. and Mrs. B.F. Harbour
4829 West Lawther #E22
Dallas, Texas 75214

The Harbour family greatly appreciates all the love and support each of you have given Gene and Brunie throughout the years! Thank you for your continued thoughts and prayers.

The loving family of
Gene & Brunie Harbour

No Need To Fear Change

No, not all change is bad. The Bible tells us in Second Corinthians 3:18, "And we, who with unveiled faces all reflect the Lord's glory, are being transformed into His likeness with ever increasing glory..."

Change is good, change is necessary. There are many who fear change. And sure, radical shifts are to be avoided. But there is the need for change in our lives in order to insure growth and success as we mature in Christ. We define success here in our context as growing in our faith and understanding of God's will for our lives. In order for this to come about we must all, each and everyone of us, have a fundamental conversion and a re-tooling of our core beliefs and priorities.

So, what type of change is needed? Which part of our lives are to be altered? But most importantly, what are we being changed into? In order to reflect the Lord's glory we must be completely re-created in Christ Jesus. This is the change that we must be primarily concerned with today.

Notice of Public Hearing on Tax Increase

The Motley County I.S.D. will hold a public hearing on a proposal to increase total tax revenues from properties on the tax roll in 1993 by 6.39 percent. Your individual taxes may increase at a greater or lesser rate, or even decrease, depending on the change in the taxable value of your property in relation to the change in taxable value of all other property.

The public hearing will be held on Sept. 7, '94; 7:30 PM at Motley Co. I.S.D. Board Room
FOR the proposal: Vann Francis, Gale Stafford, Bill Luckett, Jeff Thacker,
Billy Wayne Denison, Steve Burns
AGAINST the proposal: None
PRESENT and not voting: None
ABSENT: Randy Barton

The statement above shows the percentage increase the proposed rate represents over the effective tax rate that the unit published on July 28, 1994. The following table compares taxes on an average home in this taxing unit last year to taxes proposed on the average home this year. Again, your individual taxes may be higher or lower, depending on the taxable value of your property.

	Last Year	This Year
Average home value	\$ 14,000.00	\$ 14,000.00
General exemptions available (amount available on the average home, not including senior citizen's or disabled person's exemptions)	\$ 5,000.00	\$ 5,000.00
Average taxable value	\$ 9,000.00	\$ 9,000.00
Tax rate	1.08 /\$100	1.149 /\$100 (proposed)
Tax	\$ 97.20	\$ 103.41 (proposed)

Under this proposal taxes on the average home would increase by \$ 6.21 or 6.39 percent compared with last year's taxes. Comparing tax rates without adjusting for changes in property value, the tax rate would increase by \$.069 per \$100 of taxable value or 6.39 percent compared to last year's tax rate. These tax rate figures are not adjusted for changes in the taxable value of property.

Consider Wildlife Options When CRP Contracts Expire

by Phillip R. Sharp
Range Conservationist

The first Conservation Reserve Program (CRP) contracts signed by Motley County landowners will begin expiring in 1995. Now is the time to start making plans for the use of those acres.

Congress established CRP in the 1985 Farm Bill to take marginal cropland out of production and most often, plant it to grass. Texas landowners traded 4 million acres of cropland production for 10 years of annual rental payments. Eighty percent of those acres is in a 55-county area in the southern high plains and panhandle area.

Resource Conservationist, Charles Coffman, of the Soil Conservation Service, Lubbock, said landowners shouldn't overlook the wildlife options available to them on CRP acres.

"We have developed a management note that outlines options to consider when planning the future of CRP acres," Coffman said. "Wildlife habitat options are important whether you plan to leave the acres in grass or return them to crop production."

The management note is targeted for the high plains and panhandle area and describes four basic options:

1. Managing the total grass acreage for wildlife habitat.
2. Managing the grass acreage for grazing livestock and wildlife habitat.
3. Returning part of the acreage to crop production and managing the remaining grass for wildlife habitat.
4. Returning the total acreage to crop production and managing for wildlife

habitat.

The management note is another in a series of management notes developed by Texas Tech University. The Soil Conservation Service, Texas Parks and Wildlife, and the Texas Extension Service also assisted in developing the note. Additional financial support was provided by the High Plains Chapter of Quail Unlimited and Pheasants Forever.

CRP contract holders can get a management note from the Soil Conservation Service, Texas Parks and Wildlife, Texas Extension Service, and Texas Tech University.

"Income from wildlife is untapped in this area," Coffman said. "Many land holders don't charge a lease fee for hunting on their property. There is a potential for this because of the increased numbers of wildlife on CRP acres."
