ATTENTION LADIES!

On about October 26th, the corset department of our store will hold a special demonstration on Type Corsets. Miss Redwood, of the H. W. Gossard Co., Chicago, will give an interesting talk on the analysis of women into the nine ideal figure types. She will gladly classify your figure and select the proper corset for you.

A new booklet entitled "You" which every well-dressed woman will appreciate, will be given to those attending.

The demonstration is free. You are under no obligation to buy. We want you to have the benefit of Miss Redwood's ability to solve your corset problem. Don't forget the date.
