We wish to extend to our customers and patrons the compliments of the season, and assure them that they will receive the same personal courteous treatment at our hand the coming year that they have received in the past.

We, the managers of The Moltes County News, wish to extend our best wishes for a Merry Christmas and happy New Year. May the blessings of the season be with all of you. We wish you all a happy, prosperous and healthy New Year.

Sincerely,
The Editors of The Moltes County News.

A Poor Roof Causes Fire
When you erect your house never let the roof be in any way
light and fireproof. If possible, have it fireproofed. In the
same way, build your barns, and never forget that you
should never allow a fire to spread and continue in the
same manner as a fire is now burning.

For a good hot fire use COOPER'S COAL. We handle the
best.
