Mother-Daughter Banquet Sets New Attendance Record

Taking Inventory Is Subject Theme Of Banquet Speech

"Do you have the ability to get along with people?" Miss Lida Cooper of College Station, District Home Demonstration Agent, asked of her audience Tuesday evening when she spoke at the third annual Mother-Daughter banquet sponsored by the Matador Child Welfare Association, which was held in the basement of the Baptist Church.

Addressing an assembly of around 290 mothers, daughters and guests, Miss Cooper used as a subject, "Taking Inventory of Our Lives" and outlined eight ways in which this could be done. "In your association with others, are you critical, nagging and fault-finding, or are you agreeable and tolerant of their short-comings?" she continued, as she pointed out other steps in self-analysis. "How is your health?—Are you well groomed?—Do you share in the work and responsibility of the family? List your assets and liabilities and balance them one against the other; which is the greater? If you would be successful business women and home makers, I would say do not neglect to take frequent inventory of your lives."

Miss Cooper's address was part of a highly enjoyable program which followed a delicious banquet dinner consisting of baked ham, pickles, candied yams, combination salad, rolls, ice cream, cookies, coffee and cocoa. Colorful Easter decorations and table favors were used which included crepe paper streamers down the length of the tables, tied to baskets of bright colored Easter eggs; green candles in contrasting holders; and tiny candy rabbits and other Easter figures as plate favors.

Miss Billie Lawrence was the Entertaining Program.

Final Rites Are Held For Flomot Woman

Funeral services were conducted Thursday from the First Baptist Church, Flomot, for Mrs. Robert I. Thomas of that place, who succumbed Wednesday at 12:40 p. m. following a lingering illness of several months duration.

Rev. J. E. Eldridge, pastor of the church, officiated at the services and interment was made in the Flomot cemetery. Pall bearers were: Tom Bynum, Lem Brock, Walter Marler, Harvey Webb, Frank Garrett and Barney Martin. Lou Ella Scott was born in Hill county Texas, November 27, 1900 and died March 6, 1940 at the age of 39 years, 3 months and 8 days. She came with her parents to Motley county in 1908, and the family settled in the Flomot community where they have lived continuously since. She was married to Robert I. Thomas on February 16, 1919 and to this union were born four children, three sons and a daughter, all of whom survive.

Mrs. Thomas had been a member of the Baptist church since 1920 and had been a faithful worker. She was a good neighbor and a devoted wife and mother.

Besides her husband, Mrs. Thomas is survived by her children, Robert I. Jr., William A. and Joe Thomas, and Mrs. Glea Maseley; her father, W. H. Scott, two brothers, Ralph and Roy Bynum, and a sister, Mrs. Floyd Bynum, all of Flomot.

TO VISIT MRS. BURLESON
Mr. J. C. (Doc) Burleson, who is attending the Fat Stock Show in Fort Worth this week, will go from there to Eureka Springs, Arkansas, to visit Mrs. Burleson, who is in the hospital there for treatments.

Interest Is High In 4-H Stock Show

Much interest is being shown in the 4-H Boys fat stock show to be held here Saturday, March 30, according to J. Rufus Emmons, county agent. Last week the finance committee secured \$160 in donations for the award fund within two hours of soliciting, which exceeded the original amount set as a goal.

In addition to the awards listed last week, each 4-H Club boy entering an animal will receive one silver dollar. The calves which will be shown are from the herds of the following Motley county ranchers: Elbert Reeves, U. L. Willie, J. C. Burleson, Matador Land and Cattle Company, Bob Martin and Curtis Martin, Sr.

Boys who have disposed of their projects will have a chance at the prize money by competing in the record-book contest. Junior and senior calves will be judged for the show's grand championship.

Hatchery Here Starts Season

The spring hatching season has been started by the Matador Hatchery, and the first delivery of chicks will be ready on Friday, March 22, according to Lewis Newman, manager.

Chicks will be ready for delivery each Friday following, until sometime in May. Mr. Newman declared. The big incubator is operating only at about one third capacity for the March 22 hatch, but will carry two-thirds its capacity on March 29 and full capacity thereafter. The full capacity is 4,000 chicks.

Mr. Newman said the season had been delayed to some extent by the heavy snows and cold weather earlier in the year, but much interest is being shown in poultry and that he expects a very favorable year. He estimated that his plant delivered between 30,000 and 40,000 chicks during the corresponding season last year.

Registration Of Cars Slow

Motley county motor vehicle owners are reluctant in the purchase of 1940 registration tags according to Miss Rachel Patton, deputy in the office of Sheriff, Tax Assessor and Collector L. A. Carlisle.

Yesterday only 87 passenger car license tags had been purchased although somewhere in the neighborhood of 1,000 owners must make their purchases before midnight, April 1. Miss Patton said 20 farm trucks and 6 commercial trucks had been registered.

More Premiums For Plains Stock Show

LUBBOCK—Premium lists and entry blanks have already been mailed to over 117 county agents and vocational teachers in 39 counties in West Texas and Eastern New Mexico for the tenth annual South Plains Junior Fat Stock Show. Premiums amount to approximately \$500 this year, which is an increase over the 1939 list.

The South Plains Junior Fat Stock Show has paid to exhibitors during the past ten years in excess of \$110,000 for premiums and purchases. This money has been distributed to 4-H club and FFA students over 36 counties in West Texas and three counties in Eastern New Mexico. Last year approximately \$17,000 was paid out by the Show to exhibitors, and officials believe this year's amount will be even more than that.

Future Game Refuge Seen For County

Game Manager Has Principal Address At Wildlife Meet

Plentiful deer, antelope, quail and prairie chicken over Motley county's vast ranches and farms were pictured in the interesting address by Regional Game Manager F. S. Henika at the annual meeting of the Motley County Game Management Association held in the Matador high school auditorium Monday evening.

Mr. Henika cited the fact that this section had once abounded in deer and antelope and that ample protection remained for restoration if they were again established and given the same care as game birds by the county's wildlife association. He pointed to the value such a movement would have in making it possible for sportsmen to hunt deer at home without the need of going to south Texas or another state each season.

Also the meeting was not as well attended as on some former occasions, much interest was shown by both landowners and sportsmen. The two motion pictures, "Southwest Texas Game and Animal Life" and "Once Upon a Time", included on the program, also proved of much interest. Phil Goodrum, director of wildlife restoration, was not able to attend.

Elbert Reeves, secretary of the Motley County Game Management Association, made his annual report which was approved by the organization.

CHURCHES WILL HOLD MORNING EASTER SERVICE

Although all churches of the town will join in a union Easter service for the evening hour on Easter, it has been announced that each congregation will hold morning services at the usual hour at the respective churches.

The Matador Choral Club, as previously announced, will be in charge of the evening service to be held in the Baptist church. The program will consist of an Easter Cantata, rehearsal of which has been in progress for several weeks.

Special music and sermons in keeping with the occasion, will be used for the morning worship, it was stated.

COLD SNAPS BUDS

A cold snap which struck this section Tuesday afternoon dropped the mercury from springtime warmth to below the freezing point within a few hours. Much ice was in evidence yesterday morning and many apricot and other fruit trees which were in full bloom, were blighted. The cold snap followed a heavy sandstorm. Snow or rain had been forecast but failed to materialize.

Childress Editor Is Visitor Here

Kenneth Fink, editor of the Childress County News, accompanied by Mrs. Fink and their small son, K. Mac, were week-end visitors here in the home of her sister and family, Mr. and Mrs. Bryan Cammack.

Mr. and Mrs. Harry Willett made a business trip to Lubbock Friday.

Many Attend Fort Worth Exposition

A large delegation from Matador and other communities in the county, are in Fort Worth this week attending the Fat Stock Show and Exposition, and also the convention of the Texas and Southwestern Cattle Raisers Association, which is being held at this time.

Among those attending the Fort Worth celebration are Mr. and Mrs. Bob Echols, M. S. Patton, Harry Campbell, Doc Burleson, C. M. and France Barton, J. E. Russell, accompanied by Mr. and Mrs. J. W. Drace, and Mr. and Mrs. Jack Bradshaw of Crosbyton.

Also Messrs. W. T. Patton Sr., and Jess Perkins; Eugene Perkins and son, A. J., Dick Groves and Mr. and Mrs. C. D. Bird.

Texas Lions Plan Journey To Mexico

"South of the Border, Down Mexico Way", the Texas Lions, their families and friends are singing as they prepare for their annual pilgrimage on a sight-seeing, good-will mission to the Lions of Mexico, April 4-15.

This annual affair, sponsored by the Fort Worth Lions and endorsed by the five District Governors of Texas, is looming this year as one of the largest and most enthusiastic of the three such events in as many years. General Chairman Julien C. Hyer of Ft. Worth, Past International President and in charge of the former trips announces that the Committee's Secretary Russell Fox has just returned from a visit to the Southern Republic where he completed hotel, entertainment and amusement details, which included banquets with the Lions of several of the Mexican clubs, an overnight stay at Taxco, a visit to the American embassy and a grand ball to be tendered the Lions of the Pilgrimage by the Lions of Mexico City.

Mr. and Mrs. J. C. Robinson, of Paducah, accompanied by Mrs. Jack Robinson, formerly of Matador, visited friends and relatives here Wednesday.

Western Movie Star Visits Friends Here

Davidson Returns To Coast With Big Boy Williams

Quinn "Big Boy" Williams, star of several western pictures and veteran actor, visited friends here and at Flomot Thursday and Friday, leaving for California immediately after making a personal appearance on the stage of the Rogue theatre, accompanied by Shannon Davidson, of Pony Express fame. Davidson accompanied his friend Williams back to Hollywood, where he has been assured substantial employment.

New Roundup Site Secured

Through cooperation of the Matador Independent School board with the arrangement committee of the Matador Roundup and Rodeo Association, plans have been completed for the use of the Matador Arena football field as site for the rodeo celebrations to be held here May 17-18. The use of the football field will save the celebration group a large investment and will also provide a more suitable location for rodeo events. The field will be lighted during the two nights of the celebration by means of rented lights.

Further plans for the two-day celebration were advanced Friday when appointments of chairmen for the various committees was completed.

Another meeting of committee chairmen is expected to be called either Friday or Saturday when the complete committees will probably be named.

Committee chairmen are as follows: General chairman of arrangements, L. B. (Bob) Robertson; Secretary and Treasurer, William Ford; Entertainment chairman, C. A. Pitts; Sponsor chairman, U. L. Willie; Parade Chairman, H. H. Courtney; Building Chairman, L. L. Russell; Publicity chairman, Douglas Meador.

Original plans were made to hold the rodeo on the railroad property east of the Matador city limits.

Film Company To Take Ranch Scenes Here

A request from the Universal Film Corporation of California has been received by the Matador Ranch to make motion pictures of actual cowboy and round-up scenes during the summer.

The request was granted, it was declared and advice given as to the best time in which to secure the particular type of subject material desired.

The film company's request stated that the "shots" were to be used in the Universal News Service and not as location for a company in regular production.

Land Bank To Show Pictures

A. C. Williams, President of The Federal Land Bank, will present motion pictures in natural colors showing agricultural practices in England, Norway, Sweden, Denmark, Holland, and Germany at the Rogue Theatre in Matador at 10:30 a. m., March 28. The show is to be sponsored by the Matador National Farm Loan Association, and according to M. S. Patton, Secretary-Treasurer, will be free to everyone.

The pictures were taken by Mr. Williams, who made an extended cotton study tour of the countries of Northern Europe in company with a group of students from A. and M. College. During the showing of the picture, Mr. Williams will discuss agricultural methods in these foreign countries and explain a number of interesting scenes.

These pictures are both entertaining and educational. They will give many people their first view of foreign agriculture. They are rich in color and full of scenes that were selected on a tour of ten thousand miles.

Those attending the meeting will have an opportunity to compare the appearance of American cotton bales with those of other countries as they arrive in Liverpool and other cotton importing centers. They will see how the cotton is handled on the docks and in the warehouses, and then processed in the mills and manufacturing plants, as well as interesting pictures of farming activities in foreign lands.

Accompanied by friends, Williams, cowboy of screen, visited the Matador range wagon Friday on Teepee creek where steers were being gathered, and witnessed cow-work that was not make-believe. Despite his 21 years in Hollywood, Mr. Williams is a cowboy and expert rider, having gained his experience before leaving the Lone Star State.

Mr. Williams frequently appears on the local screen and in many of his most recent pictures he plays roles other than those of western production. He had a prominent part in the Rogue's Sunday and Monday feature, "Castle on the Hudson."

New Mail Route To Start Sat.

Matador will emerge from the handicap of an antiquated mail service Saturday when the new star route between Paducah and Plainview starts operation, according to a general order received by postmaster E. F. Springer.

The order, in part, is as follows: "Effective March 16, 1940, star route will be established between Plainview and Paducah, Texas, to leave Plainview 11 a. m. arrive Paducah 2 p. m. and leave Paducah on return trip 5 p. m. arrive Plainview 8 p. m. This will be daily service. This service will probably be included in the schedule of mail trains under title of Quinn & Plainview but that has not yet been approved."

Contract To Be Let
The Plainview postmaster has been authorized to hire a temporary carrier for the 89-mile route and bids will be received for a permanent contract to become effective some time in July. The contract will be let to the lowest bidder, but must not be more than \$1,400 per year.

JUNIOR PLAY IN REHEARSAL

Intense rehearsal of the Junior Class play, "Aunt Tillie Goes To Town," is being conducted by the cast in order that it may be presented Tuesday evening, March 19. The play is being directed by Mrs. Nelle Alexander and coach Don Martin who are sponsors of the class.

A list of characters may be found elsewhere in this issue of the Tribune. Proceeds of the play will be used to defray the expenses of the annual Junior-Senior banquet.

FORMER RESIDENT DIES
Word was received by relatives here this week, advising of the death of Mrs. R. L. Groves on February 28. Mrs. Groves, a former resident of this place, died at the home of her son, Lee Groves, at Greenville, Texas, following a lingering illness.

LOCKJAW IS
CAUSE OF 130
DEATHS YEARLY

Texas had 129 deaths from tetanus (lockjaw) in 1938, according to vital statistics records of the State Department of Health. The number of deaths from tetanus year by year for the past decade has shown no appreciable decrease or increase, the mean average being about 130 for each year of the decade. Peak of the decade was the 151 recorded deaths in 1934.

A significant factor in tetanus prevalence is that the disease develops usually from a trivial wound or injury which too often is neglected until complications set in.

"In the course of the disease convulsions may be frequent and set off by any slight stimulation to the central nervous system. Stiffening of the muscles of the jaw is one of the first symptoms of tetanus, a characteristic which gives the disease its name.

"Puncture wounds, such as those from sticking a nail or thorn in the foot or hand, prove the most dangerous. This is explained by the tetanus characteristic whereby the germs thrive only in a closed wound or in the presence of other germs that use up the air present. Tetanus germs cannot live in open air," stated Dr. George W. Cox, State Health Officer.

"Preventive technique against lockjaw should include proper care of all minor injuries and wounds. Closed wounds should be made open wounds and kept thoroughly clean. Anti-tetanus serum should be given after a puncture wound. Gunpowder wounds are also frequently fol-

lowed by lockjaw. The period of incubation for the disease to develop in man is usually from six to fourteen days, according to the degree of infection. When the incubation period is brief, six days or less, tetanus is almost always fatal. With a longer period for the disease to develop, it becomes milder, and the chances for recovery consequently greater."

NEW LIFE

Change Winter-killed oil—
and here's why to
change to OIL-PLATING

Slush in the gutter is scarcely thinner and dirtier than Winter oil over-staying in your engine. Drain now, warns your judgment—and Car Manual. But get more than a re-filled crankcase. Get cylinders, rings, bearings, and other precious parts OIL-PLATED by making sure that you change to Conoco Germ Processed oil—patented.
Your Mileage Merchant puts it in at an ordinary price, in the ordinary way. But how extraordinary is the man-made extra substance in the Conoco formula, that sets Germ Processed

oil apart. For here is oil whose strong "power of attraction" makes engine parts draw glossy OIL-PLATING all over themselves and keep holding it close—as drain-proof as plating on hub caps.
Not for one instant can OIL-PLATING go draining "down home" to the crankcase. Though you're speeding the limit or parking long hours, OIL-PLATING is always faithfully maintained. All in addition to the strong oil-film of Germ Processed oil, this drain-proof OIL-PLATING helps to keep down wear. And that's how to keep your engine nearest to the oil economy of its youth. Around The Circles...

IRENE ELDRIDGE
The Irene Eldridge Circle of the Methodist Missionary Society met at the home of Mrs. C. A. Pitts Monday afternoon for a social and lesson.

Mrs. Simpson led the discussion on the last chapter of the Mission study book, "Homeland Harvest", and special parts were given by Mesdames Daffern, Tudor, D. E. Pitts and Schweitzer.

The hostess served delicious refreshments to the following: Mesdames U. L. Willie, D. E. Pitts, Joe Bloodworth, David Guest, Tom Tilson, A. J. Daffern, Annie Tudor, Fred G. Simpson, Harry Willett, J. R. Whitworth, Ethel Payne and H. H. Schweitzer.

SUNSHINE CIRCLE
The Sunshine Circle of the Baptist W. M. U. met Tuesday in the home of Mrs. D. P. Keith for an all-day meeting and covered dish luncheon.

After the delicious lunch, another hour was spent sewing after which Mrs. Eldred Seigler taught the 7th chapter of the book, "A Tale of Two Peoples; Gentiles and Jews."

A business session was also conducted at which time plans were made for the Lions luncheon to be served by the circle next Tuesday, and various plans were made for spring work in the Missionary Society.

Those attending the enjoyable meeting were: Mesdames W. D. Herring, Lula Carpenter, G. S. Craven, R. E. Campbell Sr., Bert Estes, V. J. Skaggs, Eldred Seigler, W. E. Reeves, Scott Bolton, A. M. Bourland, the hostess, Mrs. D. P. Keith and her young son, Bourland.

The Baptist W. M. U. held an all-day meeting, March 4 at the church, for a Home Mission Prayer Day.

The morning program was led by Mrs. Scott Bolton, with talks on Missionary work given by Mesdames L. A. Carlisle, J. A. Groves, Joe Campbell, G. S. Craven, Eldred Seigler, D. P. Keith and A. D. Burleson. Mrs. Carlisle also gave a reading.

A covered dish luncheon was served at noon. The afternoon program was given by members of the Henrietta Shuck circle and included talks by Mesdames W. M. Joslin, Vernon Doss, and Elbert Reeves. Also a piano selection by Mrs. Jack Edwards.

MARRIAGE VOWS EXCHANGED BY MISS CREWS, H. B. NORMAN

Marriage vows were exchanged at Plainview Friday night by Miss Margaret Crews and Henry Brents Norman, both of that place, in a ceremony at the First Presbyterian Church.

The bride is the daughter of Mr. and Mrs. J. K. Crews, formerly of Matador, and Mr. Norman is a son of Mrs. Fannie Norman. The bride was given in marriage by her father.

Mrs. Norman's wedding gown was of white satin design with a circular train. Her full-length bridal veil fell from a coronet of fresh orange blossoms. She carried a bouquet of bridal orchids and valley lilies. Her only ornamental jewelry was a heart-shaped locket belonging to her mother.

Miss Ann Hughes of Roaring Springs was the maid of honor and Misses Annette Collier, Rita Jane Norman, Margaret Ann McGlasson and Mary Earle Sansom were attendants. Their gowns were of taffeta, Miss Hughes' in rose and the bridesmaids' in aqua color. They carried colonial bouquets of iris with headresses to match, and wore gold and enameled lockets, gifts of the bride.

Jim Norman of Plainview, a brother of the bridegroom, was best man. Ushers were Elmer Knox Jones of Wellington, Ray Wester, Bud Shirley and Harry Igo, all of Plainview.

The double ring ceremony was performed before a background of ferns and calla lilies. Dr. G. B. Hall of Norman, Okla., officiated. Dr. Hall performed the marriage ceremony for the bride's parents and officiated at the christening of the bride. Candles burned on the altar and lighted the aisles of the church.

After the ceremony a reception was held at the Crews home. The bride's table was covered with a Normandy cloth and was decorated with white roses and gypsophylla in a crystal bowl. White candles were lighted in crystal candelabra.

The ring-shaped cake was carved from a reflector outlined with gardenias and valley lilies. Mrs. Pete Smith served the cake to guests and Mrs. Frank Bain presided at the punch bowl. Mrs. Earl Bowden had charge of the guest book.

Mr. and Mrs. Norman left for Mexico City on their honeymoon. The bride's going-away suit was black with matching accessories.

Mr. and Mrs. Norman will make their home in Borger. The bride attended Texas Christian University and received a Bachelor of Arts degree from the University of Texas, where she was a member of Delta Delta Delta sorority and the senior council. She is a member of the Plainview Junior League.

The bridegroom is official court reporter for the Eighty-Fourth Judicial District. He is secretary-treasurer of the Plainview Flying Club, Inc., and a member of the Lions Club at Plainview.

Attend From Matador
Out-of-town guests at the wedding and reception included the following from Matador: Mr. and Mrs. Harry Willett, with their daughter Dorothy, Texas Tech student, Lubbock; Mr. and Mrs. D. I. W. Birnie, Mrs. Leonora Luckett, with her daughter and husband, Mr. and Mrs. Cecil Godfrey of Spur; Mr. and Mrs. Douglas Meador and Mr. and Mrs. J. R. Whitworth, accompanied by Dr. Ruth Hartgraves of Houston, former teacher in the Matador schools and close friends of the Crews family.

SHORT STORY IS SUBJECT AT SOROSIS CLUB

Reading of two short stories comprised the interesting program given before the Sorosis Club in a meeting of the organization Wednesday afternoon of last week in the home of Mrs. H. M. Solomon.

These were, "The Return of a Private" which was read by Mrs. Solomon, and "The Necklace", read by Mrs. Alvin Stearns.

Those present were: Mesdames Freeman Thacker, Antone Freeman, and Mike Hoyle of Roaring Springs, Miss Zona Beth Faulkner and Mesdames Alvin Stearns, Hugh Gray, Elbert Reeves, Harold Jones, Ben Edwards, Bryan Cammack, Elbert Seigler and the hostess, of Matador.

Club Meets With Mrs. Freeman Thur.

The Thursday Club met last week at Roaring Springs, in the home of Mrs. Antone Freeman, for two tables of bridge.

After six games were played, Mrs. Bill Pipkin held high score, Mrs. Gus Bird, second high, and Mrs. George Gray, low.

Delicious salad refreshments were served to: Mesdames Pipkin Bird, Gray, J. S. Stanley, Bryan Cammack, J. D. Craven, Jack Luckett, Jr., and one guest, Mrs. W. W. Jarrett.

CLASS ELECTS OFFICERS AT RECENT MEETING

At a recent meeting of the Friendship class of the Baptist Sunday School, held at the home of Mrs. W. M. Joslin, new officers were elected as follows:

Teacher, Mrs. W. M. Joslin; president, Mrs. Tom Newman; Membership vice-president, Mrs. Clyde Gilbert; Class Ministries, Miss Amy Glenn; Stewardship vice-president, Mrs. Vernon Craven; secretary, Mrs. R. B. Dawson; group captains, Mrs. R. E. Campbell Jr., and Mrs. Jewell Smith; reporter, Miss Ruth Groves; and assistant secretary, Miss Thessia Godfrey.

Following the business session, a social evening was spent playing games. Refreshments of individual cherry pies, sandwiches and coffee were served to: Mesdames Tom Newman, Jewell Smith, Clyde Gilbert, R. B. Dawson, Vernon Craven, Ray Patton, and H. H. Courtney, Misses Amy Glenn, Thessia Godfrey, and Ruth Groves, members; and two guests, Mrs. Frank Wright and Miss Mary Keith, and the hostess.

ATTEND FUNERAL FOR RELATIVE AT DICKENS

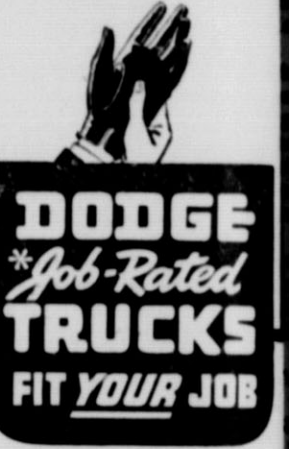

Miss Mary Kieth, accompanied by her nephew, Keith Patton, attended funeral services for Mrs. R. T. Alley, 51, who died at home at Gail, Texas, following lingering illness.

Mrs. Alley was a sister-in-law of Miss Kieth, and was the mother of Mrs. Charles Frame of Houston, the former Sue Campbell of this place.

Mr. and Mrs. Frame were in night guests here Friday in the home of her grandmother, Mrs. D. C. Kieth, after attending a funeral at Dickens.

"A program of industrial development centers around the manufacture of raw materials into finished products"

LOCATED in all sections of Texas, 141 refineries manufacture into finished petroleum products 80 per cent of the State's crude oil production. In contrast, Texas processes only 3 per cent of its cotton production and none of its wool or mohair. Petroleum refining now constitutes 41 per cent of the value of all Texas manufactures. Of the 225,000 Texans regularly employed by the oil business of the State, 25,000 skilled workmen and 5,000 office employees (a \$50,000,000 annual payroll) are employed in this one division of our oil industry. All of the Texas oil refined in our State, whether used in Texas or shipped to other states, paid last year in taxes an average of 9.8 cents per barrel.

STUDENTS DISCUSS THEIR NICKNAMES

Question: Do you like your nickname?

Clyde Smallwood: I like Chink all right, but I can't tell you why.
 Eugenia Tilson: I like Stinky. I guess, but I'm really not stinky.
 Nelda Lane: My nickname is Ned, and I don't like it because I'm a girl.
 Dorothy Hendricks: I like Dot—it wouldn't do me much good if I didn't.
 G. W. Ratcliff: I guess I like Bish all right. Everyone calls me that anyway.
 James Russell Neblett: I like for certain people to call me Rusty, but I don't like for others to.
 Alton Marshall: I do not like to be called Susie. You can guess why!
 Frances Carpenter: I don't mind being called Freck if it is said in the right tone of voice and in the right places.
 Wiley Kennedy: Being called Sleepy makes me no difference.
 Mary Ellen Barton: I like to be called Dede. It sounds like a boy's nickname.
 Estelle Martin: My nickname is Drip, and I like it because a certain somebody gave it to me.
 Joyce Irby: I don't like being called Juicy because it sounds too mushy.

Pat Sheridan, Frank Price, J. C. Titus, captain, and Lowell Barkley, manager.
 A special award was given to Buster Mize who was considered as the best trainer. It was a small gold basketball.

DO YOU WANT TO HAVE FUN AND LAUGH?

If you do, get your tickets in advance for the new and riotous farce entitled "Aunt Tillie Goes To Town." It is to be presented at the high school auditorium on Tuesday evening, March 19, by the Junior Class. The play has some of the funniest scenes ever to be written into a farce. It is novel and ingenious, has loads of pep and action. Certainly this performance is going to be one that the whole town will be proud of.
 The cast is as follows: Aunt Tillie Trask, Juanita Mize; Lucinda Talbot, Frances Carpenter; Pamela Marsh, Frances Stearns; Lizzie Parsons, Ruth Jameson; Ellen Neeland, Joyce Irby; Ronald Howland, Wiley Kennedy; Luther Lorrimer, Lowell Barkley; Mervin Tucker, James Fish; Charlie One Lung, Ellis Terry; Mrs. Tillie Tucker, Lucille Plumlee; and Dr. Hattie Bing, Wandean Garrison.

Junior Cagers Receive Awards

Last Wednesday, Mr. Ezzell, the junior boys' basketball coach, awarded the following boys with small silver basketballs: Buster Mize, Billy Tunnell, Junior Pitts, Sonny Russell, Norman Pitts, McElton Skaggs, Bert Schweitzer.

RUTH KEITH ENTERTAINS

Some members of the Freshman class made merry last Friday night at the home of Ruth Evelyn Keith. Ruth Evelyn's birthday was the inspiration for the celebration.

Faustena and Don Paul had a lovely time and had more fun playing Post Office. Onelta and Sonny added their bit to romance playing Knocking for Love. Mack and Ruth made a cute couple.

The refreshments were delicious.

For further information, see any of the following people: Faustena Fulfer, Catherine Daffern, Rachel Carpenter, Billy Dirickson, Betty Greene, Onelta Whitaker, Margie and Bennie Marshall, Mack Jacobs, John M. Russell, Tom Ed Jameson, Don Paul Keith, and Ruth Keith.

MARY ELLEN IS HOSTESS

Several girls enjoyed a lovely week-end at Mary Ellen's last week. We are all surprised they returned alive. We notice when they sit down they surely take it easy (as a result of horseback riding!) Several records were worn out as the result of too much playing. It seems the girls went to bed dancing and got up dancing. Did they sleep much? Well, ask them!

Lela and Tommy are especially sore—if you wish to know the details ask some of the other girls. Lela and Willena seemed to always want to ride in the saddle. We are all wondering when Lela learned to ride so well.

Those girls attending were: Lela, Willena, Myrnaavae, Wandean Ruth, Joyce, Frances C., Tommy, Aileen, and the hostess, Mary Ellen.

The Fish Give A Good Program

The freshman class, under the sponsorship of Mrs. McKenzie, presented a very fine chapel program last Friday morning. The following program was presented:

Piano Solo, Faustena Fulfer; Reading, Rachel Carpenter; Songs, Betty Greene, Dorothy Hendricks, Faustena Fulfer, Billie Jean Dirickson, Rachel Carpenter; Pantomime, "The Lamp Went Out", Nelda Jim Lane, Faustena Fulfer, Lawrence Spray, Tom Ed Jameson, Estel Mize, and John Russell; Reading, Onelta Whitaker; One-Act Play, "Oh Baby", Mack Jacobs, Morris Stephens, Estel Mize, June Barton, Norman Merle Pitts, and Ruth Evelyn Keith; Piano Solo, Evelyn Keith.

The entire High School seemed to enjoy the program very much. The freshman class really showed their ability and we wonder what can they do when they are Seniors. Chapel programs for the high school have been planned for every week of the school term. A chapel program will be presented by the Roaring Springs School next Thursday morning.

Shows Liked By All The Students

The entire Matador Schools certainly enjoyed the moving pictures shown last week in the study hall. We are very glad to be able to see such good, educational movies.

First was a picture of the "Wild Life West of the Pecos." This lasted about twenty-five minutes and gave pictures of many interesting wild animals. This was followed by "The Romance of Sulphur." This showed the great sulphur industry of the Gulf Coast. Then came a cute comedy. Everyone seemed to enjoy the shows, and we hope to have more of them. (Especially if they are free.)

This And That!

Back again after a leave of absence; news galore is presenting itself to me. First, Willena and Leroy are in the spotlight. They were "seen" together last Thursday night. Possibly at the show, but one never knows, does one. Anyway it was quite a surprise couple, and we're wondering if we'll be seeing more of this two-some.

Another Thursday night couple! Ah, me! What has Thursday night got that the other nights haven't? Phil Green and Doris Stephens stepped out, too. Can it be catching. New couples always cause a lot of talk around these parts, and these kids are no exception. Love is everywhere, da, da, do, do, de.

Hitch-hiking does have its advantages, we guess. Sorry you couldn't succeed, boys. Billy Tunnell and James Fish started, or planned or sumpin' to go to Seymour (hitch-hiking) last week-end, but their plans were upset. Let's see, who could they visit in Seymour? Oh, we know! Doesn't Jimmie Lee Guthrie reside there now? But wouldn't two have been a crowd if their plans had gone through?

Mary E. Barton was hostess to

some gals last weekend, and we are stooping so low as to call the gathering a hen party. We know of no mischief that they got into except that they alarmed the entire theatre Sunday afternoon with their giggling. Mercy! and several supposedly dignified seniors were along.

Wiley and Wandean are also gone together before? If so its escaped my hawk-like eyes. We guess they had loads of fun since they're both such jolly creatures. It's too bad we can't find out more about these dates. Something has gotta be done!

To climax this newsy bit of gossip we must mention Rudolph's escapade. He was courtin' round about Roaring Springs, we hear. Rudolph, how does it feel to awaken a sleeping farmer who owns a bunch of dogs just to get pulled out of a ditch. Quite an experience, we'd bet. My, my, you're always getting stuck! Way late at night, too! Tsk, tsk, tsk!

The Poet's Corner

Almost all of the high school poets have quit being poets, but here is another poem by Ruth Rushing.

CLIMBING

When I climb up in a tree
 As high as I can go,
 And look away down under me,
 The ground is far below.

But I'm surprised because the sky
 Looks just the same, I've found—
 And is above me, just as high
 As when I'm on the ground.

Texas produces approximately one-third of the nation's natural gasoline, made from natural gas. More than 90 per cent of it is used for improving gasoline refined from Texas crude oil.

The presence of oil in Texas was first reported in 1543 by survivors of the De Sota expedition.

Range Program For County To Start June 1st

The date for the beginning of the deferred grazing period for ranches using this practice to participate in the range program has been set for Motley County as from June 1 to November 1. This practice consists of keeping all livestock off the pasture during that time. A different portion of the ranch should be selected each year for deferred grazing and a ranch operator cannot qualify for payment on land that normally would not be grazed during this period.

May 1, 1940 has been set as the closing date for accepting sign-up on range applications. This does not apply to ranches which will remain the same in size as in 1939, but it does apply to new ranches coming into the program and also ranches which have been subdivided.

Two Days for Inspection

Friday and Saturday of each week has been set by the County Committee and the Range Inspector as the dates on which to do tank dam inspection work under both the Farm and Range program. The cooperation of all producers is requested in this matter as it is thought that this plan will work out better for all concerned.

Heretofore, Elbert Reeves has had requests to make dam inspections on any day of the week and this plan consumed quite a bit of time and expense in making the inspections.

The Panhandle gas field is the largest natural gas reservoir in the world.

Oil was accidentally discovered at Corsicana, first large oil field in Texas, in drilling a water well for the city's water supply.

MATADORS DRIVE 3,600 STEERS TO SHIPPING POINT

Channing, March 2. A phase of Western range life dead nearly a half century was revived here today as 3,600 "big" steers reached the end of a drive "to the road."

The steers constituted the largest single herd trailed to a shipping point in recent years, said John Mackenzie, general manager of the Matador Land and Cattle Company.

"A drive of this size—of cattle all of one age, type and quality—is something that hasn't been seen in many years and something that may never be seen again," he said.

Gathered from the four corners of the Matador's 400,000-acre Alamositos Division, 4,000 steers were rounded up in the Yellow Gate pasture yesterday. Four hundred "tail end" cattle were cut out and the rest moved in one herd 14 miles to a 1,920-acre pasture south of the ranch headquarters.

Cowboys rounded up the herd again this morning for the drive to the Matador shipping pens at Murdo. Some of the cattle had been driven more than 20 miles in the two days, most of them 15 miles.

Driven through a dust storm, the steers emptied two big stock watering troughs holding more than 1,000 gallons when turned into the headquarters pasture last night.

The herd reached the Murdo shipping pens about 9 o'clock this morning. The last car of a 100-car special train was loaded this afternoon.

The steers will be distributed to 21 different buyers in Central Kansas. Names of buyers were not announced, but their representative was Frank Dobbs, Emporia,

Kan., commission buyer. Mackenzie said the Matador is the only large cattle firm to hold to the oldtime cow policy of selling only one year old and is the only one which sells by the pound. All cattle are sold by the head as they were by a half century when Mackenzie's father, Mackenzie, was manager of vast properties.

The Matador company has 10,000 cows on its ranch in Cottle and Dickens counties are shipped when they are to the Alamositos Ranch, in Montana, to be held as coming three.

BACK FROM THE SHAM

McCAMEY, Tex. A Moterman for the West Utilities company, made his trip out to the barn to a cow. There he found a nicker hen drowned in the trough. He fished her out as a doornail—and took her home where he applied the pressure method of resuscitation learned in a first aid course.

The hen revived. Page now declares she has more eggs than ever before.

GUNS SCARE STARLING

CHILDRESS, Tex. Only gun barrage will scare starlings away.

After all other methods failed to frighten the little and white speckled birds their roosting place on the Texas Utilities Company station here, eight gunners concentrated on the spot to estimate 1,300 in two barrels. Many thousands of them flew away—and did not return.

The birds regularly had an interruption in light and about 7 A. M. for several days. They congregated so close together on the circuit breaker they caused a "flash-over" in the current in the station.

The GOOD OLD DAYS Are Back Again

COMMUNITY BOX SUPPER

MATADOR GYMNASIUM

Thursday Night

March 21, 1940

Everyone Invited!

FUN! MUSIC! PROGRAM!

Benefit Senior Girls Basketball Team and Boy Scouts

HERE is the event you have been waiting for; an old fashioned community box supper where everyone is invited and where everyone will have a good time.

In addition to the auction sale of boxes, a fine program has been prepared, including an address by District Judge Alton B. Chapman.

The box supper will be conducted through a junior and adult division so that interest will be equal for both young and old.

Other features on the program include prizes for the most attractive box (to be awarded the box bringing the highest price) and a pretty girl contest. Also there will be a contest to decide the ugliest man.

ALL PROCEEDS TO BE DIVIDED BETWEEN SENIOR GIRLS BASKETBALL TEAM AND BOY SCOUTS

ALL proceeds from the box supper and contests will be divided between the Senior Girl's Basketball Team and the Boy Scouts. An effort is being made to purchase sweaters for the cage team as a token of appreciation for the fine record made during the past two seasons.

COME EARLY! STARTS 7:30

CCC WANTS 4000 BOYS IN APRIL

Adam R. Johnson, Director of the State Department of Public Welfare, who has the responsibility for the selection of boys for the Civilian Conservation Corps, has been advised that approximately 4000 boys will be needed in April to bring the existing camps to full strength.

"Boys who wish to be selected for the CCC must be of good character, at least 17 years old and not more than 23 years six months, and not have already served more than 18 months since July 1937", explained Mr. Johnson, "for we desire only the best boys as members."

Applications should be made to the various County Welfare Offices as quickly as possible so when final county quotas are announced, those eligible may be sent to enrolling points. At present there are over 16,000 Texans in CCC camps, 10,000 in Texas and 6,000 in Arizona, Colorado, New Mexico and Wyoming, over \$300,000.00 per month being returned to the family groups of these boys.

"Members of the CCC cannot be automatically transferred to the Army", commented Mr. Johnson, "as they are considered in all respects civilian employees of the Government. Were they at home, at work on the farm, or in stores or banks, they would be no safer from Army service than they are as members of the Corps."

Chicago White Sox Will Play Lubbock

Sam Rosenthal, President of the Lubbock baseball club, announced today that the Chicago White Sox of the American league and the Pittsburgh Pirates of the National circuit would definitely plan an exhibition game at the Lubbock baseball park on Thursday afternoon, April 4, at 2:30 o'clock.

It will be the first time in history that two major league teams have played a spring exhibition game in Lubbock, and Rosenthal anticipates a huge South Plains crowd at the game. The White Sox and Pirates will clash in ten exhibition games this spring, and Lubbock will be the scene of the third game of the series.
