Fish Homemaking Girls Initiated

Heretofore the Freshmen girls have been informally initiated into the F. H. T. Club. However, this year, in a formal ceremony, the new members were welcomed with the high standards and ideals of the organization before them.

Freshmen Present Chapel Program

Our chapel program was opened October 13th with a sing-song by the group. The Lord's Prayer was repeated in unison by the student body and was followed by a scripture reading.

Pep Squad News

The Pep Squad is showing a great deal of improvement in their yells. Most of the girls attended the game Friday, and even though the boys lost, the squad yelled to the last. At the rally the school seems to back the leaders; the finest type of school spirit was shown. The pep girls hope to have another one of these before long.

## Eastern Star Observes Anniversary With Dinner Thursday Evening

### Affair Honors Two Charter Members Of Organization

A birthday dinner honoring two charter members, and observing the 41st anniversary of the organization, was held by Order of Eastern Star, Matador Chapter No. 66, Thursday evening of last week, in the Masonic lodge hall. Mrs. A. D. (Mother) Burleson and Mrs. F. M. Jinkins were named honorees on the occasion, as the only two charter members still living here.

The menu consisted of: Baked chicken, dressing, gravy; cranberry sauce; stuffed apples; buttered peas, baked potatoes; cocoa, coffee; rolls; cake, pickles.

Mrs. U. L. Willie was toastmistress of the program which was as follows: Introduction; Prayer, Chaplain; dinner; cake cutting ceremony; quartette arranged by J. R. Whitworth, and including Messrs. Whitworth, Jim Edmondson, Frank Jameson and T. B. Edmondson, with Miss Roberta Jameson as accompanist; duet, Jolene and Rosemary Bloodworth; talk, G. E. Hamilton; quartette.

An impressive feature of the program was the ceremony used in cutting the huge birthday cake, with the past Worthy Matrons participating, about twelve of whom were assembled before the altar.

#### Organized In 1900

"It was in the spring of 1900 that a group of our citizens saw fit to take upon themselves the responsibility of organizing an Eastern Star Chapter," Mrs. Willie stated in presenting a short history of the chapter in her introductory remarks. "All the preliminaries being disposed of, this chapter came into being October 9, 1900, just 41 years ago tonight. The signatures of this momentous document were as follows:

"Jenny Browning, W. L.

### Price-Echols Vows Exchanged Thursday

Marriage vows were exchanged at Lubbock Thursday, October 9, by Bobby Echols of Matador, and Edna Earl Price of Floydada, in a ceremony performed by Rev. H. G. Gantz, Christian Church pastor.

The groom is the son of Mr. and Mrs. R. C. Echols, and grandson of the late A. B. Echols, prominent pioneer ranchman and banker of the county. He received most of his education in the Matador schools, but is a graduate of the Las Vegas, Nevada, high school, where he received recognition as an outstanding grid player, coached by Harvey G. Stanford, former coach here. He later attended John Tarleton, at Stephenville, Texas.

Mrs. Echols was reared at Floydada and is a graduate of the high school there. She was enrolled at Draughon's Business College, Lubbock, at the time of their marriage.

They will make their home on the Echols ranch west of here, where Mr. Echols is associated with his father in the ranching industry.

Browning, Albina Burleson, Rosa Cammack, Lizzie Campbell, J. M. Campbell, Floyd Cloyd, W. T. Cloyd, Janice Cook, Mary Edmondson, Adelia Haley, R. A. Haley, C. H. Harper, Fannie Jinkins, Jack Luckett, T. E. Macgahauey, J. W. Tollison, J. D. Morriss and Minnie Tollison.

"The first Worthy Matron was Sister Lizzie Campbell, the first Worthy Patron was T. N. Edmondson and the first Associate Matron was Sister Albina Burleson.

"Several of these sisters and brothers reside now at other places, but two of them, Mother Burleson and Sister Fannie Jinkins, are with us this evening, and we are indeed happy and honored to have them. They had

### Mrs. M. J. Reilly Is Luncheon Hostess

Mrs. M. J. Reilly was hostess Tuesday at a luncheon for three tables of guests, which was followed by six games of bridge during the afternoon.

High score was held at the conclusion of the games by Mrs. Charlotte Hunsucker, with Mrs. B. F. Tunnell receiving second high and Mrs. E. F. Springer, consolation.

Others present were: Mesdames U. L. Willie, Harry Campbell, D. I. W. Birnie, J. R. Moore, Farris Fish, R. E. Donovan, Elmer Stearns, A. C. Traweck Sr., and Alvin Stearns.

the foresight to see that this organization would be a benefit to this community. They carried the burden for awhile; they paved the way for us. And so for 41 years Matador Chapter No. 66, Order of the Eastern Star has continued to try to make this corner of the world where we live a better place in which to live."

In concluding the program following dinner, Mrs. Willie acknowledged the tireless efforts of the present Worthy Matron, Mrs. Thelma Dirickson, and her assistants in making the party a success.

#### Many Members Attend

The chapter's membership was well represented at the meeting, in addition to several guests, and included: Mesdames F. M. Jinkins, A. D. Burleson, W. L. McWilliams, Jimmy Worsham, Alvin Stearns, George Springer, Thelma Dirickson, L. R. Bishop, B. C. Cox, Robert Collier, Pat Sheridan, David Guest, J. D. Craven, M. S. Pied 'Pinions BY MRS. J. M.

Frankly, I'm skeptical as well as pessimistic as to the chances of its being so, but just listen to this Astral Cue covering period from October 14 to October 28, for folks born between December 21 and January 20: "CAPRICORN: Your chances are good to realize some ambition in relation to your work and to gain financially as well, although some travel may be involved."

The puzzle concerning the "financial gain" which is hinted, since the only ambition cherished relative to work is simply to retire permanently with total abstinence from any form of labor. So far as can be seen, such an arrangement would tend to serve as positive guarantee of curtailment of all pecuniary revenue, which wouldn't be of much advantage except where income tax is concerned. But for some questionable reason, it seems to take the filthy lucre to subsist.

We look forward, however, to the 20th, in connection with Mr. M's reading, which is as follows: "TAURUS—those born between April 20 to May 20: Around the 20th (this month) some new situation may develop in your relation to your work which will give you a chance to increase your income which should already be very good."

Bank holidays always seem to cause no little confusion among customers and personnel alike, with reference to the reason. Several opined it must be Jefferson's birthday, the reason the bank was closed Monday, while others ventured the suggestion that maybe it was Lincoln's. I

didn't feel called to confess my own consternation at learning it was the date of the Great Discovery, rather than the birth anniversary of Columbus which was being celebrated.

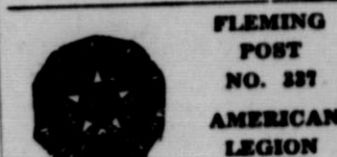

From the Views on the News in the Wichita Falls Record News, we quote: "Hope somebody kicks us before we try to criticize the ladies for anything they do—especially when they drive a car or buy a hat. The Chillicothe Valley News finds it unsatisfactory when comparisons are made: "Men can criticize women all they want to, but we know three things in her favor: "1. She never wastes \$2 worth of shotgun shell in order to get a 25-cent rabbit. "2. You never heard of one going into a restaurant and buying a 25-cent meal and giving the waitress 25 cents because she smiled at her. "3. We've never heard of a woman yet who will use 20 gallons of gas and pay \$25. for boat hire to get where the fish are not."

With no more beauty than the Sea Hag's sisters; no more shape than a saw-horse; totally lacking in acting ability for which they substitute grotesque gymnastics, and seemingly endowed only with the necessary accessories to produce ear-splitting vocal sounds commonly called singing, the Andrews Sisters will get \$5,000 per week when they headline at the Paramount Theatre October 29th, according to Walter Winchell. Somebody must have been deaf, blind and dumb when that contract was signed, but it apparently wasn't the Andrews Sisters.

There's nothing on earth any sweeter than a baby, unless it's two babies, to be cuddled and exclaimed over. Friends of Mrs. Fred Simpson and her daughter, Mrs. Arthur Cooper of Floydada, were given a treat the other afternoon when Mrs. Simpson held open house that they might visit Mrs. Cooper (Ruth), and view her month old twin daughters. Many bids were made for them, but none were accepted.

BUY NOW! IT

WHY New, 1942 SERVEL ELECTROLUX models are now available. But why buy now? Read these answers and decide for yourself—

- Q. 1. Why not wait until next summer? Why buy now? Ans. Will you be able to buy any refrigerator then? No one knows. The defense program demands daily more and more steel, copper, etc.—the very materials required to build a Servel. Q. 2. Can I get terms to suit my purse, if I wait? Ans. No one knows. But—right now, a small down payment puts Servel Electrolux in your home—with 18 long months to pay! Q. 3. How much tax will I have to pay, if I wait? Ans. No one knows. Excise taxes, such as these, can be increased by Congress as required. And defense authorities say "far heavier taxes yet to come." Q. 4. Is it patriotic to buy now? Ans. Buying now may release man-power, machine power, materials, later on, when they are much more badly needed for defense. And protecting the nation's health—your family's health—is a number one requirement for defense. Q. 5. Is Servel a good investment at a time like this? Ans. Food prices are going up! We probably haven't seen anything yet. The higher they go, the more Servel Electrolux will save in your home. Remember—it's always summer in your kitchen! At present food prices we can show how an average family may save up to \$8.60 per month! Q. 6. How long can I expect such savings? Ans. Servel, the Gas refrigerator, is backed by an iron-clad 10-YEAR GUARANTEE on its entire refrigerating system—at no extra cost—still the ONLY one that is. Because there are NO MOVING PARTS in its freezing system. Nothing to wear, to cause costly repairs, to grow inefficient and costly to operate. In West Texas today, there are hundreds of Servel Electrolux refrigerators that have been giving faithful, trouble-free, refrigeration for 10, 12, 14 years—without one cent for service or repairs! Over and over again, they have paid for themselves. Yours can, too. Come in and pick out your 1942 Servel today.

Stays silent...lasts longer SERVEL ELECTROLUX GAS REFRIGERATOR

10-YEAR GUARANTEE

We guarantee to the original purchasers of 1942 Servel Electrolux Gas Refrigerators to furnish without cost any defective burner, control or refrigerating unit for a period of ten (10) years from date of installation. (You pay only cost of installing parts.)

## TESTS!!!

Tests are the "awfulest" things I've ever gotten into! When you've planned a hilarious afternoon with a group of friends, nothing will do but that the teacher picks the next morning, among all mornings in the week, to give you that test you thought she had forgotten about. Then, when the test begins, one would think that she could ask questions on what you've studied, but no! That would be asking just too much.

When you ask her something on a test, just a little something, the teacher informs you she doesn't know, and you strongly suspect that she just "ain't talking." As you may have judged from what I've said, it is my candid opinion that "there oughta be a law agin' tests."

## Jr. Pitts Honored With Birthday Party

A number of young people of the Matador community enjoyed a birthday party given for Jr. Pitts at his home Tuesday night, October 7. Games and the opening of the gifts by Jr. furnished entertainment for the guests.

Refreshments were served to the following: Janelle Jackson, Glenda Nelson, Dorothy Nelson, Johnnie June Mitchell, Joyce Thacker, Dorothy Wason, Maroin Alice Mitchell, Geraldine Brooks, Peggy Dillard, and Wanda Nelson.

Joe Shirley, S. A. Swim, Billy Tunnell, McElton Skaggs, Arthur Harmon, Cotton Marshall, Norman Merle Pitts, J. D. Robbins, J. B. Smith, Buzze Thacker,

Algie Lee Durbin, and the host. A good time was reported by all.

## Kampus Klatter

Geel! These Juniors! Cat keeps casting sheep's eyes at Ross. We bet Bennie wishes she would stop it, before someone's heart breaks.

Rachel admits she doesn't think Tom Ed could possibly look handsome.

Betty and Algie had fun Friday night. But Algie! What about June? The two-timer!

Glady's does quite well for herself these days. All those Juniors are just crazy about her, so they tell us.

Frances Seigler has all her interest in Northfield these days it seems.

Bernice Ruth is simply breaking Norman's heart since she found what a gentleman Algie is.

Since Spot admitted he liked blondes, Joyce and Mary Ruth have cast many a wistful look his way.

Alvin, you're going to have weak eyes before long, if you don't stop winking so much!

Richard is simply shouting his love from the roof tops and Edna Mae looks dreamily toward James Garth.

Everyone had fun on the bus coming home last Friday night—at least E. A. and Ruby think so.

Ruth's hands are always cold these days. Isn't that a sign of love? Sounds bad, Ruth.

Don't be shocked but we saw Virginia reading a letter and it wasn't from J. C. Now we wonder what J. C. will say about that?

Skeet and Reatha sure have up a case of love. (Or that is the way it looks to us.) She moved to the back of the study hall just so she could be near him. Ain't love grand! (Or is it?)

What does Sonny's cousins have that he hasn't got? First he lost Onieta to James Russell and now he's lost Estelle to James Edward.

Paula just loves to skate, especially when a C.C.C. boy is on the floor. Mary Ruth seems to be rather interested, too.

Junior's letters to Suzzie will have to be sent parcel post if he doesn't quit writing so much.

Listen, Kids, Here's the latest. Norman Merle has fallen for that cute little pep leader at Roaring Springs. Who? Miss Mitchell of course. Cute, I'd say.

What's this we hear about Margie and David in the study hall? Better watch out, Margie.

What's this all about? Faustena has received a letter from Byron. We don't mean from James Russell either. It must be from his room-mate.

Onieta is always writing letters to James Russell. It's a wonder she doesn't go broke buying stamps.

Billy Jean and Jackie seemed to keep rather warm on the bus Friday night. It was a little cold, wasn't it?

Poor Vance! We saw Estelle with James Ed! What luck!

## Students' Opinion

QUESTION: "If you had the privilege, how would you run this school?"

ANSWERS:  
 Rachel Carpenter "With a holiday everyday."  
 Norris Fuller "Well, I sure wouldn't have any lessons."  
 Raldo James "I would have more fun and less studying."  
 Harry Louis "I would change all the rooms into recreation rooms and the study hall into a dance hall."  
 James Garth "There wouldn't be any."  
 Margie Marshall "I would let everyone chew chewing gum."  
 Junior Pitts "I would furnish free stationary for the Seniors and have a special pep-squad for every football player. The football suits would be solid red."  
 Dorothy Nelson "I would give excuses to everyone to go anywhere."  
 Onieta Whitaker "I would have six months of vacation and three months of school."  
 Catherine Daffern "I would let everyone talk to their heart's content."

## Grade School News

**First Grade**—The first grade regrets the moving of Joe Bob Browning.  
**Third Grade**—The third grade welcomes another new-comer to their class, who is Denna Ann Holly. The class was really thrilled when they learned that they won a picture at the Child Welfare Meeting.  
**Fifth Grade**—The fifth grade pupils have found quite a change in their work this year. We have been moved to the north side of the building. This location gives us access to the school library in addition to our home-room library.

Last year we were in the third grade. This year we are known as fifth grade pupils. What a leap! Perhaps the greatest change and the one we dreaded most is that of teachers. This year we have four teachers, but we are becoming adjusted to these changes and like it fine.

Our enrollment is 24. We are happy to have Dorothy Ann Tra-week and Revella Browning in our class this year.

We begin to work in our arithmetic work books this week. We shall begin work in our geography work books soon. After so long a time we have finished our health posters. Now we are going to speak good English. We have divided our class into two groups. In which we organized an English Club. One group, The Good English Club, has Patty Pipkin as president. The other group, The Red, White and Blue Club, has Ann Harp as its president.

Mrs. L. C. Harp, Mrs. P. Y. Springer, and Mrs. Joe Bloodworth were elected room mothers.

**Sixth Grade**—The sixth grade has finished some amusing art work. I think an art exhibit should be held. What is your opinion?  
**Seventh Grade**—The seventh grade regrets very much to lose Wanda Lou Browning, Tommie Lou Minshew, and May Kathryn Martin. The class is proud to welcome back an old student, J. T. Burks. The class has organized two English Clubs. One has been named Victory with Herbert Garth as President. The other club, known as the Red Bee, has John Houston Irvin as its president.

After so long a time the class won another picture at the Child Welfare Meeting. Some classes have all the luck.

The latest news is somewhat

comical. Did you ever hear of grade school pupils growing a mustache? Now you have that big surprise for Bonner Nelson has done that very thing. I hope this does not become a style; we surely would have to take pity on someone.

**Jack Martin Now In Army Service**

NOTE: The following news release is special to the Tribune from the Public Relations Office of Sheppard Field, Wichita Falls, Texas, and published as received.

All-around athlete Pvt. "Smiling" Jack Martin of 406 School Squadron, Sheppard Field, Texas, is a mechanic's school applicant whose home is in Matador, Texas. Pvt. Martin graduated from high school in Matador in 1941, after he had made his letter for the third time as right tackle on the football squad, of which he was line-captain for the '40' season. In 1940, Jack was the most valuable football man of district 4-A, West Texas, for which he received a gold football from the district board of athletic advisors.

As a two year letterman on the high school basketball team Pvt. Martin won a gold basketball, this he keeps with his gold track shoe. The shoe was given as a trophy for being on the winning relay team which was part of the team that won the district meet in '40 and '41.

Jack won his track letter three times by running the half mile, in this period he lost one race out of eighteen starts.

This dark six footer went on in 1940, to place in the heavy-weight division finals of the Golden Gloves tournament of West Texas, where he was defeated by hard hitting Preola, to place second. For this he enlarged his collection with a gold boxing glove.

"As a tennis and baseball player or a golfer and swimmer I give the same: all I've got! So it goes without saying, I'll do the same as a soldier."

**SPUR DROPS ...**

(Continued From Front Page)

(Skinny) Greene, former assistant coach for the Matadors. Fans are assured a lively game with plenty of surprises and action.

The current weekend's stir was highlighted by Matador's continued rush to the front in conference play after dropping a pair of practice openers, but there are still four teams—the Matadors, Floydada, Lockney and Paducah—lurking near the top of the standings, each with practically as good a chance as the other to cop the flag.

The Matadors cut down second division Spur 20-7 Friday to maintain a clean conference shirt, while Floydada was beating Ralls 25-0 also to remain unbeaten in the district. Lockney won a first district try over lower division Crosbyton in the week's other tilt, while Paducah remained idle and still among the leaders.

This weekend the Dragons should encounter only mild trouble from three times beaten Crosbyton and Ralls and Spur should stack up about even in a second conference tangle. Quittage will play at Matador in a practice affair, while Lockney and Floydada will take a layoff.

In Saturday's election 121 voters took part in the election in the first attempt. More than 342 votes were pooled in the county with 198 for bonds and 144 against. The county's present voting strength is estimated to be in the neighborhood of 750.

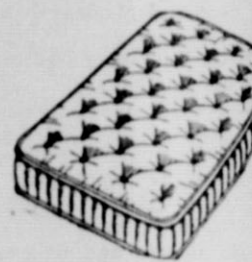

Observers are confident the issue would have passed by a margin on the first attempt. This election year, taxes paid to bring the county's present voting strength to within the neighborhood of 1,400 votes.

**Two Texas Defense Industries Hire 64 NYA Youths**

AUSTIN—Sixty-four boys from shop units at National Youth Administration Resident Centers in Marshall, Waco, South Houston, San Marcos, and Inks Dam, near Burnet, have been hired in the past two weeks to work for two Texas defense industries, according to J. C. Kellein, state NYA administrator. These placements were made by the Texas State Employment Service. Each of these NYA youth also was attending training classes under instructors furnished by the local schools and the State Board for Vocational Education.

As a result of the work experience and training which they received in such basic manual skills as blueprint reading, welding, foundry, sheet metal, and machine shop work, 21 boys from Marshall twenty from Inks Dam, eight from Waco, and four from San Marcos have gone to work for the Consolidated Steel Corporation in Orange as apprentice shipfitters at 65 cents an hour. Besides these youth, eleven additional young men from the South Houston NYA Center were hired by the Hughes Tool Company in Houston.

The twelfth census of the United States in 1900, showed the nation with a population of 75,994,575, an increase of 20.7 per cent over the 1890 figure of 62,947,714.
