

First '41 Bale Is Sold For \$125

Lint And Seed At Highest Price In Past Decade

PLEASANT memories of an era when farmers could sell cotton at a profit stirred in their decade-old sleep here this week when J. L. Woodruff ginned and sold the county's first 1941 bale late Monday for \$125.80.

The 556-pound bale was sold to Joe M. Gaines, manager of the West Texas Gin, for 17 1/2¢ per pound, the highest price paid for cotton here in more than a decade. The 1,000 pounds of cottonseed brought \$28.75 or \$57.00 per ton. The total check was \$125.80. The first bale was ginned without charge by the West Texas Gin.

Present Crop Uncertain

The price paid Mr. Woodruff was the regular market price on both lint and cottonseed.

Public subscription circulated Tuesday provided a premium of \$38.50 in cash and merchandise.

Probably at no time in Motley County's cotton-raising history has a crop been more uncertain than at present. The late crop continues to grow and fruit with large, watery bolls, that will require much time and dry weather to mature, raisers declare. An early frost or freeze could reduce the highly favorable present prospects to a production as low as that of past drought-stricken years. Many farmers believe that if cold weather is late in arriving, a 20,000-bale or possibly greater crop may be gathered.

Astronomical Figures

For those with a flare for multiplication and leisure for the pastime, it is recommended they use the figure, 20,000 and multiply it by \$125. To continue the drive, the product of the two figures may be divided by 5,000 (the number of men, women and children in Motley county). Before the participant in these astronomical figures becomes violent, it is further suggested that 2,000 or 3,000 be multiplied by \$60, subtracting from any probable individual income, last year's taxes multiplied by three or four.

New Scout Master Is Appointed

M. J. Stacy, AAA assistant in the county agent's office here has been appointed by the Matador Lions Club as Scout Master for troop 60. Mr. Stacy's appointment followed the resignation of County Attorney Howard Tra-week, who will remain in the capacity of assistant scout master. Representative Paul Eubank will also aid in the work as assistant.

Texas Tech To Be Host

Matador Scouts will be guests of Texas Tech Saturday night in their football game with Abilene Christian college as a part of their annual Camporee there Friday and Saturday, J. R. Whitworth, troop committee chairman, announced this week.

Other important events in store are admission to the North Side, Fort Worth-Lubbock high football game Friday night; free motorboat rides on Buffalo lake; visit to the new air base and free driving on the U-Sock-Um golf driving range Saturday.

County Prepares To File Tax Suits

With the county's general fund overdrawn and grave demands on finances increasing, Commissioners' Court has instructed County Attorney Howard Tra-week to prepare as many delinquent tax suits as possible for filing in the November term of District court. He will start filing the suits about October 1st.

Lions Make Plans For Barbecue

One issue has been decided. The date has been set for Tuesday evening, September 30, to hold the combined Ladies' night and Anniversary meeting of the Matador Lions Club and entertainment of the winning team of the attendance contest.

The winning team of the contest which closed with the regular meeting, Tuesday, has not been announced. However, one member of the "Wildcats" team ventured an opinion at the directors' breakfast Monday morning, that he believed the "winners" should prepare the food, if the other team paid for it. Further indications that the "Wildcats" have had their claws pulled, was shown when "Panther" leader Elmer Stearns suggested the losers provide the winners with easy chairs at the chicken barbecue and picnic.

The meeting may be held at the city park, golf course or Ballard Creek roadside park. A group of members representing both teams met at the First State Bank late yesterday to discuss plans and the menu. Definite winners may not be announced until next week when the six days after the last meeting will have expired in which members could make up lost attendance.

Interesting Meet Tuesday

All but four members of the club were present for the regular meeting of the club held at the Baptist church basement, Tuesday. An interesting program included the introduction of Mrs. Estelle Penry, St. Louis representative of the American Red Cross, who outlined the vast program and increased needs of the

IOOF MEETING IS CONCLUDED

Conclusion of Lower Panhandle Association of the Independent Order of Odd Fellows meeting was held sometime after 2 o'clock this morning in the lodge hall here after a banquet ended sessions that had lasted throughout Wednesday.

Attendance estimated at approximately 100 began arriving early yesterday, despite rain and threatening storms. Perhaps the outstanding feature of the meeting was an address made by J. R. Ogle of Wichita Falls, I. O. O. F. Grand Master of Texas, Wednesday morning.

"Oddfellowship has grown with the history of Texas," Mr. Ogle declared. "A large number of heroes were members of the order. Among them were Jacob De Cardova, and James A. Sylvester. The first and last Constitutional presidents were members. James -A. Sylvester, flag bearer for General Sam Houston, was among the group that captured Santa Anna.

"Oddfellowship is accomplishing much benefit in Texas today, by aiding in relief and care of widows and orphans. The order is encouraging fraternity among people by teaching them friendship, the proper respect of God and loyalty to the nation.

In closing, Mr. Ogle cited specific instances of relief being carried out by the Odd Fellowship.

OLD SETTLERS WILL STAGE BENEFIT DANCE

Motley-Dickens Counties Old Settlers' Association will sponsor a benefit dance to be held at the Pioneer Pavilion, Roaring Springs on the night of Friday, September 26th.

Net proceeds of the dance will go to the general fund, but will be used in part by the rodeo committee to pay some obligations made during the reunion, for which no funds are available.

Music will be furnished by the Old Settlers' Orchestra of Spur.

COILED RATTLESNAKE IS USED FOR SEAT

BUNNELL, Fla. Bill Floyd, road construction worker, gave more fervent thanks after getting up from lunch than when he sat down.

He picked out a soft spot of muck for a seat. Disposing of his lunch, he stood up and discovered he had been sitting on a two and a half foot rattlesnake. The snake's head had been pushed into the soft ground by Floyd's weight in such a position that it was unable to strike.

FARMERS RECEIVE \$15,000 PARITY

Motley County farmers are receiving \$15,544.53 in 1941 parity payments as the first two shipments of checks arrived here during the past week. The 162 checks received represented 113 applications.

The total 1941 parity payments for the county is expected to be approximately \$105,000 according to M. J. Stacy, AAA assistant. Mr. Stacy said the remaining checks were expected to arrive rapidly in the near future.

Locals Drop Opener In Grid Season

Sliding to victory on the wettest field ever played here, the Crowell Wildcats, finally allowed a score of 13 to 0 from the Matador Matadors Friday night as the two ancient enemy teams christened their respective 1941 schedules.

Spectators estimated at 200 who waded mud to their shoe tops to see the game, received full value for admission advanced at the gate. The Matadors, out-classed in weight, waged continuous and counter attacks on the invaders from the opening whistle until the last instant of play.

Unusual feature of the unusual game was the lack of fumbles by both sides despite the splashing of water each time a man fell into the grass of Matador Arena.

Matadors Take To Air

Spears, Crowell's agile 160-pound full back, made all the scores. The first touchdown was made late in the second quarter, with failure to kick the extra point. The second touchdown was made in the third quarter and followed by the extra point. Matadors made three first downs, Crowell 10. Matador tried 10 passes, completed four and had one intercepted. Crowell passed five times and completed two.

Matador worried the invaders with an aerial attack in the scoreless fourth quarter, that many sideline players believed would have resulted in a touchdown with a few more minutes of play.

Additional Rains Menace To Crops

Additional rainfall over Motley county during the past week is a dire menace to otherwise bright crop prospects. Following three days of dry, windy weather, beneficial to the cotton crops, rain started falling here again yesterday morning, with occasional showers during the day. A heavy rain storm struck Matador from the east about five p.m. yesterday which flooded streets within a short time. The amount was estimated to be one inch or more.

Mr. and Mrs. John Owens and children of Levelland, visited here Sunday with her sister, Mrs. A. A. Haro and family.

Baptist Conclave Will Open Tuesday

Association Will Meet In Two-day Annual Session

An estimated attendance of between two hundred and fifty and three hundred delegates, laymen and church leaders from over the state is expected here Tuesday and Wednesday of next week when the Floyd County Baptist Association holds its annual meeting as guests of the local Baptist Church.

Rev. W. M. Joslin, pastor, as Vice-Moderator, will be in charge of the opening session of the meeting, and Rev. W. R. Derr, pastor at Ralls and Clerk of the association will serve as secretary. Rev. Joslin will also preach

the Annual sermon, which will be delivered Tuesday morning at 11:40. Rev. Dallas Lee, pastor of the First Baptist Church at Quanah, is to speak on Missions at 3:10 Tuesday afternoon.

Rev. Perry Evans, representative of Buckner Orphans Home, Dallas, is to speak upon the work of the Orphans Home at 11:10 Tuesday morning, and in the Tuesday evening session at 8:40, Dr. John W. Cobb of Wayland College is to speak on Christian Education. Rev. L. A. Doyle, new pastor at Floydada, will preach at 11:25 Wednesday morning. The Missionary Sermon is to be preached by Rev. N. V. Guice, pastor at Crosbyton, at 2:00 p. m. Wednesday.

To Furnish Lunches

The Baptists of Matador are expected to provide homes for all

New County Leader

R. E. Campbell, Sr.

In accepting responsibility of the Motley County chapter chairmanship of the American Red Cross, R. E. Campbell, above, faces the greatest demands ever made by the world's greatest humanitarian organization. County objective for 1941 is set at 900

R. E. CAMPBELL TO HEAD COUNTY RED CROSS ACTIVITIES

Homer Sheats Ends Ten Years Service In Chairmanship

Homer Sheats, ending ten years service as Motley county chairman of the American Red Cross, has tendered his resignation to become effective immediately. R. E. Campbell, owner of the Campbell Chevrolet Co., and Campbell Food Market here has accepted responsibility of the office.

Mr. Sheats, who has been active in Red Cross work in the county since 1918, declared that his resignation was offered because of impaired eyesight, on advice of his physician. He said the office work associated with chairmanship made it impossible for him to continue.

Representative Here

Mr. Campbell was installed thru Mrs. Estelle Penry, Red Cross field representative, of St. Louis, Missouri, here Monday and Tuesday in organizing greatly enlarged activities due to war conditions over the world. The county Red Cross committee, with Mr. Campbell as chairman, is composed of H. K. Ford, D. E. Pitts, Elmer Stearns and John A. Hamilton.

(See RED CROSS Back Page)

FLOMOT TO STAGE RODEO SUNDAY

Announcement is made of the 3rd annual Flomot rodeo to be held at the Martin-Burleson Arena one mile east of town, starting at 1:30 p.m., Sunday September 21.

A girl sponsor is solicited from each community in the county. Substantial cash prizes are offered in rope and saddle contests.

Sponsors W. E. Burleson and Norman Martin assure the public of a high class show in every respect, with plenty of rodeo stock to satisfy both the participants and the spectators. The public is invited. A small admission charge will be made.

In addition to the forty bushels of apples which were gathered for selling purposes, it was rumored the class had all the fruit they could eat, including nine watermelons.

TO HARDIN-SIMMONS

Raymond Rattan, son of Mr. and Mrs. V. A. Rattan, left recently for Abilene, where he has enrolled at Hardin-Simmons University.

Two More Selected For Army Service

Motley county will send two additional men to Ft. Bliss for induction into army training on Monday, September 29, according to information released by Frank Pohl, clerk of the Motley county board.

Roy Lee Simpson, order No. 13 and Glen Albert Clements, order no. 241, have been ordered to report here at 8 a. m. on September 29, 1941, "whereupon they shall be sent to an induction station of the United States Army at Ft. Bliss, El Paso, Texas."

LARGE TRANSFER OF BANK STOCK IS NEGOTIATED

More than \$32,000 was involved in the sale of 161 shares in the capital stock of the First State Bank here last week. The sale was made on the basis of \$200 per share, or double the par value.

Result of the transfer distributes the stock to 21 additional stockholders and will involve the election of either two or three new members to the board of directors at the next board meeting.

Three former members of the board of directors automatically relinquished places in the sale of their bank holdings, it was announced by Elmer Stearns, vice-president and cashier, yesterday.

The transfer of the stock will not result in any change in bank officers or personnel, nor affect the long established policy of the

Stock Locally Owned

While much local interest centered around the negotiations during the transfer of stock, involving numerous rumors, substantiated in some instances by facts, the deal was an ordinary

(Continued On Back Page)

Safety Driving Is Taught On Streets

Matador motorists were instructed in safe driving by an observer on the streets here Tuesday and Wednesday, J. S. Clarey, representative of the National Safety Patrol, criticized or commended the hand signals and other safety driving regulations, with the aid of a loud speaker. The unique plan instructed both the driver to whom the lesson was being directed and others who might be within range of the loud-speakers. The nationwide organization, which has headquarters in Ft. Worth, is supported by private contributions made by approximately 200,000 members. Mr. Clarey was accompanied by Miss Aleene Defenburger, assistant.

It's Glory Enough For a Man to Live and Die a Texan.

NOTICE OF ROAD BOND ELECTION

STATE OF TEXAS, COUNTY OF MOTLEY.
THE RESIDENT QUALIFIED VOTERS OF MOTLEY COUNTY, TEXAS, WHO OWN REAL PROPERTY IN SAID COUNTY AND WHO HAVE RENDERED THE SAME TAXATION:

NOTICE that an election will be held on the 11th day of October, 1941, in Motley County, Texas, to determine whether or not bonds shall be issued for the purpose of the construction, maintenance and operation of macadamized, graveled or paved roads and turnpikes, or in aid thereof, in Motley County, Texas, and whether or not an ad valorem tax shall be levied annually upon the property in said county for the purpose of paying interest on said bonds and to provide a sinking fund for the redemption thereof at maturity.

THE SAID ELECTION shall be held under the provisions of said Chapter 16, Acts 1926, First Called Session.

ALL PERSONS who are legally qualified voters of said Motley County, Texas, who are resident property taxpayers of said county and who have duly rendered their property for taxation, shall be entitled to vote at said election.

ALL VOTERS desiring to support the proposition to issue the bonds shall have written or printed upon their ballots, the words: "FOR THE ISSUANCE OF

W. R. CAMMACK, COUNTY JUDGE, Presiding; and, J. S. LAMBERT, COMMISSIONER, Precinct Number 1; J. M. JAMESON, COMMISSIONER, Precinct Number 2; A. B. SIMPSON, COMMISSIONER, Precinct Number 3; H. L. SMITH, COMMISSIONER, Precinct Number 4; being present and participating, came on to be considered the petition of T. A. Bynum and Sixty-one other persons, for an election to be held in said Motley County, Texas, to determine whether or not bonds be issued by said county in the amount of \$70,000, for the purpose of the construction, maintenance and operation of macadamized, graveled or paved roads and turnpikes, or in aid thereof, in Motley County, Texas, and whether or not ad valorem taxes shall be levied upon all taxable property of said Motley County, Texas, subject to taxation, for the purpose of paying the interest of said bonds and to provide a sinking fund for the redemption thereof at maturity; and,

IT APPEARING to the said Court that said petition is signed by more than fifty (50) qualified resident property taxpayers voters of said Motley County, Texas; and,

IT FURTHER APPEARING that the amount of bonds to be issued will not exceed one-fourth of the assessed valuation of the real property of said Motley County, Texas;

IT IS, THEREFORE, CONSIDERED AND ORDERED by the said Court that an election be held in said Motley County, Texas, on the 11th day of October, 1941, which is not less than thirty (30) days from the date of this order to determine whether or not the bonds of said Motley County, Texas, shall be issued in the amount of \$70,000.00, in conformity with the Constitution and laws of the State of Texas, particular Section 52, Article 3, of the Constitution, and Chapter 16, Acts of 1926, First Called Session, as amended, for the purpose of the construction, maintenance and operation of macadamized, graveled or paved roads and turnpikes, or in aid thereof in Motley County, Texas, said bonds to bear interest at a rate not to exceed 3 1/4% per annum, and to mature serially not to exceed twenty (20) years from the date thereof; and whether or not an ad valorem tax shall be levied annually upon the property of said Motley County, Texas, subject to taxation, for the purpose of paying the annual interest on said bonds and to provide a sinking fund for the redemption of said bonds at maturity.

THE SAID ELECTION shall be held under the provisions of said Chapter 16, Acts 1926, First Called Session.

ALL PERSONS who are legally qualified voters of said Motley County, Texas, who are resident property taxpayers of said county and who have duly rendered their property for taxation, shall be entitled to vote at said election.

ALL VOTERS desiring to support the proposition to issue the bonds shall have written or printed upon their ballots, the words: "FOR THE ISSUANCE OF

BONDS AND THE LEVY OF AD VALOREM TAXES IN PAYMENT THEREOF.

And, those opposed to the proposition shall have written or printed upon their ballots, the words:

"AGAINST THE ISSUANCE OF BONDS AND THE LEVY OF AD VALOREM TAXES IN PAYMENT THEREOF."

THE POLLING places and presiding officers of said election shall be, respectively, as follows: MATADOR, Voting Precinct Number 1, at Courthouse, G. M. Birchfield, Election Judge; Scott Bolton, Assistant Judge;

MATADOR, Voting Precinct Number 1, at City Hall, M. S. Patton, Election Judge; Frank Pohl, Assistant Judge; FAIRVIEW, Voting Precinct Number 1, at Schoolhouse, C. T. Jenkins, Election Judge; Price Beauchamp, Assistant Judge;

WHITEFLAT, Voting Precinct Number 2 at Schoolhouse, W. L. McWilliams, Election Judge, T. M. Dixon, Assistant Judge;

FLOMOT, Voting Precinct Number 2, at Schoolhouse, R. H. Tanner, Election Judge, Bob Morris, Assistant Judge;

FOLLIE, Voting Precinct Number 2, at Schoolhouse, J. R. Nall, Election Judge, J. F. Montgomery, Assistant Judge;

NORTHFIELD, Voting Precinct Number 3, at Schoolhouse, O. F. Etheredge, Election Judge, Delmer Hays, Assistant Judge;

DARDEN CANYON, Voting Precinct Number 4, at Schoolhouse, L. A. Stearns, Election Judge, J. F. Bridges, Assistant Judge;

UNION CORNER, Voting Precinct Number 4, at Bill Morris Residence, Jim Hollar, Election Judge, Bill Morris, Assistant Judge;

ROARING SPRINGS, Voting Precinct Number 4, at Womack Building, Glenn Dobkins, Election Judge, J. D. Mitchell, Assistant Judge;

THE COUNTY CLERK of Motley County, Texas, is hereby authorized and directed to cause said notice of election to be published once each week for three consecutive weeks, in some newspaper of general circulation that has been continuously and regularly published for more than one year previous to the date of this order, in Motley County, Texas, and, in addition thereto, by posting notices of such election at four public places in Motley County, Texas, one of which shall be at the courthouse door of said county, for three consecutive weeks prior to said election.

A COPY of this order, signed by the County Judge of Motley County, Texas, and certified to by the County Clerk of said county shall serve as a proper notice of said election.

The above order having been read in full, it was moved by Commissioner H. L. Smith and seconded by Commissioner J. M. Jameson that the same be passed and adopted. Thereupon, the question being called for, the following members of said Court voted "AYE": Lambert, Jameson, Simpson, and Smith; and the following voted "NO": None.

PASSED AND APPROVED, this, the 8th day of September, 1941.

W. R. Cammack, County Judge, Motley County, Texas.
J. S. Lambert, Commissioner of Precinct Number 1.
J. M. Jameson, Commissioner of Precinct Number 2.
A. B. Simpson, Commissioner of Precinct Number 3.
H. L. Smith, Commissioner of Precinct Number 4.

(SEAL) ATTEST:
R. A. Seay, County Clerk and Ex-Officio Clerk of the Commissioners' Court of Motley County, Texas.

The above and foregoing NOTICE OF ROAD BOND ELECTION is issued and given by me, pursuant to authority conferred by the above and foregoing order of the Commissioners' Court of said county, and I hereby certify that the above and foregoing is a full, true and correct copy of the order of said Court, ordering said bond election, and also the Minutes showing the passage thereof.

WITNESS MY OFFICIAL SIGNATURE, with the seal of the Commissioners' Court of Motley County, Texas, affixed, this, the 8th day of September, 1941.
(Com Court Seal)

R. A. Seay, County Clerk and Ex-Officio Clerk of the Commissioners' Court of Motley County, Texas.

An enforceable driver's license law for motorists isn't new. Massachusetts passed a driver's license law for automobile owners back in 1903.

A standard driver's license law, properly enforced in Texas can do what similar laws have done in other states—reduce accidents, injuries and save lives.

Coulson Advises Strict Conservation Of County's 1941 Abundant Feed Crop

With the best feed crop in several years now maturing in Motley County, the Farm Security Administration is encouraging its borrower-families to stabilize their business and increase their incomes by properly conserving and utilizing their crop resources.

Walter D. Coulson, county FSA supervisor, believes that although farmers may expect increased incomes during the present period of national defense, they also face higher production costs.

Facilities Are Being Aided
"Farm families cooperating with this agency," Mr. Coulson said, "are being assisted in increasing the net returns from each acre of land by using their feed crops so that the maximum pounds of butterfat, beef, pork, wool and so forth are produced."

"The farmers who utilize their acreage to best advantage, who conserve their feed supplies by proper storage and feeding practices, and who manage their farm plants on a sound business basis are the farmers who will prosper most now and in the future."

Silage Doubles Value
"For example," Mr. Coulson continued, "an acre of sorghum fed as silage will go approximately twice as far as when fed in the form of dry bundles. This is especially true with dairy cows. This fact, coupled with the comparatively low cost of trench silos, is expected to result in an additional number of these storage facilities here this year."

"The best substitute for pasture is silage, and silage can be had

by every dairyman even though he has only two cows," Mr. Coulson said.

Citing the savings of feeding silage, the FSA supervisor said dairy farms especially appreciate the value of this ration. He told of an experiment made at the Ohio State Station, where dairy cows received a dry roughage of hay and stover with 13.5 pounds of grain were compared with cows being fed 58 pounds of silage, a little mixed hay and four pounds of grain. The silage-fed cows gave 15 per cent more milk at 41 per cent less cost.

Sounding a warning that crops next year may not be as abundant as they are this year, Mr. Coulson stated that since a good crop is on hand at the present time, every effort should be made to see that it is properly conserved, and in most cases, placed in trench silos.

"Fact is," he concluded, "this is a mighty good time for farmers to lay in a supply of feed that will last them at least two years."

Information about constructing trench silos, their location, size, cost, harvesting and filling operations may be obtained without charge from the FSA office or the Extension Service office.

Don't let the beautiful scenery of the country-side ruin your vision forever. Statistics reveal that nearly one-fifth of all rural fatal accidents are head-on collisions.

It's Funny How Folks Still Call it the "Light" Bill
"Well, Mary, here's the light bill for last month. Funny, isn't it, how we still call it the light bill! Remember when it really was the light bill?"
"U-u-u-m-m. Yes, sirc. We were mighty proud to have just electric lights . . . and in those days we paid about as much every month as we do now, and all we got was light. And they were off in the daytime, too, and we weren't too sure of 'em at night."
"It's sure different now. We get darn good service. For about what we used to spend for lights alone, we're lighting the house a lot better and washing and ironing clothes, cleaning the rugs, toasting the bread, running the radio, using the refrigerator, and shaving my face. I'd say we're getting a lot more for our money."
"Why not call it the 'Service' bill?"
Yes, the old-time "light" bill today really is for "electric service," which has taken away a lot of old-fashioned drudgery and added a lot of pleasure and enjoyment. Electric service has been doing these things for less and less money. The thousand men and women in this organization have had the training and experience to serve you more economically. You profit from the business operation and management of the company which has but one aim—to keep on giving you better service at lower cost.
Letters from the People:
"Our present low electric rates, cheaper appliances, and unsurpassed service are indeed a joy when we look back to the old days of frequent interruptions and part-time service. . . . We often resorted to the kerosene lamp, stored away handy. And we paid 15 cents per kilowatt-hour and 50 and 60 cents for bulbs . . ."

Two Birthdays Celebrated At Roaring Springs

T. B. Peck of Roaring Springs celebrated his 82nd birthday, Monday, September 15, at a dinner which was attended by several friends, including Mr. and Mrs. Chas. Brooks, Mr. and Mrs. Ezra Bowen, Mr. and Mrs. Chas. Graham, Patricia Brooks and Bobby Mack Graham, and Joe Peck of Leveland.

Elizabeth Swim Honored
Honoring their daughter, Elizabeth, on the occasion of her birthday, Mr. and Mrs. J. T. Swim entertained a number of her friends Sunday, with a dinner.

Those present were: Mr. and Mrs. Turner Hunter, Mr. and Mrs. J. T. Swim Jr., Peggy Dillard, Larnell Watson, LouNelle Lewis, Nona Helen Kingery, Fannie Sue Newberry, Claudis and Beryle Nichols, Dorris, Faye and Sam Hunter, Mrs. J. A. Brawley and Emma Lee Alderson of Vernon.

METHODIST CHORIS ENTERTAINED

Mr. and Mrs. Tom Tilson entertained the Methodist choir with a watermelon and cantaloupe party after choir practice Wednesday night.

Present were: Rev. and Mrs. W. B. Vaughn, Mr. and Mrs. J. R. Whitworth, Mr. and Mrs. G. E. Hamilton, Mr. and Mrs. W. F. Jacobs, Mesdames Fred Simpson, A. J. Daffern, Thelma Dirickson, Henry Ford and C. D. Pipkin, Misses Roberta, Ona and Mable Jameson, Messrs. T. B. Edmondson, Jim Edmondson, Clay Gilbert and Frank Jameson, and two guests, Mr. and Mrs. John Quattlebaum of Dalhart, Texas, Mrs. Quattlebaum being Mrs. Tilson's sister.

Missionary Circle Has Meeting Monday

The Henrietta Shuck Circle of the Baptist W. M. U. met Monday afternoon in the home of Mrs. Elbert Seigler to make Red Cross garments.

Present were: Mesdames Elbert Reeves, W. M. Joslin, Vernon Doss, Vernon Chambliss, Cecil Shelton, Buford Hobbs, Earl Laughlin and Loyd Fulkerson.

Tuesday Club Has Meeting Last Week

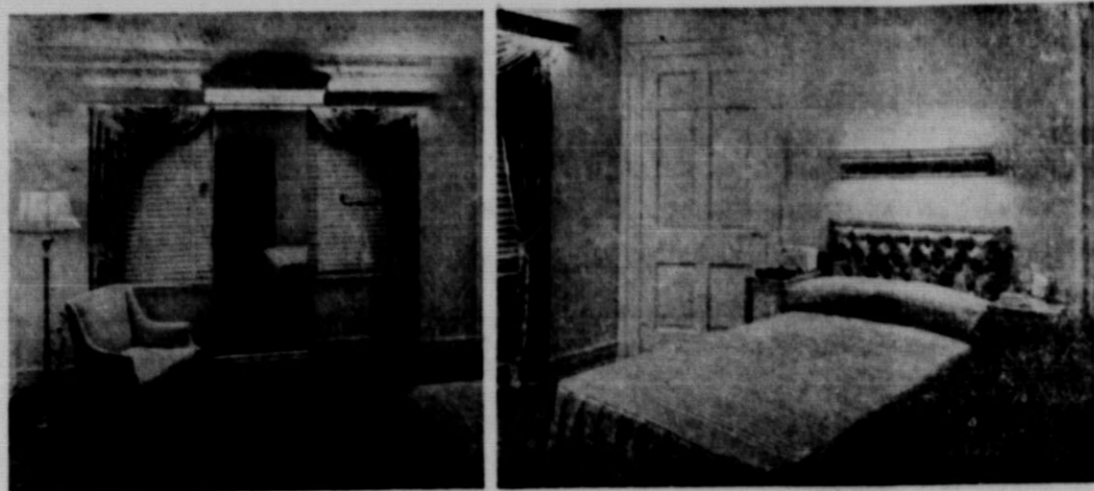

Members of the Tuesday Club were entertained last week by Mrs. Annie Tudor, at her home.

At the conclusion of several bridge progressions at two tables, high score was held by Mrs. W. W. Clements, with Mrs. U. L. Willie receiving second high. Mrs. Alvin Stearns was awarded guest high.

Others present were: Mesdames L. R. Bishop, T. J. Daffern, Earl Laughlin, and Robert Collier.

Mrs. W. W. Clements, with her daughter Marion, and son R. D., made a trip to Floydada Wednesday of last week.

This Bedroom Features Fluorescence

Above mirror and head of bed, streamlined fluorescent lamps produce a wealth of cool lighting for make-up and reading. Note, too, the floor lamp next the chair. This portable uses a 3-light filament lamp designed to give milady enough light for almost any sewing or reading task.

By Carlene Waldo
WOMEN who have heard their husbands talk about the wonderfully generous new fluorescent lighting in their factories or offices have been asking, "Can we use the tubular bulbs in our homes, too?"

The answer, concerning home use, is "yes" . . . with reservations. In the home shown here a full-length mirror placed between two bedroom windows has been beautifully and evenly lighted. Two 30-watt white fluorescent lamps, each 36 inches in length, with reflectors, are placed behind a shield of translucent material at the top of the mirror. Persons using the mirror are uniformly and smoothly lighted from head to toe . . . a grand aid to quick, sure, and easy grooming.

The decorative scheme of the mirror lighting is further carried out with additional fluorescent lamps concealed beneath the cornice over the windows. The whole effect is quite lovely and unique.

For bedtime reading there is also

generous fluorescent lighting over the bed in this room. Painted soft light grey to match the woodwork is a custom-built fixture over the bed, holding two 18-inch 15-watt fluorescent lamps. From one side of the bed to the other, as a result, there are from 30 to 40 units or "footcandles" of light for relaxed reading and conservation of eyesight.

Consult Lighting Expert

These new tubular non-filament bulbs were introduced not so long ago. They give in some cases two or three times as much light as filament bulbs, for the same amount of power, and produce a cool illumination. They require special auxiliary equipment for proper operation and an entirely different socket from the kind used for ordinary lamps. Only a limited number of home fixtures and portable lamps are as yet available on the market to hold the new lamps.

Good as the new fluorescents may be, let us not forget that there are many home lighting problems solved

simply by use of the familiar filament lamps. The advice and services of an electrician experienced in the installation of the new lamps is recommended if one is considering adopting them in the bedroom, kitchen or at the bathroom mirror.

Fluorescent lighting can be had from some of the latest certified I.E.S. portable lamps. But the floor lamp shown above is strictly a filament bulb type. Light from its three-way bulb is directed upward to the ceiling and is diffused downward by a translucent bowl concealed by the lamp's artistic shade. By a turn of the switch, various levels of light are available for reading at the chair . . . one level from a 100-watt filament; another from a 200-watt filament; and excellent light from both filaments burning at the same time.

We are well on the road, here, to better light for better sight. And the fluorescent lamp is simply another good vehicle designed to whisk us aboard light rays to ideal seeing conditions indoors.

Pied 'Pinions' BY MRS. J. M.

In this age of quiz programs and I. Q. tests and knowledge is its own reward, it would seem not out of line to stop and take note of one's personality possibilities. In other words, ask yourself the question, how do I impress people today—how do I impress people—or do I? If you would be popular, you must possess personality—loads of it. But personality alone is not enough. It must be pleasing. And above all, keep it single. A dual personality should be avoided as a plague. The consequences are too devastating, and I don't mean in a complimentary sense.

In the first place a retiring, timid sort of a person with an inferiority complex should never be left to wander alone. She should have a guardian; dozens of them. The fallacy of an utterly independent nature bears me out in this.

For instance, on being introduced to people, I either simply fail to impress them at all, or succeed to such an extent that I find them backing fearfully away from me after a rush of imbecile affusion on my part.

If I maintain a passive attentiveness, it is to discover that I have become the Forgotten Face. Later, I am again introduced to the same person, who has a slightly perplexed expression which indicates that they might faintly remember having seen me at some time, but have not the remotest idea where. By the time I am resigned to my fate and receive the third introduction to the same person, the light of recognition finally dawns, and I am then catalogued. Among the what-nots.

On the other hand, leaving the Dignified Silences to others, I become the spring that suddenly begins to unwind at a breathless pace with a maze of uninteresting chatter in a futile effort to make an impression. Soon my life's story is told, my bored listener steers the conversation into other channels, and I am again catalogued. Among the What-of-its.

In a mild fit of exuberance, springing from some unknown source, I once dashed up the steps

The FASHION FROCK of the WEEK!

Designed American—for Americans

STRIPE AND PLAIN SUIT as worn in Hollywood by Adrienne Ames Popular Screen Actress

The way the stripes are treated in this striking two-piece suit is what makes it such an exciting fashion. Note first the stripes are of uneven width. Then—they're vertical on the jacket, sleeves and collar and diagonal on the fashionable saddle pockets. Also note how cleverly one stripe is inserted in each pleat of the plain skirt.

This chic suit can be worn as a formal afternoon suit buttoned up to the neck as sketched. Or one can add a casual sports shirt, leaving the jacket unbuttoned at the throat for informal attire as a spectator ensemble. The skirt alone will harmonize with cardigan, sweater or blouse. A plain black skirt with the striped jacket will be ultra-smart. Mix, match or combine it and one has an endless array of outfits. Good colors are a maple tan with black, or military grey with black.

As worn by Adrienne Ames

GRACE KIMBELL WEDS RECENTLY

Announcement is made of the marriage of Miss Grace Kimbell, daughter of Mr. and Mrs. J. G. Kimbell of Artesia, New Mexico, formerly of Whiteflat, Texas, to a Mr. Douglas Glenn O'Bannon, on August 11, at Carlsbad, New Mexico. The double ring ceremony was performed by Rev. A. L. Goodwin, pastor of the First Baptist Church, of Carlsbad, at the parsonage home.

The bride wore a street length frock of navy blue, with navy accessories. She was attended by Mrs. W. W. Dunn of Artesia, who wore a pink and white street costume with white accessories.

The groom, who is the son of Mr. and Mrs. Glenn O'Bannon, well-known farmers of the Cottonwood community near Artesia, was attended by Melvin Bivens of Carlsbad.

Mrs. O'Bannon, who has been employed by the New Mexico Eastern Gas Company for the past two years, completed her high school education at Matador, and attended Texas Tech at Lubbock for a year.

Following a honeymoon trip to Salt Lake City, Utah; Denver, Colorado, and other places of interest enroute, the couple returned to Cottonwood, where they will make their home.

Shower Is Courtesy At Roaring Springs

A surprise shower was given for Mr. and Mrs. John Green and their children, Kelly Ann and Gaines Duff, of Roaring Springs, at a special song service Saturday evening at the Baptist Church of that place.

They are moving to Spur within a few days to make their home. Mr. Green having accepted a position with a credit company after being employed here several years as postal clerk.

They were presented a lovely set of chinaware by the church, in addition to many other nice gifts. Refreshments were served the group.

Methodist W.S.C.S. Has Meeting Tues.

The Methodist Women's Society of Christian Service met Tuesday evening at the church for general assembly, with Mrs. J. R. Whitworth as program leader, assisted by Mesdames A. J. Daffern, L. Y. Jameson and H. K. Ford.

At the conclusion of the meeting, delicious refreshments were served by a committee composed of Mesdames W. M. Graham, C. D. Pipkin and F. M. Jenkins.

Others present were: Mesdames John Hamilton, Harry Willett, Ethel Payne, H. H. Schweitzer, Tom Tilson, W. F. Jacobs, Frank Pohl, Fred G. Simpson, J. S. Lambert, Homer Sheats, Sterling Price, R. T. Hammersley, W. Y. Higgins and David Guest.

Sunday School Class Entertained Monday

Members of the married couple's Sunday School class of the Methodist church, taught by Mrs. J. R. Whitworth, were entertained with a chicken-fry supper Monday evening, at the home of Mr. and Mrs. H. M. Solomon.

The party was held on the back lawn, and a social hour followed the delicious supper which included fried chicken, potatoes, salad, tomatoes, bread, cake and coffee.

Those present were: Mr. and Mrs. Whitworth, Mr. and Mrs. Frank Pohl, Mr. and Mrs. W. F. Jacobs, Mr. and Mrs. Raby Webb, Mr. and Mrs. Clay Gilbert, Dr. and Mrs. J. S. Stanley, Rev. and Mrs. W. B. Vaughn, Mr. and Mrs. Don Martin, and Mesdames Maurice Campbell and John Hamilton.

Mr. and Mrs. C. T. Howell and children of Alanreed, spent the week end here visiting her mother, Mrs. J. A. Groves and other relatives.

Kinda Doggy, Huh?

Out for a romp with her big shepherd dog, Virginia Grey of the movies dons a smart cotton pinafore play dress. The white cotton skirt that fastens with small pearl buttons is topped by a pinafore in a soft yellow shade. The bodice is accented by embroidery in white. Two slit pockets show off to advantage in the full, gathered skirt.

Army Trainees Visit Relatives

CHANUTE FIELD, Ill., Sept. 15—Orders which send Private William R. Tilson, to his home station, 57th pursuit Sq. air corps, Windsor Locks, Conn., were issued here today.

Tilson, who is visiting his parents, Mr. and Mrs. Tom Tilson, at Matador, Texas, was graduated from the airplane mechanics course, Chanute Field branch, September 13.

Also from Chanute Field, is Roy W. Amick, who is visiting his parents, Mr. and Mrs. R. W. Amick of Flomot.

The SNAPSHOT GUILD CAMPFIRE PICTURES

Interesting campfire pictures are easy to take with any camera. Increased effectiveness was obtained in this shot by setting off a flash bulb to the right of the figures.

ITS THE season for evening picnics and sausage roasts, and few outdoor subjects offer better pictorial possibilities than the campfire. These pictures, with a merry group sitting around the glowing fire singing, telling stories, and preparing food, are extremely effective and at the same time very easy to make.

For campfire pictures using the flashlight as the sole source of illumination, simply place your camera on a tripod or some firm support; group the members of the party around a bright, blazing fire in such a manner that no one has his back to the camera; have the group "hold still," and make a short time exposure. That's all there is to it.

Now for a few details. The camera should be loaded with a high speed "pan" type film. For the average campfire picture, an exposure of five to fifteen seconds with a box camera should produce satisfactory results with finer cameras use the same exposure and set the lens at f/11. The illumination from the campfire varies considerably, so it might be a good idea to take several shots, at different exposures, to insure getting one that meets with your approval.

Many excellent campfire pictures are made with the aid of flash lamps. All you need is an inexpensive device, available at any camera shop, that looks like the battery case of a pocket flashlight, but has a socket that fits the flash lamps. There is also a small reflector to increase the intensity of the light and direct it where you want it. Merely place your camera to include the view desired, and set the shutter for a time exposure. Then hold the flash unit about five feet from the ground and slightly back of the camera; open the shutter, press the button to set off the Photoflash lamp, then close the shutter.

Here's one suggestion to help add naturalness and interest to your campfire pictures. Don't have your group stiffly posed and looking at the camera. Let them relax and hold their natural positions, seated or standing in a semicircle around the fire, pretending to talk or sing. Next time you go on a picnic which will continue after dark, take along an extra roll or two of high speed film, and plan to get a good series of night campfire shots. You'll find that campfires are not difficult subjects, as many suppose, and they will add interesting additions to your permanent snapshot collection. John van Guilder

daughter Gaynell, accompanied by Thomas Fulghem, visited in Matador Tuesday evening, in the home of Mr. and Mrs. A. A. Tipton. Tom Moore and Boone Simpson were transacting business in Matador Tuesday.

One Precinct Seeks \$125,000 Road Bond In Floyd Co.

A petition filed in Floyd county last week asks for an election to be called to vote on a proposed road bond issue of \$125,000 for Precinct No. 1.

The petition bore the signatures of 54 signers and seeks the issuance of bonds "for the construction, maintenance and operation of macadamized, graveled or paved roads and turnpikes or aid thereof through Floyd County Commissioners Precinct No. 1, including a farm-to-market road from Highway 207 to the county line toward Petersburg, Texas."

The Floyd County Hesperian is quoted as follows:

"The petition sets the interest rate on the proposed at not to exceed 3 1/2 per cent and that they be not issued for a maturity date in excess of 25 years.

The bond issue, should it get the necessary two-thirds majority vote of the tax-paying voters of the precinct would meet the need for much repair work on roads in the precinct and would enable the court to construct some permanent, hard-surfaced roads now declared seriously needed. In unofficial talk it was said the plans would be made to include a hard-surfaced road to Barwise as well as the much-discussed road to Petersburg, on which possible high right-of-way costs have been the stumbling block for nearly three years.

Offer 3 Per Cent Money

The county now has a standing offer of 3 per cent and 3 1/2 per cent money for construction of roads in any of its precincts, the offer good for a period of six months from August 11, according to a memorandum of agreement recently signed by a representative of Dunne-Israel company of Wichita, Kansas. This offer is for par and accrued interest at delivery for the bonds bearing interest at the rate of 3 per cent maturing April 1, 1943 to April 1955, inclusive, and 3 1/2 per cent for bonds maturing April 1, 1956, to April 1, 1962 inclusive.

The offer names John D. McCall as bond council, and the bond buyers agree to take care of all expense incident to the bond issue, further agreeing to reimburse the county for all actual and necessary expense incurred in holding such bond elections, should the issue or issues fail to carry.

It was not indicated this week whether other bond issues are planned by other precincts in the county. However, it should be pointed out that the offer of the cheap money for road bond issues is for any of the precincts.

Land Bank Advises Advance Payments Of Farm Mortgages

Federal Land Bank of Houston is stressing the use of advance payment plans on farm mortgages to build up reserves against "rainy days" while Texas farmers and ranchmen are enjoying higher prices for their products than in many years, Sterling C. Evans, president of the bank, announced today.

Extra (or "conditional") payments made in advance draw interest at the same rate charged on the Federal Land Bank mortgages, which is now 3 1/2%. These payments may be applied on the mortgage at some future date if the borrower is unable to meet an installment, or in full payment of the mortgage when sufficient funds have been accumulated.

"It is distinctly to the farmer's advantage to establish such a cushion for his operations whenever he has the money available," Mr. Evans said. "Borrowers can use this plan to build up reserves in good years to carry them over lean years. One of the primary goals of the land bank system is to help farmers and stockmen pay out of debt. In 24 years, one-fourth of all the borrowers in Texas, who have obtained a total of \$330,000,000 in long term financing, have repaid their obligations in full.

"Land bank collections are improved this year and a reduction in the inventory of land bank-owned farms by sales to farmers indicates a lively demand for farms at prices commensurate with their true value and earning power."

Roaring Springs NEWS

By Mrs. D. Mitchell

Mary Lou Newberry returned to school Monday, after spending the week end visiting her brother, Billy, who is attending Dendy's Barber College in Amarillo.

Mr. and Mrs. Gordon Jackson and daughter Jo Ann, of Washington, D. C. visited relatives in Roaring Springs and Matador this week.

Mrs. J. D. Green attended a reunion of pioneers in Young county last week. It was her first visit to her old home in more than forty years.

Mr. and Mrs. L. C. Davis and Jack Davis returned Sunday from a week's visit to Denver, Colorado, and El Paso, Texas.

Mr. and Mrs. R. A. Fletcher left Thursday for California where they will spend a few months.

Misses Gladys and Ester Peck left Monday for Abilene, where the latter is employed as music teacher.

John Billy Smith, son of Mr. and Mrs. H. L. Smith, is recuperating from an appendectomy in the Quanah hospital.

Mrs. S. C. Capshaw underwent an operation in the Quanah hospital Saturday.

Mr. and Mrs. R. E. Long and Mrs. G. L. Godfrey visited in Lubbock Thursday.

Mr. and Mrs. Roy Stephens are visiting in Bowie this week.

Rev. W. L. Brian and family spent the week end in Brownfield and Lamesa.

DRAIN, REFILL, and POSTPONE

your next quart

New oil lasted 5,683 miles longer than the runner-up in Death Valley Death-Test ...CERTIFIED

Your own engine gauge-stick can tell you best about Conoco Nth motor oil. Next-best is to buttonhole the most frugal car owners you know around town. Some have never yet added a quart since changing to Conoco Nth. And you can see why fight here—by the mileage figures from the Certified Death-Test of Conoco Nth oil vs. five other big brands.

The whole big success of Conoco Nth started down in Death Valley—so hot you can't sweat. Here 5 new stock cars, strictly alike, each got one 5-quart fill of some one oil being tested. Then the Official Referee clamped on the locks; never a drop of oil could be added.

Eyed by impartial officials every instant, the cars all roiled off their 57 miles hourly. Here and there on the desert a carcass lay bleaching—and desert death awaited these car engines, too. For none could finish till its oil hit bottom—finishing the engine beyond repair.

CONOCO Nth gave nearly twice the miles averaged by the others tested!

The 5-quart fill of Conoco Nth lasted 12,398 miles... Certified, Conoco Nth outlasted one big brand by 8,268 miles. Even the best of the five was outlasted 5,683 miles by Conoco Nth oil. Such a real difference must have a real source. And two real life-givers created by man... two modern synthetics... are in Conoco Nth motor oil.

You know of modern vitamin synthetics, making up for Nature's life-givers lost in some modern food processing. Similarly,

5 BIG-NAME OILS bought retail by Referee. One 5-quart fill per car. Not another drop throughout the hot desert Death-Test.

the extreme refining needed by oils for current cars has been destroying Nature's best life-givers! But in their place today Conoco Nth brings your engine the two patented Conoco synthetics.

One of these—man-made under the famed Germ Processed oil patent—will keep your engine OIL-PLATED with lubricant that can't all quickly drain off of inner surfaces. So OIL-PLATING is on guard against wear in advance! And the latest Conoco synthetic—man-made under U.S. Pat. 2,218,132—will check "festering" of oil that's encouraged by foul leftovers from every engine's normal firing. This common oil trouble is now checked or inhibited by the new man-made Conoco life-giver—Thialkene inhibitor.

You'll never Death-Test your Conoco Nth oil in sinister Death Valley, any more than you repeat other proving-ground tortures. You'll still drain and refill at recommended intervals. But how you'll expect to stretch the distance before adding a quart, judging by this big fact: 5 heavily advertised oils in the Certified Death Valley Test were outmiledged 74% to 161% by Conoco Nth oil. Economy like that counts up into dollars! Change to Nth oil today at Your Mileage Merchant's Conoco station. Continental Oil Company—Pioneers in Bettering America's oil with Synthetics

CERTIFIED I hereby certify that the Death Valley Test and related work were thoroughly and fairly conducted. Engine Destruction occurred in each case at the mileage stated.

H. M. Jackson
Consulting Engineer, who during Academic year is Professor of Automotive Engineering, Purdue University

CONOCO Nth MOTOR OIL

Cotton Office Opens For Current Season

L. J. Barkley, local cotton buyer has opened his office on the south side of the square, in preparation for the fall ginning season, and in addition to his usual busi-

ness of cotton-buying, will also handle grain, he has announced.

Mr. Barkley is well-known throughout this section, having been in this business here since 1926 when he was first associated with L. W. Guthrie. Later he became partner to Frank Eiring, and for the past several years bought in partnership with A. L. Fryar.

PURCHASES TODAY ARE BARGAINS TOMORROW

IT is only fair that we urge our loyal customers to take advantage of savings offered through the immediate purchase of furniture. Prices on our complete stock of furniture for every room in the home have not advanced, but wholesale prices increase almost daily. We cannot replace many items for the prices which we offer the merchandise to our trade. Therefore, purchases made today are bargains tomorrow.

Not only the advancing price of furniture but the uncertainty of delivery faces the customer who plans to make purchases later in the season. Our sources of supply include some of the largest in the country, yet we have no assurance that we can immediately replace many items at any price.

So we make this frank appeal to anyone who plans to buy one piece of furniture or may be considering new furniture for one room or an entire home. **Make your selections today!**

At no time in our history have we had a more complete stock of furniture than that which we now offer, nor have we ever been able to offer finer designs or lower prices. Visit our store today and make your new furniture selections.

Pep-squad Leaders, Assistants Elected Monday Morning

The students of MHS seemed greatly enthused last Monday morning when they assembled together in the study hall for the election of "pep-leaders."

After some discussion, the student body, as a whole, decided that two boys and two girls would be best. We had some very good yells by the students who were nominated. After some close races, Wanda Nelson was elected chief pep leader. Everyone seemed to be pleased and we know that she is going to do her best to have the best pep-squad MHS has ever had. The assistant pep leaders are: Dorothy Wason, Tom Edd Jameson, and Bert Schweitzer.

We students of MHS are very proud of our pep leaders; and with everyone's assistance, there is no reason why we can't have a grand pep-squad. So come on student body and help them!

Grade School News

The elementary school is very happy to welcome all new students into its school. The students will do their very best to make each and everyone of them feel welcome.

The following new students are: (First grade) James Ketchersid, Hattie Mac Baily, Joe Bob Browning, Roy Chambliss, Tiddy Green, James Hendricks, Ronald Hobbs, David Jameson, Bobby Johnson, Charles Ray Keith, Gary Laughlin, Dewayne Martin, Floye Lee Nelson, Pat Reeves, Donald Roy Sain, Wayne Shelton, Arline Allen, Melva Jean Cudd, Roma Jo Fukerson, Ray Ne Irby, Bonnie Keeling, Wrenella Parsons, Betty Ruth Smalley, Byrdie Bell Smith, Bobby Spray, Frances Trawick, Onieta Van Dyke, Juanita Van Dyke, Betty Webb, Patsy Webb, and Barbara Young.

(Third Grade) Leonard Carmen and Gerald Spray.

(Fourth Grade) Loutha Ray Cowey, Cecil Carmen, and Gerald Nelson.

(Fifth Grade) Roy Elly Browning.

(Sixth Grade) Barbara Ann Ketchersid.

(Seventh Grade) Ruth Fite, Tommie Lou Minshew, and Chareen Ketchersid.

(Eighth Grade) John Ketchersid.

The beginners seem to be proud of themselves. They picture themselves as the best class in grade school.

The third grade is reviewing the first grade work this week.

The seventh grade is proud of its twenty-six pupils, and will challenge any other grade. The class, as a whole, consider themselves the best.

ANNOUNCEMENT
Mr. Thomas wishes to announce that junior football practice will begin Monday. New suits will be issued. He also stated that the team will play five or six games, and he is looking forward to a victory each time.

Beautiful Campus Is Result Of Work During Summer

During the past summer many things have been done to beautify the campus. The tennis courts have been rolled and marked, and are really wonderful courts.

The grass, both on the campus and on the football field, has spread and now makes a soft, green carpet. Persons from larger towns have been heard commenting favorably on our football field in comparison to theirs.

Miss Faulkner's efforts with the flowers have been rewarded with the result that some of the most beautiful flowers in town are to be found on the school campus.

In short, we believe that we have the most beautiful campus of any high school of this size in Texas.

CALL FOR MORE GOSSIP

It just seems that we don't have enough gossip on these students of M. H. S. We hardly know how to go about finding all the details but after some discussion, we decided to use the same method we used last year. Go to the library and drop your gossip in the cigar box, so any gossip you know on anyone, that needs a little publicity, will be published. Give up your help and it will be greatly appreciated.

CLASS NEWS

FRESHMAN
The freshman class this year seem to be happy about joining the MHS student body. We, the rest of the body, welcome you, freshman class to our school. The freshman class was led by Billy Jo Archer and Harry Louis Willett last year. The freshman have a number of Whiteflat students to welcome to their class. They are: Dorothy Mae Cox, Mary A. Cook, Alvin Garrison, Peggy Jean Spray. Freshmen class officers are: President, Gladys Springer; Vice-president, Elwanda Martin; Secretary and treasurer, Bobby Harp; Reporter, James Garth.

SOPHOMORE
The sophomore class should be very proud that Mr. Gray is their sponsor. The class has the football waterboys, Bill Wason and Math Barkley. Among their new members are: Dorothy Jean Casey, Skeet Jameson, Betty Sue Kney, Brown Morris of Whiteflat; Bernice R. Patton of Quanah, Billy Pharis of Dallas, and David Yandell of Roaring Springs. Their class officers are: President, Kat Martin; Vice-president, Billy Wason; Secretary, Don P. Keith; Reporter, Ruby Burton.

JUNIOR
The junior class elected its officers for the year. They are as follows: John M. Russell, president; Algie Durbin, vice-president; Tom Ed Jameson, treasurer; Ruth Evelyn Keith, secretary; and June Barton reporter. Our class officers are expecting to put forth their best efforts this year.

The junior class is indeed grate-

CROWELL 13-MATADOR 0!

The Matador Matadors started their 1941 football schedule last Friday night in the mud. And I do mean mud! However, the Bull-fighters are not discouraged because of the 13-0 lead Crowell took home. This afternoon, and every evening after school, the Matador arena will be the scene of the Bull fighters battling among themselves, trying to get in shape to beat Olton next Friday night.

For the benefit of the people who were afraid of the rain Friday night, I will give an outline of the ball-game.

The outstanding players for Matador were: Captains, Phil Greene-end, Glenn Allen-center, Billy Tunnell-end (however, Bill was forced to leave the game in the third quarter with a broken hand. He will be back fighting soon, though, we hope.) Other outstanding players were: Jr. Pitts-tackle; and Algie Durbin and Vance Campbell-backs.

The outstanding player for Crowell was Spears, who scored both touchdowns for Crowell. He was also outstanding on defense.

These are just a few of the things that occurred in Friday's game, folks, but we will be looking for you at Olton.

Let's beat Olton!

Meet A Matador

Name—Junior Pitts
Age—16
Color of hair—Red
Color of eyes—Hazel
Weight—160
Height—5 ft. 10 inches.
Favorite song—"Because of You"
Favorite food—Steak and gravy
Ambition—To play in the Oil Bowl
Pet hate—Two-faced girls
Weakness—Red-headed girls

Barber: "Do you want a hair cut, sir?"
E. A.: "Well, I came in to get them all cut."

ful for Miss Whitten, its class sponsor. Among the new students of our class are: Avis Kimbell, Estelle Morris, Gladys Cook, A. C. Minshew, Ross Fite, C. D. Garrison, and Vergil Can Camp. The junior class hopes to make the 1941-42 school year very successful.

SENIOR
The senior class of '41-42 has so much to do this year that it will have to use all the time possible for work. Banquets, class plays, football games, pep rallies, etc., will be directed by Mr. Ezzell and his senior class. The class officers for the year are: Glen Allen, president; Johnnie B. Willis, vice-president; Wanda Nelson, secretary; Elsie Cook, reporter; and J. C. Titus, Sgt-at-arms. New members who have joined the senior class are: Fannie Fite of Crosbyton and Travis McDonald of Northfield.

Sports News

Well here it is, another season and we have lots of football to talk about. We will not be able to talk about all of it this week but we hope to hit the high spots in the next week or two.

There has been a lot of discussion on the new rules so we will add our bit. The one coming up most often is the one permitting unlimited substitutions by either team. This is supposed to help the little fellow by enabling him to substitute more often etc. Also, it is supposed to help him by enabling the big team to substitute more often and hold the score down. That is, he can take his first string out and keep them ready to go back in if the little man gets dangerous. It may work out as figured but personally we wonder if it will not help the big man in that he can give his green men a lot of experience and thus have two or three good teams to play the small squad rather than one. Too, it undoubtedly will slow up the game in some ways.

So as you may gather we do not think it is such a hot rule. The incoming substitute is permitted to talk as soon as his substitution is complete. This is o.k. because there were always ways to get information in and it saves a lot of the boys a bad case of the jitters to be able to talk it over a little when they first go in.

Another change that we like is the one allowing teams to throw a fourth down pass over the goal line without danger of losing any ground. Before this year it was an automatic touchback and sometimes cost a team ten or fifteen yards.

Another rule is the one giving the receiving team an automatic touchback if the ends touch the ball inside of the ten yard line. Maybe we had better say that a touchback occurs when a punt goes over the goal line, etc, and merely means that the ball will be put in play on the twenty yard line. Anyway, if the ends do touch the ball inside the ten, then the other team gets the ball on their twenty yard line.

So much for the new rules and a little about last weeks scores. Paducah with 28 boys (big us) out for football defeated Class AA Quanah 7-6. Paducah should have made another touchdown or two and at no time was in danger. Quanah's only touch resulting from an intercepted pass that should not have been thrown. Paducah's passing game is very dangerous.

Rails 13—Denver City 19. According to all reports D. C. was lucky to beat Rails in this one as Rails seemingly outplayed them in every department. Put down Atterbury of Rails for your all-district backfield. He and Biddy of Paducah are both good fullbacks.

Spur looked bad in losing to Rule. However, Rule had a good team and the Rule coach, Woods, was looking for revenge since Spur refused to give him the head job. Revenge is sweet he says.

Reports from Lockney say that the Longhorns will be about like last year. If they are, look out! Frankly, we doubt it though. Also, reports from Floydada indicate that this is the year the Whirlwinds are liable to come thru. What a joke on Winters who coached at Floydada for seven years trying to win a district title and moved to Seymour this year, if the Whirlwinds should win the title this time. No fooling, the boys from the windy city look plenty big enough.

Who is going to win the district? We don't know. Who will make all-district? Sandlin of Paducah? What will be the score of the Matador-Olton game? You guess; we missed it last week. Game we would like to see this week? Paducah at Crowell. Winner? Crowell.

Kampus Klatter

Here we are again this week to give you the facts on the happenings of M. H. S. New romances are popping up and old ones are being revived. And what's this we hear about Helen S? Did someone say James Edmondson? By the way—wonder what time it is Helen?

Billy and Jr. seem to have received an inspiration from Paducah to dye their hair red. Faustena wishes she had red hair. Better watch out Jr. You can't stand two red-heads.

Rachel seems to have enjoyed riding that bare-back horse the other day. Wonder how the horse likes it?

A dreamy look comes into Wanda's eyes every time she looks at—aw! You-know-who. Have you noticed?

Since Morris has a car, he

really gets around. Now, doesn't he, Billy?

We hear that Virginia is running J. C. crazy. She goes to town with him at noon and comes back with someone else. Now is that any way to do him?

Algie is giving Mickey Rooney some real competition. Which will it be, June, a movie hero or a football player? We'll have to admit that is a hard decision to make.

Sonny has already been seen writing notes to Betty Sue. What will C. D. think about that? Maybe Aurene won't like it so well, either. So what? We think they make a cute couple.

We heard a few people say that Elsie should have been elected Sargeant-at-arms so she could drag Spot around. Good idea; but what does Spot think about it?

Vance seems to have found a new love in Estelle Morris. He was so attracted to her that he forgot to go to class. That's what I call love. Eh, what? But what about Edna Mae?

Catherine Daffern reported a swell time in California. She found a certain blond that proved to be very interesting, especially at the beach.

Say, a new romance is budding in M. H. S. these days. Haven't you heard? Its that cute little boy from Whiteflat (Skeet) and that dazzling blonde (Glenda) from Matador. Don't they make the cutest couple, tho?

Dorothy N. is still picking on Roaring Springs. It seems that she must have someone from down that way. She thinks David is so cute. Well, so what? We do too.

What's this we hear about a white pick-up that comes to town every night? Could it possibly be from Roaring Springs? Frankly, we wouldn't know.

Junelle admits that she prefers out-of-town boys, but she can't make up her mind between Joe from Roaring Springs and Darell from Paducah.

Doesn't E. A. make the hand-somest black head? Maybe Jewell likes black hair.

Billy Jean, Mary and Ruby must be after those two red-

headed romeos in the Senior class, or was it just an accident that they dyed their hair.

How does he do it? Billy W. always manages to get a seat in front of Paula every year. Sounds fishy to me.

Gee, whiz! Have you noticed that tall, dark, and handsome boy in Typing and Bookkeeping classes? Ain't he just the handsomest thing you ever saw? Smart too. All the girls in Bookkeeping have fallen for him, so they say.

This is station D-I-R-T signing off until next week. So long.

Campus Jokes

"So you complain of finding sand in your soup?"

"Yes, Sir."

"Did you join the army your country, or complete the soup?"

"To serve my country, to eat it!"

A standard driver's license in Texas would put a person's competence and skill in It would provide an means for removing the petent or dangerous driver from the road.

Whether you own a car your loved ones are jeop daily by the reckless of a standard driver's license will minimize his danger as in other states, we need an enforceable law just as we can get it.

AND FORGET WASHDAY TROUBLES.

YOUR wash comes back snowy white, smelling fresh and sweet. It was gently washed and rinsed (5) different times. No harsh soaps used. Color fabrics and dainty pieces given extra care. Beautifully ironed, ready to put away. All this at money-saving prices!

RED CROSS ...

(Continued From Front Page)

Marvin S. Patton has accepted the responsibility of county roll call chairman while the committee set the county's quota at 900 members, the greatest ever attempted. Mrs. Penry said that chapters were being asked to set quotas as much as 25% of their population. The county's quota is less than 20% of the population. A change in the 1941 quota request is for 900 members instead of a goal in dollars.

The annual Red Cross roll call drive starts November 11 and continues thru November 30th. The national quota is now set at 78,000,000 members. Mrs. Penry said that the Red Cross had just completed 40,000,000 surgical dressings for the army and had also collected 200,000 pints of units of blood plasma, for emergencies. She said increased demands were being made on the organization daily.

Mr. Patton is organizing his county roll call committee and complete announcement of the drive plans will appear in an early issue of the Tribune.

FSA OFFICE ...

(Continued From Front Page)

appaling. The earnings of three persons engaged in the office totals about \$500 a month, most of which will be lost to local businessmen. The office submitted \$11,943 in loans during the past four months.

Order for closing the office calls for transfer to other localities of Miss Allie Mae Tipps and Miss Carolyn Crawford, but makes no provision for Mr. Coulson.

Active groups in Matador and Roaring Springs are circulating petitions which will be dispatched to Washington in an effort to have the abolishing order rescinded.

BAPTISTS ...

(Continued From Page One)

who remain over Tuesday night. Rev. Joslin announced, and also to furnish basket lunches for the two days of serving, which will include noon-day meals Tuesday and Wednesday, and supper Tuesday night. The Women's Missionary Society will be in full charge of the lunch serving, which will be held in the church basement, it was further stated.

The Floyd County Baptist Association consists of 32 churches situated in Floyd, Crosby, Brisco, and Motley counties, including the following: Akin, Antelope Flat, Campbell, Cedar Hill, Center, Cone, Crosbyton, Dougherty, Fairmount, Fairview, Farmer, Floren, Floydada, Friendship, Gasoline, Lakeview, Lockney, Lone Star Matador, Mt. Blanco, Northfield, Pansay, Quitaque, Rails, Roaring Springs, Sandhill, Silverton, South Plains, Starkey, Sterley and Whiteflat.

Program Outlined

The suggested program for the meeting is as follows:

Tuesday Morning Session: Song and Devotional services led by Rev. Walter Brian, Roaring Springs; general organization; by

Farmers Are Asked To Consider 1942 Wheat Crop Plans

Since wheat farmers will vote in a national referendum next spring to decide on marketing quotas, Motley County wheat farmers should consider their acreage allotments when seeding their 1942 crop, W. I. Rushing, chairman of the Motley County AAA committee, said this week.

If quotas are approved by a two-thirds vote, farmer planting within 1942 wheat allotments will be able to sell the entire crop without penalty, but farmers exceeding allotments will be required to pay a penalty of 50 per cent of the national loan rate on all wheat defined as "excess" wheat under marketing quotas, Mr. Rushing explained.

In the event quotas are voted down next spring, a government loan will not be made since marketing quotas protect loan collateral, the AAA official explained. Loans at 85 per cent of parity are in effect on this year's crop, since quotas were given a favorable vote in a national referendum earlier in the year.

Rev. A. L. Shaw, Lockney; report on Religious literature, Rev. R. E. Harrison, Quitaque; report on hospitals, Rev. B. P. Harrison, Silverton; report on Buckner Orphan's Home, read by Rev. W. H. Strickland, Lockney; recognition of visitors, special music; annual associational sermon, Rev. W. M. Joslin, Matador; lunch.

Tuesday afternoon session: Executive Board and W. M. U. Meetings; report from Executive Board by the chairman, Rev. Victor Crabtree, Crosbyton; District Mission report, Rev. J. L. Ponder, Plainview; Home Mission Report, Rev. R. C. Malone, Plainview; State Mission Report, Rev. Hardy Stevens, Plainview; Foreign Mission Report, Rev. Walter Brian, Roaring Springs; Address on Missions, Rev. Dallas Lee, Quanah;

Tuesday evening session: Song and devotional services led by Truett Mayes, Crosbyton; Training Union Report, L. A. Claborn, Sterley; Brotherhood report, Geo. Owens, Quitaque; Sunday School report, R. E. Campbell, Matador; W. M. U. Report, president of Associational W. M. U.; Christian Education report, Dr. John W. Cobb, Plainview.

Wednesday morning session: Song and Devotional services led by Rev. C. R. Mathis, Cone; report on 100 Thousand Club, Rev. Sidney Johns on, Floydada; report on Obituaries, Rev. J. J. Terry, Whiteflat; report of Associational treasurer, A. B. Muncey, Lockney; report of Committee on associational budget, Rev. A. L. Shaw, Lockney; Civic Righteousness, Rev. J. B. Leverett, Silverton; report of committee on resolutions, nominations, time, place and preacher, Rev. Victor Crabtree, Crosbyton; recognition of visitors; report on the Co-operative program; Rev. W. R. Derr, Rails; song; sermon, Rev. L. A. Doyle, Floydada; lunch.

Wednesday afternoon session: Song and Devotional services led by Rev. G. C. Applegate, Plainview; report on Digest of Letters, Rev. J. D. Farrell, Plainview; miscellaneous business; Missionary Sermon, Rev. N. V. Guice, Crosbyton; adjournment.

TAX SUITS ...

(Continued From Front Page)

Property owners owing delinquent taxes have been offered the widest consideration through article 7336i which offers release of all penalties and interest, excepting a 6% penalty on the total amount.

Mr. Traweck issued the following statement yesterday. "The commissioners' court at its regular session, September 8, recommended that suits be filed for the November term of District Court, for collection of all delinquent state and county taxes, in absence of immediate settlement.

"This instruction for filing tax suits is pursuant to an order passed by the commissioners' court earlier in the year for the beginning of proceedings to collect delinquent taxes.

"Attention of the public is called to article 7336i of the civil statutes, enacted by the last regular session of the Legislature, which provides that all interest and penalties on delinquent ad valorem and poll taxes shall be released, provided they are paid by November 1, conditioned that a 6% penalty on the total amount delinquent be paid on ad valorem taxes. This statute will enable all property owners owing back taxes to make substantial savings, if they avail themselves of its provisions."

LIONS ...

(Continued From Front Page)

organization. Other guests introduced included Miss Billie Lawrence, Dentist Ketchersid, and Mr. Long, geologist for the Humble oil company. The program was sponsored by Lion B. F. Tunnell.

Lion G. E. Hamilton made a brief address urging members to purchase defense bonds and stamps. Announcement was made of a change in the Scout Master for the Lions sponsored local troop 60, with M. J. Stacy accepting the office after the resignation of Howard Traweck.

To Feed Out Calf

With the Matador Lions Club now operating on deficit basis because of loss in some membership and increased demands on the club, a method of covering the loss was advanced by Tail Twister Henry Ford at the director's meeting Monday morning. Lion Ford suggested that the club procure one or two calves, arrange a place for keeping same and feed the animal or animals until the fat stock show next spring.

He suggested that photographs of the calf be made and published when it is received and the widest publicity be given the project. Contrasting pictures would then be made after the animal had been fed out on scientific diet and care.

Since all surplus funds of the club are used to benefit needy causes of the territory it was suggested that possibly some civic-minded ranchman might donate caves for the project. In event no offer is received, the club will assess each member an additional amount sufficient to make purchase a committee was immediately appointed to make a further survey of the project for report at the next meeting.

Club To Buy Stamps

A plan will be suggested at the next meeting whereby members will purchase 25c defense saving stamps, bring them to meetings to go in the club's defense stamp album, as a method of aiding the National movement and at the same time providing funds for further emergencies of the organization.

VISITORS HERE

Visitors here Sunday in the home of Mr. and Mrs. E. Fulfer and other relatives, were Mr. and Mrs. R. O. Sanford and children, and Mrs. Sanford's mother, Mrs. Ben Moring of Plainview. They accompanied Mrs. Moring's mother, Mrs. G. W. Fulfer, home, and were also accompanied by Alla Mae and G. W. Fulfer who visited their parents, Mr. and Mrs. W. M. Fulfer.

LOCAL ITEMS

Mr. and Mrs. Carl Cooper and small daughter, Carolyn, of Plainview, spent the week end here visiting her mother, Mrs. Julia Cornett.

Lt. and Mrs. J. S. Tudor of Camp Bowie, Texas, visited in the home of his mother, Mrs. Annie Tudor during the week end.

Mrs. C. E. Soderstrom and Miss Shirley Ellis of Dallas have returned from a vacation trip on the plains.

Miss Florine Ellison of Rosebud, is visiting here with her aunt, Mrs. W. W. Moore.

Mr. and Mrs. L. A. Nelson and daughters, visited at Pep, New Mexico over the week-end with Mrs. Nelson's sister, Mrs. Lotin Bennett and family.

Mrs. W. D. Long is visiting in Floreat this week with her sister-in-law, Mrs. Calvin George.

Mr. and Mrs. J. T. Spears and daughter, Mrs. Manly Thompson returned Tuesday from Oklahoma City, having gone Sunday. They were accompanied by Mrs. V. A. Rattan, who visited a niece there.

Mrs. Elizabeth Snell of Floydada, was a business visitor here Tuesday.

Mrs. L. C. Harp and daughter Jean, made a trip to Lubbock Saturday.

Mrs. Fred Simpson and daughter, Mrs. Don Martin, visited in Floydada Thursday of last week, in the home of Mr. and Mrs. Arthur Cooper.

BANK STOCK ...

(Continued From Front Page)

one in the ownership of bank stock. Five of the larger stock holders desired to dispose of their holdings, which were purchased by 21 smaller investors. All of the new stock-holders, with possibly one exception, are residents of the county.

"We feel the bank is a local institution now more than ever," Mr. Stearns declared, "since the stock is held by a greater number of local residents. We desire to express our appreciation for the loyalty of friends and customers and assure our patrons that the established policies of this bank will be continued in the future. We will announce the new members to the board of directors some time in the near future."

NYA Project For Youths Of Conty

M. L. Penn, Area Youth Personnel Officer, of the National Youth Administration was in Matador this week explaining an NYA project that is proposed for Motley County.

Under the plan several boys and girls between the ages of 16 and 24 years who are single, out of school and unemployed will be employed on a project under the supervision of the local county agent.

Boys working on this project will receive practical work experience and training in running contours for terraces, surveys for irrigation ditches, garden tile demonstrations, trench silo demonstration, assisting the agent in assembling exhibits for fairs, and general assistance to the agent. Girls who are employed will work as clerical assistants to the county agent and in the local welfare office.

Those eligible and interested should get in touch with the county agent, secure application forms and get certified for this employment. The project is to begin in the very near future.

CARD OF THANKS

To our friends and neighbors who assisted us in a time of need, and who spoke kind and encouraging words to us during the illness and death of our dear mother and grandmother; may God's richest blessings rest upon each and everyone of you, is our prayer.

The Havens Families.

4-H Club Selects Five On Committee

Roaring Springs, 4-H Club has selected the following men for their 4-H Club committee: Garland Murphy, Chairman, J. N. Scrivner, Mervin Green, John Turner, and Harry Duval. These men will be asked to help the boys in selecting calves, pigs, feeding practices, arrangements for show and any other problems.

Billy Long was elected vice-president to replace Jack Green who has moved to California.

Ben H. Clements Gets Promotion

Ben H. Clements, son of Mrs. Lizzie Archer of Matador and now a crew chief at Goodfellow Field, new basic flying school at San Angelo, Texas, has recently been promoted from the rank of Corporal to the rank of sergeant, air mechanic, first class, Sergeant Clements, who enlisted in the Air Corps September 23, 1940, and six other technicians of the Air Corps ground crews were promoted to fill positions in the still rapidly expanding national defense program.

Mr. and Mrs. Hugh Gray were Lubbock visitors Wednesday.

Harry Willett has been looking after business interests in Brady this week.

Mrs. Ed Taylor of McCamey, is here at the bedside of her daughter, Mrs. C. A. Pitts, who is ill.

Mr. and Mrs. Elmer Stearns returned home Sunday from Ft. Worth, where they spent last week, having accompanied their daughter Frances, who has enrolled in T. C. U.

Mrs. Virginia Smith and Miss Agnes Works of Lubbock, visited here Sunday.

L. C. Harp made a business trip to Dallas last week end.

J. R. Berryman, who has been in Mineral Wells receiving treatments and Mrs. Berryman and daughter Wandell, who have been visiting relatives in Houston, returned home Sunday.

Mr. and Mrs. John Owens of Winters, former Matador residents, visited friends here Saturday.

J. K. Crews of Plainview, formerly of Matador, was a business visitor here Monday.

Mr. and Mrs. W. D. Herring, accompanied by Mrs. Herring's sister, Mrs. Lula Carpenter and daughter Rachel, visited relatives at Post over the week end.

NEW ARRIVALS

Mr. and Mrs. Clyde Amos Flomot, are parents of Robert Ronald, born September 15. He weighed 8 pounds 8 ounces.

Born to Mer and Mrs. J. W. Ris of Glenn, Texas, a 19 pound son, on September 14.

Mr. and Mrs. Scott T. Darden Canyon are parents of 8 pound baby girl born September 12.

Mr. and Mrs. Arthur C. Floydada, are announcing the birth of twin daughters, Jane and Linda June, on September 11. The babies weighed 6 pounds. Mr. and Mrs. are former residents of the county, and she is the wife of Mr. and Mrs. Fred G. son here.

FEDERAL RESERVE BANK OFFICIALS VISIT HERE

Walter Ford, Cashier of Federal Reserve Bank, Dallas, accompanied by Charles C. also connected with that institution, visited Elmer Stearns, other members of the First Bank force here Tuesday.
