TOPS Club will host youth skating from 2-5 p.m. Sunday at the Bailey County Exhibition Center and Coliseum.

Admission for the three hour skating is \$1 per skater.

Mr. and Mrs. Buck Creamer returned from Childress Friday evening where they attended the funeral of an aunt, Pert Dobbs. On Saturday, the Creamers and Clea Williams went to Lubbock for the funeral of a niece and cousin, Euthemia Key.

No citizens appeared at the hearing Thursday night at the Muleshoe City Hall reference raising the tax rate for the City of Muleshoe.

The meeting adjourned around 9:30 p.m. and the next hearing is scheduled for Thursday, September 18, at 8:30 a.m. at the city hall.

City Council members voted and approved an 'intent to set the tax rate at .60 per \$100 valuation.'

Tommy Bratcher will be guest speaker for the Muleshoe Jaycees during their regular meeting tomorrow, Monday, at noon at the XIT Restaurant.

Mrs. Bratcher will be speaking on "Cystic Fibrosis". The Jaycees have urged all interested persons to attend.

Miss Tri-County Pageant Plans Well Underway

Troy Stegemoeller, Jaycee chairman of the Miss Tri-County Pageant for this year, has issued a plea for all prospective contestants for the annual pageant to get those entry blanks turned in.

October 1 is the deadline for participation in the October 18 pageant to choose a new Miss Tri-County. Reigning Miss Tri-County, Laura Ellis, daughter of Mr. and Mrs. Bill Ellis of Friona, will be crowning her successor on that date.

Laura is currently a student at West Texas State University, and for the past two summers has been a cast member of the production "Texas" in Palo Duro Canyon.

Four categories are open for Little Miss Tri-County, Miss La Petite, Junior Miss Tri-County and Miss Tri-County.

All participants need a sponsor and will need to

owners this weekend. Dr. Cowart said at least 10 cases of the new dog virus, parvovirus, have been treated by their clinic during the past few days.

According to Dr. Cowart, the bad thing about the disease is that it sets in suddenly, and is accompanied by some or all of the symptoms of fever, listlessness, off food, vomiting, diarrhea, sometimes accompanied by bloody diarrhea and collapsing.

Many dogs are dying because they are not receiving the vaccines necessary to prevent or cure the disease.

Dogs acquire the disease through contact with other animals, so the veterinarians are suggesting that animals be kept from other dogs, such as in kennels, dog shows, or wherever dogs may congregate.

"The situation is becoming acute real fast," warned Dr. Cowart. "We are suggesting and recommending double vaccine, two weeks apart. Also, the quicker we start the vaccinations, the easier we will have in combating this deadly dog disease."

He added that the parvovirus has been reported for some time across the country, but right now, it is becoming a local problem.

School Board Hears Reports From Educators

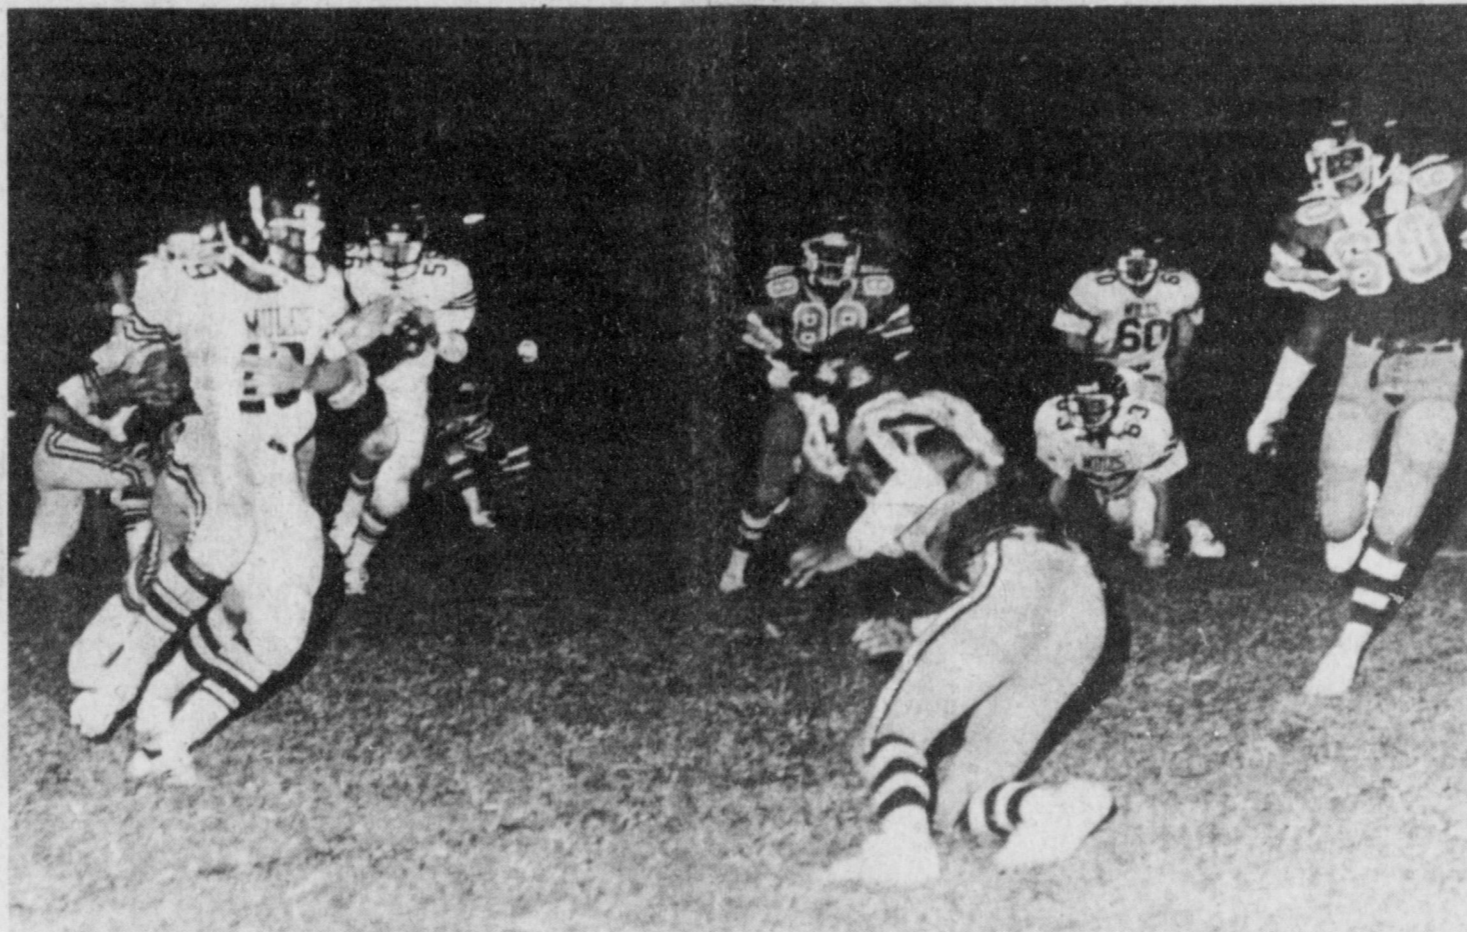

During the regular monthly meeting of the Muleshoe School District Board of Trustees reports were given by Georgia Pena, director of Federal Programs, and Carol Horne, director of Special Education.

Mrs. Pena explained the Federal programs in the Muleshoe schools and their scope and sequence. She also explained funding and eligibility for the programs.

An update on the Special Education program was presented by Mrs. Horne. She explained the need for the program and the purpose of the program. According to Mrs. Horne, the program has been expanded and is in compliance with directives of the Texas Education Agency.

Don Prather, Curby Brantley, and Bill Harmon met with the board and discussed planned improvements at the Vocational Agriculture Farm. A committee was appointed to work as a liaison between the Ag Booster Club and the Board of Trustees. The board agreed improvements were needed at the Vocational Agriculture Farm.

In other action, the board heard financial reports, approved a conversion of the graduation plan from the quarter system to the semester system; discussed the TASA/TASB annual

IN TUNE WITH THE TIMES---Felix Norman, No. 19, dances his way through the line as he rambles on for some of the more than 100 yards rushing, and one touchdown, he made in the Muleshoe-Morton game Friday night. Norman broke loose at one point in the third quarter for a 32-yard scamper to paydirt, adding the only points made in that quarter of the game. Following a mistake-riddled first half, the Mules played excellent ball in the second half, widening their season record to 2-0.

General Rain Gives Boost For Late Maturing Cotton

Crops in the Muleshoe area, suffering from effects of a summerlong drought, got a boost Tuesday and Wednesday when general rain finally inundated dry, parched land.

Rain started falling and the light rain continued most of the time through Wednesday to add more than an inch and a half of moisture to the thirsty land throughout the area.

During this summer, the rain had been limited to only intermittent showers which fell far short of the annual average rainfall and many farmers watched their crops, especially cotton and corn, dry up and wither in the field.

Early planted wheat also suffered and much of the wheat on dryland withered and died from the lack of moisture. However, although the rain appeared to be too late for many crops, most farmers expressed appreciation for the rain which added moisture to the sub-soil, and plans were being made to plant additional winter wheat

crops. Cotton was not expected to be adversely affected in the two day rain, as hot sunshine immediately followed the moisture and cotton was continuing to mature.

Some fields are beginning to show signs of white, as early cotton, especially

James Sheer Conservationist At Office Here

A native of Wellington, James Sheer, has joined the office staff of the Blackwater Valley Soil and Water Conservation District as a conservation technician.

He and his wife, Colleen, have moved to Muleshoe to make their home. He is a graduate of Wellington High School and Clarendon Junior College.

Sheer began his new duties with the SCD in Muleshoe last Monday.

Catholic Center Site For Festival

Today, Sunday, at 1 p.m., the first activities of a three day Mexican Festival get underway at the Catholic Center, with games, booths and music, starting at 1 p.m.

For the annual Diez y Seis celebration, highlight of the celebration will be the dance and coronation of the queen on Monday night.

Activities will continue through Tuesday night with another dance, followed by a Tribuna Libre at the Catholic Center at 11 p.m.

The following is information received concerning Father Hidalgo and the history of the fiesta:

Born May 8, 1753 in the Hacienda de Corralejo in the state of Guanajuato. Studied at Valladolid College; after he was ordained as a priest, he served as rector of the same college. He was a humble and kind man.

Being a priest, he could see the suffering of the oppressed people, oppression that had lasted three hundred years. The fact that he was half Spanish and half Indian inabled him to feel in his own flesh the disdain and the pain the people felt.

Hidalgo liberated the black slaves, he returned the land to the rightful owners, the Indians, he made proclamations (which were as hot as fire) according to many biogra-

Big Early Mistakes Hinder First Half

What started out as a 'ho-hum' humdrum football game at Morton Friday night in the first half, turned into a 'humdinger' before the end of the one-sided Mule victory at 32-7.

Only two plays into the game, Larry Beene leaped high to latch onto a Billy Cadenhead pass and had a short return on the interception, however, Beene's interception was to no avail as the Morton Indians turned it around with a Mike Scoggin interception of a Muleshoe pass only a few plays later, and ending a possible early scoring opportunity for the Mules.

But, the Morton Indians were not idle, and managed to capitalize on a big batch

of Mule Mistakes to draw first blood with a 21 yard Billy Cadenhead to Bruce Johnson touchdown pass. Dale Williams booted an extra point and Morton had the 7-0 edge over the Mules.

Although the Mules moved the ball up and down the field for many yards during the first half, they didn't set any records, unless it was a record number of penalties received. During the first half of play, the Mules racked up an amazing 100 yards in penalties, followed by only 20 yards during the second half for 120.

Mule quarterback Monty Hysinger was responsible for the Mules' first TD of the night after a Morton fumble recover, and a penalty on Morton which moved the Mules to within eight yards of the goal line. Hysinger angled right then scampered the distance to add the Mules first points with 11:36 to play in the second quarter.

Three Way Drops Game For Opener

The Three Way Eagles were stung 36-19 in the Eagles opening game on their home field when Grady rolled over the Eagles.

In six-man football action Grady scored first on a six yard run and again in the first quarter on a three yard run.

In the second, Tommy Brown raced 29 yards for a Three Way TD, but Grady added another touchdown in the quarter.

A 45 yard double play saw Grady add more points, aided by a two point safety in the third.

Tommy Brown connected on a 42 yard pass to Luis Peacock to add to Three Way's score in the fourth and Brown ran the PAT. Grady added their final score in the fourth on a two yard run. Tommy Brown also added the final Three Way score in the fourth on a 14 yard scamper.

J.V. And Portales Tie

Thursday, September 4, the JV Mules traveled to Portales only to bring home an 8-8 tie. Hector Orozco scored in the first quarter to put the Mules ahead, 6-0. On the extra point Orozco scored on a sweep, putting the JV ahead, 8-0.

Portales scored early in the fourth quarter raising the score 8-6. On the conversion attempt, the Ram quarterback threw a pass to his tight end, tying the score 8-8. Portales attempted a last minute drive but it was unsuccessful.

Outstanding players on offense were Sammy Gonzales, Hector Orozco, and Eugene Porras. Defensive players were John Wuerflein, Jimmy Green, and J.J. Martinez.

The entire defense front played exceptionally well. Rene Reyes recovered a fumble. J.J. Martinez intercepted a pass and recovered two fumbles.

The defense held the Rams to 5 first downs. The JV showed a lot of enthusiasm on the field and sidelines. The JV's next game will be September 18 in Muleshoe, where they will host Tulia's JV.

If human beings knew half what they think they know, the world would be much better off today.

Freshman Beat Portales

The Mules Freshmen team traveled to Portales last Thursday, to play the Portales freshmen. The outcome was in the Mules' favor, 14-6.

The scoring began in the first quarter when Portales recovered a Mule miscue in the endzone. The try for two points was thwarted and the score was 6-0. Later toward the end of the first quarter, the Mules got on the board when linebacker Jay Gleason picked up a Ram fumble and raced 45 yards to score. After a Mike Pecina burst for the extra

points, it was 8-6 in favor of the Mules.

In the second quarter, the Mules and the Rams exchanged possessions; and about mid-way into the quarter, Mike Pecina cut loose on a 45-yard run. The try for two was no good; and at the half it was Mules 14, Rams 6.

The second half was scoreless and it was a defensive ballgame, with the final score Mules 14, Rams 6.

The Coach comment, "I felt very good about the win. It's early in the season and we still have to improve. We will be very competitive, and I am very enthusiastic about our team. As the season goes on, we shall be getting even better. Everyone on our team is in good spirits and well."

The Freshmen played Morton Thursday at 5:00 in Benny Douglass Stadium. At presstime, the scores were not in.

Cotton customers are one thing where there's no shortage of these days. Indeed, a roll call of the countries that make substantial purchases of the cotton produced in the United States reads like a diplomatic reception at the UN. Among the nations that proved to be good cotton customers during the marketing year, were: China, Korea, Taiwan, Japan, Canada, Greece, Spain and a variety of smaller countries in Africa and Latin America. Number one customer, without a doubt, has been the People's Republic of China. The PRC purchased over 2 million bales during the marketing year ending July 31st and has already agreed to purchase well over a million bales of U-S cotton during the year now underway. Total sales to China this year could exceed three million bales.

Women, as a rule, are said to prefer men who have something tender about them--legal tender, of course.

Ten Attend Auxiliary Meeting

Texas Association of Hospital Auxiliaries District I, Areas A&B met September 9 at the First Presbyterian Church in Plainview for their annual district meeting.

Twenty-five hospitals were represented. There were 156 members in attendance. Registration began at 9:30 a.m. with coffee and rolls served in the foyer. The morning session was at 10 a.m. with TAHA Councilwoman, Mrs. J.K. Fitzgerald presiding and the president's message was read by Mrs. G.W. Manning, TAHA president elect. Lola Goodrich said a most interesting and informative roll call was presented with each auxiliary president giving information and statistics about her own auxiliary.

A luncheon was served at 12 noon in the Garden Room of the church with a style show presented by "Jacquie's" of Plainview.

The afternoon session consisted of a panel of past TAHA presidents answering questions from the floor. Those attending from the Muleshoe Hospital Auxiliary were Dorothy Green-president; Sammy Ethridge-first vice-president; Clara Crain-second vice-president; Clara Lou Jones-secretary; Faye Poyner-treasurer; Lola Goodrich-historian; Mildred Redwine, Betty Johnson, Ruth Williams, and Skeet Bradshaw.

MICKEY STEVENS

PEACH SHERBET POPSICLES

- 2 egg whites
- Pinch salt
- 6 T. sugar
- 1/8 tsp. almond flavoring
- 3 C. pureed fresh peaches
- 1/2 C. sugar
- 1 C. milk

Beat egg whites until foamy, add salt and continue beating until soft peaks begin to form. Add sugar, 1 tablespoon at a time, beating well after each addition. Add almond flavoring.

To puree peaches, wash and peel or leave peeling on as desired, and cut peaches into a blender. Blend at high speed for a few seconds until peaches are pureed. Approximately 1-2 medium peaches will make 1 cup pureed. Mix pureed peaches, 1/2 cup sugar and milk. Fold into egg white mixture. Pour into popsicle forms or into small paper cups. Insert popsicle sticks and freeze.

The Western Look Is In!
Are you going to be able to get into the western look?

"Before I called Pat Walker's," Cindy Hernandez recalls, "I was missing too many good times. Like dancing — one of my favorite things. At 5 feet 3 inches, I weighed 156 pounds, and that's not every man's ideal partner."

No-sweat exercise gets results
Cindy began a program of regular sessions on the Symmetricon unit, Pat Walker's unique passive exerciser that firms and tones while you relax (you can even wear your street clothes). She also counseled with Pat Walker's professionals about sensible eating habits. Within ten months, Cindy's dress size dropped from an 18 to an 8. She lost a total of 41 pounds and 70 inches.

Privacy is the rule at Pat Walker's
Every Pat Walker's patron is treated with the special consideration she deserves. There are no figure-revealing leotards to wear, no classes filled with other women. Counseling sessions are one to one, and each Symmetricon unit is in a private room.

Free figure analysis
Cindy Hernandez dances almost every dance now that she's down to 115 pounds. Do you have a weight loss goal? Make an appointment for a free, no-obligation consultation at Pat Walker's. We'll tell you how much you need to lose, how long it will take — and the total cost of your complete figure correction, based on four dollars per thirty-minute treatment.

AAUW Salad Supper

The American Association of University Women met Monday, September 8 at 7:00 p.m. in the Community Room of the Tri-County Savings and Loan.

Hostesses for the annual membership salad supper were Mrs. Roland McCormick, Mrs. Joe Costen and Miss Virginia Bowers.

Mrs. Roland McCormick, president, welcomed the members and guests.

Mrs. Jim Shafer, first vice-president, distributed the new yearbooks and reviewed the programs for the year. The study topic for 1980-81 is "Managing Resources for Tomorrow" and the monthly programs implement the topic, focusing on assessing personal resources, political issues, available opportunities, health and financial resources for women.

The District Workshop for AAUW will be in Leveland on October 4.

Miss Carla Shafer, daughter of Mr. and Mrs.

Sonny Shafer, was chosen the September AAUW Girl of the Month.

Officers for the new year are Mrs. Martha McCormick, president; Mrs. Joyce Shafer, first vice-president; Mrs. Pat Brewer, second vice-president; Mrs. Johanna Wrinkle, secretary; and Mrs. Maurine Hooten, treasurer.

Guest attending were Mrs. Jack Rennels, Mrs. Bill Kent, Mrs. Stanley Black, Mrs. J.D. Cage, Mrs. Pam White.

Members present were Mrs. Gerald Allison, Mrs. Harold Allison, Mrs. R.D. Angeley, Mrs. Carrie Lee Bishop, Miss Virginia Bowers, Mrs. Joe Costen, Mrs. Neal Dillman, Miss Mary Helen Gutierrez, Mrs. Gary Hooten, Mrs. Robert Hooten, Mrs. Roland McCormick, Mrs. W. O. Rudd, Mrs. Robert Sanders, Mrs. Jim Shafer, Mrs. John Watson, Mrs. R.G. Wilson and Mrs. Vijay Mittal.

STEPHENVILLE — Using "non-sexist" story books with preschool youngsters apparently changes the teachers' attitudes toward stereotypes faster than the kids', says a Tarleton State University child development expert.

"Teacher attitudes changed significantly with training, but children's did not in the four-week observation period," said Dr. Dolly Thiem, head of home economics at Tarleton State, part of the Texas A&M University System.

The study underscored the theory that prekindergarten children had already developed ideas of roles based on gender.

Homemakers Attend Area Meeting

The Muleshoe members of Young Homemakers of Texas attended the area one meeting at the Villa Inn in Amarillo, Saturday, September 6.

Mrs. Jean Richardson, area three vice president, assisted in planning and organizing the meeting.

The morning session included the business session officer reports and election of new officers for the 80-81 year. Mrs. Jean Richardson from the Muleshoe chapter will serve as the new area president. Area one is made up of all counties in the Panhandle of Texas.

The afternoon session featured a style show by Blackburns Department Store, with the young homemakers as models. The show was informative, interesting, with emphasis on fabrics and styles for the fall session.

Mrs. Dorine Harbin, Muleshoe Advisor and Mrs. Marie Stover, Advisor at Springlake-Earth presented a program called "Coping with Everyday Problems". Young Homemakers from the audience participated in exercises that explained processes in satisfactory decision making.

At the evening session, young homemakers were pinned by young farmers for a banquet where Dr. Bernie Fallan discussed seven ways to stay sane.

Mrs. Richardson presided over the awards presentations which included an outstanding chapter, outstanding YHT member and an energy award presented by Electric Utilities Companies.

Muleshoe Chapter won third in energy management.

Mrs. Dorine Harbin was one of two presented honorary membership in Area Young Homemakers.

TOPS Has Weekly Meeting

Muleshoe TOPS Chapter 34 met in the Bailey County Electric meeting room at 6:30 p.m. Thursday, September 4.

Leader, Carlene Stroud, called the meeting to order. The members repeated the club pledge and then were led in singing of the TOPS song.

Linda Vinson called the roll, with 28 members answering with how many pounds they had lost or gained since the last meeting.

Vickie Garner read the minutes. Ruth Clements gave the treasurers report.

More information was learned about the ARD (area recognition day) meeting to be held in Plainview, Saturday, September 20.

Winners of the "TOPS and KOPS Olympics" contest were announced. The contest consisted of members represented on a chart by TOPS silhouettes. The chart simulated three athletic events for TOPS and one for KOPS and members moved their TOPSI figures on the chart as they lost weight and advanced in the contest. TOPS competed in eight 1/4 "hurdles", six 1/2 lb. "broad jumps" and five 1 lb. "endurance runs".

KOPS entered the "maintenance marathon" and aimed to stay at or below

The Happy Cooker

A Happy Companion "Daylight Savings Time Is Barbecue Time." The added hour of daylight kicks off the season for backyard barbecues and outdoor living. With the energy crisis in high gear, people are rediscovering the pleasure of "home sweet home." They're planning more entertaining or family activities that can be enjoyed there.

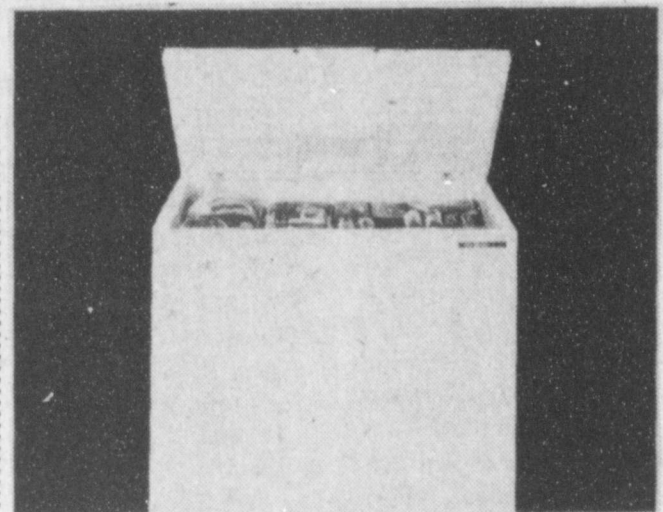

Providing enough space for seating or serving a crowd is often a problem. The makers of The Happy Cooker™ kettle grill have come to the rescue with a companion product, The Happy Snacker™, a unique portable picnic table. It can be used for serving, seating or both.

Crafted of high-strength steel tubing and redwood-stained wood slats, it is constructed in two units that latch together to form a traditional picnic table. It comfortably seats four adults (or six youngsters).

A unique aspect is that each unit can also be used separately as a bench or snack table.

Our Power

Information About Electricity From Experts FINDING FUEL

Producing electricity without burning fuel may soon be possible, thanks to research efforts going on today.

We may soon be able to run power plants on batteries.

The energy would come from a fuel cell, which works like a storage battery, producing electricity from a chemical reaction. Fuel cells are efficient and non-polluting and cost less than coal to use.

Unfortunately, present fuel cells are small. As many as 400 would be needed to produce only 50 kilowatts.

Experts at Edison Electric Institute, the association of America's investor-owned electric utility companies, predict, however, that commercial-sized fuel cell-powered generators will be in use in the near future.

Why go to the expense of buying another house with today's interest rates, when we can remodel your home like you want it with very little future maintenance & lower utility cost.

on some of the irrigated land is beginning to open. However, late planted dry-land cotton is blooming and in many fields squares and young bolls are just showing.

Many farmers are expressing concern about an early freeze. The earliest freeze recorded in Bailey County is around October 6-7, and most farmers are hoping for a late freeze this year to give their crops an added boost and more growing time.

Corn, which has suffered with other crops, will be harvested during the next few weeks. Some farmers

cut their corn for ensilage early in the season as the drouth continued, and the irrigated corn, in many instances, which was allowed to continue to grow, is not expected to be as damaged as first feared.

A PAT kick failed and the Mules trailed by one, 6-7. However, Hysinger jumped up and hit Kelly Harrison with a 16 yard pop-up pass for the second TD of the game with only 33 seconds to play before half-time. Felix Norman attempted to run for two extra points, but was stopped short of the goalline.

At the end of the first half, the Morton Indians were minus on Yardage and the Mules had racked up 207 rushing and in the air, although they held only a five point lead.

The big turnaround came in the second half after the Mules had determined that the Indians fully intended to give them a ballgame.

When the second half started, the Mule defense dug in again, and held the Indians back. In the first half, the Indians managed two first downs to 11 for the Mules, and in the second half, the Indians again had only two first downs, with the Mules accumulating another seven.

Felix Norman broke loose early in the third and scampered for 32 yards to make the Mules' third touchdown of the evening, and Charles Walker failed on an attempt at a two point conversion.

Going into the fourth, Hysinger widened the score more when he made a surprise 17 yard dash, outracing his would-be blockers to the end zone and with 11:18 on the scoreboard clock, added another six. He then came back and successfully kicked an extra point, to widen the score to 25-7.

At 4:17 of the fourth, Charles Walker added a 25 yard TD run to wind up scoring for the Game. Monty Hysinger kicked the extra point and scoring ended at 32-7.

Larry Beene, Bobby Perez and Jimmy Gleason each had key interceptions in the game, and Hysinger was intercepted one time by an Indian. Each team had one fumble.

The Mules had 287 yards rushing; Morton had 80 yards in the air to 26 for the Mules.

Norman (Felix) and Charles Walker each had over a 100 yards on the ground, with Walker at 109 and Norman with 103.

Mule Quarterback Monty Hysinger was sacked one time for a 10 yard loss and Billy Cadenhead, Indian quarterback was sacked four times for -57 yards.

1980 Officers For FFA Here Are Elected

COLLEGE STATION — In the land of cotton where old times are not forgotten, Texas is ripe for growing grapes on a major scale, says a Texas A&M University teacher whose wine hobby has won him an award.

In a wine-tasting test last year by the Texas Grape Growers Association, a French colubard made by horticulturist Ron Perry was rated excellent by a panel of California judges.

"Wine produced from Texas grapes can compete with those of California or anywhere else," said Perry.

Best spots in Texas would likely be the Hill Country and High Plains near Lubbock.

Nacio el 8 de Mayo 1753 en la Hacienda de Corralejo en estado de Guanajuato.

Estudio en el colegio de valladolid, y despues de ser ordenado sacerdote sirvio de rector del mismo colegio de valladolid.

Era un hombre humilde y amable a pesar de tener mucha educacion.

Como todos sabemos era Sacerdote, y como tal podia ver los sufrimientos de pueblo oprimido por mas de trescientos años, su condicion de "Criollo", o sea que tenia sangre India y Espanola, lo hacia sentir en carne propia el desprecio y el dolor que sentia el pueblo.

Hidalgo liberto a los esclavos negros, devolvio sus tierras a los indios, redacto proclamas que echaban chispas segun palabras de sus muchos biografos.

Redacto un periodico llamado el Despertador Americano Hidalgo dio el "Grito" de Independencia, pero el no pudo ver el fruto de sus trabajos porque en 1811 fue condenado a muerte y fusilado en Chihuahua.

Y desde entonces es conocido como el "PADRE DE LA PATRIA."

Open Letter To The Public

I will be visiting with as many of the voters in Bailey County, Precinct One, as I can, starting this week.

We need to discuss, on a personal level, the problems confronting the county and exchange ideas on possible solutions. Many of us may be thinking along the same line. This would be a good way to consolidate some fine suggestions and offer them for adoption.

You might gather your thoughts, in the meantime, because I'm sure you'll have many questions to ask me. I also have some proposals we can discuss.

If I can get enough of you all fired up about making some changes in the county we could have a Precinct One meeting and decide on what changes we want.

This whole election hinges on how fed up you are with our present status. Once each election year you get a chance to be heard.

For your own sake, don't miss it. Show your determination at the polls. I'll be looking forward to seeing you very soon.

Respectfully,
Thomas S. Freeman
Republican Candidate for County Commissioner Precinct One

★ Be ever mindful and thankful to GOD for...

HEALTH and FOOD

In our nation today, the majority of us have so much to be thankful for. Sure we lose a tooth or two in growing up, as the one pictured here, but these will soon be replaced. Health and Happiness are generally ours, and through our abundance we should share with others who are less fortunate. God's word and the church encourage sharing with others. There are many areas of service to others within the churches, and these we should not neglect, but God has said that we should take advantage, as we are able, of all opportunities to give aid. "As we have therefore opportunity, let us do good unto all men."

GALATIANS 6:10

THE CHURCH ENCOURAGES LOVE AND COMPASSION FOR OTHERS

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

MULE'S TALE

Editor: Michelle Agee

Official Publication of Muleshoe High School Written and Edited by Students of the Muleshoe Schools

Sun' September 14, 1980

Teachers Welcomed To Muleshoe High School

Muletrain Mule's Tale Staff

The 1980-81 Muletrain-Mule's Tale Staff has begun to make plans for the new school year.

Michelle Agee has been selected as the new Mule's Tale editor. She is a senior and has been in journalism the past two years.

Lynnette Shafer and Keva Roming are the new editors of the Muletrain Yearbook. Both are seniors and are in their third year of journalism.

Other members of the staff include Brad Poyner - senior; Jan Whitt, Susie Pierce, Lavon Rhodes, Trinidad Lopez, and Curtis Wheeler, all of juniors.

The sponsor of the Muletrain-Mule's Tale Staff is Mrs. Lucy Faye Smith. She has been sponsor for the past ten years and is doing a super job.

The staff began selling advertisements for the an-

nual Friday, August 29, and wish to express their appreciation to all the advertisers who help to make the Muletrain '81 possible.

Mr. Lonnie Adrian, the new owner of Shafer's Studio, and Mrs. Pat Shafer spoke to the Muletrain staff September 4 concerning photography for the annual.

Mrs. Cleta Williams of the Muleshoe Publishing Company spoke to the Mule's Tale staff September 8 concerning the Mule's Tale page in the Bailey County Journal each Sunday.

The staff announces that the football memory mates are now on sale. These include an individual picture of each varsity and JV football player and a team picture. They sell for \$7.50. Call Mrs. Lucy Faye Smith or any staff member.

SENIOR CLASS OFFICERS 1980-81--Recently the 1980-81 senior class chose class officers and sponsors. Named are from left, back row; Clifford Watson, Carroll Precure, Stephen Johnson and Kerry Moore. Front row, from left are Keva Roming, Carla Shafer and Diana Saldana.

There are several new faculty members at Muleshoe High School, and the Mule's Tale Staff extends a welcome to them.

Coach Alan Cornelius, a varsity coach, is not new to Muleshoe; but he is a new faculty member for the high school. He is teaching Biology I, Health, and is JV Basketball Coach. Coach Cornelius and his wife, Jan, reside at 614 West Ave. E.

Mrs. Lois Washington is not new to high school. She previously was an aide in the Compensatory Education program, but is now the high school secretary. Her husband, George, is a teacher at MHS. They have two grown children, Lana and Mark.

Mrs. Nonette Robinson, another new teacher, teaches three Resource classes --Math, English, and Science. She and her husband were both reared in Crosbyton, where they graduated from high school and then received their degrees at North Texas State University in Denton. They recently moved from Plainview where they had been engaged in a private business. Prior to that she was a County Extension Agent in Home Ec in Decatur for four years. During this time her husband was doing

graduate work at North Texas. Her husband, Coach Jerry Robinson, is the defensive line coach for the Mules and also teaches Science and History in junior high. Mrs. Robinson's hobbies are sewing and chasing after their two year old son, Taylor. They belong to the First Baptist Church. When asked to comment about Muleshoe, she said, "I like it here very much. The people have been extremely warm. It's a comfortable atmosphere here in Muleshoe."

Coach Nancy Ray came to Muleshoe from Abilene where she graduated from Abilene Christian University. She played four years of high school basketball and played college ball until an urgent knee surgery. Miss Ray enjoys riding her horse in rodeos in her spare time. She coaches the volleyball team which is doing an excellent job this season. She also assists Coach Brandon with girls basketball and teaches two classes of Physical Education.

Jim Leach comes to Muleshoe from Monahans, where he coached two years at Monahans High School. He graduated from Andrews High School, and received his degree from

Angelo State University. He taught one year at Odessa. Coach Leach is Assistant Varsity Coach, coaches JV football, and teaches Health and Physical Science. He and his wife, Sherry, reside at 217 Elm.

Elaine Estrada is the new aide in Compensatory Education. She and her husband, Emilio, have a six year old daughter. Elaine moved to Muleshoe from Petersburg in 1965. She attended Muleshoe High School. Elaine's most enjoyable hobby is reading.

The Agricultural Department has two new faculty members. Jerry Lawrence teaches Ag II and III and is Advisor of Ag Co-op. Mr. Lawrence graduated from Aspermont High School and received his degree from Texas Tech University. His wife, Pat, teaches in junior high school.

Terry Singleton teaches Ag I and is also an Ag Co-op sponsor. He graduated from Lake Worth High School and East Texas State University. He and his wife, Dixie Lynn, were recently married, and she teaches 7th grade bi-lingual reading.

The student body and faculty join the Mule's Tale Staff in wishing our new teachers a good year.

OFFICERS FOR THE JUNIOR CLASS....Elected officers and sponsors for the junior class are from left, back row, Mrs. Pat Black, sponsor; Ronnie Angeley, Curtis Wheeler, Jan Whitt and Coach George Washington, sponsor. Front row, from left are Dusty Puckett and Robin Burgess.

Junior Class Officers

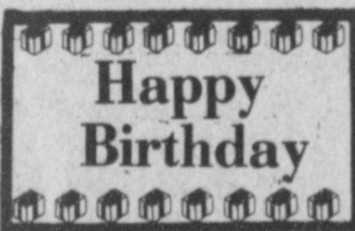

The Junior class met Thursday, August 28 to elect officers for the school year 1980-81. Elected were President Curtis Wheeler; Vice - president Ronnie Angeley; Secretary - Treasurer Jan Whitt; Parliamentarian Robin Burgess; and Student Council Representative-Reporter Dusty Puckett.

The students elected Mrs. Pat Black and Coach George Washington as their sponsors.

The Juniors have many activities planned for the year including the Junior supper which will be held November 7 preceding the game with Friona. Other activities are being planned throughout the year in order to raise money for the Junior-Senior banquet to be held in the spring.

Attention Students

Student Season Football tickets are now on sale for \$5.00 for the varsity games. This is a big savings. The tickets at the gate are \$1.00.

Freshman Met Friday

The Freshman class met Friday, August 29 at 11:00 a.m. in the auditorium.

The meeting was called to order by high school principal, Mr. Wayland Ethridge. He welcomed the Freshmen to high school and distributed the handbook. He went over the rules and regulations with them.

The main order of business was to elect officers and select sponsors. Elected were President Darin Shaw, Vice-president Randall Stevens Secretary-Treasurer Jeff Hamilton, and Reporter Richie Richards. Sponsors are Coach Jim Leach and Mrs. Renee Taylor.

Senior Class Officers

The Senior class met Thursday, August 28 in the auditorium to elect class officers and sponsors. Elected were President Carroll Precure; Vice-president Clifford Watson; Secretary-Treasurer Keva Roming; Parliamentarian Diana Saldana; and Student Council Representative Carla Shafer. Sponsors are Keith Taylor, Kerry Moore and Stephen Johnson.

Among the Senior projects scheduled for the school year will be a Senior supper preceding the Olton game, October 24.

Pat Shafer and Lonnie Adrian of Shafer Photography made a presentation in each World History class on Thursday, September 4, showing poses for Senior pictures for the yearbook and explained the costs and what each student receives as part of the sitting fee.

It is better to have useless knowledge than to know nothing.
-Seneca.

FRESHMAN CLASS OFFICERS....Chosen as sponsor and officers for the freshman class at MHS were from left, back row, Mrs. Renee Taylor, sponsor; Jeff Hamilton, Richie Richards, Randall Stevens and Jim Leach, sponsor. Front row, from left, Darin Shaw and Jay Gleason.

Sophomore Officers

The Sophomore class met August 29 to elect their officers and sponsors for the year.

Michael Isaac was elected President and presided over the meeting. Other officers elected were Scott Campbell, Vice-president; Rhonda Dunham, Secretary-Treasurer; Freddy Vela, Parliamentarian; and Laura Leal, Student Council Representative. Sponsors for the Sophomore class are Mrs. Mary Furguson and Mrs. Jamie Thrasher.

MHS SOPHOMORE OFFICERS....In elections for sponsors and officers for the sophomore class named were from left, Mrs. Jamie Thrasher, sponsor, Michael Isaac and Mrs. Mary Furguson. Front row, from left, Freddy Vela, Laura Leal and Rhonda Dunham.

Coaches Comments

We have a very tough schedule this year, and we are hoping that we can also be competitive.

The attitude of our players is improving each day, and I think we are improving our technique each day also. We want the entire student body to get behind and support Mule Mania this year. We have a lot of improvement to do in some areas; but with a dedicated effort from the team, we can correct those errors and have a great football team for MHS!

The Portales game was a very encouraging event for our team. We were very pleased with our performance, especially being the first game of the season. Progress must be made in our kicking game and passing game for us to be a strong contender this year. Special praise goes to the defensive unit for holding Portales to 0 points and also to the offensive line for controlling the line of scrimmage as well as they did. One victory certainly does not make up an

the kind of start that we wanted to by winning. Special thanks goes to the

DECA Plans Activities

DECA is planning another very active year during 1980-81. Prior to the first day of school, activities were already being planned. Officers are President Albert Lopez; Vice-president Traci Walker; Secretary Sheri Ellard; Treasurer Brenda Stevens; Reporter Ralph Sanchez; Parliamentarian Ruben Fabela; Historian Bruce Hernandez; and Student Council Representative Juanita Lozano.

DECA Says "Thanks"

The DECA Chapter of Muleshoe High would like to publicly thank Mr. T.R. White of White's Cashway Grocery for donating a cash register to the club. It will be used in the School Store, DECA Mercantile. Mr. White has been a strong supporter of the program for many years and has trained many student employees in the food marketing area.

Thanks, Mr. White, for

band, students, cheerleaders, and faculty for their great Mania spirit.

planned are the Leadership Development Lab in Amarillo on September 19 and 20, the Pre-game Sausage Supper on October 10, Area Career Development Conference in Wichita Falls in March, and State Career Development Conference in Dallas in April.

DECA sponsored a car wash/garage sale at the Bailey County Coliseum Saturday from 8 a.m. until 5 p.m.

Jaycees In Action
By Chuck Smith

The Muleshoe Jaycees have been quite busy during the last two weeks. A Labor Day Rest Stop was run by Kent Kelly from August 29th to September 1. Several people stopped and took advantage of the chance to rest and have a free cup of coffee.

The flag project is coming along well. Chairman Jimmy Rogers reports many patrons have renewed for this year. For \$27 the Jaycees provide a flag to the participating business.

Public Notice

Notice is hereby given that a public hearing on the proposed County Budget for the year 1981 will be September 23, 1980, at the regular meeting place of the Commissioner's Court in the courthouse in Muleshoe, Texas.

nesses on each of the major holidays. Through this Muleshoe shows the patriotism our country needs now.

Along with the flag project, the Muleshoe Jaycees will be finishing up the "get out and vote" projects. Voter registration is planned again for the high schools. Every one is urged to exercise their right to vote.

Troy Stegemueller is chairing the Miss Tri-County Pageant. Entry deadline is October 1. The pageant will be held on October 18. Cindy Purdy will be production director. More details are available through the Muleshoe Journal, KMUL and Channel 6.

The Vial of Life project is in the final planning stages. Details will be made available next week. This will be a community service project for the Muleshoe area provided free by the Muleshoe Jaycees.

Attending the September 18th noon meeting at the XIT were Kent Kelly, Troy Stegemueller, Walter Little, Tim McCormick, Bruce Woods, Tommy Gunstream Ricky Mata, and Terry Field.
