Heavy Rains Wash Away Young Crops

Severe damage to young row crops was sustained from "cloudburst" rains in a wide area of the county Sunday night. Reports indicated that most of the damage centered in the Tee Pee Flat area, south and west into Dickens county. One farmer in the community declared that four inches of rain fell within 40 minutes during the storm. It was believed that many thousands of acres of young cotton may require replanting.

Rainfall in Matador registered a total of .91 inch during the past week, according to George Springer's rain gauge. The precipitation on June 4th was .23 inch and on June 6th, .68 inch.

Showers have delayed planting and cultivating ever most of the county. Many farmers are operating tractors day and night in order to get cotton planted in the remaining part of the planting season, and to keep weeds under control. Despite the excessive rainfall which has hindered planting, crop conditions over the county generally are considered very favorable.

Soldiers Assured New Ration Book; Stations Warned

Assurance that service men would be issued War Ration Book 3, has been made by Howard Gholson, Lubbock district director of OPA. Numerous service men from the "ir fields" in West Texas have been appearing before local boards to find out why they are not to make out applications for the books at this time.

Applications of service men will be taken at a later date and final details for taking the applications are being worked out now, the OPA has announced. Military personnel eating in their own homes were previously issued Book 1 and 2. Book 3 is merely a replacement book and probably will not be put into use until August. Members of service men's families file applications for the book in the same manner of other civilians and must send in their applications before June 10.

Filling Stations Warned Filling stations operators must comply with OPA regulations or risk suspension, the district office of OPA warned today, in revealing that several operators in West Texas had been suspended from doing business on various violations of the program.

Baptists Announce Bible School At Roaring Springs

A vacation Bible school will start at the Baptist church in Roaring Springs on Monday, June 14, at 8:30 a. m., according to an announcement made this week by Rev. S. W. Badgett, pastor.

All children up to 16 years of age are invited and expected to attend, he declared. Miss Opal Hoppe, secretary to G. W. McDonald, president of Wayland College, Plainview, will assist in the school. A Vacation Bible school parade will be staged in Roaring Springs, Saturday.

Lions Fiscal Year To End Next Week

Next meeting of the Matador Lions Club at the Methodist church basement, Tuesday, June 15, will end the organization's fiscal year. New officers will be nominated, elected and installed during the meeting.

Regarding the importance of the meeting, Lions secretary J. R. Whitworth, said yesterday: "In my name and in the name of Tail Twister Henry Ford, urge all members to be present. Outgoing Boss Lion Douglas Meador and other officers have done a fine job. We have had a great year and we urge the membership to honor the out-going officials with 100% attendance, which will also be an inspiration to the new officials assuming duties."

Regular directors meeting will be held at the Magnolia Cafe at 8:30, Monday morning June 14.

District Salvage Rally Scheduled For Next Week

War Salvage committee members, public officials and other community leaders, both men and women, from 23 counties are being invited to attend an Area Rally in Lubbock, Tuesday, June 15. The meeting will be at Hotel Lubbock.

William A. Becker, Washington, D. C., Field Deputy for the General Salvage section of the War Production Board, will be the principal speaker at the rally.

Purpose of the June 15 gathering will be to stimulate renewal and intensification of salvage collection programs in the counties of the area.

Leaders declare there is a very imperative need for the immediate collection of all used tin cans, silk and nylon hose and other garments made of those materials, waste fats and all salvage copper, brass and bronze. In addition there is still a pressing need for all scrap or discarded iron and steel materials.

Full explanation of the procedure followed by the Army in cooperating with civilian salvage programs will be given by Major Alfred R. Teter, Dallas, Salvage Co-ordinator for the Eighth Service Command of the U. S. Army.

Importance of the affair is indicated by the fact that the Lubbock OPA District Office has issued a special letter to all County War Price and Rationing Boards in the area authorizing the issuance of supplemental gasoline rations to officially designated salvage committee members sufficient to enable them to use their automobiles to come to the meeting, when it is not practical for them to use other means of transportation.

Salvage Yard Is Closed Down Here

The V. D. Pippins salvage yard, located on Highway 28, near the Phillips 66 service station, was closed yesterday. Mr. Pippins, who has been operating a similar yard at Spur in connection with the station here, said that the business was no longer profitable.

He has purchased a scrap yard at Crowell and moved most of the equipment and materials to the Ford county seat.

7 Scouts Receive Promotion

Scoutmaster W. B. Swim and seven members of the Matador Boy Scout Troop 60 received promotions at the Court of Honor held in the Methodist church, Tuesday evening at 9 p. m. Approximately 30 members of Scouts families and friends attended the court.

County Judge W. R. Cammack, presided as judge. Justice of the Peace Henry Pipkin, presented Jimmy Guest with the Tenderfoot badge.

Vernon Does presented 2nd Class badges to Billy Jim McKelvey, Norman Spray and John Houston Irvin.

J. R. Whitworth presented Merit badges to the following: Scoutmaster W. B. Swim, W. A. Johnson, Eugene Johnson (2 badges) and Bobby Harp.

Methodist Revival Date Is Announced

In an announcement made this week by Rev. W. B. Swim, pastor of the Methodist Church, the date for the annual summer revival will be from July 4, through July 18.

Rev. U. D. Crosby, pastor of the First Methodist Church, Seymour, will do the preaching, and Rev. W. M. Culwell of Turkey will have charge of the song services and young people's work.

Further details concerning the meeting will be outlined in the Tribune at a later date, Rev. Swim stated.

Numbers To Speed Up Mail Delivery In Large Cities

A new method of speeding up mail deliveries, through addition of branch post office number to the address on mail for delivery in large cities, is being placed in operation according to postmaster E. F. Springer.

The new system speeds up separation of mail for distribution to branch offices and permits much more rapid handling of mail by inexperienced postal clerks, according to Mr. Springer. The Postal Service has lost over 30,000 clerks to the armed service and the present system of mail distribution is greatly retarded in large cities.

Violators Eschew Modernized Jail

Sheriff H. H. Courtney may be forced to bring another plan from under his Stetson. Business had been slow at the county jail, so Sheriff Courtney decided the patronage might be improved if the jail was made more attractive.

Weeks have passed since the badly needed modernizing job was completed but still his business has not improved. One lone Negro has availed himself of the improved comforts.

Last week-end 11 arrests were made, nine of them Negroes who admitted tossing the numbered cubes in violation of the law. With the one exception, all paid their \$13 fines, or made satisfactory arrangements for them.

Two white men, Walter Johnson and Alvey Milton, both of Roaring Springs paid \$13 fines for fighting.

Ailene Russell Is Graduate Nurse

Miss Ailene Russell was a member of the graduation class of student nurses of the Plainview Hospital, in a commencement service held Sunday night in the First Baptist Church of Plainview. The pastor of the church delivered the address.

Miss Russell has been in training the past three years, and this winter completed a required three months period of student nursing in Fort Worth.

Attending the graduation were her parents and brother, Mr. and Mrs. John Russell and Sonny Russell; her aunt, Mrs. Merrell Harper and small daughter, Beverly, and Mrs. Julia Cornett.

Home Demo Agent's Office Attractive

"A corner of charm in the house of horror" describes County Home Demonstration Agent Dana Meredith's office in the second story southwest corner of the courthouse. The visitor passes through the door at the top of archaic stairs with an instant feeling of transition. High-ceilinged rooms, inviting and restful in flawless white contrast the drab interior of the courthouse.

Painters and decorators have applied their art to a frequently unsuspected degree in effecting changes over the old plaster, door and window facings. Attractive new covering has been placed on the floor.

Women of the various county home demonstration clubs are making window curtains for the office. In event the visitor is interested in food, some splendid samples of 'hot and cold pack' home canning are on exhibit.

District OPA Official Commends County Board

"Biggest Business In The World" Now Controls Nation's Wartime Economics

YOU would be paying \$200 for an automobile tire in these war-booming United States, if OPA's price controls were not in effect, according to George Young, Lubbock district OPA office organization representative, speaking here Friday evening before Motley county's assembled War Price and Ration Board panels.

SOLDIER RETURNS FROM WAR THEATRE AS VISITOR HERE

Pvt. Silas (Babe) Kennedy, one-time resident of Motley county, and a former resident of Meadow, Texas, visited here recently with his grandfather, J. C. Kennedy, and aunt, Mrs. Frank Stafford, upon returning to the United States from North Africa, where he participated in active warfare.

Although uninjured in battle, Pvt. Kennedy was retained in the government hospital in Washington, before coming here, for examination and treatment for an abdominal injury received when a horse kicked him.

Kennedy made his home at Northfield about 15 years ago when his parents resided there. His father, S. B. Kennedy, now of California, joined him here, and accompanied him to Santa Barbara, Calif., where he will be stationed temporarily.

Attached with Heavy Artillery, Kennedy has been enlisted in the army for over three years.

LI. Dick Groves One Of First To Receive Tribune

Lt. Dick Groves of Columbia, S. C., son of Mr. and Mrs. A. B. Groves of Matador, in a letter to the Tribune this week, expresses his appreciation for the subscription to the home newspaper, and says he believes his name among the first to be placed on the free subscription list. He writes:

"Ben, I want to thank you again for sending me the paper every week. I believe I was one of the very first to receive it in service. I started getting it in 1940 and have received it ever since. I sure look forward to getting it every week."

Lt. Groves, an Army pilot, expects to be called overseas in the immediate future.

The Tribune desires to express sincere appreciation for the following unsolicited contributions to the paper-to-boys-in-service fund, received during the past week: Jess Perkins \$5, Lt. Dick Groves (Columbia, S. C.) \$5, Mrs. W. E. Burleson \$2 and Sgt. Harvey W. Wilson (Ft. Sil, Okla.) \$1.

TEXAS WILL LEAD IN PRODUCTION OF SYNTHETIC RUBBER

One of Texas' largest synthetic rubber plant operated by a single company is nearly complete and ready for production.

It is the 60,000-ton Goodyear plant at Houston, adjacent to the Sinclair Refining Company's big, new butadiene plant. The Houston plant is expected to start turning out Buna-S type synthetic rubber for tires and other military uses about August 1.

The company's Akron plant now has the largest production total of any government synthetic rubber plant in the country.

Comprising two distinct 30,000-ton synthetic rubber units, the Houston plant will provide employment for about 600 persons while another DPC synthetic rubber plant erected at Baytown, Texas, under Goodyear supervision and of 30,000 tons annual capacity, will employ 350 more.

The Houston plant, like the others currently under construction, will turn out their product in 75-pound blocks. The first government synthetic rubber plants turned out their products in slabs and in blocks. Now the slabbing will be done in the rubber mills exclusively like Goodyear's in Akron.

In the Houston plant, the synthetic rubber will leave the driers on conveyors which will carry it directly to four automatic compressing machines in each unit to produce the synthetic rubber blocks to be baled for shipment.

HOSPITAL NOTES

Miss Nona Helen Kingery, daughter of Mr. and Mrs. Homer Kingery, underwent an appendectomy Monday afternoon.

Albert Rushing of Roaring Springs, broke his right arm Thursday of last week, when his tractor "kicked" in cranking. Treatment was received at the hospital.

Mrs. W. W. Clements underwent major surgery Wednesday morning.

Miss Ruth Jameson and her sister, Mrs. Bill Merriman of Amarillo, visited last week at the bedside of their mother, Mrs. R. L. Jameson, who has been ill at her home at Whiteflat.

Mr. and Mrs. S. M. Cunningham returned home Thursday from Ft. Reilly, Kansas, where they visited their son, Pvt. Lowell Cunningham, who is stationed there.

The Armed Service

Campbell of Shep- visited here during the furlough, with his wife, Myrtle Campbell.

Edmond Rattan, stationed at Field, Goldsboro, N.C., is now with the past with his parents, Mr. and Mrs. Rattan.

Ed E. Rattan of Ft. Bliss is on furlough visit here this week, with his parents, Mr. and Mrs. Rattan.

N. Casey is now stationed at Base Hospital, Camp, according to latest information.

Nichols is now P.H.M. of HA 1c. He is reaching Hq. Co. 1st Marine Regt. cr. Fleet Postoffice, San Francisco, Calif.

RAUGHON'S Business College LUBBOCK, TEXAS

to California, after a visit with his parents, Mr. and Mrs. Ralph Stapleton of Flomot, and with relatives at Lockney.

Pvt. Troy Kell arrived at his home at Flomot, Thursday for a 10-day furlough, from Camp Howze, Gainesville.

A. C. Bert Schweitzer arrived home Tuesday night from Ft. Sill, Oklahoma, for a 2-day surprise furlough visit with his parents, Mr. and Mrs. H. H. Schweitzer, before going to Sheppard Field, where he will receive training.

Cpl. W. W. McDowell and Mrs. McDowell of Dodge City, Kansas, are visiting here this week with her parents, Mr. and Mrs. Ed Cammack.

Pvt. U. D. Patton of Camp Forrest, Tenn., accompanied by his wife, visited here the past week on furlough, with his parents, Mr. and Mrs. M. L. Patton.

Pvt. Harold D. Jameson of Bryan, Texas, visited his parents, Mr. and Mrs. Jim Jameson of Whitehall, during the week.

Sgt. Owen Raby Webb has been transferred from Tucson, Arizona, to Salinas, California. He is now with the 34th Bomb Grp. 4th Bomb Sqdn. A.A.B.

Douglas E. Pitts Jr., S. 2c. who is enrolled at Chicago University, Chicago, Illinois, is now in Co. 14, Sec. D; U.S.N.T.S. He was formerly addressed at T.S.C. Sunny Gymn.

L. K. Smith, former manager of the Eddie's Bakery here, is now stationed at Camp Peary, Williamsburg, Va., cr. Ship's Co. Bakery, according to information furnished by friends.

Latest address of **Ens. E. P. Eubank** is: VT 21 cr. Fleet Postmaster, San Francisco, California.

Pvt. Travis V. McDonald of Northfield is a member of Co. D, 517th Parach. Inf., stationed at Toccoa, Georgia.

Sgt. Harvey W. Wilson of Fort Sill, Oklahoma, visited his mother, Mrs. C. E. Soderstrom, on furlough this week.

Service men stationed at the Lubbock Army Air Field, who visited with relatives and friends here during the week were **Pvt. Bill Colston** and **Cpl. Howard Edmondson** and **Pvt. A. J. Perkins**.

Roaring Springs NEWS

By Mrs. J. D. Mitchell

Mrs. J. F. Anderson and family returned Monday from Gainesville where they visited Pvt. Clifford Anderson, who is in training there.

Herbert Lowrance and Mrs. Elsie Barton of Amarillo, are visiting relatives here this week.

Mrs. Lem Miller and daughter, Wanda, left Tuesday for their vacation. Mrs. Miller will visit her parents near Dallas, and Wanda will enter T.S.C.W. in Denton. They were accompanied by Gloria Jenkins of Dallas, who has been visiting here.

Mrs. Maggie Keahy left Thursday to spend the summer in Lubbock in a position there. Her son, Joe Jimmy, preceded her a few days and registered in Texas Tech Tuesday.

Mrs. Tony Freeman and Mr. and Mrs. Harold Freeman spent the week-end visiting their parents, Mr. and Mrs. A. Freeman.

Mrs. M. D. Freeman returned Monday from Baileyboro, where she had been visiting in the home of Mr. and Mrs. Herman Havis. Glen Ray Freeman remained for a longer visit.

Baptists Set Date For Bible School

At a meeting of teachers and officers of the Baptist Sunday School, held in the church basement Thursday night, the date was set and plans outlined for a daily vacation Bible School.

The school will be held the week beginning June 21, and will include Bible lessons and handwork courses for children of beginner and primary through junior ages.

Classes will be held during three hours each morning, it was decided. The opening hour, and other data concerning the school will be announced upon completion of all arrangements.

address. Thanks again.

Respectfully yours,
Cpl. Robert L. Amick
668 Bomb Sqdn. (L)
Army Air Field
Lake Charles, La.

G. W. Sexton, former Motley county teacher, is now a lieutenant in the armed forces and stationed at Seattle, Washington. Lt. Sexton's address is: 6-564267, Hq. 11th Fighter Control Sqd. A.P.O. No. 980.

James P. Moss, S. 2c. who has been stationed at the Navy Rec. station, Philadelphia, is now aboard ship, and in a letter dated May 29, writes as follows:

"It is a slack Saturday afternoon, so I will take advantage of it and write to you and my friends in Motley county."

"I am now working in the supply office of the USS (censored) this is a real ship, and I am proud to be a member of its crew. I like my work fine and also I like the Navy; it is a great branch of the Service. I am setting out for a storekeeper 3c rating, hope to get it soon."

"Ben, I wish to express by gratitude to you, and to the fine people of Motley county for making it possible for me to get the Matador Tribune. I enjoy the paper very much. It helps me to keep up with what is going on at home."

"My address has changed again, so will you please send the paper to the following address. With best regards, I remain,

Your friend,
James P. Moss S. 2c.
Supply Office USS...
Cr. Fleet Post Office
New York, N. Y.

P. S. Letters are always appreciated. (Editors note: Due to censorship, it is necessary to omit the name of James' ship here. How ever, same will be furnished to his friends who wish it for the purpose of writing him, as it is part of his address.)

May 29, 1943

Dear Ben:

I wish to take this opportunity to thank you and many others that extended to me a cordial welcome when I was home. I am sorry that I did not have enough time to visit with my many friends. My time was so limited that I only had time to say hello and good-bye.

I arrived back at camp on May 25 after traveling about 2200 miles. There were mostly soldiers till we reached New York City and from there on they were all sailors.

We are having some wonderful weather here now. I have about decided that we might have at least a month or two of summer weather. The nights are still real cool, but the days are nice.

I received the paper today and sure was glad to get it and see

BIRTHDAY DINNER CELEBRATES 74TH YEAR

A celebration in honor of his 74 birthday, Tuesday, was held Sunday for George W. Ratcliff at his home here, with all of his children present with the exception of G. W. Jr., who is in the Armed service.

Guests present for the birthday where the other fellows are stationed. I see a lot of them have new addresses. Everything is on the move so now that it is almost impossible to keep up with them.

I wish to say again that I will certainly appreciate hearing from any of you that care to write and will promise to answer all your letters.

Your friend,
Noble H. Groves, SK 3c
Station Force N.C.T.C.
Barracks I-3
Davisville, R. I.

dinner included a son, Cpl. James R. Ratcliff, on furlough from San Francisco, California, a daughter, Miss Dora Jameson of Lubbock, and three other daughters, with their families of Matador, being Mr. and Mrs. Creed Jameson and children, Clara Bell and Jimmie Creed; Mr. and Mrs. Mark Hall and children, Martha Rae and Albert Stanley; and Mrs. R. L. Steffey. Others present were Mrs. Gaither Darieck, Mrs. W. D. Long, James Meador and D. A. (Uncle Dave) Fulkerson, and Mr. and Mrs. Ratcliff.

Mrs. R. M. Bloodworth returned home Thursday from Stovall Wells, near South Bend, Texas, where she has been receiving treatments for a skin ailment.

PROTECT Your Home!

Don't forget that fire strikes without warning! Be prepared. Practice safety methods—but be sure you are insured.

WE SELL ALL KINDS OF INSURANCE!

Motley County Insurance Co.

J. E. Whitworth—
—Elmer Stearns

Sure missed you for Spring plowing. But everything's going along in good shape. You'd hardly know Jimmie. After you joined up, he figured it was up to him to fill your shoes. He's proved himself a real man. Any day now I expect he'll be trying to shave. That new Conoco 70 oil you started using in the tractor and car is a real help, too. The Conoco agent tells me it contains special oil-improvers to cut down cylinder wear and bad acid action. He said acid is worst in a car standing around—not used much. That means us, because we're saving the car and tires, and not wasting time, either. Just tell your buddies that the farmers around your home are busy as the devil, raising all you can eat, and then some. We all send love—and luck. Dad—

Naval Aviation Cadet **John Kenneth Simpson**, son of Mr. and Mrs. F. G. Simpson of Roaring Springs former Matador residents, has completed the course at the U. S. Navy Pre-Flight school at Athens, Ga., and been ordered to the Naval Air Station at Memphis, Tenn., for primary flight training, according to a news release from Athens.

The item stated that at the pre-flight school he ranked among the upper ten percent of his large graduating class.

A card received from Kenneth gives his address as: A.C. John K. Simpson, U.S.N.R. Brks. 40; Class 6, Right Wing Sec. 3; N.A.S. Memphis, Tenn., and he writes: "Dear Ben: It is great to be able to tell you that pre-flight is behind me and I am now ready to get back to flying."

"This is a swell base and I know I'll like it here, but it can't be complete without the home news, so I'll ask you to send the paper to my new address."

Pvt. George Cromer of Las Vegas, Nevada, visited in Flomot last week in the home of Mr. and Mrs. H. V. Cromer.

Pvt. Johnnie Jacobs, who has been stationed at Carlisbad, is visiting at his home at Flomot, on furlough.

Recent letters received by relatives advise that **T-5 Joe Berry Meador** was in two of the battles recently fought in northern Africa. He writes, "Well, we got the 'Jerries' on the run, and the old sea was a little rough to swim, so they just made up their own minds to say, 'give up'... this makes two times I've seen the old U. S. make peace. One was with the French, and of course this time with the 'Jerries'."

"How's the Tribune? It's always a vivid part of my memories of home. I will be glad when we knock-off the rest of the 'kraut-heads' and I can again enjoy the peaceful life of an American."

June 6, 1943

Dear Mr. Meador:

Just to let you know I have been getting the paper and to thank you and the people of Motley county who make it possible. Well here is another change in

Woman-power!

pushing a button, She's good as a MAN!"

See: And what do you mean, Keddy Kilowatt—"Good as a man?"

Keddy: No offense, lady! Just this: I feel I from your 4A slippers to your spun-gold hair. You love flower-hats, veils, smooth orchestras—and, maybe, being kissed by a boy now in North Africa. But, man, oh man, how you can handle that big and heavy press!

What's strange about that?

How can 110 pounds of beauty boss 100 pounds of steel? Is it magic?

Oh, no, dummy! It's simple. Electricity does heavy work. Push a button... or flick a switch... pull a lever. I learned to do that at home... before the war. Electricity makes it possible for you to do men's work—

That's the secret of our great war production: electric power plus woman-power—

Certainly. Women are able to work beside men, and replace them, on America's roaring production lines because they learned to use electric service in the home. Call it magic if you like. But to me it's just good old common horse-sense!

The West Texas Utilities is helping make America power-full... helping provide this country with the world's greatest supply of electric power... power that enables women to do a man's work just as it has eliminated household drudgery and hard labor from the average West Texas home.

And more and more women are helping us give you the same good, dependable service you got before the war... and at the same low cost and without rationing.

Sixty-seven per cent more women were on our payroll June 1 than in 1940. The continued efficiency and dependability of Electric Service is in no small measure a tribute to woman-power.

Recent Marriage Is Announced Here

Announcement is made by Mr. and Mrs. J. W. Haney, of the marriage of their daughter, Zenobia, to Sgt. Ray Sims of the U. S. Army, in a ceremony performed at Billings, Montana on May 14, at 8:45 p. m. The vows were exchanged before the Baptist minister of that place. The bride wore a costume of beige, with blue accessories. Both Sgt. and Mrs. Sims are well known in this community, having been residents here for the past several years. Prior to his entry into the armed forces, Sgt. Sims was engaged in the cattle-trucking business. Mrs. Sims was employed at the City Drug Store here prior to her marriage. Following a wedding trip through Yellowstone National Park in Wyoming, and Glacier National Park, Montana, the couple returned to Casper, Wyoming, where Sgt. Sims is stationed. They are at home at 319 S. Jackson, there.

Newly Organized Club Has Meeting

Insect control was the subject of the demonstration given by Miss Dana Meredith to the Matador Home Demonstration club in its meeting Tuesday, June 8, at the home of Mrs. D. E. Pitts. Leaflets were distributed also. Plans for the next meeting were made and the subject of foods for summer was chosen. Members present included Mesdames W. B. Swim, H. H. Courtney, A. J. Daffern, G. E. Hamilton, Mae W. McKenzie, Frank Jameson, H. E. Berry, H. H. Schweitzer, Frank Hallford, J. L. Woodruff, M. B. Carroll, Harry Willett, W. M. Graham, Homer Sheats, Misses Amy Glenn and Dana Meredith and the hostess, Mrs. D. E. Pitts.

Miss Thacker Weds Lt. Smith Recently

Mr. and Mrs. M. S. Thacker of Roaring Springs are announcing the marriage of their daughter, Miss Joyce Thacker, to Lt. H. C. Smith of Gadsden, Ala., and son of Mr. and Mrs. Leslie Smith of Roaring Springs, which took place May 30 in the post chapel at Gadsden, with the post chaplain officiating. The bride wore a white dress with black accessories, and a corsage of gardenias. Mrs. Elsie Flowers was the only attendant. Both Lt. and Mrs. Smith are graduates of Roaring Springs high school. Mrs. Smith attended Texas Technological college prior to her marriage. Lt. Smith has been enlisted in the army for over three years, and is engaged in chemical warfare. He has received orders for overseas duty, and Mrs. Smith has returned to her home at Roaring Springs.

Boys Return From R. A. Encampment

A group of boys, accompanied by Rev. M. B. Carroll, returned home Wednesday from a three-day Baptist R. A. encampment held at Ceta Glenn canyon.

Those making the trip were: Donald Reeves, Murrell Latimer, Don Paul Keith, Elmer Lee and J. Charles Herring. W. F. McCaghen, Thomas Sanders and Bonner Nelson.

COUNT YOUR BLESSINGS....

THEN COUNT YOUR BONDS

The war against inflation is an important part of this struggle. Buying War Bonds will help to check rising prices. This is one time to consider keeping less money in the bank. Place only part of your surplus in an account and invest the rest in War Bonds.

Remember, this is total war. It won't be won by 10% of the people or 10% of the effort of all the people. So invest more than you think you can afford in War Bonds.

will be ample and above prewar profits. We are fighting Black Market goods with the present regulation which prohibits goods changing hands more than three times between the producer and the retailers."

Criticism Of Lost Books

The only criticism of OPA operation in Motley county by Mr. Young, was on the percentage of lost books reported, which he declared to be in the neighborhood of 10%. "That is too many books," he said, "and some people are going to learn to be more careful with their valuable ration books. You certainly don't lose that many pocket books in Motley county, and I can tell you ration books are more valuable than pocket books. In the future it will be impossible to replace lost ration books in less than 10 days and may require as much as 60 days. I tell you all, friendships cannot enter the rationing and price picture."

Mr. Young instructed his listeners to impress upon the public that all rationing and price business must be conducted in the rationing office, and not at the homes of members of the boards, or upon the street.

Other representatives of the Lubbock office attending the meeting, were Vance Apple, organization official and Helen Montgomery, publicity director.

Measures Offered For Preventing Athletic's Foot

AUSTIN—The common disease, popularly known as athlete's foot, is said to be the third most common disease seen by skin specialists during the summer, and the fifth most common disorder in winter. It is due to a little mold-like growth or fungus which thrives best where there is moisture and warmth. Therefore the feet make an ideal place for the growth of this germ.

"To have athlete's foot, the infection must be gotten either directly or indirectly from someone else," states Dr. Geo. W. Cox, State Health Offices. "The most

Garden Saboteurs Surrender Quickly To Victory Corps

Do you have saboteurs in your Victory garden? Are you pestered by insects which come in the spring and summer to blitz the garden that is the product of your valuable time, labor and money?

Miss Dana R. Meredith, county home demonstration agent, says that to subdue these pests, it is necessary to recognize two distinct types of insects. Each type is destroyed by a different method. First is the insect which sucks the sap from the plant. These insects may be destroyed by insecticides which will be actually contacting the bug. Among the sucking insect prevalent in this locality are the stink bug, squash bug, cabbage bug and plant lice. These insects can be successfully exterminated by dusting with a 3% nicotine sulphate dust.

To make 3% nicotine sulphate dust, secure a gallon can with a

common places to contract the infection are around shower rooms, baths or bath houses, locker rooms and other public places where persons go barefoot. And it is probable that at least one-half of all adults suffer from the infection at some time."

Dr. Cox suggested the following as some effective measures for preventing and avoiding recurrent attacks of athlete's foot:

1. Dry carefully and thoroughly the spaces between the toes.
2. Use a mild alcoholic solution on these areas after drying.
3. Liberally apply a plain, unperfumed talcum to those areas and sprinkle it freely in socks, stockings and shoes.
4. Wear socks that are absorbent but not too coarse. Shoes should be well fitted but not too tight; sufficiently roomy but not large enough to chafe and rub.

tight-fitting lid. Fill it up not more than half way with hydrated lime and put in three or four stones to act as a breaker. To each quart of lime, add two tablespoonfuls nicotine sulphate (Black Leaf 40). Shake vigorously for five minutes. The dust should be used within 24 hours and is more effective when the plants are dry. A still day is more preferable for application.

The second type of insect defoliates the plants by eating the leaves and must be controlled by an insecticide which will act as a stomach poison. The cut worm, cucumber beetle, blister beetle, vegetable weevil, potato beetle, flea beetle and tomato worm are classified as eating insects. Remedies for combating these pests may be secured from the County Home Demonstration Agent's office in the courthouse.

Miss Mollie Lee, who is employed at Lubbock, spent Wednesday of last week here with her parents Mr. and Mrs. J. L. Lee.

Mrs. Neal Hill and son Charles, left Wednesday of last week to return to their home at Richmond, California, after a visit here with her parents, Mr. and Mrs. C. T. Heller.

OPA Warns Against Ceiling Violation On Used Machinery

With the harvest season near and many West Texas farmers "figuring on a little trading" for used farm machinery and used trucks, the OPA has come to the fore again with price ceiling violation warnings. Those in the market for the equipment should be careful not to pay more than the legal price ceiling, according to Howard Gholsen, district OPA director.

"All used farm equipment sold by dealers is covered by price ceiling while only certain types sold by farmers, other individuals or auctioneers are covered," Gholsen said. In case of sales by the latter group the ceiling prices apply to five critical farm machines including tractors (except the crawler type), combines, corn pickers, corn binders and hay balers (motor or tractor operated). When one of these machines is sold less than a year from the time it was sold as a new machine,

LOCAL ITEMS

Mr. and Mrs. M. S. Patton returned home Thursday from Denver, Colo., where they spent a vacation visiting their son Pfc. William Keith Patton, who is stationed at Ft. Logan.

Mr. and Mrs. Arthur Stearns and daughter of Meadow, accompanied by their son, Stafford and his wife, visited relatives here over the week-end.

Mrs. Theodore Bain and Mrs. Delmont Hays of Northfield, returned home last week from Wichita Falls, where they were at the bedside of their mother, Mrs. H. P. Ring, who underwent surgery

its ceiling price is 85 per cent of its base price; in every other case its ceiling price is 70 per cent of the base price, last published F.O. B. factory price. For example, if a base price of a tractor was \$1,000 it may not be sold for more than \$850, if it is less than a year old, or more than \$700, if over a year old.

Ceiling Is Maximum Price

As for used trucks, the OPA points out that price ceilings apply whether sold by dealers or by individuals.

in the hospital there. Mr. and Mrs. Frank De of Dougherty, were here Wednesday. Mrs. Tolbert Barton of visited here last Wednesday home of Mrs. Harri Joy Harris returned with her for a visit.
