

School Carnival Is Scheduled Oct. 30

Annual Matador high school carnival, scheduled for Tuesday evening, October 30th, will include many new features, as students, parents and school patrons meet in an evening of fun and genial sociability. Net proceeds of the carnival will be used in defrayal of junior-senior banquet expenses.

The program this year will include coronation of the carnival queen, an amateur hour to be made up of a few students from each class in high school and grade school and also to include a few adults, the womanless wedding which will include boys from Junior and Senior classes.

R. A. M. Chapter Will Meet Monday

Announcement is made that the R. A. M. Chapter, Masons, will meet Monday evening, Oct. 22, at 7 p. m. in regular session.

An elk dinner has been promised by Companions Henry Ford, Bob Echols and D. E. Pitts with chef Henry Pipkin in charge of preparations.

There will be work of the order following the dinner, and all companions are urged to attend.

Modern Food Locker Will Open Soon

Equipment contracts have been made and Matador will soon be served by one of the most modern frozen food and meat processing plants in West Texas. The announcement is made this week by Vernon Doss, manager of Spot Cash grocery. Mr. Doss said a lease has been obtained on the Campbell building adjoining his store to the north and that the locker system will be installed in the rear of the building, with the fronts of the two buildings serving as quarters for the grocery store. After parts of the connecting wall have been removed.

The modern locker plant which will be equipped with 350 glistening white metal lockers, will be constructed to all 100 additional food storage places in event business requires them. Fruits, vegetables and meats will be processed through the "quick-freeze" method as 20 degrees below zero, before being placed in the lockers, which retains all natural flavors as when frozen. There will be no ice and no mixing of odors in the plant since each locker is sealed. Mr. Doss declared. Each locker will have a rated capacity for 300 pounds of foods. Prices are \$12.50 and \$15 per year, depending on accessibility of locker.

In addition to the locker plant Mr. Doss will operate (removed from the townsite) slaughtering facilities, where live animals may be brought for processing. Most modern methods of smoking and sugar-curing pork will be employed. Modern equipment will be used in cutting up slaughtered animals, for wrapping and frozen storage.

Mr. Doss said the total improvement may involve in the neighborhood of \$18,000. Orders for lockers are being received now at the store.

Mavericks Play today

Going to Floydada to play a return game, the Matador Mavericks, junior football team will engage their opponents for another possible "win" this afternoon at 2 o'clock.

The Floydada juniors were defeated here on September 27, with a score of 7-2, in the first game of the junior season. Following this victory with one over the Ralls juniors there on October 12, in a score of 21-7, the Mavericks have invited Ralls here for Friday afternoon, October 26. The game is called for 2:30, and everyone is extended an invitation to attend. No admission is charged.

Red Cross Office Equipment Moved

Equipment and supplies of the Red Cross office, which have been housed in the American Legion Hut, are being moved this week to former quarters over the First State Bank.

Since war activities of the Red Cross chapter have been brought to a close, and the space was needed in the legion hut for increased legion activities, the change in office location was deemed feasible by officials of both organizations.

LAPEL BUTTON WITH EAGLE EMBLEM IS DISCHARGE BADGE

Lapel buttons with eagle emblem, badge of those receiving honorable discharge from service, as shown above, are becoming more in evidence each week, as Motley county boys continue to arrive home.

Discharges were placed on record during the past week, in the office of County Clerk R. A. Seay by the following: M/Sgt. Ben H. Clements, S/Sgt. Ruel R. Skinner, Pfc. Joe E. Campbell, Sgt. Beecher L. White, Pfc. Gordon G. Turner, S/Sgt. Cecil D. Tanner, Sgt. D. D. McBride, S/Sgt. McElton Skaggs, Clarence M. Martin, S. 1/c. Othel Dowd, MM 3/c. Claudie Spray, ACMM, Troy Perkins, Pfm 1/c. and T/5 Jim D. Knight.

Clements received his papers at Sheppard Field, October 8, after 4 years, 10 months, 24 days in the service, having been overseas 1 month, 22 days, in the Rhineland campaign. He received the EAME Service medal with 1 bronze star.

Skinner's papers were issued at Ft. Sam Houston, October 3, after 4 years, 10 months and 2 days, and overseas 3 years, 1 month, 4 days. Campaigns were: Ardennes, Northern France, Rhineland, Central Europe and Normandy, and medals included American Defense Service Medal with 1 bronze star, Good Conduct medal, American Theatre Campaign medal, EAME medal with 6 bronze stars and Distinguished Unit badge with 1 oak leaf cluster.

Papers issued at Brooke Convalescent Hospital, Fort Sam Houston, on October 9, released Joe Campbell after 2 years, 9 months and 29 days in the service, during which he spent 3 months overseas in Rhineland, receiving wounds in action. Medals include the European, African, Eastern Service Medal, Good Conduct award and the Purple Heart.

Camp Chaffee, Arkansas was separation center for Gordon Turner, on October 9. He was overseas 2 years, 9 months, 13 (See LAPEL BUTTONS page 6)

There will be no immediate change in personnel, Mr. Stanley declared and the store will continue to operate under the same name. The new owner will move his family to Matador as soon as he can secure housing facilities.

Mr. Craven, one of the pioneer businessmen of this community, has been in the drug store business for 27 years. Mr. Craven was not immediately available for a statement regarding his future plans.

The United War Fund Drive got underway in the county this week, as solicitors began their work in various communities Tuesday.

With the appointment of workers in Matador, the drive was well underway Wednesday, in divisions as follows: In the residential district, the south-

east section of town is being solicited by Mrs. Mable Daffern and Mrs. L. J. Barkley; in the southwest section, by Mrs. Curtis Martin and Mrs. Elsie Gilbert; in the northwest section, by Mrs. Lillian Steen and Mrs. Howe Hines; and in the north-east section by Rev. H. G. Verner and Rev. G. E. Turrentine.

The business district has been divided in two sections, north and south, with E. F. Springer and L. J. Barkley in charge of the south, and J. R. Whitworth and Joe Gaines, the north, beginning at the bank.

Contributions Appreciated. All contributions to the War Fund Drive will be greatly appreciated, community chairman J. R. Whitworth declared. In this connection, a suggestion is made to residents just outside the city limits that it would be greatly appreciated if they would hand their donations to any of the workers listed above at any time convenient.

Several who have contributed generously in the past, live within a mile or two of town, and are often not at home when the workers visit them. It was pointed out that in such instances, it would greatly facilitate the success of the drive if these would make their donations while attending to business in town.

Contributions will also be appreciated toward the fund for the purchase of an iron lung for county-wide use, officials of the drive declared.

VISITING IN ABILENE. Amos J. Mize, S. 1/c, who recently received his discharge from the U. S. Navy, accompanied by his wife and small daughter, is visiting in Abilene with his parents, Mr. and Mrs. C. E. Mize. They are all former Matador residents.

City Drug Goes To New Owner

After being in business in Matador more than a quarter of a century, G. S. (Doc) Craven, has turned the keys of the City Drug store over to a new owner.

A deal was consummated here Monday evening whereby R. M. Stanley of Lockhart, brother of local physician, Dr. J. S. Stanley, purchased the store from Mr. Craven and assumed management Tuesday morning.

Mr. Stanley, a registered pharmacist of many years experience, said that he would return to Lockhart and remain for a brief time until his present employer could replace him. He said Mr. Craven would manage the store during his absence. Amount of the transaction was not announced.

There will be no immediate change in personnel, Mr. Stanley declared and the store will continue to operate under the same name. The new owner will move his family to Matador as soon as he can secure housing facilities.

Mr. Craven, one of the pioneer businessmen of this community, has been in the drug store business for 27 years. Mr. Craven was not immediately available for a statement regarding his future plans.

Number Of Farms In County Shows Increase Over '40

Number of farms in Motley county, as shown by the preliminary count of returns of the 1945 Census of Agriculture was 667, as compared with 590 in 1940, and 619 in 1935. This was announced last week by Weldon L. Boyles, supervisor for the 1945 farm census in the First Texas Census District with headquarters at Panhandle, Texas.

The total land in farms in Motley county, according to the preliminary 1945 census count, is 1,261,353 acres, as compared with 766,543 acres in 1940, and 491,070 acres in 1935.

The 1945 figure on land in farms exceeds the land area of the county. Supervisor Boyles explained that this is due to the fact that the entire acreage of a farm is credited to the county in which the farm headquarters is located, even though part of the farm may be located in another county.

Average size of farms shown in the preliminary 1945 census count for Motley county was 1,891 acres, as compared with 1,299 acres in 1940, and 793 acres in 1935.

In announcing the 1945 census totals of farms and land in farms in Motley county, Supervisor Boyles pointed out that the figures are preliminary and subject to correction. Final tabulations of Motley county farm census returns will be made by the Bureau of the Census and announced from Washington when completed, Mr. Boyles said.

Improved Legislation In Texas Game Laws Suggested in Address

Star-Telegram To Keep Old Rates On Subscriptions

Fort Worth Star-Telegram, Texas' largest circulation newspaper will renew subscriptions at the 1944 rate according to an announcement received by the Tribune this week.

Daily and Sunday subscription price for renewal during Bargain Day rate, will be \$8.95. Renewal rates for daily without Sunday will be \$7.75.

No new subscriptions will be accepted. Subscribers desiring to renew subscriptions are required to submit a mailing label (stamp bearing subscriber's name) at the time renewal is made.

The Tribune is authorized agent for the Star-Telegram and renewal subscriptions are given prompt and careful attention. The Tribune will also renew subscriptions at the combination rate of \$1.50 (in Motley and adjoining counties, \$2. elsewhere) when subscription to the home paper is made with the Star-Telegram. Saving is 50¢ to the subscriber as the Tribune's regular rate is \$2 and \$2.50.

The Tribune greatly appreciates the cooperation of subscribers in past years since commissions on Star-Telegram subscriptions have been a substantial part of revenue. Your renewal will be forwarded promptly. Please bring a label from any old issue of the Star-Telegram. In event the Star-Telegram is able to accept new subscriptions announcement will appear in the Tribune.

County May Be Future Center For Research

Improved legislation regulating Texas game laws may be a factor in restoring wild game in abundance to the Texas Panhandle, according to A. S. Jackson, biologist for the Texas Game Fish and Oyster commission, in a featured address before the Matador Lion Club in regular luncheon meeting, Tuesday at 12:30.

Mr. Jackson, well-known in Matador because of his interest in wild life in the Panhandle, made a condensed report of his three-year survey of quail life in Cottle county, which was completed last year. The survey was one of the most outstanding ever conducted in the state and revealed many factors regarding the mating, nesting, feeding and migration of the quail which had previously been unknown.

Mr. Jackson, without criticizing the legislature, said that the future abundance of quail might well be governed by the laws passed in Austin. He declared that a flexible season law was needed which would extend or reduce the length of the hunting season and also that the bag limit law should be written so that it could be increased or reduced, according to the number of quail available. He cited instances when such legislation would have aided in stabilizing the stock of quail in this area.

High in his commendation of Motley county's half-million acres Game Management Association, Mr. Jackson said that the organization is one of the most outstanding in the country and that Matador may become the home of one or more members of the Texas Game Commission, as the center of future research work in wild life.

Other members of the Texas Game Commission attending the meeting were Cecil Fox of Spur and O. F. Etheridge of Breckenridge. Mr. Etheridge was a former coach in Matador high school and left here about 12 years ago. Other visitors included "Caesar" McBride, returned serviceman, Mrs. Joe Krause, county home demonstration agent and her brother Bob Bentley of Denton, R. S. Stanley of Lockhart and Douglas Meador of Morton and Matador.

Speaks On War Fund. Meador, former county United War Fund chairman for the past two years, made a brief address in behalf of the drive now starting within the county. He urged the Lion Club, sponsoring agent of the drive, to use its influence through cooperation with community chairmen, to attempt in again exceeding the quota, that the county might have a completed record of achieving all war-time benefit drives.

Flomot Defeats Quitaque

Flomot is maintaining its established tradition of outstanding, football teams. Perhaps there is some magic in the shadows of the purple Quitaque peaks that instills unusual qualities in boys of the community and makes the two words, Flomot and football synonymous.

Last Friday the Flomot Longhorns six-man District 4-B team coached by W. E. Burleson and E. J. Hines, outplayed the Quitaque high school squad to the piteous tune of 56-0. Left end M. C. Jones kicked three out of four tries out of the end zone. Quarterback Calvin Monk got loose for a 60-yard run and a touchdown. Halfback Frank Fisher made two long runs attached to touchdowns. Herb Martin started the scoring parade. Outstanding work was registered by center Jerrel Martin and halfback Ralph Jones. In the game at Flomot Friday, the Longhorns played their first half of the season schedule. The following scalps are dangling from their belts: Estelline 33-0, Turkey 32-0, Kress 57-0, Silverton 12 and Flomot 16, Quitaque 56-0.

The Longhorns will play their last home game of the season at Flomot on Friday afternoon, October 26, and will appreciate the support of Matador grid fans with the assurance of witnessing a fast and interesting conflict.

Matadors To Petersburg Friday

Matador Matadors will go to Petersburg tomorrow (Friday) for their fifth game this year, with fair chances for victory, after suffering defeat in previous tilts, the last being to Spur in a score of 14-0.

After a scoreless first half during which both teams seemed up and down the field, Spur struck late in the third when Quarterback David McAteer rambled over from the eighth to climax a 60-yard down field drive. Late in the game, McAteer again counted, this time from the five to climax a 40-yard drive.

James Sharp, right end, shared honors with McAteer. Halfback Watson and Center Wright for the winners, with Halfback Payne and Center Lancaster showing up well for the Matadors.

VISITORS HERE. Lt. C. E. (Earl) Tilson, accompanied by his wife and two children, visited in Matador Tuesday, enroute to Brownfield, where they will visit relatives. Lt. Tilson is being transferred from Chapel Hill, N. C., to the U. S. Navy Pre-flight School, St. Mary's College, California.

Farmers Get \$60,000 On Cotton Insurance

Motley county farmers have found cotton insurance profitable. To date they have received \$60,559.50 on 89 total loss claims due to excessive rainfall, hail, insect, dry weather, sand and other losses. Elbert Reeves, Administrative officer of AAA declared yesterday that 27 additional full loss claims are still to be paid and that it is his opinion that more money will be paid farmers in partial loss claims than has been paid to those who have no harvest. He said the partial loss claims can be made only after the crop has been harvested and amount of loss can be determined.

Motley farmers were fortunate in the interest taken in cotton insurance during its first year of general application. Farm and business leaders sponsored the drive to explain and sell the policies to cotton growers of the county with the result that many have avoided the distress of a complete failure. Purpose of cotton insurance was to provide for conditions such as having existed in the county during the past season. Many counties in this area failed to establish the benefits of insurance well enough to receive general response from growers.

RESIDENT IS ABOARD TORPEDOED BUNK NEAR PHILIPPINES IN 1944

and is the nerve center of the battalion.
 Mrs. Bernice Barton, wife of the artilleryman, lives in Amarillo. They have two children, John Harvey and Wanda Marie. Private Barton's parents, Mr. and Mrs. H. D. Barton, are residents of Roaring Springs, Texas. A brother in the army, Iley Barton, is in Europe.

Miss Westbrooke is P-T. A. Speaker

"One-third of our people are in poor health, and one-third are in fair health from malnutrition", stated Miss Verna Westbrooke, representative of West Texas Utilities, in an address on "Nutrition", before the Matador Parent-Teacher Association, Wednesday, October 10, meeting at the grade school library.

Mrs. Curtis Graham introduced the speaker to the association whose talk contained many helpful suggestions for the preparation of foods.

A "Father's Night" has been planned for Thursday (tonight), Oct. 18, and entertainment will be provided by the recreation committee, it was announced.

Membership Drive

A membership drive is now in progress, and all members are urged to pay their dues before the end of the month.

The year books are ready for distribution, and patrons will receive these books upon payment of dues.

HOME DEMONSTRATION CLUB HAS MEETING

The Teepee Flat and Darden Canyon Home Demonstration Club met October 10, with Mrs. Otis Smith.

Officers were elected for 1946 and a book club was planned, to be started in the near future. Mrs. Lois Jo Krause, Demonstration Agent gave instructions on making a cake by a quick method recipe. The cake, cookies and hot chocolate were served the following:

Mesdames Alvin Stearns, Ben Dillard, Bob Seay, Elbert Mitchell, Marvin Webb, Claud Watson, Alfred Dye, and Krause, and the hostess.

The club will meet November 14, with Mrs. Alvin Stearns.

Standefer-Henshaw Wedding Announced

Announcement is made of the marriage of Miss Hattie Standefer, daughter of Mr. and Mrs. Lem Standefer of Flomot, to Bill Henshaw, son of Mr. and Mrs. J. W. Henshaw of Haskell, Monday evening, October 1, at 7 o'clock.

The double-ring ceremony was performed in the home of the bridegroom's brother, and wife, Mr. and Mrs. Jack Speer of Haskell. The room was decorated with red and white gladioli, with green fern background. Rev. Whitley, Baptist pastor of Haskell, officiated.

The bride wore a gray wool suit with lime trim, and black accessories. Her corsage was yellow mums. Only members of the family were present.

Mrs. Henshaw is a graduate of Flomot High School, and for the past year has been employed as time-keeper at Consolidated

ENGAGEMENT ANNOUNCED

Mr. and Mrs. L. B. Boling of Roaring Springs, have recently announced the engagement of their daughter, Pauline, to Jerre W. Lowe, son of Mr. and Mrs. J. W. Lowe of Roberts, Georgia.

Miss Boling is now employed in Lubbock, Texas, with Furr Food Stores. Mr. Lowe has recently been discharged from the Army Air Corps after having served in the C.B.I. theatre of war.

ENTERTAIN FRIENDS

Guests in the home of Mr. and Mrs. G. E. Hamilton, Friday, October 5, were Mrs. Ada Ford and Mrs. Wynona Gilbreath of the Ford Ranch, and Captain Tom Ferdinand, formerly of Melbourne, Fla., who was en route to San Diego, Calif., for Marine duty. Capt. Ferdinand is a special friend of Lt. John A. Hamilton.

Mrs. Henshaw is a graduate of Fort Worth.

The couple will make their home at Haskell.

An Ordinance

BE IT ORDAINED BY THE CITY COUNCIL OF MATADOR, TEXAS

Section 1.
 The office of Water Superintendent is hereby created and such office shall be separate and apart and independent of all other city departments.

Section 2.
 The office shall be filled by appointment, the holder thereof, to be properly qualified to perform the duties of such office. All reports shall be made directly to the City Council, and he shall not be removed during the term of his appointment, except for cause.

Section 3.
 It is further provided that the Water Superintendent herein provided for, shall and it is made his duty to supervise and oversee all water wells belonging to the City of Matador; the pumping and distribution of water to the City of Matador, and all pipes, mains and meters belonging to said water system.

Section 4.
 It shall be the duty and obli-

gation of the Water Superintendent to discharge the duties of said office in conformity to this and other ordinances now in force, or which may be hereafter adopted relative to the distribution of water for the City of Matador and agreeable to the Laws of The State of Texas, on said subject.

Section 5.
 Such Water Superintendent shall receive an annual salary for his services, to be set by the City Council and payable in monthly installments by the City of Matador.

Section 6.
 All ordinances, or parts of ordinances in conflict herewith be and the same are hereby repealed.

Section 7.
 The fact that there is no ordinance providing for a Water Superintendent separate and apart from other departments of the City Government, and the further fact that the public safety and health demands the immediate passage of this ordinance empowering the Water Superintendent to discharge the duties of said office creates an emergency and imperative pub-

lic necessity requiring the suspension of the rules that ordinances shall be read at three meetings of this council. Said rule is therefore hereby suspended and this ordinance is put upon a final reading by a vote of 5 ayes, 0 nays.

This ordinance shall take effect after its approval and publication.

Signed and approved by the Mayor, attested by the City Secretary, this the 2 day of October A. D. 1945.

G. T. Edwards,
 Mayor of the City of Matador, Texas.

Attest:
 J. F. Hallford,
 City Secretary.

In the Armed Service

Pfc. W. T. Marshall, with his wife, arrived here Wednesday of last week from San Antonio, where he is stationed, and are spending a 12-day furlough visiting his parents, Mr. and Mrs. P. L. Marshall here, and with her parents at Paducah.

From Munich, Germany, comes latest word from S/Sgt. Wildhorse Warren, as follows: "Just

a line to say Hello, and let you know we are still O.K. and still working. But it will be days now instead of months before we leave here for good old Texas. We still receive the paper and enjoy it as much as ever. It has meant more to the men over seas than any one will ever know. We say thanks a million, again to you and the people who made it possible for us to get it. Be seeing you before long."

Sgt. Aubrey Stephens is enroute home from Europe, according to advice received last week by his parents, Mr. and Mrs. Cliff Stephens.

Sgt. James E. Edmondson was recently transferred from Pampa, Texas, to Charleston, S. C., where his new address is: Box 181, Army Air Base.

Pvt. Raymond Thomas was recently transferred from Alva, Oklahoma, to Camp Polk, La. His address is: Guard Det. POW Camp.

New address has been furnished for B. Jack Green, Merchant Marine, formerly of Roaring Springs. He is aboard the U. S. S. Sea Dolphin, Waterman Shipping Co. Care Postmaster, New York.

Douglas E. Pitts Jr., MoMM 3/c, who is based at Newport, R. I., has a recent change in address to: 72 Pelham St.

Tribune, Matador, Matley County, Texas, Thursday, Oct. 18, 1945

Change in address was made recently for Cpl. James H. Henson, who is stationed at Florence A.A.F. South Carolina. He is now in Sqd. D., with box No. 173.

Leonard B. Judd, Sp. 3/c formerly of Roaring Springs, wrote recently that he was receiving a discharge from service, and would make his home at French Camp, California.

New address furnished recently for Pvt. Alton Adams, U. S. M. C., is as follows: Co. A, Spl. Training Regt. Eng. Bn. Camp Lejeune, N. C.

William F. Sheats, AOM 1/c, who has been in a Patrol squadron operating from the east coast, now receives his mail in care Fleet Postoffice, San Francisco, California.

Change in address was furnished recently for Cpl. Otis J. Hawkins, from APO. care New York Postmaster, to San Francisco, California.

Frank J. Pohl, Y 3/c, has had a change in address recently, to Ship's Co. Bx 2, R/S Navy 3149 care F.P.O. San Francisco.

William A. Johnson, S 1/c, U. S. N. R., writes as follows from the U. S. S. Bon Homme Richard: "Dear Ben: How is my old home town this beautiful October morning? We just arrived in Guam. We sailed from Tokyo on the 27th of September. I have been a lot of places, seen a lot of action, and had a lot of fun since I left the states in April 1945. I have been to Pearl Harbor, Ulithi, Guam, Kuysha, Kanoyo, Okinawa, Iwo Jima, Yokokaisai and a number of other places.

"I met Norman Harp while at Pearl Harbor and we had a lot of fun there talking over old times. I haven't seen him since. Thought maybe I might hear from him some day, but haven't so far. I hope that he is still well and happy.

"Well Ben, there is a lot I would like to say, but time is going fast, and I have to write a few more letters, so I had better wait till I reach Matador to tell you the rest.

"Ben, I want you to know that I was very happy when I received my Matador paper. It really makes us boys feel good to know that the folks back home think so much of us. Thanks for the Tribune, and tell all my friends hello, and tell them that old Dub hopes to see them all by Christmas."

Pfc. Jimmie Joe Latimer has returned to the states from the Pacific area, and at present is at Brooke Convalescent Hospital, San Antonio.

Pvt. Mack Jacobs is visiting here with his parents, Mr. and Mrs. W. F. Jacobs. He is being transferred from Amarillo to Wichita Falls.

Mendoro, Philippines
September 11, 1945

Dear Ben:
Here I am in these hot, wet Philippine Islands. It rains here all the time too. I have just now begun to get my Tribunes. They may be old, but there is a lot of things that I don't know. I would like to keep on getting it if possible.

Just another G. I.
Sgt. Lonnie M. Cox.

C. L. Wilson, CCM, of the Navy Seabees, has reached the states from the Pacific area, according to word received Sunday by his wife, Mrs. Ruth Wilson.

WITH THE 36th "TEXAS" DIVISION, SEVENTH ARMY, GERMANY (Special to the Tribune) One year after he scrambled ashore on the invasion of Southern France, S/Sgt. Wade H. (Mutt) Berryman, 36th Division infantryman, returned to the Rivera on August 15, to commemorate the anniversary.

For S/Sgt. Berryman and 239 other officers and enlisted men of the 36th, the occasion was enhanced by the transformation of the Division's first French battle field into the internationally-storied playland Riviera of pre-war grandeur.

An elaborate program featured troop reviews, speeches by attending dignitaries and the Division Commander, Major Gen. John E. Dahlquist, band music, salutes by the French Fleet, accompanied by French planes sweeping over the coast, masses and church services, native pageantry and dinners.

Berryman's wife, Mrs. Minnie K. Berryman, and his parents, Mr. and Mrs. Tom Berryman, are Matador residents.

Mr. and Mrs. J. R. Emmons and son Jimmie, are in Dallas and Fort Worth this week, attending to business and visiting relatives.

Webb Cammack of Lubbock, was a business visitor in Matador Friday.

Now 4 POINTS FOR USED FATS

Help Increase Supplies of Soap and Other Peacetime Products By Saving More Used Fats

Industrial fats far short of last year! We are almost down to the bottom of the barrel. The nation's industrial fat supply is millions of pounds less than it was in 1944. We need fully as much as last year to help make the soaps and other civilian goods you want and need so badly. So...

if you want more soap and soap flakes... if you're dreaming of nylons, sheets, cotton fabrics and want them to hurry back to the store counters... you can help by saving those used kitchen fats as you never saved before! Save every drop, every day!

These fats are vitally necessary to help speed greater supplies of soaps and hundreds of other things—like new cars, electric washers, irons, refrigerators and tires. Industry must have these fats... to help get to you more quickly the peacetime products you've been longing to have for years!

So skim and scrape and scoop just as you did so faithfully before V-J Day. To prove how important it is, your government has increased the point bonus. So help meet this nation's need by continuing to save used fats. If you can't find a store that accepts used fats, call Home Demonstration or County Agent.

FARM NEWS

Tribune, Matador, Motley County, Texas, Thursday, Oct. 18, 1945

Farmers are turning more and more to green manure and cover crops to boost their acre yields and to protect their fields against erosion, according to Elbert Reeves, Secretary to the Motley County AAA Committee.

Motley County farmers last year devoted a large acreage to these crops in addition to their record in food production. Mr. Reeves pointed out that the Experiment Station tests show that the systematic return of organic matter to the soil is vital to good soil management. Probably the most important one of these fertility-restoring practices is growing grasses and legumes for rotation. Besides adding organic matter to the soil, legumes provide nitrogen. They prevent leaching of plant food elements as well as furnish

winter pasture for livestock in some areas.

Mr. Reeves says there are ample supplies of Austrian winter peas and common vetch for farmers to carry out an even bigger green manure and cover crop program this fall and winter. Also there is available a good supply of phosphate and basic slag to go under these crops. So, if you're not already carrying out this practice on your farm, maybe you'd like to talk it over with one of your county or community committeemen.

Approximate Cotton Acreage

Intended 1945 acreage, 41,031.8 acres; cotton acreage seeded in 1944, 47,970.9 A.; insured cotton acreage reported destroyed in 1945, 8,577.7 A.; cotton acreage remaining in 1945, 32,454.1 A.; (This total includes uninsured acreage destroyed as well as acreage that was not seeded by uninsured producers) 1945 war goal assigned Motley county, 37,000 A.; number acres Motley county failed in reaching war goal set, 4,546 A.

Agricultural Department Reorganization. The reorganization of Department of Agriculture agencies recently announced by

Secretary Anderson recognizes the effectiveness of farmer committeemen by giving them additional responsibilities. The reorganization is strictly administrative. It does not affect farm legislation, such as the Soil Conservation and Domestic Allotment Act and the Agricultural Adjustment Act of 1938 which are still on the books to help farmers deal with farm problems.

It will be sometime before streamlining of the activities involved can be completely effective, since the new PMA consolidates functions previously performed by 14 agencies of the Department of Agriculture. At any rate, administration of the Agricultural Conservation Program, Commodity loans, crop insurance, and milk, butterfat, beef and sheep payments will continue without change under the elected county committeemen. Additional functions will be added to the work of county committeemen as the reorganization plan is perfected.

The principal aim of the new organization is to centralize responsibility for USDA Farm Programs and actions affecting the production, price, and marketing of farm products. In the future, farmers will deal with only a single office on these matters... the County Office of their Agricultural Conservation Program (AAA) Committee. The new plan should give better and more direct service to farmers and to the public.

The \$64.00 Question for landowners, "WHY IS A GULLY IN A FIELD?"

Secretary Anderson recently said: "If it is possible, after the war, to maintain employment, a free flow of world trade, a stable price level, and to raise the income of a substantial proportion of the families getting less than \$2500 to the \$2500 level there will be a small need to worry about agricultural abundance out running demand in the post-war period."

The net income of U. S. farmers reached a new war time peak last year. Net returns, including Government payments, to farm operators in 1944 totaled almost 12.5 billion dollars compared to 4.6 billion dollars in 1940.

Wheat producers can plan their 1946 crops with the knowledge that acreage allotments and wheat marketing quotas will not be in effect for the marketing year which begins July 1, 1946. The AAA Act of 1938 requires that the Secretary of Agriculture make public announcement each year of data concerning the supply and consumption requirements for wheat. This year as in the recent years, the national emergency makes unnecessary the establishment of marketing quotas. Acreage allotments are dispensed with in order to encourage the production of a sufficient supply of food to maintain normal domestic consumption, taking into consideration current trends in consumption and exports and the quantities of substitutes available at fair prices and otherwise to effectuate the declared policy of the act.

FSA WILL MAKE LIMITED LOANS TO SERVICEMEN

With a Congressional appropriation of more than three times that of last fiscal year Farm Security Administration is ready to make a limited number of loans to returning servicemen in Motley County desiring to purchase family sized farms. This announcement was

made this week by FSA Supervisor, S. W. Weatherall, whose office is in the First State Bank, Matador.

Twenty-five million dollars is available for this purpose this year to ex-servicemen who can qualify. Loans may run to 40 years and bear interest at three per cent.

Applications will be reviewed by an FSA Committee of local farmers, including T. M. Dixon, W. I. Rushing and C. T. Jinkins.

This committee must pass upon the eligibility of an applicant and determine that the farm intended for purchase is at a price in accord with its agricultural value. FSA Administrator, Frank Hancock, Washington, has decreed that the agency shall not veer from its sound policies of buying land at its true value nor contribute to any inflationary trend in land cost.

Yes, he does ride cheap!

Riding the rods or running a business, it's easy enough when you don't have to pay the freight. You simply get a free ride at somebody else's expense.

Maybe you run a store or service station or dress shop. Would you like to have a next-door competitor who has little or no rent, or taxes, or interest to pay, and who is kept in business partly by your tax money?

Yet this is what happens with government and political electric power systems. They ride free, contribute no federal taxes, often get your money from the public treasury at little or no interest and make up losses out of other departmental tax funds from pocket of taxpayers.

Meanwhile, on the average, America's business-managed government regulated electric companies help the people turn in taxes—about 25c out of every dollar collected to help support our government. And these companies—owned and operated by millions of folks like you—meet through proper management all other obligations without benefit of special government privileges and subsidies.

Today, these tax-paying, self-supporting companies supply over 80% of the tremendous amount of electric power produced in America... more than all the enemy countries put together ever had... and enough to have met the gigantic demands of war and still take care of all civilian needs without rationing.

Better yet—at a time when most things cost more—business-managed companies still deliver electricity at low pre-war prices. This record is your assurance that cheap, plentiful, dependable electric power will be yours in the post-war era ahead.

EASTERN STAR HOLDS ANNUAL BANQUET OCT. 9, COMMEMORATING ANNIVERSARY

Eastern Star Chapter held its annual anniversary banquet Tuesday night, October 9, with Mrs. Virginia Willie as toastmistress for the occasion.

In her charming way, Mrs. Willie gave an appropriate toast to both "old" and "new" members of this Chapter. In poetical verse of her own composition, she told that this was the 45th birthday of Matador Chapter No. 66. A beautiful bouquet of cut roses from Mrs. Willie's rose garden was presented by Mrs. Ollie Pitts, Worthy Matron, to Mrs. Fannie Jinkins, only charter member of the organization.

Serving on the banquet committee were: Mesdames Winfred Darsey, Faye Clements, Bernice Knight, Opal Craven, Sue Stapleton, Jewell Harp, Hattie Tee Tomlinson and Ollie Pitts. The menu consisted of fruit cocktail, chicken, dressing, gravy, English peas, olives, cranberry sauce, fruit salad on lettuce, hot buttered rolls, coffee and pecan pie.

Hallowe'en Theme

Decorations carried out the Hallowe'en theme in place cards and napkins, with orange colored cosmos on the tables. Other decorations included artificial pumpkins stuffed with candy, Jack-O-lanterns, and other articles in keeping with the occasion.

REPUBLIC NATIONAL LIFE
INSURANCE

Wendell C. Hawk

Representative
Spur, Texas

Entertainment committee of Mrs. Grace Campbell, Mrs. Maggie Hamilton and Mrs. Jewell Reeves conducted the games at the 12 tables, representing each month of the year. At each table the person whose birthday came in that month, was seated. One person from each table read a birthday verse that had previously been placed there, from each respective table. After that partners were drawn, and 19 tables of players entered into the game of progressive anagrams. At the conclusion of the games, Mrs. Opal Pipkin held high score for the women, and W. F. Jacobs for the men.

Those present were: Miss Rachel Patton, Mesdames Wilna Hobbs, Irene Traweck, Susie Posey, Vivian Jacobs, Jewell Reeves, Maggie Hamilton, Suelecker Stapleton, Opal Pipkin, Margaret Whitworth, Ruby McWilliams, Connie Ross Brown, Bessie McWilliams, Molly Jameson, Jewel Harp, Cora Craven, Lola Pohl, Margaret Newman, Vinie Keltz, Mary Meason, Hattie Tee Tomlinson, Ethel Emmons, Ollie Pitts, Faye Clements, Earlene Vaughn, Grace Campbell, Lucy Ford, Maggie Lee Courtney, Edith Sanders, Maye Hays, Winfred Darsey, Allie Cox, Hettie Patton, Fannie Jinkins, Opal Craven and Virginia Willie; Messrs H. F. Pipkin, B. H. Hobbs, Chas. Posey, W. F. Jacobs, Elbert Reeves, G. E. Hamilton, R. Stapleton, Randall Whitworth, W. N. Pipkin, and Dr. A. C. Traweck Jr.

TO MARSHALL

Mr. and Mrs. J. D. Gaines are visiting in Marshall, having accompanied his brother and family. Mr. and Mrs. T. C. Gaines, who were recent visitors here.

No. 1452

Shoulder Interest

begins in the broad shoulder pleats that accent a front panel effect, and then swoop down to end in a pair of handy pockets... notched collar and three button closing you'll like, too. The material, a cozy, all-wool fleece in colors that top the season's chart.

Harry Willett & Co.

Foggia, Southern France, Rhineland, Rome-Arno, Northern France and Central Europe. His awards were: Good Conduct medal, EAME service ribbon with 1 silver service star, three bronze stars and 1 bronze arrowhead.

Knight received his papers at Ft. Bliss, on October 10, after 3 years, 11 months and 13 days in the service. He was overseas 9 months, 5 days and received awards for the European-African-Middle Eastern, Asiatic-Pacific and Philippine Liberation campaigns.
