

Local Bank Gets FDIC Certificate

Elmer Stearns, Executive Vice-President of the Matador First State bank this week announced receipt from the Federal Deposit Insurance Corporation (Washington, D. C.) of a new certificate of membership giving effect to the recent insurance coverage to \$10,000. The First State bank has been a member of the FDIC since 1934.

Mr. Stearns pointed out that the insurance does not cost the depositors a penny. The surplus of FDIC which now exceeds \$1,300,000,000 (one and one-third billion), in addition to all deposit insurance losses and operating expenses of the corporation has been paid by the 13,650 insured banks of the nation, in the form of annual assessments based on their total deposits.

Mr. Stearns declared that the FDIC has made a great contribution to the soundness and solvency of our banking system and to the safety and security of bank depositors. It has been seven years since any depositor of an insured bank suffered a loss, a new record for depositor safety in the nation. "It is a sharp contrast even to the synthetically prosperous days of early 1929," Mr. Stearns declared "when the state bank division of the American Bankers association pointed with pride that in 1929 the nation had 14 states in which no bank failures had been reported."

Donkey Cage Game Will Benefit Boys Athletic Program

Rubber-shoed donkeys will be on Matador school gymnasium basketball court, Thursday evening, March 15. The donkeys will be playing basketball but not alone. They will be ridden by local citizens and high school students.

The donkeys will be supplied by Godfrey of Crescent, Oklahoma, who has previously been in Matador. The Ralph Godfrey donkey basketball rules provide that all plays must be made from the back of the donkey. To start the game the ball is tossed up at center and the centers stand on the floor and hold the reins of their donkeys and jump for the "tip-off."

When the ball is on the floor any player may dismount to get it but he must hold the reins of his donkey. The first player to get firm possession of the ball is entitled to get on his donkey without interference from another player.

The player must be on his donkey to shoot at the basket or pass to another player and the defensive plays must also be made from the backs of donkeys. There are no personal fouls and a player may take the ball away from another player or knock it out of his hands but both players must be mounted.

There are no "out-of-bounds; as long as the ball stays in the building, it is still in play. If a player throws the ball from the floor it is declared a foul and it is given to the other team. If a player leaves his donkey to get the ball and attempts to put it in play without holding the reins of his donkey, it is a foul and goes to the opposition. Following a basket the ball goes to the other team. There are no "free shots."

Fifty per cent of the proceeds will go to the boys athletic fund (which is depleted) and aid in spring football training and other requirements of the Matadors. An advance ticket sale has been announced.

MOTHER-DAUGHTER BANQUET TO BE GIVEN AT ROARING SPRINGS, SPONSORED BY PTA

The Roaring Springs Parent-Teacher Association is sponsoring a Mother-Daughter "Cotton" banquet, Friday evening, March 16 at 7:30, at the high school gymnasium, it was announced this week.

Each mother and daughter (real or adopted) is to wear a cotton print dress. The St. Patrick motif will be carried out in decorations.

Decorating committee is composed of Mesdames W. E. Bowen, Ruby Cooper, Ennis Moss and Lavoe Thacker.

On the entertainment committee are Mesdames M. S. Thacker, Herman Havis, S. J. Braselton, Jr., and Miss Freda Keahey. The foods and kitchen committee includes Mesdames John

TRAIL DUST

Runway marker lights formed a changing pattern as they neared the airport. The small coupe purred smoothly as it turned from the highway toward the lighted modernistic facade of the air station. The young wife's face was close to the uniformed shoulder and the odor of new, clean wool lingered for an instant as she fought back the mist from her eyes. They had promised there would be no tears at this parting but the silence was sucking away the strength from her will. All the twilight had gone out of the vast plains except a slight glow in the west and she allowed a painful thought to enter her heart; another twilight or two and there would be endless ocean, space Japan, the world. She looked away and pinched back the tears as the car stopped. Time had lost its old meaning. It might have been a few minutes or days when she returned to the car. The hurt of his final embrace was on her lips. She didn't remember his last words; only fragrances of tobacco, shaving lotion, clean wool. His plane was in the sky now, circling before it turned into the west. Cold tears were upon her cheek as she placed her hand on the car door and followed the blinking lights with her eyes. Two noisy stars entering the portals of space.

A predatory wind swept the barren cottonwoods and eddies of cold sand settled on the river bank drift. Leaning forward in his saddle, the rider turned his face from the wind and rubbed the mud clots from his eyes with the tips of chilled fingers. He could taste the sand and feel it burn his nostrils. Once in the shelter of the bluffs he quickly unsaddled and fed his horse. In the half-digout he found the lantern and lighted it, then started a fire in the bachelor stove. The warmth was cheering. When the coffee boiled he poured a cup and picked up the half-finished letter and the stub of a pencil. He found a smooth place on the rough table and continued, "...spring is not far away. I have a place now and I am coming after you..."

Style note: Before the Republican party can wear the attractive new gowns of popularity, it may be necessary to remove the fashions, Dewey and Hoover.

My laundry must have a defect in their button-crushing machine. One escaped last week. Examination showed, however, that it had been properly treated by the machine which cuts all but one retaining thread.

Ancient tides race on the shores of solitude and the loneliness of silent eons moves like phantom flamingos on a shallow lake of moonlight. The past raises its brown, ragged sails and drifts into oblivion; the future is dissolved in a mirage of uncertainty. Only the present has the courage, strength and effrontery to challenge the hour's mad course.

Cemetery Group Reviews Budget

A budget of \$2,500 was approved by the East Mound Cemetery Association in a meeting held Monday afternoon in the Commissioners' court room, with President Bill Seale serving as chairman.

The budget was presented for consideration by Rev. Clifford Potts. It contained a sexton's salary of \$1,500, postage and stationery \$125, typewriter \$50; filing cabinet \$75 and implements \$85. Miscellaneous items were allowed \$165 and \$500 was set aside for an improvement fund.

Orders were placed for printing needs, including membership cards. Membership in the Matador East Mound Cemetery Association was set at \$5 per person with \$5 entrance fee. It was pointed out that membership will begin January 1 and end on December 31, and that the \$5 entrance is not in addition to the membership. It pays the membership until January 1, regardless of time membership is acquired (new membership cards will be issued in December as dues are received).

Plans are designed to start the membership drive within the next two weeks, if possible, with approximately 25 workers representing all civic, religious, fraternal and veteran organizations in Matador. A membership obtained anytime this year will be considered as entrance fee and will expire January 1. After a member is registered, the dues will be \$5 per year from January 1 to January 1.

Present plans of the association will not be to bring water to the cemetery with limited finances which dues will provide. Instead the association desires to become established and in full operation before a special drive for the project is launched. It was estimated (continued on back page)

Lions Are Guests Of Schools

Members of Matador Lions club Tuesday returned to school. They were guests of the Matador schools and were served a special fried-chicken luncheon in the school lunch room, prepared under the direction of Mrs. Loyd Latimer, home economics teacher.

Program included excellent singing by the grade school chorus under the direction of Mrs. L. D. Wilkerson. Honor guests of the Lions were members of the Matador high school basketball team and honor students.

LOW-COST PAVING TO BE AVAILABLE

Residents with property on unpaved streets are offered a low-cost paving plan by Luce and Sheppard Paving Contractors, starting a project in the Afton community.

Cost will be about 60¢ per square yard, or about \$1.20 per running foot for 18-foot ribbon (without curbs, about the same paving as runs north from Bal-lard creek bridge on Main street). The company will not consider less than ten blocks in a town, although it need not connect.

Cost of paving a Matador block would be about \$480 for an east and west street (400 feet) and about \$360 for paving a north and south block (300 feet). The street would be about the same paving as is used on farm-to-market roads by the State Highway Department.

Luce & Sheppard have done similar projects in towns comparable with Matador's size. In Chillicothe over 50 blocks were paved after residents saw the quality of work and improvement of property.

"The firm will probably be in Afton about two months. Any individual or group interested in paving here may contact O. V. Johnson for further details."

VISIT RELATIVES
Mr. and Mrs. Harold Renfro and sons of Floydada, and Mr. and Mrs. C. M. Nichols of Quanah, visited their parents, Mr. and Mrs. A. B. Nichols of Roaring Springs, Sunday.

IN QUANAH HOSPITAL
Mrs. Tom Spray is expected to return home today from Quanah where she has been a patient in Quanah Memorial Hospital the past two weeks following surgery. Mr. Spray his son and daughter, Joe and Nelda, accompanied by Grady Phillips, drove to Quanah Sunday, to visit Mrs. Spray.

TO QUANAH
Mr. and Mrs. M. D. Freeman of Roaring Springs drove to Quanah Wednesday, where Mrs. Freeman entered Quanah Memorial Hospital to undergo surgery today.

VISIT SISTERS
Mrs. Emmett Davis of Clovis, New Mexico, and J. Whitaker of Seagraves, were visitors here from Wednesday until Monday with their sister, Mrs. J. M. Jackson.

Mrs. Albert Rattan and children visited at Post last week with her parents, Mr. and Mrs. O. R. Cook. Mr. Rattan accompanied his family there and returned for them Sunday.

Mr. and Mrs. Kenneth Kell of Tulsa, visited here Sunday with her parents, Mr. and Mrs. V. A. Rattan.

MARIAN MITCHELL JONES, the former Marian Alice Mitchell of Roaring Springs, was recently chosen international Beta Sigma Phi sorority queen by movie star Humphrey Bogart from a field of over 1,000 candidates from all parts of the United States, Canada, England, Japan, and other countries. She is a member of the Epsilon Mu chapter in Waco, Texas.

Mrs. Jones is the daughter of Mr. and Mrs. J. D. Mitchell of Roaring Springs. She and her husband, Louis, are students at Baylor University, Waco.

Her picture appeared on the cover of the February issue of "The Torch", national publication of Beta Sigma Phi, including a story of Mr. Bogart's selection. So entranced was "Bogie" with his choice he just couldn't see any others and hence "Queen Marian" reigns alone with no second and third selection.

This is the first time Texas has even attained the honors of winning queen of international.

PARENTS-TEACHERS TO MEET TUESDAY

Announcement is made this week of regular monthly meeting of Matador Parent-Teacher Association, which will be held Tuesday night, March 13, at 8 o'clock in the high school building.

Subject of the program will be "Cultivating in children a taste for the good." Mrs. Dick Groves will be leader, with Mrs. Frank Pohl discussing the cultural side Mrs. Frank White the physical, and Mrs. Groves the spiritual.

The program will be short, and everyone is request to bring card tables, dominoes and casta cards, as games will be played following the program.

Hostesses for the meeting will be Mesdames R. E. Campbell, Jr., I. W. Fish, Jim Sturdivant, Algine Groves, Lee Burns and Roscoe Lee.

The public is extended a cordial invitation and parents are especially urged to attend.

SOCIAL SECURITY REPRESENTATIVE TO BE HERE NEXT WEEK

John G. Hutton, manager for the Lubbock Social Security office will be at the First State Bank in Matador at 11 on Wednesday, March 14 to assist persons who wish to file claims for survivors or retirement benefits and to assist in furnishing information about the New Social Security law.

Check up right now and be safe, be sure. That's what your Social Security office advises, if you are 65 or older. The Social Security Act was changed recently, and March 31 is the dead line for claiming some of these benefits without losing. After March 31, part of these benefits will be lost by people age 65 or older who haven't checked on their rights.

ROPING CLUB TO MEET NEXT WEEK

Motley-Dickens Counties Roping Club will hold a meeting next Monday night, March 12, at 8 o'clock at the Smith Cafe in Roaring Springs, to make plans for contests this year, according to an announcement made by Tust Garnett, president of the organization.

Present plans are being considered to train cutting horses for the purpose of contests with the roping, and all who are interested in this phase of arena activities are invited to meet with the ropers.

HAS HEART ATTACK

Leonard Crowell of Flomot is a patient in Traweck Hospital, following a heart attack late Tuesday. His wife accompanied him here Wednesday morning.

RED CROSS IS SHORT OF QUOTA

A survey made yesterday of the 1951 Motley County Red Cross membership drive indicated that the county was short of its quota of \$1,146, altho many reports were still to be received.

Phil Green, secretary and treasurer, said total collections received were \$856.70.

Flomot community led both Matador and Roaring Springs with \$354.73 reported. Flomot made a one-day drive and collected the above amount.

Matador was second \$287.50 and Roaring Springs had reported \$208.47. County Chairman Furman Vinson has released no statement concerning the drive which started March 1. It is believed, however, that much of the amount which the county is short (\$295.30) may be subscribed and will be reported when various workers conclude their assignments.

Green said according to records which have been turned in, 244 contributors have made donations of \$1 or more. He said only seven of the 15 workers in Matador have made their reports.

Legion Hall Improvement Progressing

An improvement project in progress on the Fleming Post American Legion hall will be completed soon, it was announced by officials in a meeting Tuesday evening at Shorty's Cafe.

The work includes practically rebuilding the old structure. The building has been enlarged to 50x80 feet with the main hall now 50x50 feet, in addition to a large modern kitchen, new rest rooms and a completely modernized structure.

The veterans' organization has already offered the use of the building for the annual Father-Son and Mother-Daughter banquets, and the offers have been accepted, it was announced.

Present plans are to have the building ready for an "open-house" party on the evening of the first Monday in April. Decorations and other improvements included in the project are expected to be completed by that date.

The Legion hall, by a previous vote of members, will be available for meetings and various gatherings with one single stipulation; the Legion reserves the right to chaperone any meeting. The fee will be \$5 per evening.

Officials meeting Tuesday evening to consider progress of the work, were Commander Loyd Latimer, Randall Whitworth, post finance officer, Marvin Patton, chairman of the finance committee, and Howard Traweck, post adjutant.

Girls Finish Cage Season With 1 Loss In 29 Games

(By Beth Johnson)

Matador Girls Basketball team returned Saturday from Canyon where they participated in the 4-B Regional Tournament with the Third Place Consolation trophy.

The Matadors defeated Rule 26-22 Friday afternoon at 2 p.m. Hughes from Matador and Smith from Rule were the outstanding players of the game.

Playing in the semi-finals Saturday morning at nine-thirty, the Matadors were defeated for their first time by Claude, who scored thirty points over the home team's 23. Hughes again was the outstanding forward and Traweck got an excellent rating at guard position. Anerty, Traweck's forward, who averaged fifteen to twenty points each game was held down by Traweck to only two field goals and one free throw.

Coming up for Consolation Saturday night, the Matadors defeated Olton 40-24 with the B string playing most of the game. Susie Hughes from Matador set a record in girls' basketball by making 23 out of 41 free shots in three games.

The Matador girls finished their season with only one defeat in twenty-nine games.

TURKEY CORPORAL IS WAR VICTIM

Mr. and Mrs. W. L. Nall of Turkey, Texas, have been notified by the War department of the death of their son, Cpl. Raymond E. Nall, 34, who was killed in action in Korea, Feb. 16.

Attached to the Seventh regiment of the Third division, Nall had been in Korea since Nov. 19. He was a veteran of World War II, having fought in the Battle of the Bulge in Europe. He had six and one-half years of military service.

He was honorably discharged after World War II, with three and one-half years of service. A year and a half later he re-enlisted.

Survivors are: His parents, two sisters, Mrs. Floyd Harriet and Mrs. Dan Johnston of Lubbock, and one brother, W. L. Nall, Jr., of Quitaque.

Annie Armstrong Home Missions Program Presented By Women Of Baptist Church

An all-day prayer service for Annie Armstrong home missions was held Monday at the Baptist Church by the W. M. U. with Miss Amy Glenn leading. Theme for the program was "Look on our Home Fields."

The program opened with a hymn, followed by devotional led by Mrs. T. E. Cammack, W. M. U. president, with responsive reading by the group.

Mrs. Dick Groves led in "Worship" in which she interpreted the Lord's Prayer, interspersed with hymns sung by a selected group. A "Petition" of the Lord's Prayer was presented by members of the Burleson circle, including Mesdames R. E. Campbell, Jr., J. R. Moore, H. E. Watson, J. A. Groves and Elbert Reeves.

Presentation of a poster and map showing home mission fields, was made by Mrs. Ben Keltz, with remarks by Mrs. Clifford Fotts and Mrs. T. E. Cammack, on "What is my Responsibility?"

Afternoon program, following a covered-dish lunch, was led by Mrs. Lee Burns, who reviewed the life of Annie Armstrong.

WAYLAND CHOIR TO SING AT FLOYDADA

The Wayland College International Choir will be heard in concert at Floydada, Friday evening, March 4 at the First Baptist Church. The performance will begin at 7:30 o'clock.

The 25-voice choir, under the direction of Shelby Collier, presents a varied program. The first of the program will be presented in full evening dress. The second half, members will appear in gay costumes by nations as the national anthem of each country is played by Miss Eulis Burke, pianist for the choir.

Each of the costumes presents an array of color to add spice to the national anthem of each country. Two soloists of the choir are of Oriental origin. The first, Miss Muriel Okamoto of Japanese ancestry from Hawaii, sings "One Fine Day" from the opera Madam Butterfly in addition to other Japanese music. She wears the traditional Japanese kimono of exquisite design fashioned in silk with a seven foot obi.

years old, that was brought to this country by Dr. Mary Anderson, head of Wayland's department of education and former missionary to China.

Used by many Chinese leaders when in audience with the emperor, the gown is fashioned with sleeves shaped like horse heads. The wearer would then crawl in humbleness on his knees before the emperor, showing his lowly estate as contrasted to the ruler's.

Other costumes include a Chinese wedding dress and a Japanese warrior's kimono.

Hamilton, Sterling Price, Ada Ford, Eiden Reedy, Kim Wilkinson, J. L. Woodruff and Katie Jameson and two visitors, Mrs. Ted Steen and Mrs. Donovan.

Next meeting of the club will be in the home of Mrs. Ada Ford on March 15 at 7:30 p. m.

LOCKNEY BAPTIST CHURCH DEDICATED

Dedication services were held Sunday at Lockney by the First Baptist Church, commemorating payment of indebtedness on the new church building which was completed in February of last year.

The new church was built to replace the old building under the roof had caved in from a heavy load of sleet on January 12, 1949. During the time the new building was being constructed, church services were held in the City Auditorium. The new building, constructed and furnished at a cost of \$302,000 was completed in February of 1950 and the first service was held on March 5, 1950.

Rev. A. A. Brian, vice-president of Howard Payne College, Brownwood, delivered the dedication sermon in services Sunday afternoon. Rev. E. J. Cobb is pastor of the church.

Mr. and Mrs. Loyd Fulkerson and family of Odessa, former Matador residents, were weekend visitors here with his parents, Mr. and Mrs. A. E. Fulkerson.

MISS JOYCE TIFFIN AND DONELL JEFFERIES EXCHANGE WEDDING VOWS IN CEREMONY

Marriage vows were exchanged Saturday morning, Feb. 24, at 10 o'clock by Miss Joyce Tiffin, daughter of Mr. and Mrs. V. D. Tiffin of Ft. Stockton, and Donnell Jefferies, son of Mr. and Mrs. Forrest Jefferies of Modock, Kansas. H. B. Gillman of Burger, a minister of Jehovah's Witnesses, directed the double ring service in the home of the bride's parents.

Red roses, the bride's chosen flowers, were used for decorations. The bridal party stood before the mantel where the roses were arranged with garlands of chrysanthemum ribbons.

The attractive bride wore a light blue suit with navy accessories and an ornate corsage. She was attended by Mrs. Clifford Roundtree of Amarillo as matron of honor who wore a blue suit with black accessories, and a gardenia corsage.

Brother Jefferies attended his brother as best man.

Guests were the immediate families of the couple and a few close friends. They were the bride's parents, her brothers and their wives, Mr. and Mrs. Rex Tiffin of Petersburg and Mr. and Mrs. Floyd Dell Tiffin of Hale Center, and her grandmother, Mrs. Della McAdams, the bridegroom's parents and brothers, Keith, Dean, Bobby and Mr. and Mrs. J. Jefferies and daughter, all of Kansas; Mr. and Mrs. A. D. Moseley and Wanda of Ft. Stockton, Mrs. H. B. Gillman and son, Ronney of Burger, and Clifford Roundtree of Amarillo.

Reception Is Held

Immediately following the ceremony, a reception was held for the guests, and the bride's cake, topped with a miniature bride and groom, was served with punch.

The couple left for a wedding trip to San Diego and Los Angeles, Calif., and on returning will make their home in Scott City.

When Nasty Colds Leave You WEAK AND RUNDOWN HADACOL CAN HELP

If Your System Lacks Vitamins B₁, B₂, Niacin and Iron, Which HADACOL Contains

When a nasty cold leaves you in a weakened and run-down condition, HADACOL can help build you up if your system is lacking in Vitamins B₁, B₂, Niacin and Iron, which HADACOL contains. Many folks have found that this fine family formula helps overcome these deficiencies and soon they feel good again.

Mrs. A. Jimenez, 141 East 12th St., Fort Arthur, Texas, gave HADACOL to her young son, Floyd, after he had recovered from a bad cold when she heard how HADACOL was helping folks suffering from deficiencies of Vitamins B₁, B₂, Niacin and Iron. It helped him so much in regaining his strength and energy that Mrs. Jimenez says she is always going to have HADACOL on hand for Floyd.

Here is Mrs. Jimenez's statement: "My son Floyd was very subject to colds. He's eleven years old, and he was run-down, didn't seem to have an appetite at all and just simply lacked energy. I heard about HADACOL on the radio, and it was about this time that Floyd was just recovering from a siege of a bad cold. He was very run-down, he lacked an appetite and I started giving him HADACOL. After about a bottle and a half, he could notice an improvement. His appetite picked up and he had increased strength. I think HADACOL has done wonders for Floyd, and can't praise it enough. I have continued to give him HADACOL and intend to always have it on hand for Floyd."

Men, women and children of all ages are praising HADACOL for supplying Vitamins B₁, B₂, Niacin and Iron which their systems lacked. Get it that "After-Cold Run-Down Feeling" drug you don't want—HADACOL can help you too, if you suffer such deficiencies. Sold on a strict money-back guarantee. You'll feel great after the first few bottles you take of your money back. Trial size, \$1.25; large family economy size, \$3.50.

Brand-new kind of Special Delivery

GET your hands on this strapping honey and hold onto your hat and heart.

For this sparkling new car—and we mean completely new—is the smartest, the richest, the highest-powered automobile Buick has ever provided at its bedrock SPECIAL price.

Literally, everything here is new but the name.

There's a brand-new X-member frame that's brawny and rugged, and a weight saver in the bargain.

There's a brand-new chassis—but still with the buoyant cradling of coil springs on all four wheels, the solid keel of a torque-tube, the soft steady going of Safety-Ride rims and cushiony low-pressure tires.

There's a brand-new body of spacious dimensions and a stunning interior richer than any-

thing in SPECIAL history—a lighter, ruggedly strong steel body in a full array of styles, including a Convertible and Riviera.

Yes, all this and brand-new power, too!

It's walloping new straight-eight valve-in-head Fireball power from an engine entirely new to this Buick Series—the high-economy F-263 Fireball engine.

With more power to call on, and with less weight to carry, this nimble traveler zooms to new performance even greater than that of most cars beyond its price range.

Better come in real soon and meet this brand-new kind of SPECIAL delivery—and the low delivered prices that go with it.

No other car provides all this:

- DYNAFLOW DRIVE—series drive on driver and car
- FIREBALL POWER—high-compression, valve-in-head engine gets more good from every drop of fuel
- PUSH-BAR FOREFRONT—combines smart style and unsurpassed protection
- WHITE-GLOW INSTRUMENTS—greater clarity at night
- TORQUE-TUBE DRIVE—smooths ride, improves driving control
- DUAL VENTILATION—outside air fed separately to right or left of front compartment
- 4-WHEEL COIL SPRINGING—cushions ride, saves servicing costs
- SELF-ENERGIZING BRAKES—hydraulic—multiply pedal-pressure five times at brake drum
- DREAMLINE STYLING—repeated, car-length fenders, gleaming sweepers on auto models
- Plus: Self-locking luggage lid, Step-On parking brake, two-way ignition lock, Safety-Ride rims, Hi-Powered engine mounting, Body by Fisher

The Matador Brand

FRESHMEN EDIT MATADOR BRAND

Keeping up with the old tradition, we have started by having the Freshmen to be the Editors of the Matador Brand for this week. Next week the Sophomores will be editors and week after next the Juniors and ending with the Seniors. After we have gone around, we will go back to the usual staff.

The Freshmen staff is, Editor-in-Chief, Lois Blevins; Assistant Editor, Neal Pipkin; Reporters, Wanda McMahan, Jimmie Gram, Dewayne Martin, Bette Montgomery.

Sophomores: Editor-in-Chief, Mary Laughlin; Assistant Editor, Carlene Lynn; Reporters, Pat Reeves, Charles Keith, Francis Traweck and Betty Smalley.

Juniors: Editor-in-Chief, Jerry Edwards; Assistant Editor, Bobbie Coldiron; Reporters, Rite Wilkinson, Kenneth Dunning,

Carlene Lynn, Margie Cook. Seniors: Editor-in-Chief, Watson Townsend; Assistant Editor, Jody Graham; Reporters, Grady Phillip, Letress Simpson, Tressa McDonough, R. L. Holt, Proof Reading and Typist, Bobbie Coldiron and Peck Thompson.

SUPERINTENDENT FETES BALL TEAM

Mr. and Mrs. Bert Ezzell entertained the girl's basketball team in their home Thursday evening, February 22, at six o'clock. Mrs. Ezzell prepared the delicious dinner of fried and barbecued chicken, potato salad, gravy, green salad, hot rolls, cherry pie a la mode, and coffee and tea.

The tables were cleverly decorated with red and black streamers and colorful nut cups.

Those attending from the basketball squad were: Marlene Bailey, Georgia Martin, Frances Traweck, Carlene Lynn, Margie

Cook, Marie Timmons, Susie Hughes, Lois Blevins, Martha Hall, Barbara Neighbors, Wanda McMahan, Martha Jones, Bette Montgomery, Managers Cora Bostick and Betty Ruth Smalley and Miss Beth Johnson. Other guests were Mr. and Mrs. Jake Edwards and son, Thomas.

Spring Training Postponed Today

Spring training for football, planned to start Thursday, Feb. 22, was postponed due to illness among the boys. Now, the beginning date will be published later with the line-up of those participating. About thirty boys are expected to report according to Coach Hopkins.

Personality Sketch

Since the Freshmen are writing the Matador Brand this week, we think it is only fitting and proper that you meet our handsome class president, Dewayne Martin. He is fifteen years old, 5' 11", and has wavy black hair and brown eyes. Football is his favorite sport and physical education is his favorite study. Of course, he reads a lot along with his other activities. "Lassie" is his favorite book and "Mutt and Jeff," his favorite comic strip. Ester Williams is his favorite movie star and "My Heart Cries for You" is his special song. He says, "I plan to go to college when I graduate, but I haven't decided where yet."

Dewayne joined the class in '48 and since that time his charming manners and pleasing personality have really proved an asset to his class. When he was in the eighth grade, he was voted most handsome boy. Later when he entered high school, he was elected president of his class and FFA King. He participated in baseball, basketball, and was a football letterman this year.

Yes, sir, we're mighty proud of our class president!

Campus Clatter

Things have really been happening around Old M. H. S. Say Martha H., who was that good looking guy you were with Saturday night? You must introduce us sometime!

Seems as though Jerry Edwards and Patricia B. are making a habit of this dating. They were seen together Friday night and again Saturday night.

I think Turkey has suddenly decided to move to Matador. At least, I know a few girls around M. H. S. who wouldn't mind at

all. Now wouldn't you girls? Peck, we hear you had a very nice trip to Kansas over the week-end. You must tell us about it sometimes.

Jody still likes Roaring Springs it seems. He and Barbara were seen together Saturday night.

Carlene was certainly having a nice time, Friday night. Tell us his name Carlene?

Georgia and Betty Jean seem to like Quitaque. We wonder why? Could it be because of some boys named C. L. and Cliff?

Francis and Marlene, what's this we hear about you girls disturbing the peace Sunday night? Watson and his water gun. He's going to get a baseball bat used on him because of that gun someday? Better run Watson!

Wasn't it wonderful girls? Going to the Preview Saturday night without worrying about getting caught?

BASEBALL

ENGLISH THEME (Written by Cecil Irwin)

The 1951 baseball season brings many questions to our minds. Some of those questions are: will Ralph Kiner hit 69 home runs, will the Boston Red Sox win the American League pennant and will the Brooklyn Dodgers win the National League pennant?

Baseball will start in April and end in September, each team playing 154 games. The winners of the two leagues meet in what is called the World Series to decide the world champions. Last year the Philadelphia Phillies and the New York Yankees met in the World Series to decide which was the world champion. The New York Yankees won for their second straight year.

The baseball teams in the National League are the Boston Braves, Brooklyn Dodgers, Cincinnati Reds, Chicago Cubs, New York Giants, Philadelphia Phillies, Pittsburgh Pirates, and the St. Louis Cardinals. In the American League there are the Boston Red Sox, Chicago White Sox, Cleveland Indians, Detroit Tigers, New York Yankees, St. Louis Browns, Philadelphia Ath-

letics and the Washington Senators.

Baseball experts are always trying to pick the winning team ahead of time and how the other teams will finish also. This year the experts picked the National League to finish in this way: Brooklyn Dodgers, number one; New York Giants, 2; Philadelphia Phillies, 3; Boston Braves, 4; St. Louis Cardinals, 5; Cincinnati Reds, 6; Chicago Cubs, 7 and Pittsburgh Pirates, 8.

The experts picked the American League to finish this way: Boston Red Sox, 1; New York Yankees, 2; Cleveland Indians, 3; Detroit Tigers, 4; Washington Senators, 5; Chicago White Sox, 6; Philadelphia Athletics, 7; and St. Louis Browns, 8.

"I got the story on 50,000 Miles-No Wear and changed to New Conoco Super Motor Oil"

Yellow Cab Co. "THE LOWEST OPERATING COST IN 12 YEARS in the Yellow Cab business—that's what we got when we changed to new Conoco Super Motor Oil," reports J. O. Jackson, Owner, Manager, Tyler, Texas. "Our operations are day and night the year around—a tough job for a motor oil. I recommend Conoco Super."

"50,000 MILES-NO WEAR!"—PROVED HERE: After a punishing 50,000-mile road test, with proper crankcase drains and regular care, engines lubricated with new Conoco Super Motor Oil showed no wear of any consequence... in fact, an average of less than one one-thousandth inch on cylinders and crankshafts. AND gasoline mileage for the last 5,000 miles was actually 99.77% as good as for the first 5,000! This test proved that new Conoco Super, with OIL-PLATING, can make your car last longer, use less gasoline and oil.

"AFTER AN OVERHAUL JOB, MY CUSTOMERS who change to Conoco Super Motor Oil have no difficulty driving their cars 50,000 miles without any more work on them," writes R. K. Comstock, Garage Owner, Oklahoma City, Oklahoma. "Conoco Super keeps engines clean and cuts way down on wear."

Damaged highways, such as the Texas highway shown in this picture, are a hazard to the safe operation of automobiles, farm trucks and other motor vehicles.

It costs three times as much to build roads that will withstand the loads of big trucks now being operated over them than it does for the smaller trucks and automobiles.

Latest records show **\$115,282,344** was spent on Texas highways for the year ending August 31, 1950.

A bill sponsored by the big truck operators is before the Texas Legislature. This bill proposes...

- (1) to increase the load limit from the present 48,000 pounds to 72,000 pounds, and
- (2) to increase the maximum truck length from 45 feet to 50 feet.

Recent official highway tests at La Plata, Md., sponsored by the U. S. Bureau of Public Roads, the highway departments of eleven states and the District of Columbia, effectively demonstrated that as trucks increased in size and loads, roads cracked up and "died" more quickly.

We need to safeguard our highways for Civilian and Military use. "Increased heavy loading might seriously disrupt the effectiveness of essential routes in the event of an all-out war," according to T. J. Kauer, director of the Ohio Highway Department and Chairman of the La Plata road test committee.

The big truckers want the taxpayers to continue providing expensive highways for them to use as "rights-of-way" for their own, selfish, personal gain.

THIS IS A TUG-OF-WAR BETWEEN THE BIG TRUCKERS AND THE TAXPAYERS OF TEXAS!

Automobiles and small trucks do not require extra strong, extra costly highways. The truth is, that the big truckers are putting the "pinch" on the pocketbooks of the Texas taxpayers.

 mated that \$2,000 to \$3,000 or more may be needed for the water line to the cemetery.
 The special fund in the budget is set aside for improvements and to pay for needed land as more room is required.
 President Seale pointed out that at \$5 per year Matador East Mound cemetery offers advantages as a modern, well-kept scenic burial place and without any charge whatever for plots. No charge can ever be made for plots in the cemetery since the land was donated by the Matador Land & Cattle Company, through the Matador Masonic lodge, with that provision in the deed.
 In tracing graves in the cemetery, Mrs. John Russell, chairman of the committee, registered a total of 926 graves, with 141 of this number unknown and unmarked (figures on Latin-American and colored graves not available). All pioneers who may be able to locate any unmarked graves are urgently requested to furnish information to President Bill Seale or any official of the organization.
 Mrs. Russell reported that according to reliable historical sources the cemetery was first located on a section of land immediately northeast of the present town section. Only three burials were made there before the present site was donated by the Matador Ranch and three graves were moved. The first grave marker bears this inscription "J. E. Varnier, 1891".
 Those present at the Monday afternoon meeting included Mesdames Fred Simpson, John Russell, W. D. Lipscomb, Elden Reedy and A. W. Ford; Bill Seale, Forrest Campbell, C. W. Giesecke, jr., Randall Whitworth, Elbert Reeves, Rev. Clifford Potts and Douglas Meador.

LOCAL BANK . . .

(continued from page one)

Letter Is Received
 The new FDIC certificate was accompanied by a letter from Maple T. Harl, chairman of the corporation which contained the following excerpts:
 "Improved bank management coupled with diligent supervision, plus Federal deposit insurance have brought to our nation an era free from the specter of losses to depositors and eliminated the dread of and the devastating results from bank runs.
 "This Corporation has made an outstanding contribution to this marvelous record, furthermore, has accumulated a surplus of nearly one and a half billion dollars as additional protection against any and all future contingencies which might in any way affect the solvency and stability of the dual banking system. In addition thereto, recent legislation enacted at the request of the Directors of this Corporation has materially simplified the assessment reporting procedure for all insured banks, likewise has provided a substantial reduction in the amount of their annual assessment outlay.
 "We are proud of the accomplishments and achievements of the American banking system, and by the same token we hope that you take justifiable pride in the record achieved by your Federal Deposit Insurance Corporation since its inception."
