Suggestions To Be **Presented At Meet Called Next Month**

PLANS MADE in the final months of the war to construct a memorial building in honor of the Motley county veterans of World War II, may soon become a reality. The cash fund of more than \$16,000 raised by public subscription, now in savings bonds, may be aug-

mented by funds from anther drive to construct a mod ern building large enough to erve as a club and recreation center for veterans and their families.

A mass meeting has been called for Thursday evening, November 3, at the Legion building, for the purpose of deciding a course of action. The meeting is open to everyone interested in the plan. It is hoped that parents and relatives, as well as the veterans themselves, will attend. The new movement, while being ley county was named, was men organization. It is intended youngest member of the Texas to be a mass movement of the people of the county to continue with the plans started when the veterans were still in uniform and many of them on battle

fronts.

A plan of the proposed memorial building has been made by Hoyle G. Moss of Abilene, son of Mr. and Mrs. Ennis Moss of Roaring Springs. The drawing is now on display at the First

A site for the building is yet to be determined and will receive consideration at the November 3 mass meeting. Two proposed sites are being discuss-

The modern building as pro posed would be a fitting tribute to veterans of Motley county. It would be a lasting memorial to their courage and sacrifices: a tribute to their valor.

Clint Duty Rites Held Wednesday At **Roaring Springs**

Funeral services were held at Roaring Springs, Wednesday afternoon at 3 o'clock, for Clint Duty, jr., resident of that com-

munity the past 35 years. Rites were conducted in the Baptist Church by the pastor, Rev. Roy Clayton, and interton from burrs in Motley county ment made in Roaring Springs night, October 31, (Hallowe'en) fields. Flomot School To Stage Carnival

A Hallowe'en carnival will be staged at the Flomot High

Sidelights of the festival will include such attractions as fish pond, cake walk, and bingo, while the principal feature of the entertainment will be the Queen's Pageant when the winner of a "Miss Flomot" contest

will be crowned. Food boothes will be in operation, serving cake, sandwiches, hot dogs and coffee An admission of five cents

will be charged for the Queen's Pageant. The public is extended an invitation to attend the carnival,

'family and all". Mrs. R. H. Eskridge returned to Paducah Saturday, after attending to affairs here. She is visiting indefinitely with two

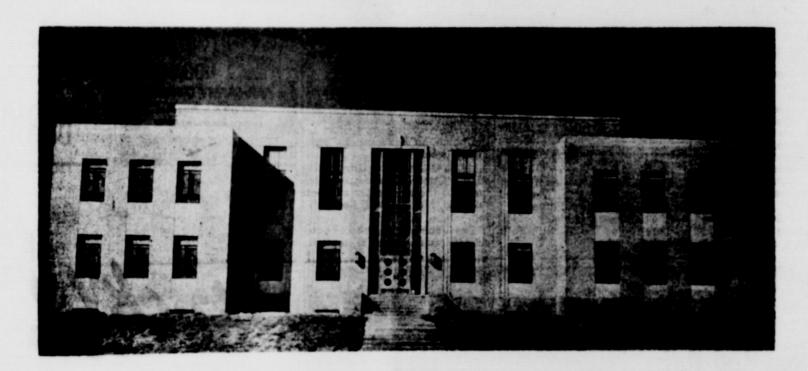

WE POINT WITH PRIDE

TO THE NEW MOTLEY COUNTY Courthouse

Marsh

ing

vn?

IT is natural that we point with pride to the new Motley county courthouse. We, as builders, have a definite pride in the structure. We have built into it the best of materials and workmanship, which we feel will remain a lasting tribute to the progressive spirit of Motley county citizens; a building of service and beauty which will project its influence into a future of greater advancement.

The most modern building developments have been employed in the construction of the courthouse.

As builders over a long period of years, we have, of course, constructed many larger buildings, but we have not built a better building. Only the best of materials have been used in every detail a blending of steel, concrete and brick into a trinity of strength and beauty.

We hope the future will justify our faith and pride in our work, and that you, the citizens of Motley county, will find in service and satisfaction of the courthouse, that we have built well.

FILL EMPTY SOCKETS WITH RIGHT-SIZE LAMP BULBS

Is Small Fry falling short on his long division? Maybe there's a bulbsnatcher behind it all. A child who has trouble seeing his homework may be heading for trouble-not just with Teacher -but with his eyes, too. Empty lamp sockets usually start people robbing one socket to fill another. That's why it's so important that every lamp socket be filled with the right-sized bulb.

A sure cure for bulbsnatching is to have plenty of spare lamp bulbs on hand, so see your nearest lamp dealer right away! Get the right size bulbs for each seeing job in your home.

FIRE IN THE RAINY DAWN of Wednesday, September 27, 1944, destroyed the above Motley county courthouse. Flames were first discovered in the second story at 7:10 a. m. Origin of the fire is still unknown. A cornerstone located in the northeast corner of the building bore cated and the cornerstone placed, the building was destroyed by fire. The courthouse cost \$25,000. It was built almost entirely of native materials, bricks for the inner walls being burned on Tee Pee creek and lime burned on Salt creek three miles west of town. The sandstone used in the building was from Ring Cove canyon near Quitaque. Photo courtsey Mrs. R. A. Day the following inscription: "September 27, 1904. J. A. White, architect and builder. T. T. Bouldin, county judge; M. L. Patton, commissioner of Precinct 1; W. R. Tilson, commissioner of Precinct 2; J. R. Williams, commissioner of Precinct 3; C. D. Bird, commissioner of Precinct 4: and W. MATADORS

The Matadors threatened to put the game on ice during the first play from scrimmage in the third quarter when Giesecke, running from his own 20-yard line, rocketed around left end. Unable to find room to run the shifty quarterback reversed his field pace and galloped 54 yards to the Whirlwinds 24-yard line before being pulled down. Fighting desperately the Whirlwinds held the Matadors and took over on downs. Remainder of the quarter passed with the teams marching up and down the field unable to find a scoring punch. At the end of the quarter the score stood unhanged.

Midway in the fourth quarter Floydada held the ball on Matador's 36-yard line and with a series of running plays eating up yardage, reached their hosts' 16-yard line. When three running plays failed to crash the

We Share The Pride **MOTLEY COUNTY** CITIZENS

IN THE NEW AND MODERN COURTHOUSE

WE as citizens of Motley county share the pride that is general in the completion of our new courthouse structure. We feel that it is a symbol of the progressive attitude that is the spirit of our people. We have had a part in the welfare of the county for almost half a century and we have witnessed its steady growth from a pioneer outpost in the cattle country of West Texas to one of the most progressive areas of the Southwest.

We feel that the modern, new building is a fitting tribute to the present generation's faith in the future. We also feel that it is a tribute to the pioneers who blazed the trails into this area, and through their hardships and privation, opened an abundant land.
