

CLUB HAS DEMONSTRATION ON SETTINGS

Miss Elwanda Martin was hostess at her ranch northwest of town, to the Garden Club for a professional demonstration on settings.

The informal table setting, Miss Martin laid the dining table with red place mats and yellow napkins to harmonize with yellow pottery and crystal goblets. For a centerpiece she used marigolds in a white bowl.

The cutwork linen cloth was used on the table with a row of pink rosebuds in a white bowl, flanked by white crystal holders. China with floral pattern, French Reed and Barton sterling crystal goblets completed the appointments.

A plaid cloth, fiesta pottery and red zinnias in a Mexican pottery bowl made a colorful setting for breakfast, for which the breakfast table was used.

Mrs. G. E. Hamilton was in charge of flower arrangements, which included a small table arrangement of variegated pomegranate blossoms in a royal blue bowl.

Miss Elwanda Martin assisted her mother in serving refreshments of home-made cookies and punch to the following members: Mesdames R. E. Campbell, Jr., W. N. Pipkin, W. W. Clements, Fred Bourland, G. E. Hamilton, B. M. Eubank, R. E. Donovan, A. C. Traweck, Jr., O. V. Johnson, Loyd Latimer, Bill McCaghen and Freeman Thacker. Miss Amy Glenn and a visitor, Mrs. Albert Rattan.

County 4-H Club Committee Meets

The County 4-H Clubs committee met in the courthouse July 9, with six members and the home demonstration agent, Miss Marie Rea, present.

Plans were discussed for the County 4-H encampment which will be held July 25-26 at Roaring Springs swimming pool.

Meeting with the committee was Miss Frances Arnold, public relations specialist from College Station, who took a picture of the group.

WEDDING VOWS EXCHANGED RECENTLY BY JOYCE ELAINE GEISLER, GORDON RUSSELL

Miss Joyce Elaine Geisler, daughter of Mr. and Mrs. Evelyn Geisler, 1236 SW 32, Oklahoma City, Okla., became the bride of Gordon H. Russell in a ceremony performed at 4 p. m. Sunday, July 8 in Kelham Avenue Baptist church, Oklahoma City by Rev. Anson Justice. The bridegroom is the son of Mr. and Mrs. Eddie Russell of Matador.

Miss Carolyn Thompson, organist, played a program of nuptial music and accompanied Mrs. Patsy Hervey, who sang, "Through the Years" and "Because."

The church was decorated with lighted tapers in tiered candelabra and baskets of white gladioli intertwined with ferns. Given in marriage by her father, the bride wore a ballerina-length dress of white cotton lace over white satin. Her fingertip veil of French illusion was fastened to a Juliet cap of satin covered with lace. Long lace gauntlets completed the costume. On a white Bible she carried a single white orchid. She also wore the traditional "something old, new, borrowed and blue" and a penny in her shoe.

Mrs. James Ed Russell of Matador, sister-in-law of the bridegroom, was matron of honor. Her ballerina-length dress of pink organdy was worn over pink taffeta. She carried a colonial bouquet of pink daisies.

Candles were lighted by Misses Barbara Moore and Clydine Hughes, both of Oklahoma City. Their ballerina-length dresses were of light green net over taffeta, worn with matching stoles and mitts. Their wrist corsages were of pink carnations.

Both Mrs. Geisler and Mrs. Russell, mothers of the bride couple, wore costumes of navy with matching accessories, and white carnation corsages.

Brother Is Best Man
James Ed Russell of Matador served as best man for his brother, Ushers were Clarence Bayless and Glenn Pipher of Oklahoma City.

Following the ceremony a reception was held in the home of the bride's parents.

The table was laid with a hand-made cloth in Queen Anne design, and centered with the three-tiered wedding cake decorated in pink and white, topped with a miniature bridal couple.

After being cut by the bride and groom, the cake was served with punch. Other table appointments included the crystal punch service and white napkins with the couples' names. Joyce and Gordon, stamped in gold letters.

Assisting at the service were Mrs. Don Chestnut, and Misses Wanda May, Helen Dumont and Angeline Jones, friends of the bride, all of Oklahoma City. The house was decorated throughout for the occasion with gladioli and fern.

After a wedding trip through the Ozark mountains in Arkansas and to points of interest in Tennessee and Mississippi, the couple returned to Matador Saturday afternoon for a week-end visit here with the grooms parents and other relatives. For travel, the bride chose a navy silk shantung suit with white accessories, and wore her orchid as a corsage.

They left Tuesday morning for San Antonio, Texas, where the groom is stationed at Lackland Air Force base. They will be at

home at 746 Texas Avenue, in San Antonio.

The bride was graduated from Capitol Hill High school in Oklahoma City, where she was a member of the Knobberette Pep club and National Honor society.

Born and reared at Matador, Mr. Russell graduated from Matador High school, Hardin-Simmons University, Abilene, and the University of Oklahoma medical technology school, Oklahoma City.

MISS LOUISE LEE IS RECENT BRIDE IN DOUBLE RITES

Miss Louise Lee of Plainview, daughter of Rev. and Mrs. J. E. Lee of Flomot, became the bride of Pfc. Paul Rains of Edmondson in a double ceremony performed at Clovis, N. M., on June 30 at 8 p. m. which united Miss Tresa Crass of Silverton and Jack Sutton of Kress.

Mrs. Rains graduated from Flomot High school and attended Wayland College, Plainview. For the past two years she has been employed as secretary for West Texas Gas company at Plainview.

Pfc. Rains is stationed at Lackland Air Base, San Antonio.

For a wedding trip, both couples went to Colorado Springs and other points of interest in that area.

After remaining in Plainview for a week, Mrs. Rains will join her husband in making their home at San Antonio.

YOUTH FELLOWSHIP ELECTS OFFICERS

The Methodist Youth Fellowship elected officers in regular meeting held Sunday night following the church worship hour.

Roy Taylor was elected president; Neal Pipkin, vice-president; W. E. Russell, secretary-treasurer; and Jimmy Graham, publicity chairman.

The M. Y. F. meets each Sunday night at 8:15 for a worship program, followed by a recreational hour. The organization is under the leadership of Miss Jimmie Louise Davis of Lamesa, for the summer. Miss Davis is a graduate of McMurry College, Abilene.

Friday night has been designated as fun night, starting at 8 o'clock, at the Methodist church. Volley ball and numerous other games will be played.

A special invitation is extended to the youth of other churches, to come and take part in these activities.

Draft Law Extended And Many Important Changes Noted In Selective Service Act

AUSTIN, Texas, July 2—The draft law, scheduled for expiration July 9, has been extended in amended form to July 1, 1955. Brigadier Gen. Paul L. Wakefield, state director, reminded Texas people today.

General Wakefield noted the following important changes in the Selective Service act:

1. Men inducted will serve for 24 months as compared to 21 under the old law. Males must register at the age of 18, as formerly.

2. Men are liable for induction at age 18½ instead of 19. No man below 19 can be inducted so long as a board has eligible older men.

3. Physical and mental standards for service have been lowered, with the result that some men now classified IV-F will be found suitable for I-A.

4. The present strength of the armed forces, approximately 3½ million, can be raised to 5 million men.

5. Except for cases of extreme hardship, a man may not be deferred for dependency on the basis of a wife alone.

6. Men now or hereafter deferred on educational, occupational, farming, or dependency grounds will remain liable for service until age 35. Men not deferred are liable only to 26th birthday.

7. Conscientious objectors to military service shall be ordered by local boards, subject to regulations prescribed by the President, to perform civilian work in the national interest for 24 months.

8. Men entering the service by way of a draft board are obli-

gated to serve six years in the reserves after discharge.

9. High school students will be deferred until graduated, until they attain age 20, or until they fail school work.

10. Some college students may be deferred on the basis of class standing during last completed school year, or on the basis of a government-sponsored test. The local board is not bound to defer on the basis of this information, but can defer on consideration of it. Some other college students may be deferred on a less competitive basis.

11. No inducted man may be assigned overseas until he has had four months training.

12. All enlistments in the armed forces, reserve and regular, which expire after July 9, may be extended by the President for one year. No person shall have his enlistment extended a second time.

ANNOUNCING ARRIVAL

Mr. and Mrs. Bob Rushing of Paducah, are announcing the birth of a son, William Price, at Richards Memorial hospital on July 6. The baby weighed 7 lbs. Mr. and Mrs. Ike Rushing of Matador are paternal grandparents.

Applesauce Bake

Apple desserts like this one add magic to menus.

Not enough praise is sung for Johnny Applesauce who, according to legend, planted apple trees wherever he roamed. If the story is true then homemakers owe that beneficent pioneer a vote of thanks for dotting the countryside with orchards.

Applesauce Bake is a new dessert that points up the wisdom of Mr. Applesauce who looked forward to the future. It is a variation of an old Danish apple cake. A not-too-sweet applesauce is baked layer on layer with crushed coconut cookies in between for a new apple combination.

Serve Applesauce Bake either fragrantly warm or thoroughly chilled. Top with whipped cream and garnish with nuts. If you like, garnish the top with bits of blush-red crab apple jelly. This garnish is traditionally Danish.

APPLESAUCE BAKE

- 2 cups sliced apples
- 1 cup sugar
- 3 tablespoons fortified margarine
- 1 teaspoon vanilla extract
- 1 pound coconut bars

Place sliced apples in a saucepan. Add enough water to barely cover the apples. Cover and place over medium heat. Cook apples until tender. Put apples through a sieve. Add sugar and vanilla. Crush coconut bars with a rolling pin and roll out to form crumbs. Coat an 8-inch square baking dish with margarine. Place a layer of cookie crumbs in the bottom of

the dish. Top with a layer of applesauce. Dot with bits of margarine. Alternate layers of applesauce and cookie crumbs and bits of margarine. Top with cookie crumbs. Place in a 325 degree oven and bake for 30 minutes. Serve either warm or well chilled with whipped cream. Garnish with chopped nuts, if desired. Yield: 8 servings.

A daughter, Lucretia June, 6 lbs. 11 oz. born June 3 to Mr. and Mrs. N. A. Sanderfer of Matador.

A girl, Celia Joyce, 7 lbs. 12 oz. born June 5, to Mr. and Mrs. Ruben Payne of Roaring Springs.

A boy, Harlan Zachary, 7 lbs. 4 oz. born June 17, to Mr. and Mrs. H. R. Hollar of Amarillo.

A boy, Vicky Jay, 7 lbs. 12 oz. born June 18, to Mr. and Mrs. W. P. Perkins of Turkey.

A girl, Virginia, 6 lbs. born June 18 to Mr. and Mrs. Luther Green of Flomot.

A boy, Ricky Harold, 7 lbs. 8 oz. born June 26, to Mr. and Mrs. V. L. Jackson of Spur.

A boy, James Dale, 7 lbs. 4 oz.

born June 28 to Mr. and Mrs. J. D. Palmer of Roaring Springs.

A boy, Kelly Winston, 9 lbs. born June 29 to Mr. and Mrs. Odell Myer of Matador.

A girl, Janice Ladell, 7 lbs. 8 oz. born July 7 to Mr. and Mrs. H. G. Payne of Floydada.

ROBERT M. BLOODWORTH PROMOTED TO SERGEANT

(Special to Tribune) CAMP CHAFFEE, Ark.—Robert M. Bloodworth, son of Mrs. Gertrude Bloodworth of Matador, Texas, has been promoted to sergeant by the 5th Armored Division.

Prior to his recall to active duty, Sergeant Bloodworth served three years in the Armed Forces. He was overseas on his first tour of duty 3 months.

Sergeant Bloodworth is married to the former Charlotte C. Purdy of Turkey, Texas. The couple now make their home in Fort Smith, Ark.

CARD OF APPRECIATION

Again I wish to say thank you to friends and neighbors who have extended many acts of kindness to me during recent illnesses.

Social Security Pays Many Claims

During the first six months of 1951 the Lubbock office of the Social Security Administration has received an average of 175 claims per month for old-age and survivors insurance. This is an increase to about 4 times the figure for the same period last year, according to John G. Hutton, manager of the office.

Most of this increase, Hutton explained, is due to changes made last year in the law, which drastically reduced the requirements for eligibility. Under the new rules payments can be made in many cases after as little as six quarters—about a year and one-half—in jobs covered by the law.

The new eligibility rule applies to two types of cases:

(1) Retired workers past the age of 65; (2) Survivors of workers who have died since August 1950.

The required six quarters of work may have been done at any time since the law went into effect in 1937 and can be from either steady work or scattered jobs with several different employers.

One effect of the changes, Hutton pointed out, is that a large number of workers, many well past the age of 65, who were not eligible under the old rules, may now qualify for payments. The majority have already filed applications, but Hutton is certain that there are many in the Lubbock area who have not filed claims and are losing payments.

"We can make back payments for only 6 months," Hutton said, "so that a claim filed now will cover only the months from January on. Any payments which might have been due for 1950 are now lost. If a claim is delayed until August, then January will be lost, and so on, a month

lost for each month of delay. For this reason, we urge anyone who believes he may be eligible for payments to get in touch with us at once.

Vaccination For Smallpox Advised

Not a single case of smallpox has occurred in Texas this year, according to Dr. Geo. W. Cox, State Health Officer. Unfortunately, the fact that we have had no smallpox does not mean we are immune for all time.

"Smallpox can strike again. For example, in 1947, an infected individual from Mexico innocently carried the disease to New York City. The result was

13 cases and three deaths, the first deaths in 35 years. Service men returning from the Orient caused an epidemic of 68 cases and 20 deaths in Seattle in 1944.

"In spite of Texas' apparent freedom from smallpox, vaccination of every child before he is a year old and re-vaccination every three to five years is imperative. This is the only way to prevent the disease.

"With the speed of present day travel a person harboring smallpox could alight in our midst at any time. If the public becomes lax concerning vaccination, a single case could spread as happened in New York and Seattle.

Dr. Cox asks, "When were you and your family last vaccinated against smallpox? Would you and your children be safe if exposed to this disease?"

FOR PEAS THAT MELT IN YOUR MOUTH

Would you like your peas to cook quickly and look bright and pretty? Then, add a pinch of baking soda when you cook them. According to research done by the U. S. Department of Agriculture, a pinch of baking soda—1/2 teaspoon—added to the water in which a pound or more peas are cooked, cuts cooking time almost in half, preserves the rich green color of the peas and does not destroy vitamins.

Osburn, honored Mrs. Delbert Sprayberry with a pink and blue shower Tuesday. She received many beautiful and useful gifts. Refreshments of punch and cake squares iced in pink and blue, were served to approximately 25 guests.

Mr. and Mrs. Kenneth Posey and children have moved to Houston, where he has employment.

Mrs. Duff Green was honored at her home Thursday evening, with a birthday picnic supper, given by the "Gay Nineties"

gang. A delicious supper was served in the yard to Mr. and Mrs. Green and 25 guests. They presented Mrs. Green with a lovely piece of lingerie.

This one says You've Arrived

HERE pictured is an automobile that may well be the fulfillment of any man's dream of a fine motorcar. For you've a right to expect, when you pay a fine-car price, that your money will buy more distinction, more comfort, more performance than are to be found in vehicles of lesser worth. So mark well the things that a ROADMASTER offers. No other car on the American scene has a prouder bearing. No other automobile has more spacious dimensions, more luxurious comfort, or finer appointments. No other car has a ride more serenely smooth on curve or straightaway, highway or byway. And no other car, at ROADMASTER's price or above, has Dynaflo, and the supreme command of every traffic condition which it provides. So you, at the wheel of Buick's biggest and best, have a right to feel distinguished. But there's a joy of possession which goes deeper than visible things.

There's the feel of a power plant as brilliantly eager as this great car's valve-in-head Fireball Engine—and the satisfying companionship of a brawny traveler instantly responsive to your every wish. And there's one thing more, which only ROADMASTER can give you in such generous measure. That is the pride of a wise investment, based on the fact that this car stands alone in price per pound, among fine cars similarly equipped. So why not take that very important first step—and come in and see us soon?

Thompson Feed Co. Earns Certificate

ST. LOUIS, Mo.—Thompson Feed & Seed has been issued a Certificate of Mixing Accuracy by the Ralston Purina company, following an analysis of samples taken from custom-mixed feeds prepared specially for customers of the mill.

The proper mixing of ingredients, using grain grown locally by farmers in this area, has long been recognized as an important factor in the efficient and economical feeding of livestock and poultry.

Before Purina approved the mill as an authorized mixing station using Purina formulas and ingredients, laboratory tests were made to determine the accuracy and uniformity of the mixing service rendered.

The samples which passed the most recent laboratory tests and qualified the mill for the Certificate, did not vary more than one-half of one per cent in protein content.

A certificate is issued for each formula manufactured and approved.

Juniors Attending Baptist Encampment

A group of junior age girls this week attended camp at the Baptist Plains encampment in Blanco canyon south of Floydada. A group from Matador included Betty Welch, Betty Hines Joanne Darsey, Charlotte Campbell, Raynita Dunning, Kay Norman, Betty Neighbors, Barbara Waybourn, Jan Barton, Karan Burns, Marelda White and Jo Anne Potts, and sponsors, Mrs. Jack Norman and Mrs. Gerald Waybourn. Rev. Clifford Potts, local Baptist pastor, taught one of the courses at the camp.

Last week Rev. Potts and Lee Burns accompanied a group of junior boys to the camp, several of whom were converted in evangelistic services. In the group attending were Pat and Mike Groves, Guy and Harry Campbell, Clinton Burns, Carl Wayne Thompson, Carroll Potts, Ronald Bailey, Arwin Ellithorp, Gary Dale Whittle and Robin Darsey.

VISITORS TO COAST HAVE RETURNED HOME

Mrs. H. S. Watson and granddaughter, Sue McCaghen, and Mrs. Watson's sister, Mrs. M. P. Fulkerson of Lockney have returned home from a month's visit with relatives on the west coast after attending the Southern Baptist Convention in San Francisco. Mr. and Mrs. Bill McCaghen drove to Lubbock Tuesday evening to meet the train and accompany their daughter and mother home, after taking Mrs. Fulkerson to her home at Lockney.

AT DISTRICT MEETING

Miss Marie Rea, H. D. agent, Monday attended a meeting at Quannah of home demonstration agents of District 3, at which Miss Fern Hodges of Vernon, District Agent, presided.

TO DALLAS

Mr. and Mrs. E. F. Springer and daughter, Sarah Frances, made a business trip to Dallas this week, leaving Sunday and returning home Wednesday.

RETURNS FROM AUSTIN

Keith Patton has returned home from Austin, where he has been studying at the University of Texas the past six weeks. His mother and cousin, Mrs. M. S. Patton and Charles Robert Keith drove to Austin Monday to accompany him home.

DELEGATE RETURNS

Lion and Mrs. Jack Norman returned last week from Atlantic City, New Jersey where they attended the Lions International convention. Lion and Mrs. Norman passed through Matador Tuesday afternoon on the special chartered bus which made a trip throughout the eastern states. They did not stop, however, but rode the bus on to Lubbock where their car was stored at the beginning of the trip. Before returning home they went to Memphis for their daughters, Janie and Kay, who spent the interim with relatives.

RETURN FROM TRIP

Mr. and Mrs. Eldred Seigler and children, Pat, Linda Beth and Don returned home Sunday from a trip to Lake St. John, La., with side trips to Natchez, Miss., and points of interest enroute. They were accompanied on the trip by their daughter and family, Mr. and Mrs. James

The Lazy J Ranch's 1950 Ford F-3 Express with POWER PILOT was one of more than 5,000 Fords in the nationwide, 50-million-mile Ford Truck Economy Run.

"My ranch 'workhorse' runs for only 2 1/2¢ a mile!"

Ranch owner George Stephens proved for himself, in the big Economy Run, just how little it costs to run his Ford Truck!

"The Lazy J's Ford Express did itself proud in the Ford Truck Economy Run," says Stephens. "Daily records kept during the entire six months show that our Ford Truck ran up a total of 5,109 miles. My out-of-pocket expense for gas, oil, maintenance and repairs was exactly \$123.51... about a \$20 bill each month... only 2 1/2 cents a mile!"

The Ford Truck POWER PILOT carburetion-ignition system is one reason why Ford Trucks cost so little to run, in ranch work or any work. The POWER PILOT gives you the most power from the least gas. In the low-price field, only Ford has it!

Full Payment Made For Improvements By Cemetery Group

During a brief ceremony Sunday afternoon C. W. Brinsfield was presented with a check for \$1,339.60 before the artistic arch of the Flomot Memorial Park cemetery. The check was presented by Mrs. Bernice Gates, assistant secretary of the Flomot Cemetery Association and represented complete payment for extensive improvements at the cemetery.

The improvements include a new ornamental gate at the arch and rustic rock walls on the west and south sides of the burial grounds. The 200-member organization is free of debt. Membership in the association is \$5 per person per year.

First recorded grave in the cemetery is that of Phel Martin in 1893. Original two-acre cemetery was donated to the community by the late Van Martin, but in 1906 when the area was resurveyed a shift of property lines placed the cemetery on land belonging to the Howrad Brothers estate. The cemetery was deeded to the community by the estate. Two additional acres were later purchased as the need for more room developed. The cemetery has approximately 350 graves.

The Flomot Cemetery Association was organized January 22, 1943 and Mrs. L. B. Turner has served continuously as secretary and treasurer during the period and has been an outstanding leader in the movement to improve and beautify the cemetery.

Through united efforts of the entire community Flomot Memorial Park cemetery is now one of the most beautiful and best-cared-for burial grounds in West Texas. The ornamental

gate and arch was donated by the Flomot Home Demonstration club. An attractive bronze plaque on the arch dedicates the cemetery to men and women of the community who served in World Wars I and II.

Methodist Church Vivaly Concerned About Education

Methodism has from its very beginning been vitally concerned about education. The Christmas Conference in Baltimore in 1784 which created the Methodist Church, developed also plans for Cokesbury, the first Methodist College. Never to be forgotten is this initial link between the church and higher education. Today 128 Methodist colleges and schools spread from coast to coast.

The Methodist Church has secured most of its trained leadership from its own institutions of learning. Of the estimated one per cent of its sons and daughters who have gone to Methodist Colleges, the church has received in return most of its ministers and missionaries. Of the living bishops of the Methodist church 95% were educated in these schools. Of the 1163 Methodist ministers listed in "Religious Leaders in America", 74 are from Methodist Colleges, and 80 per cent with theological training received it from Methodist seminaries.

Sixty per cent of Methodist chaplains in the armed forces in World War II were graduated from Methodist Colleges and 82 per cent held degrees from Methodist schools of theology.

Here is the truck that gets through mud, snow and sand when others spin their wheels and quit.

It's the 4-Wheel-Drive Willys Truck—a rugged, dependable one-ton job that pulls with all four wheels. It goes through under conditions that stop conventional vehicles.

The Willys, powered by the high-compression HURRICANE Engine, combines two-fisted power with tight-fisted economy—cuts hauling costs and keeps loads moving over bad ground and through bad weather. You can count on it every day in the year.

Come in and let us demonstrate this outstanding performer today.
