> WASHINGTON By George Durno

Entirely too many liberties are being taken with this so-called Brain Trust.

Ever since Dr. Wirt, the Gary schoolmaster, discovered the "Brain Trust" was plotting to sell America down the river Washington writers, including yours truly, have been prone to use the freak monicker to embrace almost anybody and his brother who might be un-

Speaking for the craft we can only plead it's a catchy, convenient title. Jim Kieran, of the New York Times, first branded the boys as a Brain Trust in the summer of 1932 to save himself explanatory wordage. But he surely could have had no idea to what lengths the Order would be stretched.

Sloan, former president of the New York Edison company, Wednesday was elected chairman of board of the Missouri-Kansas-Texas Rail-road no idea to what lengths the board's acceptance of the resignation of M. H. Cahill, of Dallas, as had no idea to what lengths the continuous control of the New York Edison company, Wednesday was elected chairman ef board of the New York Edison company, Wednesday was elected chairman of board of the Missouri-Kansas-Texas Rail-road company, Following the Missouri-Kansas-Texas Rail-road company, Following the board of the Missouri-Kansas-Texas Rail-road company,

Trust by a reporter or a rugged individualist Attorney - General Cummings will surely have to proceed against it under the Sherman ice. anti-trust act.

Let's take a look at the record and see who the Brain Trust really Committee In are, or were.

There could be no better source than Ernest K. Lindley's book, "The Roosevelt Revolution." Ernest is the President's official biographer and this particular tone explains the fundamentals of Mr. Rooseveit's campaign and his first six months in office.

On careful perusal we learn that this group of master-minds was formed early in 1932 to help Mr. Roosevelt through his campaign and finally grew until it number-

At the close of the social hour a delicious plate of home made ice a ream, cake and iced. tea were served to the following: Mmes. Geo. Hall, R. J. Michael, E. A. Read, Mary Ezzell, Glass Gienn, Gene Grenshaw, Jim Cawthron, H. D. Thomson, Ira Rockhold, D. C. Hamilton, J. R. Parks, C. E. Nesbitt, T. E. Baker, Dalment Cook, D. J. Shepherd, Harry Lees, W. J. Kohanek, T. W. Moore, Stagg, J. H. Stiff, G. W. Dabney, J. R. Creath, O. Y. Miller, S. J. Shettless. Jack seemed pretty well done in.
"Boy, isn't he terrible," chortle C. A. Muler, S. J. Shettles course), pressed up close to see the Bohanner. H. Stiff, G. W. Dabney, J. R. Greath, O. Y. Miller, S. J. Shettlesand H L Bohannon

Next month Mrs. George Hall will open her home for the social, Mrs. Shelby Hall and Mrs. D. C. Hamilton as assisting hostesses.

stance as follows:

Four shining limousines, bearing with a May day demonstrator.

Twice Borrington's handlers stopmet out of its eyes and to let him catch great outdoor swimming emporium on the outskirts of the city.

The water looked cold, and its

side the clubhouse, where a crude ring had been set up, it felt even solder. All concrete, and not a glim-mer of heat. The journalists seated of them, who'll win—Doyle or Borthemselves expectantly and shiv-

ered.
"Jolly fine heating system," remarked one.
"Righto," affirmed another. "A

wonder they didn't think to switch on the blasted fans."

Presently one Jack Doyle, a 220pound Irish youth, slipped through the ropes, followed a moment later by a lightweight named Alf, whose features looked like they might have been caught under a harrow.

MAIN-EVENTER GETS MAIMED

Doyle was the bucko the boys had come out to clock. He was fighting the main event at Albert Hall three nights hence, and the advance sale had been very pleas-ing to Jeff Dickson, & Co., promoters. Doyle, one had heard, looked like the greatest heavy-weight prospect Britain had pro-

Herrera has been engaged for several months, but has postponed the tying of the marital knot until he has "won the title." The tiny warrior is out to aid him in gaining his end so that there'll be no further delay.

The challenger will train daily at the old Klan Hall in Fort Worth. He arrived here Monday, after three weeks at Hot Springs, N. M., where he spent his time climbing mountains and chopping wood to get himself in shape. He was ac-companied by his brother "Spike", who will act as his sparring part-ner and Whitey Eckwert, his train-

Chapter 20 THE RIFT

THE RIFT

the Tom was projecting himself om the other side of death into alith's thought, by cleverly prenceived communications.

To Norman, Morton Lampere, his artner, his father's partner before my was a person to be admired, most revered. His word would eigh more than that of a young rl. Lampore was a friend of a lifemone, and Norman had known her comparatively short time. mparatively short time.

Perhaps Norman was right, and the with her self assurance was strong. Perhaps Lampere was right! She weighed this thought as she socked out on the terrace where the ights which had blocked yellow blongs on the greensward were seldenly bloted out.

But would discuss this with his brodered in marguerites, that Norman kelden.

a few moments later went out by lines, a Bavarian breakfast set of the hall door, down the corridor to the guest room.

It was gay, that breakfast table.

The door closed.

Judith turned off the lamp, a hot daffodlla into an ivory frog.

Upstairs, Norman was splashing upstairs, Norman was splashing upstairs, Norman was splashing upstairs, Norman doors with early ain cutling brough her. What had appened to make Norman do such

She slipped from the bed and ing spirals.

vent to an open window. A soft Jüdith hummed as she worked. wind, faint echo of the previous She heard the newsboy throw a evenings gale, came in with the paper to the porch, called to Lige breath of sleeping fields. The ser-that she would get it, and went mong the shale.

Judith looked at it and shud-way.

dered. She felt as though there were tears in her heart which trickled

to belong to someone. Her father, embalmed in grief at her mother's passing, had been companionable, but she had felt her love for him was more maternal than his was paternal. Big Tom, in his loneli-ness, had filled this need.

But Norman . she knew if he were to come in, allp an arm under her pillow for a cushioned rest, and was to awaken knowing he was

there, her trust would be throv to the winds for fear of nights to

come when there would be no pro-tecting are of arm.

And yet she knew if this hap-pened she would hate herself, and in time turn bitterly on Norman for causing her to disregard her own

sense of what was right.

Delphy, round eyed, brought her orange jules at the usual hour. She surveyed the untouched pillow, said nothing, but tucked Judith in with unnecessary thoroughness considering she was about to rise thoroughness

chlongs on the greensward were suddenly bloted out.

She would discuss this with him and if he could prove her wrong she would gladly make any concession. She prepared for bed, turned on the bed lamp to let him know with clever artifice, then went for a stroll in the garden.

The was awake, then waited.

she was awake, then waited.

She heard Delphy's goodnight, then Lige's, heard the kitchen door blooming. Judith studied their close and voices in the servants' dancing heads, hesitated, then recottage. And then she heard Norman coming up the steps. He stopped in his dressing room, then laid the table with green grass lines, were cost by

The door of the guest room.

The door of the guest room The sun slanted in through open opened, the hall lights flashed off. windows and warmed Judith, who

happened to make Norman do such around, slamming doors with early a thing? Mathile's laughter echoed morning thoroughness. In the in her ears, but it was not her in- kitchen Delphy was banging paus fluence, more likely Lampere's. He as if venting anger on the aluminwas wise in the ways of women, he had not be driveway L'ge from it would take firm determination to keep her from seeking Norman, and in the end giving in to his wishes.

vants' cottage was a dark square out. Two morning newspapers lay topped with moon leing. The little there. She picked them up, unstream was a trickle of quicksilver rolled them and smoothed them would not lose a day's work. out, looking down toward the high-

As she turned to go in she along like quicksliver.

All of her life she had wanted to belong to someone. Her father, next column was one of Mathile next column was one of Mathile or Retrieve them. glanced down, and stopped short. Bevins. Between them were heaped sketched bags of money, five mil Hon dollars printed thereon. Below was a picture of Norman.

Stunned she read the caption: "Rightful Heir to Bevins Money to Sue Millionaire Stenographer.'

Her eyes rejected this for some thing more surprising—" amount plays trump card. Firm of Dale Lampere and Morrison to take up Sevins fight. Husband may fight Wife in Effort to Regain Money for Boyhood Sweetheart."

Judith stood on the veranda until the had completed the newspaper tory. It was an interview given

by Morton Lampere.
"We have tried to be lenient with Mrs. Dale, because of her husband," said Mr. Lampere, following the meeting held in the offices of the Bevins Con-struction Company, "but ob-viously, the power which comes with such a sum of money has

gone to her head.
"We anticipate no difficulty

WEST'S HOPE AT CHURCHILL DOWNS

In Norman Church's Riskulus, the far west has its first outstanding candidate for the Kentucky Derby in many years. The big son of Stimulus won the Agua Caliente Derby, and ran second to his stablemate, Gallant Sir, in the Agua Caliente handicay. (Associated Press

breaking the will because we have plenty of evidence to prove that the young lady used undue influence in causing the aged gentleman—"
"Aged gentleman," cried Judith

loud, "the idea of calling Tom Bevins aged at sixty-two!" "to change his will during the

illness which took his life.
"My partners and I will exert every effort to see that justice is done to the bereaved widow

and young doughter." The newspaper in fairness had given the same prominence to the tory of the reorganization of the used in their lead the fact that the three hundred workers at the dam, Judith felt heartened by this, but

gain money for former sweetheart."
No wonder, thought Judith, that Mathile Bevins had laughed that triumphant laugh meant she now knew, for her cars. No wonder Norman had been unable to face

She walked into the dining room "Dalphy," she called, "remove my plate.

This done, she folded the news-This done, she folded the news-paper to that article and tipped it up againts the bowl of daffodils that Norman might see it when he sat down. She went then to the telephone, called a cab, then went to her dressing room, locked the doors and packed her bags.

Norman met her at the door as omehow everything save one line she was leaving-"Judith," he pro-

"You should thank me, Norman,"
she returned. "I'm simply rasking
things easy for you. Lampers told
us a wife could not appear against
her husband and that rule works
both ways. Desertion will provide
you with grounds for divorce and
you on. . . as the morning paper
says, "fight your wife to obtain
millione for your former awastheart."

She was down the steps the startled cab driver behind her—"To the Rice," she said. When they were on the highway stie gave Clia's
