

# Outlook is Brightened by General Rainfall

Wheat in the area is showing surprising growth and recovery since the rains. Many farmers believe the county will produce a fair wheat crop. Ranchers are elated over the improved range conditions which include replenished water for livestock and rapidly growing grass.

Row crop farmers declared the earth soaked in most areas and farm land in excellent condition. Rainfall in some sections of the county was heavier than the amount registered here.

and the thirsty soil has soaked up most of the moisture. A storm which struck Matador Monday afternoon and deposited about one inch of moisture, was accompanied by some wind and hail. At the same time weather stations were warning residents east of here and in southwestern Oklahoma to watch for possible cyclones. Twisters were reported in the area alerted but damage was at a minimum.

After the Monday storm had passed to the east, dust-laden air from the west produced the effect of a sandstorm. Bright skies followed Tuesday and yesterday.

58. NO. 6 MATADOR, MOTLEY COUNTY, TEXAS, THURSDAY, APRIL 24, 1952 PRICE SEVEN CENTS

## RAIL DUST

By Douglas Meador

It has an ethereal quality which is manifest in a serene freedom. Perhaps it may be effected by its primary qualification to its lonely solo to eternity which weighs values in true worth when below, as in the brown, open of penitent beggars.

## Trucker Is Jailed On DWI Charge

K. L. McCullough, 30, private truck operator of Idabel, Oklahoma, was jailed here late Thursday on 'driving while intoxicated' charge following a highway collision eight miles east of town on US Highway 70.

Gerald L. Quigley, 29, of Elk City, Oklahoma, escaped injury when his 1951 Mercury automobile was demolished in a collision with McCullough's truck.

Sheriff John Stotts who investigated the accident and arrested the trucker, said the big vehicle (going west) was being driven on the left side of the road.

McCullough was tried in Judge C. W. Giesecke's court Friday morning. He was fined \$300 and costs and sentenced to five days in jail.

The truck and semi-trailer was loaded with posts. Sheriff Stotts said only a miracle prevented Quigley from being seriously injured or possibly killed in the accident which demolished his automobile.

PATTON SPRINGS High School band was outstanding in the Cottle-King County Horse and Colt Show parade held Friday morning in Paducah. Above photograph shows the popular musical group a few minutes after the parade started north of the Cottle county courthouse. Thousands of visitors filled Paducah streets to overflowing as the parade passed in review. In addition to the large group of fine horses (estimated at 400) many striking floats moved in long procession. Various Cottle county communities and organizations were represented. Observers declared the show the most successful public event in the neighboring county's history.

## Livestock Is Ready For Junior Exhibit

### SCOUTS TO HOLD COURT OF HONOR

A Court of Honor will be held in the Methodist church, Tuesday evening, April 29, at eight o'clock, according to an announcement made this week by Scoutmaster Bert Schweitzer of the Matador Boy Scout Troop 60.

One First Class Scout award will be made and ten Scouts will receive 2nd Class awards. Various merit badges are also scheduled to be awarded.

The public is invited to attend the Court and all parents are urged to be present.

### Senior Play Is Declared Success

Area spectators who saw the 1952 Senior class play Tuesday evening declared it one of the finest in the history of the school. The unique class, composed of 10 students, five boys and five girls were all in the cast of "College is Terrific".

About \$125 was added to the senior class fund to be used to defray expenses on a trip to San Antonio that the class is making today. All but two of the class and a number of parents of the students will make the trip.

At the end of the 40th annual senior class play, the actresses were presented with a bouquet of roses by their directors and promoter, Vance Gilbreath, Joe B. Meador and Nell Webb.

A short informal luncheon was held for the students and their parents immediately after the production.

### Store Will Stage Anniversary Event

Sixth annual locker plant celebration of Spot Cash grocery is announced for Saturday. The all-day event will include giving away \$120 worth of free groceries. A new event announced this year is a free 5x7 photograph to every customer.

Melvin Meason, manager, said past annual celebrations had proved popular with the public. Free coffee and cookies will be served.

### UNDERGOES OPERATION

Harry Willett, Matador merchant, last week underwent an operation in Quannah Memorial hospital. His recovery is described as satisfactory and he is expected to return home within a few days.

### Three Girls To Enter Calves

Four-H and FFA members entering stock in the show are: Matador, calves, W. E. Russell, Jerry Swearingen, Jimmy Graham, and Dayton Graham. Jan Barton will also exhibit a calf. Roaring Springs, calves, Jerry Green, Bert Green and Roger Kingery. Showing hogs will be: Bob Stafford, Dale Estes, Clayton Bradley and Carl Pierce. Bird community, calves, James and Vallie Boarden; Whiteflat, calves and hogs, Calvin, Chester and Melvin Cooper; Flomot, calves, Buzz Folley, Benny and Dean Turner, Waydette Martin and Mary Folley.

### Tutt Garnett Will Clip the Animals for Members of the Livestock Clubs the First Part of Next Week. All work will be donated by Garnett, as in the past junior exhibitions, to aid in presenting a better show.

Also Curtis King, manager of King's Feed & Seed store, has announced that the calves will be weighed free of charge.

Prize list of the 10th Annual exposition will be announced in the next edition of the Tribune.

### Alma Reed Wins 4-H Style Show

Alma Reed, daughter of Mr. and Mrs. I. K. Reed of Flomot, will represent Motley County in Wichita Falls at the district dress revue to be held on May 3, after being declared the winner in the county revue held here Saturday afternoon in the Jackson building.

Reba Fay Bain, daughter of Mr. and Mrs. Theodore Bain of Northfield, ran a close second, and will also go to Wichita Falls as a delegate.

Francine Craven was judged over-all winner, but is not eligible to enter her dress on a district basis since she is not 14 years of age, and has not had the required three years of club work. She is the daughter of Mr. and Mrs. J. D. Craven. Nelda Spray, daughter of Mr. and Mrs. Tom Spray, won second for those not eligible to go to district, since she has had only two years of club work.

A good crowd was present at the revue, despite heavy rain during the afternoon Saturday,

### RETURN HOME

Herman Stanfield, who has been a patient in Lubbock Memorial Hospital returned home last Thursday night. His daughter and son-in-law, Mr. and Mrs. Waldo Duke accompanied him here, then returned to their home in Lubbock.

### PLAY IN TOURNAMENT

Matador and Northfield "outsiders" women teams played in a volley ball tournament in Dickens this week, Monday through Friday.

## Home Ec Girls To Hold Style Revue

Three Homemaking classes of Matador High school will participate in a spring style revue to be held Friday night, May 2, in the school auditorium. It was announced this week by Mrs. A. L. Fair.

This promises to be a colorful event in a Gypsy setting. The girls will model dresses they have made as class and home projects.

Garments will be judged for beauty of line and color, and choice of accessories, all of which combine to make a pleasing appearance.

Grades given on the construction of the dresses will be added to the final score toward a first, second and third prize.

## Matador Schools Set Closing Date

Closing dates for Matador public schools has been set for May 13 by the Board of Trustees, and last-of-school programs are being arranged, according to announcements released this week.

Bobbie Gene Coldiron, son of Mr. and Mrs. Taylor R. Coldiron, has been named valedictorian of the senior graduating class of 1952, with an average of 93.3 for his last two years in high school. He came to Matador in September, 1950 from Bokchito, Oklahoma.

Rita Wilkinson, daughter of Mrs. Pearl Wilkinson, has an average of 90.1 and is salutatorian. She was valedictorian when she graduated from elementary school in 1948.

Grade School graduation exercises will be held at 10 a. m. Tuesday, May 13, and High School Commencement exercises will be at 8:00 that evening.

## STAGE SET FOR HD CLUBS DRESS REVUE

Home demonstration club women of the county, Saturday will vie for honors in a dress revue which will be held in the Jackson building. Construction of garments will be judged at 9 a. m. and dresses will be judged on the women, beginning at 11:30 a. m.

The dress revue will be held at 3:00 p. m. and the winners announced. The public is cordially invited to attend the event.

## Bobby Echols Is Candidate For Sheriff's Office

The Tribune is authorized to announce R. A. (Bobby) Echols of Whiteflat as candidate for the office of Sheriff, Tax Assessor and Collector of Motley county, subject to the action of the July 26th Democratic primary.

In making his announcement, Mr. Echols declared, "I feel that I am qualified for the office which I seek and in event of my election, I promise to devote my time and abilities in serving the people of Motley county."

"At present I am engaged in ranching in the Whiteflat community. I have spent my entire life in Motley county with the exception of three years in the armed services, including 35 months overseas. I am married and have one son three years of age.

"I will appreciate the vote and influence of everyone. I realize the responsibility of the office and I shall make every effort to warrant the confidence of those who find it possible to support my campaign. I want to take this means of expressing in advance my appreciation for any favors tendered me."

## Precinct Conventions Create High Interest

Persons wishing to cast a popular vote in the oncoming 1952 presidential election will have the one-and-only-chance to do so on Saturday, May 3 at various locations of County Precinct Conventions. Delegates are appointed at these meetings to represent each precinct in their precinct. Delegates are appointed at these meetings to represent each precinct in their precinct. Delegates are appointed at these meetings to represent each precinct in their precinct.

Notice of time and place of precinct conventions are:

Flomot, 9:00 a. m. at the Flomot school building; Whiteflat, 10:00 a. m. at the Whiteflat school building; Northfield, 9:00 a. m. at the Northfield school building; Union Corner, 9:00 a. m. at the Union Corner school building; Roaring Springs, 9:00 a. m. at the Roaring Springs High School building; and Matador, 11:00 a. m. in the Commissioners Court Room of the Motley County Courthouse.

## Butane Firm Will Give Away Range

Housewives in this area are going to be interested in an announcement made in this issue of the Tribune, by the Matador Butane company. The firm is conducting a cooking school at the Matador high school auditorium, Wednesday afternoon, May 7th, under the direction of the home economist of the Colorado stove company.

One of the outstanding features of the cooking school will be the giving away of a Coloric gas range, valued at \$259.50. The stove will be given as a door prize, and absolutely without cost or obligation. Albert Rattan, manager of the firm said the range will be placed on display in the lobby of the Rogue theatre.

## Dick Dirickson In Precinct 1 Race For Commissioner

The Tribune is authorized to announce the candidacy of L. H. (Dick) Dirickson for the office of Motley county Commissioner, precinct one, subject to the action of the Democratic Primary, July 20.

In a statement regarding his announcement, Mr. Dirickson said, "I feel that I am qualified to serve the office of County Commissioner. I am familiar with the problems of the office and in event of my election I promise to devote my time and abilities to the best interests of the people."

"I have been a resident of Motley county since 1915. At present I am a stock farmer. I am 44 years of age, married, and have made my home in Matador continuously since 1919. I have been engaged in public enterprise here for more than 18 years.

"I will appreciate the vote and influence of everyone who can support my campaign. I tender in advance my appreciation for any favors extended me."

**SENIOR COMPLETE SENIOR TRIP**

The senior class plans to leave Saturday the 24th of April on their senior trip. They have two half holidays and so an extra day for the trip. They are accompanying them Mr. and Mrs. Pete Timmons, Mr. Dunning, Mrs. Tompkins and Mr. and Mrs. Gilbreath.

They plan to go to San Antonio, see the Alamo and the missions and spend a night or there. On Saturday they will go to Austin, see the Capitol and the other sights of the city and come back some Saturday night or Sunday.

**REGIONAL MEET TENNIS RESULTS**

(By Elwanda Green)

Three of the Matador High School girls went to the Regional Tennis Meet at Texas Tech in Lubbock, Saturday, April 19. They were Marlene Bailey, Sen-Singles, Frances Trawick and Lois Bleivins. Senior doubles were accompanied by Beth Martin and Mrs. Tom Bailey.

Marlene's first opponent was Rains from O'Donnell, Texas. Rains beat Marlene 2 of 3 sets. The first set was in O'Donnell's favor, second was Matador's favor, third was 6-2 again in O'Donnell's favor.

Lois and Frances' first opponent were from Tullia. Tullia won two sets. The first was 6-4 and second was 7-5. Schools participating in the tennis meet were: Tullia, Pease, O'Donnell, Vega, Booker, Review, Jayton, Fort Stockton, Sweetwater, Phillips, Memphis and Matador.

**Matador Students Regional Meet**

(By LaRoyce Mitchell)

Two students of Matador High School attended the Regional Tennis Meet Saturday at Lubbock. They were Bette Fran Montgomery and Jimmy Graham. Bette won 6th in the Senior Girls Tennis.

There were 17 districts entered in the regional meet, 10 of them being in Class B.

**SENIOR TENNIS MEET**

(By Carol Gordon)

The Junior Interscholastic Tennis meet will be held Saturday, April 26 at Lakeview. Six M. H. students will be entered. They are Nelda Spray and Carol Gordon, doubles; Elwanda Green, Bette Montgomery, Cecel Irwin, singles and Fair and C. H. Murphy, doubles.

**Question of the Week**

**QUESTION: How do you feel about Matador girls going with out-of-town boys and vice-versa?**

Nelda Spray: I don't think it is any of the boys' business if the girls go with out-of-town boys and vice-versa.

LaRoyce Mitchell: What do you expect us to do? The Matador boys never ask us for dates.

Carol Gordon: I think it's perfectly O.K. Maybe we can't find our ideal boy or girl here in Matador.

Elwanda Green: I think it is O.K. because the M.H.S. boys go with out-of-town girls the same as we do out-of-town boys. So why should either of us worry?

Jimmy Watson: I don't suppose it matters to me I'm not a girl.

C. H. Murphy: I guess it's all right if they don't get too bad.

Harold Martin: Well, if the boys of Matador go with out-of-town girls, it's because there are no girls left in Matador to go with. They all go with out-of-town boys.

Robert Smallwood: Well, I guess it's all right for the girls to go with out-of-town boys because some boys go with out-of-town girls—because there aren't any Matador girls left.

**MEET THE PRESIDENT**

(By Carol Gordon)

Every once in a while you see a blue and white 1952 Ford whiz around town. Usually you'll find Harold Martin, Freshman Class President under the steering wheel.

**FAVORITE FRESHMAN BOY**

**SPECIFIC AGREEMENTS HELP AVERT DISPUTES. BAR SAYS**

A well drawn contract is designed to avoid the unfortunate disputes which are usually based on honest misunderstanding, and not to let one person take advantage of another. Lawyers agree that one of the most important functions served by the

careful execution of a contract is the preservation of business friendship.

Nearly every day all of us are making agreements with our fellow citizens. We base our plans and decisions on the faith that such agreements will be carried out. The grocer delivers food to us, relying on our promise to pay at a later date. We go to work each day on the faith of our employer's agreement to pay at the end of the week or month. Our whole system of free enterprise and trade is based, to a large extent, upon mutual agreements or promises to do something in the future.

Oral or written, such agreements are usually contracts. Probably the great majority of contracts that we enter into are never put into written form. Generally speaking, you can enter into a verbal agreement that is just as binding as a writ-

Tribune, Matador, Motley County, Texas, Thursday, April 24, 1952

**INSTALLATION OFFICER** Mrs. Furman Vinson, presided when the above group received the charge of duties as new V. F. W. Auxiliary officers for the coming year. Seated, left to right, are: Mrs. Roy Smith, president; Miss Nell Webb, reporter and guard; and Mrs. David Campbell, conductress. In the second row, standing, are: Mrs. A. M. Tanner, historian; Mrs. Ward Rattan, color bearer; Mrs. Richard Turner, junior vice-president; and Mrs. Melvin Meason, chaplain. Back row: Mrs. L. M. Cox, senior vice-pres.; Mrs. Billy Wason, treasurer; Mrs. Raby Webb, secretary, trustee and community chairman; Mrs. Wade Berryman, color bearer and trustee; and Mrs. Bob Clem banner bearer. Other officers, not present for the installation service, include Mrs. Ralph Horton, patriotic instructor; Mrs. Skeet Jameson, musician; Mrs. Bill Seale and Mrs. Tommy Newman, trustees; Mrs. Cotton Marshall, flag bearer; and Mrs. Pete Knight and Mrs. Raldo James, color bearers.

ten contract. The important thing for each party to remember is to make the agreement or understanding perfectly clear whether it is oral or written. Usually you will find that the best way to do this is to put it into a written contract. Exact terms of an oral contract may be difficult to establish if a disagreement arises.

It is easy enough to define a contract as an agreement between two or more people where each of the parties does something or promises to do something in return for the act or promise of the other. The real problem is to be actually certain what each party has agreed to do.

Suppose Mr. Householder has a piece of paper on which is written the heading "Proposal" and which thereafter reads as follows:

"We will build a garage for you on your lot for the estimated price of \$800, work to be done in a workmanlike manner. All of our work is guaranteed

to your satisfaction. Subject to the conditions printed on the reverse side."

This is signed by the XYZ Company. Under this signature is the word "Accepted" followed by a line for the signature of Mr. Householder. His question is, should he sign it?

Before he signs it there are some things he should consider. He should first remember that once he and the XYZ Company have both signed the agreement no matter how informal it may appear, they have bound themselves to the terms as written and cannot later escape the obligations they have assumed.

With this in mind, here are some of the misunderstandings that might arise from such an agreement: The company has agreed to build a garage—yet nothing is said about the size or type of construction. It has not even been stated whether it is to be a single or double garage. There is no indication in the agreement as to where on the lot the garage will be built. It

says nothing about when the work is to be finished. There is no agreement as to whether Mr. Householder is to pay in advance, in installments, or not until it is completed.

Further, they have not actually agreed upon a price. The agreement refers to an estimated price of \$800. They should be specific and make either a fixed price contract or an agreement whereby the builder is reimbursed for his expenses plus a definite profit percentage. Perhaps the XYZ Company feels that if their expenses are higher than anticipated, they will be able to charge more than the estimated \$800. On the other hand, Mr. Householder probably feels that \$800 is the maximum price he will have to pay.

The most important thing in a contract is to determine the essential elements of performance. This is not as difficult as it might seem. Here is a good rule to follow: As to the acts of each party determine what is to be done, when, where and by whom. See that these essential parts are included in your agreement. In addition, remember that if a contract is worth signing, it is worth reading and understanding—all of it.

(This column, based on Texas law, is written to inform—not to advise. No person should ever apply or interpret any law without the aid of an attorney who knows the facts, because the facts may change the application of the law.)

**Market Is Problem Faced By Growers Of Castor Beans**

A difficult problem facing Motley county farmers growing castor beans is the 60 or 90-mile haul to a hulling plant and market, according to County Agent Rufus Emmons.

As a result of the recent Roaring Springs meeting in the interest of growing castor beans in this area, Mr. Emmons provides the following summary of reports received from inquiries. Castor beans are not as good cash crop as cotton but better than grain sorghum. About the same wind erosion results on land that produced castor beans as compared to cotton land.

There is little difference in the two crops in the depletion of soil while four advised against it.

All questionnaires answered said that fertilizer should be used, applying 30 to 100 pounds of nitrogen or 16-20-0. All agreed that more experiments should be conducted before saying castor beans are helpful in controlling cotton insects.

Mr. Emmons' office was one of the agencies sending questionnaires to bankers, credit associations, farmers and county agents in Collingsworth, Hardeman and Wilbarger counties, where castor beans are being grown on a commercial basis.

**FORD WINS AGAIN!**

**TAKES FIRST PLACE IN CLASS "A"**

IN THE 1952

**Mobilgas Economy Run**

Ford's the Class "A" Winner for 3rd Consecutive Year!

**New Ford Mileage Maker SIX Thriftiest in its Field!**

Again this year... as in the past two years... Ford was first in economy over all other cars in its price class in the Mobilgas Economy Run. In this toughest test, a stock model Ford Six equipped with Overdrive (optional at extra cost) averaged 53.856 non-mile per gallon and 25.463 actual miles per gallon.

This was a very special triumph for Ford's All-New Mileage Maker high-compression Six. For now, with its new design providing 101-horsepower and free-turning overhead valves, Ford is definitely pound-for-pound the most economical low-priced car to run! Yes... Ford's thrift was clearly proved by the 1,415-mile grind from Los Angeles to Sun Valley. And a very important factor contributing to this victory is Ford's Automatic Power Pilot which squeezes the last ounce of power out of every drop of gas.

\*The AAA Contest Board determines the winner by a "miles per gallon" formula to insure equal chance for all cars in each class regardless of size and weight. Two miles per gallon equals the car weight (including passengers) in tons, multiplied by number of miles traveled, divided by number of gallons consumed.

West Texas Utilities Company

**More Farm Production Needed**

**Population Increase  
pace at 7,000 Daily**

Population increase pace is 7,000 daily. We have 7,000 mouths to feed today than yesterday—7,000 more bodies to feed tomorrow. Tomorrow there will be 7,000 more. In addition, our per capita food consumption is 10 per cent higher than the previous year.

Weatherall said Motley County farmers who use superior credit to develop efficient type farms are being asked to review their plans for the coming year and attempt to plant all they had planned, and to carry out recommended crop production practices. Services of the local Farm Home Administration office are available to any borrower who wants help in overcoming a production problem.

**More Production Sought**

Crop production practices recommended for Motley county are the use of improved seed varieties, and better control of weeds, insects and disease. Proper storage of feed and grain on farms and better use of machinery are other practices being followed. Soil building, maintenance of farm buildings, proper feeding and balanced rations are other ways being used to increase feed production.

**AUTO PLANTS BUILD VARIETY OF WEAPONS**

Scope of Chevrolet's defense effort while continuing civilian goods output is shown by these pictures from three plants. (Top)—Artillery shells ready for final inspection at St. Louis. (Above)—Broaching drive gears for tanks at Cleveland. (At left)—Aircraft engine pistons in production at Buffalo.

Production of more feed for livestock is one of the nation's most important needs, department officials declare. Compared with last year's production we need 15 per cent more corn on six per cent more acreage, 24 per cent more grain sorghums on 18 per cent more acreage and 14 per cent more barley on 19 per cent more land.

More feed grains and forage crops are needed for the near-record number of livestock now on farms, if production of milk and meat is to be increased. Records show that for two successive years our feed reserves have dwindled.

Mr. Weatherall said all farm families operating on supervised credit, whether their loans are for operating needs or for purchase or development of their farms, are rearranging their farm enterprises in such a way

that their farms and their labor will be more productive than ever before. Special attention is being given to greater feed crops and other farm production which is needed to avert shortages.

**Accent On Youth In Crime Upsurge**

WASHINGTON, April 21—Crime is increasing in the nation, says the FBI—and "a tragedy of our times"—the accent is on youth.

FBI director J. Edgar Hoover yesterday released a compilation of statistics from police departments throughout the country. They show rate increases for

1951 of 5.2 per cent in cities and 5 per cent in rural areas.

Hoover commented: "A tragedy of our times is expressed in 1951's fingerprint statistics on youthful offenders. Of persons arrested during the year, he said most were aged 23; 14.4 per cent were under 21; there was a 7.7 per cent increase among the under-17 group, and 44.9 per cent of 20-year-olds had

previous fingerprint arrest records.

The FBI estimated there were a total of 1,882,160 major crimes in 1951, an increase of 92,130 over the previous year. Auto thefts led the stolen property list and felonious homicides averaged 34 a day.

Solitary trees are struck by lightning more often than trees in a group.

**OPPORTUNITY**

**To parents who wonder . . .**

Are you wondering what your high school son is to become?

Is he headed for the overcrowded professions?

If these questions bother you, consider this:

**PRINTING**, one of the world's oldest crafts and one of the greatest industries, needs trained men.

Your boy doubtless can be trained for this interesting and profitable calling. It offers the greatest opportunity of any industry, the highest pay, and a wonderful opportunity for advancement to executive positions.

Write for information.

Now, get My **NEW 1-2-3**  
**"50,000 Miles No Wear" Service!**

- 1 I'll Drain Out Grit and Sludge While The Engine Is Hot!** "Hot-oil" drains every 1,000 miles flush out dirt, acid and contamination before they can do harm, leave the working parts of the engine sparkling clean!
- 2 I'll Recondition All Air and Oil Filters!** I clean filter-elements, replace worn-out cartridges, and record the mileage. I check mileage every time hood is lifted, to make sure these important filters are protecting your engine against dust and grit.
- 3 I'll Fill the Crankcase With Conoco Super Motor Oil!** Conoco Super is fortified with additives that curb the dangerous accumulation of dirt and contamination—protect metal surfaces from corrosive combustion acids—fight rust—and Oil-PLATE a film of lubricant right to metal surfaces.

**We Conoco Mileage Merchants are now trained and ready to give your car exactly the same service that helped keep test engines new in the spectacular "50,000 Miles—No Wear" road test!**

In that famous test, six brand-new cars were each driven 50,000 killing miles, to prove the wear-fighting ability of Conoco Super Motor Oil.

Thanks to Conoco's 3-point "50,000 Miles—No Wear" Service, those engines showed *no wear of any consequence*, in fact, an average of less than one one-thousandth inch on cylinders and crankshafts. Gasoline mileage for the last 5,000 miles was actually 99.77% as good as for the first 5,000!

Now you can get Conoco's great "50,000 Miles—No Wear" Service to help your engine last longer, perform better, use less gasoline and oil!

**Missionary Student Believes**

# God Had Purpose In Pearl Harbor

The incident of December 7, 1941 was part of God's plan to spread the message of Christianity, is the belief of Miss Helena Goto, 21, a native of Hawaii and a junior student at Wayland College, Plainview.

Miss Goto's conclusion is the result of her personal experience, when missionaries stopped at the Islands as they were being returned from the Orient following a declaration of war with Japan. She first heard of Christ in August, 1942. She was enroute to a Buddhist temple for worship, when she accepted an invitation to attend Vacation Bible School which was being conducted by L. E. Blackman. Hearing was believing for Miss Goto, but she feared to tell her Buddhist parents of her conversion, knowing well the full measure of their disapproval. She has not seen them since coming to the United States three years ago to enter Wayland College, where she is studying as a missionary student.

These and many other interesting features of life in her homeland were told by Miss Goto in a soft voice as she spoke here Tuesday night at regular monthly meeting of the Baptist W.M.U. and Brotherhood.

The Royal Service program was led by Mrs. Forrest Campbell, missions chairman, with members of the Lottie Moon Circle participating in the devotional. They were, Mesdames R. E. Campbell, Jr., Jack Norman, Lee Burns, and Bill McCahren. Program subject was, "Hawaiians Are Americans Too," and special music was a solo, "He Lives On High", sung

by Mrs. Hilton Jones, accompanied at the piano by Mrs. Colquet Warren. Mrs. Joe E. Campbell, circle chairman, introduced the diminutive guest speaker.

**Banished From Home**  
Because she had broken a family tradition in discarding the teachings of Buddha for those of Christ, she was banished from the circle of her family, and forced to earn her own living.

When the opportunity to attend Wayland College, was extended by President Bill Marshall, Miss Goto gladly accepted and is working to pay her expenses while attending school. She is majoring in business and when she finishes at Wayland, plans to return to Hawaii to work as Educational Director among the young people. "I want to help bring the Gospel of Christ to my own people" she ended her talk earnestly, as she quoted from Romans 10:14-15.

"How then shall they call on him in whom they have not believed? and how shall they believe in him of whom they have not heard? and how shall they hear without a preacher? And how shall they preach, except they be sent? as it is written, How beautiful are the feet of them that preach the gospel of peace, and bring glad tidings of good things!"

Arrangements of iris and lilies, and fresh pineapple and other fruit, encircled by colorful leis decorated the tables for a covered dish supper which preceded the program. Leis, worn by those participating in the program also accentuated the theme for the evening.

**APPRECIATION**

I wish to express my sincere appreciation to friends for the many cards, and messages of cheer sent me while I was a patient in Lubbock Memorial Hospital. Words cannot express what your thoughtfulness meant to me.  
H. O. Stanfield.

**TO TEMPLE**

Mrs. Bob Martin was conveyed to Temple, Tuesday in a Eudy-Seal ambulance, and is a patient in Scott & White Hospital. Mr. Martin and son, DeWayne, accompanied her.

**HOLDS REVIVAL**

Rev. M. G. Brotherton returned home Sunday night from Silvertown, where he conducted a week's revival at the Methodist Church, which began on Easter Sunday.

Visiting in the home of Mr. and Mrs. A. K. Wilkinson over the week-end were their daughter and family, Mr. and Mrs. C. O. Strickland and children of Crosbyton. Their son, Randy is spending the week here.

Misses Geraldine Waybourn, Tresa McDonough and Marie Timmons spent last week-end as guests of Miss Lila Gene Thomas in Paducah. They also attended the horse and colt show.

Mr. and Mrs. Erman Hollis of Texhoma, Okla., were guests Monday night in the home of Rev. and Mrs. M. G. Brotherton.

**IN APPRECIATION**

We wish to take this means of expressing our profound gratitude for the many cards, flowers and gifts sent Clotelle while she was hospitalized, and also for the visits from friends which cheered her so. Since she is now receiving treatment at the Beverly Hills Sanitarium, (218 N. Westmoreland Ave.) in Dallas, she will also appreciate hearing from her friends, at that address.

Mr. and Mrs. U. L. Willie and Clotelle.

### High School Driver Education Course A Step Toward Saving Lives

the half century that the average span of life today would be even higher if such drivers had not killed 1,000,000 persons since the turn of the century—300,000 of them in the decade between 1941 and 1950. Last year more than 300,000 years of life were wiped out in

traffic accidents that claimed over 6,500 victims between the ages of 15 and 25 alone. These are the years in which educations are finished, careers started, marriages made and families founded. Parents had watched over these young lives until eyes, once filled with pride and hope, became glazed with stunned unbelief when sword came of the tragic end. "Why did it have to happen?" they sobbed.

## Abilene Horse Takes Paducah Show Prize

Finals in the Cattle-King Livestock Association's horse and colt show were completed in Paducah Saturday despite the April showers that threatened at times to call a halt to the tenth annual exposition.

"Hollywood Snapper," owned by Dr. and Mrs. D. G. Stole of Abilene, won the third consecutive Cattle-King horse and colt show championship in the final go-round of the senior cutting horse contest.

With Elmo Favor in the saddle, "Hollywood Snapper" with 468 points topped a field of 31 entries.

The 4-year old's first championship was in 1950 when named grand champion reining horse. Last year "Hollywood Snapper" was the champion junior cutting horse.

In the run or cutting horse contest, Marion Josslet of Haskell rode "G's Brandy" to its inaugural title, totaling 449 points.

Defending champions in both the junior and senior reining events retained their crown won in the 1951 show. "Sunny-brooks," owned by Tom Ustin of Guthrie, marked up 442 points to keep the title. Winning the senior reining contest for the second straight year was "White Man," belonging to Son Reed of Iowa Park. "White Man" marked 464 points, 14 ahead of his closest competitor.

In the jackpot roping contest Friday night, John Burrus of Eldorado, Okla., took home the \$56 purse with a time of 14.1 seconds. Times were considered below par as 12 of the 28 contestants registered no time after missing their first loop. Seven ropers had 10 seconds added to their times as a penalty for breaking beaver.

The second place money went to Fred Dalby of Aspermont, who recorded a time of 18.8 seconds. W. A. Watts of Arcener City was timed at 19.2 seconds which was good for third place.

The slow drizzly rain that set in Saturday afternoon has become a perennial event with the Cattle-King horse and colt show, it having rained each year for 10 years on the day of the show. Clear skies got the arena events well underway Saturday morning. Later in the afternoon a stiff wind blew in from the south, sprinkling down the contestants, but did not drive any of them from the arena.

## Day by Day CLEANERS

Driver education, which trains young men and women to be safe drivers before they take the wheel of the family car, is offered today by only 38 per cent of the nation's high schools. These courses are taken every year by about 600,000 high school students, or 44 per cent of those eligible to enroll. Through such courses a determined effort is being made to improve the tragic accident record of drivers between the ages of 16 and 25, which is nearly twice as bad as it should be in relation to the group's percentage of all drivers.

Matador High School, for the first time this year, is offering the approved Driver Education Course to high school students. The course has been a popular one and will be continued.

When students learn to become safe drivers in high school, their chances of avoiding serious accidents are usually three times better than those of youths who have not had such training. The cost of driver education is small and its rewards are great. It can make a great contribution to highway safety if all high school students receive it.

Communities that fail at least to offer it overlook one of the obvious "musts" of highway safety.

### State Will Observe Childs Health Day

AUSTIN — Children's Health Day will be observed throughout the nation on May 1, in the hope of insuring that tomorrow's children will be sturdier than were those of yesterday.

In Texas, state health officials are shooting for a record of benefitting an even greater number of handicapped children than the 4,320 which were cared for under the state's crippled children program in 1951.

It will mean new hope for the child with a club foot, a cleft palate or harelip, a crippling burn, bow legs, or a curved spine.

State Health Officer Geo. W. Cox, whose department has administered the program since 1945, said many people "don't realize they can get state financial assistance for the physical restoration of many crippling conditions."

### SISTER IS BURNED

Mrs. Sam Tucker of Rotan, sister of Mrs. Phil Green, received burns about the face Sunday, when the oven of her gas stove exploded. Mr. and Mrs. Green were visiting her parents, Mr. and Mrs. C. E. Mize of Aspermont, during the week-end, and all went to Rotan to spend Sunday. The Greens brought the Tucker's young son, Tommy, 9 months old, home with them.

## Let's get down to brass tacks and the PLAIN HARD FACTS

Here's why a Chevrolet truck means dollars-and-cents savings!

Size up the four facts why a Chevrolet truck cuts down your hauling or delivery costs. But there's more to it than that. It's the greatest truck to drive you ever got your hands on. Easier Ball-Gear Steering. Clutch smooth and easy. Fast, quiet Synchromesh transmission that eliminates double clutching. Roomy cab with five feet of hip room, ventipane windows, and seats with double-deck springs. Come in and let us show you.

- FACT No. 1** You pay less to buy!
- FACT No. 2** You save on cost per mile!
- FACT No. 3** You get the right truck for the job!
- FACT No. 4** Your truck investment is safer!

For Commissioner, Precinct 4:  
C. B. Glenn  
Charlie Posey  
Chas. Brooks  
Billy Hand

**Mosquito Eating Fish Are Depleted**

LOS ANGELES, April 21 — City Health Officer George M. Uhl released a sad statistic today.

Winter floods wiped out more than three million of Los Angeles' famed gambusia affinis, tiny fish with voracious appetites for mosquito larvae.

Two million were washed out of stocking ponds in Reseda and Northridge and another million were swept out to sea from the Los Angeles river.

"But one million survived," Uhl said, "and they will be put to work where they are most needed."

**SURPRISE PARTY GIVEN MRS. SCOTT**

Mrs. O. B. Scott of Roaring Springs was the honoree of a surprise birthday party at her home Sunday evening. Her brother and family, Mr. and Mrs. Milton Williams and children, L. D. Jackie, Sheary and Darla; two sisters and families, Mr. and Mrs. Paul McGuire and daughters, Myra and Charlotte, and Mr. and Mrs. Clifton Newton and son, Lanny, all of Petersburg, were visitors and brought a birthday cake and gifts. The families then enjoyed a weiner roast on the river bank.

Health authorities plant the fish each year in fresh water lakes and ponds where mosquitoes are likely to breed. In addition they give them away to individuals who have private ponds.

Uhl said 50,000 gambusia will be made available to private citizens May 5 at 17 locations in the Los Angeles area.

**Roaring Springs Sergeant Is With Ordnance Company**

(Special to Tribune)

STUTTGART, Germany — A Texas South Plains soldier, Sergeant Jimmie D. Bradley, son of Mr. and Mrs. Jesse D. Bradley, Box 245 Roaring Springs in Motley county, is a member of the 357th Ordnance Heavy Maintenance Co., located near Stuttgart. The unit is part of Seventh Army service troops.

Bradley is a light artillery repairman and is charged with reconditioning and repair of artillery pieces, both tank and truck drawn weapons, with which Army troops are equipped here. The company itself repairs and services tanks, and heavy equipment, such as bull dozers, graders and other units.

He attended high school in

Roaring Springs but did not graduate and is now studying under the Armed Forces Institute, taking work that will enable him to receive his diploma later. Called to service Oct. 13, 1950 at Amarillo, he received basic training in Ordnance repair work and came overseas with his unit last September.

In addition to his parents, he has two brothers, Tommie and Ralph Bradley of Snyder, Texas and three brothers in Roaring Springs, Clayton, Benny Wayne and Merle Bradley. Mrs. James Hamilton, El Paso, Texas and the Misses Rachel, Lois Jean and Ruth Ann Bradley, all of Roaring Springs, are sisters.

His company has been active in promoting German-American friendship. Last Christmas unit "adopted" a 300-child orphanage and provided a Christmas party for the orphans and provided a Christmas party for the orphans in Waiblingen near Stuttgart.

**Miscellaneous Shower In Traweek Home  
Presents Mrs. Billy Dean Smallwood**

Billy Dean Smallwood, Mrs. Mae Bostick, was commended with a miscellaneous shower in the home of Dr. and Mrs. C. Traweek, jr., Monday, April 22, from 7:30 until 10 o'clock.

Out-of-town guests were, Mrs. Elden Reedy of Odessa and Mrs. Lewis Bostick of Turkey, sister and sister-in-law of the bride, and Mrs. Roy Fawver of Floydada.

**ROARING SPRINGS HD CLUB HAS MEETING**

The Roaring Springs home demonstration club met Wednesday, April 16, in the home of Mrs. Bill Bailey, for regular meeting. Present were two new members, Mrs. J. D. Townsend and Mrs. Curtis Murphy, in addition to Mesdames J. K. Green, G. C. Sanders, H. T. Tooke, S. E. Bailey, Bill Bailey and Billy Hand.

Refreshments of coffee, punch, cake and cookies, were served. Announcement was made that

an all-day meeting will be held on May 7, in the home of Mrs. J. K. Green, when members will make hospital gowns to lend. All members are urged to attend and those having portable sewing machines are requested to bring them for use. All who attend will also bring salad and sandwiches for a noon lunch.

**MRS. S. PRICE IS HOSTESS TO CLUB**

Mrs. Sterling Price was hostess to the Matador Home Demonstration club, at a regular meeting held Thursday, April 17.

Miss Marie Rea, county home demonstration agent, spoke on the subject, "Professional handling of fabrics", with a demonstration.

Refreshments of ice cream and cake were served to the following members: Mesdames Ada Ford, W. D. Lipscomb, B. M. Eubank, Bernice Knight, A. K. Wilkinson, J. L. Woodruff, W. B. Vaughn, Walter McWilliams, Bill McCabren, and Turner Campbell, and visitors, Mesdames T. E. Cammack, Melba Jones, and R. E. Campbell, sr., Miss Maggie Bryan, Mary Ann Damron, and Mrs. Virginia Stewart of Shreveport, La.

Next meeting will be in the home of Mrs. Bernice Knight, Thursday, May 1, for a demonstration of refrigerator drop cookies.

**HAS OPERATION**

Mrs. Jack Crider of Grandfalls, Texas, underwent emergency appendectomy Friday afternoon at Stanley Hospital. Mr. Crider arrived Friday night to be at his wife's bedside and was accompanied on his return to Grandfalls, Monday, by his oldest daughter, Donna. The younger child, Dale, remained here with an aunt, Mrs. Ben Meador. Mrs. Crider had been visiting in the Meador home and with her parents, Mr. and Mrs. A. A. Tipton.

Tribune, Matador, Matley County, Texas, Thursday, April 24, 1952

**Social Activities**

**GOLDEN WEDDING ANNIVERSARY.** In observance of their marriage on April 9, 1902 at Lydia, Texas, was celebrated recently by Mr. and Mrs. H. M. (Hiram) Murphy at their home in north Matador. They were assisted by their children and grandchildren, and one hundred and thirty friends called during Open House from 2 to 6 p. m. Mr. and Mrs. Murphy have been residents of Matador since 1920.

Mrs. Leo Archer visited with her mother-in-law, Mrs. Lizzie Archer and other relatives in Lubbock, Sunday.

Mr. and Mrs. Loye Sparks of Taft, Calif., arrived Sunday to visit this week with her mother, Mrs. Bess Patton. Both are employed by Standard Oil Co.

Dr. and Mrs. J. S. Stanley were in Dallas this week on business, and also visiting their daughter, Ruth Marie, student at Hockaday School.

Byron Knight of Denver, Colo. visited here during the week-end with his mother, Mrs. Bernice Knight and other relatives.

Mrs. Eldon Reedy and sons of Odessa, are spending this week with her parents, Mr. and Mrs. G. B. Bostick.

Odus Crowell of Tucson, Arizona, has been a business visitor here while spending the week with his mother, Mrs. Leonard Crowell of Flomot.

Mrs. Nolan Fulkerson of Odessa, arrived Sunday night to be at the bedside of her father, A. A. Tipton, patient in Stanley Clinic. Also here with him is his son, Burrell Tipton of Conroe, Texas, who was accompanied by his wife and daughters, Martha and Susan.

**Community Suicide**

Communities do not die, they commit suicide, said a newspaper recently. And it is true. If grocers would handle only

local bakery products, the bakery would hire another employee or two and another home would be established.

If housewives did not buy from peddlers, wagon salesmen and catalogues, six more clerks would be needed in the business district and more houses would be built.

If the printing office could have all the work that is sent out of town and to the government printing office, another printer or two would have jobs.

If everybody who makes money in his community would trade at home then his home town would double its population in a few years and everybody in and around would be prosperous. Why are filling stations out of proportion to every other line of business in number? Because people buy gas and oil at home.—Exchange.

## Telephone Firm Announces Change to be Made In Name

Name of the Southwestern Associated Telephone Company which serves Matador, Roaring Springs, Afton and Dickens in this immediate area, will be changed to General Telephone Company of the Southwest.

The announcement was made last week by Roy Autry, president. Name changes will affect 12 subsidiary operating companies, serving more than 1,435,000 telephones in 3600 communities from coast to coast. In each case the new names will include the word "General".

Purpose of the change is explained as better serving a means of achieving uniformity and to make General Telephone system better known to the investing public.

Donald C. Power, president of General Telephone Corporation in New York declared that altho the system is one of the nation's larger public utilities, with plant in operation of about a third of a billion dollars, the name "General Telephone" is known to relatively few people other than the parent company's 25,000 stockholders. The name change will in no way affect management or operation of Southwestern Associated.

**Recognition Important**  
Recognition as General Telephone is important to us, Mr. Power declared, particularly now that we are in the midst of a heavy construction program. Since World War II, System companies have added 732,000 telephones through internal growth and acquisitions, an increase of 105 per cent. This has required new capital in excess of \$175,000,000. In 1951 alone, the parent company and its subsidiaries sold a total of over \$60,000,000 in new securities and similar yearly construction and financing programs will be required for years to come in

### ATTENDS AUSTIN SCHOOL

Albert Rattan recently attended the management school sponsored by Texas Butane Dealers Association in Austin. The school is conducted through the cooperation of the University of Texas extension department. He was accompanied on the trip by Mrs. Rattan.

order to meet the continuing demand for telephone service. "General Telephone has always been successful in selling its securities," Mr. Power said. "However, it is generally accepted as a fact that well known companies are able to attract new capital more readily and at a lower cost than companies which are little known."

### NORTHFIELD NEWS

Mrs. C. L. Lane

Mr. and Mrs. J. E. Payne spent Monday night as guests of B. F. Simpson.

Red Shaw of Turkey and E. M. Cornelius of Plainview, were in Northfield Tuesday, on business.

Following the exhibit Monday the group of artists were entertained at a reception, attended by more than 100 painters. During the reception various members of the group were interviewed by tape-recording and the interviews later broadcast over the Floydada radio station.

**RESEARCH FARM IS VISITED BY DEALERS**

Livestock and poultry dealers from this locality including Curtis King, were recent visitors at the Ralston Purina Research Farm at Gray Summit, Missouri.

The 728-acre farm demonstrates normal, average farm conditions and the visitors were shown how grade animals and poultry can be raised profitably under farm conditions. Among the practical operations inspected were the hog farrowing and fattening units, the dairy cattle project, dry lot and show calf feeding, broiler installation, laying flocks, ducks, turkeys, rabbits, dogs, goats, game birds and fur bearing animal units.

Following the day long farm tour, the visitors were entertained at the general offices of the Ralston Purina Company in St. Louis and the next day toured the Research Laboratories and saw how various types of chows are manufactured in the St. Louis Purina Mill.

"THERE IS GLORY ENOUGH FOR ANY MAN TO LIVE AND DIE A TEXAN."

**Pioneer Returns For First Visit Here In About Forty Years**

Sam Elliott, 85, early-day cowhand on the Matador Ranch when it was owned by Henry Campbell, was a visitor here this week in the home of a niece, Mrs. E. F. Springer.

Mr. Elliott, who lives at Olive Hurst, Calif., was accompanied here by a sister, Mrs. Martha Edwards of Sacramento, Calif., and they were joined here by Mrs. Edwards' twin sister, Mrs. Lydia Sweet of Dallas, and a brother, Bob Elliott of Childress. They visited Mrs. Harrison Williams, their sister who is a patient in Traweck Hospital, and also drove to Dickens to visit a brother-in-law, Larnam Crabtree, first sheriff of Dickens county.

This was Mr. Elliott's first visit to Motley county in over 40 years, and he found very few of his old friends still living here. He hauled lumber to build the first postoffice in Matador, and in 1892 moved to Cheyenne, Oklahoma, where he served as sheriff for seven years. He worked in the state prison for eleven years before moving to California a number of years ago.

**Texas' Federal Tax Payments Up Half A Billion**

Texas paid a whopping \$1,840,874,971 into the government's tax kitty last year, the Internal Revenue Bureau announced yesterday.

The figure showed a sizeable increase over the \$1,300,828,603 Texans shelled out for 1950, the year previous.

The Bureau's report indicated the government collected more taxes last year than ever before—about \$362 for each man, woman and child in the nation.

The grand total 1951 collections amounted to \$56,093,339,426.69.

That was a 40 per cent increase over 1950 and 28 per cent more than the previous record of almost 44 billions collected in 1945, the year World War II ended.

Individual income and social security taxes for 1951 totalled some 30 billion dollars, compared with 21 billions in 1950. Corporation income and excess profits taxes jumped to \$16,564,712,955 last year. Various other taxes took about 10 billions more.

There are about 250 religious denominations in continental United States.

**VISITING PARENTS**

Mrs. R. M. Dailey and children, Jim Bob and Glenda Kay, of Crockett, are visiting here with her parents, Mr. and Mrs. J. L. Woodruff. They accompanied Mrs. Dailey's brother, Glenn Woodruff, on his return home Wednesday from a business trip to Dallas.

W. R. Moffett, a former implement dealer of Matador, said his son, Douglas Moffett will operate the dealership here. Many free prizes are offered on the opening day, he declared. A field demonstration is announced for Saturday but the location will be made public later.

**Young People of Roaring Springs To Hold Services**

A special service Sunday, to be sponsored by the Christ Ambassadors, (young people) in the Assembly of God Church, Roaring Springs, has been announced.

The service will begin at 6:00 a. m. with a Sunrise worship, to be followed by breakfast at the Hotel Cafe which will be given by the pastor, Mrs. Ben Dillard. The C.A.'s will then have charge of all services at the church throughout the day: Sunday School at 10 a. m. Morning Worship, 11 a. m.; a Gospel Singing at 2:30 p. m. and evening worship at 8 o'clock.

"We are endeavoring to interest all the young people in every church, and there will be songs from almost every town in our community," the pastor stated.

A cordial invitation is extended everyone to attend the services, and a number of town visitors are expected.
