Matador, Motley County, Texas, Thursday, November 13, 1958 PRICE SEVEN CENTS

THEY AIDED in shaping the destinies of many Matador High School Exes. Mr. and Mrs. B. F. Tunnell, former superintendent and his wife, left a lasting influence on many young men and women while they were instructors here. The above picture was made recently when Mr. and Mrs. Tunnell visited in Matador. Their home is presently in Oroshi, California.

Wounded 40 years ago

Delayed Purple Heart Presented To Veteran

A VETERAN WOUNDED in the Battle of the Argonne 40 years ago, Tuesday evening received the Purple Heart Award here at a Veteran's Day ceremony held in the VFW building. Floyd Bradley, operator of the Matador Trading Post, was shot in the left elbow, October 13, 1918, on Hill 374 in World War I Battle of the Argonne. His war records became lost and only recently did the War Department establish evidence of Bradley's valor.

Presentation of the award was made by M. S. Patton, a member of the same famous Rainbow Division in which Bradley was wounded.

A joint meeting of the VFW and Legion observed Veteran's Day in a program which began at 6 p. m. The program was well attended.

Principal speaker was Capt. S. M. (Max) Kennedy of Lubbock who was introduced by County Agent Bill Palmeyer.

"Defense of our nation must be kept modern," Capt. Kennedy said, "regardless of how glorious the past of any nation may have been, its protection depends on its defenses being kept modern... the efficiency of a nation's defense begins to deteriorate as soon as a war is ended... and frequently it requires as long as five years to restore protection to an emergency level."

"The citizenship of this nation must be prepared for an eventuality," Capt. Kennedy said, "the lack of preparedness is the surest way of insuring invasion."

"It would be better to have 10 million rounds of ammunition on hand and never fire a shot," he said, "because the preparedness would probably be the reason no shots were fired."

Capt. Kennedy was accompanied here by Major J. B. Beard, also of Lubbock. Capt. Kennedy is a cousin of Ted Elliott of Matador.

Among his World War I souvenirs Mr. Bradley has a citation signed by former President Woodrow Wilson.

UNION SERVICE PLANS ARE MADE

Following a custom of long standing, community union Thanksgiving services are being planned again this year.

A program has been arranged which will be presented Wednesday night, Nov. 26, at 7:30 at the First Baptist Church. Speaker will be Rev. L. W. Tucker, pastor of the Methodist Church.

Special music will be directed by Mrs. L. D. Wilkerson, county music teacher, and will include an anthem, "In Our Work and in Our Play" by the Matador Elementary Choir, and songs by the "Spark-a-let," a trio composed of Melanie Brown, Judy Hobbs and Vada Nichols.

President Proclaims Nov. 27 President Eisenhower has set aside Thursday, Nov. 27, as Thanksgiving Day. He urged all citizens to give thanks for the blessings which have "signaled our lot as a nation."

The President's annual proclamation also called on the people to ask for guidance in striving for a better world for all men.

Drum and Bugle Corps to Serve Turkey Dinner

Matador Drum and Bugle Corps will serve a turkey dinner Tuesday, Nov. 25, from 6:30 until 8:00 p. m. in the American Legion building. Plates will be 50c for children and \$1.00 for adults.

The annual affair will include a floor show for entertainment during the dinner hour, under the direction of Mrs. John V. Stevens.

The dinner is one of the projects which the corps sponsors for the purpose of raising money to defray expenses.

Ward Rattan has been very diligent in his work of directing the activities of the corps at the football games. The cooperation of the community in supporting the band of musicians, is appreciated not only by Mr. Rattan, but the Toredors and their parents as well.

GOES TO CARLSBAD

Mrs. T. E. Williams left Saturday for Carlsbad, N. M. where she will spend the winter with a daughter and her husband, Mr. and Mrs. Elmer Jameson.

Distance no barrier

Exes are Arriving For Homecoming

FORMER students of Matador high school are beginning to arrive for the 6th annual homecoming scheduled tomorrow. With planes spanning the nation in a matter of a few hours, distance is no longer a barrier and former students are expected from all areas of the nation.

Yesterday resident exes were starting the preparation of vast quantities of food for the buffet supper which will be served in the Legion building immediately preceding the Matador-Turkey football game.

Tickets and especially printed ribbons have been delivered for the registration which starts in the morning in the High school building auditorium lobby.

Arrangements have been made for the party at the Legion building following the football game. In past years it has been one of the outstanding events of the homecoming.

Matador is making every effort to "Roll out the Red Carpet" for former teachers and students of Matador High School.

Among the early arrivals was Fred G. Simpson, now employed by the U. S. Immigration Department in El Paso. He arrived Tuesday morning.

Former High School principal Vernon Doss is expected to arrive here today and many ex-students and teachers will be back in Matador by tonight. Mr. and Mrs. Joe Campbell of Liberal, Kansas, Arlie Carpenter of LeFors, Mr. and Mrs. Phil Green of Borger, Burrell Tipton of Dayton (Texas), Major Jack Robinson of Abilene, are among the exes who are expected today.

Ranch Manager is Hospital Patient

Seth Sager, manager of the Matador Ranch is reported improved at Stanley Hospital, where he was conveyed Sunday after suffering from a near stroke. He was at Russellville making a routine check of cattle when he became ill.

Coming immediately by plane to his bedside were ranch officials, Messrs. Randle Dunne and Bob Heitz of Wichita, Kansas, and Luther Steele of Duncan, Okla., piloted by Wendell Connally also of Duncan.

Mr. Sager's mother and sister, Mrs. W. M. Sager and Mrs. Jack Sims of Chillicothe, also came Sunday night and returned home Tuesday.

Ed D. Smith III Operator of Dutchman line camp of the Matador Ranch, Ed D. Smith has also been ill and a patient in Stanley Hospital. He was dismissed Sunday, much improved.

VISIT PARENTS

Visiting here Tuesday evening with J. R. Moore in Stanley Hospital, and Mrs. Moore at their home, were their daughters, Mesdames Chas. Guy and Sam Dunn, accompanied by Dr. Dunn, of Lubbock.

Matadors Face Turks For District Honors

COTTON PICKERS NARROWLY ESCAPE FROM AFTON FIRE

FIRE "like an explosion" engulfed a four-room house on Dempse Clifton's farm two miles south of Afton about 7 p. m. Thursday and 14 Mexican cotton pickers narrowly escaped with their lives.

One baby three or four months old, a little girl about six and a Mexican woman all suffered minor burns. "Shorty" Garcia and his family, together with the other workers lost their entire possessions, including \$550 in cash.

Origin of the fire is unknown. The cotton pickers had finished their evening meal when the room in which they were gathered suddenly appeared to be "afire all over."

Several of the occupants had their hair singed as they fled the flaming structure, Mr. Clifton declared. He said they lost all their bedding, clothing and personal possessions.

Mr. Clifton said Mr. Garcia and his family had worked for him each season for several years and that the entire group were hard, faithful workers, to whom the loss will be severe.

Mr. Clifton operates the Jackson Estate lands in the Afton area but the house was located on a quarter-section of land which he owns.

New Grocery Store Opened in Matador

Logan's Grocery has opened in the former location of Ike's Food on Highway 70 and invites the public to visit the store.

J. B. Logan, formerly of Denton County, is manager of the store and is experienced in the grocery business. Mr. and Mrs. Logan have moved here to make their future home.

The store, which carries a full line of staple and fancy groceries, vegetables, dairy products and frozen foods, will operate on a strictly cash basis.

Store hours are 6:30 a. m. to 8 p. m. and open Sundays.

Attend Reunion Of Scottish-Rite

Attending the Scottish-Rite reunion in Dallas last week from this chapter were Jimmy Powell and W. F. Gresham of Floydada; Rev. and Mrs. Aaron Mitchell of Quitaque; and Matador residents, Curtis Graham, Rev. Gene Hawkins, Mr. and Mrs. Frank Price, Mr. and Mrs. Billy Wason, Mr. and Mrs. Alvin Stearns and Mr. and Mrs. D. E. Pitts Sr.

All returned home Thursday with the exception with Mr. and Mrs. Stearns and Mr. and Mrs. D. E. Pitts, who remained for the Shrine Convention on Friday and S. M. U.-A-M football game Saturday afternoon. They returned home Sunday.

Tie Up Panthers 60-14 Last Week

IT IS NOT IN THE BAG. The Matador Matadors are not 1958 Dist. 9-B (Region III) District champions until they have defeated the Turkey Turks here on Burleson Field tomorrow night. The Turks are the most formidable club the Matadors have met since they entered district competition. The Turks and the Matadors have each gained three district victories (and no defeats).

Of course, Matador fans believe the Matadors are going to emerge as district champions but it is not in the bag. The Turks have a powerful and well-trained team. They have a tremendous spirit to win and are expected to be accompanied by a large caravan of loyal fans.

Homecoming exes are going to see the classic Matadors game of the season. The Matadors will crown their selection of Football Sweetheart during the half-time exercises. If the Matadors win the district championship it will be the second in succession and four times in five years.

Last week the Matadors tied up the Quitaque Panthers 60-14 in the third district contest of the season, under the lights here on Burleson Field before an estimated crowd of 400.

The Matadors took the opening kickoff and drove 57 yards in seven plays. Sherrill Rigby climaxed the drive with a four-yard run. Gerald Pipkin ran the extra points over. Moments later the Matadors ended a 70 yard drive with another touchdown. Pipkin went 18 yards around left end to make the score and he also ran the extra points over. The Matadors closed out the first quarter leading 16-0.

Guy Campbell scored from 34 yards out on the first play of the second quarter. Then half-back Dink Wilson cracked left tackle for another touchdown. Pipkin scored the extra points

RELATIVES ATTEND RITES AT ROSCOE

J. J. McBride, 82, pioneer retired farmer of Roscoe, and brother of J. C. McBride of Matador, died early Sunday at Young's Medical Clinic, Sweetwater.

Funeral services were held Monday afternoon from the First Presbyterian Church of Roscoe and interment made in the Pylon Community cemetery.

Relatives attending included Mr. and Mrs. J. C. McBride and Mrs. R. A. Stafford of Matador, accompanied by Earl McBride of Lubbock.

Another nephew of the deceased attending the services included D. D. McBride and Mrs. McBride of Dallas, who visited with relatives here overnight Monday before returning to their home.

Farmers Prefer Water Over Oil Survey Shows

LUBBOCK — South Plains farmers still prefer water to oil — if they have to make a choice — according to a survey by Dr. A. W. Young, agronomy department head at Texas Tech.

Recent restrictions on oil production have reduced oil well income to an average of \$40 per well monthly in some instances as compared to \$125 monthly prior to restrictions.

"If a farmer had one well per 40 acres, this would provide an annual income of \$480 per 40 acres of land based on the \$40 per month income," Young said.

He points out that the farmer with an irrigation well to supply an average amount of water can reasonably expect to increase his cotton yield by at least 300 pounds of lint or 3,000 pounds of sorghum grain per acre each year.

"The value of this increase in lint cotton would be \$80 or more per acre or \$3,200 for a 40-acre block. The increase in irrigated sorghum grain due to the water would have a value of \$50 or more per acre or \$2,000 or more from a 40-acre block," Young said. He noted, however, that additional production costs must be subtracted from the gross income.

"If the value of the income from the oil well is compared with the income from the irrigation well, one can see why the farmer with good soil and a good irrigation well would be wise to choose water over oil," Young said.

LETTERS FROM EXES

1317 Sunset Blvd.
Waco, Texas

Dear Hazel:

It seems that perhaps I owe the Ex-Students Association an apology for not, at least, acknowledging their invitations to the annual homecoming without a doubt.

I had high hopes of being able to attend this year, but at this time it looks very much like I will not be there.

I am sending my check for membership dues, and sincerely hope that another year will not pass without my attendance at Homecoming.

Give my best regards to all the Exes.
Yours truly,
Vernon A. Craven

2010 Coffee
Pampa, Texas

I am enclosing a check for my Ex-Student dues and am looking forward to attending the Homecoming this year for the first time. Seems like something always prevents me from getting there, but think this year it will be different.

With my best regards to all of you,
Joe Jeffers

Childress, Texas

Dear Hazel:
Am enclosing a dollar for my membership. Would like to attend the meeting but think it impossible.

I often think of my four years service in Matador School with pleasure.

Wishing you a successful meeting and with best wishes for all my pupils, I am,
Sincerely,
Ora Givens

Homemaker's Hints

By Ruth Wilson
Home Demonstration Agent

The County Program Building Committee met Tuesday, November 4 at 7:30 in the District Courtroom of the Court House. Two of the suggestions made during this meeting was to have more county-wide recreation and contests in which the 4-H'ers could participate. Plans for the annual 4-H Achievement Banquet were discussed among various other subjects pertaining to Agriculture Home Economics and 4-H Club work.

Roaring Springs Home Demonstration Club, one of the two new home demonstration clubs in the county, had a very interesting meeting Monday afternoon in the home of Mrs. John Harland at which plans were made for a community "42" party in Roaring Springs sponsored by this club. From the plans now formulated, sounds as if everyone will have a big evening of fun and entertainment and

you will not want to miss this event.

Did you know . . .
Sweet potatoes freeze well. Extension foods specialist gives these directions: Cook potatoes until almost tender. Cool, peel, slice or mash. To prevent darkening, add 2 tablespoons lemon or orange juice to each quart of mashed potatoes. Package and freeze immediately.

Changing temperature, fatigue, too much food or not the right kind, tension and excitement, all are factors in lowering body resistance to the common cold.

Accurate Records Must Be Reported By Self-Employed

"People who work for themselves on a farm or in a business trade, or profession should keep complete and accurate records of all of their business transactions," John G. Hutton, manager of the Lubbock social security office pointed out today. Maintaining complete and accurate records is good business from many standpoints and these records are particularly valuable when income tax time rolls around.

For these businessmen, Federal Tax returns are not only used to report the amount of their income tax purposes but are also used to report the self-employment income for social security credits. This means that the eligibility to social security benefits for these individuals and the amount of their monthly benefits are dependent upon the accuracy of their tax returns and the accuracy of these records upon which these returns have been prepared.

Mr. Hutton commented that in many cases his office is required to verify the income reported on the self-employment tax returns. The lack of good records has in some instances caused considerable delays in awarding claims for benefits and in several cases has resulted in actual loss of benefits. So don't gamble on losing what you may be entitled to — keep an accurate and complete record of all your business transactions.

A representative of the Lubbock Social Security Office will be in Matador on Nov. 18, 1958 at 9:30 a. m. at the First State Bank and will be glad to assist in all matters pertaining to Social Security.

Servicemen Writes Thanks for Paper

Hello Mr. and Mrs. Meador!

I just thought I would let you know that I appreciate the Tribune very much. I don't get them one at a time, but five or six every two months. . . . but it sure helps you to remember what home is like.

Hope everybody is fine. I am hoping the folks make good crops there this year. I know they all need them.

Tell Bob (Stanley) and family hello, and again, Thanks.

Dear Mr. Meador:

Thought I would say that I have been receiving the paper for about twenty months and have enjoyed nothing better. It's always good to read about news from around home.

I would like to hear from anyone who would care to write. My address is: Harley Alsop, OR Division, USS Salisbury Sound AV-13, Fleet Postoffice, San Francisco, Calif.

Thanks, and keep the news coming.

About Your Health

A weekly public service feature from the Texas State Department of Health.

Henry A. Holle, M. D., Commissioner

While there is no indication at this time of widespread attacks of influenza this fall and winter, there undoubtedly will be some cases of the illness as colder weather approaches. Vaccination against it is a prudent measure for certain groups and individuals.

Principal targets for vaccination should be groups wishing to guard against absenteeism in their professions and occupations, and those to whom the disease might be an added health risk.

There are now ample supplies of influenza vaccine of the type containing immunizing materials against the important strains of influenza, including the Asian strain.

Last year at this time Texas was braced for an expected epidemic of Asian 'flu, so called because it had first been diagnosed in Hong Kong. The first cases were reported in April in that oriental city, and a brief five months later Texas had been thoroughly "seeded" with the virus.

There is no expectation of a similar outbreak this fall. However, since vaccination is the only way cases of the illness might be avoided, both the State Health Department and the U. S. Public Health Service recommend the procedure for select groups for whom 'flu might be especially risky.

It is wise to keep in mind that even mild influenza can be disabling for four or five days, and followed by a period of lassitude and weakness. Influenza is always unpredictable. Cases are frequently complicated by bacterial infections. Even when uncomplicated, the illness may

have a particularly dangerous impact on persons suffering from heart ailments and other chronic diseases.

Vulnerable groups for whom vaccinations should be considered include:

1. Hospital staffs whose services are necessary to the care of the sick.

2. Persons living in close proximity where influenza could spread rapidly, such as institutions.

3. Industrial or service groups large or small, in occupations where the sudden absence of sizeable part of the force would create disruption of the work.

4. Individual patients such as the aged, the chronically ill, and pregnant women. Practicing physicians should consult the judges of whether or not to vaccinate vulnerable persons in this group.

Any plan to vaccinate people in any of these select categories should be started now, in advance of cold weather. A weekly public service feature from the Division of Health, Education, State Department of Health.

We asked one of America's most respected car testers—"Uncle Tom" McCahill—to put a standard Pontiac Catalina Sedan with our new economy V-8 to the test.

And with only one specification—that the run would be exactly like you would drive coast to coast yourself—in mountains, in city traffic, across deserts, buying gas wherever the tank ran low.

And here's the phenomenal story in every complete detail—all officially certified by NASCAR, America's top automobile competition authority.

What does it mean to you? Simply—and very importantly—this: For the first time, you can get deep-chested V-8 pep with better mileage than from many smaller so-called "economy cars" . . . and get it on regular fuel!

If you owned a Pontiac with this new Tempest 420E V-8 you'd be saving up to 5 cents a gallon on regular fuel. This new economy V-8 is optional at no extra cost on any Hydra-Matic Pontiac!

See your Pontiac dealer soon—and discover the newest in V-8 performance and economy!

Mrs. Charles Cullin Complimented with Miscellaneous Shower in Edwards Home

A miscellaneous bridal shower honoring Mrs. Charles Cullin, the former Charlotte Campbell, was held Monday night from 7 until 9 o'clock in the home of Mrs. J. E. Edwards.

Sharing hostess duties with Mrs. Edwards were Mesdames Harold Campbell, Mike Hoyle, C. M. Barton Jr., Jack Norman, Elbert Reeves, J. D. Craven, Furman Vinson and Colquet Warren.

Giant and miniature chrysanthemums were used for floral decorations throughout the house, and for corsages worn by the honoree, her mother, Mrs. R. E. Campbell Jr., mother-in-law, Mrs. George Cullin, the hostesses, and Miss Carol Campbell, who registered the guests. The mums, unusual for their size and exquisite coloring were grown by Mrs. Albert Traweek Jr.

Matador Women Attend Meeting Of Garden Clubs

Attending third annual meeting of Central zone, District 1, Texas Garden Clubs, Inc., held at Lorenzo Community Center, Thursday, Nov. 6, were Mrs. Freeman Thacker, zone director, Mrs. W. W. Clements, president of Matador Garden Club, and Mrs. Forrest Campbell.

Mrs. J. D. Dillard of Midland, District 1 governor, was the guest of Mrs. Thacker here from Tuesday evening until Thursday, when they went to Lorenzo. Mrs. Dillard came here from Hereford, where she had attended a meeting of the Northern zone. She reported that attendance at the Lorenzo meeting far exceeded that of the Northern and Southern zones. The Central zone embraces 18 counties in District 1, which extends the entire length of the state, and includes 60 counties, divided into three zones.

Response to the welcome address at the meeting was made by Mrs. J. P. Moss, president of the Floydada Garden Club.

Features of the program were a therapy workshop with Mrs. Nat Williams discussing "Handicaps and Shut-ins," and a demonstration-lecture by Mrs. C. G. Moss of Lubbock, on "Flowers for Fall and Christmas Parties."

ARRIVAL ANNOUNCED

Mr. and Mrs. Bruce Gibson of Kansas City, Kansas are announcing the birth of a son, Bruce David, at 11 p. m. Monday, Nov. 10. He weighed 6 1/2 lbs. Mrs. Gibson is the former Dorothy Traweek, daughter of Dr. and Mrs. Albert Traweek Jr., of Matador.

Mrs. Traweek left Tuesday for Kansas City, accompanying the paternal grandparents, Mr. and Mrs. Bruce Gibson of Turkey.

The arrangement for the refreshment table was of pink mums in a silver bowl, flanked by pink tapers in silver holders. The table was laid with a white grass linen cloth. Mrs. Vinson and Mrs. Norman alternated in presiding at the silver coffee service. Tea cookies, pink wedding bell mints and salted nuts were served.

Approximately 50 guests were registered, and many gifts were sent by friends unable to attend.

Monthly Workers Conference Set

Regular monthly Workers Conference of the Floyd Baptist Association will be held here at the First Baptist Church Tuesday, Nov. 18, according to an announcement made this week by the pastor, Rev. Gene Hawkins.

Theme of the meeting will be, "Ye are my witnesses . . ." and speakers will be home and foreign missionaries who will be conducting schools of missions next week in the churches of the association.

The program will begin at 10 a. m. with Bob Miller of Falls leading the song service. Devotional of Scripture and prayer will be presented by Elbert Reeves.

Speakers and their subjects will be, "In western efforts," Rev. John Smith, Salt Lake City, Utah; "In mission efforts in Northern U. S.," Rev. Bill Slagle, Dayton, Ohio; "In work with language groups," Rev. John Johnson, Napoleonville, Louisiana; and "Around The World," Dr. G. W. Strother, missionary to Malaya.

Panel discussion on all mission work of Southern Baptists will be followed by special music by Cherri and Jan Barton, Carol Campbell and Mrs. Charles Cullin.

Following lunch in the church basement W. M. U. and Executive Board meetings will be held.

Christmas Party Date Set by Club

Date for the Matador Home Demonstration Club's Christmas party has been set for December 11.

The club met in the home of Mrs. H. M. Murphy, Nov. 6, with Mrs. G. E. Hamilton, president, in charge.

The meeting was opened by giving the club prayer in unison, after which, roll call was answered with, "Manners that should be taught children at home." Quite a discussion on the subject, followed.

Mrs. Fred Simpson, Mrs. Murphy and Mrs. Lou Jones were appointed as menu com-

mittee for feeding the Lions Club on Dec. 16.

Refreshments of ice cream with strawberries, cake and coffee were served. In addition to those mentioned, others present included Mesdames W. L. McWilliams, W. M. Graham, Sterling Price, T. W. Campbell, W. B. Vaughn, Miss Margaret Wilkerson, the hostess, and one visitor, Mrs. Ed Whitaker.

General Meeting Held by W.S.C.S.

November general meeting of the Woman's Society of Christian Service of the Methodist Church was held Tuesday last week at 7:30 p. m. at the church. Theme of the program was "A Decade of Human Rights."

A hymn, "O God Our Help in Ages Past," by the group opened the program. Mrs. Vance Gilbreath gave the devotional in prayer and Scripture and led the program which included a panel discussion with Mrs. H. H. Schweitzer representing France, Mrs. Ada Ford, India, Mrs. G. E. Hamilton, Great Britain, and Mrs. Henry Ford, the United States.

A short business session followed, with Mrs. Sterling Price in charge. Dismissal prayer was by Mrs. Ethel Payne.

Others present were, Mesdames Fred Simpson, Clarence Jinks, R. A. D. 11 Whitworth, Marvin Brotherton, Nelson McMahan, L. W. Tucker, W. F. Jacobs, and W. N. Pipkin; Mrs. June Tilson and children, Deborah, Lamar and Thomas.

IN APPRECIATION

The flowers, cards and visits of friends during my recent hospitalization were appreciated more than words can express, and I wish to take this means of saying thanks to each of you who remembered me in any way.

Mrs. H. S. Watson

SIX MEMBERS of the 1924 graduating class of MHS got together last year during Homecoming at the Legion hall and rehearsed old times. These were, shown above, Charlie Keith; Noble Groves of Plainview, Mrs. Alvin Stearns, (Bertha Patton), Alvin Stearns, Mrs. Jessie Love of Borger (Thelma Thornton), and Mrs. R. E. Donovan, (Hazel Walton). Two members of the class, Mrs. Roy Smith, (Gertrude Groves) and Bill Groves are Matador residents, but were unable to meet with the group at the time they were together.

Gamma Eta Chapter Hears Home Talent In Program Here

Gamma Eta Chapter of Delta Kappa Gamma Society heard a program which included home talent performances by music pupils of Mrs. L. D. Wilkerson, when they met in her home Saturday Nov. 1, at 2:00 p. m.

Presented were the "Teen Tones", Vella Ree Edwards, Judy Hobbs, Melanie Brown, Cherri Barton, Vade Nichols and Dixie Barton, who sang several selections accompanied at the piano by Sandra Stevens; and Pat Day who played piano solos, "Blue Lagoon" and Greig's "Concerto."

Following a business session, reports of the regional Delta Kappa Gamma meeting held at Clarendon Oct. 24-25, were given by Miss Gladys Peck, Miss Margaret Elliot, Mrs. Stella Bowman, president, and Mrs. W. C. King.

Theme of Saturday's program was, "Legislation," led and discussed by Mrs. Bowman, follow-

ed by a round table discussion. Attending the meeting were, Mrs. Bowman and Mrs. Beene Stobaugh of Lorenzo, Miss Elliot, Mrs. Anne Blumberg and Miss Eula Whitaker of Spur; Mrs. Clark Forbis of Afton; Mrs. King, Mrs. Bessie Mae Marshall and Miss Peck of Roaring Springs; and the hostess, Mrs. Wilkerson.

NEW ARRIVAL

T. Sgt. and Mrs. Herbert Smallwood of Madison, Wisconsin, are announcing the birth of an 8-lb son on November 6. They have a daughter, Cathy, who is 3 years old. Mr. Smallwood is the son of Mr. and Mrs. Everett Smallwood of Matador.

APPRECIATION CARD

I want to thank each one who sent cards, letters and flowers during my recent illness, and also to say I appreciated each visit while I was in the hospital at Quanah. I also want to say that the food and visits since I have been home have been enjoyed and appreciated. I hope I can be as good a friend to others as they have been to me.

"JIM IS SO MUCH OLDER"—Jim Meador, left, is older than his pioneer cowboy friend, C. D. Bird, right. Exactly 25 days. They are both 92 years of age, having been born the same month and the same year (October 1866). Mr. Meador was born in Tarrant County, and Mr. Bird was born in Canton, Georgia. The above photograph was made last month. Mr. Bird likes to tell friends: "Jim is so much older than I am."

Two Pioneer Cowboys Born Same Month In 1866, Among Oldest Matador Hands

AMONG the oldest pioneer Matador Ranch cowboys are E. Meador and C. D. Bird, both of Matador. Both were born in the month of October, 1866. Mr. Meador was born October 6, in Tarrant County, and can remember seeing Indians still on the war path. Mr. Bird was born October 31, in Canton, Georgia. He said he was supposed to be a cook only until the ranch could hire another. He "rattled the skillets" for five years and they still had not found a cook so he quit.

The two old cowboys who knew each other well worked for the same ranch but in different capacities. Mr. Bird worked for the ranch for 15 or 16 years, much of the time as a line rider. "I've eaten a lot of Jim's cooking," he said, "when the wagon would be in the Red Lake pasture."

The two pioneers are among the oldest residents of the county and believed to be among the oldest hands of the Matador Land & Cattle Co.

Mr. Bird, who is President of the First State Bank here, is the only man living who helped organize the pioneer banking institution. He is also the only man living who helped in the organization of Floyd County. He also helped in the organization of Motley County in 1891.

Honored At Party
In honor of Mr. Bird's birth-

Tribune, Matador, Motley County, Texas, Thursday, November 13, 1958

day, two daughters-in-law, Mrs. Carl Bird and Mrs. Gus Bird entertained his friends Thursday afternoon from 3 to 5 o'clock.

The party was held in the Carl Bird home, and coffee, cake and punch were served. Red pyracantha berries, combined with red candles and crystal appointments decorated the dining table. The 3-tiered birthday cake was decorated with cattle brands, including Mr. Bird's T Cross Bar brand.

Approximately 30 guests called during the afternoon, including several from Spur.

PATTON SPRINGS WINS 20-14 OVER GUTHRIE JAGUARS

In the hardest game of their season the Patton Springs Rangers Friday night tanned the hides of the powerful Guthrie Jaguars 20-14. Ranger fans feel confident the victory over Guthrie cinches the 2-B Eight-Man conference. The Rangers will meet the Roaring Springs Yellowjackets Friday night on Ranger Field to decide the championship. The Rangers now have four wins and no losses this season.

The Rangers took the initial kick off in the shadow of the kick-off line and in four plays the Galloping Trio (H. Goodwin, Blasingame and Ragland) had covered half the length of the field. Blasingame made the final run for a touchdown with Blasingame making the two extra points.

Taking the second kick-off the Jaguars reversed the tide of battle with a steady and methodical movement that added 10 yards at a clip and finally 8 points on the scoreboard.

During the second quarter both teams were locked like animals in mortal combat, giving and taking the best the other had to offer. Coaches could not afford to make substitutions.

Only the best and strongest players on both side could stand the pace. The half ended in a deadlock, 8-8.

The third quarter belonged to the Jaguars. They took the kickoff and never relinquished the ball until they had taken the field and scored. The conversion try was futile.

In the fourth period, however, the Rangers tapped a reserve strength that made it possible for H. Goodwin to score two touchdowns. At the final whistle the Rangers had the ball on the Jaguars 10-yard line and were pushing hard for another pay-off. The final score: Rangers 20, Jaguars 14.

The Rangers made 20 first downs and 191 yards rushing while the Jaguars made 19 first downs and 156 yards rushing.

Former Resident Claimed by Death

Word was received here this week by friends, advising of the death of Mrs. W. S. McCall, on Saturday, Nov. 8, in Oklahoma City.

Mrs. McCall will be remembered as Willie Horn. She was the daughter of S. D. (Uncle Dick) Horn.

Her father and husband both worked for the Matador Company in the early days.

WEEK-END VISITORS

J. M. Hill of Crowell brought as guests with him for a week end visit at the Hill ranch, two German pilots, Captains Werner Kohla, and Heisel, temporarily station at Shepherd Air Force Base, Wichita Falls, and Messrs. Jack Seale and Clinton McClain, both of Crowell. The group attended services Sunday morning at the Methodist Church.

TO ARIZONA

Mrs. H. H. Schweitzer left Saturday for Clifton, Arizona, to the bedside of her mother, Mrs. Ellen Sloan, who is ill.

Also visiting in Arizona is John Stotts, who left Friday and family, Mr. and Mrs. Stotts.

TEACHER RETURNS— There were 13 members of the original class of 1929 present to visit and recall old times with Mrs. Byron Reese of Amarillo, a former teacher, when she met during Homecoming last year, in the home of Mrs. McCaghen, the former Judine Watson. One member, Mrs. Fryar Calhoun, of Plainview, visited by telephone. The others who graduated are shown above, left to right, back row: Mrs. Irene Baker (Mrs. Noble Groves); Mrs. Reese, who was with Mrs. Mary Jenkins (Mrs. Nelson McMahan); Curtis Graham; Mrs. Mary Jenkins (Mrs. Nelson McMahan); Curtis Graham; Mrs. Opal Patton (Mrs. J. D. Craven); Lottie Carter (Mrs. Stotts); and Mrs. McCaghen.

PATTON SPRINGS Community and SCHOOL NEWS

W. M. Hayman reports school enrollment has passed the 250 mark at the end of the 25th week of school. However, there have been many students out of school because of colds.

The lunch room has recently had 8 large turkeys and a variety of surplus foods from the U. S. Surplus Food Administration.

Patton Springs will be out for the Thanksgiving Holidays, November 27th through December 1st.

Paul Benson of Wolfe City, made the school pictures for the year and now has them ready for distribution.

The senior pictures will be taken on November 13th at the Patton Springs School by the Marshall Studio of Enid, Oklahoma.

1ST AND 2ND GRADES
There have been several new students enrolled in the first and second grades this past week. The enrollment is 31.

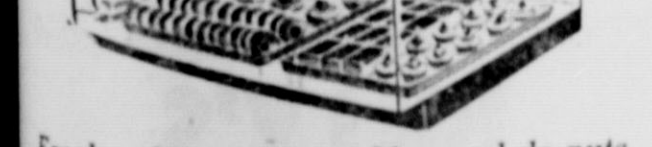

The first graders are now using the Big Book which is an introduction to the first primer, "Tip". Everyone is anxious to learn to read.

Hand work took on a Halloween atmosphere as this week counted, cut, and pasted different shapes and forms, bats, black cats, and pumpkins.

The blackboard had the appearance of a "Spook Parade" with light costumed figures, and by the children, marching across the front of the room. The 1st and 2nd graders made their Halloween masks which were to the pep rally in the gymnasium. After the pep rally, both grades enjoyed tasty Halloween treats, furnished by Mrs. Curly Fox, Mrs. Micky Howell, and Mrs. T. A. Martin.

The second graders are completing their review work. They are learning more new ways to use words and are working hard to develop new reading skills. The entire group is making good progress in reading.

The F. H. A. girls are planning a "Hobbo Day" very soon to secure funds to help them in the activities of their organization. Some of these girls are already beginning their work on the junior chapter.

This first year girls are progressing rapidly with their dress projects.

The sophomore girls are learning to make good drinks from powdered milk, as well as plan further low cost meals.

SENIOR NOTES

The Annual staff is getting started with the plans and specifications of the 1959 Ranger year book.

The Patton Springs 1959 Ranger year book will go on sale beginning November 10th. The price this year will be \$3.00.

The Ranger girls basketball team will have another series of practice games with the Matador girls November 17th.

SERIOUS ACCIDENT

Two Latin American boys were involved in a serious car wreck last week on the curve north of the East Afton Gin. The car turned over several times when it left the highway and threw the occupants out. One of the boys received serious injuries and was rushed to the Stanley Hospital at Matador, while the other hit the ground running and went for help. The boys belong with the Frank Hernandez crew of Latin Americans who are working for Maurice Goodwin of East Afton.

Mr. Kyle Shelton and family of Wichita Falls, brother to Mrs. Maurice Goodwin, visited in the Maurice Goodwin home this past week.

Mr. W. W. Stokes and family of Bonham visited the Oscar Stokes home this past week.

Vocational Ag. Department
Ag I and Ag II Classes have made a number of field trips since school started in order to really get acquainted with the soil. Land judging teams are shaping up as this group studies land classes, texture, slope, depths, kinds, and other qualities of the different kinds of soil in this area.

The Ag III Class members have recently set up their shop projects. Some of the projects will help to improve the Ag department shop, while others will serve the boys in their home projects. Self-feeders, hog waterers, and repairing of various pieces of machinery for the local farmers are demanding the best efforts of this advanced class.

EYES EXAMINED — GLASSES FITTED

This 4 door Hardtop Cruiser is the luxurious Park Lane by Mercury. Also available in the distinctive Montclair and the popular Monterey series.

The brand NEW '59 MERCURY shows you what NEW really means

Americans are looking at the new cars with a new look in their eyes. They're searching for the best combination of all the things that count in a car. The answer in 1959 comes from this completely new 20th Anniversary Mercury.

SEE NEW CLEAN-DYNAMIC STYLING
Distinctive...Mercury has exclusive body design; it is the only car in its class that does not use a body shared by a low-priced car.

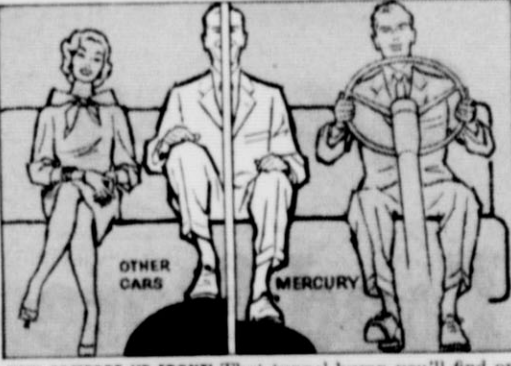

RELAX IN A NEW KIND OF COMFORT
No car in its class has more usable room. For easier entrance, doors are wider than those of costlier cars. Up front...9 inches more knee room! The tunnel-hump in the floor HAS BEEN CUT IN HALF! The man in the middle doesn't

sit with his chin on his knees. And that lower hump makes room for thicker seat cushions.

FEEL LIVELY NEW PERFORMANCE
Not just high horsepower...although Mercury offers up to 345...but a new kind of response, quiet, obedient, effortless.

ENJOY NEW ECONOMIES
2 out of 3 new-car buyers can afford Mercury. The big special is the Monterey with its new Economy Engine. You get top performance on regular (not premium) gas...it's like "riding free" 10 miles out of every 100.

Add it up and you get everything you want on wheels...the '59 Mercury. We invite you to try this great car...at our showroom.

NEW COMFORT UP FRONT! That tunnel-hump you'll find on other '59 cars is 50% smaller in Mercury 3 full-size riders can stretch out (including the man in the middle).

MERCURY'S COUNTRY CRUISER...Unique hardtop styling. Retractable rear window. Fold-away 3rd seat that faces front. Concoiled package compartment.

MERCURY'S FIRST WITH SIDE-TO-SIDE WIPERS...They clear a 42% larger area...a 5-foot swath...including the center section. Only Mercury has this aid to safer driving.

- Everything you want on wheels
- NEW STYLING
- NEW COMFORT
- NEW PERFORMANCE
- NEW ECONOMY

All beautifully combined in the 20th Anniversary

Floyd Baptist Association Offers School of Missions

Their Baptist churches in the county will join other churches of the Floyd Association in conducting simultaneous Schools of Missions during the week of Nov. 16-21.

Speakers for the schools will be visiting missionaries representing foreign, home, state and associational missions. Stewardship speakers and projected visuals will also be featured during the week.

Tech Homecoming Plans Announced

LUBBOCK. — Texas Tech will celebrate its 29th annual homecoming Nov. 21-22 with a full schedule of fellowship and football.

Thousands of exes are expected to return for a homecoming queen coronation and appearance of Comedian Bob Hope, Friday, Nov. 21, and a homecoming parade, luncheon, Tech-Arkansas football game and dance Saturday, Nov. 22.

Class reunions Friday will include the "old timers," classes '26 through '38, at 9:30 p. m. in the Caprock Hotel, classes of '39-'49 at 8:15 p. m. in the faculty club, and classes of '50-'58 in the Rec Hall. Bob Hope will appear in a special show at 8:30 p. m. in Lubbock Municipal Coliseum.

The homecoming parade through downtown Lubbock will begin at 10:30 a. m. Saturday. Tech's Red Raiders will meet the University of Arkansas Razorbacks at 2 p. m. Festivities will be climaxed with a homecoming ball for exes at 8 p. m. in the Lubbock Hotel.

Announcement of the week's program was made by Rev. Gene Hawkins, pastor of the First Baptist Church. The school will be held at 7:30 p. m. Monday through Friday.

The Roaring Springs Baptist Church, with Rev. Bob Moore, pastor, and Flomot Baptist Church, Rev. Dinzel Leonard pastor, will also be participating, with the speakers alternating during the week, in the three churches.

Scheduled as speakers are Dr. and Mrs. G. W. Strother of Pineville, La., missionaries to Malaya; Rev. John L. Smith of Clearfield, Utah, serving as pastor of Bountiful Baptist Mission in Salt Lake City; Rev. Wm. H. Slagle, a native of Verda, Ky., presently of Dayton, Ohio, who pastored churches in Kentucky and Tennessee, and is now serving as missionary in Ohio; Rev. John Johnson, serving under the Home Mission Board as a general missionary among the French people of La., and Rev. Leroy Meyer, pastor of the First Baptist Church, Burkburnett.

Dr. Strother will speak at Matador Sunday morning; Rev. Smith, Sunday evening; Rev. Slagle, Monday; Rev. Johnson, Tuesday; Rev. Meyer, Wednesday, and Mrs. Strother Friday, with speaker for Thursday to be announced.

At Roaring Springs, Mrs. Strother will speak Sunday morning, Dr. Strother Sunday evening, Rev. Smith, Monday; Rev. Slagle, Tuesday; Rev. Johnson, Wednesday; and Rev. Meyer, Thursday, with stewardship speaker to be announced for Friday.

The speakers will appear at Flomot in this order: Rev. Slagle, Sunday morning; Rev. Johnson, Sunday evening; Rev. Meyer, Monday; stewardship speaker, Tuesday; Mrs. Strother, Wednesday; Dr. Strother, Thursday, and Rev. Smith, Friday.

Other participating churches in the Floyd Association include Aiken, Cone, Crosbyton, Sandhill, Ralls, Lockney, Lone Star, Quitaque, Floydada, Pansy, and Silverton.

COUNTY AGENT PALLMEYER SAYS:

Falling Leaves Have Value
Leaves which are now falling and cluttering yards and gardens can give a boost to next year's flower or vegetable garden if properly handled.

Burning the leaves may be easier but the extra time required to put them in a compost pile will return big dividends. The compost can be used next year to increase soil organic matter or for mulching flowers, shrubs or vegetables.

Making a compost pile is a simple operation. Scrap lumber or a few feet of net wire and four posts will take care of the enclosure. Then start with a six inch layer of leaves. For every four square feet of enclosure, dissolve a cup of commercial fertilizer such as 10-10-10 in water and sprinkle the solution over the layer of leaves.

Continue adding layers until the pile reaches the desired

height. Leave the top layer somewhat saucer shaped as a water holding aid and cover it with a shallow layer of soil. Decomposition of the leaves will be speeded up if the material is turned and water added at regular intervals.

Jobs for Home Gardener

There are still a few jobs which the gardener can do now, and doing them now will help make the gardening job easier next spring. Life to useful equipment will also be prolonged.

The garden site can be cleared of old plant growth including grass and weeds, and if the plants were not diseased the material should go into the compost pile. The compost can be used next year for mulching and adding organic matter to the soil. Plant residue may also be plowed under as another method for clearing the garden area.

Dusters and sprayers should be given a thorough cleaning and stored for the winter. Sprayers should be washed out to remove all spray residues and weak vinegar solutions will do the job. After cleaning the sprayer, coat the tank and all metal parts with a thin covering of oil.

The duster should be cleaned with a stiff brush. The outside metal parts may be oiled but oil on the inside of the duster will tend to cake the dust that will be used next season.

Most gardeners have left-over chemicals which can be used next season if they are properly stored. Store in a dry place and in airtight containers. All should be clearly labeled and placed out of reach of children.

Left-over seed of many varieties may also be to future use

if they are placed in tight containers and kept dry. Label to avoid mistakes of varieties next spring.

Tips For Cotton Prices

Keep cotton dry, loose and clean during the harvesting process. The condition of the seed cotton at the time it reaches the gin largely determines the final grade of the lint in the bale. That final grade is of major importance for it in turn determines the selling price of the bale.

A new bulletin is available at the county agent's office, and it discusses methods of harvesting, when to harvest, loading the cotton, defoliation, servicing equipment, green boll separation and weed control, all of which are important in determining the grade.

Do you get all the fish production that your pond is capable of? These suggestions may help you get up to four hundred pounds of fish per acre per year.

Fertilization of ponds is the first step in the chain of a plentiful supply of food that will help the fish grow well. Use commercial fertilizers and phosphorus. Fish the pond heavily if it has been stocked for over a year. If you are planning to stock your pond soon, you might check to make sure you are getting the right number of fish per acre, and the right type. After the first year, take as many fish from the tank as you like. Heavy fishing keeps plenty of space for the young fish to grow and grow fast.

If you are troubled with mud cats, place a few grown yellow cats in the tank. They will be very helpful in controlling the undesirable fish.

How's your horsepower?

You may have plenty of horses under the hood, but if you don't feed 'em right you won't get the kind of performance you were hoping for when you bought that new car.

To make the most of your horsepower, fill your gas tank with clean-burning, high octane Phillips 66 Flite-Fuel. No other gasoline provides the combination of high performance components that make this the "Aristocrat of Motor Fuels."

The performance advantages of Phillips 66 Flite-Fuel are noticeable, and they are noticeable immediately. Easy starting... freedom from stalling... lively acceleration... you get all these when you fill up at the station where you see the orange and black Phillips 66 Shield. Treat your horses right!

Matadors Face . . .

(Continued from page 1)
and the Matadors were in the lead 30-0.
A short time later Billy Crenshaw moved five yards for another Matador touchdown. It ended the Matadors scoring for the first half but the Panthers had not given up.

The Panthers moved 55 yards in seven plays. Tom Phelps scored from eight yards away on a sweep around right end. He went around left end for the extra points.

The Matadors opened up in the third period as Pipkin scored twice. He went 67 yards after taking a hand off to score the first time. Then he returned a punt 58 yards to tally. Both runs were good examples of blocking and speed. Rigsgy scored the extra points both times.

Murry Morrison scored Quittaque's final touchdown on a one-yard drive in the fourth quarter. However, the Matadors had not completed their work. They drove 68 yards to score with Crenshaw taking the honors on a 14-yard run. He then added the final points and brought the total score of the game to 60-14.

The Matadors homecoming game here Friday night with the Turkey Turks will start at 7:30 p. m.

Fire Damages Truck Of Flomot Farmer

A truck owned by Bill Dezn Washington was damaged by fire Tuesday evening of last week as he was hauling cotton from his place on the plains to a Flomot Gin.

Mr. Washington was pulling a trailer with several bales of cotton, behind his cotton-filled truck. As he started down the Cap Rock he noticed sparks, but thought they came from the exhaust. When he discovered the fire, he tried to get to the gin and water as soon as possible.

In crossing the draw west of town, the trailer turned over and the cotton in the truck burned enough to damage the truck. However, neither the trailer nor the bales of cotton burned.

Surgery is Slated Friday for Stanley

R. M. (Bob) Stanley will undergo further surgery Friday (tomorrow) in Methodist Hospital, Lubbock, where he has been a patient the past two weeks.

During his hospitalization a number of local friends have visited him and have also sent flowers and numerous cards and get-well messages.

"I wish my friends to know that I deeply appreciate every token of their friendship," he declared from his hospital bed. "Everyone has been wonderful, not only to me but to my family. It is a comforting feeling to know you have friends who are standing by in a time like this."

Fire Prevention Talk Scheduled

A representative of Texas A&M College will be here next week (Thursday, Nov. 20) to discuss fire prevention and protection, under the auspices of the Matador Volunteer Fire Department.

The meeting will be held in the American Legion Hall and the public is cordially invited to attend. Fire Chief Freddie Welling said that in addition to the address, several demonstrations will be held.

The meeting starts at 8 p. m. Refreshments of coffee and doughnuts will be served.

State President Of FFA to Visit County Chapters

Roaring Springs and Matador Chapters of Future Farmers of America will be visited next week by State President Bill McDowell, of Whitewright.

Notice of his visit was received at Roaring Springs by Bert Green, president of that chapter, and here by Harry Campbell, Matador FFA president.

The young president of the Texas Association of FFA wrote, "Much to my regret, the schedule does not allow me to stay long in any one chapter." He will be in Matador at 10:10 a. m. and continue to Roaring Springs to visit the chapter there at 11:30 a. m.
