New Year's Wish

We of the Tribune wish to extend best wishes for the New Year to friends and patrons of the newspaper. We hope you will manage to have blackeye peas on the menu tomorrow and that you will approach your resolutions with determination.

This is an unusual issue of the Tribune, since it bears very little news of greater importance than friends and relatives visiting during the holiday season — for which we are grateful. It was, indeed, a quiet Christmas. Sheriff Wilson's office recorded but few arrests and no serious highway accidents resulted in Motley County.

Many small newspapers in the Tribune's class will omit this last 1959 issue, but we feel that our readers will enjoy even a small edition.

Again we wish each of you a happy and prosperous 1960!
