

West Texas Dry Area Becomes Quagmire

STRICKEN West Texas has a new title. It is a quagmire. Highways, roads and fields have been washed away by thousands of water-gaps are

The dry area has witnessed one of "wettest fall spells" in history. In many sections flooded and soggy cotton in the bolls across the cotton-raising territory.

Bright skies and dry winds were welcomed yesterday. Some small grain growers said maize was sprouting in the head. Roughly estimating and comparing reports, Motley county has had an average of about five inches since Saturday. Some

parts of the county have received much more. Last to complain about too much rain are the ranchers who find every water hole filled and the grass roots soaked to their extreme length.

Last rain here fell about dark Tuesday. Almost one inch was received in a few minutes. Ralls has reported eight inches during the spell while Plains reported to the Lubbock Avalanche that 12.60 inches had fallen.

More than 100 homes in Wichita Falls were flooded and the residents were evacuated. A gin was washed away in the southern part of Cottle county and the streets of Paducah ran curb-

ful during one heavy rain. Young wheat is greatly benefited by the rains, much of which fell slowly in this area so that most of it went into the ground.

Matador Tribune

MATADOR, MOTLEY COUNTY, TEXAS, THURSDAY, OCTOBER 6, 1955 PRICE SEVEN CENTS

Parents Award Leaders of Drum & Bugle Corps

The cousins were cited for the outstanding work they have contributed in organizing and training the Matador Drum and Bugle Corps. As a token of the club's esteem for the efforts, each was presented with a new hat.

Announcement was made that parents of members of the Drum and Bugle Corps will sponsor a supper at the Legion building Friday night (Oct. 7) with all net proceeds being used in the purchase of more new uniforms. A cordial invitation is extended to the public.

Visitors Advertise Fair
Three club visitors, Miss Patti Adams, Mrs. Bob Davis and Dick Whiteley, all of Lockney, extended an invitation to Matador Lions and the public to attend the Floyd County Fair at Lockney, October 13-15. Miss Adams, accompanied by Mrs. Davis at the piano, entertained the club with her singing and was well-applauded. Mr. Whiteley is manager of the Lockney Chamber of Commerce.

Other visitor welcomed at the meeting was William Curtis Graham, Garland Rattan was presented with credentials and welcomed into the club as a new member.

Observe Newspaper Week
Also included on the program was an address by Lion Douglas Meador, in observance of National Newspaper Week. Meador paid tribute to local businessmen for their support of the weekly newspaper through the years of war, drought and depression. He declared the newspaper in every community must become closely associated with the people it serves, sharing their triumphs and disasters, their victories and defeats.

MATADOR 4-H CLUB WINS STATE AWARD

Special to The Tribune
COLLEGE STATION, Oct. 5.—Matador High School 4-H Club has been named one of the blue award winners in the recreation and rural arts program for 1955, it was released here today by the State 4-H Club office.

President of the 1955 club is Alice Martin, and club membership is 36.

Clubs were selected on the basis of outstanding work done in recreational and rural arts activities. Work done by the Matador group was sufficient to place them in the top group of the state.

Objectives of the program which is sponsored by the United States Rubber Company are to develop recreational leaders; higher appreciation for rural arts; to make 4-H work more attractive; to provide entertainment for groups and to make friends by participating in club activities.

An award of \$20 will be presented the Matador club for use in their program, at the annual 4-H awards dinner.

Jailbreaker Is Captured

A former "guest" has returned to the cuisine of Deputy Jinks Wilson's county hostelry. He is Thomas Jefferson Smith, 28, who sawed his way to brief freedom from the Motley county jail here August 13.

Smith was arrested in Farmington, New Mexico, last week on a charge of drunkenness, and gave an assumed name. He was being held here awaiting sentence on a forgery charge when he made his escape.

His stay in Matador will probably be brief since he was sentenced yesterday in District Court by Judge Alton B. Chapman, to seven years in the penitentiary.

Sheriff John Stotts has placed Smith in the county jail "tank" from which it is believed impossible for him to again escape before his delivery to the state penal institution.

Sheriff Stotts had received information that Smith might be in the northwestern New Mexico area and had sent pictures and description of him to peace officers. Smith was employed by an oil company near Farmington when he was arrested, officers declared.

NEW MINISTER—Bob Harp, minister of the Church of Christ in Milbridge, Maine, for the past two years, has accepted the invitation to be the full-time evangelist of the Bangor (Maine) Church of Christ. He succeeds J. Harold Thomas who has preached for the church for the past six years.

Mr. Harp has already entered upon his new duties and is residing with his wife and son in the apartment of the church at 516 Union Street.

The newly installed minister is a native of Matador, Texas, and is the son of A. A. Harp of this place. He received his college training in Abilene Christian College of Abilene, Texas. Prior to his work in Milbridge he was associated with the East Side Church of Manhattan, N. Y., where he was a Bible teacher and personal worker.

His many friends here will be gratified to know that he will be gratified to know of Bob's progress in his chosen profession.

LEGION HONORS LEROY NELSON

Tribute to Sgt. Leroy Nelson, native son of Matador, who lost his life recently in the South Pacific as the result of an Air Force plane tragedy, was tendered Monday night during a meeting of Fleming Post American Legion.

Guest speaker at the regular meeting of the veterans' organization was State Representative Elbert Reeves. His subject was the importance of teaching and training the young people of America.

Announcement was made that the Legion will observe Veterans Day, November 11, in connection with the scheduled Matador exes homecoming program. Notice was also made that the Motley County Singing Convention will use the Legion building, Sunday, October 16th, for the fall semi-annual convention. Regular Legion meeting time was changed from 7:30 to 7 p.m. until further notice.

Membership Drive Planned By V. F. W.

A barbecue announced for Tuesday, Oct. 11, at 7:30 p.m. at the V.F.W. hut, will launch a membership drive, according to an announcement made this week.

Every eligible veteran in the county is invited and urged to attend the supper, and to pay dues in the organization for 1956. The invitation reads, "All you can eat for your 1956 membership dues to the V.F.W. Refreshments will be served."

RAIL DUST

By DOUGLAS MEADOR

Behind clouds that drift with a suspended plane afraid of the intrusion of their province, like an affable stranger who identifies himself with his fingers.

Travelers who prefer the air respect and receive the offering of a new aristocracy. One complained among the passengers when departure was delayed because World Series bases were later, after the flight was progress, the trim, blonde made frequent trips to her cabin for latest dishes regarding the current. Hungry propellers chewed high cloud lace when the end of the game was announced.

Meador hangs from the high of the Shamrock Hilton in the charm of a gracious. It is a dream castle that become very real and eagerly dear, yet embraces a formality that, perhaps, is character of wealth. My experience was that of the average person who finds him in his environs foreign to his life. My room was so high from the sixth floor elevator that my feet became sore on deep plush. The temperature was kept so low that I felt illness from over-exposure and wondered why the segment did not provide Bernards bearing flasks of day in the hallways. My sector was malnutrition after a menu. Houston's great is definitely not a place to on old-age pension.

P-TA Anniversary To Be Observed in First Program

Forty-sixth anniversary of the Texas Congress of Parents and Teachers will be observed by Matador Parent-Teachers Association in its first program-coming of the current year according to Mrs. Melvin Meason, president.

The program is scheduled for Wednesday, Oct. 12, at 3:30 P.M. at the school, and will include opening prayer by Mrs. A. J. Daffern, paper, "Our Birthdays", by Mrs. Forrest Campbell, and solo by Charlotte Campbell, who will sing "Trees". A film concerning school children will also be shown. At the conclusion of the program, refreshments will be served, with Mrs. Jalmar Wilson in charge.

The Texas Congress of Mothers, later to become Texas Congress of Parents and Teachers, was organized Oct. 19, 1909, and has become one of the strongest mediums of establishing understanding between parents and the school, in operation.

Tree Planting Planned

A tree planting ceremony had been planned in connection with the meeting, but was postponed until trees are available for this purpose. The ceremony will be held later in the year, Mrs. Meason said, and the date will be announced as soon as set.

All parents are urged to attend the P-T A. meetings and actively participate in the projects which the organization sponsors.

Editor Speaks 5 Times For Newspaper Week

Altho not recognized as a public speaker, and without any political aspirations, Tribune editor Douglas Meador "booked" five addresses this week. His sudden entrance into the "potato salad circuit" was occasioned by this being "National Newspaper Week," and his being listed as available by the Texas Press Association.

Tuesday Meador made an impromptu address before the Matador Lions Club regular meeting. Yesterday morning he addressed the Childrens High School general assembly and later made the principal address at the regular meeting of the Childrens Rotary Club luncheon held in Hotel Childrens.

Tomorrow he is booked to speak to the Matador High School general assembly shortly after nine o'clock and then make the principal address at the Lockney Rotary Club at 12 o'clock noon.

Last weekend he attended a two-day joint ceremony in Houston sponsored by the Texas Association of Sigma Delta Chi, the University of Houston, the Texas Press Association and the Texas Daily Newspaper Association. Main speaker was Dr. Joe B. Frantz, professor of history at the University of Texas and author of the book "Gail Borden, Dairyman to a Nation." Gail Borden was one of the Borden brothers who founded the Telegraph and Register, Texas' first regularly published newspaper. A bronze plaque commemorating the honored newspaper (which was destroyed by Santa Ana's soldiers) was presented TPA President Russell W. Bryant, and will later be sold W. Bryant, and will be later placed at the appropriate site. Friday night of the Borden Company at a banquet held in the Emerald Room of the Shamrock Hilton hotel.

Matadors Trim Crowell 18 to 13

Winning over the Crowell Wildcats for the first time in 20 years, the Class "B" Matadors last week trimmed the Class "A" Wildcats 18-13. The following news story of the game appeared in the Wichita Falls Record-News:

Matador Fullback Arvin Ellithorp broke loose for a 58-yard touchdown run in the fourth quarter Friday night at Crowell, to give the Matadors an 18-13 upset victory over the Crowell Wildcats in a non-conference game before 1,200 fans.

Matador, Class "B" regional champs last year, grabbed a first-quarter lead but surrendered it in the second period when Crowell mustered 13 points.

The lead Matador tally came when Ellithorp lateraled to Left Halfback Richard Hamilton on the seven to cap a 47-yard drive.

In the second quarter, Crowell struck twice. The first time driving 85 yards. Fullback Ray Gibson plunged over from the two. Later James Doyal recovered a Matador fumble on the Matador 29. Halfback Jimmy Thaxton scored from 10 yards out on an end run and Gibson ran over the extra point.

Matador End Tommy Scaff recovered a Wildcat fumble on the Crowell 34 in the third stanza to set up his team's second marker. Quarterback Charles Renfro went over from the 13 on a keeper.

Following Ellithorp's game-winning run, Crowell marched to the Matador 20 but the Matadors held on downs and then played out the clock.

Defensive standouts for Crowell were C. T. McDaniel and Lindell McBeath and for Matador Ellithorp and Left End Gar-

Rites Held For Former Resident

Funeral services were held at Roaring Springs, Tuesday for Mrs. T. H. Gilbert, 77, a former resident of the county, who died Monday morning in a hospital at Dumas. She had been making her home at Dalhart with a daughter.

Services were held at the Flag Springs Baptist Church at 3 P.M. with Rev. T. R. Shannon of Altus, Okla., officiating. Burial was in Dreamland cemetery at Turkey, with Eudy-Seale Funeral Home in charge of arrangements. Pallbearers were Frank Ragland, Skinny Yeates, Tom Yeates, Frances Caroline, Jack Prather and Frazier Watson.

Survivors are 4 sons: Horace Gibson of Glenn; Harmon Gibson, Center Point, Ark.; Arthur Gibson, Crows Landing, Calif.; and Oscar Gibson, Nashville, Ark.; one daughter, Mrs. R. W. Rose, Dalhart; 11 grandchildren, and 3 great-grandchildren; also a step-son, H. S. Gilbert of Flomot.

Mrs. Gilbert was born Rebecca Gilbert in East Texas, November 29, 1877, and died October 3, 1955, at the age of 77 (continued on back page)

Local Talent Tops List of Fair Winners

Talent of "The Hep Cats", local band composed of youngsters, and the brother and sister musical team of Dean and Alice Martin, were named winners in a talent contest sponsored recently by the Farm Bureau at the Texas-Oklahoma Fair in Iowa Park. All are members of the Matador high school 4-H Club.

The Hep Cats include Mike Groves, trumpet; Pat Groves, drums; Gerald Pipkin, saxophone; Pat Seigler, guitar and Frank Traweck, piano. The group received the first place blue rosette in the contests. Dean and Alice Martin received the third place white rosette in the double entries. "Hep Cats" were also runners-up for a trophy awarded the most outstanding act of the show, which was awarded a boy and girl from Harold.

Accompanying the group to the fair were Arvin Ellithorp, Charles Cox, Mrs. Algie Groves and County Agent Bill Palmer.

RETURN HOME

Mr. and Mrs. Elsworth Jones returned home Thursday from Fort Worth, where they spent several months in the home of their daughter, Mrs. Monroe Latham and Mr. Latham.

VISITING PARENTS

Mrs. Vernon Higginbotham and children, Jan and Nancy of Dallas are visiting here with her parents, Mr. and Mrs. Joe Bloodworth.

HOME FOR WEEK-END

Fred Stanley, accompanied by a friend, Wayne Wokaty, of Cherokee, Okla., both attending Southwestern College of Pharmacy at Weatherford, Okla., visited here during the week-end with the former's parents, Mr. and Mrs. R. M. Stanley. Fred is in a group of junior and senior students from the college on a tour this week of pharmaceutical laboratories in the east, including the Upjohn plant at Kalamazoo, Michigan, and Parke-Davis laboratories at Detroit. They will be in Ann Arbor, Michigan this week-end and will attend the Michigan Wolverines and Army game Saturday.

SPARE TIME EMPLOYMENT

Mrs. C. C. Jones, above, is operating her caged egg laying plant. Mrs. Jones, who does an excellent job of keeping house for herself and husband in the Flomot community, has worked as a farm hand this year. Mr. and Mrs. Jones have farmed 540 acres of land and she operated a four-row tractor beside her husband all season. As a "spare-time" hobby she has cared for 145 "Hy-Line" hens in the production of caged eggs.

The new type of egg production is becoming increasingly popular with egg consumers, especially because of the extremely clean conditions under which the eggs are produced. The special diet which the hens are fed is so wholesome that it is eaten freely by feed salesmen, like a dry breakfast cereal. The hens receive only the special diet and water. Neither eggs nor hens ever touch the ground. The eggs are sold locally and bring a premium price.

ATTENDS CONFERENCE

Mrs. Allie Cox, Chief Operating Cashier for General Telephone Company's local office, attended annual Conference of Operators in San Angelo.

The conference was at the Cactus Hotel. Mrs. Cox also attended a recent one-day conference of cashiers in

AT ROTAN

Mrs. and Mrs. J. R. Whitworth and Mrs. Marvin Brotherton visited in Rotan Sunday as guests of Mr. and Mrs. Harold Jones. They attended morning church services there, and in the afternoon were guests at an Eastern

COUNTY AGENT PALLMEYER SAYS:

Plants On Fall

Lawn grasses will remain green longer in the fall and earlier next spring if an application of a complete fertilizer at least 30 days before the first expected hard frost according to County Agent Bill Pallmeyer.

Pallmeyer says the lawn goes into winter in a vigorous condition, weeds have less chance to grow and are less of a problem. Fertilizer application is too late, some grass may die from a hard freeze and the fertilizer cannot be utilized by the grass before dormancy.

Fertilizer application of the 1-1-1 ratio should be made at a rate to supply two pounds of actual nitrogen per square foot of lawn. This amount of nitrogen would be supplied by 25 lbs. of 10-5-5 or 10-10 or 25 lbs. of 8-8-8. Some do not need potash, but the cost is so small, it is insurance and may give excellent results.

The fertilizer should be applied by spreading half of the fertilizer then applying the other half at right angles to the application. This will help give even distribution. Give the lawn a good soaking after the fertilizer has been applied. The grass can't use the food without moisture. Work the soil to a depth of at least six inches or better until moisture reaches. If the soil is dry when the fertilizer is applied wash it off the grass onto the soil.

Prepare Soil For Bulbs

Soil prepared now will be ready in the latter part of October to plant hyacinths, daffodils, narcissi, jonquils, day lilies and many other bulb-like plants. Beds prepared now will be ready for tulips and Dutch iris in December.

Consider location first. For best effects, landscape architects recommend planting bulbs in clumps or groups. They fit well into bays or corners of the back or side yards or in front of screen or border plantings. Avoid spoiling the spacious effect of the lawn by scattering bulb beds at the forefront of home grounds or placing them in rings around trees and shrubs.

Sunshine is not important if you expect only one crop of blooms from your bulbs. For a second season of blooms, full sun or sun the greatest part of the day is needed by most bulbs. Good drainage is necessary to prevent decay and insure proper growth. Soil fertility is not important if new bulbs are bought each year. It is a factor, however, in producing blooms for the next year.

To fertilize, scatter one-half bushel of barnyard manure or a bushel of well decayed leaf mold and one or two cups of commercial fertilizer over each 25 sq. ft. Spade well into the soil to a depth of 8-12 inches and keep moist for 5 or 6 weeks.

Pastures Cut Pork Costs

Don't overlook pastures in figuring how to cut swine production costs. The pasture is the best place to keep the bred sows at all times except during bad weather in the farrowing season. The exercise, sunshine and nutritious pasture will help to farrow a stronger and more vigorous litter. But a clean, dry well-bedded shelter is essential for the cold weather months to help save young pigs.

The sows will need plenty of water and a balanced ration but the pastures will reduce the feed bill. Too, with lowered hog prices, any management practice which will cut the costs is an important item.

It is time now to plant the pasture for fall, winter and spring grazing. Oats, rye, winter wheat or barley are suggested as crops which can be planted in most sections of the state. Moisture conditions are now favorable for maximum yields, and plants should be five to six inches high before grazing.

The spring litters will be able to graze the small grain pastures before most other pastures are ready. The earlier the sow and litter can be turned on the pasture the better.

A good acre of small grain should produce sufficient grazing for about six sows and their litters during the spring season.

Letter to the Editor

Roaring Springs, Texas
September 26, 1955

Mr. Douglas Meador:
I noticed in last week's Tribune you wrote of Bangs Disease spreading in Motley county. Six suspicious cases don't seem to be so bad. There have always been a few cases scattered over the county.

I wish you would state in your paper soon that we have been milking cows and selling milk at Roaring Springs since 1918. For over 30 years we have been having our cows tested for Bangs Disease and TB and we have never found a cow with either disease. We have never had even a suspicious case. Thank you very much.
Respectfully,
Tom Ferguson.

New Films Shown To MHS Students

The new films shown to the Matador High School students this week really hit the spot. Their titles were: "The Griper", "The Show-off", and "Acts of Courtesy". They all emphasized the importance of cooperating with fellow students and teachers and demonstrated how seemingly innocent "fun" can not only give a bad reputation to a single class, but to the whole school. The "show-off" doesn't realize that by his antics, he is wasting his time, the teachers' time, and the time of the whole class. "The Griper" is an unhappy

Matadors To Start Conference Season

The Matador Matadors will have an open date October 7, before starting the conference season October 14, against the Estelline Bear Cubs.

The game, scheduled for eight o'clock, will be played on Matador's Burleson Field.
Estelline has played only two games so far this year. They defeated the Vernon "B" team 13-12, and were beaten by Price College, 32-0.

The Matadors have played four games so far this year, winning three of the four. Their first game was with Petersburg, 13-7, in the Matadors favor. Spur, the second game, ended in a 41-6 score over the Matadors. The Vernon "B" squad lost to Matador, 57-26, and Matador then defeated Crowell 18-13. So the Matadors stand with a three-one and the Estelline Cubs with a one-one.

The Matadors are expecting a large crowd for the first conference game.

SPORTS NEWS

The Matador Mavericks will play the Quitaque grade school here tonight (Thursday). Also to be played here is the game with Lakeview on October 13.

An inter-quad game between members of the Matador Mavericks football team was the event of the afternoon Thursday, September 22. The Blue Yankees and the Gray Rebels fought it out on the green of Burleson Field amid the cheers of the loyal supporters of both sides.

The first touchdown was carried over by Rebel fullback, Guy Campbell, captain of the Gray team. The try for the extra point failed, leaving the score 6-0. Later in the game, James Renfro, Yankee left end, caught a pass thrown by Yankee quarterback, Thomas "Clem" Edwards, and galloped across the goal. The Blue fullback, Jimmy Green, plunged for the extra point. This brought the score to 7-6 in favor of the Blue team, thus it remained until the final whistle blew.

Those making up the Blue team were: left end, James Renfro; left tackle, Buddy Davis; left guard, Pete Chambliss; center, Clinton Thrasher; right guard, L. D. Martin; halfbacks, Dink Wilson and Darrell Crump; fullback, Jimmie Green, and quarterback, Thomas Edwards. Substitutes were Robin Darsey, Jimmie Smith, Garland Glasscock, Dennis Smith and Ross Bearden.

The roster for the Gray team included left end, Bill Martin; left tackle, Morgan Baker; left guard, Tom Smauley; center, Kenny Matney; right guard, Billy Ray Nevins; right tackle, Gary Jenkins; right end, Leon

ard Glasscock; halfbacks, Dale Dixon and Bill Crenshaw; fullback Guy Campbell, and quarterback, Jimmie Welling. Substitutes were Harry Hamilton, Ronnie Smith, David Lee and Albert Thrasher.
Officials were Raby Webb, Bill Seale and Garland Rattan.

Best All-American Homemaker Sought By Betty Crocker

Minneapolis, Minn.—Educational scholarships to a total of \$100,000 will be awarded in the second Betty Crocker Search for the American Homemaker of Tomorrow, it was announced today by General Mills.

This is a \$25,000 increase in scholarships awarded in the 1954-55 program when 187,463 high school senior girls from 8,040 schools sought the All-American Homemaker of Tomorrow title which was won by Deloris Arnette of Enterprise, Ala.

In addition to a \$1,500 scholarship to each state winner, there will be a new award of \$500 to the homemaker rating second in each state. The scholarship of the national winner, who will be announced April 12 in Philadelphia, will be \$5,000.

The basis for selection of winners will be test scores in a written homemaking knowledge and attitude test developed by Science Research Associates of Chicago. The test will be given in all participating high schools on Dec. 6. The project has the endorsement of the national contest and activities committee of the National Association of Secondary School Principals, a department of the National Education Association.

All 12th grade girls in the nation's public, private and parochial high schools who will graduate in 1956 are eligible to participate in the Betty Crocker Search for the American Homemaker of Tomorrow. They must be enrolled by their school not later than Oct. 31.

Study materials for use in teaching many subjects will be sent to participating schools. The girl with the highest test score in each school will be named Homemaker of Tomorrow for that school. She will receive a pin designed by Trifari of New York, her school will receive a copy of the Good and Easy Cook Book and her test paper will be entered in the competition for her state.

The school of each state Homemaker of Tomorrow will receive a set of the Encyclopedia Britannica. Each state winner and a female faculty adviser will be invited to participate in an expense-paid educational tour of Washington, D. C., Colonial Williamsburg, Va., and Philadelphia April 8-12.

Miss Arnette, the first year national winner, is using her scholarship at Judson college in Alabama.

INDUCTION CALL LIST MATADOR REGISTRANT

HACKBERRY CREEK looked like this late Tuesday after a rainstorm swept across Matador from the northwest, dumping approximately an additional one inch of moisture on the already soggy terrain. This picture was made from a point on the south bank of the creek, looking north. At the right center is Main Street bridge where the muddy water rushed rapidly eastward under Matador's principal thoroughfare. White house in the center of the picture is the home of Mrs. George Edwards. Rain gauge located only a few feet from where the picture was taken, has registered approximately five inches of precipitation since Saturday.

Visiting in the home of Mr. and Mrs. Glenn Woodruff during the week-end were her parents, Mr. and Mrs. L. M. Wingerd of Brownfield, and Mrs. J. M. Shelton of Washington, D. C. Sunday morning they attended services at the Methodist Church, during which the Woodruff's small daughter, Lou Anne was christened.

Examinations Set For Boys Seeking Academy Entrance

Senator Lyndon B. Johnson has announced that Civil Service examinations for Texas boys seeking appointment to the Army, Navy and Air Force service schools will be held November 14 at 71 cities and towns throughout the state.

Senator Johnson uses the results of these examinations as a guide in making his appointments to the military academies. Entrance requirements vary, but all three academies require that appointees be United States citizens. In the case of applicants to be considered by Senator Johnson, they must be residents of Texas. They must be between the ages of 17 and 21 years upon entry, must be single and pass a rigid medical examination and a physical aptitude test. Candidates for the Air Force Academy must be able to pass the medical examination for flying training and a pilot aptitude test.

Persons interested in taking the competitive examination on November 14 are advised to write Senator Lyndon B. Johnson, Senate Office Building, Washington, D. C., not later than October 15.

Miss Trixie Austin, who is doing graduate work at Texas Tech, Lubbock, spent the week-end visiting here with her parents, Mr. and Mrs. John Austin.

Mr. and Mrs. James Priddy and daughter, Ann, attended the South Plains Fair at Lubbock, Saturday.

Visitors Monday in the home of Mr. and Mrs. Marvin Hunt, were their respective mothers, Mrs. Fred Hunt and Mrs. Ivan Warlick, both of Mangus, Okla. Mr. and Mrs. Pat Sheridan, Jr. and children, Cindy and Stevie of Lubbock were week-end visitors with his parents, the Pat Sheridans, Sr.

M. G. Brotherton of Canon City, Colo., is visiting here with his mother and brother, Mrs. Marvin Brotherton and Glenn.

SOCIAL SECURITY REPRESENTATIVE SCHEDULED HERE

Representative from the department of Health, Education and Welfare of the Social Security Administration, Lubbock will be in Matador, Oct. 11, at 9:30 a. m. at the First State Bank, and will be glad to assist in all matters pertaining to social security.

One of the most recent questions under debate is: What are the changes in the Social Security Law that affect farm workers who are not regularly employed but who only work part time or certain periods of the year?

According to a release to the Tribune, the following answer is given:

Beginning January 1, 1955 all workers employed on a farm, including part-time workers, are covered by the Social Security Law if they are paid \$100 or

more cash wages by a farmer at any time during the calendar year. The provisions of the Social Security Law regarding the length of time worked and the qualifying quarter are no longer in effect.

In 1953 and later years each farm operator who pays a farm worker \$100 or more in cash wages during the year will report all the wages paid the worker (up to a maximum of \$4,200) to the Internal Revenue Service. This provision of the new law brings more than two million additional farm workers under the program. This means that most farm workers and their families have protection under social security.

ATTEND FUNERAL

Mrs. W. M. Graham, accompanied by her son, Curtis Graham, attended funeral services at Post, Friday for Judge Oscar Graham, 57, who died in his sleep Thursday night. He was a cousin of the late W. M. Graham.

KILLERS OF CHILDREN

Diphtheria... mastoiditis... scarlet fever... pneumonia! These were some of the big diseases — the big killers of children — a quarter-century ago. But today, we rarely hear of anyone dying from one of these diseases. The explanation? These diseases have been conquered by new drugs — drugs that were unknown 25 years ago — but are now found in every drug store.
