66TH YEAR—No. 32

MATADOR, MOTLEY COUNTY, TEXAS, THURSDAY, OCTOBER 20, 1960

PRICE SEVEN CENTS

County Hit by Torrential Rains

RAINS that produced flood conditions in many parts of the Texas Panhandle, deposited more than 7 inches of moisture in Matador since Saturday morning. Bob Stanley's rain gauge showed a total of 7.61 inches late Tuesday. The total here this year is now 28.63 as compared with 28.92 for the entire year of 1959.

A wave of rain storms Saturday produced swift currents in creeks and rivers. One rain shortly after noon deposited 1.60-inch of water in about 30

minutes and caused the Tribune building to flood (through the back door) for the first time since its construction seven years ago. Water ran the length of the

Banquet Speaker For Flomot Youth Is From Hong Kong

Miss Nora Au, Wayland Baptist College student from Hong Kong, will speak at a banquet at the First Baptist Church, Flomot, Monday, Oct. 24, it was announced last week by the pastor, Rev. Ed Spivey.

The banquet will be held for two young people's organizations, the Royal Ambassadors and Girls' Auxiliary. Miss Au has come to the United States as a permanent resident here and is now making plans to become a church secretary. "One of the things I enjoy most is speaking to young people's groups," Miss Au says. "They seem to be most interested in my native country and always amaze me with the number of questions they can ask."

Dr. F. E. Swanner Slated to Speak At Baptist Church

Dr. and Mrs. Franklin Swanner of Plainview will speak at First Baptist Church on Wednesday night, Oct. 26, it was announced this week by Rev. Gene Hawkins, pastor.

The meeting will be an all-church affair, beginning with a family covered dish supper at 7 p. m. and followed by the special service. All members of the church are urged to attend, and an invitation is extended to everyone in the community or adjoining communities, Rev. Hawkins said.

Dr. Swanner, District Nine missions secretary for the Baptist General Convention of Texas will tell of his trip to the Baptist World Congress in Rio De Janeiro this summer, which included a survey of Southern Baptist mission work in Latin America. He will be assisted by Mrs. Swanner in telling of his trip and in showing pictures of the Baptist World Congress, and of the mission work.

Visitors during last week end in the home of Mrs. John Hamilton were her sister and family, Mr. and Mrs. J. M. Harper, Beverly and Cris, of Lubbock, and Mr. Harper's parents, Mr. and Mrs. Luther Harper of Post.

MAVERICKS MASCOT Starris Hughes, center, with cheer leaders and twirlers in the Grade School Pep Squad. Reading from left: Jana Crenshaw, Marianne Damron, Scottie Robbins, Starris, Faye Cook, Ruthie Lynn and Sandra Sandefer. The diminutive mascot is the daughter of Mrs. Deweylou Hughes.

Barton Accepts Top Place in Chest Drive

TOP PLACE as chairman of the Matador Community Chest annual fund drive is not an easy job, but C. M. Barton Jr. has volunteered his services for the campaign. The date has been set for Tuesday, November 29 for the kick off breakfast. The quota is the same as last year's, \$3,000.

The Matador Community Chest is the sole financial support of the Matador Boy Scout troop, the Cub Scouts, Girl Scouts and Brownies. Also pays the membership of the Scouts into the South Plains Council.

MATADORS WIN 1st CONFERENCE GAME

By JOHNNY EZZELL

OPENING their defense of the Dist. 9-B championship Friday night at Estelina, the Matador Matadors painted the Estelina Bear Cubs into a corner with a score of 58-8.

Left side of the Matador line, Buddy Davis, Gale Stafford, and Petey Timmons, methodically opened holes for the Matador backs. Four of the six Matadors' touchdowns scored on the ground were tallied over the line's left side.

Gale Stafford, Dale Dixon, Jimmie Welling and Pete Davis were outstanding on defense for the Matadors. The Big Red held the Cubs to only 8 first downs because of their solid defense.

The Matadors, in scoring their 58 points, rolled up 24 first downs. They did not have to punt in the ball game.

The Matadors' opening score came when right halfback Ros Bearden blasted 12 yards over left tackle. Fullback Guy Campbell added the extra points.

The Matadors went 80 yards in 11 plays for their next touchdown. Quarterback Gary Lancaster passed to right end Jimmie Don Green for 25 yards and the six points. Campbell slammed over left tackle for the extra points.

The Matadors scored three times in the second period. Campbell tallied twice on runs of 1 and 20 yards, with Kenny Barton kicking the extra point after each. The other count came on a 15 yard pass from Lancaster to Green. All of this scoring left the halftime score 36-0.

The only Matador touchdown in the third quarter came on an 8-yard run by Bearden. Lancaster kicked the extra point.

Quarterback David Rattan sneaked 1 yard for a T. D. in the fourth quarter. Green, now (Continued on next page)

DIST. GOVERNOR AT LIONS MEET

HONORED visitor Tuesday at the regular meeting of the Matador Lions Club was Dist. Governor Ralph R. Thomas of Pampa on his first official visit since becoming governor of Dist. 2-T1. Since his visit to the Matador club had been scheduled hurriedly, he spoke only briefly in addition to the regular program. Gov. Thomas paid high tribute to the Matador club for its many services to the community through the third of a century since it was chartered.

Directors of the club met with Dist. Governor after adjournment of the regular meeting. A new member, Roy Hankins was introduced and welcomed into the civic club by Lion Forrest Campbell, bringing the club's present membership to 70.

The program included a film presented by Jack Talley of Lubbock, geologist for Pan American Oil Co.

Past Lions President Ben Edwards was presented with a Past President's emblem and Lion John Stevens was presented with a 5-year perfect attendance button. New perfect attendance buttons for the past year were also presented to a number of members.

Mavericks Scoop Up District Win

The Mavericks blasted the Estelina Junior High School team 46-22 Thursday night at Estelina. The victory gave the Mavericks a 2-0 record in district play.

Fullback Tommie Green scored the first two touchdowns on runs of 3 and 7 yards. Tim Green and Charles Ezzell scored the extra points.

Ezzell returned an intercepted pass 60 yards for the Mavericks only second quarter touchdown.

Both teams traded third quarter touchdowns in rapid-fire order. Tommie Green went 15 yards for the opening score. Tim Green added the extra points. Then the Estelina wingback raced 45 yards for their first touchdown. Green returned the following kick off 65 for a tally, with Charles Ezzell sneaking over for the extra points. Estelina came back with the fullback running 60 yards for the touchdown.

Tim Green raced 45 yards for the last Matador score. Ezzell counted the extra points.

The Mavericks play Turkey Friday night for the district championship. They defeated Turkey 52-6 in a previous game. The game will start at 7:30 p. m.

Letters in Mail To Matador Exes

Letters to over 1000 ex-students of Matador School District (including schools which have been consolidated with this district) were mailed this week by the invitation committee of the Ex Students Association, regarding Homecoming plans for November 11.

These went to former residents now living outside of Motley County. Letters to former students still living in the county, will be mailed later.

Since there is always the chance that someone might be overlooked, it is stressed that all ex-students and teachers are invited and expected to attend Homecoming and participate in the activities.

ENTERS SERVICE

Charles Patterson, son of Rev. and Mrs. Roy Patterson left here Monday, Oct. 10 for Fort Hood, near Killeen, where he will receive basic military training.

Newest Oil Well Is Topper

WELCOME surprise in the Motley County oil industry was the unexpected development of P-M Drilling Co., Wichita Falls and Cosden Petr. Corp., Big Spring, No. 1 Hawley. The new well extended the Roaring Springs East Field one location west. It had been rumored previously that the well did not show any prospects of becoming a producer.

The Tribune (which missed the story of the new well last week) has learned from an unofficial source that the Hawley well is perhaps the best in the entire field and that it will flow over 400 barrels per day.

The Lubbock Avalanche has reported the well as follows: It was potentiated flowing on a 24-hour test for 193.28 barrels of 40.8 gravity oil through a 28-64 inch choke with no water. Production was through Permian perforations, 4,175-78 feet, after acidizing with 500 gallons. Gas-oil ratio was 106-1 with a tubing pressure gauged at 40 pounds.

Top of pay was picked at 4,175 feet on an elevation of 2,537 feet in a 4,190 foot hole with 4 1/2-inch casing set at 4,182 feet.

Last week a new well was staked by the same company on the Ben Dillard land 7 1/2 miles east of Roaring Springs and 2 1/4 miles east of nearest production in the Roaring Springs Field, the No. 1 Van Eman. There are no nearby dry holes and the east edge of the field has not been proved out. The new location, to be known as the No. 1 Ben Dillard, will be dug to 5,000 feet.

ROARING SPRINGS FFA TEAM TAKES HONORS IN DALLAS

The Future Farmers of America grass judging team of Roaring Springs, Saturday was named the number two team in the state at the Texas State Fair, Dallas.

The Roaring Springs team was topped by Gatesville, by only two points.

Two individuals on the team also were named to honors with high individual scores.

A J. Dye scored eighth in individual ratings, and Bert Green placed fourth in individual scores.

Other team members included Rogene Swim and George Smith. They were accompanied by Vo-ag teacher and chapter sponsor B. L. Peacock. A total of 125 teams from across the state was entered.

CHANGE OPENING HOUR OF POST OFFICE HERE

Effective November 1, the Matador post office windows will open at 8:30 a. m. instead of the present time of 8 a. m. The announcement is made by Postmaster Charlie Scaff, who said the extra 30 minutes will enable employees to put up most of the first class mail by the time the windows are opened.

Patrons are requested to keep the change in mind effective Nov. 1 in order to avoid possible inconvenience.

HEAR BISHOP ENDLEY

Rev. J. V. Patterson of Gruver, local of Rev. Roy Patterson, brother of Rev. Roy Patterson, spent the night Monday, in the home of his brother and wife, Tuesday, the two ministers drove to McMurry College in Abilene, where they attended Willson Lectures, a series of sermons by Bishop Endley. Rev. Roy Patterson will return home today.

County Farmers May Lose Over \$50,000 By Hasty Selling Grain Sorghum Crop

FINEST grain sorghum crop in Motley County's history is ripening in the fields (after the rains pass) and a conservative estimate is that over 50,000,000 pounds will be produced from the 40,000,000 acres planted in milo. Yet Motley County farmers stand to lose over \$55,000 on a crop they have already made.

Currently (last week) milo was selling for \$1.35 on the market in the county, but the farmer can get 11¢ more per 100 pounds by putting the grain in storage.

The information is provided by Tommy Moore, ASC office manager here. He said that some milo in the Flomot area is producing 5,000 pounds per acre and that some in Teepee Flat Community has harvested 3,000 pounds per acre. He has, however, made his estimate of an average of only 1250 pounds per acre.

The farmer who stores grain

sorghum on his farm will have to wait 30 days for his money. If he does not have storage facilities, he can obtain a farm storage facility loan for 80% of the cost.

"In most cases the additional 11¢ per 100 lbs. will pay for the building of the storage," he said. "If he needs it the farmer can pay the storage loan in a 5-year period. Over \$55,000 is a lot of money to lose on a crop that is already made. The 11¢ equals 2 1/2¢ per pound on 30¢ cotton."

In addition to the guaranteed 11¢ per 100 lbs. advantage in price, the grain sorghum is still the farmer's property while it is in storage. If the price advances before he sells, he will also gain the advance. (Price advance is possible but not likely, Moore said.)

The 5,000 pounds per acre being harvested in the Flomot community is believed to be a record production on dry land farming.

MRS. MITCHELL NEAL PIPKIN (Carol Jayne Foster)

Marriage Vows Exchanged in Pampa by Miss Carol Foster and Lt. Neal Pipkin

Marriage vows were exchanged by Miss Carol Jayne Foster of Pampa, and Lt. Mitchell Neal Pipkin, Matador, at 3 p. m. Sunday, October 16.

The bride is the daughter of Mr. and Mrs. Don Foster, Pampa. Mr. and Mrs. W. N. Pipkin, Matador, are parents of the bridegroom.

First Presbyterian Church, Pampa, was the scene of the double ring ceremony, with the Rev. Richard W. Crews, pastor of First Christian Church, officiating.

The couple repeated their vows before an altar which was decorated with a bouquet of white gladioli and chrysanthemums. Jade palms trimmed the background of the church and floor urns were placed on steps leading to the altar. White satin bows marked the honor pews, and spiral candelabras with white votive cups flanked the prie-dieu, where the bridal pair knelt for "The Lord's Prayer," sung in benediction by Mrs. John Paul Greenwalt of Barksdale, La.

Wedding music included a prelude of classical selections and the traditional marches by Mrs. Charles Cullin of McLean, organist, cousin of the bridegroom. Accompanied by Mrs. Cullin, Mrs. Greenwalt sang "One Alone," and "Through the Years," preceding the ceremony.

Gown is Peau de Soie Given in marriage by her father, the bride wore a gown of white peau de soie, fashioned on princess lines featuring a fitted bodice with tiny cap sleeves complimented by elbow-length white gloves. The scoop neckline dipping to a V in back featured a wide collar of re-embroidered French Alencon lace sparkled with twilight sequins and seed pearls.

The bouffant skirt, accented by a flat bow with double streamers in back, drifted into a chapel train. Her veil was a mantilla of imported Belgium princess lace over English illusion veiling. She carried a cascade bouquet of white roses and stephanotis.

Miss Patt Cassidy, maid of honor, was the bride's only attendant. She wore a dress of emerald green and matching veil headpiece. Her bouquet was a cascade arrangement of white feathered chrysanthemums.

Brother Is Attendant

Gerald Pipkin, Matador, attended his brother as best man. Ushers were Lt. Clarence Wesley Hough of Lubbock, Lt. John M. Winslow Jr. of Big Spring, and Don Spencer of Dallas.

Leslie Ann Alexander was flower girl and carried a white lace basket filled with rose petals. A niece of the bridegroom, the petite miss is the daughter of Mr. and Mrs. Vernard Alexander of Post.

Mrs. Foster, mother of the bride wore a sheath of rose beige lace over taffeta, designed

Church and Society

with a fitted lace bolero. Her matching accessories included a flower petal hat in tones of rose and beige, and her corsage was a brown cymbidium orchid. The bridegroom's mother, Mrs. Pipkin wore a sheath styled dress of ice-blue Chantilly lace over satin, with matching accessories and corsage of pink cymbidium orchid.

The home of the bride's aunt and uncle, Mr. and Mrs. Jack P. Foster, was the scene of the wedding reception.

Mrs. Cecil Sanders, sister of the bride presided at the guest register, and Miss Patricia Foster, also her sister, served the tiered wedding cake. Others in the house party were Mrs. Vernard Alexander of Post, sister of the bridegroom, Miss Virginia Walker of Dallas and Miss Ann Suggs of Houston.

The bride's colors of emerald green and white were featured in table decorations. The bridal table was covered with a white satin cloth with insets of French Alencon lace and swags of white tulle caught with miniature nosegays.

To Live in Sherman

For a wedding trip to Colorado Springs, the bride traveled in a gray suit dress with black accessories and a corsage formed of white roses. When they return, the couple will live in Sherman.

Mrs. Pipkin is a 1959 graduate of Texas Technological College, Lubbock with a bachelor of science degree in home economics. She is a member of Delta Delta Delta social sorority and has been a stewardess with American Airlines the past year.

Also graduating from Tech in 1959, Mr. Pipkin has a bachelor of science degree in mechanical engineering. While at Tech he was president of Sigma Alpha Epsilon social fraternity. A lieutenant in the United States Air Force, he received his pilot's wings on Friday, October 14 at Webb Air Force Base, Big Spring. He will report Nov. 3 for advanced pilot training in fighter interceptor at Perrin Air Force Base.

Mr. and Mrs. Bert Estes of Colorado Springs joined their daughters here in going to Pampa for the wedding of their grandson. Other members of the family who attended from here included Mr. and Mrs. W. F. Jacobs and daughter, Laura, Mrs. Robert Darsey, and Mrs. R. E. Campbell Jr., and daughter, Carol, accompanied by Jim Allison of McLean; Mr. and Mrs. Leslie Pipkin of Lamesa, and Mr. and Mrs. Cecil Pipkin, Lubbock, were also among the wedding guests.

Methodist WSCS Continues Study

The Methodist Woman's Society of Christian Service met Tuesday afternoon, Oct. 11 for a continuation of the Mission study, "Into all the world together."

Mrs. A. J. Daffern was leader for the afternoon. Assisting her were Mesdames C. T. Jinkins, Sterling Price, Marvin Brotherton, Nelson McMahan, Fred Simpson, Harry Willett and G. E. Hamilton.

Others present were, Mesdames H. K. Ford, J. R. Whitworth, W. F. Jacobs, C. D. Pipkin, W. B. Vaughn, Frank Williams and Olive Russell.

Duties of Citizenship Given Members At El Progreso Study Club Meeting

"Our Responsibility as Citizens," was the subject for the program as El Progreso Study Club met Thursday, Oct. 13, in the home of Mrs. Fred Simpson.

Mrs. Harry Willett as leader, read as an introduction to the program, the epigrams, "God grants liberty only to those who love it and are always ready to defend it," (Milton); and "Man never fastened one end of a chain around the neck of his brother, that God did not fasten the other end around the neck of the oppressor," (Lamartine).

Mrs. Vance Gilbreath presented a playlet entitled, "A Bill Becomes a Law." Assisting her in demonstrating how a bill introduced into the House of Representatives becomes a public law, were Miss Mary Keith and Mesdames G. E. Hamilton, Joe Bloodworth, W. D. Lipscomb, A. J. Daffern, D. E. Pitts, W. F. Jacobs, Fred Simpson, Ben Keltz, Forrest Campbell and Bill McCaghren. The skit was informative as well as interesting.

Subject of an enlightening discussion by Mrs. U. L. Willie was, "Key Men in American Government," in which she urged the members to keep well informed on political matters in order that they might be able to cast an intelligent vote. She advised her listeners to cast their ballots for the person most qualified for the task ahead and who can lead the nation into paths of peace.

"We should use our own initiative and not vote a certain ticket just because our fathers or forefathers voted that way," she declared, and adjured the club that, "We should all be much in prayer and guidance in these trying times."

Weather Delays Club Tournament

Weather has delayed the championship tournament begun recently by the Women's Golf Association, Oct. 6 was qualifying day for the tournament Mrs. Glenn Woodruff was medalist with low score of 87.

Two divisions in the tournament were championship and first flight. Mrs. Bundy Campbell was winner of the championship flight, with Mrs. Glenn Woodruff as runner-up and Mrs. Buzz Thacker winning consolation.

The first flight division has not been completed because of the wet weather prevailing. Thursday playday last week was for low putts, with Mrs. Melvin Meason winning the golf ball.

Stanley Ware Fogerson, son of Mr. and Mrs. Ware Fogerson of Silverton, and grandson of Mr. and Mrs. R. A. Day, Matador, was one of the 8,000 boys attending the National FFA convention in Kansas City, Mo.

home of Mrs. Fred Bourland. Following the short business session conducted by the club president, Mrs. Forrest Campbell, an interesting program titled, "Footprints in the Sand" was given, with Mrs. Campbell leading.

The club collect in unison opened the program. Mrs. Pat Sheridan presented the Flower Show schedule and explained each classification fully. Each member then drew for her arrangement.

An arrangement for October was a brass container filled with pyracantha and fall chrysanthemums, brought by Mrs. C. T. Jinkins.

Others present were Keith Patton and Mesdames Claud

Harp, J. D. Mounce, Wardtan, C. P. Waybourn, Montgomery, Eldred Seigler, C. Traweck Jr., Harry W. Bill McCaghren, W. W. Clotelle Horn, U. L. Willie, Pipkin, and Vance Gilbreath. "Autumn Leaves" will be title of the placement show Monday.

Recent Sunday guests of and Mrs. George Birchfield her niece and family, Mr. Mrs. Ware Fogerson and ley, also Mr. and Mrs. Jack field and Mrs. Florence Fason, all of Silverton, and residents, Mr. and Mrs. Day.

Does "Teen" Mean "Delinquent"?

I am a juvenile delinquent. I don't know why. I don't hot-foot my car — it barely runs. I don't steal. I don't sass adults. I don't trip little old ladies. Obviously my biggest fault is the fact that I'm seventeen.

You've read and seen the half truths about my generation that are printed and filmed. I don't trip little old ladies. Obviously my biggest fault is the fact that I'm seventeen.

You've read and seen the half truths about my generation that are printed and filmed. I don't trip little old ladies. Obviously my biggest fault is the fact that I'm seventeen.

Hundreds of teenagers devote many hours to volunteer work in hospitals, YMCA's, and other organizations. Maybe your church has a free nursery operated by young people during services. Perhaps the candidate you vote for in the next election will have been given his greatest support by youths, who, even though they can't vote, are concerned enough with the welfare of their city, state and country to support one they deem worthy. All over the country members of hot-rod clubs are always ready to help motorists in trouble.

We all know that if one is looking for faults in another—even a whole generation, he can find them; but it is more pleasant, more sensible, and easier to find good. Please, the next time your actions, thoughts or words to a young person are about to be prejudiced because of his age, remember that if you will just treat us as adults and equals, you'll find that most of us are prepared to justify your

trust.

JUNIOR JOBS

by Vada Nichols

The juniors are having a good time this year. Let's look in and see how they are getting along.

Bob Johnson loves his position as president of the Junior class. Johnny Ezzell is up to his nose in football reports and delights in it. Dixie Barton, Vella Ree Edwards, Cheri Barton and Geney Spray are proud of their positions as twirlers and cheerleaders.

Jimmie Green gets plenty of exercise walking Dorothy Crenshaw to classes. Roger Evans has a secret love in school and gets to see her every day. Judy Hobbs has found extracurricular interest which does not pertain to school. Doris Cooper and Dale Dixon have discovered a pleasurable way of studying, by putting their heads together. It seems that Sandra Stevens' favorite class is biology (that's the class with the senior boys.)

It has been heard that Kenneth Davis loves to write themes. Is this true? Christina Damron looks forward to lunch hour every day—a bright green cab awaits to take her to lunch. Sue Cross writes letters and addresses them to someone at Roaring Springs.

Virginia Carr also writes letters during classes. She addresses hers to Rising Star, but this will soon stop. She has her eye on a Matador boy.

This about covers the juniors this week, so adios!

CAMPUS CLIPS

Attention English students! Just remember that at least 25 lines of memorized poetry are due October 17.

All students who attended Student Day at West Texas State College have returned and are still exclaiming on how much they enjoyed the trip.

Work on La Arena is still progressing. The cover, theme, and division pages have been selected.

Interest in the World Series has spread widely over MHS, especially since it's a good subject to discuss in class.

Let's cage a bear cub! See "ya" next week.

MGS NEWS REEL

Grade school has been very busy this week organizing its fire safety. They have been making fire prevention posters and have elected their officers. Kenneth Pitts is head fire marshal and his assistants are: Patsy Hankins, Tim Sturdivant, Ronnie Cox, Janna Crenshaw, Ken-

eth House, Shelly Stevens, Mark Timmons, Terry Keltz, Don Cox, Kate Thompson, Albert Cook, Jeff Berryman, Jerry Jones, Larry Jameson, and Bill Martin. We are very proud of our school for enforcing fire safety because it lowers the cost of insurance. Our grade school is well protected with the elected officers.

Also, this past week the teachers of M. G. S. have been busy testing eyes and ears of all the students. If anything is wrong with the hearing or sight of the students, their parents will be notified during visitation days. This is one of the many reasons why the parents should attend visitation. Visitation days for M. G. S. will be the 13th and 14th of October.

Last week Mr. Palmeyer held a meeting in the gym for this year's 4-H members. The grade school 4-H club is divided into certain classes. The seventh and eighth grades met and organized their 4-H club on Tuesday, September 27. The officers were elected as follows: Tommie Green, president; Gary Campbell, vice-president; Joanie Barton, secretary; and Ruthie Lynn, reporter. After electing officers the group discussed rules, provided by Mr. Palmeyer, for each office.

The fifth grade was a colorful room last week because the students exhibited their hobbies and pictures which were made of buttons and beans.

The third grade has just finished studying about charges in their reader. Those who saw "The Greater Show on Earth" last week enjoyed it very much.

4H OFFICERS ARE ELECTED

By Ann Garnett

The Matador High 4-H Club had their first meeting of the year on Tuesday, October 4, at eleven o'clock in the auditorium.

The club elected officers for the coming year. Those elected were: Dixie Barton, president; Geney Spray, vice president; Cheri Barton, secretary-treasurer; and Ann Garnett, reporter.

Mr. Palmeyer passed out leaflets on parliamentary procedures, farm safety hints, safety measures for preventing accidents, and first-aid for acid burns and accidents.

Although the club is not composed of as many members this year as it was last year, it offers a very promising year.

FISH TO TAKE DRIVERS TEST

By Mary Irwin

It's either now or later! The freshmen Drivers Education

class is waiting for the man who issues the drivers' license to come and give them their written test.

If they pass they will receive their restricted license, but if they don't pass they will have to wait and take the test again, while everyone else is getting to drive.

Ag Classes Begin Various Projects

The ag. boys have been busy getting the farm ready for their projects. They have been putting up cross-fences and running a new water line.

In the classrooms the freshmen are studying the American Flag and learning the FFA motto and creed.

Conditions indicate a favorable 4-H Club year at Patton Springs, for 1960-61, with 25 old and 11 new members bringing the total to 36.

In the election of officers, held at the first meeting last month, Dwayne Harris was elected president, James Morris, vice president, Larry Lawson, secretary-treasurer, and Jerry Clements, reporter. Larry Lawson was also elected County Council Delegate. County Agent Conner, of Dickens County met with the club and passed out registration blanks.

Seniors are Busy At Patton Springs

Patton Springs seniors are busy with various money-making projects which include loading chickens and pulling cotton. Proceeds earned go into a fund for the senior trip next spring. Maurice Goodwin, ginner at

East Afton gave the class a bale of cotton for their work pulling cotton.

A "Hobo Day" is scheduled for Oct. 22, and plans are being made to collect junk iron and sell it at a later date.

Class officers are Jerry Gage, president; Buddy Melton, vice president; Martha Goodwin secretary; Ronnie Mullins, treasurer; and Gene Harris, reporter. Others in the class are Kenneth Brendle, Curt Hawley, Lanelle Martin, Gene Hobson, Dickie Kendrick, Bobby Porter, John A. Scott, Dickie Randolph, Voda Tarrant, and Bertha Willmon. Mrs. Gaston Johnson is sponsor.

Junior Class Now Selling Corsages

The junior class at Patton Springs High School is now taking orders for mum corsages for the school Homecoming planned for Nov. 11-12. Those wishing to buy a corsage are requested to see any of the students.

The class is glad to have Mrs. Coy Morris as sponsor. There are seven girls and seven boys in the 1960-61 class. Officers are Jimmy Bennett, president; Glenna Blasingame, vice presi-

dent, and Alton Tarrent, secretary. Other class members are Sandy Bateman, Dwight Cagle, Boyd Epting, Don Foad, Connie Gage, Martha Molloy, Ray Perryman, Roy Perryman, Sharon Ragland, Patsy Robertson and Marilyn Willmon.

FAMILY GET-TOGETHER

The Leonard Clements family recently enjoyed a "get-together" with friends and relatives in their home. Those present for the occasion were Mr. and Mrs. John Baxter and Dan, of Elsinore, Calif.

Mr. and Mrs. Clarence Reeves, Mrs. Jim Reeves, and Mr. and Mrs. Duward Pickens, Janna, Cheryl and Lesa, all of Spur; Mr. and Mrs. George Hicks, Mr. and Mrs. Kenneth Hicks and Sue Formby of Muleshoe; Mr. and Mrs. Faye Slough, Paul and Dewey Jay and Mr. and Mrs. Brit McDaniel of Dickens; Mrs. Myrtle Webb and Raymond of Girard; Mr. and Mrs. Billy Joe Taylor, Peggy and Patti, of Lubbock; Mr. and Mrs. Leo Baxter Carole and Rex of Plainview; Mr. and Mrs. S. Beautifully proportioned to the CLASSIC FORD LOOK

An honor to be proud of, this is the medal presented by the international fashion authority, Centro per l'Alta Moda Italiana, to the 1961 Ford for functional expression of classic beauty.

You are looking at the trend-setting car of our times, the '61 Ford... a car whose clean and classic profile is unmatched by any other in the world. Just one glance at the Big Circle taillights and sculptured rear deck, one look at the crisp, fresh front-end design and you'll know the '61 Ford is the classic style of the Nineteen Sixties.

Here is a Ford that is not only new in looks and ride and comfort, but new in its entire concept. The '61 Ford is actually built to take care of itself! It lubricates its chassis... cleans its own oil... adjusts its own brakes... protects its own body.

Indeed, here is a car that will save you valuable time and money by doing away with many stops for SERVICE.

HERE'S HOW THE '61 FORD TAKES CARE OF ITSELF... THE FIRST '61 CAR DEALER WARRANTED FOR 12,000 MILES OR ONE FULL YEAR.

Lubricates Itself. You'll normally go 30,000 miles without a chassis lubrication. Cleans Its Own Oil. You'll go 4,000 miles between oil changes with Ford's Full-Flow oil filter. Guards Its Own Muffler. Ford mufflers are double-wrapped and slung under the car... normally will last three times as long as ordinary mufflers. Adjusts Its Own Brakes. New Truck Size brakes adjust themselves automatically. Protects Its Own Body. All vital underbody parts are specially processed to resist rust and corrosion, even to galvanizing body panels beneath the doors. Takes Care of Its Own Finish. New Diamond-Lustre Finish never needs wax. Warranty. The '61 Ford is built to meet three principal goals: longer quality, greatest durability, most reliable operation. Expressing their complete confidence that this has been accomplished, Ford Dealers led the industry in extending their warranty on '61 Fords to 12,000 miles or one full year, whichever comes first. See this warranty at your Ford Dealer's now.

Roaring Springs Baptist WMS Officers Installed for Beginning of Current Year

With the recent installation of officers, the Woman's Missionary Society of Roaring Springs First Baptist Church has begun its work for the current year.

Rev. Bob Moore, pastor, presided as installing officer, as the women receiving services at the church. The impressive ceremony was well attended.

Flowers in the W. M. U. colors, red and white, furnished by Carl Tardy, formed the interest center. Rev. Moore used the scripture, the great commission, Matthew 28:19-20.

Matthew Scott, president, Mrs. John A. Scott, president, Mrs. "Think" as her motto. Other officers included Mrs. Bob Moore, secretary-treasurer, Mrs. Carl Tardy, secretary, Mrs. Chas. Long, president, Mrs. W. H. Godfrey, prayer and entertainment, Mrs. J. D. Nolen, mission study, and Mrs. Nolen, stewardship.

Each officer and chairman was given a Bible. The charge of week was accepted by the president in a challenge to the women of the church to help the Woman's Missionary Society to do greater things for the church and missions in the new year.

Counselors include Mrs. Julian Nolen, Nursery Sunbeams and Mrs. Scott, Sunbeams, age 6-8. Attending a leadership conference at Crosbyton on Oct. 3, Mrs. Mesdames Chas. Long, W. Godfrey, Julian Nolen and A. Scott.

Among other recent activities the society was "visitation" when members met at the church for prayer, then visited several homes in the community. The first Tuesday of each month was designated for this purpose.

The W. M. S. is also sponsoring children's Home Month" during October in a drive for new clothing to be used to the orphan's homes in Baptist Convention. A box has been provided at the front of the church, for donations. Items of clothing will be appreciated and all sizes can be taken by all members of the church who are asked to take part in this worthy cause.

playing fullback, scored the extra points.

Estelline crossed the goal-line on a 10-yard pass from Jessie Corona to Mike Davidson. Paul Corona faked a place-kick but passed to Davidson for the two point conversion.

The Matadors' final tally came when quarterback Jimmie Wellington raced around right end, and lateraled to Campbell, who raced for the touchdown. The play covered 85 yards, Barton kicked the extra point to finish the scoring and the ball game.

The Matadors take this week off before meeting Ralls at Ralls next week.

Survival Course Now Registering

Registrations are now being taken by Bert Ezzell, Supt., Matador Public Schools for a 12-hour course in disaster survival.

"Experienced disaster workers contend," said Ezzell, "that in times of stress, often as many as half the casualties are needless. They are caused by people who do foolish, illogical things or who don't know what to do."

The course will cover basic, common-sense measures to be taken for natural and man-made calamities. It has been described as a course for "people who want to live to a ripe old age regardless of what happens."

Classes will begin Wednesday, Oct. 26, at 7:00 p. m. Remaining three class sessions will be held Thursday, Oct. 27, Wednesday, Nov. 2 and Friday, Nov. 4.

Persons wishing to enroll should contact Ezzell, Phone 179.

Annual CROP Drive Will be Held Here

The annual drive for the Christian Rural Overseas Program will be held Sunday night, Oct. 30 it was announced recently. Youths of all the churches in the community are asked to meet at the Methodist Church at 8:00 on Sunday evening.

Trick-or-Treat for CROP is a project of the Methodist Youth Fellowship, but is an interdenominational affair. In past years young people of the other churches have cooperated in the drive.

Any amount of a contribution will be accepted. The funds go for milk for the underprivileged of other lands. Each dollar collected is matched by 20 dollars from the government.

CROP Trick-or-Treaters will be identified by special badges. Residents who have contributions to make are asked to leave porch lights on between 8:00 and 9:30 Sunday evening, October 30.

AT FATHER'S BEDSIDE

Mr. and Mrs. Jack Simpson drove to Odessa, Monday to the bedside of her father, L. B. Fulfer, who was critically ill. Word was received late yesterday that Mr. Fulfer died at 11:20 Wednesday and that funeral services will be held at 3 p. m. Friday at Novice. The body is at Stephens Funeral Home, Coleman.

MEETING RE-SCHEDULED

A meeting has been set for Tuesday, Oct. 25 for the purpose of explaining to cattle owners of the county, necessary preparations for the brucellosis (Bangs) testing which is due to start by November 1. The meeting was originally scheduled for Oct. 20. Speakers for the program will be Dr. James Henderson and Dr. J. T. Vance, employees of the Texas Animal Health Commission. All cattle owners are urged to attend the meeting, which will be held in the District Courtroom, starting at 7:30 p. m.

Everyone is invited.

EXCESSIVE MOISTURE CEMETERY PROBLEM

Recent heavy and continued rains have created a problem at East Mound Cemetery. The penetrating moisture has caused over 60 graves to "sink" and require immediate filling, according to an official of the East Mound Cemetery Association.

Residents with loved ones buried in East Mound are urged to check the grave sites, in order to fill in soil, if required. The association does not at present have a full time caretaker.

A public meeting of the Cemetery Association has been set for Fri. (Oct. 21) at 4 p. m. it was announced by President J. R. Whitworth. All officers and directors are urged to attend, and the public is also extended an urgent invitation.
