WAKE UP THE LAND OFFICE!

WOULD YOUR CONGRESSMAN **VOTE FOR GEORGE WALLACE?**

Some fine Texans are tempted to vote for the 3rd party candidate because they admire his stand and his statements on some of the major campaign issues . . .

STOP AND THINK WHAT WILL ACTUALLY HAPPEN ...

The best that Wallace supporters can hope for is enough strength to throw the election into the turmoil of a Congressional election by the House of Representatives ...

THEN WHAT HAPPENS?

The answer is certain and simple. Wallace supporters are at the mercy of Washington Politicians! Every vote for George Wallace automatically becomes a vote for **Hubert Humphrey!**

THERE IS A BETTER CHOICE ...

A vote for the NIXON AGNEW ticket is a positive vote for "change" with the definite promise that our National Affairs will take a new direction . . . the direction you want it to take!
