PRICE SEVEN CENTS

TRAIL DUST

By DOUGLAS MEADOR

The strength of character's harness is not tested unless the load is heavy and the road is uphill.

Scientists say they have discovered a mysterious object in outer space that is so great they cannot describe it. They have estimated its power as equal to a hundred billion suns. It is not probable that any man-made instrument could locate the power of God, and the probability is further diminished by the estimate's being too low.

Autumn has the girlish figure of summer, the gentle grace of maturity, the rich beauty of yellow sunlight and the voice of soft winds singing in the sky.

Trails of thrifty and industrious pioneers are often obliterated by the wheels of expensive automobiles.

Farming is about the only legalized gambling that permits the players to use their own dice.

Molley Singers Plan For Meet

Plans are well underway for the fall meeting of the Motley County Singing Convention, according to an announcement made this week by President Bruce Martin of Matador. Date for the convention is Sunday, October 21. Meeting place is established at the American Legion building here. President Martin said principal business at the meeting will be the election of new officers. Motley County Singing Convention is the oldest continuous organization in the county.

Alton Woman Hurt In Car Accident

Mrs. H. L. Yeates of Alton, was injured in an auto accident late Saturday at Vega, 65 miles south of Dalhart, only hours after she and Mr. Yeates had attended their son's wedding in Dalhart. Mr. and Mrs. Yeates were en route home when their car was in collision with another auto at the intersection of US Highways 385 and 66 at Vega. According to the Dalhart Texan, Mrs. Yeates was driving, and the impact apparently was on the side where she was sitting. Also injured in the wreck was Buddy Chambliss of Amarillo. Both he and Mrs. Yeates were treated at St. Anthony's Hospital in Amarillo. The Texan in reporting the accident, stated that Mrs. Yeates was painfully but apparently not seriously injured, according to her son, Hugh Yeates, of Muleshoe. He said she had a broken collar bone and some broken ribs. Their other son whose wedding they had attended is B. F. Yeates, County agricultural agent of Dallam County. His office Monday was attempting to reach him at a point in Mississippi, on his wedding trip.

RETURNS HOME

Marvin Patton is convalescing at his home here, from recent surgery in Taylor Hospital and Clinic in Lubbock. Mrs. Patton has been with her husband, and they returned home Saturday.

Mr. and Mrs. Furman Vinson, Super and Linda spent the week end in New Mexico in the aspen trail area.

Medical Progress Subject At Lions

Over 4½ million Americans are living today who would have had their names engraved on tombstones except for the advances made in medical science in the past 25 years. Insurance companies have figures to show that the life span has been extended 23 years.

These are some of the interesting facts expounded Tuesday by E. J. Walker Jr., district manager of Eli Lilly and Company (Lubbock office) one of the world's great pharmaceutical manufacturing firms.

He was the principal speaker at the regular luncheon meeting of the Matador Lions club held in the Methodist Church basement. He was introduced by Lion R. M. Stanley.

"Billions of dollars have been spent in medical research," Walker declared "and my own firm spent more than 20 millions last year." Walker said the percentage of successes in seeking to perfect new drugs is exceedingly small. Out of 114,000 tests, 40 were favorable. Any new pharmaceutical is tested many ways (first on animals) before it is placed on the market.

He pointed out that certain tranquilizing drugs have saved \$860 million in state taxes in reducing the number of state mental patients. Mr. Walker said his firm is presently preparing to introduce a vaccine for measles.

"These are but a few of the reasons why your prescription is the greatest bargain in the world today," he concluded.

Broom Sale Slated
Lions annual broom and mop sale has been slated for Oct. 27. It was announced by Boss Lion Mike Hoyle. He said also that the Lions Club has purchased 10 litter baskets to be placed in the Matador business section in an attempt to reduce the amount of unsightly material on the streets.

COMMUNITY CHEST CHAIRMAN NAMED

A nominating committee meeting Tuesday named a slate of officers to head the Matador Community Chest for the coming year. Tribune publisher Douglas Meador was named president. Freddie Welling, 1st vice president and Ronnie Christian 2nd vice president. Meador, in accepting the place Tuesday at the regular meeting of the Matador Lions Club, said: "The Matador Lions were the original sponsors of the Community Chest. It has been one of the outstanding projects of the club."

"In accepting the office of fund chairman (president) I will place the responsibility of a successful fund drive squarely upon the membership of this club."

Board of directors is composed of Lions Billy Wason, Bill Seale, J. E. Edwards, J. R. Whitworth, R. M. Stanley and secretary Elbert Reeves. Announcement of a plan for the fund drive will be made in the near future.

Lions Name Wason As Zone Chairman

Lion Billy Wason, immediate past president of the Matador club, has been appointed zone chairman (Region IV, Zone 2) of Dist. 2-T-1. The zone includes clubs of Quitaque, Turkey, Flomot, Roaring Springs, Matador and Paducah.

The appointment was made by Dist. 2-T-1 Governor Sam Pagan of Shamrock and was announced in the Oct. 2 issue of the Head Lion-er. Matador club publication, edited by Secretary Elbert Reeves.

Lion Wason has scheduled his first zone meeting for tonight at VFW club room, starting at 7:30. Presidents, vice-presidents and secretaries from the six clubs have been invited.

BEAUTY IN STONE and brick at the entrance of the new Methodist Church Education Building just completed. At the extreme right is shown the back of the church building. The new structure faces east on Bundy Street. Flowers will be grown in the center masonry planter.

CITY IN BUSINESS—Above picture was made Monday afternoon when the City of Matador's new "back hoe" ditch digger and loader was being tested west of the city wells. The modern hydraulic shovel and hydraulic loader are mounted on a Farmall tractor. In above photograph are Ed Jameson, City Water Superintendent Sonny Jackson, and city employee W. L. Holt. The city purchased the new equipment to extend and deepen water lines and to extend sewer lines in the more rapidly developing areas of Matador. First work was to deepen some water mains on Canon Street in north Matador, that have been freezing during extreme weather. Ditches can be as much as 12 feet in depth. Machine is also for private hire at \$15 for moving to any job and \$10 per hour for work. The equipment was sold by Matador Motor & Implement Co.

Catholic Chapel To Be Dedicated

Catholic Church property in north Matador, corner of Bundy and Hackberry Streets, Sunday will receive the blessing of Bishop John L. Morkovsky of the Amarillo Roman Catholic diocese. Time announced is 4 p.m. The mission chapel will be titled Our Lady of Guadalupe (Patroness of the Americas). After the blessing the Holy Sacrifice of the Mass will be celebrated by Father James Duddy, pastor of St. Mary's parish, Spur. After reading the gospel Bishop Morkovsky will preach. At the end of Mass he will bless and erect the 14 Stations of the Cross. Following the service a meal will be served. All are welcome.

Public To See '63 Pontiacs Friday

The public will get its first view of the 1963 Pontiacs here Friday at Matador Motor & Implement Co., local Pontiac agency. Manager Mike Hoyle says he believes the new cars offer the most attractive lines in Pontiac's history and that the new performance advancements make Pontiac the greatest value in automobile history. He extends a cordial invitation to the public to visit the agency Friday and judge the qualities of the new automobile.

Trip Described At Legion Meet

A five-weeks trip this summer which took him to Point Barrow, Alaska, was described Monday night by J. Tom Hamilton, at regular monthly meeting of Fleming Post American Legion and Auxiliary.

Following the covered dish supper, past Commander J. L. Woodruff presided, after which, Randall Whitworth introduced the program which opened with a piano solo by Mrs. Howard Traueck and duet by Mrs. Traueck and her daughter, Nancy Bond.

Of the many interesting places he visited, Mr. Hamilton declared that the massive redwood trees in Redwood National Park in California were perhaps the most impressive of all the sights.

Accompanied by a friend, V. R. Davis of Fort Worth, Mr. Hamilton went by Las Vegas, Nevada, across Death Valley to the Coast and traveled north to Seattle, where they visited the World's Fair. From here they made the trip to Alaska by plane and spent five days in Fairbanks, Nome, Kotzebue and Point Barrow.

At Point Barrow, Mr. Hamilton said, the temperature was 36 degrees, and here they experienced an all-night sun. This however, did not prevent their getting their usual night's sleep.

NEW EDUCATIONAL BUILDING IN USE

Classes were held in the new Educational Building, Sept. 30 at the Methodist Church. Furnishings for the parlor and prayer room have not been delivered. When these are installed and built-ins finished in other rooms, a formal opening and Open House will be held, according to the Rev. Roy Patterson, pastor.

Building committee was headed by Bill Moss and other members were Glen Brotherton, Furman Vinson, Duke Lipscomb, Algie Groves, C. T. Jenkins, and T. B. Edmondson.

Finance committee, with J. Tom Hamilton as chairman, included Bundy Campbell, Vance Gilbreath and Bill Pipkin. Construction was begun on April 16. Rev. Hugh Hunt of Lubbock was architect. Building superintendent was J. T. Hunt of Lubbock.

G. A. Coronation At Baptist Church

First Coronation ceremony for Girls' Auxiliary was held Sunday night at the First Baptist Church, directed by Mrs. Miller Robinson and Mrs. Ben Keltz.

Background for the impressive service featured the theme, "The Light of the World," in glittered letters forming an arc. A green globe suspended from the arc was flanked by tiered candelabra containing yellow candles reflecting G. A. colors of green, gold and white in the arrangement.

The altar area was decorated with an arrangement of yellow and white pom-poms and candles in yellow, green and white. Each girl carried a candle as she recited her part on the program in the progressive "steps" of G. A.

Janie Killingsworth received the crown as Queen, with Jim Barnhill as crown bearer and Gina Killingsworth as flower girl. Recognized as Maidens were Jeanette Day, Debra Garrison, Janice Hurt, Margaret Evans, Mary Ann Holt, Sharon Allen, Elaine Marshall and Vicky Hemby. Ladies in Waiting were Brenda Moore, Shelly Stevens, Patty Edwards, and Teresa Marshall, and Vicky Holt was recognized as Princess.

The Maidens received charm bracelets and will be given charms as they progress in the various steps in G. A. Mrs. John Stevens was organizer and accompanied Mrs. Harold Campbell who sang, "The Light of the World." Closing prayer was by Rev. Miller Robinson.

Pace Cramer of Arlington visited here the past week with his wife's parents, Mr. and Mrs. Ralph Stapleton.

Matadors Employ Plowboys 27-20

IN A GET-ACQUAINTED MEETING at Roscoe Friday night the Matador Matadors met the Class A Roscoe Plowboys for the first time. The Matadors left the Plowboys holding the reins to a 27-20 victory favoring the visitors from the north. The Plowboys were quick and made the first score when the game was about six minutes deep in the first quarter. Wingback Gary Hendricks passed 35 yards to left end Britt Paty. The play found Paty in the open, and without bothersome defenders, he simply stepped across the goal line for six points. The try for extra points was futile.

Quarterback Gary Lancaster and halfback Lloyd Martin then took charge to soon put the Matadors out in front. Lancaster took the ball inside his own right end and then later led out to Martin who ran 50 yards for the first Matador score. Kenny Barton kicked the extra point to put the Matadors in front 7-6.

Matadors To Have Weight Advantage Over Rochester

by Gary Lancaster

In their 5th meeting with the Rochester Steers here Friday night the Matadors will have a weight advantage of about 20 pounds per man in the line and 5 lbs. per man in the backfield. The Steers will be returning three starters from last year's club. They will be No. 33 McNeely, No. 44 Holcomb and No. 35 Bevel. The first two were last year's halfbacks, while Bevel started at tackle.

The Steers, running from both the balanced and "wing T" boasts some fast back and good passing. Their defense may run a 5-4, 6-3 with inside or outside linebackers, 7-box or 7-diamond. It is going to be an interesting game and the Matadors hope to make it their 4th win of the season and of the series.

On the first play Martin broke over right side of his line behind the fine blocking of Pete Davis, Mike Barton, Charles Ezzell and David Rattan, to run 79 yards untouched for another score. Barton's kick for the extra point was barely low and the score stood at 13-6.

Matadors Score Again
In the second quarter the Matadors scored again with Kenny Barton carrying the ball over from the one yard line. Try for extra points was a pass from Lancaster to his right end and was incomplete.

The Plowboys came back strong in the third quarter and reduced the Matadors' 21-6 half-time lead to 21-20, with four minutes left in the 3rd quarter. It was here the Matadors braced themselves, with Lancaster, Martin and the two Bartons doing fine work in the backfield, and with the entire line charging hard, they drove 75 yards in seven plays to bring the score to 27-20. With the wind to their backs in the 4th quarter, the Matadors outplayed the Plowboys for the victory.

Outstanding players for the Matadors other than the ones mentioned, included Tommy Green, Jack McCallie, Robert Brandon, Vaden Hays and Richard Campbell.

Rochester Here Friday

The Matadors meet the Rochester Steers here at Burleson Field Friday night at 8 p.m. in what should be one of the top interest games of the season.

The Steers defeated the Matadors last year in the regular season game but lost to the Matadors in bi-district.

Yellowjackets Stampede Elks

Elk season was open in Roaring Springs Friday night when the Roaring Springs Yellowjackets stampeded the Cotton Center visitors 38-14.

In the first quarter Don Tardy scored a touchdown over center from about four yards with fullback Ronnie Davis running the extra point.

In the second quarter Davis scored on a pass tossed by Quarterback Thacker for 18 yards, with Tardy making the extra point.

In the third quarter end John HoGland caught a 50-yd. pass tossed by Davis to score. Guard Ronnie Brown recovered an Elk fumble in the end zone for another score with Halfback Peacock running the extra point.

Tardy scored again on a 50-yard end sweep and also scored the extra point.

The Elks scored in the 4th quarter by Halfback Quintanilla, and Lowery running the extra point. The visitors' last score was also made by Quintanilla. The Yellowjackets received excellent blocking from the line at the start of the scoring spree.

Dist. Gov. Sam Pagan

Flomot Lions Host District Governor

Flomot Lions Club will host a distinguished visitor tonight when Dist. Gov. Sam Pagan of Shamrock visits the service organization.

Purpose of the visit is to assist President W. Z. Martin and Secretary Stanley Nolen, officers, directors and members on matters pertaining to Lions administration and the Lions' great program of humanitarian service.

In the automotive parts business in Shamrock and Wheeler, Lion Pagan is a member of the Shamrock club and has served all offices in the club. He was zone chairman in 1959, Deputy Dist. Gov. in 1960 and in 1961 was appointed a member of the board of directors, Panhandle Eye Bank, an office he still serves.

Lion Pagan received Shamrock's Most Outstanding Citizen award in 1959. He has served as President of the Chamber of Commerce and director of the St. Patrick's Association. He is a director in Civil Defense and chairman of the American Red Cross. He is a member of the Lutheran Church and has served his congregation in all offices outside of the pulpit.

Cowhand Injured When Horse Falls

James "Tooty" Meador was injured Friday when his horse fell on the Harold Campbell Ranch. He had roped a cow when his young horse was jerked down, catching the rider between his mount and a windmill tower. Meador was brought to Stanley Hospital where he was treated for an injured back. He was dismissed Tuesday.

Mrs. G. A. Ray returned home recently from Albuquerque, N. M. where she spent two months with her daughter and family, Mr. and Mrs. R. L. Webb.

District President Is Guest Speaker At Fall Meeting Of El Progreso Club

Members of three federated study clubs in Motley County, Thursday were given a vivid outline of club work in Texas and what it means to be a member of a federated club.

Speaker was Mrs. Grover Johnson, Wichita Falls, president of Santa Rosa District of Texas Federation of Women's Clubs, and occasion was the first meeting of the season of El Progreso Club which was organized in 1927 and federated in 1929. Hostess was Mrs. G. E. Hamilton.

Other clubs represented were the Eternas Club, Matador and the Predicta Club, Roaring Springs.

"Federation is work - it is not a social function," Mrs. Johnson declared as she enumerated various legislative actions which

IFWC has brought about. Mrs. Johnson also dwelt briefly on the importance of women, especially in the role of mothers, as she introduced the theme of her address, "A Time to Stand" with emphasis on youth.

"It is time to take a stand to clear stumbling blocks which are set for youth," Mrs. Johnson told her listeners as she described certain "smutty" magazines which are illegally sold on some newsstands.

Other "stumbling blocks" to youth contained in her message included narcotics which can be obtained by young people in almost any locality.

Offers Reform Program
Not only would Mrs. Johnson remove these obstacles, she would offer a program of reform to replace them. She would promote a renewal of patriotism and an appreciation of freedom in all young people over the nation.

She would instill in them the idea that work is honorable, and erase the "something for nothing" attitude which has been prevalent for too many years, and to which the people of the nation have become so accustomed.

Achievement awards, Mrs. Johnson believes, are always an incentive to do one's best and it is her conviction that awards should be given to academic students who never receive recognition unless participating in band or athletics.

Women's clubs could lend invaluable aid in this quarter by offering awards for outstanding work in science, history, art, journalism, etc., she pointed out.

Above all else, Mrs. Johnson, who has taught in Sunday School since she was a small girl, would urge that young people learn to evaluate spiritual issues to make decisions between right and wrong and not just "follow the crowd."

Presented By Mrs. Willie
Mrs. U. L. Willie, long-time friend of the guest of honor, presented Mrs. Johnson in a glowing eulogy of her life and her work and accomplishments in the Federation. Mrs. Johnson is an outstanding lay-woman in the Methodist Church. She has received the Governor's Saftey Award for her aid in convicting drunken drivers, and this summer received a first-place award on a national level from the General Federation of Women's Clubs, for her report as State Education Chairman.

Mrs. W. N. Pipkin, president of El Progreso Club was hostess at a luncheon honoring Mrs. Johnson, which was attended by club officers, and following the afternoon program, a tea was in progress.

The program included a solo by Mrs. W. F. Jacobs, who sang, "The Greatest of These is Love," accompanied by Mrs. Hamilton, and the closing prayer by Miss Amy Glenn. A short business session was conducted by Mrs. Pipkin to conclude the meeting. Mesdames Harry Willett, A. J. Daffern, Ben Keltz, Vance Gilbreath and Forrest Campbell served as the tea committee.

Guests included Mesdames Caldwell Smith, Joe M. Thacker and Bob Clem of the Predicta Club, Roaring Springs; Mrs. Roy Grundy and Mrs. Dean McAnally of the Eternas Club; Mrs. Joe Driessen of Wausau, Wisconsin, and Mrs. B. C. Holley of Perryton.

Members present included

Mrs. Grover Johnson - Mrs. W. N. Pipkin

Mesdames Ralph Stapleton, Fred Simpson, W. D. Lipscomb, Eldred Seigler, Leonora Luckett, A. C. Traveek Jr., W. F. McCaghren, C. P. Waybourn, D. E. Pitts, J. R. Whitworth, Frank Pohl, Frank Montgomery, Roy Patterson, Miller Robinson, Robert Darsey, M. S. Thacker, R. W. Overstreet, J. L. Woodruff, Furman Vinson, A. L. Fair, Elbert Reeves, and Douglas Meador, Miss Mary Keith, and those mentioned on the program and tea committee.

Dalhart Church Is Scene of Wedding Uniting Miss Vines And B. F. Yeates

Miss Janet Elizabeth Vines, daughter of Mr. and Mrs. W. C. Vines of Albany, became the bride of B. F. Yeates in a double ring ceremony read at 3 p.m. Saturday, September 29 in the First Baptist Church, Dalhart. The Rev. Jack Pearce, pastor, officiated.

Mr. and Mrs. H. I. Yeates of Afton are parents of the bridegroom. Mrs. Burton Phillips, organist, Wayland Etheridge of Friona and R. D. Jones and Betty Steeie both of Dalhart presented wedding music.

The bride, given in marriage by her father, wore an original gown of silk organza over taffeta. The round neckline was accented with appliques and Alencon lace re-embroidered with seed pearls and iridescents. The fitted bodice featured long petal

point sleeves. A front panel of the full pleated skirt was Alencon lace, re-embroidered with pearls and resins, forming a flowing line to the hem. The chapel train was highlighted by a double bow at the waistline falling in fly-away panels also re-embroidered with lace and jewels.

A crown of pearls centered with a white rose held her fingertip veil of illusion. She wore a pearl necklace and carried a bouquet of stephanotis centered with a white orchid atop a white lace-covered Bible.

Mrs. Kenneth Hill of Lubbock served as her sister's matron of honor.

Hugh Yeates of Muleshoe, brother of the bridegroom, was best man. Ushers were Ollie Lerner, Plainview; Jack Johnson, Lynn Harruff, Jimmy Chandler, Wayne Porter and Kenneth Reeves of Dalhart.

Candlelighters were Laura Belle Robinson and Sherry Marsh.

The reception following the ceremony, was held in the fellowship hall of the church.

For a wedding trip to points in Mississippi and Oklahoma, the bride chose an aqua blue wool suit with a matching blouse and brown accessories. She added the corsage from the bridal bouquet.

Mrs. Yeates is a graduate of Texas Tech, where she was a member of Gamma Phi Beta sorority, Mortar Board, Student Council and was listed in "Who's Who in American Colleges and Universities." She has been employed by the Texas Extension Service in Dalhart for the past three years.

Her husband is a graduate of Texas Tech, where he was a member of Alpha Zeta, Block & Bridle, Aggie Club and the Radio Association. He is the county agricultural agent in Dalhart.

After their wedding trip the couple will be at home at 613 Denver in Dalhart.

Baptists Observe WMU Anniversary

Seventy-fifth anniversary of Woman's Missionary Union, being observed by Southern Baptists this year, was featured in general meeting Tuesday morning, by women of the Matador Baptist W.M.U.

Theme of the program, held at the church, was "Laborers Together with God."

Following the "Call to prayer," by Mrs. Eddie Simms, prayer chairman, Mrs. Paul Patton, program leader, presented the introduction - Mesdames Ben Keltz, R. E. Campbell Sr., and Ed Cammack represented first, second and third "Woman of 1888" in giving, "I Remember..."

Three of today's W.M.U. members, Mrs. John Barnhill, Mrs. Odie Killingsworth and Mrs. C. D. Garrison gave sections of a part entitled, "I Know..." Summing up the program, "Out of the past into the present

and future" was presented by the First Woman of 1888 and Woman of Today.

Seventy-fifth anniversary goals were given by Mrs. James Price, W.M.S. president and the leader, Mrs. Patton, followed by remarks by Miss Amy Glenn, Jubilee chairman.

Special music was a solo, "More Love to Thee, O Christ," by Mrs. Ben Keltz.

Hobo Party Starts Predicta Club Year

Predicta Study Club of Roaring Springs began a new year with a Hobo Party Thursday night, September 20, at the home of the president, Mrs. M. S. Thacker.

The hobo theme was appropriately carried out with many colorful hobo costumes. Prizes for the most "hoboish" dress went to Mrs. R. C. Clem, first place, and Mrs. Dan Coker, second place.

Also, true to hobo fashion, a mulligan stew supper was served in the back yard.

The program for the evening was on "Federation Day" and Texas history. Each member answered roll call with interesting events from her vacation. Members present were Mesdames Lem Miller, C. L. Marshall, H. C. Smith, R. C. Clem, J. M. Thacker, Carl Tardy,

Tom Yeates, Billy Peacock, Dan Coker, M. L. McSpadden, Trust Read, Misses Freda Keahy and Lula Swim.

Their guests included Mesdames J. E. Whittington, Dick Carpenter, Max Thacker, Jim Lewis, Misses Lou Vaughn and Michelle Smith.

TO BRECKENRIDGE

Mr. and Mrs. Charlie Parker left Thursday of last week for Breckenridge to make their home after living here for over thirty years. They leave the following message for their friends here: TO MATADOR FRIENDS: We enjoyed living in Matador the past many years and we will always remember you fine people for your acts of kindness. Our address is, P.O. Box 1014, Breckenridge, Texas. Sincerely, Charlie and Mary Lou Parker.

AT DISTRICT MEETING

Rev. Roy Patterson attended a meeting of all Methodist pastors in the Plainview District held at Lockney in the First Methodist Church, Tuesday, October 2. Dr. J. E. Shewbert, District Superintendent, presided for the meeting which closed with a luncheon.

Mr. and Mrs. R. E. Campbell Sr., and her sister, Mrs. Sterling Price, who formerly lived in Hood County, attended annual reunion of Hood County former residents held Sunday in McKenzie State Park, Lubbock.

MRS. DUFF GREEN . . . at Old Settlers Reunion

Early-Day Teacher Was Paid in Gold

IT HAD BEEN A DISMAL DAY, May 12, 1900, and Miss Myra Kelly was wet, hungry, and very tired when she reached Dickens City, Texas. She would never forget the date because it was her birthday. She was 19. She had reached the end of a difficult journey from Throckmorton, where she had graduated with the Class of 1900. She had come by mail back to Seymour and reached Benjamin where she spent the night. The trip from Benjamin to Dickens (City) was made in a two-wheel cart, the last half of the trip the cart had been pulled by a mule.

It was far into the night when the cart reached the courthouse bearing the mail carrier, a single mail sack, a single piece of luggage and Miss Kelly. It had been raining all the way. Miss Kelly had worn a sailor hat, blouse and skirt and veil. The blouse and veil had faded and the rain had not helped the sailor hat.

A young cowboy met the mail cart and he was not happy. He had been branding all day on the Rob Forbis Ranch in Dickens County and he was tired. His mother, Mrs. Col. John A. Green who ran a boarding house in Dickens, had waked him to meet the school teacher who was due to arrive that night. That was the meeting of Duff Green, cowboy, and school teacher (to be) Myra Kelly.

The next day Miss Kelly went to Cottonwood school (now Afton) about 15 miles north and the trustees wanted her to start teaching summer school at once. She accepted and taught for six weeks before the beginning of the regular school term.

Rob Forbis was Miss Kelly's cousin and Duff Green worked on the Forbis Ranch. Regardless of his first impression of the girl school teacher, the cowboy managed to see her often. They were married at the Forbis Ranch December 24, 1901. Mrs. Duff Green continued to teach school for several years (seven in all). Duff Green died at Spur January 17, 1960. "He was a cowboy all his life," Mrs. Green declares.

Today—Wide-Track Pontiac '63

Obvious, isn't it, that Pontiac's come up with another beauty this year. Fresh over-and-under headlights, clean profile—but you can see that. There's a wider Wide-Track,

too, and a full line of Trophy V-6's. (That ought to be enough to make those other cars turn green.) And we haven't mentioned such happy touches as self-adjusting

brakes. So what, pray tell, could be keeping you from a new Pontiac of your own? A small suggestion. Don't run down to see one. Gallop! **Wide-Track Pontiac**

AG Boys Begin Work on Corral

By Jack Luckett
 The three agriculture classes, under the supervision of Mr. Bill Moss, have begun construction on the new corral at the new Ag Farm.
 The corral is being built to provide a place for project work for FFA boys who do not have a place to keep them. The site of operation now under way is the digging of post holes.

Grade School Chatter

By Butch Waybourn
 In grade school this past week emphasis has been placed on scientific experiments and creative hobbies.
 The eighth grade has made projects and interpreted

them psychologically by the way the lines and colors are used.

The sixth grade students had a busy week studying frog's blood and cave men.
 The fourth grade brought some of their hobbies to school to put on display. One of the best hobbies belongs to Francis Cagle who made ceramics.

The third grade made some illustrations on their summer vacation. They also learned that "esta martes" is Spanish for this Tuesday.

Lynn Cook Elected F.H.A. President

By Sue Stevens
 At their first meeting on September 26, the F.H.A. elected Faye Lynn Cook as president. Other officers include: Scott

Robbins, 1st vice president; Joyce Scaff, 2nd vice president; Mary Irwin, secretary; Carla Chambliss, treasurer; Sue Stevens, reporter; Jane Briscoe, parliamentarian; Pat Cooper, sergeant-at-arms; Judy Hart and Glenda Lynn, senior social chairmen; Betty Sanderfer, junior social chairmen; Patsy Hankins, Ruthie Lynn and Lynda Elliot, sophomore social chairmen; Joanie Barton and Sandra Sanderfer, freshmen social chairmen.

Senior Spotlight

By Ann Garnett
 The arrival of the senior picture proofs on September 25, brought a happy smile on the faces of all the seniors. The civics class was interrupted by excited examinations of the revealing proofs and decidedly surprising explanations.
 After the final decision was made and the pictures were ordered, the seniors are now hoping for an early arrival of the finished pictures.

Excitement High in Crowell Pep Rally

By Pat Cooper
 "Who Are the Matadors?" "We Are the Matadors!" was the yell that started off the P & P Rally, Friday at 11:00 in the Matador High Auditorium.

The pep club then did a new yell called the "Fancy Clap" with the cheerleaders, Jill Scaff, Jean Martin, and Lynn Cook, leading. The pep club president, Judy Hart, gave an inspiring talk to cheer the team on to victory. A series of yells were done, and Mr. Johnson gave a speech followed by the pep club yell "Have Johnson Will Coach."

Two of the senior boys, Lloyd Martin and Kenny Barton gave pep talks. The cheerleaders then asked a question, "Have You Got That Spirit?" The pep club hollered back with "Yea Man!" Following the spirited yells, the school song was sung by the students and faculty. Then the girls sang "When A Matador Boy Walks Down the Street."

Matadors Take on Rochester Steers

Friday night the Matadors take on the Rochester Steers, coached by Troy Gaunt, for the fifth time in 3 years. The series stands at 3 wins against 1 loss for Matador. The Steers, like the Matadors, have a record of win-

ning, being their foes in the last two bi-district encounters. Although the steers are supposed to be down this year, they will return some hard hitting boys. This game should feature some of the best high school football, seen at Burleson Field this year. **BEAT ROCHESTER!!!**

COUNTY AGENT PALLMEYER SAYS:

For cotton farmers thinking about defoliation, the following items should be considered. When 60% or more of the bolls are open it is safe to apply most defoliants. Desiccant applications should be made when over 60% are open under dryland conditions, and when more than 80% are open on irrigated lands. A boll that can be cut easily with a knife may be damaged by desiccants or defoliants. I have guides in my office that will show the different materials that may be used, and the rates to apply. They are free for the asking. Don't expect boll weevil control from applying defoliants. Only arsenic acid is poisonous but some weevil control may result by cutting of the feed source necessary for the weevil to overwinter. Weevils must feed on the terminal leaves for about 3 weeks before they are able to hibernate for the winter and defoliation eliminates this source of feed.

It takes only a small amount of time to prevent rust in farm machinery. Use rust preventive on soil polished parts of plows, disks or cultivators. Do not use old crankcase oil, it is usually contaminated with oxides and acids from fuel consumption and is not a good preventive. Chains that operate in dust or fertilizer are very vulnerable to rust. Remove them, rinse in kerosene, dip in oil and store in a dry place.

Four 4-H boys from Roaring Springs entered the Range Judging Contest held at Iowa Park on Sept 29, and Rogene Swim, won the 4th individual in the contest. Other boys competing were A. J. Dye, Stacey Watson, and Mike Peacock. The contest is held in connection with the Texas-Oklahoma Fair.

Visiting Sunday with Mr. and Mrs. Bob Jameson Jr. were Mr. and Mrs. Arthur Harmon of Austin. Mr. and Mrs. Bill Harmon, Greg and D'Ann of Littlefield; Mr. and Mrs. Gordon Harmon, Sandy and Kyle of Lorenzo; Harold Gordon of Idalou and Mr. and Mrs. Alfred Cooper, Pat and Kay of Whiteflat. Recent visitors were a sister and husband of Mrs. Jameson, Mr. and Mrs. Jim Gibson of Littlefield.

RECENT VISITORS

Visiting in the home of Mrs. Leonora Luckett recently, were a nephew and two nieces, Frank Roquemore of Stanton, his sister, Mrs. Melie Fields, Trent, and Mrs. Lillian Massey, Throckmorton.

FROM WISCONSIN

Mr. and Mrs. Joe Driessen of Wausau, Wisconsin visited from Tuesday until Friday with Mr. and Mrs. Vance Gilbreath. They were en route to Tuscaloosa, Alabama. The two couples met and became friends while the men were in the army.

Mr. and Mrs. D. E. Pitts spent last week end in Dallas attending a Scottish Rite Lodge Meeting. Rev. and Mrs. W. B. Vaughn visited in Big Spring Tuesday and Wednesday of last week with their son and family, Mr. and Mrs. Wayne Vaughn.

Mr. and Mrs. Leland Jenkins of Amarillo visited relatives here Sunday.

IN APPRECIATION

I would like to thank everyone for the nice cards, gifts, food and many visits during my illness and stay in the hospital. It is nice to be remembered at times such as these. May God bless each of you.

Alma Joyce Shorter

Alma Joyce Shorter Is Bride Elect of Malcolm J. Martin

Mr. and Mrs. Lewis Everett Shorter of Flomot are announcing the engagement and forthcoming marriage of their daughter, Alma Joyce, to Malcolm J. Martin, son of Mr. and Mrs. Bruce Martin of Matador. The marriage will take place Saturday, November 3, at 4:00 o'clock in the afternoon at the First Baptist Church, Flomot. An open invitation is extended to all friends of the couple and their families, to attend the wedding and the reception, which will be held in the fellowship hall of the church.

Interpretation Of Missions For WSCS

"An Interpretation of Missions" given in the form of a "tea party", was the program for the general meeting of the W.S.C.S. Tuesday evening at the Methodist Church. Mrs. Nelson McMahan, leader, introduced the role players as follows: Miss Brown, a returned missionary; Mrs. Vance Gilbreath; Mrs. Chase, a skeptical person; Mrs. Bryan Cammack; Mrs. Adams, president of a local W.S.C.S.; Mrs. Henry Ford; and Miss Dean, a teacher. Mrs. Melvin Meason. Organ prelude of "Christ for the World We Sing" and "The Morning Light is Breaking" was played by Mrs. Roy Patterson. Hymn, "Jesus Shall Reign" was led by Mrs. G. E. Hamilton; scripture reading by Mrs. Sterling Price completed the program. Refreshments of coffee, ginger bread squares, and macarons were served at the conclusion of the business meeting, to seventeen members.

Methodist Men Have Breakfast Meeting

The Methodist Men met for a breakfast meeting, Thursday morning, September 27, at 6:30. Cooks Billy Wason and Glen Brotherton served a menu of bacon, eggs, hot biscuits, jelly and coffee to approximately twenty members. J. E. McCallie brought a short devotional. The men voted to continue their meetings as breakfast meetings each month, except for the Family Night.

MANY ATTEND RITES FOR SAM WILKINSON

A large number of friends and relatives from Vernon and area, attended graveside rites here for Sam Wilkinson, on September 22. Relatives from this area who attended the funeral service held at Vernon and accompanied the body here, included Mr. and Mrs. Eddie Russell and their sons and wives, Mr. and Mrs. James Ed Russell of Dougherty and Mr. and Mrs. Gordon Russell, Hale Center; Mr. and Mrs. C. M. Barton Sr., Mr. and Mrs. C. M. Barton Jr., and Mrs. Bernice Keltz; Mr. and Mrs. Richard Berryman, Mrs. Harold Flora, and the Berryman's daughter, Mrs. O. V. Johnson of Quitaque; Mr. and Mrs. Alfred Barton and Alfred Barton Jr., and their daughter and son-in-law, Mr. and Mrs. Claud Groves of Wellington.

STANLEY HOSPITAL

Patients admitted to Stanley Hospital recently include Mrs. W. T. Patton, Mrs. John Shirley, Mrs. E. H. Gafford (readmitted), all of Matador; Eldon Martin, and R. F. Kell of Flomot; Lee Driver, Childress, D. C. Duck, Quitaque, and Hoy Lacy of Turkey.

Those dismissed recently are Miss Sue Glenn, Mrs. D. P. Keith, James Meador, all of Matador; Buster Chadwick and Murry Morrison, both of Quitaque; and J. N. Chesshir of Turkey. W. A. Tarpley of Quitaque was hospitalized overnight and treated for a fall.

Mrs. W. A. Green has been brought back from a Lubbock hospital. W. A. Green, of Jal, New Mexico, Herbert Stevens, Silverton, and Harry Carter and Mrs. W. M. Graham of Matador, are other patients.

NEW ARRIVALS

Mr. and Mrs. Jerry Noles are the proud parents of a baby girl, Beverly Jan, born September 21. The baby weighed 7 pounds and 6 ozs. The Noles' have two other

girls, Debra, 3½, and Brenda, 2. Grandparents are Mr. and Mrs. J. H. Lewis and Mr. and Mrs. W. R. Noles of Rotan.

Mr. and Mrs. W. L. Holt are parents of a baby boy, Kenny Mark, who was born September 22 and weighed 8 pounds and 9 ozs. Grandparents are E. B. Chambliss, Matador, and Mrs. W. R. Holt of Weatherford. The Hols have four other children, Vickie, Mary Ann, David and Nancy.

PIED PINIONS

By Mrs. M.

One way to appear slim is to wear garments a size larger than necessary. They will hang loosely and invariably bring forth the observation, "Aren't you losing weight?"

While this department would not dare attempt to compete with Heloise and her Hints, we did learn something very interesting this week.

Sponge your pets with tomato juice to rid them of offensive odors. This will work, we are assured, even if especially if the animal has had a brush with a pole-cat. In fact, it is about the only sure way to obliterate this particular and most offensive

scent, according to our source of information - Hazel Donovan, who obtained it from Hortense Sager while the Sagers were living here at Matador Ranch headquarters.

I have found that by placing small items such as compact, lipstick, aspirin, keys, etc. in a plastic bag, inside your purse it is less difficult to fish them out since they don't get scattered, and you can lift the bag out if necessary to locate any particular item. The idea must not be original however, since I have recently noticed someone else employing the same type of "purse arranger."

Miss Verlin Reeves relates that in kindergarten (which she teaches) one day recently Steve Stevens, just turned 6, and Jim Barnhill, 5, got in an argument over the number of sisters Steve has. They were coloring in their color books and a picture with four girls in it reminded Steve of his sisters, so he was making two of them blondes and two brunettes. Jim contended that Steve didn't have four sisters, and Miss Reeves intervened to explain that even though Sondra is married, she is still Steve's sister.

"And besides," Steve ended the argument triumphantly, "I'm a grandpa!"

VELLA REE EDWARDS PLEDGES SORORITY

FORT WORTH (Special)—Miss Vella Ree Edwards of Whiteflat has become a pledge of Kappa Delta, national social sorority, during formal fall rush activities at Texas Christian University.

More than 300 women became pledges of the ten social sororities on campus at the end of formal bidding Saturday, Sept. 15.

ARRIVAL ANNOUNCED

Mr. and Mrs. Pat Green of Plainview are announcing the arrival of a daughter, Angela Irene Saturday, September 29. BURSTING WITH NEWS... '63 MERCURYS

NEWS-MAKING ROOF FROM MONTEREY. The advantages of Monterey's distinctive styling go far beyond its beauty. This is elegance that works. See how the recessed rear window slants inward? It stays clearer in rain or snow. On hot days, it opens for breezeway ventilation. The overhanging roof shades rear seat passengers from the sun, gives more headroom, keeps glare off the rear window for better rearview visibility. More good news: a Mercury Marauder 390 V-8 is Monterey's standard engine.

SPARKLING NEW MODELS FROM METEOR. For 1963, Meteor is the hot brand. Meteor is the sparkler with a whole new line of models in the low-price field—sleek new low-to-the-road hardtops, sedans, and three new station wagons. Feel sporty? Try the racy Meteor S-33 hardtop, with individually adjustable bucket seats and a handy console. For brilliant performance to match Meteor's sparkle, a new Lightning 260 V-8 is available in every model. And you save on upkeep with Mercury service-savers.

THE LID'S OFF COMET. Now a jaunty new convertible joins Comet's all-fun line. This sleek, rakish beauty comes in two models: the Custom and the dashing S-22, with bucket seats and optional stick shift. All Comets now have a complete package of service-savers like self-adjusting brakes. And Comet still heads its class with the largest trunk, longest wheelbase, and best resale value record. See Comet's whole happy '63 line-up: convertibles, sedans, station wagons. Fun-test your favorite Comet now!

 Pvt. Roger Scaff, who has been in training at Fort Carson, Colorado, is here with his wife, the former Jerry Warren, and visiting his parents, Mr. and Mrs. Charlie Scaff. He will leave for overseas assignment at the termination of his furlough.

RETURNS TO SCHOOL
 Thirty-seven years after he entered Texas Tech, Lubbock the first year the college was in operation (1925), Vance Gilbreath again enrolled at Tech. Mr. Gilbreath is taking a course in accounting and his wife, the former Wynona Ford is studying organ under Dr. Judson Maynard, assistant professor at Tech and music director at the Second Baptist Church of Lubbock. Mr. and Mrs. Gilbreath have enrolled in night classes two nights a week.

Hay Fever Misery Well Distributed
 AUSTIN—If you are a chronic or occasional hay fever victim, you're in excellent company. One of every 20 Americans is.

While the general situation in Texas is better than some states and worse than others, the range of climate and soil conditions here probably does produce a wider-than-average assortment of trees, shrubs and grasses potentially offensive to hay fever sufferers.

Hay fever is one of the allergic diseases. Usually inherited, it is caused by inhaled substances, such as pollen, molds or insect dusts.

The abundance of pecan, oak, elm, cypress and cedar trees in Texas, and widespread Bermuda and Johnson grass, Russian thistle and sage - in addition to ragweed, serve to complicate the pollen-induced hay fever picture in this state.

The production of pollen is part of a plant's seed manufacturing process. "Pollen" is a Latin word which means "fine flour." Granules of pollen produced in the anthers, the male reproductive parts in plants. The granules are similar to sperm cells of animals in that they have the function of fertilizing the seed.

Rate Is Not Constant
 Plants do not deliver pollen into the air at a constant rate. Most plants, including ragweed, shed more heavily in the morning than in the afternoon. Since the amount of pollen released is greatly stimulated by sunlight, much more is shed on sunny days than when the weather is cloudy.

Other factors which influence the amount of pollen in the air in any given area on any given day are temperature, rainfall, wind velocity and wind direction.

WITH GRATITUDE
 To everyone who sent flowers and messages of encouragement in cards and letters, or remembered me in any way while I was in Taylor Hospital and Clinic, Lubbock, I wish to express my sincere appreciation. These tokens of your friendship will be remembered with gratitude.
