90TH YEAR

THURSDAY, FEBRUARY 19, 1987

ISSUE No. 8

LADY MATADORS CAPTURE DISTRICT TITLE

by Koree Campbell and Tanya Cummings

Motley County's victory over the Paducah Dragons secured the District Championship. In the Lady Matadors' 63-46 win over the Dragons, they had a total of 54 rebounds.

"Our girls went to Crowell knowing they had a job to do and lined up one-on-one and got the job done," according to Coach Ewing. "All players contributed as the defense kept Paducah from being able to get anything going," added Ewing.

Leigh Barton led the rebounding with 18, followed by Joely Ewing with 10. Leigh also led the Lady Matadors in the scoring with 18 points, followed

by Chandra Brown and Joely Ewing with 14 and 13 respectively.

Motley's defensive game was led by Shawna Campbell and Tanya Cummings. Koree Campbell's excellent ball handling made it difficult for the Lady Dragons to steal the ball and score, according to Coach Ewing.

Dena Renfro, Loretta Cross, Shannon Campbell, Shanna Lancaster, Regina Cruse, Yulanda Campbell and Kathy Mangram aided in the scoring and rebounding necessary to give the Lady Mats their victory.

The Lady Matadors will play Chillicothe at Childress on Tuesday the 17th for Bi-District.

MOTLEY COUNTY MATADORS WIN 2ND IN DISTRICT

by Loretta Cross and Dena Renfro

Motley County Matadors captured the second place district seat February 12th over the Guthrie Jaguars by the score of 67-48; this earned a play-off berth.

Scoring in double digits were: Jeffrey Burkes, 21; Gilbert

Hernandez, 16; David Zarate, 14; and Brandon Eddleman, 10.

David Zarate led in rebounding by grabbing 16. Burkes and Eddleman had 12 and 8 respectively.

From here the Matadors are on their way to Bi-District. They will play Chillicothe February 24th. Come out and support the Matadors.

School Board Adopts New Policy

by Barbara Jameson

The Motley County ISD Board of Trustees met Friday at 8:00 p.m. in the board room. Those attending were President Roy Hobbs; Vice President Guy Campbell; Secretary Bobby Williams; Board members Donnie Cruse, Dan Brandon, Roy G. Stephens, Randy Barton; Superintendent Ron Cummings; High School Principal Don Ewing; Elementary Principal Michael Patrick; and Newspaper Editor Barbara Jameson.

The meeting was called to order by President Roy Hobbs and he asked for the reading of the minutes by Secretary Bobby Williams. They were approved as read.

Cummings presented a policy for the use of school facilities after school hours, he had put together by combining policies from other schools. They reviewed this policy and discussed any changes that might be made. They covered every area very carefully for this policy should be beneficial for the school as well as the community, Cummings stated, "that after all, the community had elected the Board of Trustees to protect the taxpayers dollars and not allow them to be destroyed." An amendment was made and the policy was adopted. A copy may be obtained for viewing from the Superintendent's office. Any use

Continued on page 5

April 4 Election Filing Dates Near

February 18 was the last date to file for seats on the Matador City Council, according to City Secretary Nell Berryman. Those filed for re-election are L.B. Campbell, Lewis Bostick, Joe P. Smith.

March 4 is the last day to file for three positions on the City Council of Roaring Springs, according to City Secretary Odessa Mullins, no one has filed for the 3 positions.

According to Motley County ISD Superintendent Ron Cummings, no one has filed for

the two, 3 year terms for the Board of Trustees. March 4 is the deadline for filing for these terms.

Larry Hoyle, president of the Motley County Hospital Board of Directors said on Tuesday of this week, there are two terms for candidates to file by March 9. To file for Hospital Board, the candidate must hand in a petition signed by 5 qualified voters to the Hospital Board Secretary Lillie Crouch.

After the filing dates are posted, any candidate would be a write-in.

"Spirit of St. Mary" Visits in Matador

Cool, damp weather greeted observers of the "Spirit of St. Mary", a Flight for Life helicopter, here in Matador, Thursday Feb. 5 at approximately 10:50 a.m. to orientate medical and emergency personnel in the South Plains area. Due to the cloudy weather, the helicopter landed in Matador 55 minutes after take-off from Lubbock. On a clear day arrival time would be about 35 minutes.

Chief flight nurse, Bill Holland, paramedic, Randy Watkins and pilot, George Cumston explained aspects of the helicopter to the group present which included school children from Motley County ISD. The kindergarden class were singled out for special treatment when they were allowed inside the helicopter. Local Nurse Practitioner Gerry Jones and EMS members were also on hand to learn more about the emergency services.

The helicopter can respond to calls within 150 nautical miles of its sponsor, St. Mary of the Plains Hospital in Lubbock. Holland stresses that "Flight for Life" is to be used primarily to transport patients to a more advanced care facility.

FULLY EQUIPPED

The helicopter is fully equipped with all the medical emergency care equipment and drugs necessary to care for a critically ill person such as an external pacemaker for cardiac patients, immobility splints, and I.V. pump and even a neonatal isolet for premature or ill infants.

Cumston said that the two weather conditions which hamper the helicopters response were fog and icing conditions. He also said that wind is not too much of a problem. "The helicopter can fly in winds up to 72 miles per hour."

Secretary of Agriculture Defines Eligibility for CRP Program

The Secretary of Agriculture has approved new criteria for use in defining highly erodible land for the Conservation Reserve Program sign up February 9-27.

Any land that was eligible in 1986 will be eligible in 1987. That includes land that is in Land Capability Class VI, VII, or VIII, and was farmed two years between 1981 and 1985 to an annual crop or alfalfa and certain other multiyear grasses and legumes.

Cropland in Class II through V is eligible if it is eroding greater than three times the soil loss tolerance level and was farmed two or more years between 1981 and 1985.

Land in Class II through V having a predicted average annual soil loss of two times the soil loss tolerance or greater with a serious gully erosion problem is also eligible.

Another kind of land will be eligible in 1987 and it will be the only criteria used in future years. This will be highly erodible land that has both an erosion index of

8 or greater and had an erosion rate greater than that recommended by the Soil Conservation Service Field Office Technical Guide during the 1981-85 base period.

An El of 8 identifies an area of land that has the potential to erode at more than 8 times the rate at which soil can maintain continued productivity.

The February signups will be used to accept applications for both 1987 and 1988 contracts.

So here is what all this really means: if you have land that does not have an El of 8 but is eligible for CRP under the 1986 criteria, this is your last chance to offer to place land in the reserve.

Farmers who have small grain growing on their land face another dilemma. If they harvest the grain, they will not be able to place land in the CRP until 1988.

To stay eligible for farm program benefits, highly erodible land will need a conservation plan by January 1, 1990 and planned practices will need to be completed by 1995.

Matador City Council Discuss Sewer Problems

by Barbara Jameson

The Matador City Council met February 12, at the City Hall with Mayor Gary Lancaster, Councilmen L.B. Campbell, Joe Smith, Doyle Rose, Lewis Bostick, with John Briscoe absent, City Secretary Nell Berryman, and City Water Superintendent Bill Jameson.

Mayor Lancaster asked for the reading of the minutes, they were read and approved.

Gary McKay from David Todd Engineering of Abilene met with the Council to explain the sewer grant survey of the proposed streets and alleys that would be involved in the new sewer lines, and which ones would be cut if they ran out of money. He and Superintendent Jameson had driven around and discussed the sites. For the south side of town the main problem is crossing the creek and where to hook up to the existing sewer lines. The Councilmen told McKay they would meet him after the Council meeting and go with him to further discuss best proposals.

Johnny (Sonny) Jackson came to discuss the water problem at the cemetery. With the last addition getting full, they are going to open a new addition. Last year when the cemetery watered, the Barnhill and the Renfro residences could not get

any water. He stated that he and Bill Jameson had already discussed where the trouble was and how to remedy it. Jameson explained that the old line needed to be replaced. Campbell stated that years ago the city furnished the cemetery with water. When the new system was put in, the rules were changed and according to state regulations, the cemetery would be charged a fee. Jackson asked if the meter could be moved and then the water could be cut off in the cemetery during the winter and wouldn't hinder anyone else as it does now.

A discussion followed, motion was made and passed for Jameson to check into prices and get started as soon as possible to lay the new line where it was needed and to put a new fire plug in by Williams Tire and Battery.

Bills were read and approved to pay, (approximately \$4429.32). The water chemical analysis was read and a statement was made that Lubbock would pay good money to have water as good as Matador. Notices for the April 4 Election would be posted in appropriate places, according to State regulations.

ASCS Corrects Commissioners Report Regarding CRP Program

by Scotty Abbott

I would like to request that a statement made in the Motley County Tribune, Issue No. 7, dated February 12, 1987, be corrected. In the article titled, "Busy Day At Commissioners Court" it stated that ASCS manager Scotty Abbott met with Commissioners to request that the Commissioners make a recommendation to allow above the current 25% cutoff be allowed in the CRP. This is an incorrect statement.

What I presented to the Commissioners Court was this, "There is a possibility that Motley County might reach or even exceed their 25% acreage limit under the CRP Program for this sign up period if the maximum

acceptable rental rate remains the same as the three previous signups. The Conservation Reserve Program regulations limits enrollment to 25% of the cropland in our county, unless the Secretary of Agriculture determines that further enrollment will not adversely effect the economy of our county. The question that I

presented to the Commissioners Court was this, "If the maximum acceptable rental rate remains the same as the previous signups, and the acreage that bid exceeds the 25% limit for the county and falls under the maximum acceptable rental rate, would a request to exceed the limit of 25% have an adverse effect on economy of the County?"

I would like to state that in no way did I request that the Commissioners Court recommend to allow above the current 25% cutoff. I only asked for them to make a recommendation as to whether or not exceeding the 25% cutoff would cause an adverse economic effect on the county.

Printing a correction to this article would be appreciated. I know that you have done a great job of informing the people of Motley County of the events and happenings which play an active part in the lives of all residents of Motley County. Your efforts have been appreciated.

(The Tribune would like to thank Mr. Abbott for clarifying this.)

Sunday Dinner At First Baptist Church

The youth of the First Baptist Church are sponsoring a ham dinner, Sunday, February 22, after the morning worship service. All people in the area are welcome to join us in the church basement for ham,

potatoe salad, baked beans and cobbler. Take out orders will be filled. There will be no set price, but donations will be used by the youth as they attend a Ski Bible Conference during Spring Break at Glorieta, N.M.

"Son Beams"

By June Keltz

Most women and some men are vulnerable to fashionable clothing. The present trend is the "glitter look" with nailheads, jewels, conchos and beads. Denim, which was once reserved for the cowboy, has become a thing of adorned beauty for the ladies. High fashion is fun but we must not lose sight of a more important fashion that never goes out of style.

God, in His word, gave explicit instructions concerning what we must wear to please Him. When we become a new creation in Christ, we are urged to lay aside the old self and put on the new self who is being renewed to a true knowledge according to the image of the Creator. Since we are chosen of Him, we are to put on a heart of compassion, kindness, humility, gentleness, patience, and above all, love, which is the perfect bond of unity. (Col. 3: 9-14) The new self includes a renewed mind - one that dwells on the righteousness and holiness of truth.

The author of Romans tells us to lay aside the deeds of darkness which are: carousing, drunkenness, sexual promiscuity, sensuality, strife and jealousy. These are all lusts of the flesh and are to be discarded by each person as he "puts on the Lord Jesus Christ." (Rom 13: 12-14)

Peter, the Apostle, was not opposed to dresses, gold jewelry and braided hair, but he pointed out the fact that these are all external. More important to God is the internal heart with a gentle and quiet spirit. (1 Peter 3: 3-4).

More familiar to us all is the apparel which is imperative to our becoming an overcomer in our daily Christian walk. We are not fighting flesh and blood (man) but the powers of darkness and wickedness. Therefore, our weapons are not natural but spiritual - mighty through God. As we crawl into His armor each day to fight the enemy, we grid our loins with truth so that we can stand. We protect our heart with the breastplate of righteousness. Our feet are shod with the Gospel of peace so that we may walk in our covenant with the Father. The shield that extinguishes the flaming missiles of the devil is our faith in Jesus. The helmet of salvation and the sword of the spirit, which is His word, protects our minds. Praying and petitioning in the spirit brings the lost into the kingdom and brings deliverance to the "Body of Christ" (The Church). To wear this armor is to be more than conquerors through Jesus Christ who loves us.

Library Notes

by Marisue Potts

When members of the Library Board visit the Commissioner's Court with a Library report, one item the all-male court is sure to notice is how many men have checked out books. While the statistics may reveal that 56 or 98 books have been checked out to men, they do not indicate how many women have checked out books for their husbands or the exact number of men who have checked out books. Seeing the patrons that come in the library, I have been pleasantly surprised to find we have many men readers (and it wasn't the judge checking out a book 56 times as was suggested by a commissioner with tongue in-cheek). While Westerns are very popular, books on finance and investment, military conflict, and adventure also rate high on the checkout list.

Keeping statistics on who uses the library is just one of the jobs that keeps our librarian and aide busy. Not only do they keep track of the number of men patrons but those that are senior citizens and those from outside of Matador. Outlanders outnumber their town cousins library use by an impressive margin. Does that mean there is more time to read in the "country" because there is less to do, or does that indicate that because we live in the outback we checkout more books because we may be stuck there? Or just simply, the three small communities combined read more than Matadoreans?

Statistics are valuable in the reports to the commissioners, to the West Texas Library System, and the library board. They provide the data to guide the direction of the library. For instance, we have noticed a sharp decline in the number of children's books checked out, due perhaps to our irregular hours following Joan Patton's retirement from Green Thumb, or the lack of convenience to the children since they no longer come to the American Legion kitchen to eat. In the months to come we will strive to serve this segment more fully so that others will come like Whitney Jameson who fills her backpack with exciting books about history and like Roy Moreno who enjoys Algebra Arcade on the computer.

The films of the month look very interesting. This week Miss Van Eaton's fifth grade class saw the colorful Audubon's Florida

Wildlife and the informative Fight to Breathe, about enphysema. Besides their educational value to students and life-long learners, the following films promise to be entertaining to study clubs and civic groups: Community Life (about colonial Williamsburg); Japan, It's Customs and Traditions; Mexican Indian Legends (about the Toltec, Aztec, and Mayan cultures); Pioneer Trails, Indian Lore & Bird Life; and Senior Power, How to Use It (about protective counteractions senior citizens can take against criminal actions). Of interest to church study groups is Walls of Time which documents the history of Biblical translations to the new Living Bible. Parents of Teens might like to view with them "Are We Still Going to the Movies?" The children's films include one on Fat Albert, a Frisbee dog, and zoo house-keeping chores. For a \$2 rental fee, the projector and any movies may be checked out.

New Friends of the Library paying their 1987 dues are Mr. and Mrs. James Gillespie, Mr. and Mrs. Furman Vinson, and Mr. and Mrs. Tony Rose, and our first business sponsor, The Motley County Tribune.

This week's memorials include those received in the honor of Bill Pipkin from Mr. and Mrs. Clyde Williams of Granbury, Mr. and Mrs. Charlie Johnson, and Mr. and Mrs. James Stanley. Tributes to Ray Webb have been received from Mr. and Mrs. Johnson, and Mr. and Mrs. J. Don Finch. Contributions in the honor of Bruce Marrs were made by Mr. and Mrs. Charlie Johnson and Mr. and Mrs. James Stanley.

Our appreciation to the past week's volunteers, Larry Crouch, Loys Campbell, Greer Willis, and Frances Finch who gave up their time to keep the library open in the afternoon and evening hours. If our Green Thumb possibility comes to pass, we hope the volunteers will continue to give their unselfish time to the library. Many say they really enjoy being a part of the library. But perhaps Nona Williams expressed it best with her kind words included with their memorial donation:

"Congratulations upon receiving your newest grant. We were very pleased to learn the library will have a new home. Out thanks to all of you who have worked so hard in making this dream a reality. Former residents, Clyde and Nona Williams."

"If all printers were determined not to print anything 'till they were sure it would offend nobody, there would be very little printed." — Benjamin Franklin

Jo Ann's Jots & Jingles

By Jo Ann Dickson

"Tell me your name and your business."

"My name is Alice, BUT..."

"It's a stupid enough name! What does it mean?"

"Must a name mean something?" Alice asked doubtfully.

WHAT IS YOUR NAME? A good name is better than precious ointment and great riches according to the Bible. But we don't have a chance to select our own name. It is given to us at birth. Yet everyone can say what his name will stand for, and in this sense we select our own name.

Robert E. Lee was a poor man after the Civil War. He was offered a salary of \$50,000 a year by an insurance company to become its president. He was told that he would not have any work to do. All the company wanted was the use of his name. Lee refused the offer, saying that if his name was so valuable he must guard its integrity.

When Admiral Dewey was

being acclaimed throughout the country after his victory in Manila Bay over the Spanish, his son was offered \$200 a month to sign his name to a daily article which an experienced newspaper man was to write. The editor of the paper wanted to use the name of the son of the

famous naval hero for advertising purposes. Young Dewey was earning only \$20 a month on his first job. The chance to make 10 times as much was an alluring offer, but he refused to be a party to such deceit and dishonesty. He decided he would rather keep doing hard work at small wages than to be false to his father's name and lose his own self respect.

"Tell me your name and your business."

"My name is Alice, BUT..."

"It's a stupid enough name! What does it mean?"

"Must a name mean something?" Alice asked doubtfully.

Comptroller Issues Cities Tax Figures

Bob Bullock, Comptroller of Public Accounts announced the figures for city sales and use tax for the period ending 1-30-87.

Matador's net payment for the period was \$4,120 compared to \$4,108.31 received

last year indicating a 2.45% change.

The city of Roaring Springs received \$1,918.94 for this time period, compared to \$1,624.73 for last year. This showed a 8.24% change.

Special Film Series To Be Shown at Church of Christ In Childress

Making Things Right, When Things Go Wrong -- a full-color film series about problems everyone faces, will begin at the Childress Church of Christ, 210 2nd St. SE, beginning at 7:30 p.m., March 3, 1987.

These five films feature the humor and practical advice of Dr. Paul Faulkner and are based on years of counseling experience and major research studies. This excellent film series shows you why things always seem to work well for some people, while others fail at nearly everything they try. Truthfully, everyone struggles with problems related to friendships, marriage relationships, child-rearing, vocational crisis, personal ministry decisions and personal spiritual growth. **Making Things Right** is designed to be a step-by-step guide for putting a wide range of life's concerns back in order no matter how tangled things

may have become.

Dr. Faulkner heads one of four programs in Texas certified by the American Association of Marriage and Family Therapists to supervise counselor training. His first film series, **Marriage Enrichment Series**, also featuring Dr. Carl Brecheen, has been viewed by more than 3,000,000 people across the United States, Canada, Australia, New Zealand and the United Kingdom. This film was shown in Childress in early 1982, and well received.

Making Things Right is a five-part series of 35-minute presentations with titles including, "Choose a Positive Disposition," "Act Better Than You Feel," "Cut Your Line When It's Tangled," "Keep Cool, Even When You're Hot," and "Make Your Relationships Right."

This series was produced by Earl Miller, Producer of James Dobson's **Focus On The Family**.

Announcements

ANNOUNCEMENT

There will be a P.T.O. meeting, Feb. 24, 1987 at 7:00 p.m. in the School Cafeteria. A program will be given by Nova Dale Turner on the Chapter 1 program.

Roaring Springs News

By Odessa Mullins

Mr. and Mrs. Leo Garcia and her mother, Mrs. Clara Youngblood, were Plainview visitors Sunday. The three enjoyed a special lunch honoring Leo's Feb. 15 birthday as well as the couple's wedding anniversary, Feb. 14.

Lubbock where she was met in the early evening by her daughter and husband, Rev. and Mrs. Benny Goss of Littlefield, who drove her home.

Luther Moore, longtime resident of this community, had emergency surgery at Caprock Hospital in Floydada, for a tumor on his colon, Saturday morning. He was reported at newstime to have come through the surgery surprisingly well and is recuperating quite satisfactorily.

Miss Lula Swim stopped in Whitesboro to visit her longtime friend and neighbor, Emma Miller whose health seemed noticeably improved.

Mrs. Moore and their daughter Mrs. Edward Hall of Big Spring were with him for the surgery; Mrs. Moore remains in attendance.

Mr. and Mrs. John Subert of Fresno, California, visited from Wednesday until Sunday with their sister-in-law, Mrs. Lorine Osborn; Mrs. Subert is the former Anne Osborn, sister of the late Elmer Osborn.

Helen Murray and Thelma Crites are at home after weeks' absence.

Mrs. Wilma Wood of El Paso is the house guest of her sister-in-law Mrs. Lillian Thacker, also visiting and being visited by other relatives and friends. Mike Hoyle of Matador, Mrs. Thacker's brother, joined the ladies for supper Sunday night.

Miss Lula Swim left early Friday morning to spend the weekend with relatives in Plano. She was the houseguest of her cousin Christine and husband. Mr. and Mrs. Wayne McCollum and Sunday accompanied her hosts to McKinney to attend the McCollum Family Reunion at the home of Bob McCollum. All seven McCollum's and spouses were present.

Mrs. Polk Cooper has been a patient in Methodist Hospital in Lubbock, since Monday of last week. Mr. Cooper is with her.

Mrs. Vera Mitchell is at home after a two weeks visit with relatives in Albuquerque. She returned Friday by plane to

Mrs. M.G. Bethard has just returned from visiting in the home of her daughter and family, Mr. and Mrs. Samuel Swinnea, of Grand Prairie, Texas. She was there for the arrival of Kyle Randell, born the 16th of January, 1987. While there she visited in Denton with her aunt, Mrs. Wilbur Smith, and Mrs. Ophelia Davis.

Senior Citizens

by Iris Blevins

Our Mini-Bus went to Lubbock Monday with several people riding. Some had Doctor appointments.

I'm sorry I missed it. Our Friday evening games were post-poned until Saturday evening, due to Miss Laura Grundy's wedding rehearsal Friday evening. Laura, we were pleased that you chose our pretty new building for the rehearsal.

On Tuesday at 10:00 a.m., Norabelle and Bill opened the doors to our Senior Citizens Building for our regular second Tuesday Luncheon with 22 people signing the register. I felt so humbled in receiving the great sympathy card with all of you good friends names on it. Thank you from the bottom of my heart.

Saturday evening, eight people came and played 42 and reported a real good time. Lucille, I am sorry I missed getting some of your hot rolls.

It was reported that the food was even better than before. Well, it was mighty good then,

Again, we welcome our neighbor communities to come and play our games of 84, 42 and dominoes.

Thou shalt love thy neighbour as thyself: I am the Lord. (Lev. 19:18)

Card Of Thanks

It is with heart felt gratitude that we express our thanks to our friends. Each act of kindness will be remembered with love. The gifts to the Children's Home, Cemetery, Church, Library, and Heart Funds.

The food, flowers, phone calls, visits and cards are such a comfort in our time of sorrow.

Thank you,

The Bruce Marrs Family

"Thank you" are two very small words, to mean so much, when spoken from the heart. Lewis and I say Thank you so much for your concern during the illness and death of my brother, and his uncle, Thurmon Hoover. You are a great bunch of people.

REMINDER OF CLEAN UP DAY

This is to remind everyone to be at the Community Center building at 8:00 a.m., Tuesday, Feb. 24 for Clean Up Day in preparation for the Volleyball Tournament scheduled for March 5-6-7. Your help with this community project will be appreciated.

Art Green accompanied his mother, Mrs. J.C. Green, Sr. to her home in Matador, Friday from a recent illness in the home of her son, Don Green. Mrs. Green was a recent patient in the Lockney General Hospital.

L.T. Starkey of Ralls visited the weekend with his parents, Mr. and Mrs. C.W. Starkey.

Visitors Sunday in the home of Mr. and Mrs. Doyle Calvert were Mrs. Sherrilyn Cook and son, Keith and Mrs. Gwen Reed, Shae Lynn and Dustin of Lubbock.

Mr. and Mrs. Jack Starkey and Mrs. June Hale visited during the weekend in Canyon with Mr. and Mrs. Michael Starkey and children. Mr. and Mrs. Starkey continued to Amarillo and visited Mr. and Mrs. Clifton Reid and children and Mrs. Starkey's brother, Neal Moon of Fritch, a patient in High Plains Baptist Hospital following emergency surgery Tuesday night.

Volleyball Tournament To Be In Flomot, March 5, 6, 7

A volleyball tournament, sponsored by the Flomot Homecoming Association, will be held in Flomot, March 5-6-7 at the Community Center Gym. There will be brackets for men and women's teams and the entry fee will be \$18 per team at the gate. General admission is a

\$1.00 for adults and .50 for children.

Trophies will be awarded for 1st, 2nd and 3rd place in each bracket. For more information, please contact Billy Morris, 806-469-5303 or Glen Calvert, 806-469-5212.

Do Gooders Club Observes Valentines Day

Cupid's arrows were piercing hearts at the Community Center in Flomot, Tuesday, Feb. 10 at the Do Gooders' Club monthly meeting.

Hearts, flowers and the color red set the stage for the program and Valentine party. Sentimental and amusing valentines were drawn from a Valentine Box designed as a one room school house, renewing treasured memories of the past. Adding to the festival of affection, Secret Pal gifts were exchanged.

Mrs. Coy Franks was leader of the program and showed two entertaining and informative films, "Consider's Complaints" and in observance of National Heart Month, "Salt and Hypertension". The films were a courtesy of the Motley County Library.

Mrs. Wilson Barton, president, presided at a short business meeting. Mrs. Doyle Calvert, chairman of the Flomot Heart

Fund Drive the past seven years, announced that Mrs. Jerry (Sandra) Barclay is a new board member of the Motley County Heart Assn. and chairman of the 1987 Flomot Heart Fund Drive. She asked for their continued support of this worthwhile organization.

Hostesses, Mesdames D.M. Gilbert, Calvert and Franks presided at a table laid with a red and white cloth centered with a colorful silk flower arrangement intermingled with red hearts. Refreshments of assorted decorated cookies, coffee, spiced tea and red fruit punch were served.

Those attending in addition to those mentioned were Mesdames Bill D. Washington, James Monk, Clayton Bond, George Pope, Seab Washington, Jack Starkey, Wayne Hunter, L.E. Shorter, Joe Edd Helms, Junior Payne, Billy Morris, and Howard Rogers.

MRS. BRUCE SLOVER
(Laura Lynn Grundy)

Grundy - Slover Exchange Notes

The First United Methodist Church of Matador was the scene of a candlelight wedding at 7 p.m. Saturday, February 14, uniting Laura Lynn Grundy and Tommy Bruce Slover.

The bride is the daughter of Mr. and Mrs. Lyman Bundy Campbell and Mr. and Mrs. Roy Dean Grundy of Matador. Mr. and Mrs. Keith Slover of Paducah are parents of the bridegroom.

The Reverend Royce George Scott J.D. officiated at the double ring ceremony, which took place before an altar setting highlighted by a brass arch candelabra holding white tapers and centered with an arrangement of white gladiolas and carnations combined with burgundy spider mums and lepto. Two pairs of spiral candelabras flanked the altar setting, each holding white tapers. Arrangements of white gladiolas and carnations, burgundy spider mums and lepto were placed on either side of the spiral candelabras. Several baskets of greenery along the altar rail and in brass plant stands completed the setting.

The bridal aisle featured tall, brass aisle markers holding white tapers in hurricane globes. Each marker was decorated with an arrangement of greenery, springerl fern, miniature burgundy carnations and lepto.

Mrs. Debra Lisenbee of Paducah provided musical selections as guests arrived. She accompanied her husband, Tim Lisenbee, who sang "You're Something Special To Me," and "Friends."

The bride, escorted to the altar by her father, chose a traditional wedding gown, styled of white Satinessa and trimmed in Chantilly and Venise laces. Embroidered Chantilly lace edged the high neckline and the off-the-shoulder yoke of English netting, which was accented by pearl clusters. The fitted bodice, styled with a basque waistline, featured Venise lace appliques with embroidered pearls both front and back, and an overlay of the lace, accented with pearls, at the waistline. Covered buttons extended from the neckline in the back to below the waistline.

leaves centered with tiny pearl peps, and silk hydrangea sprays. Across the back were triple puffs of burgundy maline. They carried silk bouquets of white azalea blossoms and roses with burgundy lilies. White seed pearl sprays accented the bouquets.

Little Miss Kacy Slover, Guthrie, niece of the bridegroom served as flowergirl. She was attired in a floor-length, white taffeta dress with a burgundy flounce, caught in scallops and accented with burgundy ribbon. In her hair she wore a white silk flower, embellished with seed pearls. White rose petals were strewn down the bridal aisle from her white basket, trimmed with white ribbon.

Serving as best man was Jay Hurt of Guthrie. Groomsmen were Jim Slover, Guthrie, and Donnie Slover, Alpine, brothers of the bridegroom, and Ben Charles Grundy, the bride's brother.

Ushers were Mark Wason, Roaring Springs, Robert Shannon, Matador, Shannon Biddy, Paducah, and Jeff Piper, Lubbock.

The bridegroom, his attendants and ushers were attired in black western style tuxedos with vests and string ties. Each wore a white silk rose.

Masters Dayton Lynn Grundy, nephew of the bride, and Casey Carson served as ringbearers. They wore black western style tuxedos with cummerbunds and string ties. Each wore a white rose and carried white satin ring pillows.

For her daughter's wedding, Mrs. Campbell selected a rose Matte georgette chemise styled gown, fashioned with a draped bodice trimmed with a bow. Mrs. Slover, the bridegroom's mother, chose a blue Matte georgette gown with draped neckline and featuring a self rose on her belt. Their corsages were white silk orchids, accented with seed pearls.

Guests were registered in the foyer of the church by Miss Koree Campbell, at a circular table, covered with a burgundy floor-length drape, topped with a white lace overlay. An arrangement of white miniature carnations, burgundy lepto and springerl fern completed the setting.

After the wedding, Mr. and Mrs. Campbell were hosts at a reception in their home.

The bride's table was laid with a white satin floor-length cloth overlaid with a white lace cloth, caught up at the corners with greenery and bows of burgundy and dusty rose. An arrangement of burgundy silk lilies, mums, daisies and pink gypsophyllia in a brass bowl centered the table.

The bride's four-tiered white

cake, with white confectionery garlands, was arranged on a mirror. Each tier was decorated with silk catalpa orchids, fresh leather leaf greenery, and ribbons in the chosen colors. Punch, in a burgundy color was served from a brass punch bowl, and a brass tray held rose colored wedding bell mints. Serving were Mrs. Pam Francis Wilson and Paka Barton, Matador, and Mrs. Alicia Wilson Martin of Canyon.

The bridegroom's table also carried out the chosen colors with a burgundy floor-length cloth, edged with a tailored band of dusty rose. Serving the horseshoe-shaped German chocolate cake was Mrs. Cindy Johnson Riggins of Vernon. Mrs. Debbie Phillips Shannon served coffee from a brass service. Completing the table arrangement was a brass boot filled with eucalyptus, burgundy wheat and dried flowers. Adding to the rustic decor were chocolate bootshaped mints, served from a brass tray.

Mrs. Kimberly Campbell Conklin of College Station presided at the hospitality table, which was covered with a floor-length cloth of dusty rose overlaid with burgundy. Members of the house party were Mesdames Roy G. Hobbs, John Barnhill, Wade Berryman, Billy Ray Slover, Billy Wason, and Charles Gwinn.

For travel, the new Mrs. Slover donned a dusty rose belted A-line dress with pleated hemline and wore a white silk orchid corsage. After a short wedding trip the couple will be at home in Lipan, where Mr. Slover is employed by the McGehee Ranch.

Mrs. Slover is a graduate of Motley County High School and Texas Tech University, where she received her Masters degree in Special Education. Mr. Slover graduated from Paducah High School and attended Western Texas College in Snyder.

Out of town guests included the bridegroom's grandparents, Mr. and Mrs. Hubert Adams of Paducah and Mrs. Lennie Slover of Daingerfield. Other guests also were from Paducah and Guthrie, Snyder, Borger, Floydada, Amarillo, Dallas, Hubbard, Vernon, Canyon, Childress, Tahoka, Earth, Brownwood, Lamesa, Lubbock, Alpine, Abernathy, Kansas City, Mo., Stephenville and College Station.

The rehearsal dinner honoring the bridal pair was given by Mr. and Mrs. Keith Slover, parents of the bridegroom on Friday evening, Feb. 13, in the Senior Citizens Building in Matador.

Bride Is Honored With Pre-Nuptial Courtesies

Pre-nuptial courtesies in Matador honoring Mrs. Bruce Slover, the former Laura Lynn Grundy, included a tea given by Mrs. R.E. Donovan, and a brunch in the home of Mrs. Billy Wason.

Mrs. Donovan entertained Thursday afternoon, Feb. 12 at 4 o'clock, using a Valentine motif for table and mantel decorations. With tea and coffee she served ham mousse, eggplant caviar, cinnamon rolls, "Eyes of Texas" salad, marinated pineapple and assorted candies.

Guests included the honoree and her mother, Mrs. L.B. Campbell, the groom's mother, Mrs. Keith Slover, Paducah, and Mesdames Robert Darsey, Billy Wilson, Billie R. Slover, Billy Wason, Freddie Wellings, J.E. Edwards, Gale Stafford, Kenny Barton, Glenn Woodruff, Charles Johnson, John Barnhill, Ben Grundy and Ben Edwards.

Mrs. Darrell Cruse of Flomot and Mrs. Ralph Jones were hostesses with Mrs. Wason for the brunch given Saturday morning, Feb. 14. The bride's chosen colors of burgundy and dusty rose were featured in fresh flowers on the serving table, and napkins on the card tables, where guests were seated.

Apple slush juice and coffee were served with sausage scramble, jeweled asparagus and fruit salad with honey and celery dressing. Plate favors were rose potpourri sachets in lace with burgundy ribbon.

Guests, in addition to the honoree, included her mother, Mrs. L.B. Campbell, the bridegroom's mother, Mrs. Keith Slover, Paducah; Mrs. Jim Slover and Mrs. Jay Hurt, Guthrie; Mrs. Ronnie Steen, Brownwood; Miss Shonda Fulton, Lubbock; Mrs. Ben Grundy and Mrs. Roy Grundy, Matador.

Remember When

By Annie B. Cloyd
Box 22
Flomot, TX 79234

I remember when we girls wanted to learn to dance and got together and played records and kept on until we could dance pretty good. The thing was, we couldn't get the boys to try and learn any of the steps at all. So one of the boys had an older sister and she got them together and tried to teach them. Now you know how awkward some of us were while going through our teens, and some boys were pretty bad and had a hard time learning to keep time with the music.

What the boys didn't know was - we girls found out where they were practicing and peeped in the window to watch. Had they known, we sure would have been in trouble. But we all learned and had a lot of fun because our parents would let us get a bunch together and they would help us.

All this came to mind this week when I was going through some old records that brought back a lot of good memories about high school. I found some Glenn Miller records that we hadn't played in a long time. I put them on the stereo along with some Mills Brothers and a real old album of Bob Wills and the Texas Playboys and some other old ones and we

sat back and just listened and thought about old times and what fun we had. Try doing this sometime, it's great.

We found out that we can get along without the T.V. There is so much on T.V. that it isn't fit to see anyway, that sometime we just don't even turn it on. There are very few programs that we look forward to watching. Bill Cosby is one of them - we do like his family show. The Wheel of Fortune is a good Game Show.

Remember when "Funnies were funny?" We thought when Flash Gordon and Buck Rogers came out that the things they did would never happen. No body could ever do what they could do in real life... Boy, were we wrong. The so called funnies they have now are so "far out" that Flash and Buck would be left way out in the cold and forgotten about by the kids now days. With things like "Voltrons" and "Gobotts" and such things. My goodness, the crazy looking things that are on T.V. that kids call "funnies"! They have left me way behind!

What happened to "Maggie and Jiggs" and "Rosie" (their daughter) and the little tiny dog "Fifi"? Remember them? That little dog was just a little black line, sort of curved to look like a dog. To me, they were funny. There were lots more funny ones and why don't you write - let me know your favorite "funny paper comic strip" of a long time ago that aren't with us anymore.

I'll stop now and get this ready for the paper next week and be thinking of some more old times and the fun we all had when we were kids.

This is my commandment, That ye love one another, as I have loved you, that ye also love one another.

John 13:34

Greater love hath no man than this, that a man lay down his life for his friends. John 15:17

LUNCH: Stew/Vegetables, Crackers/Peanut Butter, Corn Bread, Pear Half.

Former Resident Aides Students With Computers That Know Braille

Shannon Tracy, who is blind, has had a special classroom assistant for the past year, a high-tech classroom computer system that translates his assignments into braille.

Linda Evans, a teaching aide, uses an Apple IIe computer keyboard to type in Shannon's classroom assignments, which then are either printed out in braille or transferred to the VersaBraille machine for playback at Shannon's personal convenience.

Funds for the Versa Brailer were provided through the Region VI Education Service Center in Huntsville, Evans said. She works with one other blind student at Anson Jones and a second aide works with a blind

fourth-grader at Crockett Elementary School.

Even with the VersaBrailer at hand, however, some assignments still have to be done audibly. Evans tapes those for Shannon.

Shannon has been a student in Bryan most of his school career, although he did spend two years at the Austin State School for the Blind.

"That made him more independent," Evans said.

Linda Evans is a former graduate of Roaring Springs High School and the niece of Odessa Mullins of Roaring Springs.

 Mercy means "to climb into another persons skin, look out his or her eyes, hear and feel as that person," Jesus came in human flesh and bore our sickness and hurts and is always willing to extend mercy to those who call on Him.

SCHOOL BOARD
 Continued from page 1

of these facilities must be scheduled through the Superintendent's office.

Cummings asked that the budget be amended for a speech therapist and bond changes. They voted to amend this.

Cummings passed out a list of the floor mats which need to be purchased for the school. He also suggested these be bought before the school has open house in March, and stated that the curtains for the stage had been ordered. A discussion followed. The fact that the mats were needed and the money was available, the board decided to let Cummings decide which ones needed to be purchased.

The landscaping design was displayed. This was drawn up by Karl Stevenson and James

Zabriskie, Texas Tech graduate students. After a lengthy discussion, they decided to look into different greenhouses and contractors and gave Cummings the authority to take bids and get the best prices for all this. Randy Barton said that Quail Pipe would furnish the pipe for the underground irrigation. They hope to get started on the ground work as soon as possible, so as to get the trees planted before it gets too hot.

Cummings reported that Tom Hamilton was still working on the negotiations with Butler Building Co., for the settlement on the building problems.

The board went into closed session to discuss personnel.

Mr. Cummings reported, Tuesday afternoon, that they were in closed session until 3:00 a.m. The decisions were made to renew contracts for Don Ewing and Michael Patrick and the contract for Coach Chip Hollenback was not renewed.

Obituary
Thurman Hoover

Services for Thurman W. Hoover Sr., 69, of Lubbock were held at 6 p.m. Wednesday in 78th Street and University Avenue Church of Christ with Hollis Talley, minister of Palm Street Church of Christ in Abilene, officiating.

Burial was held Thursday in Dickens Cemetery under the direction of Resthaven Funeral Home.

Hoover died at 10:20 p.m. Monday in St. Mary's Hospital after a brief illness.

He was born in Spur and moved to Lubbock in 1956 from Amarillo. He was a U.S. Army Air Corps veteran of World War II. He was a retired insurance salesman and was involved in the mercantile business in Lubbock, retiring in 1985. He married Ermal Arthur on March 13, 1942, in Dickens County. He was an elder of the 78th Street and University Avenue Church of Christ.

Survivors include his wife; three sons, Arthur David of Salem, Ore., Thurman W. Jr. of Keller and Max of Bedford; a daughter, Thurma Lou Davis of Irving; three sisters, Iris Blevins of Matador, Mattie Talley of Winters and Ruth Thomason of Spur; and 11 grandchildren. Pallbearers will be Leo Massey, Cliff Davis, Milton Daniel, Kenneth Rhoades, Clark Johnson and Lynn Alexander.

Recollections

by Duff Green

NATURE'S CHILDREN Part I

The voice of Nature's Children, both beasts, fowls, and insects disturbs the stillness of one's surroundings. Cattle bawl, goats and sheep bleat, hogs grunt or squeal, horses neigh, asses brey, dogs bark, wolves howl, cats meow, panthers scream, lions roar, turkeys gobble or cluck, roosters crow, hens cackle and sing, crows caw, eagles scream, geese honk, ducks quack, snakes hiss, insects astrigulate, and small birds chirp, whistle, and sing as they give expression to fear, terror, dread, or the joy life may bring to them.

Yet, so far as I know, earth's scavengers, the buzzard, is voiceless as the sunshine. As he wings his way over the heath or rests his flight upon some tall tree or lonely Craig. He blinks his eyes while his keen sense of smell sifts the gentle breeze for any tell-tale odors of putrid flesh to be found there. If and when found, he is on his way with gladness in his heart that is expressionless as death itself. Not even a visible added energy to the slow measured flap of his wings as they bore him unerringly to the carrion sought by means of scent, so far as any one can tell.

Back in the days when the way-farers more often rode alone, so far as human association was concerned, one

might and often did, observe buzzards circling the ether's blue. It invariably meant but one thing, death in some form had recently visited some hapless creature in the near vicinity. If not burdensomely pressed for time, one usually reined his horse in that direction for a closer inspection. Not with any special sense of fear or dread, yet with a bit of uncertainty too. For one never knew exactly what might meet his view. The chances were about a million to one, a rabbit, a snake, or some other wild creature that had met his Waterloo. Yet, that one chance existed and one made it his business to find out. Some things we learn from observations and some things we never learn at all.

Why the buzzard seems voiceless, or never uses his voice if he has one, is a mystery to me. No song of joy, and no expression of dread ever passes from him. Just a dumb, stoical, expressionless existence was allotted him, and he seems reconciled and content with it all. Seemingly understands that he is an exile in the land of his birth, shunned and detested by the fowls of the air and that the hand of every man is turned against him. Created a vulture by nature and a vulture he remains with never a murmur of complaint.

Because of it's nature in general, wine is a mocker and beer a brawler; whoever is led astray by them is not wise. Prov. 20:1

"LEGAL NOTICE" LOCAL INVITATION TO BID ON HIGHWAY MOWING MARCH 5, 1987

Sealed proposals for four separate mowing contracts in Donley/Briscoe, Hardeman/Hall/Hardeman/Cottle, Hardeman/Foard-King, and Knox/King Counties will be received at the State Department of Highways and Public Transportation District Office at 1700 Ave. F, NW, Childress, Texas 79201, March 5, 1987 at the time indicated below for each Contract.

Contract No. 257XXM1006 thru 257XXM1010 will be one (1) year contracts. Proposals, plans and specifications for the above contracts may be obtained at the Department Office of the following Roadway Maintenance Supervisors: Joe B. Hall, Shamrock; Donald R. Fowler, Wellington; Clay R. Jameson, Matador; Brice P. Lindsey, Dickens; Kenneth W. Young, Paducah; or the District Office in Childress.

Proposals will not be consolidated for bidding purposes. Bidders must submit individual bids for any of the above separate highway mowing contracts.

A PRE-BID CONFERENCE WILL BE HELD WITH MR. LEWIS H. WHITE, DISTRICT ENGINEER, AT THE DISTRICT OFFICE IN CHILDRESS, TEXAS AT 10:00 A.M., FEBRUARY 27, 1987. PERSONS INTERESTED IN BIDDING ON ANY OF THE CONTRACTS SHOULD ATTEND THIS PRE-BID CONFERENCE.

THE STATE DEPARTMENT OF HIGHWAYS AND PUBLIC TRANSPORTATION, IN ACCORDANCE WITH THE PROVISIONS OF TITLE VI OF THE CIVIL RIGHTS ACT OF 1964 (78 STAT. 252) AND THE REGULATIONS OF THE U.S. DEPARTMENT OF TRANSPORTATION (15C.F.R. PART 8), ISSUED PURSUANT TO SUCH ACT, HEREBY NOTIFIES ALL BIDDERS THAT IT WILL AFFIRMATIVELY INSURE THAT THE CONTRACT ENTERED INTO PURSUANT TO THIS ADVERTISEMENT WILL BE AWARDED TO THE LOWEST RESPONSIBLE BIDDER WITHOUT DISCRIMINATION ON THE GROUND OF RACE, COLOR, OR NATIONAL ORIGIN.

OKLAUNION

STILL OUR BEST CHOICE!

WTU's new power station will soon be on line! The Oklaunion Power Station near Vernon, Texas, will be WTU's first coal-powered plant.

A coal-powered plant was our best option back in the 70's when WTU first began planning for a new power station. At that time a new federal law known as the Fuel Use Act prohibited the use of oil or gas as boiler fuel for new utility plants.

Coal is still our best choice, especially over the long haul. The unlimited supply of clean-burning coal means more stable fuel prices and a continued reliable supply of electric energy for WTU customers.

Coal Delivery at Oklaunion

We're happy the Oklaunion Power Station is coming on line! It will be good for our Company and good for our customers!

And now abideth faith, hope, love, these three; but the greatest of these is love. 1 Cor. 13:13

ELECTION SCHOOL

The city of Paducah, along with the school and county are sponsoring an election school through the office of the Secretary of State. Those attending this school will receive a certificate of training from the Secretary of State, this will enable you to help with elections where schooling is required. The school date is March 26, 1987 at 7:00 p.m. at the Paducah School Auditorium, the school will last about 1 1/2 hours. Anyone interested, contact the Motley County Clerk at 347-2621.

For we are God's workmanship, created in Christ Jesus to do good works, which God prepared in advance for us to do. Eph. 2:10

Please bring your yellow commodity card, a box and someone to help you carry your commodities.

LEGAL NOTICES

NOTICE OF EXPLANATION ON FLOOD PLAINS AND WETLANDS

City of Matador
P.O. Box 367
Matador, Texas 79244
806/347-2255

TO ALL INTERESTED AGENCIES, GROUPS AND PERSONS:

The City Matador, Texas, intends to undertake a sewer line improvement program for residences along the following locations:

White Street, Alley Newlin/Canon to Canon; Willow Street, Alley Newlin/Canon to South of Hackberry Ave.

This project is required to provide sanitary sewer improvements to an area currently unserved by such public facilities. This project is located in the 100 year flood plain. The proposed improvements will conform to applicable State and local flood plain protection standards.

Proposed sewer improvements cannot be undertaken in any other location as the topography is such that the residences could not be served by the present system without replacing and redesigning the system. The cost associated with such action would exceed the available program resources. Failure to provide these improvements will result in the continued deterioration and blight of a low/moderate income area of Matador. It is the City's judgement that the continued viability of this low/moderate income area outweighs consideration of Executive Order 11988 and 11990.

A more detailed description of the project and the FIRM flood maps are available for citizen review at the City Hall, Matador, Texas. Comments on these projects in relation to Executive Order 11988 will be considered until March 9, 1987.
