IN THE ROUGH by hazel

SEVERAL local golfers have enjoyed playing on the Floydada course recently — namely Laverna Price, Lucretia Grundy, Mary Meason, Catherine Bird, Becky Graham and Marvin Patton.

PLAY CONTINUES on the home course and on Thursday, Oct. 10, Tommie Newman, Erma Edwards, La Voe Thacker, Nell Clem, Jane Thacker and Hazel played for fun... and Thursday, Oct. 17, Louise Barton, Vivian Campbell, La Voe Thacker and Nell Clem were playing.

OUR COURSE has a new look due to a recent mowing — our thanks to Mr. Thacker for having the work done and to Slim Garcia for doing the mowing... so let's all get out and play these pretty days, and while the course is in good shape.

While serving as your reporter this year, I have tried (in my feeble way) to live up to the by-line that the Tribune gave me. And I do want to thank Lila and (Ben) Douglas, for all their patience and encouragement, as I am sure it hasn't always been easy for them to unscramble my notes. Also, I want to thank Mary Meason for all the help she has been — in addition to the time she has spent in trying to find me to give me the needed information. I am further indebted to all the other members for aiding me, and to the men who have supplied us with news from time to time — the success of this column depends on all of you.

Mavericks Squelch Estelline Cubs 38-0

By Tim Green
The Matador Mavericks exploded for a resounding 38-0 victory over the Estelline Cubs on Thursday night.

The Mavericks "fireworks" began in the first quarter on a fifty-yard scamper by fullback Mark Timmons, whose motto seemed to be, "Never Give Up," as he repeatedly shook off tacklers to make long runs throughout the game. After Meador's touchdown, Mark Timmons ran over the extra's Ronnie Welling tore around right end for a nineteen yard touchdown in the second period. Meador made the extra points. Larry Bostick plunged the yard a short time later for six points and Meador made the extra points to make the score 14-0 at the end of the first half.

The only tally in the third quarter was a forty-six yard scamper by Meador. Extra point failed. Meador traveled ten yards for another score in the final period. Welling made the extras.

The Timmons boys — Mark and Aaron — along with Jesse Perkins, Darrell Marshall, and Terry Keltz sparked the unyielding Maverick defense.

The Mavericks meet Turkey tonight on Burleson Field in their final game.

Campus Collections

The seniors seemed to have a contest going on last week over who could say "The rings are here!" the most. A deformed hand that seemed to pop up in everyone's face was a sign for people to notice their rings. If they didn't notice, the seniors would tell them anyway. The rings have beautiful red sets with Matador High School printed in black around the set.

The Matador Choral Club, under the direction of Mr. Ford, has begun practice. The girls are expecting and hoping for a successful year. They will participate in many contests and assembly programs, first of which will be a Christmas program.

The anxious days of waiting are over. Now the students know what to expect. Mama and Papa have been to school and have received Son's and Daughter's report cards. Conferences with the principal and teachers have had their effect on Son's getting the car and Daughter's having very many nights out a week. It looks as if there is only one thing to do — STUDY — and study is to students what work is to Maynard G. Crabbs.

... worth of expansion provides tangible evidence that this area faces **GROWTH UNLIMITED.**

Many times we have expressed our belief in the future of our service area by saying it faces growth unlimited. The huge expenditures from sources listed above are proof that our confidence has not been misplaced. In the light of such evidence of what is taking place here today, we know that the 405,000 people in our service area of 50 counties and 166 communities face a future of growth, progress and prosperity.
