68TH YEAR—No. 45

MATADOR, MOTLEY COUNTY, TEXAS, THURSDAY, JANUARY 17, 1963

PRICE SEVEN CENTS

Cold Wave Jolts Texas

FRIGID AIR swept into the Texas Panhandle late Thursday to cause the mercury to drop as much as a degree a minute for a time and result in some of the coldest weather ever recorded in the area. Lubbock had 18 degrees Sunday morning. Bob Stanley said his thermometer registered one degree below zero in Matador. Other unofficial reports were as low as 6 below zero here.

The winter storm struck Matador shortly before nightfall, as predicted by weather forecasters. In the matter of an hour the mercury had dropped from a mild 50 degrees, to below freezing, and continued to fall.

Clouds accompanied the mass of cold air and snow fell here about midnight and again early Friday. The total fall of exceedingly dry snow was about one inch. Roaring Springs reported two inches of snow. A bitter north wind drove the storm southward across Texas.

Fire in Home

Fire damaged the home of Mr. and Mrs. Frank Stafford in north Matador during the height of the storm Friday morning. Flames and smoke were pouring from the roof of the home when the fire was discovered about 11 a.m.

Cold weather caused the fire alarm to fail to function, but the telephone fire alarm system alerted members of the Matador Volunteer Fire Department. Despite trouble in starting fire trucks, the firemen braved the

Gilford Moore, on the advertising staff of the Denver City (Texas) Press was visiting here with his sister, Mrs. Louis Poteet, whose home is across the street west of the Stafford home, and made several pictures of the fire which he gave to the Tribune. (Tribune editor Douglas Meador was unaware of the fire which was blazing about two blocks from his home).

weather and soon brought the flames under control. Damage to the home and possessions was extensive, however, and may reach \$2,000 or \$3,000 Mrs. Stafford said. The fire was believed caused by a defective flue, which ignited the roof.

Water Pipes Freeze
Reports of frozen water pipes were received from almost every section of Matador. Filling stations did a "land office" business in anti-freeze, and apparel stores experienced a rush demand for "long handles" underwear.

The vicious front of the storm had passed by noon Friday but colder weather was ahead Friday and Saturday nights. Many automobiles refused to start during the blizzard.

Livestock fared well considering the sudden change in the weather, as radio and television stations gave ample warning of the storm's approach. It was necessary to chop the ice in stock water tanks, which, in most instances was four to five inches thick. Ice would have been much thicker if the earth had not been warm when the cold front arrived.

Traces of the snow were still on the ground in shaded areas yesterday afternoon.

ILL AT HOME
A. L. Calk, city nightwatchman has been ill at his home since Wednesday, after suffering a light attack. He was reported some improved late yesterday. Homer Cudd is serving temporarily in Mr. Calk's place as nightwatchman.

BANK HOLIDAY
First State Bank here will observe Saturday, January 19th, Robert E. Lee's birthday, as a bank holiday, officials declared this week. Customers are reminded to transact banking business in advance in order to avoid inconvenience.

TRAIL DUST

By DOUGLAS MEADOR

Evaluation of what is important in the basic requirement of an adjusted life, and one of the leading factors in spiritual security.

It is impossible to tell how fast a man has run by looking at the soles of his sandals, but evidence of the distance he has traveled is documented by wear.

Many great thoughts are still-born and rest in unmarked sepulchers where memories tend the cemetery of failure.

If singing commercials are able to sell merchandise and services through the mediums of radio and television, it is probable that nocturnal troubadours could do a better job at less expense.

It is not unusual to find friendships whose beginnings are obscure. On the other hand almost everyone remembers how and when a friendship was terminated.

Experience is the sedimentary nuggets that remain after life has panned the sands of time. Its value is not lessened by the brevity of the period remaining in which it can be used.

Anger is a poison which contaminates the pools of compassion in men's hearts, and leaves them maimed in the path of crushing tomorrows.

The most effective method to conceal ignorance is to listen and shake the head when asked for an opinion.

Lions, Ladies At Pampa Meet

Matador was well represented Sunday at the mid-winter conference of Dist. 2T-1 held in Pampa. Lions and Ladies attending included Boss Lion and Mrs. Mike Hoyle, Secretary and Mrs. Elbert Reeves, Zone Chairman and Mrs. Billy Wason, Lion and Mrs. Glenn Woodruff and Lion Freddie Welling.

Despite the cold weather, all Lions reported an outstanding meeting and much value gained from the trip.

Secretary Elbert Reeves' club paper, "The Head Lioner" received outstanding recognition and was frequently mentioned during the conference.

Porchlight Drive is Sponsored by Club

ETERNAS Study Club of Matador is sponsoring the March of Dimes (National Foundation) Porchlight fund campaign, it was announced this week by Mrs. Bill Seale, president.

Matador residents who will make a contribution are asked

to keep their porchlights burning between the hours of 5 and 7 p.m. Monday evening, January 21. Members of Eternas Study Club will call at homes where lights are burning to receive contributions.

In addition to aiding polio victims who must continue treatment, National Foundation has joined battle against birth defects and rheumatoid arthritis. Judge Elbert Reeves is the 1963 fund campaign chairman for Motley County.

Captain Chas. R. Keith

Charles R. Keith Has Promotion

A promotion from First Lieutenant to Captain was received last fall by Charles Robert Keith of the U. S. Marine Corps, it was learned by the Tribune last week.

The appointment was made during ceremonies in the Battalion Company's office on the Marine base at Twentynine Palms, California, on November 20 and was retroactive to October.

Major Gordon D. McPherson was assisted by Captain Keith's wife, Julia in pinning the captain insignia in place.

Captain Keith received his BS degree in Agriculture in January, 1958, and his commission as 2nd Lieutenant the same month. He went on active duty in the Marine Corps in April the same year and has served two years in Reserves. He is the son of Mr. and Mrs. Chas. Keith of Matador.

ROBINSONS ATTEND BAPTIST CONFERENCE

Rev. and Mrs. Miller Robinson attended the annual Texas Baptist Evangelism Conference this week in Dallas, Monday through Wednesday. Speakers included famed Evangelist Billy Graham, on Wednesday night.

FALLOUT SHELTER for 175 has been approved for the basement of the Motley County courthouse. The above photo shows Judge Elbert Reeves in front of the Shelter sign pointing each direction to the basement. Shelter signs are also placed on the outside of the building on east and west doors. The courthouse is the only approved shelter in the county.

Lions Trophies Are Presented

Starting with 30 year member R. E. Campbell Sr., Matador Lions presented an accumulation of trophies, membership and merit awards at the first 1963 meeting held Tuesday in the Methodist Church basement. A total of 47 members and visitors registered for the meeting.

Program sponsor Freddie Welling started with the history of the club, which received its charter September 25, 1928, with Farris Fish as President. A number of Lions cited to receive various trophies, pins and awards, were not in attendance.

Plaques for the Lions annual Christmas decoration award were presented Mrs. Freddie Welling as first place winner in the home decoration, and to Freddie Welling as manager of the West Texas Utilities Co., first place winner in the business lighting contest.

It was announced that the club would sponsor an outsiders basketball tournament February 28-March 1 for both men and women.

Lion Furman Vinson reported on the Father-Son Banquet and announced the name of chairmen on the various committees. Reports were also made on the Community Chest drive and the mid-winter conference held Sunday in Pampa. Boss Lion Mike Hoyle paid tribute to the Methodist Ladies for the excellent meal served previous to the meeting.

Pioneer Passes

A pioneer of Roaring Springs, M. L. Payne, 97, died in Wichita Falls Monday. Funeral services were held at the First Baptist Church in Wichita Falls Tuesday at 4:30 p.m.

Mr. Payne came to Roaring Springs when the town was organized in 1913 and lived there for about 10 years. He farmed south of town.

Gilford Moore of Denver City visited here last week with his sister, Mrs. Louis Poteet, who has been ill.

Open House Set for Methodist Building

Community pride and religious services will be combined Sunday in the consecration and open house scheduled for the new educational building of the First Methodist church. The building was completed and occupied early last fall.

Bishop Paul V. Galloway, of the Northwest Texas-San Antonio Area will preach at the 11 o'clock worship service. He will be accompanied by Rev. J. E. Shewbert, District Superintendent of the Plainview District, and Mrs. Shewbert, of Plainview. Rev. Roy Patterson, serving his third year as pastor, will be in charge of the service.

Bishop Paul V. Galloway

Ground was broken for the new building April 16. Hugh H. Hunt of Lubbock was the architect, with John Hunt as building superintendent.

Classes were held for the first time in the building the first Sunday in October.

The attractive modern structure contains parlor, pastor's study, prayer room, nursery, ten class rooms and five rest rooms, also kitchen unit at east end of parlor enclosed with fold-away doors. It is heated and cooled by three units which are independent of each other. The prayer room was furnished by Mr. and Mrs. Vance Gilbreath in memory of her mother, Mrs. A. W. Ford.

Public Is Invited

The public is invited to all of

the services Sunday. Open house for the building will be held following the covered dish luncheon in the church basement, with Mrs. Sterling Price in charge of arrangements.

Bill Moss was chairman of the building committee and J. Tom Hamilton was finance chairman. Algie Groves is official board chairman and was overseer of building activities.

Committee in charge of Sunday activities is composed of Furman Vinson, Duke Lipscomb, Mrs. G. E. Hamilton and J. R. Whitworth.

Miss Roberta Jameson and Mrs. Glenn Woodruff are in charge of special music.

OUTSIDE TEAMS TO PLAY HERE

Matador and Roaring Springs "Outside" women's teams have scheduled a basketball game on the Matador High School court Friday night, it was announced. The game will start at 7:30.

Matador won by a 31-26 score over Roaring Springs when they played there recently.

Everyone interested in playing with the "outsiders" are invited to do so and to participate in the tournament which has been announced for February 28-March 1.

FIREMEN BATTLE BLAZE at height of frigid storm with mercury near zero Friday morning at fire in home of Mr. and Mrs. Frank Stafford. The stubborn blaze was brought under control soon after this picture was made. —Photo by Gilford Moore of Denver City Press

WATER ON THE ROCKS—Cattle on the Birnie Ranch northwest of Matador, Sunday afternoon, had their drinking water with ice in the tub. Ranchmen over the area chopped holes in the four to six inches of ice so that livestock could obtain drinking water.

Rites Held For Mexican Child

Graveside services were held in East Mound Cemetery at 11 a.m. Monday, for Antonia Vega, nine-month old daughter of Mr. and Mrs. Celso Vega.

The child died Sunday, January 13, in Stanley Hospital, of bronchial pneumonia. She was born at Matador, April 3, 1962.

Besides the parents, she is survived by three sisters.

Rev. Roy Patterson, pastor of First Methodist Church, conducted the brief service, and burial was under the direction of Eudy Seale Funeral Home.

FROM FORT BRAGG

Pfc. Bobby Cross, who is a paratrooper stationed at Fort Bragg, South Carolina, is visiting his parents and sister, Mr. and Mrs. J. C. Cross and Sue.

Dr. R. Hartgraves Is AMWA President

The highest office a woman doctor can hold, that of President of the American Medical Women's Association is presently in the hands of a former Matador school teacher.

She is Dr. Ruth Hartgraves, obstetrician and gynecologist of Houston for the past 22 years.

Dr. Hartgraves graduated from the University of Texas, then moved to Houston to open her office. She is one of about 80 Houston women doctors.

Last week Dr. Hartgraves was in Manila, Philippines representing the AMWA at the international association meeting. She organized the Houston Branch of AMWA in 1956 and served as its first president.

(Continued on back page)

Legislator Gets Top Post for Second Time

PADUCAH, Jan. 14 — State Rep. W. S. (Bill) Healy of Paducah this week became the second lawmaker in the history of Texas to be appointed chairman of the all-important appropriations committee for the second time.

Healy was named chairman of the state appropriations committee Thursday by House Speaker Byron Hunsell to serve the 58th Legislature.

Healy was chairman of the committee in 1959 when Waggoner Carr was House speaker.

Only other person to serve as chairman of the appropriations committee for more than one term is Max Smith of San Marcos, who held the post three times.

Church and Society

El Progreso Hears Discussion On Democracy Versus Socialism

If you were living in England and needed a prescription filled, your physician would serve as pharmacist and the medicine would cost you a shilling, (approximately 25 cents in the United States.) The physician would be paid for his time and drugs, by the British government through a health insurance plan.

The plan requires all citizens to pay \$3. per week, represented by the purchase of a stamp which is placed on a card provided for this purpose. A health nurse calls on each family regularly, to see that the stamp is in place.

The insurance pays for the services of the physician, and for the medicine. It also provides funds for milk for children in the family under 16 years of age. Each couple is also allowed a stipulated amount for each child born, with the exception of the first one.

On the other hand there are not sufficient physicians to care

Shower is Courtesy For Mrs Bob Ford

A gift shower Friday night at the home of Mrs. D. L. Dameron, was a courtesy for Mrs. Bob Ford of Wichita Falls, the former Linda Rae Thompson.

Sharing hostess duties with Mrs. Dameron were Mesdames A. L. Fair, H. Blevins, W. B. Watson, John Briscoe, D. H. McGinley, Lewis McDonough, Elsworth Jones, Odis Killingsworth, Sallie McBride, H. O. Stanfield, Virgil Rattan, Jinks Wilson, J. P. Neighbors and Minnie Clifton.

Miss Neida Wilson presided at the crystal punch service.

The refreshment table was covered with white net over a blue cloth, and featured other decorations in the same colors. Centerpiece was an arrangement composed of a bride doll and umbrella encircled by styrofoam decorated with blue birds and blue satin bows and streamers. Blue candles in crystal holders were at each end. Tea cookies, mints and nuts were served with punch.

Guests called between the hours of 7 and 9 o'clock, and Mrs. Fair registered the gifts.

for the long waiting list of patients, and the remunerations which they receive do not compensate for the long hours which they work, and the salaries, which they themselves pay for assistants.

These were some of the phases of the National Health Service instigated in England fourteen years ago, included in a discussion on Democracy versus Socialism, Thursday afternoon at regular meeting of El Progreso Study Club.

The program, held at the home of Mrs. Jack McCallie, was on "Americanism" and directed by Mrs. Frank Montgomery.

Robed Participants
Participants, Mrs. Furman Vinson as Judge, Mrs. Robert Darsey presenting facts for Democracy and Mrs. Eldred Seigler for Socialism, wore black jurists robes.

Mrs. Vinson opened the discussion by reading Lincoln's "Gettysburg Address" and followed by the questions, "What is Democracy?" and "What is Socialism?" which were answered by the two speakers.

Although a native of England, Mrs. Seigler is not wholly in sympathy with the socialistic form of government and presented facts for consideration, then followed with personal observations. She has visited her homeland on three occasions since coming to the United States in 1946.

Four topics were presented for comparison: Government, Labor, Education and Medicine. Of these, the Health Service program created the most interest among the listeners.

Following the discussions, Mrs. W. F. Jacobs sang, "Our Flag," accompanied by Mrs. G. E. Hamilton. Closing prayer was by Mrs. Frank Pohl.

Others present were Mesdames A. J. Daffern, Ben Keltz, Freeman Thacker, J. L. Woodruff, Fred Simpson, Ralph Stapleton, C. P. Waybourn, J. R. Whitworth, Elbert Reeves, Leonora Luckett, A. C. Traweck Jr., W. D. Lipscomb, Douglas Meador, and R. W. Overstreet; Misses Amy Glenn, Sue Glenn and Mary Keith, and Mrs. W. N. Pipkin, president, who conducted the business session.

MRS. MORGAN BAKER

Dora Ann Young and Morgan Baker Are Wed in Recent Church Rites

Formal ceremonies held at 6 o'clock Saturday evening, December 29, united in marriage, Miss Dora Ann Young, daughter of Mrs. Henry Young of Canadian, and the late Mr. Young, and Morgan Baker, son of Mr. and Mrs. D. C. Baker of Matador.

Scene of the marriage was the First Christian Church in Canadian. The Rev. James D. Gitchell, pastor of the First Assembly of God Church, read the double-ring service before an arch of white satin and greenery accented by baskets of white mums and red carnations, and candelabra with white candles.

Pre-nuptial selections, "Because," "Indian Love Call" and "Wedding Prayer" were sung by a sextet, accompanied by Mrs. Danny Urschel, who also played traditional wedding music.

The bride was given in marriage by her brother, Lee Young. She wore a formal gown of Chantilly lace over taffeta. The fitted bodice was styled with sleeves extended to the wrist points and a scalloped boat neckline emphasized with iridescent sequins. The skirt featured a bustle back with matching lace rosettes and extended hemline with sequin trim. Her finger-tip Chantilly lace veil fell from a crown of seed pearls. She carried a colonial bouquet of white baby mums and Stephanotis centered with red carnations.

Nancy Young attended her sister as maid of honor. Her gown was of red cotton brocade and she wore matching accessories and a red carnation corsage.

D. W. Baker attended his brother as best man. Ushers were James Gitchell Jr. and Phil Ludwyck.

Following a reception held in the Fellowship Hall of the church, the couple left for a wedding trip. For traveling, Mrs. Baker chose a three-piece wool suit with black accessories. Her sister wore a corsage of red carnations.

The young couple are making their home at 533 Naida inampa. Mrs. Baker is employed by the Citizens Bank and Trust Company and Mr. Baker is employed by the Jack Grace Drilling Company.

Among out of town guests at the wedding were the parents

New Frontiers in Home Missions is Topic at WSCS

Mrs. W. F. Jacobs was program leader for the General meeting of the Woman's Society of Christian Service, Tuesday evening, January 8, at 7:30 in the Youth Department room of the Methodist Educational building. Program topic was, "New Frontiers in Home Missions."

Mrs. W. B. Vaughn opened the meeting with prayer, and the hymn, "Christ for the World we Sing" was led by Mrs. Roy Patterson with Mrs. G. E. Hamilton at the piano. Scripture readings were by Mrs. Ethel Payne and Mrs. Willie Schweitzer Russell.

Mrs. Jacobs told of changing populations and changing needs which are met by the social workers, missionaries, and deaconesses. She concluded by telling of "Spofford Home, a Ministry to Children With Special Needs," and the group sang "Tell me the Stories of Jesus."

Mrs. Fred Simpson, president, conducted a business session. Seventeen members were present.

Miss Jean Green

Miss Jean Green To Wed Don Lewis

Mr. and Mrs. Art Green of Flomot have announced the engagement and approaching marriage of their daughter, Jean, to Don Lewis, son of Mr. and Mrs. Fred Smith of Childress.

The wedding will take place Sunday, January 27, and the young couple plan to make their home in Childress.

Miss Green is a student in Flomot High School. The prospective bridegroom is a former Childress High School student.

WMU Rebecca Circle Has Study Program

Rebecca Circle of the Baptist Women's Missionary Union met Tuesday afternoon at the home of Mrs. F. B. Henderson for a Bible study program.

Mrs. J. L. Woodruff, circle chairman, presided and opening prayer was by Mrs. Vinie Keltz. First chapter of the book, "God's Psychiatry," was taught by Mrs. Eldred Seigler. The chapter was a study of the twenty-third Psalm.

Birthdays of missionaries were matched with those of circle members, and prospective members were discussed. The group sang "Blest Be the Tie That Binds," and Mrs. Woodruff gave the closing prayer.

Others present included Miss Amy Glenn, Mesdames R. E. Campbell Sr., J. D. Mounce, Clovis Murphy, and H. D. Marshall, and two visitors, Kelly Keltz, and Mrs. Puckett, a new resident here.

and sister of the bridegroom, Mr. and Mrs. D. C. Baker and Mary, of Matador.

Former Residents Honored Recently

Mr. and Mrs. Roy V. Lyons, Tulsa, Okla., who were married Jan. 1, 1913 in Matador, were honored at an open house, December 30 in observance of their golden wedding anniversary.

The reception was held at the home of Mr. and Mrs. Thomas of Tulsa.

Mr. and Mrs. Lyons are remembered by many friends here, and have been here several times in the years. Most recent visit was August when they came to attend Old Settlers and guests of Mr. and Mrs. Birefield and Mr. and Mrs. A. Day.

They moved to Haskell, 1919 and to Tulsa in 1938. He resides at 116 S. Nogales Ave. Mr. Lyons, a barber, owns a shop at 215 S. Boston Ave.

Both Mr. and Mrs. Lyons are active members of the North Avenue Baptist Church in Tulsa. He is church treasurer and deacon and his wife is president of the Women's Missionary Union. She has also been an attendant of the young men department at the church ten years.

In response to a request, instead of gifts, donations to the Lottie Moon Christmas offering for foreign missions would be appreciated, from made contributions to this offering totalling \$350.

Mr. Lyons, 74, was born in Danville, Texas on December 11. He is a member of the Haskell Masonic Lodge. Mrs. Lyons is a native of Abilene, Texas. She is past matron of the Haskell Eastern Star Chapter, past noble grand of the Haskell Rebekah Lodge.

Mr. and Mrs. Robert P. Morton of Kalamazoo, Michigan are announcing the birth of a son, Michael Robert, on January 7, at 11:18 a.m. in Bronson Methodist Hospital in Kalamazoo. He weighed eight pounds, four ounces. Grandparents of the new arrival and his sister, Pamela, 3½, are Mr. and Mrs. L. L. Lynn of Matador and Mrs. Louise Morton of Paw Paw, Michigan. Mrs. Morton is the former Joyce Lynn.

If Wide-Track is as hot as Pontiac says, why don't they put it in their Tempest?

They just did.

We can take a hint. When people are as happy with something as Pontiac owners are with Wide-Track, we're willing—nay, eager—to let everybody else in on it. That's why Tempest has a Wide-Track of its own this year. It's why you get to choose between a lively 4 and a 325-cu. in. V-8, too. We aim to please—and if we do say so, we're pretty accurate. *Optional at extra cost.

Now there are two kinds of Wide-Track cars... Pontiac and Tempest

Summary of County Agent's Work Reflects Varied Field of Activities

The following summary of work for 1962 is submitted by County Agent Bill Pallmeyer, as taken from his records for the period January 1 to December 31, 1962.

The County Agent is the local representative of the A & W College Extension Service, which is an educational branch of the USDA. Instruction includes the jobs of the workers. It is accomplished by demonstrations, meetings and news articles, with facts presented to allow people to reach a decision on their problems. County Agent work is cooperative, with the USDA, county and state determining the work to be done.

During 1962 Mr. Pallmeyer visited 270 farms, homes and businesses in the 272 working days, and 22 adult result demonstrations were carried out. He drove 16,000 miles during the year, and was out of the county part of 48 days on official business. This included taking 4-H teams to contests, judging livestock shows, and attending meetings to secure information for the people of the county.

During the year his records show 1075 office calls were made and 3050 telephone calls were placed or received by people seeking information. He prepared 148 news stories and appeared on one radio program, in addition to distributing 3295 bulletins and wrote 1471 letters.

Also during the year Mr. Pallmeyer held 195 meetings in the county, with 72 for adult and 123 for 4-H members. A total of 4233 people attended the adult meetings and 8342 attended the 4-H club meetings.

Leaders held 138 meetings to help carry out the adult and 4-H programs, with a total attendance of 1725. Agencies with which Mr. Pallmeyer worked included the ASCS, SCS, FFA, REA, Game & Fish Commission, Soil Conservation District and Vo-Ag departments.

During the year 165 days were devoted to adult work and 197 to 4-H club work. Principal items of work included field crop production and 45 days to range management. Livestock production, 35 days; Entomology, 27 days; public affairs 15 days; safety 12 days; animal health 12 days; soil conservation 12 days and soil management 12 days.

Other days were devoted to horticulture, plant disease, spraying, farm machinery, health, recreation, community development and leadership development. Program planning and organizational work required 24 days.

Programs for the county are developed through local people who serve on 4-H, livestock, field crops and building program committees. Those who are not currently helping plan and carry out the county program, are invited to offer suggestions at any time, since the program is designed to serve the people of the county, by the people of the county.

Motley 4-H Clubs Guests at Paducah

The Paducah 4-H Club entertained with a party during the holidays, with Motley County clubs as invited guests.

Those attending were Trudy Hand, Linda Parks, Karen Williams, Shirley Stafford, Kelly Hand, A. J. Dye, Tammy Cooper, Don Tardy, Bert Green and Eugene Swin, and adult leaders, Mrs. Billy Hand, Mrs. Carl Tardy, Mrs. Jax McSpadden and daughter Shelly, and Mrs. Loyd Stafford, all of Ransing Springs.

RECENT VISITORS

Visiting Mrs. W. M. Clifton recently were her daughter, Mrs. Inez Bailey of Levelland, and granddaughter Mrs. Dick Hamm and children of Plains. Mrs. Clifton accompanied Mrs. Bailey home and visited several days.

COUNTY AGENT PALLMEYER SAYS:

Several items in this feature have been delayed for two or three weeks, but because they were set into type, they are being printed for what they may be worth to Tribune readers.

During the last session of Congress important legislation relating to income tax payments was passed. Among the changes

March of Dimes Pioneers Plan To Improve Child Medical Care

Top-quality medical care, though often capable of changing the whole life prospects of infants and children with crippling disorders, is unavailable to the majority of these patients.

That is why The National Foundation-March of Dimes is pioneering with a project designed to remedy this situation by financing a network of more than 30 treatment centers across the nation for birth defects, arthritis and polio.

But fully twice this number of centers is needed because of the magnitude of the problem. This urgent need is one of the chief reasons for the current March of Dimes campaign here this month.

"No other health organization in the United States, or for that matter any even the Federal government, has attempted any such comprehensive network of special treatment centers," Emil O'Connor, president of The National Foundation-March of Dimes, said recently.

"We needed a great deal of study and thought in this project before we began in 1960 with the three pilot units patterned after our polio respiratory centers," he added. "But even with all this planning and preparation—which included medical conferences across the country—we did not foresee the full magnitude nor the urgency of the needs that these special treatment centers very soon brought to light."

Some Roadways Made

"The thoughtful and compassionate generosity of the American public has permitted the March of Dimes to make some headway in meeting the present and medical care problems posed by 250,000 infants born each year in our country with major birth defects, and the 45,000 children and adolescents crippled by some form of arthritis or rheumatic disease."

These treatment centers for birth defects, arthritis and polio, whose costs are borne directly by about 500 March of Dimes chapters as well as numerous hospitals, are staffed with more than one-half

March of Dimes-financed treatment centers in great medical institutions like these care for hundreds of afflicted children.

of the medical schools in the United States. They are located from the Atlantic to the Pacific, from the Canadian to the Mexican borders.

'Health Teams' Used

Each provides continuous and comprehensive care for patients or outpatients by specialist members of "health teams." In the case of birth defects, this would often mean a pediatrician, a pediatric neurologist, physical therapist, medical social worker, psychologist or psychiatrist, and others. Similarly, all of the special medical and other skills needed for the research study and the treatment of arthritis are included in the "health teams" at the arthritis centers sponsored by the March of Dimes.

These March of Dimes-financed centers are the setting sometimes for family dramas where emotions range from despair to jubilation. More than once have parents given up hope for their child only to find that early treatment has made it possible for their youngster to escape serious

disability or death. It is so often a matter of prompt action and expert treatment that makes the difference.

In a review of the progress in scarcely two years of these special treatment centers, Dr. William S. Clark, director of the medical department of The National Foundation-March of Dimes, reported:

The Guiding Principle

"What we have been achieving through our centers may seem breathtaking and miraculous to some people. But the underlying principle involved here is really very simple. It has been the guiding principle of The National Foundation-March of Dimes throughout its first quarter century, the antiquity of which we observe this month. It is this:

"Do something to prove that the best care can be brought out of our great medical centers and hospitals in America's doorstep in every town and village, and the American public, seeing that it can be done, will demand that it must be done. That's the March of Dimes in a nutshell."

The outlook for the year ahead indicates relatively small changes in farm product prices, production and marketing. Total net income of farm operations is expected to be near the levels of the past two years. The decline will continue in both farm population and farm numbers, thus the average per capita income of farm people from all sources and per farm income, at a record high in 1962, will continue to rise in 1963.

Present indications point to a small increase in the farm output compared with the past three years but will depend upon growing conditions and the 1963 programs dealing with acreage and production.

Livestock production is expected to continue upward but crop output is expected to change very little from levels of the past two years. A gradually expanding domestic market absorbed a record quantity of farm products in 1962, and is expected to continue in the year ahead. The high level of agricultural exports to be maintained but the long-range future is clouded by the developing policies of the European Common Market.

As for prices, little change in those for crops is seen, but the increase in livestock plus a relatively stable domestic demand could result in slightly lower prices. The prices paid for production items by farmers is expected to continue their steady rise and the cost-price squeeze will continue.

Total farm assets in the nation on Jan. 1, 1962 were up \$7.5 billion from a year earlier and \$42.1 billion from 10 years ago. They increased three per cent during the past year, due primarily to the further increase in land prices.

Farmer equities have gradually declined from \$93 per \$100 of total assets in 1962 to \$87 per \$100 of total assets in 1962, and \$86 on Jan. 1, 1963. The total debt owed by farmers and

operators on Jan. 1, 1963 will be up about 4% from a year earlier.

During the next several years the outlook is for more competition among areas and producers, more commercialization, vertical integration in agriculture and more stabilization of farm production. This will tend, however, to nationalize international conditions, technology and government programs."

GROWTH key word for 1963

The southwestern area served by General Telephone is one of the Nation's fastest growing regions.

This basic fact causes us to greet the new year with enthusiasm and eagerness.

Since we grow with the area we serve, our long range plans are designed to measure and meet the growing needs of the growing Southwest.

These plans prove our faith in the region, and back our pledge to keep pace with it.

GENERAL TELEPHONE
COMPANY OF THE SOUTHWEST

were depreciation and tax credit on certain types of assets used in farm and ranch operations as well as other businesses.

The investment credit provision is a tax credit of 7%, computed on the purchase or investment in depreciable, personal property during 1962 and thereafter. Livestock are excluded from the list of eligible items. The credit is given only for the tax-year in which the business asset is acquired and includes such items as tractors, combines, trucks, cotton harvesters and new fences.

Here is an example of how the investment credit provision works. Assume a tractor is purchased in Nov. 1962 for \$5000 with no trade-in. The useful life of the asset determines the amount of tax credit. If the tractor is set up on a life of 8 years, a full 7% of the purchase price of \$350 is credited on the tax due from the taxpayer for 1962 business operations. If the asset has a determined life of 5 years, only a third of this amount is allowed as a tax credit. Assets having a 6 or 7 year life entitles the purchaser to two-thirds of the \$350 tax credit.

Used equipment items get the tax credit too, but are reported separate from new assets. In case of trade-in, the portion of the purchase price eligible for tax credit is computed differently on new and used equipment.

Because this provision is new some taxpayers may overlook the requirement that the tax credit is compulsory on eligible assets. The basis or remaining cost for depreciation purposes must be reduced by the credit taken. If the taxpayer fails to take the credit for items purchased in 1962, he simply loses the amount involved and it cannot be recovered in future years. All farmers are urged to get a copy of the 1963 Farmers Tax Guide at my office, which will be available soon. Those who have requested this information, will be mailed a copy when the publications arrive.

Those desiring seedlings for windbreak purposes are reminded that orders must be placed by Feb. 10th. Fifteen species are available, and these were listed in my column previously. Price is \$1.50 per 100, plus the 2% sales tax. Checks must accompany orders. I have order blanks on hand that may be obtained by asking.

Some of the people are interested in outlook information, so on the following lines, I have taken information from the material supplied by John McFlaney, Extension Economist, that applies to Motley County.

"The outlook for the year ahead indicates relatively small changes in farm product prices, production and marketing. Total net income of farm operations is expected to be near the levels of the past two years. The decline will continue in both farm population and farm numbers, thus the average per capita income of farm people from all sources and per farm income, at a record high in 1962, will continue to rise in 1963.

CHEVROLET Keeps Going Great

No wonder Chevrolet is so popular with a choice like this: the luxurious Jet-smooth Chevrolet, lively low-priced Chevy II, sporty rear-engine Corvair, and two new versions of America's only all-out sports car, Corvette.

See four entirely different kinds of cars at your Chevrolet dealer's Showroom!

Courthouse Photo Book is Published

BROWNWOOD—"Courthouses of Texas," a 260-page book showing photographs of the courthouses in the 254 counties of the state has just been published here.

Photographs of all the courthouses were made over a five-year period by Clark Coursey, former Brownwood newspaper publisher, who has been editor of the monthly magazine, "County Progress," for the past 20 years. The magazine is the official publication of the County Judges and Commissioners Association of Texas.

Coursey did not keep a record of the miles traveled to snap pictures of the 254 courthouses, but said it totaled many thousands. Of the book itself, thought to be the first complete collection of courthouse pictures in the history of the state, Coursey said: "It won't be rated as a work of art, but it could be classified as a feat of perseverance."

Peace Corps Work Open in Guatemala

All persons in Motley County interested in applying for Peace Corps service in Guatemala may contact County Agent Bill Pallmeyer for details. Volunteers must be between the ages of 18 and 25, have a farm background, 4-H or FFA experience, have had experience or training in farm cooperatives, or have taken courses in agriculture or home economics in college.

Volunteers in Guatemala will not be required to demonstrate very high proficiency in any specific technical field, Pallmeyer said. They will however, try to show the Guatemalans how to triple their way of life.

TRIPLE THREAT TURNIP

A turnip weighing 3 3/4 lbs. and measuring 22 3/4 in. in circumference was brought to the Tribune two weeks ago by F. G. Vineyard. He said the turnip was raised on the Roy Hunter farm near Turkey.

Unusual feature of the large tuber was the fact that it had three well-defined sets of tops, as if three turnips had grown into one.

Many Attend Rites From Out of Town

Many relatives and friends from out of town and the county, attended final rites on Monday, Dec. 31 for Mrs. J. T. Swim at Roaring Springs. These included Rev. and Mrs. W. B. Swim, Mr. and Mrs. Blake Gooch, Jerry, Gene, Wesley and Judy of Plainview; Mr. and Mrs. S. A. Swim, Mr. and Mrs. W. M. Echols and Archie, Mr. and Mrs. Leslie Swim and Linda of Vernon; Mr. and Mrs. W. R. Alderson, Mr. and Mrs. Ray McCollom, Mr. and Mrs. Bill Wheeler and Mr. and Mrs. Earl Swim, Plano; Mr. and Mrs. Wayne McCollom, McKinney, Mr. and Mrs. Bob Alderson of Allen; Mr. and Mrs. Kenneth Miller, Nina and Mrs. Homer Alderson, Nina and Shelia, and Mr. and Mrs. Wylie Harris of Dallas; Mr. and Mrs. A. M. Echols of San Antonio; Mr. and Mrs. S. A. Swim, James and Cindy of Fort Worth; Mr. and Mrs. Cecil Swim of Norwalk, Calif.; Mr. and Mrs. Sammy Swim, Levelland;

Mr. and Mrs. Joe Robinson, Mr. and Mrs. Weldon Grant, Mr. and Mrs. Earl Van Camp and Mona, Mrs. Jimmy Van Camp, Virgil Van Camp, Mr. and Mrs. Thomas Alderson, Mrs. Beulah Underwood, and Ben, Mrs. Louis Sarrett, Tom, Elmer and Floyd Van Camp, all of Amarillo; and Mrs. Eula Van Camp of Fresno, Calif.;

Among others present were Dr. and Mrs. J. F. Hughes, and Mrs. John Green of Spur; Mrs. Ann Innis, Mr. and Mrs. S. W. Weatherall of Plainview; Mrs. Claud Fletcher and Mrs. Ralph Fletcher of Lubbock; Mr. and Mrs. R. J. Harmon, and Kim King of Quitaque; Mr. and Mrs. Chas. Hawkins, Mrs. Dean Hastings, and Mrs. George Turner of Bovina; Rev. and Mrs. W. R. Beard of Ralls; Rev. John Ferguson of Hereford;

Mr. and Mrs. Grady Webb of Sun Valley, Calif.; Mrs. Arnold Long and Mr. and Mrs. Amel Long of Petersburg; Mrs. Clyde Mitchell of Golden, Colo.;

Mr. and Mrs. Grady Lane and Jerry of Amarillo; Mrs. S. D. Hunter and John, Mr. and Mrs. Turner Hunter, Barbara and Lanny, Mr. and Mrs. David Campbell, and Mrs. W. A. Campbell of Floydada; Mr. and Mrs. Melvin Thacker, Mary Jane and Johnny of Lockney; Mr. and Mrs. W. C. King of Fort Worth; Mr. and Mrs. Claude Morrison of Millsap; Mrs. Hulen Cargile of Hobbs, N. M.; Maurice Campbell, Dimmitt, Mr. and Mrs. O. W. Frost and Larry; Mrs. Jerry Bell, Elry Davis, and Mr. and Mrs. Clyde Fox of Vernon.

Others attended from Matador, Afton and surrounding communities.

*** FLOMOT NEWS ***

By Mrs. L. B. Turner

Mr. and Mrs. A. L. Tanner of Tulla visited their daughter and family, Mr. and Mrs. Herb Martin and Kathy, New Year's Day. Other recent guests in the Martin home were Mrs. Perry Barham, Mrs. Bill Morris, Glynda, Kay and Lillie Mae Morris of Tulla and Mike Morris of Garland.

Visiting in the home of Rev. and Mrs. Jack Terrill and family briefly last week, were friends from California, Mr. and Mrs. Wade Robertson of San Lorenzo, and Mr. and Mrs. Donal Falling of Mill Valley.

Mr. and Mrs. Raymond Kendall and son, Travis returned to their home in California, Tuesday of last week after a visit with their mother and grandmother, Mrs. Lois Martin. Mrs. Martin is at home after a stay of ten days in Stanley Hospital, Matador, with bronchial pneumonia. The Kendalls had attended the funeral of his brother, Robert Kendall at Ardmore, Okla., on January 2, and visited here en route home.

Mr. and Mrs. Dick Washington of Portales, N. M. visited in the Harley Gunn home and with Mrs. Lois Martin, several days last week. Mrs. Gunn returned home last Monday after spending three weeks in the home of her daughter and family, Mr. and Mrs. Garland Francis at Silverton, while recovering from recent surgery.

Mrs. Mark Martin of Hart and her daughter, Mrs. Bob Merrell of Lone Star visited Mrs. Lois Martin, Tuesday. Other recent guests of Mrs. Martin were Mrs. Nell Yeary of Cedar Hill and Mrs. Vivian Merrell of Silverton.

BOYS CAMP OUT

On Saturday evening, January 5, a caravan was seen leaving Flomot and heading west. It consisted of several horses with riders, and a wagon pulled by a team of Shetland ponies. The wagon carried bedding, food and camping equipment and the destination was the water hole on the Van Hall ranch in the breaks country. The riders were Seab Washington, Donnie Turner, Eldon Martin, Stanley Degam and Travis Kendall of Califor-

nia. The boys left the paved road and turned south to rough country, about three miles from town. They made camp in the hills for the night and returned home Sunday evening.

(Delayed)

Mr. and Mrs. Charles Payne and daughters, Brenda and Susan, visited his mother, Mrs. Ethel Payne Friday night. Mr. and Mrs. Wayne Vaughn and family of Big Spring were visitors during the recent hol-

days, in the home of his parents, Rev. and Mrs. W. B. Vaughn, and together with another son and family, Mr. and Mrs. Marvin Vaughn and Key, were dinner guests on Christmas of the latter's daughter and son-in-law, Mr. and Mrs. Roger Kingery of Roaring Springs.

Among college students who spent the recent holidays at home was Larry Hoyle, of Texas Tech, who visited his parents, Mr. and Mrs. Mike Hoyle.

Girls Win Two Conference Tilts

By Jane Hamilton
 The Matador basketball girls clipped Estelline 38-28 and Lakeview 71-59 last week to pin down the first two conference games of the season.
 The first game was played with Estelline Friday, January 4. At the end of the first quarter Matador led by only two points, the score being 6-4. During the second quarter the Matadors lunged ahead with 18 points, making the half time score 24 to 10. The Matadors pushed their points higher in the third quarter to bring the score 38 to 18.

On the final stretch, however, Matador failed to score, while Estelline, scoring 12 points, had their most profitable quarter during the game. Though the scores closed in on the Matador team, they led 38 to 28 when the final whistle blew.

The Matadors played at Lakeview, January 7. The salty Matador team led 17 to 11 at the end of the first quarter. But Lakeview, scoring 18 points during the second quarter, tightened the margin 34 to 29 with Matador still leading. The end of the third quarter found the Matador team still ahead with a 49 to 20 score. The gap grew larger in the last quarter when Matador made 22 points. The Matadors won their second conference game 71 to 59.

The total number of points made by the forwards in both games are as follows: Jill Scaff - 67, Ann Garnett - 15, Jana Crenshaw - 22, and Joyce Scaff - 5.

Senior Spotlight

"LIMELIGHT LASSIE"

By Ann Garnett
 Mary Lena Newman was born to Mr. and Mrs. Tom Newman on September 6, 1944, in Pasadena, California. At an early age, Mary came to Matador and has resided in Matador from that time.

Mary participates in many school activities: Drum and Bugle Corps, Choral Club, volleyball, and her favorite, basketball. Academically, biology is her favorite subject.
 When not in school and in her spare moments, she likes to read her favorite book, "Ever-after," or eat steak. Mary likes to listen to Hank Thompson records, but her favorite song is "From a Jack to a King." She likes exciting movies; her favorite is "Ben Hur." Her choice of movie actress and actor are June Allyson and Paul Newman. Mary's plans after graduation are undecided.

Limelight Laddie

By Ann Garnett
 Gary Luther Lancaster was born to Mr. and Mrs. Luther Lancaster on March 18, 1945. Matador has been his home from birth.

Gary's favorite sport is football, in which he has been very active during his high school days, receiving many honors for his outstanding playing. For his non-school activities he enjoys shooting pool and dancing.

Gary enjoys reading as long as the subject deals with medicine. He lists "Not As A Stranger" as his favorite book. His fa-

vorite actor is Jimmy Stewart and actress, Kim Novak. He gives as his favorite type of movie "The Man Who Shot Liberty Valence" as an example. His appetite is whetted by the smell of pork chops cooking.

After graduating from high school at mid-term, Gary plans to attend Baylor University, major in biology, and continue on to medical school, where he hopes to fulfill his ambition of working in medical research.

NEWS at RANDOM

By Sue Stevens
 The sixth grade had a special treat last week when Abdul Quadir of Pakistan visited them.

Although a definite date has not been set for the Amateur Hour, it will be some time during the first week in March. Public School Week. The students are urged to begin preparing skits so that the Amateur Hour will be a good representation of Matador talent.

The boys Basketball District Meet is set for February 14-16 at Lakeview. The girls is set for February 21-23 at Lakeview. Because of lack of space in the gym, they couldn't be held at the same time.

All high school students are very proud to hear that term themes will soon be starting. The seniors write on Texas history; juniors, careers; sophomores, homemaking and agriculture; and the freshmen on science.

The Matador basketball teams will be scattered Tuesday, January 15. The girls travel to Petersburg, where they will play both A and B games, and the boys play Flomot here at 8:00 p.m. Also playing here will be two grade school games, both boys and girls, beginning at 6:00 p.m.

January 17, 18, and 19 is the date set for the Grade School District Basketball Tournament held at Turkey. The Matador teams have already played four of the five teams — Quitaque, Turkey, Estelline, Lakeview — that they will meet in the district play-off. The girls have defeated three of the teams, losing only to Estelline, while the boys have defeated two of the teams, losing to Estelline and Lakeview.

M.H.S. students have had their fill of tests. January 3 and 4 were spent taking six weeks tests followed by Semester Tests, which will begin this morning, January 10. Of course, we cannot forget those daily tests which keep popping up.

With the second shipment for the annual due on January 18, the Editor has been using these sunny days for taking pictures. Both boys and girls have been posing for individual basketball shots, and class officers have gathered early every morning for their "mug" shots.

Boys Lose First Conference Tilt

By Gary Campbell

The Matador Matadors won their seventh basketball game against just two defeats, as they bombarded the Lakeview Eagles 77-51 at Matador, Thursday night. The Matadors held a 34-23 halftime lead, but after the halftime the Eagles never came close to topping M.H.S.

Leading scorer for the Matadors was Tim Green with 16 points, while the scoring leader for Lakeview was Skinner, also tallying 16 points.

Also scoring for the Matadors were Richard Campbell with 14 points; Lloyd Martin with 10 points; Jack McCallie with 10 points; Charles Ezzell with 9 points; David Rattan with 7 points; Johnny Peirce with 7 points; Tommy Green with 2 points; and Gary Campbell with 2 points.

The Matador "B-Boys" won their opening game over the Lakeview Eagles in a single overtime period 31-30. Facing the Matadors in scoring was John Smith with 9 points; Dickie Garrison with 7 points; Joe Peirce with 3 points; and Roger Vinson with 2 points.

In the Matador's first district game, they were defeated by the Estelline Cubs 77-44. Scor-

ing for the Matadors were Charles Ezzell with 20 points; Tim Green with 11 points; David Rattan with 6 points; Johnny Peirce with 2 points; and Richard Campbell with 2 points.

Review of Past Semester Activity

By Scottie Robbins
 At the end of the semester it is customary for students to review the facts they have learned during the past 18 weeks, but it is more interesting to review the activities that have taken place during the same period.

Foremost in the students' minds is the regional trophy that the football boys captured by defeating Knox City. In connection with football other highlights come to mind: Judy Hart, now Renfro, being chosen Football Sweetheart; Jean Martin being elected Football Queen; Jill Jean, and Lynn doing such a bang-up job of cheerleading; Homecoming being the biggest, loudest, and best of all time, and Lloyd Martin receiving the Dayton Graham Award.

Others who have made the limelight are Patsy Hankins, FFA Sweetheart; David Rattan and Jack McCallie, co-captains for the Matadors in '63; Lynn Cook and Karen Eliot, winners at the annual FHA Style Show; and Jane Hamilton and Tommie Green, Gold Star 4-H winners.

The Drum and Bugle Corp has had an active and successful semester by appearing in five parades and placing in the two that were competitive.

Basketball is well under way with the teams already having played in two tournaments this semester. The boys placed 1st in the Lions Tournament and 2nd in the Paducah Tournament, while the girls took a second in both. The boys have a 6-1 record and the girls a 11-3 record.

Another important event of the year was the visitation of the accreditation committee which kept everyone, especially

the faculty, on its toes. But with the beginning of a new semester, the students will put behind the old and look forward to the new.

GIRLS WIN 2nd IN TOURNAY

By Jane Hamilton

The Matador basketball girls captured second place in the Paducah Invitational Tournament after being downed by Paducah

in a 41 to 34 tilt for the championship title. The Matador girls clipped Wellington and Munda in their first two games during the tournament.

In the championship game, Paducah kept the lead through the first two quarters to bring a half time score 29 to 26. Leading by only three points at the end of the third quarter, the Paducah team scraped by the Matador girls to bring the final score 41 to 34 in their favor.

How Ford spent \$100 million to give you more quality for your money

The Ford Motor Company spent \$100 million in the past two years alone to bring you a combination of quality features found in no other cars. And here's how Ford quality pays off for you... whether you drive the big Super Torque Ford, the middleweight Fairlane, or the fun-filled compact Falcon!

Superior ride and performance. For example, \$10 million was poured into the development of the Super Torque Ford's incredibly smooth new ride. Additional millions went to design 6- and 8-cylinder engines that let you choose sensational performance or sparing gas economy... all with minimum maintenance.

More care-free driving. Millions more were spent to perfect Ford's twice-a-year or 6,000-mile maintenance features... now in all Fords and Falcons*. You save time and money. Example: you roll 36,000 miles between major chassis lube!

Greater safety. Brakes adjust themselves when necessary. Roofs are reinforced. Doors have safety locks.

Added luxury. Richer, longer lasting upholstery. Carpeting that wears up to twice as long as in some cars. Improved insulation insures a quieter ride.

Smarter styling. Ford's Thunderbird-inspired lines have set the trend that the whole industry now follows!

Greater resale value. From the big, important items like specially galvanized vital underbody parts and long-life batteries... to the "tremendous trifles" such as extended-life light bulbs and stainless steel exterior screws... your Ford or Falcon will stand up better over the years. Will be worth more when time comes to trade.

And don't forget—Ford Dealers are quality dealers! We want to keep you happy after you buy... and this is your finest guarantee of value!

Wesleyan Guild Begins New Study

Roaring Springs Wesleyan Service Guild met in the home of Mrs. Clyde Williams on Wednesday night, January 9, with the president, Miss Gladys Peck in charge of the business. Opening prayer was by Mrs. J. N. Fletcher and devotional was given by Mrs. Williams.

A new study, "Rim of East Asia," was begun with an introduction by Mrs. Clyde Clifton. Mrs. A. B. Nichols gave a chapter on "The Waiting People." Freda Keahoy gave the benedic- tion.

Refreshments were served at the conclusion of the lesson. Others present were Mesdames Roy Bradford, Ruby Burt and Truitt Read and Miss Lula Swim.

IN APPRECIATION I wish to take this method of thanking all my friends and neighbors for the flowers, cards and visits while I was in the hospital, and for the food and visits since I returned home. Thanks also to the doctors and nurses.

Mrs. Chas. Brooks.

SPUR RESIDENT DIES FUNERAL HELD MONDAY Mrs. R. A. Drennon, long-time resident of Spur, and well-known in this community, died at her home Saturday at noon. Funeral services were held at 4 p.m. Monday at the First Methodist Church, Spur, and burial was in the Spur cemetery. She is survived by five daughters, Mrs. J. E. Duncan of Mead-

ow, Mrs. Thurman Morrow of spur. Mrs. Frank Ragland of Roaring Springs, Mrs. Jack Robinson of Worland, Wyo., and Mrs. George Gillis of Cone- maugh, Penn., four sons, Gus Drennon of Ralls, Luther Dren- non, Latin, Kansas, Robert Dren- non, Kermit and Paul Drennon of Irving, and two sisters, Mrs. Ethel Young of Brownfield and Mrs. Myrtle McCann of Lubbock.

Patton Springs NEWS

Mrs. Pauline Bateman has re- turned home from Spur Hospital where she was treated for bronchial pneumonia.

Rev. A. P. Stokes has been ill at his home, but is reported bet- ter. Visiting him recently were two sons and their wives, Mr. and Mrs. Rob Stokes of Weather- ford and Mr. and Mrs. Oscar Stokes of Matador.

Mr. and Mrs. Jim Galloway and children of Levelland visit- ed with the Jack Lawson, Curtis Goodwin and B. F. Burt fam- lies last week end.

Mrs. Lillis Lawson has return- ed to her home in Bakersfield, Calif., after a visit here.

Mrs. Annie Johnson is still a patient in Spur Hospital.

Mrs. L. D. Norris was in Mata- dor Wednesday, attending to her mother, Mrs. Lon Winfield, who was ill.

Ed O'Neal and Norris Pantan of Commerce were guests of the Ray Bateman last week.

Mrs. Irene Jarvis of Fort Worth has been visiting with her brothers, Theo and Dorr Blessingame.

Mr. and Mrs. R. W. Howard made a trip last week to Ard- more, Okla., where Mrs. Howard takes medical treatments.

NEW CEMETERY GATE The new gate has been erect- ed at Afton Cemetery, and the association expresses apprecia- tion to all who contributed in any way, toward this project.

Cards for 1963 dues to the asso- ciation will be in the mail soon, as announced by Mrs. B. F. Burt, secretary-treasurer.

PIED PINIONS

By Mrs. M.

There comes to the Tribune each month, a pamphlet called "Cheer." The small booklet is distributed by various corpora- tions who send it out to their customers, and it comes to us through the courtesy of E. C. Palmer & Company, Dallas. It contains among other things, mottoes, quotes from famous writers, poetry, puzzles, and jokes. Reprints from its pages are seen frequently in other publications, and sometimes without credit being given.

The January issue of Cheer opened with the following ver- se, which could be used as a guide- post for conduct this year and all the years to come:

"I'll hold my candle high, and then ... Perhaps I'll see the hearts of men ... Above the sordidness of life ... Beyond misunderstandings, strife.

"Though many deeds that oth- ers do ... Seem foolishness, and sinful, too ... Were I to take another's place ... I could not fill it with such grace.

"And who am I to criticize ... What I perceive with my dull eyes? ... I'll hold my candle high, and then ... Perhaps I'll see the hearts of men."

If you lack for inspiration for New Year's Resolutions, or do not feel the need of making any the following are sugges- tions from a Training Union quarterly:

For the habit of daily Bible reading, read Psalm 119: 30-40, key verse, 33; the habit of daily, private prayer, read Psalm 5: 1-8, key verse 3; the habit of testimony, read Psalm 107: 1-9, key verse, 2; the habit of church attendance, read, Psalm 122: 1-9, key verse, 1; the habit of gratitude, read Psalm 138: 1-8, key verse 1 (a); and for the hab- it of trust, read Psalm 146: 1-10, key verse, 5.

Flomot HD Club Meets Recently Flomot Home Demonstration Club met Tuesday, New Year's Day and made plans for the coming year. The newly elected president, Mrs. Raldo Martin presided with Mrs. Sam Ross as acting secretary.

The new year books were dis- tributed. Chairmen of commit- tees were appointed and some of the committees were com- pleted.

Roll call was answered with a favorite Bible verse or New Year's Resolution. Plans for contributions for worthwhile causes were discussed and a program committee was named.

Attending in addition to the officers, were Mesdames James Monk, Louis Gourdon, Harmon Moseley, Joe Degan, W. F. Sauls, Wade Martin, Sid McFall and J. H. George.

The club met again this week with items to be auctioned for sale, and worked out details for further monthly programs.

Whiteflat W.M.U. Has Bible Study January meeting of the White- flat Baptist Woman's Missionary Union was held Thursday, the 10th, in the home of Mrs. Stuart Dixon. The program was, "Expansion for an Enlarged Ministry" and the Bible study was, "Christ Winning a Sinful Woman."

The six members present were Mesdames L. A. Carlisle, F. M. Casey, D. E. Rattan, J. M. Jameson, Mrs. Dixon and Miss Melba Jameson.

Lubbock Assembly Held by Jehovah's Witnesses Sunday Harry A. Fetzik, district super- visor for Jehovah's Witnesses, told 731 assembled Sunday in Lubbock's Fair Park Coliseum that "a great crowd of people will survive this world's end."

V. D. Tiffin, presiding minis- ter of the Congregation at Flo- mot said, "The theme of the assembly, 'Spread the Word of Life,' was exemplified by talks, demonstrations and illustrations from the platform, and then the Witnesses put the things learned into practice from store-to-store and house-to-house, even though Lubbock had subzero weather."

The purpose of the 16-congre- gation meet was to analyze the approximately 700 reporting ministers' activity, and lay plans to eliminate existing weakness so that their activity will be brought up to national and dis- trict levels.

Mrs. C. B. Hale and Mrs. Ed Jameson of the local congrega- tion, attended the program Sun- day.

Safety Inspection Of Vehicles Urged

"Our weather is getting worse all the time and April 15 will come before you know it," Cap- tain Alan Johnson, Texas De- partment of Public Safety Super- visor, commented this week.

He was talking about the time left for Texas motorists to get 1963 vehicle safety inspections. The seven and one-half month period for getting inspections is more than half finished. Inspec- tions started September 1 and will continue through April 15.

Since the period is so long, Johnson stated, no allowances are made for bad weather. He pointed out that inspections may not be made when streets are wet. "From now until April 15, we usually have a seige of bad weather in this part of the state which eliminates many in- spection days," Captain Johnson said.

He also pointed out that in- spection of vehicles now will in- sure that they are safer for the rest of the winter driving peri- od, when good lights, brakes and other equipment are so vital.

Failure to have a 1963 inspec- tion sticker displayed on the windshield of your vehicle after April 15 is a violation of the law and is punishable by a fine not to exceed two hundred dollars.

daughter, Debbie Lynn. Claud Watson left Wednes- day of last week for Galveston to enter the John Sealy Hospital for a check up.

Mrs. W. F. McCaghren and her mother, Mrs. H. S. Watson visit- ed in Lockney Thursday, with their cousin and niece, Mrs. J. P. Truett, who was ill and in the hospital.

HERE ON LEAVE Sgt. Wayne Cartwright and his family are here on a 30 day leave from military service. He has been stationed at Fort Bragg, South Carolina, and will go to Japan for 18 months duty when his leave is up.

LEGISLATOR . . .

(Continued from page 1)
 terms — in 1953, 1955 and 1957.
 The appropriations committee handles every dollar spent by the State of Texas and its chairman automatically becomes a member of the legislative budget board.
 Heatly, representing the 82nd Legislative District, is beginning his fifth term in the House. He stands 10th in line of seniority.
 The 82nd District includes Cottle, Motley, Foard, Wilbarger, Hardeman, Childress, Hall and Donley Counties.

Hartgraves . . .

(Continued from page 1)
 Aside from her work in the medical organization, she belongs to the Methodist Church. She is a member of the Blue Bird Circle, a clinic for the treatment of nervous disorders in children, the Houston Altrusa Club, the Lakeside Country Club, the Houston Symphony Society, the Civic Opera Society and the Chi Omega sorority.
 Dr. Hartgraves visited here last summer with Mr. and Mrs. J. R. Whitworth and other friends.

IN APPRECIATION

I want to express my sincere appreciation for every kindness shown me during my recent hospitalization, and since returning home. I am indeed grateful for all the cards, letters, phone calls, visits and gifts I received. My thanks also to Rev. Patterson, and Dr. Traweck and the hospital help. May God bless each of you.

Ruth Benson

Long Insurance

This is a notification of the purchase of the insurance agency in Roaring Springs from J. D. Mitchell. Am looking forward to serving the people of this area with their insurance needs.

Also, we do income tax work in this office. Will appreciate your calling on us any time we can be of service.

Thank you,
 Charles R. Long

Rites Held for Former Resident

The wife of a former Baptist pastor here, died Saturday in Claude. She was Mrs. Myrtle Mae Hicks, 81, whose husband, Rev. J. R. Hicks served as pastor of the Matador Baptist Church for two years, from 1910 until 1912.
 Mrs. Hicks died at the home of her daughter, Mrs. Merle Nelson of Claude. She alternated making her home with Mrs. Nelson and another daughter, Mrs. Christler Crain, in Canyon.
 Funeral services were held at 2:30 p.m. Sunday at the First Baptist Church of Canyon and burial was in Dreamland Cemetery there.

Mrs. Hicks was born in Clay County, July 3, 1881. She and the Rev. Hicks were married at Bluegrove, Texas August 4, 1900. He served churches in Canadian, Matador, Panhandle, Claude, Paducah, Dalhart and Canyon.
 Survivors include the two daughters; three grandchildren; two great-grandchildren; three sisters and one brother.

Former Resident Dies at Sylvester

An early-day resident of Motley County, Mrs. Melissa V. Nelson, 85, died Wednesday, Jan. 12, at the home of her daughter, Mrs. Ethel Clark in Sweetwater. She lived in Sylvester.
 Mrs. Nelson, the former Melissa Lee, came with her husband, Thomas J. Nelson to Motley County in 1912 and resided in the Whiteflat community until 1923. Her husband died in 1958.

Services were held Thursday at 2:30 p.m. at the Sylvester Methodist Church, with burial in Sylvester Cemetery.
 Survivors include three sons, Jimmy of Sylvester, T. J. Jr. of Commerce and M. C. of Orange; two daughters, Mrs. Clark of Sweetwater and Mrs. Nannie Stephenson of Houston; one brother, Charlie Lee of Afton, Texas; one sister, Mrs. Cora Kelly of Quanah; 22 grandchildren and 40 great-grandchildren.
 Relatives attending from Matador were Mr. and Mrs. Edgar Lee and Mrs. Everett Smallwood. Mrs. Nelson was an aunt of Mr. Lee and Mrs. Smallwood. They were accompanied by a sister, Mrs. L. M. Griffin of Paducah.

TO SHERMAN

Mr. and Mrs. W. N. Pipkin returned home Wednesday night from a trip to Sherman where they joined their son, Lt. Neil Pipkin at Perrin Air Force Base for a visit Tuesday. Lt. Pipkin is presently based at Portland, Oregon and was on a tour of duty which took him to Perrin AFB this week.

Mr. and Mrs. Wesley Burton and children, Dennis, Ronnie and James of Amarillo, were week end visitors with her sister and family, Mr. and Mrs. Kirby Campbell.

Soil District In 18th Year

Upper Pease Soil Conservation District, composed of Cottle and Motley Counties, is completing its 18th year of operation. The district received its certificate of organization on August 12, 1944.

Current members of the Board of Supervisors are: Lloyd Mayes, chairman; Frank Montgomery, vice-chairman; W. D. Lipscomb, secretary; Fred Albright, member; and W. O. Jones Jr., member.

There are 1,117,200 acres of agriculture in the Upper Pease District on 1089 operating units. Of these operating units 756 have agreements with the District to start a soil and water conservation program on 921,452 acres.

The District during 1962 sponsored a Land and Grass judging contest in Roaring Springs with 86 contestants from the Paducah, Delwin, Matador and Roaring Springs 4-H and FFA groups participating.

Eddie Simms is Work Unit Conservationist in the office here located in the courthouse basement.

NEW MINISTER HERE

Mr. and Mrs. Leonard Dennis, former Matador residents are again living here, and he has assumed duties as Minister of the Church of Christ. They moved here last week from Edmondson, where he has been serving as church minister.

AT FATHER'S FUNERAL

Mr. and Mrs. Pete Knight were called to Cookesville, Tenn. Wednesday of last week at the death of her father, Henry Williams. Other relatives from this area are James Williams, a brother, and Mrs. Mae McKenzie, a sister, both of Lubbock, former residents of Flomot and Matador.

Mrs. T. W. Campbell visited relatives in Whiteville, Tenn. in a pre-holiday trip last month. She accompanied Minister and Mrs. John Lewis of Abilene, who went to Nashville for a visit with relatives.
