More Rains Hit Farmers

HEAVY RAINS that hit this area Monday afternoon and evening and brought farming activities to an abrupt halt. The entire county received rainfall according to reports.

Heaviest rains fell in the Matador and Roaring Springs areas. The fall here was between two and three inches. The city gauge registered 2.16 inches while others ranged as high as three.

The rainfall was lighter in other areas. White Star had in the neighborhood of half-inch. Flomot reported less than an inch in some sections.

Some damage resulted to crops, but in most cases the loss was limited.

The rain fell rapidly here and was driven by strong winds out of the west. A small tornado struck the Hale Center area on the Plains and demolished some farm buildings.

State Highway Department had set outside forms for the new bridge across Hackberry Branch of Ballard Creek, one block north of the court house. The flooding creek floated the forms out of position but they were recovered.

High water and gullied streets made travel difficult for residents of north Matador until streets could be repaired early Tuesday.

PLANS MADE TO OBSERVE FOURTH

Business and professional firms were making plans yesterday to observe the 4th of July as a legal holiday by closing, although it will fall on Saturday.

The 4th of July has always been observed as a legal holiday here. The First State Bank, post office and county and city offices have the 4th set as a fixed holiday.

It is probable, according to a brief survey made by the Tribune, that most places of business with possible exception of service stations and cafes will observe the holiday.

Some "sidewalk oilmen" here believe the well may flow. Unofficial local estimates are high on the established production after the well is completed. Some believe it may be between 500 and 1000 barrels.

Hamilton Well May Top Field

MORE OIL is being discovered in Motley County. The Hamilton Estate well two miles east of Roaring Springs is indicated as one of the top producers of both the east and west fields. Two drill stem tests have convinced the Perkins-Prothro Co., of Wichita Falls, that they have a good producer. Casing is being set and the well will be placed on pump.

The No. 1 Hamilton, filed as a wildcat, is one and one-eighth miles west of the nearest production in the West Roaring Springs field, which has three producers.

The well was drilled to an approximate depth of 4250 feet. At present some trouble has developed in setting the casing. In one drill stem test 500 feet of free oil was shown, and no water was indicated in either test.

NEW WELL STARTED Another new well has been started this week by General Crude on the Birnie Ranch. It will be the Ollie Echols Birnie, 10 miles northwest of Matador.

The exploration is projected to 9,600 feet, which is calculated to hit granite.

There are no nearby dry holes, but the location is two miles southwest of Pan American No. 1 Birnie, 1958 Pennsylvania sand discovery, and is 4.25 miles southeast of General Crude's No. 1 Fish, 9,615 foot failure plugged earlier this year.

New Pastor of Flomot Baptist Church To be Ordained in Service Next Week

Ordination services will be held Wednesday night, July 1, at the First Baptist Church, Flomot, it was announced here this week by the youthful new pastor of the congregation, Rev. Eddie L. Spivey.

Rev. Spivey received his Bachelor of Divinity degree from Southwestern Baptist Seminary, Fort Worth, this spring, and the service at Flomot will ordain him into the ministry.

The ordaining council will meet at 7:30, with Rev. Bob Beck of Quitaque as moderator. Rev. Bob Moore of Roaring Springs will direct the questioning and Rev. Denzil Leonard of Hart, former pastor at Flomot, will bring the charge in the service which will begin at 8 o'clock. Also participating in the ordination service will be Mrs. Spivey's father, Rev. Carroll Ray of Perryton.

Following the service, open house will be held at the new parsonage.

Is Native of Rusk During his attendance at the seminary, Rev. Spivey served as supply minister in churches in Texas, Oklahoma and Louisiana. He is a native of Rusk, Texas and attended high school in Houston when his parents, Mr. and Mrs. Vernon Spivey, moved there.

He attended Rice Institute one year, then went to Baylor University where he graduated in 1955. He and Miss Ann Ray were married at Summerville in May, 1956.

READING CONFERENCE ATTENDED BY GROUP A group of Matador and Roaring Springs teachers attended a Reading Conference, Monday at Wayland College, Plainview. The 3-day conference attracted teachers from a wide area. Going from here were Mmes. Josephine Hamilton, Alvin Stearns and George Springer, and from Roaring Springs, Mmes. W. H. Marshall and Lem Miller.

TO DALLAS Mr. and Mrs. John Russell made a trip to Dallas, Saturday where he had a consultation with a diabetic specialist at Baylor Hospital. They then visited in Ft. Worth with their daughter and husband, Mr. and Mrs. Bill Mantooh, and returned home Wednesday.

Rev. and Mrs. Darwin Scott and small son, Ray, left Tuesday to return to their home in Stephenville, after a visit with relatives here and at Lubbock.

Mr. and Mrs. Clifford Schultz of Ft. Worth spent the week end in the home of her uncle and family, Mr. and Mrs. A. L. Curry.

Mr. and Mrs. John Jackson of Hale Center and Mrs. Blewett Davis of Abernathy visited here Thursday in the home of her mother, Mrs. J. M. Jackson, and with their nephew and his bride, Lt. and Mrs. John Morgan Rogers.

Church of Christ Closes VB School

Matador Church of Christ Vacation Bible School came to a close Friday, June 12, after a five-day session. Average attendance was 58, with a high of 62.

The children assembled each morning in the auditorium of the church where Mrs. Alfred Dye of Roaring Springs taught them new songs and the junior boys of the congregation led the opening prayer.

Mrs. Kirby Campbell and Miss Shirley Evans taught the pre-school age, Mrs. Wade Berryman and Miss Geney Spray, the beginners; the primary class was taught by Mrs. Marvin Hunt and Mrs. Odell Meyers, Mrs. Alfred Dye, and Mrs. Bert Ezzell were in charge of the juniors.

The leaders expressed appreciation to everyone who made the school successful. "We especially extend our thanks to Mrs. Alfred Dye for her help and encouragement," they said. "Everyone is invited back next year to study more about the Bible."

Cadet Cecil Irwin In Fort Hood Camp CANYON, (Special)—Cecil Irwin of Matador is among the 35 junior and senior Reserve Officers' Training Corps cadets who will participate in a six-week camp at Fort Hood.

The camp opened Sunday, June 21 and will continue through the first week in August. The camp is part of the requirements for ROTC cadets before they can be commissioned in the Army Reserve.

John C. Irwin, a graduate student majoring in government, received his degree from WT in 1958. He is a member of the Canyon Ski Club, Tau Tau the Canyon Ski Club, Tau Tau Tau fraternity affiliated with Alpha Tau Omega, and is on the board of directors of the Ex-board of directors. He served as president of the junior class, was named Personality King, a candidate for sophomore senator, and was Chief Justice of the Supreme Court at West Texas.

A LIONS CHARTER for the new Flomot club is delivered to Boss Lion Sam Ross, left, by 2-T-1 Dist. Governor W. S. (Bill) Hunter of Amarillo at the Charter Night banquet held in Flomot Thursday evening.

Charter is Delivered To Flomot Lions Club

LIONISM achieved another outlet for its humanitarian and civic influence in Motley County Thursday night when 2-T-1 Dist. Governor W. S. (Bill) Hunter of Amarillo delivered an International charter to Boss Lion Sam Ross of the Flomot club. He also installed the officers and directors of the new club in a ceremony following a banquet held in the Flomot school gymnasium.

Eight clubs were represented at the Charter Night ceremony where approximately 200 Lions (and their Ladies) attended. The program and ceremony followed the banquet.

The new club was sponsored by the Turkey Lions club. A total of 24 charter members were affiliated with Lionism at the meeting. George Setliff, zone chairman of Turkey presented a bell and gavel to the Flomot club.

Pretty Miss Sheila Degan, daughter of Mr. and Mrs. Joe Degan of Flomot, became the first official sweetheart of the club. Tut Tawwater, deputy district governor of Plainview, was also on the program. Malcolm Turner is Lion Tamer, W. C. Martin is secretary-treasurer, and Joe Speer is Tail Twister.

First vice-president is M. J. Schofield, second vice-president is C. C. Jones and third vice-president is D. M. Gilbert. Directors are H. A. Martin, Tom Spears, J. E. Monk and Howard Rogers.

"Be Proud of Lionism" "Be proud to belong to the largest and most active civic organization in the world," Lion Merle Cowan of Lubbock said in making the principal address.

"Lionism now reaches from pole to pole and has established active clubs in 100 countries or geographic locations," Lion Merle said.

He told the newly chartered club members to be proud of their town and community, to be proud of the district and state Lions organization, and Lions International.

The Flomot club brought the number of clubs in Texas to 799. The number is now over 800. Lionism was started in the Lone Star State.

Crowd At Singing Tops All Records

ATTENDANCE SUNDAY at the Motley County Singing Convention here was the largest in the history of the association, according to Bruce Martin, President. The MCSC is the oldest organization in the county and holds two meetings annually.

Mr. Martin said it is probable that a larger crowd may have attended the convention but not during the years he has been affiliated with the group.

Citizens of Matador and other communities brought an ample number of filled baskets to provide for the visitors during the noon lunch period.

"We want to express our appreciation to everyone who helped entertain the visitors," Mr. Martin said, "and we feel that the success of the Sunday meeting is due, in a large measure, to the good people of this area."

Next meeting will be held in October when new officers will be elected. Mr. Martin gave his special recognition to his wife and Craft for their work in publicizing the meeting and making it a success.

BATON SCHOOL ATTRACTS MANY

A baton twirling school in progress here this week under the direction of Miss Shirley Hagan of Pharr, has attracted wide attention, and enrollment includes young people from Silverton, Quitaque, Petersburg and Turkey, in addition to Matador.

A 34 total was enrolled Monday morning in three classes as follows: Beginners, 15; intermediates, 14; and advanced pupils, 5.

The public is invited to an exhibition contest Saturday morning at 10 o'clock on Burleson Field. Routines will be done by each class and trophies and medals will be presented to the winners in each class.

Miss Hagan who is classified as a national baton twirling teacher, specializes in numerous baton tricks. She has been teaching for 4 years in schools and camps throughout Texas. She brought as her assistant, Miss Connie Kelly.

Record Hop Benefit A "record hop" conducted by Miss Hagan, will be held Friday night, June 26, in the American Legion building, it was announced this week.

Various popular dances will be directed by Miss Hagan, who formerly served as an Arthur Murry instructor. Prizes will be awarded winners of unique dance routines.

The public is invited and a 50c admission charge will be made for the entertainment, to start at 8 p. m. The proceeds will be for the benefit of the Matador Drum and Bugle Corp. sponsors of the baton twirling class held this week.

PILOT'S ACTION SAVES AIRCRAFT

The quick thinking of a former Flomot man, a pilot with the 431st Fighter Interceptor Squadron at Zaragoza Air Base, Spain, recently saved his aircraft, and the American taxpayer as much as three-quarters of a million dollars.

The incident, as reported in the May 29th issue of the base publication, "Stratolauncher," is as follows:

Cool headed conduct in an emergency on the part of 1/Lt. Walter I. Speer saved the 431st Fighter Interceptor Squadron an F 86D, and the American taxpayer as much as three quarters of a million dollars.

While on a local training flight, Lt. Speer experienced landing gear extension difficulties. After all emergency gear extension procedures were exhausted, the nose gear of the aircraft still remained retracted.

Lt. Speer elected to land his aircraft on the two main gear. In an effort to keep the hazard of fire to a minimum, he shut his aircraft down completely while on final approach. The approach and landing were so well executed that damage to the aircraft was limited to minor sheet metal repair.

The conduct of this officer in the face of an extremely hazardous situation reflects the highest credit upon himself and his organization. (Continued on back page)

Garden Club's Current Season Closes With Luncheon at Ranch Headquarters

The Matador Garden Club met June 15 with Mrs. Seth Sager, at Matador Ranch headquarters for a covered dish luncheon at one o'clock to close the 1958-59 club year. New officers for the ensuing year were installed.

Six tables were decorated with spring flowers, place cards and favors for the members. Also highlighted with floral decorations was the buffet table which held the food.

Mrs. Gene Hawkins gave the invocation.

Following the luncheon, the business session was called to order by the president, Mrs. W. W. Clements and minutes of previous meeting were read and approved. \$5.00 was voted to pay the club's share of having the grass mowed in the City-County Park.

The Garden Spot of the Month award went to the circle of Oxalis in the yard of Mrs. Clements. A secret ballot was then taken of the twelve Garden Spot of the Month awards to select the most outstanding for the year. This resulted in a tie between Mrs. A. C. Thaweeek Jr., and Mrs. Pat Sheridan. A second ballot on these two resulted in another tie. The ladies "cut" to determine the winner and Mrs. Sheridan was presented a five pound sack of peat moss.

Two members, Mrs. Clements and Mrs. U. L. Willie were recognized for perfect attendance having attended all meetings during the entire year.

Installation Ceremony
Mrs. W. N. Pipkin conducted the ceremony installing new officers who will serve for the next two years.

As the name of each officer-elect was called, she was escorted by the outgoing officer of that office to a position in front of Mrs. Pipkin. When the line had assembled, Mrs. Pipkin conducted an impressive ceremony of inducting the new officers into their respective jobs.

She presented each with a genuine garden tool and humorously instructed the recipient as to how it should be used to procure the proper cooperation of the membership in the process of fulfilling the duties of her office.

The officers installed were as follows: Mrs. Forrest Campbell, president; Mrs. F. C. Bourland, first vice-president; Mrs. Pat Sheridan, second vice-president; Mrs. U. L. Willie, secretary and treasurer.

The business session was closed with a "Farewell Address" by the outgoing president, Mrs. Clements.

Convention Films Shown
Mrs. A. C. Thaweeek Jr., appeared as leader for the program and with a few well-chosen remarks, introduced Mrs. Pipkin, who showed two movies which she had made at Garden Club conventions.

One was made at the State Convention held in San Antonio last year, and had many shots showing the Matador delegation. The historical scenes in and around San Antonio were exceptional and thoroughly enjoyed by the assembly.

The other film was made at this year's State Convention at El Paso. This too, was an excellent movie and in addition to the Garden Club activities, it showed many scenes of the Big Bend National Park and Juarez.

In addition to those named, others who enjoyed the meeting were, Mesdames Frank Montgomery, F. C. Bourland, Ward Rattan, Floyd Henderson, Bob Martin, C. P. Waybourn, J. L. Woodruff, L. C. Harp, C. T. Jenkins, Joe Bloodworth, Vance Gilbreath, A. W. Ford, Clotelle Horn, and Freeman Thacker, and a special guest, Mrs. Vernard Alexander of Post, the former Patti Pipkin.

After a vote of appreciation to the hostess, Mrs. Sager, the club adjourned for the summer, to re-assemble September 21st.

Mrs. B. M. Eubank Is HD Club Hostess

The home of Mrs. B. M. Eubank was the scene of the meeting of the Matador Home Demonstration Club Thursday, June 18.

Ideas for maintaining good health were given by members as the roll was called by Mrs. Sterling Price.

Mrs. Fred Simpson was leader of the afternoon program. She gave a very informative and interesting discussion on mental health, its problems and the research now being done to heal the mentally ill.

Mrs. W. B. Vaughn had charge of the recreational part of the program and conducted relaxing games.

An afternoon refreshment plate was served by the hostess.

Other members present were Mesdames G. E. Hamilton, Ward Rattan, C. H. Murphy, W. M. Graham, W. L. McWilliams; the hostess, Mrs. Eubank, and Miss Margaret Wilkerson. Mrs. C. L. Edgar of Cleburne was guest of the club.

one hears often—"there are no bad children." Give them your respect and confidence and they measure up to your expectations. We, quite by accident, provided a small oasis where the boys and girls could make their own rules to a certain extent and play in safety and privacy. Through the years we have walked unannounced in and out of the Playhouse and mingled with the crowds there and have never encountered a single instance of misbehavior. We have kept no rules except that we must be at home to accept responsibility for the kids.

We credit Matador people with contributing as much to the success of our boys as we have.

We wish every parent could know the joy we have had and realize that it pays to invest in youth while they are here. We don't weep when they leave because we know that if we keep the Playhouse open, they will come back. The only invitation necessary is to turn on the outside light. We have loved them all.

The music may go but we can keep the worn spot made in the rug by the heels of that rare musician, Gerald Pipkin. We have often wished we had kept a guest book so we would know all the visitors we have had but we never found time. We must also pay tribute to our good neighbors who have never complained about the noise even in the "good old days" when everyone wanted to have his fling at playing the drums. No matter how loud the "blasts" held there, Louis and Audie Poteet always said they loved the noise the kids made. So, you see, our blessing has been the greatest. To have been so mercifully guided is proof that we are in the hands of a loving Master and can look to the future without fear.

Mrs. Day remained and visited until Wednesday, when Mrs. Fogerson and daughter, Dianne, accompanied her home.

Visiting in the home of Mr. and Mrs. Wade Berryman Friday were her brother, Johnny Lacey, and nephew, Dan Davis, of Turkey.

Mr. and Mrs. Jim Shanks, Clinton, Okla., visited last week in the home of his sister, husband, Rev. and Mrs. W. Vaughn.

PIED PINIONS By Mrs. M.

"Dear Lila,

Your kind words to us Groveses through your column, Pied Pinions, require a confession. The Playhouse has meant more to us we are convinced, than it has to any of the youth. It has furnished us with the opportunity of knowing and loving the young people of this and of surrounding communities. Many times during the holidays when other parents might have been lonely, our house has been running over with music, laughter, and friendship. Youngsters have sat late in a circle around our table and allowed us to enjoy their reminiscing, learn their interests, and have kept us from growing old too fast in our thinking.

We and our boys have learned the truth of the statement

More car than this Impala Sport Coupe is hard to find at any price.

clings to curves like a cat on a carpet!
the travel-lovin' Chevrolet

Nothing else but a dyed-in-the-wool sports car like the Corvette can take a turn with such solid assurance!

It's easy to see where Chevrolet gets its road sense. With big coil springs at every wheel, a firm, wider stance and all of its pounds distributed with painstaking care, Chevy's born with it.

The only thing that may be hard to understand is how it can offer the ride it does, along with so many other luxury-car virtues, and still compete in the low-price field.

We use the word *compete* only in the sense of price. For with a ride as special as Chevy's, real competitors are hard to come by. There's a world of difference between Chevrolet's coil springs at all

four wheels and the leaf springs that most other cars still use. Take a Chevy down a snaky back road and you'll feel the difference in the sure way it holds through curves and shoots over rough spots with hardly a ripple.

This one's really made to travel and loves every minute of it.

Stop by your local authorized Chevrolet dealer's and sample Chevy's road sense!

MRS. KNIGHT RETURNS FROM EXTENDED TRIP

Mrs. Bernice Knight has returned home after an absence of almost four months during which time she has been visiting relatives in California, Arizona and Oregon. Part of the time was spent with her daughter and husband, Mr. and Mrs. Gilbert Brochers of Yuma, Arizona, and with a son and family, Mr. and Mrs. Jim D. Knight of Prineville, Oregon. Other visits were with relatives in Phoenix and Bisbee, Arizona and Fort Hueneme, Calif.

Returning by El Paso, she visited another son, Bill Byron Knight who, with a friend, John Noetzel, accompanied Mrs. Knight home Saturday and remained overnight.

VISITS IN VALLEY

Mrs. Clyde Gilbert returned home Sunday from a trip to the Rio Grande Valley, made with her brother and family, Mr. and Mrs. Earl Vaughn and sons, Larry, Greg, Ricky and Steve of Lubbock. They visited their parents, Mr. and Mrs. W. M. Vaughn of La Feria, and spent several days in Monterrey, Mexico. Before returning home Mrs. Gilbert visited her daughter and family, Mr. and Mrs. Bateman Middlebrooks in Grapevine.

VISITORS RETURN HOME

Mr. and Mrs. T. P. Metcalfe left Tuesday to return to their home in Franklin after visiting here since last Wednesday with her sister and family, Mr. and Mrs. J. L. Wodruff, and a brother, C. M. Glenn. They were accompanied here by another sister, Miss Amy Glenn, who was returning home from a visit in Houston, Mineral Wells and Franklin.

HERE FROM HARLINGEN

Mrs. Florence Marshall of Harlingen is visiting here in the home of her sister and family, Mr. and Mrs. D. P. Keith. Mrs. Keith accompanied her sister here from Lubbock where she and her son, Bourland, had spent the week end with her daughter and family, Mr. and Mrs. Loyd Latimer. Mrs. Marshall was visiting her daughters in Lubbock, after a trip to Albuquerque, N. M. where she had visited a son and family, Mr. and Mrs. W. T. Marshall and baby son, Gregory Todd, who was born May 26.

VISIT BROTHERTONS

Mr. and Mrs. M. G. Brotherton of Canon City, Colo., accompanied their daughters, Paula and Karlene, here Monday for a visit with his mother, Mrs. Marvin Brotherton, and his brother and wife, Mr. and Mrs. Glen Brotherton. They remained until Wednesday and were joined here Tuesday night for a family picnic supper by other relatives, including Mr. and Mrs. W. J. Griffith of Plainview; Mr. and Mrs. Bob Davis and daughter, Carol of Lockney; Mr. and Mrs. E. B. Robinson and children, Linda and Robin, and Mrs. Mary Cabe, all of Electra.

Fairmount Resident Dies at Plainview

Funeral services were held Thursday afternoon at 3 o'clock for Mrs. George Pigg, 63, at the Fairmount Baptist Church. Rev. Neil Record of Tulla conducted the services, assisted by Rev. Lewis of Lone Star. Interment was in the Merrell cemetery, west of the Fairmount Church.

Mrs. Pigg, long-time resident of the Fairmount community, died Wednesday at 4:20 A.M. at the Plainview Sanitarium. She had been in frail health for several years and she and her husband made their temporary home near Graham, where climatic conditions were favorable to Mr. Pigg.

In addition to her husband, George Pigg, she is survived by four sons: John of Lone Star, Wayne of Kress, Bennie of Plainview and Jack of Flomot; and four daughters: Mrs. Wilma Hodge of Quitaque; Mrs. Maggie Cobb of Fairmount; Mrs. Jean McCarver of Hale Center, and Mrs. Mary Alice Schrandt of Madrid, Spain; and several grandchildren.

GIRLS' AUXILIARY PRESENTS PROGRAM

The Girls' Auxiliary, under the direction of their leader, Mrs. Bernice Gates brought an interesting program Tuesday evening at the Flomot First Baptist Church.

Miss Sandra Starkey read the Scripture and brought the devotional. Misses Sandra and Phyllis Starkey and Joyce Shorter were presented their G. A. emblems after having completed their first work in Forward Steps. Colored slides of Indian scenes were shown after the book review of "Beyond the Desert," by Harold A. Baer.

Freshments of coolade and cookies were served in Fellowship hall to those present.

MRS. U. L. WILIE ATTENDS BARBECUE AT PADUCAH

Mrs. U. L. Wilie attended the Cottle-King Counties Livestock and Rodeo Association's barbecue supper at the rodeo grounds at Paducah on Wednesday of last week.

New officers of the organization were installed at the meeting, which was attended by a large crowd. Following the supper, a movie, "A Tenderfoot in Europe" was shown.

ACCEPTS POST POSITION

Vernard Alexander, athletic coach at Morton, has accepted the position as coach at Post, where he and his family will move in the near future. Mr. and Mrs. Alexander and small daughter, Lesley Ann, visited here last week with her parents, Mr. and Mrs. W. N. Pipkin. Mrs. Alexander is the former Patti Pipkin.

COUNTY AGENT PALLMEYER SAYS:

CONTROL WEEDS AND GRASS IN COTTON

Favorable moisture for cotton production also calls for a close look at good mechanical and chemical weed and grass control practices to reduce or eliminate costly hand hoeing. Of the numerous weed control choices available, three are outstanding. These include the rotary hoe, lateral oiling of grass and weeds in young cotton and spot spraying with oils and fortified oils or spot spraying of grass with sodium dalapon in water.

The rotary hoe has been and still is the key weed control practice. In 1958, 44,496 rotary hoe equipped tractors were operated in 157 counties, resulting in a saving of over \$44 million. The pull-behind types proved popular and easy to operate at the required high speeds. Rotary hoeing alone, not in combination with sweep cultivation, permits fast coverage and getting into fields quicker after repeated rains.

If continued rains prevent getting into the field with the rotary hoe and cause heavy growth of annual weeds and grasses, lateral oiling or post emergence oiling with unfortified naphtha is an excellent way to get out of the grass for about \$1.00 to \$1.50 for the five gallons of oil needed per acre. This practice was carried out in 47 counties in 1958.

The naphtha is applied with parallel action oiling shoes at 15 to 25 pounds pressure, with 2 fan-type, horizontal nozzles, staggered and placed 10 inches apart — one nozzle on each side of the row. Direct the spray pattern at the lower 1 to 1½ inches of the cotton stem, below the leaves. Natural wax on young cotton stalks shed the naphtha without injury to the cotton until bark roughens and cracks. Annual grasses up to 3 to 5 inches tall can be controlled.
