

# Work Rushed on Modern Restaurant, Station

ON THE STRIP, Matador-lighted US Highway 70. Name of the new restaurant will probably be El Matador, according to Arthur Wylie of Floydada, who is building the newest addition to Matador enterprises.

Mr. Wylie, who operates in association with his brother, more than 50 service stations under the Shamrock banner, also operates a number of cafes in connection. He is currently building a similar restaurant and station in Floydada.

The building will be entirely of steel fire-proof construction with 1 1/2 inches of insulation. The restaurant will be air-conditioned and equipped with central heating. Mr. Wylie owns approximately one-half block immediately west of the new structure which will be paved to provide more than ample parking space.

Mr. and Mrs. Al Watson who are currently operating the Wylie Station and Cafe at the old Bob's Oil Well location, will operate the new station and restaurant. Mr. Watson has been operating the cafe for approximately one year. Mr. Watson said no change in present personnel is anticipated when the move is made to the new building.

**Fixtures Ordered**  
Mr. Watson said this week that completely new fixtures have been ordered for the new restaurant and will be installed as soon as possible. He said he will take the ice-making machine

and possibly the milk dispensing equipment from the present location, but that everything else will be new.

Mr. Watson said the new restaurant arrangement will provide a great amount of light and visibility so that all employees will be in view of customers during the preparation and serving of meals.

Definite date has not been set but plans are that the new restaurant and station will be in operation by the first of June, if not sooner, in order to serve the increased flow of tourists expected on US Highway 70. Jack Green, local contractor has been engaged to do the finish work.

## MAIL DUST

By DOUGLAS MEADOR

Common sense is the faculty that evaluates knowledge as a tool unless it is used, like a forgotten bank account.

There is the vagabond lover of the parrot who returns on roaring gusts of thunder, or steals to kiss the sage after spreading a cloak across the stars.

His gay song is in the wings and his whispered words are the droplets falling on the gentle cheek.

A man can make a fool of himself in many ways but when a woman is involved the public always seems better satisfied.

When a personal problem is handled with self-pity, seasoned with gloves of disdain and baked slowly over a flame of jealousy, it can be served to a multitude, all of whom will wish they were elsewhere.

Despite our changing economy, it is not yet disgraceful to be poor. The condition, however, can provide a credit manager with a challenging few moments.

The great unpublished secret of writing is to know when to stop. The truth, ashamed in its old garments of frayed egotism, is reluctant to point to the instant before the beginning.

Life, of course, is not a bowl of cherries, but neither is it a container of dried stones from which others have removed the fruit.

**CONDITION IMPROVED**  
Rev. Roy Patterson, patient in Methodist Hospital, Lubbock has undergone a series of tests in the past few days. His condition has improved and he expects to return to his home here probably today (Thursday). Rev. W. B. Vaughn filled the pulpit at the Methodist Church here Sunday morning in the absence of the pastor and Jack McCallie was the evening speaker.

## Absentee Demo Voting Starts

Early yesterday afternoon applications had been received for eight absentee votes in the May 2 Democratic Primary and District Clerk Pat Sheridan. He said he believed the applications were "above average" for absentee voting for the first two days previous to a primary election.

Mr. Sheridan said he had received some of the applications several weeks ago (applications may be made as much as 60 days before an election) but actual casting of absentee votes must await delivery of ballots.

## Change is Made In Club Program

El Progresso Study Club has announced a change in the regular meeting for April 23. Mrs. R. W. Overstreet will be unable to give her paper (originally scheduled for February 27) due to injuries received in a recent automobile accident in Floydada, in which she and Mr. Overstreet were injured.

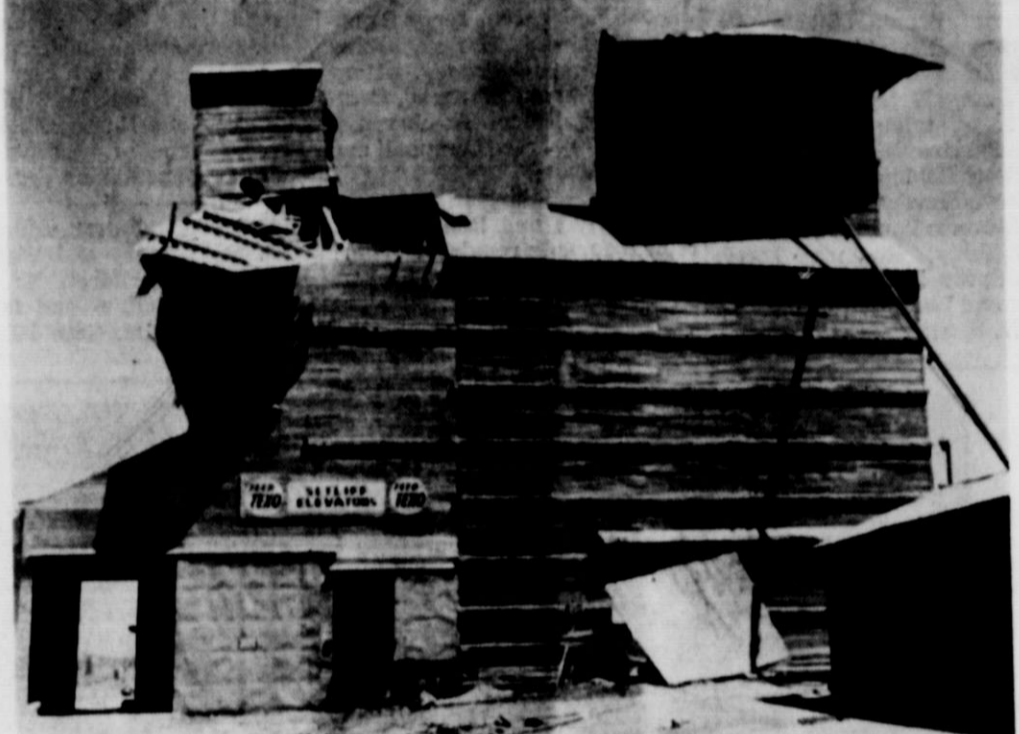

They have been guests in the home of their daughter and son-in-law, Mr. and Mrs. Ron Davenport in Lubbock and receiving medical treatment at Methodist Hospital.

## ATTEND OES SCHOOL

Order of the Eastern Star School of Instruction, District 2, Section 5, held Tuesday in Memphis was attended by several members of Matador Chapter No. 66. These included Worthy Matron Etoile Stanley, who is also district secretary, Maggie Hamilton, district organizer, Past Worthy Matrons Wilma Hobbs, Jean Cooper and Marguerite Lipscomb, and Past Worthy Patron J. B. Cooper.

## ROARING SPRINGS TO HAVE PRE-SCHOOL DAY

Pre-school day will be held at the Roaring Springs school on Wednesday, April 22 from 11:00 to 3 o'clock, according to an announcement by Supt. E. J. McKnight. "If you have pre-school children who will be in the first grade in September, and we have not contacted you, we would like to have them attend also," Mr. McKnight said.

## Explosion Strikes Elevator at Turkey

THREE MEN were injured and extensive damages resulted when an explosion rocked Setlift elevator in Turkey about 10:15 Tuesday morning. A fire which followed the explosion was quickly brought under control by the Turkey Volunteer Fire Department.

Joe Ray Setlift, 32, of Crowell, was directing repairs on the equipment when the blast occurred. He was most seriously injured and was transferred to the Foard County Hospital by a Seigler Funeral Home ambulance.

## Benefit Plays

Two one-act plays will be held at the Dumont school house April 22 for benefit of the Dumont Homecoming Association. In addition to the plays, other interesting features are scheduled on the program. Admission is 75 cents for adults and 35 cents for children. All funds will be used to pay homecoming expenses. The announcement was made last week by Hugh Vinson, President of the Homecoming Association.

**DR. WILLIAM MOTLEY**

## Bank to Observe San Jacinto Day

First State Bank will observe Tuesday, April 21 as a holiday in commemoration of San Jacinto Day, bank officials have announced. On the afternoon of April 21, 1836, Sam Houston's ragtag but spirited army of 783 Texans charged up the sloping plains of San Jacinto (near what is now Houston). In less than an hour they had routed General Santa Anna's veteran troops in revenge for the Alamo defeat and the Goliad massacre, and established forever, Texas' claim for independence.

Among the casualties of the battle of San Jacinto was Dr. Junius Mottley, native of Virginia who became aide-de-camp of Thomas J. Rusk, Secretary of State of the newly-formed Republic of Texas.

## "Singspiration" At Local Church

Youth Day at the Assembly of God Church Sunday, April 19, will begin with morning worship services using the theme, "Anointed and Appointed."

Lonnie Appling of Lamesa will be featured speaker. Another young man also from Lamesa will lead the "Singspiration" to be held in the afternoon service at 2:30.

Young people from this area are joining with the local group here for this service of inspirational singing.

The Rev. Dewey Newburn, local pastor has extended a cordial invitation for the public to attend these services.

**VISTAS OF ETERNAL DARKNESS** await Estella Zarate, 22, above, who can thread a needle, make a dress, bake a cake, wash dishes and pick cotton although totally blind. She is the daughter of Mr. and Mrs. Conrado Zarate of Northfield, employed on the T. B. (Boone) Simpson farm and ranch. Last week Mr. and Mrs. Simpson accompanied the blind girl to Amarillo where a famous eye specialist examined her. His verdict was "an entirely hopeless case." It is believed her loss of sight resulted from an infection following a case of "great fever" before she was two. Her younger sister, Lupe, accompanies the blind girl. There are five children in the Zarate family.

## Chicken Supper to Aid Ball Program

A GROUP of Freshman League boys are working hard in selling tickets to the VFW chicken barbecue supper scheduled for Monday night at the VFW hut. Serving hours are from 6:30 p.m. to 8 p.m. and the tickets sell for \$1.50 each.

Prizes of a baseball glove, bat and ball will go to the three boys selling the most tickets. The competition is very active. Entire proceeds from the sale of tickets will go to aid the city's summer baseball program.

Present indications are that the sale of tickets may now exceed 350, surpassing last year's highly successful barbecue, sponsored and financed by the Veterans of Foreign Wars.

## Attorney General Waggoner Carr To Lead Paducah Western Parade

Attorney General Waggoner Carr has accepted an invitation to lead the western parade that will officially open the 22nd Annual Cattle-King Horse and Colt Show and Rodeo in Paducah on April 24.

Shortly before the parade, which is scheduled for 5 p.m., the Attorney General will speak briefly to the public from the courthouse square then join the mounted show officials at the head of the parade.

The invitation was extended the Attorney General by Rep. W. S. Bill Healy on behalf of the Cattle-King Livestock and Rodeo Association and the Paducah Chamber of Commerce and Agricultural Development. Healy will introduce Carr at the speaking.

## Reunion Slated by Former Residents

Former Motley County residents who live in the Grand Prairie area are going to have a reunion on April 24, beginning at 7 p.m.

Now famous writer Norman Spray is president and Mrs. V. E. Jerden is secretary. Invitations read: "Bring a cake or pie, and meet your friends at the Avon Village House, 800 Skyline Road, Grand Prairie.

Mr. and Mrs. Carl Thompson of Lubbock spent the week end visiting his parents, Mr. and Mrs. Manly Thompson and family here.

**SCENE CHANGING** — The above picture made late Saturday of El Matador restaurant and station is changed today, with the roof completed and side walls going into place. House at upper left is home of Mrs. G. E. Hamilton. Interior work is also underway in the building. Concrete at left of automobile is island for filling station pump.

## Church and Society

### Travel Season Begins for Local Residents; Several Return Home

With the approach of summer travel season has begun for several local residents as tours and historical pilgrimages over the country are being publicized. Among recent Matador travelers were Mrs. J. S. Stanley and her sister, Miss Lennie Stacey who returned home Sunday morning from a trip to Jefferson, Texas where they made the seventeenth Historical Pilgrimage in commemoration of the Civil War Centennial, dedicated to Texans who served the Confederacy.

The Jesse Allen Wise Garden Club sponsors the pilgrimage. Visitors are greeted by the hostesses wearing costumes of the 1870 and Gay Nineties period, and conducted on a tour of the stately old homes with their heirloom furnishings and relics of the past.

Historical old Jefferson's beginning dates back to 1832, with the first Anglo-American settlement in Smith's landing on Big Cypress Bayou, the local residents learned. The first settlers came there in 1840 and the town was laid out in 1842.

Sawmills in the surrounding wilderness of tall cypress and pine trees turned out lumber for the stately homes that were typical of those built at the turn of the century. There is something interesting about each home, in structure and rare antiques which have been preserved.

Mrs. Stanley and Miss Stacey visited en route, with the former's daughter and family, Mr. and Mrs. Franklyn Thrasher and children. Jim and Paula Kay, who recently moved to a ranch near Mount Vernon. They were accompanied by Mrs. Thrasher and the children, in making the pilgrimage.

**Return From Las Vegas**  
Mr. and Mrs. L. H. Dirickson, accompanied by her sisters, Mrs.

A. S. Edmondson and Mrs. Lemmie Day of Tipton, Okla., returned Sunday from a week in Las Vegas, Nevada.

They spent the time seeing the shows on the "Strip" and its casinos, and also the lounge shows and casinos in downtown Las Vegas. At the Thunderbird Casino they saw Cole Porter's "Anything Goes," a big Broadway musical hit; the Danny Thomas show with Piccolo Pupa at the Sands; "Le Lide de Paris," all imported from France at the Stardust; and the Mitzi Gaynor show at the fabulous Flamingo.

On the Fremont Strip, downtown they visited the Golden Nugget, the Mint, the Horseshoe, Las Vegas Club, Diamond Jim's, and many more of the lounge shows. While in Las Vegas, the Diricksons and their party visited Mr. and Mrs. Sumner Hollingsworth.

Mrs. Edmondson and Mrs. Day remained over Monday and returned to their homes in Tipton, Tuesday.

Mrs. Bess Patton returned to her home here last week, from a trip to California, and Las Vegas, Nevada, visiting her daughters and two sons, and also with a granddaughter.

Another Matador woman is making a world tour, but wished no publicity until she returns.

### FHA Girls Host Chicken Supper

The Matador High School FHA girls were hostesses at an annual chicken supper held Monday night, April 13 in the Home-making department.

Special guests were Johnny Thomas, FHA Beau of the Year, his parents, Mr. and Mrs. A. L. Thomas, Bert Ezzell, Charlie Johnson and parents of FHA members.

The menu consisted of fried chicken (cut and fried by the girls), yeast bread and cinnamon rolls (made in class), brown beans, coleslaw and iced tea.

In addition to those already named, those attending were: Joanie Barton, Mr. and Mrs. Alfred Barton; Sharlene Berryman, Mrs. Wade Berryman and Mrs. Juanita Bethany; Olivia Campbell, Mrs. L. B. Campbell; Stella Martin, Mr. and Mrs. Bryan Cammack; Janna Crenshaw; Freddie Crenshaw; Lynn Cook, Mr. and Mrs. Bill Cook; Pat and Jeanette Day, Mrs. E. A. Day; Marva Duke, Mr. and Mrs. Marvin Duke; Marianne Martin, Mrs. D. L. Damron; Katherine Evans;

Patsy Green, Mr. and Mrs. Luther Green; Patsy Hankins, Mr. and Mrs. Roy Hankins; Mary Irwin, Mr. and Mrs. John Irwin; Janna Jones, Mr. and Mrs. Bill Jones; Carol King, Mr. and Mrs. Curtis King; Janie Killingsworth, Leadell Luckett, Mrs. Hugh Luckett; Frances Martin, Mr. and Mrs. Pip Martin; Sharon Martin, Mr. and Mrs. H. L. Martin; Teresa Marshall; Darlene McAnally, Mr. and Mrs. Dean McAnally.

Betty, Sandra and Glenda Sandefer and Wanda Lapham; Mr. and Mrs. Bob Mitchell; Ruth Lynn, Mr. and Mrs. L. L. Lynn; Judy Pitts, Mr. and Mrs. D. E. Pitts Jr.; Carolyn Perkins, Mrs. Boyd Perkins; Scottie Robbins, Mrs. Scott Robbins; Sue, Shelley and Steve Stevens, Mr. and Mrs. John Stevens; Louise Terry, Mrs. Elbert Terry; Rosanne Terry; Melba Spray, Mr. and Mrs. A. L. Spray; and Linda Tilson, Mr. and Mrs. W. R. Tilson.

### Members Taking Golf Lessons

Bob Felty, assistant pro at Plainview Country Club is meeting with our members and giving them instructions, to help iron out some of their problems and the girls are hoping to improve their game.

He met with the beginners at 10 a.m. Thursday and with the advanced players at 11 a.m. He will be here for the next three Thursdays for lessons.

Those present for the session were Leona Cox, Mickey Bostick, Billie Barnhill, Greta Smallwood, Erma Edwards, Faye Clements, Judine McCaghren, Jerry Campbell, Winifred Darsey, Ruby Myles, Lucretia Grundy, Mary Meason, Tommie Newman, Catherine Bird, Lillian Thacker, Laverne Price, Grace Campbell and Becky Graham.

Of those taking the lesson, Becky, Greta and Ruby did not remain for our regular playday.

However, La Voe Thacker, Nell Clem, Louise Barton and Vivian Campbell joined the group for play. Tommie Newman

won the ball with 17 points for Bingle, Bangle, Bungle.

### New Members

We are happy to have Leona Cox and Mickey Bostick to join our association as new members.

### Church Attendance Climaxes FHA Week

As a fitting climax to National Future Homemakers Week, 28 FHA members and their sponsor, Mrs. A. L. Fair attended services at First Baptist Church, Sunday morning, April 12.

FHA Week was observed by over half a million members in 10,715 chapters in the United States, Puerto Rico and the Virgin Islands.

Different features of the week here included Secret Sisters, which was observed all week; Red White Day, Tuesday; Daily Devotionals each day led by various FHA officers; visiting aged people, which is a state project; and taking magazines to the hospital.

On Wednesday the girls ate sack lunches on the school ground; and also during the week participated in hunting for the hidden egg. Each year a different object is hidden. Glenda Sandefer and Karen Elliott received a prize of a dozen eggs for finding the hidden egg.

Mrs. Velma Fuller visited in Lubbock, Tuesday and Wednesday with her children, Mr. and Mrs. Elwyn Fuller and family and Mr. and Mrs. Gerald Leslie and family.

### What Must She Know About Auto Insurance?

Very little, actually.

When it comes to insurance protection, it's not how much she knows, but how much she has.

And that's where we come in. As an independent agency, we provide up-to-date protection to fit her family's need.

We tailor the right coverages... in just the right amounts... and at the best possible rates.

She knows we're taking care of it... and it's taking care of her. Come to think of it, that's about all she needs to know.

### JIM LANGDON—A WINNER!

Railroad Commissioner Jim Langdon is a 49-year-old native Texan with a winning record in public office. When John Connally appointed him to the Railroad Commission, the Governor said:

"I have for several weeks been attempting to find a man I consider to have outstanding ability, integrity and honor... I am happy we have found that man — Judge Jim C. Langdon."

Jim Langdon has fully lived up to Governor Connally's expectations. He has conducted his office in the spirit of Governor Jim Hogg, who had the Commission set up in 1891 to look after the public interest in railroad and freight rates. It now regulates also truck and bus rates and the production of oil and gas. Judge Langdon will continue to keep transportation rates in line and see to it that our oil reserves are protected against waste and greed. This will help keep down Texas gasoline prices, already among the lowest in the nation.

Jim Langdon was elected District Judge twice and re-elected Chief Justice of the El Paso Court of Civil Appeals.

### ON THE OTHER HAND—

#### Jim Langdon's Opponent Is a 10-Time Loser!

- Jesse Owens, 59-year-old attorney, is still running for office after 38 years and TEN DEFEATS. He has lost the following races:
- 1926—Defeated for Sheriff of Foard County by L. D. Campbell.
  - 1930—Defeated for District Attorney by John Meyers.
  - 1932—Defeated for District Attorney by Ed Gossett.
  - 1940—Defeated for District Attorney by T. Gene Rogers.
  - 1946—Defeated for Court of Criminal Appeals by Tom L. Beauchamp.
  - 1952—Defeated for Court of Criminal Appeals by K. K. Woodley.
  - 1956—Defeated for Court of Criminal Appeals by W. A. Morrison.
  - 1958—Defeated for District Judge by Tom Davis.
  - 1960—Defeated for Court of Civil Appeals by James Denton.
  - 1962—Defeated for Texas Supreme Court by Meade F. Griffin.

They returned home by Arkansas and Oklahoma and visited Mrs. Maud Easley, and in Vernon they visited Mr. and Mrs. H. C. Barnes.

**Many Attend Rites For Mrs. A. Hughes**

A large number of friends and relatives from Whiteflat and other area communities attended funeral services Sunday afternoon at Quitaque, for Mrs. Anna Hughes, pioneer of that community. She was the mother of Mrs. W. R. Tilson of Brownfield, and sister of Guy Kimbell, Matador.

These included Mrs. Stella Tilson, Mr. and Mrs. Bill Tilson, Mrs. Myron Bethard and Nolene and Gabriella, Mr. and Mrs. Scott Robbins, Scottie and Sue, Mr. and Mrs. M. D. Morriss and Mr. and Mrs. Jack Spray.

Visiting in the home of Mrs. Stella Tilson after the burial services in Whiteflat Cemetery, were Mr. and Mrs. W. R. Tilson, Brownfield, Mr. and Mrs. Alonzo Davis, Denton, and their daughter and family, Mr. and Mrs. Eddie Brenholtz, David and Carol Andrews, and Mrs. Christine Gordon of Hyattsville, N. Y., a niece of Mrs. W. R. Tilson; also the Bill Tilsons and Mrs. Bethard and children.

Matador residents who attended the burial rites at Whiteflat were Mr. and Mrs. Riley Day, Mr. and Mrs. A. K. Wilkinson, Mrs. Minnie Clifton, Mr. and Mrs. Bill Pipkin, Mr. and Mrs. W. L. McWilliams, Tom Hamilton, Rev. and Mrs. W. B. Vaughn, Mr. and Mrs. Elmer Smallwood, and Guy Kimbell who also attended the funeral services at Quitaque.

P. Billingsley of Midland and Mr. and Mrs. Harold Verrett of Ralls.

German beehives are painted bright colors to guide the bees to their own hives.

**CORRECTION**

The Tribune last week inadvertently omitted the following information in the report of the Annual Fat Stock Show: Medium steers — Jackie Irwin, Roaring Springs 6th & 8th places, Brigd Barton, Matador, 7th place.

**COUNTY AGENT PALLMEYER SAYS:**

For those raising hogs, ask yourself this question. Did you ever have a sow farrow a nice litter of pigs and lose them because she ate or stepped on them? How much would each of these pigs have been worth at weaning age? These losses can be stopped at very little expense. I have plans for making farrowing crates which can be built at a very low cost. Why not spend a few dollars for "pig insurance" and see if it doesn't make you money. These plans are free for the asking.

**Greenbugs and brown wheat mites are appearing in several small grain fields, so to help farmers decide if controls are warranted, I am giving the following information from MP-339 "Texas Guide for Controlling Insects on Grain & Forage Crops."**

Results of experimental tests during the past 6 years indicate that the most benefit is derived from application of insecticides on wheat made in March and April as this is when insects usually build up to damaging numbers. Occasionally populations of 25 to 50 greenbugs per linear foot on very young small grains may warrant treatment, but generally in April for plants over 6 inches tall, over 200 greenbugs per linear ft. should be present. The appearance of small deadened areas caused by greenbug feeding is also a good indication

that treatment is necessary. Oats and barley are usually more susceptible to greenbug damage than wheat.

WBAP, Fort Worth has a bale per acre club, and will send certificates to farmers who qualify. To date I have the names of 12 farmers in the county who qualify — and would welcome the names of others. To qualify, a farmer must average a 500 lb. bale on ALL of his cotton acreage, and several men have failed to meet this requirement even though part of their acreage produced over a bale per acre.

Motley County ginners are helping gather this information, so if you qualify, let a ginmer or myself know. The letter states "that no cash prize is awarded, as the farmer realized that when he went to the gin last fall," but the certificate may serve as a reminder.

**Another Junior Livestock show for the 4-H boys and girls and the FFA boys is history, I would like to personally thank the individuals and business concerns who made the show possible through donations for prize money, purchase of animals, use of equipment, furnishing of trophies and other awards and for their time and assistance. Without your assistance it would be impossible to have a livestock show. To some there is a question as to the value of a show, but it is advertisement of livestock producing, gives boys and**

girls a job to do, and gives them a chance to learn by doing.

The Motley County Livestock Association, assisted by the Lions Clubs of Matador, Roaring Springs and Flomot have been responsible for the show the past three years, so thanks on behalf of the 4-H members, FFA members, Bill Moss, Bill Peacock and myself.

**POLITICAL ANNOUNCEMENTS**

The Tribune has been authorized to present the names of the following candidates for office, subject to the action of the Motley County Democratic Primary Election, May 2nd, 1964.

**For District Attorney:**  
John B. Stapleton (re-election)

**For Sheriff, Tax Assessor and Collector:**  
B. N. (Buddy) Owens  
J. D. Spray  
James "Tootie" Meador

**For County Commissioner, Precinct No. 3**  
Reece Timmons  
W. L. (Bill) Cook

**For County Commissioner, Precinct No. 1**  
Clyde Gilbert (re-election)  
Bryan Cammack

**ARMY FRIENDS marry German girls.**

Gregory Smauley, upper left and James Simmons, lower right became good friends when they went into the Army in 1960. They remained good friends and both married German brides while stationed in Germany. Mrs. Smauley is shown at upper right. She was formerly Inge Scholl of Karlstadt, Germany. Mrs. Simmons is shown at lower left. She was formerly Angela Vogel of Wurzburg, Germany. At lower center is Debra Kay Simmons, 6, daughter of Mr. Simmons by a former marriage. He is holding their daughter, Patricia Kay, 1 year of age. The two families were friends in Germany, were on the same plane coming to America and the two men were released the same day after returning to the United States.

**Rites are Held for Mrs. Hughes**

(Delayed)

Funeral services for Mrs. Anna Hughes, 86, pioneer of the Quitaque community, were held at 3:30 p.m. Sunday in the Quitaque First Methodist Church.

Mrs. Hughes died Thursday in a Lubbock convalescent home where she had resided for about one and one-half years. She was a member of the Methodist Church and the Eastern Star.

Burial was in the Whiteflat Cemetery.

**Need More Time?**

The housewife of the Young Married Set is involved with so many activities, she needs all the time she can lay her hands on. A Gold Medallion Home is the answer! It provides so many time-saving conveniences, it's just like adding more days to the ordinary 7-day week. For instance, the electric clothes dryer alone saves 3 hours weekly and even the electric dishwasher saves 7 hours a week...why, that's 10 hours already! Not to mention that the electric range is so automatic, it's like having a hired cook to do all the watching. And the electric water heater provides hot water instantly upon demand. Heating and cooling systems are automatic too...the thermostat is set at the start of the season and forgotten until the season changes.

This is just a smattering of the many ways the total electric Gold Medallion Home saves time for the Young Married Set. Oh yes, with a flameless total electric Gold Medallion Home, there's one less bill to pay each month.

### Two Boys Place In Track Meet

Matador Track team members participated in the South Plains "Class B" Invitational Track Meet last Saturday. Robert Brandon and Wilburn Terry both placed in their respective events, the shot put and the 880.

Luis Moore went to the finals in the 440, and the 440 relay team was almost certain to go to the finals, but a missed hand-off on the last leg slowed them down considerably.

Brandon, setting a record in the third of four meets he has entered this year, threw the shot 49 feet 3 and three fourths inches to tie for first place and also tie for the best throw in class B this year in this region.

Wilburn Terry ran a 2:11.5 in the 880 to place fifth. The mile relay ran a fine 3:49 but failed to place and Kenneth Pitts and Tim Green failed to win a place in the hurdles. The relay teams, composed of Charles Ezzell, Richard Campbell, and Wilburn Terry, looked sharp, and a win at district is possible. District track meet will be Saturday at Turkey.

### Baseball Season Opens Next Week

The 1964 baseball season opens next week for Matador High School. Coach Barr's team will be trying to improve on a second place finish in last year's twelve-team district.

The Matadors will play a night game, April 28, with Roaring Springs for the first time in school history. The Matadors are expected to have about 18 boys out, including last year's entire squad.

The scheduled games are as follows: Roaring Springs, there, 4-17; McAdoo, there, 4-21; Patton Springs, here, 4-23; Roaring Springs, here, 4-28 (night); Mc-

Adoo, here, 5-1; Patton Springs, there, 5-5.  
Day games at Matador start at 4:00 p.m.; games elsewhere start at 3:30 p.m.

### Mardi Gras To Be Theme Of Banquet

The excitement, glitter, and color of the world famous Mardi Gras will be the theme of the coming Junior-Senior Banquet to be held at the American Legion Building Saturday, April 18.

Although there will be no principal speaker, the evening is expected to be highly entertaining. Members of the classes will demonstrate their various talents through humorous songs and skits.

Traditionally the sophomore girls will serve the upper classes at this annual festivity. This year the gay Mardi Gras costumes worn by the girls will do much to re-create the atmosphere of old Canal Street in New Orleans.

### FHA Chapter Hears History Of Fabrics

The F.H.A. meeting was held Friday at 12:30 in the high school auditorium. Mr. Bill Hammon, manager of "The Yardstick" in Plainview, presented the program. As an introduction he gave a short talk on the history of materials and the recent improvements that have been made in various fabrics. He stated that pink, blue, orchid and beige are the four most popular spring colors.

"The most popular spring ensemble is the shift jumper coordinated with a white blouse or a blouse of a large harmonizing print," said Mr. Hammon. Whipped Cream and Linen textured materials are favorite spring and summer fabrics," he said.

With him, Mr. Hammon had many bolts of beautiful material. In talking about each one, he enlightened the audience on the fine points of the fabric, the finishes which had been added to it and the care which should be given the fabric.

The crowd enjoyed Mr. Hammon's talk tremendously, and also looking at the bolts of beautiful material. Present in the audience were several members of the Whiteflat Home Demonstration Club as well as the F.H.A. girls and Mrs. Fair.

With the conclusion of Mr. Hammon's talk the meeting was adjourned and coffee, cake and punch were served to all.

### Senior Spotlight

Johnny Keith Thomas, the son of Mr. and Mrs. Allan Thomas, was born in Childress on September 23, 1946.

Johnny attended the Northfield school for eight and a half years before coming to Matador. He has been very active in high school. Johnny has played football for three years, and received the honor of being chosen for the All District team and the All South Plains, second team. He has participated in track for three years and volleyball for one year. Johnny has been a member of the F.F.A. for four years and an officer one year. He has received the Lone Star Farmers Degree.

Upon graduation he plans to attend Texas Tech and major in agriculture.

### Future Homemakers Observe F.H.A. Week

National F.H.A. Week is being observed by the Matador F.H.A. Chapter. The girls are greatly

enjoying their Secret Sister activities, which are a part of F.H.A. Week.

Each girl has a Secret Sister, to whom she sends anonymous gifts each day. These gifts are valueless and are usually accompanied by short witty letters.

After a week of futile guesses as to the identity of their Secret Sis, the girls receive a nice gift with their Secret Sister's name on it. This revelation of Secret Sisters will be made Monday night at the Annual Chicken Supper.

### Tennis Play Now Underway

Getting new tennis nets seemed to put new zing into the life of the "ole" tennis courts.

Bill Moss decided that more interest would probably be taken in tennis if people knew the correct way to play.

To get the ball bouncing, he invited adults who would be interested in teaching students or other novices, to his home for a meeting.

As a result a tennis club is now formed with Mr. Moss and Mr. Roy Grundy as instructors for the students and Mrs. Kenneth Barr for the adults.

The tennis course for the students was divided into three lessons. These meetings were held last Monday, Wednesday, and Thursday. About seventy-five students participated in this event.

Mr. Moss stated, "We hope that the students will practice this summer during which a tournament may be held."

### Campus Collections

If you are walking down the halls of MHS, don't be surprised if you see several girls making wild motions with their hands and arms. Cheerleader tryouts are Friday, April 17, and the girls are only practicing.

Last week being report-card week the students were a little chummier to the teachers than usual. If one had gone into Mrs.

Timmons room he would have seen a bright red apple on her desk. Someone must have gotten an A for the six weeks.

The two chemistry classes this year are altogether different when it comes to the lab part. There is always plenty of excitement in the Junior lab. A lab never goes by without one of them having an accident. No one has been badly hurt, but there have been several scares. The seniors have class immediately after the juniors but they don't have a chance to get hurt. Mr. Moore keeps a double eye on them because either he doesn't trust them or he is a nervous wreck after the Junior's lab.

The seniors are kind of glad their play is over with, even though they hate to admit it. They agree it's fun to have somewhere to go every night, but it does get old after awhile.

### Grade School News

Jacquelyn Harvey, from Virginia, is a new student in the second grade. Her father is in the service.

The second grade collected over \$12.00 in canceled stamps for CARE, and they are still working on the project. Mrs. Marshall, second grade teacher, says, "We greatly appreciate all the help we have had, and will certainly appreciate any further help with the project."

According to the definition, work is to move something from one place to another. In play, the same definition applies. The third grade has been discussing the difference between work and play, and have come to the conclusion that the only difference is in the mental attitude.

In connection with their study of simple machines, third grade

pupils are studying modes of transportation using steam and electricity.

The fourth grade is studying the Netherlands. Paul Cruse, assisted by the class, drew and painted a mural on the different phases of life in the Netherlands. One bulletin board features famous paintings by Dutch artists. Bill Barnhill drew a poster illustrating the story of "The Leak in the Dyke."

In language the fourth grade students wrote original stories and poems. They are going to make booklets of all the poems in order that each student may have a copy of all the other poems.

In preparation for the science unit on "Growing Things," the students planted something and brought it to school to observe its growth.

The fourth and fifth grade picture memory team, including Debbie Smallwood, Linda Thompson, David White, Charla Kay Watson, and alternate, Krista Price, will go to Estelline April 18, for the Interscholastic League competition. Jeanette Day won second place in declamation tryouts.

The sixth grade U.I.L. tennis team includes Ronnie Welling and Glenn Moss in boys doubles, and Gale Lynn and Patti Edwards in girls doubles.

Mrs. R. E. Donovan is substituting for Mrs. D. L. Damron, the sixth grade teacher, who is ill.

Ronnie Welling and Jeff Beryman were chosen to compete in boys declamation at Estelline.

The seventh grade held an inter-class presidential election and the result was unanimously Johnson with twenty-six votes. Nixon received three votes and Goldwater, one.

The eighth grade visited the first grade arithmetic class last week. The first grade solves such problems as  $(3 \times 2) + 7$  equals 12 with the aid of cuisenaire rods, implements of modern math. The eighth grade borrowed the

## FORD TOTAL PERFORMANCE WINS ATLANTA "500" FOR 3RD YEAR IN A ROW!

For the 3rd time in three years, Fred Lorenzen takes the grueling Atlanta "500" at the wheel of his Ford.

**Latest win gives Ford 11 out of last 12 NASCAR 500 milers!**

ATLANTA, April 5: In a blazing exhibition of total performance, ace driver Fred Lorenzen piloted his specially modified '64 Ford to a stunning victory in the Atlanta "500" before a cheering crowd of 75,000 spectators. This victory marks the 11th time that Ford has captured a NASCAR stock car event of 500 miles or more starting in May, 1962.

In the past two years, tough, dependable Ford-built cars have carved out an incredible history of victories in virtually every kind of automotive event possible—from stock car races to economy runs, from rallies to endurance tests.

This is the dramatic way to show that Fords have changed... and the sure way to be certain they keep on changing.

Ford enters special cars in open competition, in addition to its extensive laboratory and test track programs, because competition provides an intensity of testing that no proving ground alone can provide.

The lessons Ford has learned in racing have already led directly to such refinements as a stronger rear axle, streamlined "fastback" styling, better brakes and an improved ignition system.

Because Ford enters open competition, the cars at your Ford Dealer's are stronger, better handling, safer and thrifter in the long run. They're built for total performance.
