**FATAL WRECKAGE** where Ollie Scott, 72, pioneer Motley county farmer was killed last week when a big diesel truck plowed into the old broadcast binder he was pulling behind his tractor. The accident happened shortly before sundown on State Highway 70, about two miles south of Roaring Springs. Mr. Scott was not crushed, as the Tribune erroneously reported last week, but was believed to have died almost instantly from head injuries, possibly caused by blows from swinging pieces of metal. The photograph of Mr. Scott, left, was made by Tribune Editor Douglas Meador, about eight years ago, in the office of the Red Ball Gin, Roaring Springs. Mr. Scott requested Meador not to publish the picture as long as he was living. He told Meador at the time that he had not had his picture made in 40 years.

**A. J. DYE ENTRY TOPS GILT SHOW**

A Poland China gilt exhibited by A. J. Dye of Roaring Springs was selected last week for top place in the Motley county annual 4-H Club swine show. The gilt was bred by Bert Green of Roaring Springs and is registered A. J. is the son of Mr. and Mrs. Alfred Dye of Roaring Springs.

The winner barely nosed out a gilt shown by Geney Spray of Matador. The second place gilt was the youngest animal in the class, but was the largest, reflecting an excellent feeding job. Third place went to Rex Bearden of Matador, who exhibited a litter mate of the second place gilt. Both were bred by Gary Lancaster of Matador.

Other placings were: 4th, Jerry Gilbert of Flomot; 5th, Jerry Warren; 6th, Bill Brooks; 7th, Gale Stafford; 8th, Tom Beard, Jr., all of Roaring Springs. Prize money was: 1st, \$8; 2nd, \$7; 3rd, \$6; 4th, \$5; 5th, \$4; 6th, 7th and 8th ribbons. Norman Cates, Vocational Agriculture teacher of Paducah was the judge.

**Win At Lubbock**  
Bert Green was awarded 5th place for his Poland China boar exhibited Saturday in the Lubbock area district Sears 4-H swine show held at Texas Tech. A Poland China gilt exhibited by A. J. Dye both boys of Roaring Springs was awarded 13th place.

Alfred Dye of Roaring Springs and County Agent Bill Pailmeyer accompanied the boys to Lubbock.

**VISITS IN ODESSA**  
Miss Betty Fran Montgomery was a recent visitor in Odessa in the home of Mr. and Mrs. L. R. Fugit, as guest of their son, Gerald, who was home on leave from Ft. Benning, Ga.

Upon her return, Miss Montgomery went to Lubbock, where she attended Rush Week activities at Texas Tech, last week.

Mrs. George Parkhill of Bridgeport visited here Wednesday and Thursday in the home of Mrs. R. E. Donovan and daughter, Rose E. Carolyn. She also visited in the home of Mrs. John Lawrence, daughter, Mrs. John Lawrence. Another daughter, Mrs. J. H. McNabb, lives in Quanah.

## Nell Webb Accepts City Job

Nell Webb, employee of Spot Cash Grocery & Locker Plant for over eight years has resigned to accept an appointment as city secretary.

Miss Webb will replace L. M. Cox who has held the office for six years. Cox resigned at a special meeting of the council Monday night to fill a newly created city position. He will assume the responsibility of assessing and aiding in the collection of city taxes. He will devote as much time as needed in the collection of delinquent taxes.

In a statement to the Tribune, Mayor W. L. McWilliams outlined Cox's new responsibilities as that of "trouble shooter" for the city's various departments. He will, in effect, be responsible for the satisfactory functioning of all city operations. He will receive and adjust complaints from any branch of the city's service.

The change in city personnel all resulted in the resignation of former water superintendent, Lee Burns, who has accepted a similar position with the city (continued on back page)

## L. M. Gunn, Flomot Claimed By Death

Lee M. Gunn, 92, Flomot resident since 1908, died Thursday at his home there, and funeral services were held Saturday at 2 p. m. at the Church of Christ.

Minister Jess Browning, and Rev. Daniel Leonard conducted the services. Interment was in Flomot Memorial Park under the direction of E.udy-Seale Funeral Home. Pallbearers were Austin Tanner, Herb Martin, Tom Bynum, Roy Cruise, Perry Barham, Barney Martindale, Wendell Morris and Luther Turner.

"Uncle Lee" as he was affectionately called, had been in failing health for two years and had spent the last 14 months in bed. He was cheerful and uncomplaining and had the ambition to live to be a hundred years old. He died at 5:50 p. m. September 13, having reached the age of 92 years, 9 months and 5 days.

He was born December 8, 1863 in Howard County, Arkansas. He was married in Arkansas, August 2, 1888 to Mollie Jones, and the union were born six children, two of whom died in childhood. One son, D. W. (Walker) died in 1918 in a training camp in Virginia. Mrs. Gunn died in 1938.

## Boosters Visit County Schools

Hundreds of South Plains school children and citizens in Hale Center, Plainview, Lockney, Floydada, Matador, Roaring Springs, Dickens and Spur were visited by more than 30 Lubbock businessmen and women on the third Panhandle-South Plains Fair booster trip Tuesday.

The booster caravan reached Matador around noon Tuesday and distributed souvenirs of pens, pencils, balloons, posters, stickers and book matches, all advertising the Panhandle-South Plains Fair, September 24-29.

Paul Sweatt, superintendent at Roaring Springs, provided the booster trip with a laugh when they arrived there. He gave Jim Crook, assistant manager of the Lubbock Chamber of Commerce and tour director, a set of keys, which he said someone dropped at the school during the booster trip there a year ago. Sweatt had been saving the keys. Crook had he did not know who the keys belonged to but would check the records of who made the trip last year and possibly find the owner.

**SINGERS TO MEET**  
All area singers and those interested in good community singing are invited to meet Sunday, Sept. 23, at 1:30 p. m. at Paducah. The singing will be held in the Cottle County courthouse, according to H. C. Goodgame, who makes the announcement.

GIRL ON HER WAY—Nell Webb, above, was named top winner in 4-H girls achievement record contest in Extension Service District 3, and her records are now being judged in state competition for an opportunity to attend the National 4-H Congress in Chicago. She is the daughter of Mr. and Mrs. C. M. Barlow, Jr.

Winners of top awards were announced at Vernon, Friday by District Agents Fern Hodge and James Simmons.

Three Motley County 4-H records were entered in District competition, and all three were winners, thus opening a new field of events for county members.

For the second year, the Matador High School 4-H Club was named 1st place district winner in the Recreation Contest, and records have been entered in the state contest, where the club was one of the 6 blue ribbon winners in 1955.

Mary Ann Calvert of Flomot placed third in the girls Santa Fe Awards contest. In this contest, only the top two places are submitted for State honors, but three are selected for district honors, said County Agent Bill Pailmeyer.

Pailmeyer says many other record contests are open to Motley county boys and girls, to compete on a state and national level. Many valuable awards are offered, ranging from expense paid trips to National 4-H Club Congress in Chicago each November, and College scholarships, to watches and pen and pencil sets.

## Reeves Is Speaker At Lions, PTA Joint Meet

Elbert Reeves, still District 83 State Representative, but active by a member of the Matador high school faculty, Tuesday night made the principal address at a joint meeting of the Matador Lions Club and the Matador PTA.

The meeting held on the high school campus, is an annual affair attended by Lions members and their ladies, and members of the PTA. Purpose of the joint affair is to introduce members of the school faculty and to form a basis of better understanding between the faculty and patrons of the school. A number of special guests also attended the Tuesday night meeting. Ice cream and cake were served to an estimated 150 attending.

Following a brief address by Lions President Bill Seale, Mrs. Tom Newman, President of the Matador Parent-Teacher Association, introduced each member of the faculty of both grade and high schools. She also introduced the speaker.

**Urges Bill Support**  
Reeves urged the support of Amendment 4 at the general election in November which insures proper retirement pay for members of the teaching profession who have served in classrooms 30 years. Reeves pointed to the need of attracting more capable teachers to the profession which requires approximately 4,000 new recruits in Texas each year. He said literacy was advancing rapidly in the state and at present almost 90% of the eligible students are attending schools.

Reeves said the retirement fund amounts to 14% of the teacher's salary being matched with an equal amount by the state. He said the actual cost to the taxpayer would be about 50c each per year. Reeves himself will not be able to benefit from the measure although he is a veteran teacher. The retroactive clause in the amendment would prohibit his claiming 15 years prior service in the profession.

**Schedule of the remaining five games, is as follows:**

October 4—Estelina, here  
October 11—Quitaque, here  
October 18—Turkey, here  
October 25—Turkey, here.

## Mitchell Daughter Arrives From Japan

Mr. and Mrs. J. D. Mitchell of Roaring Springs, drove to Amarillo, Tuesday where they met and accompanied home, their daughter and her family, Lt. and Mrs. Louis F. Jones and small daughter, Janie, who arrived by plane after a 9,000 air-mile trip from Kyushu, Japan.

Lt. Jones has been stationed the past three years at Itazuke AF Base. Mrs. Jones, the former Marion Alice Mitchell, joined her husband in Japan two years ago, and their baby was born there. They will visit here and with Lt. Jones' family in San Angelo, before going to Long Island, N. Y. where he will be stationed.

Close friends of the Jones while in Japan, was a former Matador girl and her husband, Captain and Mrs. G. A. Fletcher. Mrs. Fletcher is the former Evelyn Lea, whose parents, Mr. and Mrs. Solon Lea, reside in Lubbock.

**COME TO CHURCH SUNDAY**

## White Is Elected Roaring Springs Coach, Principal

Kirby White of Haskell has been elected Roaring Springs high school principal and athletic coach to fill the vacancy resulting in the resignation of Ray Snyder, who has accepted an assistant coaching job at Munday.

White was reared at Haskell where he graduated from high school with the Class of '51. He participated in track, football and basketball for four years during high school.

White graduated from McMurry last spring. He is a member of I.H.R. men's social club, and was student manager for one year. He is also a member of the P.T.A. club. He majored in physical education. His minor was history.

## Two Associations Plan Meeting Here

City of Matador will be host next week to a combined annual meeting of two water associations, according to an announcement by Major Walding, city waterworks superintendent.

Caprock Water and Sewer Association, which extends from Matador, west to Muleshoe, and the Greenbelt Water and Sewer Association which extends east from Matador to Vernon, will meet here at 7:30 p. m. Tuesday, September 25, in the Methodist Church basement.

Plans are being made to entertain approximately one hundred visitors at the meeting, and Mayor W. L. McWilliams will be on hand to welcome the group.

## BREAKS HIP IN FALL

Mrs. A. D. Beauchamp suffered a broken hip late Sunday evening in a fall on the porch of her ranch home southeast of Matador. She was brought to Trawick Hospital for examination, and Monday was conveyed by Eudy-Seale ambulance, to Quanaah Memorial Hospital, where she is being treated. Mrs. Beauchamp is accompanied by her wife, and joining them was their daughter, Mrs. John Lawrence. Another daughter, Mrs. J. H. McNabb, lives in Quanah.

# Annual Opening Monday in Lubbock

Land Chinas, Hampshire, Spotted Poland Chinas, Wednesday at 9 AM; Holsteins, Wednesday at 1 PM; Guernseys, Thursday at 9 AM; and Rabbit Show, Friday at 8:30 AM.

"Holiday on Ice" which thrilled more than 30,000 spectators last year, is returning with nine performances in Fair Park Coliseum, beginning Sunday, September 23. Shows will be held nightly at 8 o'clock, Sunday through Friday, and matinees, in which children will be admitted at half price, are scheduled on Monday, Tuesday and Friday. There are plenty of tickets available at the Caprock Hotel box office before and during the Fair and at Fair Park Coliseum during Fair Week.

**Full Week of Activities**

The Fair opens Monday morning with the "Parade of Bands" which includes approximately 30 of the finest area bands competing for \$600 in prizes.

Scheduled daily are free acts featuring the daring French aerialists, the Kimris who whirl on a revolving superstructure high above the midway crowds. "The Sky Tones", one of America's foremost aerial acts will also perform, as will "The Great Cresso and his Rocket Car." Free acts can be seen twice daily, beginning at 3 PM and 9 PM.

Bill Hames' merry midway will be open daily, providing thrilling sights and rides for the young at heart.

On Saturday, the top features will be the West Texas Baton Twirling Festival and the Official State Championship Baton Twirling Contest to be held in Fair Park Coliseum. More than 800 twirlers in Texas have been invited to perform.

A top wrestling card has been arranged for Saturday night at 8 o'clock in Fair Park Coliseum.

The full week of activities is, as President Gee put it, "a perfect blend" of neighborliness, education, and entertainment.

**CARD OF THANKS**

The kindness and sympathy of neighbors and friends in our recent sorrow will always remain with us as a precious memory. Our sincere thanks and gratitude for all those comforting acts. We also want to thank Bill Seale, Minister Leonard Dennis of McAdoo and Rev. Arnold Bickle of Roaring Springs, for every consideration of our needs.

The Ollie Scott Family.

John Turner of Kress, formerly of this county, was visiting friends and attending to business Friday.

## COUNTY AGENT PALLMEYER SAYS:

**SEPT. 30th DEADLINE FOR FEDERAL GAS TAX REFUNDS**

Farmers are entitled to claim a refund of the Federal Tax on all gasoline bought and used for farming during the 6-month period Jan. 1 through June 30, 1956 but this claim must be submitted by Oct. 1, 1956.

All owners, tenants or farm operators who buy gasoline for use on a farm or ranch may file a claim. A farmer may also request a refund of the tax on any gasoline used on his farm by a custom operator or a neighbor in connection with cultivating the soil, raising or harvesting a crop.

Under the law enacted April 2, 1956, the amount claimable this year is 2 cents on each gallon purchased and used on a farm for farming purposes during the first 6 months of 1956. In future years claims will be filed for a full 12 month period from July 1 through June 30.

Claims must be filed on Internal Revenue Service Form 2240. It may be obtained from the County Agent, and again farmers are reminded that there are no provisions to permit payment on claims filed late, therefore all claims must be postmarked no later than Oct. 1, 1956.

Refund claims must not be made for gasoline used off the farm, or for gasoline used for other than actual farming purposes as described on Form 2240. This applies to gasoline used on the highway, personal use such as mowing the lawn, or for processing, packaging, freezing or canning operations. Sufficient records should be kept to enable the Internal Revenue Service to verify the accuracy of the refund claimed.

Mail forms to Director of Internal Revenue, Dallas, Texas.

## Children Protected By Strict Law When School Bus Stops

Drivers of all motor vehicles are warned that school children are protected by a strict law when boarding or leaving a school bus. It is a violation to pass a stopped school bus going either direction on a highway (not inside city limits).

The law says, in effect, that upon meeting or overtaking from either direction a school bus which has stopped on the highway to receive or discharge children, the driver shall stop immediately before passing, then proceed with due caution at a speed which is prudent and does not exceed ten miles per hour. Vehicles are not required to stop on highways with separate roadways when the bus is on a different roadway from that of a passing vehicle.

Vehicles are not required to stop if the school bus is stopped in a loading zone which is a part or adjacent to a controlled-access highway and where pedestrians are not permitted to cross the roadway.

Texas school buses were involved in 37 accidents in rural areas during 1955. Three children and two adults were killed in the accidents.

## KNOW THE SEED YOU BUY

Many farmers are getting gyped on the seed they buy. A recent survey made in Parmer, Deaf Smith and Sherman counties showed that samples taken from the drill box were not always what they were presented to be. Of 163 drill boxes tested, 78 were not the variety that they were supposed to be. Many of these contained mixtures in which part of the mixture was the name given the wheat, but in several cases, the variety was entirely different from that it was supposed to be.

The test showed that 22% of the farmers were planting varieties that were not acceptable, and the mixture containing milo, barley and rye was greater than it should have been if careful seed harvesting, storage and selection was practiced.

Average purity of seed was 96.18%. Inert material 3.61%, other crop seed 1.8% and weed seed 0.68%. No samples taken were found in the samples taken, considerable Johnson grass seed was found. Blueweed, bermuda, goatgrass and pigweed seed were also found.

The test also showed that 72% of the farmers were planting seed they had produced and treated, 85% of seed planted was treated, 5% planted certified

**Soil Bank Wheat Payments To Be In Cash Or Grain**

College Station—Compensation to farmers for reducing their 1957-crop winter wheat acreage below their wheat allotment, designating such acreage for inclusion in the Soil Bank's Acreage Reserve program, will be in the form of negotiable certificates, R. G. Shrauner, Chairman of the State Agricultural Stabilization and Conservation Committee, has announced.

The certificates are redeemable in cash through regular banking channels, or they may be redeemed in grain by the producer to whom they are issued. The certificates will be issued after the County ASC Committee can determine that the acreage-reduction requirements of the program have been met.

Land in the Acreage Reserve must not be cropped or grazed during the period of the Soil Bank agreement. If any winter wheat is grown on the farm this fall, Acreage Reserve agreements for the 1957 wheat crop must be signed by September 21, 1956.

### PIED PINIONS

By Mrs. M.

If you want to split your calories, follow the example of a couple of young Matador matrons. The other day in the drug store, Jerry Campbell and Wilma Norman ordered a "banana split-split".

Lee Burns, who has accepted a position with the waterworks department in Midland, had the sad experience of losing the shirt off his back, almost literally. He left his clothing in the house which he and his family will occupy, and last Tuesday everything returned to find that everything had been stolen except his dress suit. In his wardrobe were four new pairs of khaki pants and shirts, and several good dress shirts besides his older work clothes.

He had left the house unlocked because the former occupants were moving their belongings out during the day, but were already gone when he returned that night. He immediately phoned Virginia to send him some clothes. Later, he found one of his old suits of khakis stuffed into the corner of a closet.

We're all going to miss Lee and Virginia, and the younger set will miss the family's teenagers, Karan and Clinton Lee. In fact, the latter are raising such a howl at having to move, that Virginia allows she might have to chloroform them to get them out of town. She sort of formed a truce by agreeing to stay here until the end of the first six weeks of school.

This has been home to the Burns family for nine years, and they have experienced tragedies which have knit them to the community in close bonds of friendship that will be hard to sever.

### Bare Pantry Shelves Filled Through Use Of Floydada Cooperative Cannery

(By Alma Holmes)

FLOYDADA, (Special)—Many a bowl of food goes on the tables in Floyd County because of the work being done by the Floydada Cannery, according to Mrs. Robert Day, manager of the enterprise since 1946.

The cannery is open five days a week and many Floydada women come every day to can food on the halves. Farmers bring in fruit and vegetables by the truck load, or busy homemakers who have extra supplies of vegetables and fruit on hand are happy to give half of the food to get it canned or prepared ready for the home freezer.

Many other homemakers come to the cannery to do their home canning. There are no charges made for using the equipment at the cannery, and best of all, it keeps the mess out of a home kitchen. Mrs. Day is always on hand to teach the women and to help them preserve their food. Women who do their own work can take all the food home.

Because of the steel strike, cans have been hard to obtain. There are plenty of glass jars however, and the 1956 season has been a record breaker. Thousands and thousands of cans and jars of good fresh Floyd County fruits and vegetables have been saved for use this winter.

Mrs. Day says, "There might be something to the old joke

"How do you like my hat?" asked the wife innocently, as she preened herself before the mirror.

"It looks silly," said her tactless husband. "Why don't you take it back?" "Oh, I can't take it back," said the wife. "You see, it's my old one. But I can go buy another." Wall St. Jnl. as quoted in QUOTE.

about Texas folks' blood testing 90% black eyed pea juice, because more black eyed peas are canned than any other vegetable. Corn is running a close second. Green beans are coming in now along withokra, squash, cucumbers, peaches, grapes and chickens."

It is surprising what the homemakers find to can. A partial list includes soap, lard, hot tamales, hominy, soup, chili, pork and beans, tomatoes, tomato juice and catsup.

Floyd county women are quick to admit that a cannery is one of the finest things a county can provide for its citizens and they are sure that no food will go to waste as long as the cannery is in operation.

Visit Cannery Three Matador women, Mrs. Henry Thompson, Mrs. J. P. Neighbors and Mrs. Frank Stafford were recent visitors at the cannery, and were much impressed with the program and opportunities offered.

### Riding Club Gives Chuck Wagon Supper

Cattle-King Riding Club members were hosts at a chuck wagon supper, Sunday evening in Paducah, which was attended by approximately 400 hundred friends in the area.

Buster Tippen, chief cook, was assisted by Pete Mayberry of Crowell, Jack Parnell, and others in preparing and serving the mammoth quantities of food (including two beeves) for the affair.

Regular chuck wagon fare was served with the menu consisting of steak, potatoes, beans, stew, fruit, coffee and lemonade. Attending from Matador were Mrs. Arch Black and Mr. and Mrs. Joe Meador.

**THIS AIN'T HAY**—It is Sorghum Alfalfa grass, the fabulous new grass from New Zealand which may revolutionize the cattle industry in Texas. Man in above picture is G. W. James who lives 1 1/2 miles south of Roaring Springs. He obtained about 3 1/2-pound of the seed from his son-in-law, Albert Marshall of Wheeler, and planted an acre about the first of July. He did not obtain a stand but the grass is producing seed. Reports claim that an acre of Alfalfa grass will keep three head of livestock. It stands a lot of cold weather, yet can be plowed up. The above bunch of grass grew from one tiny seed. Cattle, hogs and poultry like the sweet grass according to claims.

## Eighth Grade Looks Ahead

Members of the eighth grade have anxiously started their last lap in the race to get to high school. This year four new students, Don Williams, Bob Williams, Gale Stafford and Vergie Hollman, joined the class.

For two weeks the entire class has wandered around in a daze of verbs, nouns, subjects, and predicates, to say nothing of reviewing fractions, studying about Columbus again, and stretching their muscles in calisthenics. The race of time has been long for some and for others very short, but to all, it is a great satisfaction to know that at last they are getting just a little closer to high school.

## Seventh Grade News

Jimmie Green was elected president of the seventh grade in a meeting last Thursday. Other officers will be: Dale Dixon, vice-president; Dixie Barton, secretary; and Johnny Ezzell, reporter.

Six of the thirteen boys enrolled in the seventh grade came out for the grade school football team. They are: Ros Bearden, Dale Dixon, Jimmie Green, Albert Thrasher, James Smith, and Ronnie Smith.

## Fifth Grade News

In an election of officers held by the fifth grade, Jack Luckett was elected president; Joyce Scuff, vice-president; and Bette Sandefer, secretary. David Rattan and Claude Glascock were elected as football captains.

There are twenty-one students enrolled in the fifth grade, fourteen boys and seven girls.

**GMC**

LEADS THE WAY

**Why settle for less than Blue Chip performance?**

It doesn't take a new GMC owner long to spot the difference—especially if he's just switched from another make truck. Take the way every Blue Chip GMC is "engineed". An ultra-modern power plant gives him flashing response, sparkling road-pace—and record fuel economy.

Hydra-Matic\* is another eye-opener. Right away he appreciates its time and effort saving in traffic. And later on, he cashes in on the big maintenance savings.

And every trip he can carry a bigger load. For GMC chassis are rugged—GMC axles are extra-capacity.

So he hauls more—and hauls it comfortably. GMC cabs are man-size and deep-cushioned. Recirculating ball-bearing steering makes handling free and easy. Close-quarters parking's a cinch with Safety Power Steering.\*

And at every stop, a Blue Chip GMC attracts admiring attention. With that distinctive boulevard styling, it's a smart advertisement-on-wheels for any business.

One for your kind of truck-work? Our truck specialists will help you select just the Blue Chip model that will do your job most profitably. And our truck servicing experts always stand ready to help you keep it a Blue Chip top-profit-maker. Drop in and get acquainted!

\*Optional at extra cost.

## NELL WEBB . . .

(continued from page one)  
Midland Major Walding, former assistant to Burns, was named water superintendent in the Monday night meeting. Burns has already assumed his new duties with the Permian Basin oil metropolis.

**No Extra Employees**  
No change has been made in the number of city employees, altho the titles have been shifted and Miss Webb will fill the vacancy created by the change in Cox's office.

"Purpose of the new trial plan", one member of the council declared, "is to place responsibility with one person, and to relieve council members from the necessity of devoting their own time in adjusting complaints which should be serviced by salaried employees. We also believe that more time devoted to tax problems (assessing, collecting and delinquent taxes) will be profitable." Miss Webb will begin her new duties Monday.

## L. M. GUNN . . .

(continued from page one)  
Surviving children are three sons: W. H. (Harley), of Flomot;

J. M. (Mell) of Bovina, and B. W. (Boots), of Levelland. He is also survived by 5 grandchildren, 9 great-grandchildren and one brother, Daniel Gunn of Lorraine, Texas.

Many friends and relatives attended the simple service at the church that he so faithfully attended as long as health permitted. The many flowers and host of people who were present to pay final tribute, were testimony of the esteem which the entire community felt for Uncle Lee.
