PRICE TEN CENTS

TRAIL DUST

By DOUGLAS MEADOR

One of my financial advisors says he has his personal business about even with the world. He owes about as many people as he doesn't owe.

A bright new windmill spinning in the sun inspires the heart. It is a symbol on the frontier of man's eternal need for water in the process for survival.

Success may be the seldom secure area where we become slave or master of our habits.

The interest we pay on neglect of duty can amount to more than the principal although a lifetime may elapse before foreclosure.

This is the time of year when we used to haul several loads of dead cottonwood, mesquite and Chinaberry trees and pile them near the house. It was considered a simple part of the chores to cut several armloads of wood and stack it near the stove. We spread the ashes to make a walk beyond the back door. Now it is something of a problem to light a gas furnace.

Any new idea deserves a right for review and perhaps application so long as it does not conflict with the rights of others. All the advances of society were once new ideas. However, the great mistakes of nations, communities and individuals were also once new ideas.

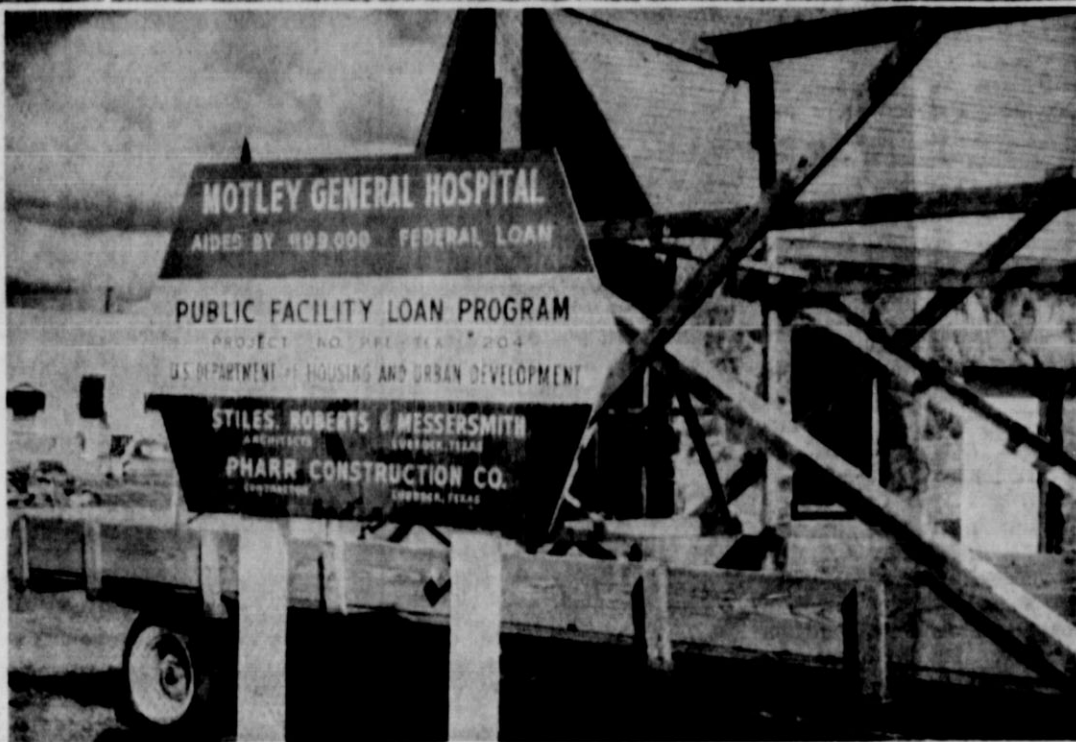

An automobile may be a symbol of prestige unless it is a very old vehicle driven by a very wealthy man. In this instance the rest of us ignore the situation, aware that he does not need prestige and that he is not making monthly payments.

It has been said that you can't keep a good man down, but the world doesn't seem to know the good from the others.

Pallmeyer Named As Service Officer
To assist Motley County veterans with their problems, County Agent Bill Pallmeyer has been appointed County Service Officer by the Motley County Commissioners Court. The appointment, made July 8, 1968, has just been announced for the benefit of ex-servicemen.

Duties of this office include assistance to veterans and dependents relative to claims and information relative to benefits. "In case of conflicts, veterans and dependents are reminded that the County Agent's work will have first priority," Pallmeyer stated.

Matador Tribune
Dear Friends,
This is just a line to let you know that I am receiving the Matador Tribune regularly. I want to thank you for sending it over here. Even though I have moved around a lot since I've been over here it has followed me everywhere. After moving out of Dong Tam I went to Xuan Loc. Cu Chi was in need of a squad leader so my battery sent me here. We are used for convoy protection only. We run convoys to Dau Tieng and Tay Ninh city seven days per week. Everyone over here stays pretty busy but every piece of mail is welcomed at mail call. Again I want to thank you for sending me the Tribune. Sincerely yours,
Btry. D (MG) 71st Arty.

Lions Speaker Discusses State Youth Problem

UNTIL about five years ago 42% of the boys and girls sent to state reform schools at Gatesville and other locations, committed other offenses against society and were returned to confinement.

Since the establishment of Texas Youth Council the percentage has dropped to 28, according to Herman Fox of Paducah who services nine counties in this area. He was principal speaker Tuesday at the regular luncheon meeting of the Matador Lions Club and was introduced by Lion Charles Johnson.

He explained the difference between the frequently confused terms of parole and probation. His work is concerned with parole after a boy or girl has served some time in a state institution. Fox said the state operates nine schools where offenders attend with complete freedom.

The maximum security unit is for those who have committed more serious crimes where the stay average is 28 months. The regular schools attempt to restore "mixed up" youth to society and the stay average is nine months.

Fox blames the attitude of parents and the lack of good home environment for many boys and girls getting into trouble. "Some parents simply do not care and do not want to be bothered with their children," Fox said.

Boys of the maximum security area are first given a bath and their hair is cut to normal length. They are given IQ tests and started to school, which includes vocational training, drivers education, etc.

After a boy is released on parole, Fox works with parents where possible, and requires church attendance of at least once a week. He said so far no boy has allowed his hair to grow long and most have learned to say "Yes sir" and "No sir."

Boss Lion L. B. Campbell called for a brief meeting of the Lions directors immediately following the luncheon.

Resident's Brother Dies in Fort Smith

Mr. and Mrs. Guy Kimbell left Tuesday for Fort Smith, Ark., to attend funeral services for her brother, Jack Robinson, 69, one-time resident of this county. Mr. Robinson died at 7 a.m. Monday and funeral services were held Wednesday. A native of Arkansas, Mr. Robinson lived here about two years, leaving in 1920 to return to his former home.

Mr. and Mrs. Kimbell were accompanied by their daughter and family, Mr. and Mrs. Harold Verett and son, Shawn of Blanco Canyon, and their son, Guy Kimbell Jr., of Lubbock.

IN AMARILLO HOSPITAL
Wallace Rattan, who has been a patient in Richard's Memorial Hospital, Paducah, has been transferred to the Veterans Hospital in Amarillo. Ward Rattan accompanied the ambulance in conveying his brother to Amarillo.

Hospital Progress Now Rated at 50%

PROGRESS on the Motley County Hospital is now rated at about 50% completed by G. B. McReynolds of Lubbock, superintendent of the remodeling of the former Stanley Hospital here.

Plasterers are at work this week and all metal door frames have been installed. Mr. McReynolds, who supervises the work for Pharr Construction Company of Lubbock, said the hospital when completed, will meet all regulations of health, fire and safety.

Mr. McReynolds said the residents of Matador have been very cooperative since the work was started and that he appreciated the attitude and the enthusiasm shown here.

"When I was promised that the building would be cleared immediately so that we could start work, I was a little skeptical," Mr. McReynolds declared, "but about 35 men showed up and before night almost everything was out of our way." (Members of the Matador Lions Club contributed time and effort in removing the furniture.)

Large elm trees have been removed from the west entrance of the hospital. The entrance will be completely rebuilt to provide a storm door effect to trap warm (and cool) air in the lobby.

A new structure on the east side is being built to house the boiler and the heating and cooling equipment. All construction is of the most modern design and will meet all specifications.

Attend Amarillo Rites for Brother
Relatives attended funeral services in Amarillo on Saturday, Oct. 25, for Earl Green, 73, brother of local resident J. C. Green Sr., who died in Mineral Wells on Oct. 23.

Mr. and Mrs. J. C. Green Sr., were accompanied to Amarillo by their children, Luther Green and son, Tim, Ted Green, and Mrs. Pete Williams. Others joining them were Mr. and Mrs. Donald Green of Floydada and Richard Green of Plainview.

VISITORS ARRIVE FROM CALIFORNIA, ARIZONA
Sisters of Mrs. Pat Sheridan, Mrs. Blewitt Davis and Miss Annie Mae Jackson of Los Angeles, Calif., and Mrs. Mary Rogers of Prescott, Arizona, arrived here Wednesday night for an indefinite stay, during which, Mrs. Rogers is scheduled for surgery in Highlands Hospital, Lubbock. Her son, John Morgan Rogers of Mineral Wells and his wife were in California, and he accompanied the women here while his wife remained in Arizona to visit her relatives.

Besides her sisters, she has been joined by her children, who will remain until after the surgery which is set for Friday. They are, in addition to Mr. and Mrs. John M. Rogers, Mrs. Jerry Barila of Prescott and Mr. and Mrs. Jackie Rogers of Brigham City, Utah.

IN QUANAH HOSPITAL
Mrs. Wilson Cook is a patient in Quana Hospital. Mr. Cook accompanied his wife to the hospital Sunday and she remained for medical treatment. He returned to her bedside Wednesday afternoon.

"Unloaded" Gun Blasts Car and Station Pumps

A TRIO of unsuccessful deer hunters stopped their camper at El Matador Travel Center about 12:30 p.m. Sunday and two of the men went inside the restaurant for a cup of coffee. One of the young men said he would rearrange the camper.

There was a shot. A high-powered deer rifle discharged through the side of the camper, went through the rim of a filling station pump. At almost the same time Odis Preston Waver of Lubbock, accompanied by his wife, stopped in the station. He was in time for the bullet to go through the fender and grill of his car and strike the bumper where it shattered. A piece of the bullet broke a glass in another pump.

Sheriff J. D. Spray investigated the accident and no charges were filed. The camper was driven by James Moore of Mesquite, Texas and he and his companions were on their way home from Colorado. He told Sheriff Spray that the shot in the camper was the only one fired by the young man on the trip. He said the gun had previously been checked and "unloaded."

The freak accident could have been serious since the gun was pointed in the direction of El Matador Restaurant where approximately 60 customers were eating Sunday lunch.

Change is Made In Parade Date

Date of the annual Christmas Parade, sponsored by the Matador Lions Club, has been changed to Friday, December 5, at 3 p.m. The announcement was made Tuesday night by Boss Lion L. B. Campbell, following a meeting of the directors.

Patton Springs School Band will again participate with the Matador Drum & Bugle Corps and prizes will be given in the Christmas float competition.

Christmas Bazaar Planned by Club

A Christmas gift bazaar is announced by Motley County Arts and Crafts Club, to be held on Friday, Dec. 5 in the show room at Matador Auto Ford Agency.

Members are preparing a variety of unusual and attractive articles for sale, and will also have home baked cakes, pies, breads and other foods to offer.

Also on display during the day will be several outstanding Christmas decorations for the home, which members have made, but which will not be for sale.

Matadors Spoil Homecoming for Turks in First Conference Game

By Lance Jameson

The Matador Matadors are going to enjoy their turkey this Thanksgiving after clipping the Turkey Turks' feathers in their first conference game Friday night in Turkey, 22-12.

It was Turkey's Homecoming game and at half-time, Sally Case was crowned Queen. She is the daughter of Mr. and Mrs. Jack Case, formerly of Matador.

The Matadors' offense was good, but their defense was outstanding. On four different occasions the Turks had a first and goal to go, but the Matadors' line turned to steel and the Turks were unable to score. The two Turkey passes that end Lee Hurt and halfback Ronnie Welling intercepted insured the victory bell's ringing with extra vibration.

The Turks scored in the first quarter when halfback Vevens ran the opening kick-off back 85 yards to score. The conversion fell short. Midway in the quarter, after a blocked punt by Welling, Matador opened a gate in the Turk line and quarterback Bill Barnhill sail-

Interest Grows in Homecoming Plans

As the date for Homecoming—November 14—nears, interest is mounting and final arrangements are being made for the various activities, which will get underway with the high school's big bonfire on Thursday night at the VFW grounds.

Following the bonfire, a hospitality coffee hour will be held in the VFW building for everyone who wishes to attend.

The VFW building will also be the scene on Saturday night, of a reunion of the class of 1959, starting at 7:30.

Friday will be filled with Homecoming activities starting with registration and coffee at 9:30 a.m. in the high school. A program, business meeting and pep rally will be held in the auditorium between 2 and 3:30 p.m. and from 5:30 until 7 p.m. a buffet supper will be served in the American Legion building.

The football game at 7:30, between Matador and Hart will be highlighted by the crowning of the Football Sweetheart, chosen by the Matadors. After the game,

visiting and dancing will occupy the attention of students and "Exes," to conclude the day's entertainment.

Writes From Tennessee

Don C. Tudor, Class of 1925, writes from Knoxville, Tenn., to: "Dear Hazel and All Ex-Students of Matador: Received your flyer on the Ex-Students of old M.H.S. and made me real happy and proud to be known as one. So am sending a check for \$5 for my small contribution to the greatest town and the grandest bunch of people in America to me. They are my kind of people."

"I am going to make every effort to be there if the Lord is willing. So tell Buck, Grace and all of the class of '25 to be there if possible. I know we can all find plenty to make it one of the happiest days of our lives."

"I am looking forward to turning the old Clock of Time back 44 years. Sincerely yours, Don C. Tudor, Apt. 1310 N. Gate Terrace, 4301 Whittle Springs Rd. Knoxville, Tenn. 37917."

Veterans Announce Nov. 11th Program

A PROGRAM on Tuesday, Nov. 11, honoring all veterans (those who have returned and those who are still overseas) has been announced by the Motley County Veterans of Foreign Wars. The program is also sponsored jointly by the American Legion.

The announcement was made this week by VFW Commander John Stotts. Principal address will be made by Furman Vinson. The program will be held at the VFW Building starting at 7:30 p.m. Leon Smallwood will serve as

master of ceremonies and Luther Green will introduce the speaker. Pledge of Allegiance will be led by Richard Turner. Invocation will be by Rev. John Fitzgerald, pastor of the First Methodist Church.

Veterans of both organizations urge everyone to attend as evidence of support of the servicemen who have been a part of the Vietnam conflict.

Refreshments will be served following the program, it was announced by officials.

Community Chest Sets \$2,500 Goal

A GOAL of \$2,500 has been set for the Matador Community Chest campaign, and is \$500 lower than the goal set (but not attained) in several years.

The board of directors meeting Thursday afternoon in the Commissioners Court room, decided on the lower goal with the hope that it might be achieved. Last year's total contributions were slightly less than \$2,000.

A new departure in solicitation will be conducted during the 1969 drive, which will open November 17 and continue through November 24.

The solicitation will be made in a mail campaign. It was concluded that members of the Matador Lions Club making the drive, lose time and those being solicited lose time. Letters and self-addressed envelopes will be mailed to those being solicited. There will be a "mop-up" drive conducted to contact those who do not respond, and to close the

campaign. The Community Chest, which has operated here for over 20 years, centers its interest and support to youth activities, including the Boy Scouts, Cub Scouts and Teen Canteen. The local charity case fund provides aid to those who need it in emergencies.

Other agencies which receive a percentage of the total amount of each campaign, include the Red Cross, Salvation Army and USO. All control is kept by the 10-member board, which serves without pay.

Residents of the Matador Independent School district who support the Community Chest are asked to consider their contributions for the entire year.

First contribution to the 1969 drive was made by Mrs. C. M. Schultz of Ft. Worth who sent her check for \$7.

More Response In Labor Check

Response has increased in the labor check conducted in Motley County by the Smaller Communities Team of the Texas Employment Commission, according to Gene P. Clements, supervisor.

Last week approximately 90 residents were registered at the Bob Stanley Pharmacy where a representative of the team "set up office" for two days.

Monday the team conducted an aptitude test in Matador High School for junior and senior students. A total of 45 took the test.

A similar test was scheduled yesterday at Roaring Springs and tests will be given today at Flomot.

Representatives of the crew will be in Roaring Springs next week, (Wednesday and Thursday) to receive registrations of residents of the community. The registration will be available at Thacker Supply Co.

Purpose of the registration is a survey for the county for future possible use of industry. All employed and unemployed persons are asked to register. The information is private and there is no obligation. Office of the team is located in the courthouse, former ASCS location.

Church and Society

Dr. and Mrs. Franklin Swanner To be Honored by Area Baptists

The annual meeting of the Caprock-Plains Baptist Area will be held Nov. 18th at 7:30 p.m. The place will be Harral Memorial Auditorium on Wayland Baptist College campus in Plainview.

Dr. J. D. Grey, pastor of First Baptist Church in New Orleans, will be the speaker. Dr. Grey is past president of the Southern Baptist Convention. He has been pastor of his present church nearly twenty years. His keen humor and deep dedication makes him one of the most interesting preachers of our day.

A special period on the program has been reserved to pay tribute to Dr. and Mrs. Franklin Swanner. He is retiring Dec. 31st, after having served as Area Missionary the past twenty-two years.

Dr. Swanner was called to this position while serving as pastor of First Baptist Church in Levelland. The area was then known as District Nine. The geographical boundaries included Spur on the south, Canyon on the north, and the entire area from the Caprock to the New Mexico border. Five years ago, the District was divided into two areas, Lubbock's becoming one of these and most of the remainder becoming Caprock-Plains Area.

A special program will depict the history of these twenty-two years. Appropriate gifts will be presented during the evening. A committee composed of Rev. R. B. Hall, C. H. Murphy and Frank Pollard led churches and individuals in the area to participate in these expressions of appreciation.

Floyd C. Bradley, Chairman of the Area Committee, will be in

Cindy Johnson Party Honoree

Cindy Johnson, daughter of Mr. and Mrs. Charley Johnson, celebrated her seventh birthday last week with a party in her home. Attending the party were Dede and Debbie Phillips, Pam and Kelly Tipton, Laura Lynn Grundy, Suzanna Woodruff, Mike Irvine, Grant and Charlotte Johnson.

The table was decorated with a Hallmark centerpiece of the Three Pigs. Birthday cups and napkins were used to serve chocolate cake, popcorn balls and Coke to the guests.

Games of Musical Chairs, Pin The Tail On The Donkey, Ring Toss and I Guess What I Am were played. Favors of birthday balloons were given during the party.

Nine Weeks Tests

By Olive Curlee

The time had passed. The halls of Matador High were quiet. Oh, yes, you could still hear the bell telling the students it was time to go to another class before three minutes were gone. You could still hear a monotonous drone of feet shuffling down the halls.

The students fell into their seats. They smiled half-smiles; one student even came up with a crooked grin. But the smiles did not last for long. The teacher entered the room. She turned to the class and slowly surveyed what she saw. She counted the feet, divided by two, to see how many were afraid to come. She shook her head and slowly turned her back on the students. The shuffling of a pair of feet, some one dropped a pen. The students' ears were strained for even the smallest sound.

The teachers' nerves were haggard, worn to the bone. The students stared at their feet. It was this way four times a year. For there was no joy in Matador High. The nine weeks tests had begun.

Wednesday was not bad. Only the first period tests were flunked. But it slowly got worse. The second and fourth period tests were on Thursday. All the cramming and crying Wednesday night was in vain. Several people, who stayed up until 2:30 Wednesday night, came to school, only to fall asleep in class. The actual falling asleep was not bad, but the snoring was terrible. But things were looking up Friday, for soon it would be all over.

It was lunchtime, and the third period tests were over. There were only a few smiles during lunch. For they still had their fifth period tests to contend with.

The halls of Matador High are quiet. The time had passed. There is no laughing, no smiles, no grins. The bell does not ring, no students go to class. There could be only one reason: school is out.

Mavericks Host Turkey Teams

By Olive Curlee

Two football games were held Monday night, Oct. 27th, at Burleson field. The Matador Mavericks were hosts to the Turkey Turks for a second time this season.

The first game played was against the "B" teams. The Mavericks won over Turkey 14-8. Making touchdowns for the Mavericks were Frank Welling and Jerry Pitts. Jerry Pitts also ran one conversion.

In the second game, the Mavericks were rolled by Turkey 32-6. Morris Timmons made the only Maverick touchdown in the 4th quarter with a 3 yard run. The extra points failed.

The Mavericks meet Silvertown Thursday, November 6, at Matador. Game time is 7:00. Everyone is urged to attend.

MARY BAKER FFA SWEETY

Mary Baker, daughter of Mr. and Mrs. Dee Baker has been elected to represent the Matador chapter, Future Farmers of America as their sweetheart.

As the FFA Sweetheart, Mary will attend the District Awards Banquet at Tulia around the first of December. She will compete with sixteen other FFA Sweethearts for the Plainview District Sweetheart. If Mary wins there, she will go on to compete in the area contest.

As a senior at MHS, Mary is class reporter and business manager for the La Arena. She was chosen as the FFA Sweetie by the boys belonging to the organization.

Mavericks Lose To Paducah 20-0

By John Nimmo

The Mavericks won the toss of the coin and elected to receive, Thursday night, in the game against Paducah. Jimmy Don Hurt received the kick and ran to the 26 yard line of Paducah.

They failed to make a first down the first four times they had the ball. Then Paducah had a first and ten on their own twenty. With two more runs Paducah landed on their own six. Jackie Tidmore passed and the first touchdown of the game was scored. The extra points were not successful and the Lizards led the Mavericks 6-0.

The Mavericks failed to rally and Castello Gonzales punted and also made the tackle on the receiver. Then Paducah let loose. They "busted" up to the forty yard line and a first down and the next play cost the Mavericks another touchdown. The extra points were no good and the Mavericks found themselves behind 12-0.

The Mavericks summed up their courage and had a tremendous drive downfield only to have time run out in the second quarter. Gonzales punted after the half-time and in two plays Paducah had another touchdown and six points. The conversion was good and the score was 20-0.

The Mavericks were on their way to a touchdown when, after four successive first downs, a Gonzales pass was intercepted and run back to Paducah's twenty. But time ran out on the Lizards. The final score was 20-0 in favor of Lizards.

Beginners Spotlight

By Debra Garrison

Tina Bearden is the very shy daughter of James and Gail Bearden. She has beautiful brown eyes and brown hair. Her ambition in life is to be a housewife with just one or two children. But right now she is content to occupy her time with her favorite hobby, playing on the monkey bars at recess. Tina hasn't any special subject she likes in school, but she does like her teacher.

Violence on television does influence our young people but not always for the worst. Charles Ed Cammack, son of Mr. and Mrs. Elbert Segler, wants to be a patrolman. He says he is influenced by watching "Adam 12" on television.

Charles Ed's favorite subject in school is math, and for recess he likes to get the merry-go-round going so fast that it throws all the people off.

Charles Ed's favorite color is blue and with that blond hair and grayish-blue eyes, he surely is going to make a goodlooking "COP."
