By DOUGLAS MEADOR

"IT IS BETTER to win a place in the hearts of your fellow man than to win a place in history books," Lion Jimmy Willson Jr., of Floydada, Tuesday night declared here as principal speaker at the Matador Lions Club Ladies Night meeting. He was introduced by Lion Vance H. Gilbreath.

"A man's success is measured by what he does while he lives," Lion Willson said. "It is not measured by money. It is living up to your level best every day of your life. . . a man has attained success when he has made friends and deserved them. . . he must forget and forgive and it is often hard to forgive. The number of years a man lives means nothing, it is what he does with his life that counts. . . after all, Christ's ministry here on earth was only three years."

Lion Willson told the Lions and their ladies that Lionism means action. That a member is truly a member by being a Lion and not merely by belonging to the civic club. "Getting the job done and not grumbling about it," he said, "is Lionism."

"The success of a Lions Club," he declared, "is measured by helping the needs of the community it serves. The fun and social part of Lionism is wonderful, and I like it, but actual Lionism is serving our fellow man and our community. Don't put off, put over your responsibilities."

Visitors introduced included Cornell Powell of Floydada who accompanied Lion Willson here, Mrs. Edith Bates of York, Pa., Mrs. J. F. Freeman of Grand Prairie, and Mrs. U. L. Wilie, Mrs. Harry Willett and Mr. and Mrs. Richard Turner of Matador.

Henry Bercutt was welcomed into the club as a new member. Announcement was made that newly organized Flomot Lions Club will observe charter night, Thursday, June 18 and that banquet plates will be \$1.25 each.

Dinner music was provided by "The Three Notes," Matador's youthful trio composed of David Rattan, Robert Brandon and Robert Brown.

The banquet, held in the basement of the Methodist Church.

Fire Sale Held By Turkey Store

A big store full of top quality merchandise will open its doors at 9 o'clock this morning to give buyers some of the best apparel values ever offered in this area.

Salem Dry Good's Turkey store, which was damaged by fire, May 1, is offering some merchandise with as much as 75% reductions in regular prices. All the goods offered for sale are good. There was some smoke and a little water damage, otherwise all of the stock is as good as it was before the fire.

The fire (about 2 p. m.) in the afternoon, resulted from trash-burning in the alley behind the store. Wind carried the fire to a small loading dock. The back of the building was on fire before it was discovered.

"The fire insurance adjusters were very liberal," Tom Salem, manager said here last week, "and we are going to pass the savings on to our friends and customers in this area."

"We regret that it has been necessary to close the store since the fire and in preparing for the sale, but we believe our customers will appreciate the true values we are offering as a result of the fire," Mr. Salem said.

Seniors Charged To View Future

Matador High School seniors Sunday night were charged with responsibilities of the future in a brief message, replete with timely advice, delivered by Rev. Gene Hawkins at the First Baptist Church.

"The future demands insight," the church pastor asserted, "and it requires a fresh start. My message to you concerns four essential 'I's which are necessary if you would profit from mistakes of the past."

"Information, not only about where you are going, but why, is required to chart one's course, and the best source of information is the Bible. . . now is the time to solidify your plans for life. . . plan now to use the Bible as your guide and map for the future."

"Imagination also is needed. . . we live in a world that demands imagination. . . we are only going to find the kind of world we are looking for. . . in the words of the Psalmist David, 'Without a vision, the people perish'."

"Inspiration. This we must have because we are going into the future with uncertainties. . . we must have the inspiration of God because it is He who provides strength for every task."

Baton Twirling Class is Planned

Matador drum major and music aspirants will have a chance to develop their technique this summer, at home, according to an announcement last week by adult sponsor of the Drum & Bugle Corps, baton twirling school will be conducted here the week of May 22, by Shirley Hagan of Fort Worth, Texas, national baton twirling teacher.

Instruction for the entire course of two lessons per day is only \$5.00 for intermediates (those who have had previous instruction) and \$9.50 for beginners.

There is no age limit set, and younger children in the lower grades will be welcome to attend and learn the art of twirling, as well as those in high school.

Last year five local girls attended a twirling school in Abilene at a cost of approximately \$10 each. It was pointed out by bringing an instructor, more children could be enrolled at much less expense.

Shirley Hagan has written that she will be here Monday, June 1, to begin the class, and enrollment is set for 9 a. m. at the school.

An invitation has been extended to students from area schools and communities who wish to take advantage of this opportunity. Those interested in the project may contact Bill Waybourn, Mrs. Frank Hagan, or Mrs. Tom Newman.

Shirley Hagan has been teaching for 4 years in schools and camps throughout Texas. She specializes in one baton fundamentals, one baton tricks, 2 baton, sparkler baton, fire baton, baton, prancing and the baton strut.

Following the week of instruction, the lessons close on Saturday with a twirling contest.

But with the good came the bad: most of those who went swimming got good blisters. All in all, everyone, including the faculty, had a good time.

S., such as parties, banquets, sports, class play, and many more, but they are all looking forward to reaching the last step on the ladder as seniors next year.

We have had a very successful year as the Senior Class of 1959. We wind up the year with six senior girls.

At the first of school the senior class helped to reorganize the Student Council. We had a very successful senior play that helped to sponsor our trip to Colorado Springs. Patti Hamilton and Karmen Braselton were the senior cheerleaders. Betty Davis was elected most popular girl and FFA Sweetheart. Ronald Bailey was elected most popular boy and James Bearden was elected most handsome. Sherril Rigby and Bobby Williams were on the winning 440 relay team. The class had one party, a hayride.

The seniors wish to thank the public for supporting them in everything they undertook the past year. Without this essential help, our school system would not be what it is today.

Marriage vows were exchanged by Miss Georgia Francine Craven and Pat O'Daniel Green in a candlelight ceremony Thursday May 7 at 6 p.m. Rev. Gene Hawkins, pastor of the First Baptist Church officiated in the double ring service.

Parents of the couple are Mr. and Mrs. J. D. Craven and Mr. and Mrs. J. C. Green Sr., both families of Matador.

Scene of the wedding was the home of Mr. and Mrs. Alvin Stearns, aunt and uncle of the bride. Draperies across double windows formed the background for the ceremony, with floor baskets of greenery and tapers in branched candelabra completing the setting.

Miss Rosemary Shanks attended the bride as maid of honor, and Roger Scuff served the bridegroom as best man.

Pre-nuptial selections and the traditional wedding march were played by Miss Rachel Patton, pianist and aunt of the bride. She also played during the ceremony.

Dress Worn By Sisters
Given in marriage by her parents, the bride, escorted by her father wore the dress which two sisters, Mrs. Ned Nichols and Mrs. Billy Gene Harrison had worn for their weddings.

The white length gown was an original model of white imported Chantilly-type lace over net and satin. The fitted bodice was fashioned with a yoke outlined with lace applique, and a Queen's collar. The long sleeves ended in points over the hands, and the voluminous skirt was shimmered lace and tulle tiers.

Her veil of silk illusion was

Those present were Mmes. Ralph Stapleton, Floyd Henderson, C. P. Waybourn, Duke Lipscomb, and L. J. Barkley, in addition to the others named.

Reception is Held
For a reception following the ceremony, the table was laid with a white Madeira cloth and centered with a bowl of blue carnations, flanked by white candles. The bride's chosen colors were repeated in the 3-tiered wedding cake which was decorated with blue rosettes on white frosting, and topped with a miniature bridal couple. The bride's aunts, Mrs. Stearns and Mrs. L. J. Barkley served the cake and Miss Shanks presided at the punch service.

Mrs. Richard Hamilton, sister of the bride, registered the guests. Only members of the two families and close friends were present.

For a wedding trip to Lovington and Carlsbad, New Mexico, the bride chose a navy silk suit and white accessories.

Mr. and Mrs. Green were reared here. Both are graduates of Matador High School and were prominent in school activities. Mrs. Green received numerous honors, including that of Football Sweetheart, Football Queen and FFA Sweetheart, and Mr. Green was co-captain of the Matador Matadors football squad and participated in various other athletic, as well as scholastic activities.

Mrs. A. T. Cocanougher is Guest Speaker At Meeting of El Progreso Study Club

"The future of the world could well be in the hands of women. It is possible if we are to have lasting peace that it will ultimately be the result of the plans and work of women through organized efforts," members of El Progreso Study Club were told Thursday.

Speaker was Mrs. A. T. Cocanougher of Lubbock, President of Seventh District, Texas Federation of Women's Clubs, at a regular meeting of the local study group held in the home of Mrs. L. C. Harp.

The aim of Federated clubs is to serve, she told her audience.

"Federation gives us wider horizons... keeps us alert and abreast of times. Somebody has to take the lead and somebody has to do the work... planning the work demands the best in us."

Following club adjournment, Mrs. Harp was hostess at a tea. Mrs. W. F. Jacobs, president, presided at the punch service. Dainty tea cookies, mints and nuts were also served from the dining table which was covered with a green net cloth over matching taffeta. Inked Newsprint Shunned by Moths Club is Informed

Members of the newly organized home demonstration club were instructed as to the proper way of storing winter clothing and blankets at their meeting Monday afternoon, May 11, in the home of Mrs. Weldon Fromm.

The name chosen for the club is "Modern Homemakers."

Mrs. Fromm, club president, presided at the business meeting. The club voted to have a drapery workshop at the next two regular meeting dates. Council meeting was announced for Saturday afternoon, May 16 and Mrs. Nelson McMahan, a new member was voted to be alternate council delegate.

Miss Ruth Wilson, home demonstration agent, told the club that if closet space were limited, cardboard boxes lined with newspapers and sealed make good storage containers and were moth proof, since moths will not go near the printers' ink. She also advised using newspaper between garments, or between the folds of a blanket, and covered with newsprint as well.

Plastic bags for storage were

Judge and Mrs. Reeves also made a trip to Fort Worth Saturday where he was in a meeting of District Deputy Grand Masters, called by the Grand Master, and held at the Masonic Home and School. After the meeting they drove to Dallas where they were overnight guests of Mr. Reeves' sister and husband, Bill and Mrs. R. C. Shilling.
