COMMUNITY REUNION SET- Many former students and teachers of the Whiteflat School are expected to attend the annual Whiteflat Reunion, Saturday April 7th at the American Legion Building in Matador. A covered dish luncheon will be served. The above picture was made in 1924 or 1925.

Rex Allen To Entertain At PCA's 50th Celebration

Rolling Plains Production Credit Association will feature well known TV, radio, and movie star Rex Allen as speaker and entertainer at its 50th Annual Stockholders meeting on April 6th and 7th. The April 6th session will be at the City Auditorium in Childress beginning with a noon barbecue; the second session on April 7th will be held in the Stamford High School Auditorium with registration beginning at 9:00 a.m. and ending with a noon barbecue.

R.C. Cobb, president of Rolling Plains PCA, announced that the association has completed its 50th year of service to agriculture. He also added that March ends a year-long celebration by Production Credit Associations across the nation in observance of the group's 50th anniversary.

Looking back at this period in history, officials of the Rolling Plains association admit that severe economic conditions of the times made it somewhat difficult to get such an organization started. But area farmers and ranchers rose to the challenge and each charter member raised the \$5 required to purchase one share of class "B" stock.

Since 1948, the Association has been totally owned by its stockholder borrowers in the territory it serves. Cobb says, "Having just passed the 50-year mark of the association, we can't help but be grateful to its original organizers for pulling together during such tough economic times. They made it possible for not only farmers and ranchers of the 30's, but

agricultural producers for the next 50 years to have a dependable source of credit."

"With the excellent leadership of our current board of directors and the support of a very capable staff, we look forward to another 50 years of financing area agriculture."

Rolling Plains is one of 30 member-owned Production Credit Associations in Texas. Collectively they serve more than 15,600 of the state's agricultural producers. Last year almost \$2 billion was loaned through Texas PCAs. During 1983, Rolling Plains Production Credit Association loaned more than \$109 million to 1,032 member-borrowers in Briscoe, Childress, Collingsworth, Cottle, Dickens, Donley, Foard, Hall, Hardeman, Haskell, Jones, Kent, King, Knox, Motley, Shackelford and Stonewall counties.

MC Students Compete In UIL Literary Meets

Motley County High School students participated in the U.I.L. District Literary Meets Wednesday and Friday, March 28 and 30.

Several M.C. students earned the right to advance to the Regional Meet in Levalland on April 12 and 13.

Advancing students are Renee Renfro in Editorial Writing and Science; Cris Gwinn in Headline Writing and Calculator Application; Melea Read in Feature Writing; Wade Vandiver in Calculator Application; and Holly Hobbs in

Rex Allen

Nationwide there are 422 PCAs with more than \$22 billion in loan volume. Nationally they serve the credit needs of more than 380,000 farmers and ranchers.

Ready Writing.

These students placed in the top three places in their events in order to participate in the Regional Meet and won medals for their efforts.

Other students placing in the top six places and winning ribbons were Kim Hand, News Writing; Darla Smith, Feature Writing; Paul Block, Headline Writing; Max Bearden, Number Sense; Renee Renfro, Calculator Application; Wade Vandiver, Spelling; and Christene Guerrero, Typing.

For the first time in several years, Matador Lions Club Thursday night staged a variety show to raise money for the organization's many civic and International Lions Clubs projects.

The performance, at the Motley County High School auditorium, drew a full house and received an enthusiastic reception from the audience as actors of celebrity status appeared, such as "Kenny and Dolly" and "Willie and Dyan."

Boss Lion Gerald Pipkin served as Master of Ceremonies and introduced Lions Queen Renae Renfro, who will represent the club this week end at the District 21-2 Lions convention in Lubbock, at the Lubbock Civic Center, and will compete in the district queen's contest. She thanked the Lions Club for their support and the privilege of serving as queen the past year, then introduced this year's queen contestants, Pennie Bearden, Lori Fore, Kim Hand, Jelene Long, Darla Smith and Donna Kay Warren.

Selected as queen by audience ballots, was Donna Kay Warren, daughter of Mr. and Mrs. Don Warren, with Kim Hand, daughter of Mr. and Mrs. Billy Hand of Roaring Springs, first runner-up. The new queen was crowned at the conclusion of the show, by Miss Renfro.

Opening number of the show was the Chorus Line, extending a HELLO with cue cards. However, the final letter got out of place and appeared first, setting the pace for a fun-filled evening. Lions Forrest Campbell, Frank Price, Raby Webb, Johnny Stevens and Howard Traweek were the greeters.

Cabbage Patch Kids, James Stanley and Scotty Abbott introduced the subsequent numbers with large cue cards.

Musical cassettes provided the background for several pantomime performances, including the "Cadillac Cowboys," Jesse Turner, J.B. Cooper, Gary Lancaster, and Gerald Pipkin, with Alan Bingham as announcer; Vann Francis and Jack Van Eaton as "Kenny and Dolly;" Bundy Campbell and Joel Holt as "Willie and Dyan;" and The Whistlers, Kevin Wright, Ray Minkley, Donnie Jackson, Alan Bingham and Roy Tippin, appearing as dwarfs, wearing huge hats held in place (inside) by their hands, with "faces" painted on their stomachs.

Several women were called to the stage to identify their husbands' feet, showing from beneath the curtain. Mesdames Johnny Stevens, Mike Hoyle, Bill McCaghren, Frank Price, Greer Willis, Billy Wason, and Larry Hoyle, each correctly identified her spouse's feet, though after some searching.

Lucretia Edwards Campbell and Charlie Johnson delighted the crowd with their jitterbug act, and rounding out the evening of

entertainment was live music by the Ayers Family and others-Rosemary and Tim Ayers, vocalists and guitarist, his father, Tom Ayers of Austin violinist, other guitarists, Jesse Turner and Pat Seigler, and Gerald Pipkin, pianist. Lion Pipkin also accompanied his cousin, Richard Campbell, popular vocalist and evangelistic singer of Lubbock, who was born and reared in Matador.

Conducting the always popular candy-with-prizes sale, were other members of the Lions Club.

In behalf of the club, Lion Pipkin extended thanks to Lucretia (Mrs. Bundy) Campbell,

Two three year positions and one two year position are up on the School Board this year. They are the terms of Roy Hobbs, Roy Tippin and the unexpired term of Donna Sue Thompson. Randy Barton has filed for the unexpired term.

Voting places will be the County Courthouse for residents of Matador, The Depot in Roaring Springs, the school at Northfield and the school at Flomot.

Frances (Mrs. Roy) Hobbs and Diane (Mrs. Guy) Campbell for their assistance in planning and directing the show, and Fronie (Mrs. Alan) Bingham for directing the queen's contest. Also a special thanks to the Motley County School for the use of the auditorium, to Matador Floral for providing corsages for the queen contestants, and to this and neighboring communities for support in attending.

A video tape of the show was made for filming by Gerald Garst, of the school faculty in Special Education, and copies may be obtained by contacting him.

BURNING NOTE- Members of the Dickens Electric Board are (seated l to r) Doug Hinson, Ned Ward, Board President, and Garth Gregory. Standing left to right are Glenn Jones, Haldean Cave, Earl Robertson, Robert Forbis and Steve Cochran.

Electric Coop Burns Note

The Board of Directors of Dickens Electric Cooperative in Spur acknowledged the full repayment of another loan to REA by burning the note at their regular monthly board meeting in February.

The note was originally made on September 28, 1948, for a period of 35 years, in the amount of \$435,000.

Mr. Bailey Reece, General Manager of Dickens Electric Cooperative, states that, "Contrary to what some would have you believe, the rural electrification program is not a government grant or giveaway. Electric cooperatives nationwide are repaying loans, on time, in good faith, to our government. The repayment of these loans and the interest realized from them by our government is proof that the rural electrification program is one that works. While bringing the convenience of electric power to millions of rural

Americans, the country as a whole has benefited."

New legislation to strengthen the rural electric program, "Rural Electric and Telephone Revolving Fund Self-Sufficiency Act of 1983" recently passed the House of Representatives and is currently being considered by the Senate (S. 1300). The bill's primary objective is to preserve the REA Revolving Fund, which is the major source of financing for the nation's rural electric distribution systems. Manager Reece stated that, "A strong Rural Electrification Administration (REA) program is needed if rural Americans and our nation are to continue to enjoy the benefits realized from affordable rural electric power.

"The current administration is opposed to this legislation and has implied that rural electric systems won't have to repay their loans if the REA financing bill

before Congress is passed. They are trying to lead people to believe rural electric cooperatives are somehow going to be able to legally avoid repayment of their loans.

Nothing could be further from the truth. Not a single borrower will be relieved on any obligation. Mr. Reece adds that, "All loans will continue to be repaid, with interest, in the future just as they have been in the past and at the present. The groundless claims by the administration only serve to damage and discredit a program that has one of the best repayment records of all government programs.

"Rural Americans are a proud people and the administration does them a great disservice by implying they won't repay their loans. Retirement of Dickens Electric's \$435,000 note tends to disprove this implication."

Assembly Revival Set At Roaring Springs

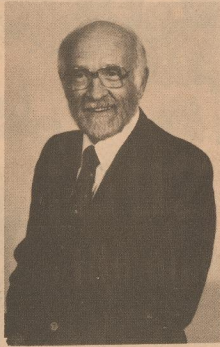

Revival services will begin Sunday, April 8th at the Assembly of God Church in Roaring Springs.

Rev. Homer Martin of Bowie will bring a teaching on "Christian Living."

Rev. Martin is currently the Executive Vice President of the Christ Is Life Evangelistic Association, Inc. He has published Christian articles and is a composer of gospel music, including hymns, choruses, scripture in song as well as sheet music and albums.

He was ordained as a member of the Methodist Church and has done evangelistic work in Oklahoma and Texas, in churches as well as the Full Gospel Business Men's chapters, Women's Aglow and various organizations.

He and his wife Evelyn minister together in music.

Homer Martin

The public is cordially invited to attend these services each evening at 7:00 p.m. and on Sunday at 6:00 p.m., according to the pastor, Mrs. Edna Dillard.

Library Notes

By Beverly Darsey

We appreciate recent gifts to the library in memory of Curt Martin, given by Katie James and grandchildren, by Mr. and Mrs. Bobby Jameson, and by Mr. and Mrs. Leslie Jameson.

We also thank the following for book and periodical donations: Mr. and Mrs. Glenn Woodruff, Lee Peacock, and Mr. and Mrs. Travis Jameson.

As our deadline for cataloging books has been moved to July 31, we are especially grateful to our recent library volunteers: Sandra Francis, Darla Gwinn, Edna Ruth Green, Liller Garrison, Myrna Stephens, Kellie Martin, Gerald Garst, Freda Keahey, Virginia Hoyle, Betty Vandiver, and Jo Amandes (WTLIS collection development consultant).

At the present time, we especially need volunteers on Thursday and/or Friday mornings who can type with moderate speed. We especially need persons who can volunteer their time on a regular basis for the next 2 months.

Circulation statistics for March were as follows: 818 books checked out, 21 Interlibrary Loan requests filled, 174 reference questions filled of the 185 asked, 34 films shown with 512 viewers, 41 computer users with 30 hours

of public use. The library collection now contains 5764 cataloged books, 2575 books to be cataloged, and 2500 uncataloged paperbacks.

Next week (April 8-14) is National Library Week. You are encouraged to visit your local library during this week.

The April library schedule is as follows: April 9- Arts & Crafts Club program 1:00 p.m.; April 16- Garden Club program; April 21- Children's Film Festival 9:00 a.m.; April 24- Film **Romeo & Juliet** 7:00 p.m. (open to public); April 26- Film **Texas: More Than a State of Mind** 2:30 p.m. (open to public).

New book arrivals: **The Man-Made Sun** by T.A. Heppenheimer, **The Black Velvet Gown** by Catherine Cookson, **The Peripatetic Diabetic** by June Biermann, and **The King's Way** by Francoise Chandernagor.

The list of 1984 Friends of the Library members is still growing as we add these new members: The Frank Potts family, Edith Timmons, the Ronnie Davis family, and Bill and June Moss. This organization has already raised \$900 to purchase books for the library this year. We appreciate each and every Friend member who has contributed in any way toward meeting this goal!

Helpful Hints

By Catherine Henderson

- 1) If you have a frozen water pipe in your house, try thawing it with your hair dryer.
- 2) The new western grocery stores are beginning to add a new snack bar or small eating establishment to their new stores. When you buy groceries, you can eat then shop.
- 3) Spring is on the way. Watch out for snakes on the range and in the canyons. The snakes, with their eyes set deep in pits in their heads, they are the Pit Vipers.
- 4) When hot weather arrives, blondes and redheads take care of your faces while in the sunshine. You are more susceptible to cancer of the skin than the people with olive skin.

Social Security News

By Terry J. Clements

A person whose Social Security check does not arrive on the day it is expected should wait for two more mail deliveries before contacting any Social Security office.

This will take care of a good share of delayed checks. If the check still has not arrived after 2 days, the people at the office can begin action.

The most common cause of failure to receive a check is failure to report a change of address. Many people fail to notify Social Security when they move, even though they rely on their Social Security checks as their primary source of income.

Some people think it is enough to report their change of address to the post office. The post office, however, will forward mail to the person's new address for just 1 year. After that, they will send the check back to the U.S.

Treasury.

If the person's check is returned and the new address provided, it usually takes about 4 or 5 days for a new check to be sent. If the check was not returned, a stop order will be put on it and the matter will be transferred to Washington D.C. to see if the check has been cashed.

If it has not been cashed, a new check will be sent right away. This process can take up to 3 weeks. If it has been cashed, a new check cannot be sent until the person who cashed the check is identified. Even though a person's check is deposited directly into his or her account in a financial institution, he or she should notify Social Security of any change of address.

If you need to contact our office our telephone number is 293-4371. If you need to visit our office our address is 1401-B West 5th in Plainview.

Know THE Weather

Is snow white? No, snow is not white but looks white because of the great reflection of light. Likewise, the sky is not blue. Space and air are actually colorless and if one goes far enough into space, and gets away from sunlight, everything will be black.

The reason the sky looks blue is that blue, of all the colors, refracts most easily, and therefore the light from the sun makes the sky blue.

Dust refracts red, which explains why the sun's light makes the evening sunset, quite often, appear to be a rich red.

Since December has been one of the coldest in around fifty years, here are some snowfall statistics that might be interesting.

Record annual snow fall (inches) based on record through 1980: Sault Ste. Marie, Mich., 113; Juneau, Alaska, 105.8; Rochester, N.Y., 89.2; Burlington, Vt., 78.6; Albany, N.Y., 65.2; Cheyenne, Wyo., 53.3; Boston, Mass., 42.

HEART ASSOC. PROGRAM AT SENIOR CITIZENS CENTER

A Heart Association program is scheduled to be given at the Senior Citizens Center in Roaring Springs today (Thursday, April 5). Carolyn Mahon of Lubbock, regional Secretary of the American Heart Association, will be the featured guest along with Earlene Jameson, Motley Co. Heart Assoc. worker. Come join us for our regular covered dish lunch and enjoy this informational program and visiting.

Mr. and Mrs. Lem Miller met with his nephew and wife, Maurice and Mary Costelow, at the home of Mr. Miller's sister, Mrs. Pearl Costelow in Spur for lunch and the afternoon, Friday.

Mrs. J.T. Swim and Miss Lula Swim went to Big Spring Friday evening to bring home J.T. who had car trouble while on a business trip to that city.

Mrs. Vera Mitchell had weekend visitors from Littlefield: her daughter, Mrs. Benny Goss, and the latter's daughter, Mrs. Stan Edwards and Joseph and Brian.

Mrs. L.E. (Eliza Kingery) hosted her four children and families this weekend: Mr. and Mrs. Raymond Kingery of Corpus Christi; Leon Kingery of Lubbock; Mr. and Mrs. Ted Kingery of Silverton and daughter Annette; Mrs. Madie Davis; and Mr. and Mrs. Newt Dickson of Amarillo.

Mr. and Mrs. Bobby Moore of Odessa visited their parents, the Luther Moores from Thursday afternoon until Saturday.

Mrs. Amy McElroy took Mrs. Ruby Holcomb to the doctor at

Crosbyton Monday, and she was hospitalized there.

Edna Dillard spent several days last week in Muleshoe with her daughter and husband, Mr. and Mrs. M.D. Gunstream. She stopped in Plainview for an appointment with the eye specialist. She returned Friday and on the way home she visited at the nursing home in Floydada with all the Motley Co. residents there.

Mrs. Mayron Burt spent several days last week in Decatur with her sister-in-law Ruby Burt who is hospitalized there. She was conveyed to the hospital after having a heart attack in the home of her sister, Meredith, where she is making her home. She is in room 105, Decatur Community Hospital. Mrs. Burt returned home Saturday afternoon with reports that Ruby is improving slowly.

Mrs. Bill Moore and Tonya Byrd of Tyler visited Mr. and Mrs. Milton Brooks several days last

week. Mr. and Mrs. Lester Mullins and Eddy of Hereford were recent visitors of Mr. and Mrs. L.A. Mullins, Bessie Saulcy and Allie Lawrence.

Sagebrush, the perennial that flourishes in the Western plains, is known for its sweet odor but bitter taste. Its wood is often used as fuel, giving off pleasant smelling smoke.

College Fine Arts Dept. To Present Program Here

The Clarendon College Fine Arts Department is currently on Recruiting Tour. They will present a Music and Drama Production in Motley County High School April 12th at 9:30 a.m.

The show will begin with a children's play presented by the Green Masque Drama Club. "The Butterfly" is a play for all ages. "The Butterfly" will not only feature talented students at Clarendon College, but it will also show off elaborate insect costumes which will help portray the fantasy of the Butterfly. The director is Ms. Leslie Schnauer, Chairman of the Fine Arts Dept.

The second half of the tour show will feature the Clarendon College Choir under the direction of Mrs. Joburta Helms, music instructor. The group of men and women will dance and sing to a variety of popular music

ranging from popular songs of the 1960's to the 1980's.

The public is invited to come and see the talented students of

Clarendon College perform a musical and dramatic production in Matador especially for Motley County residents.

CARD OF THANKS

THANKS

We would like to say "Thanks" to everyone who remembered us in any special way during my recent hospitalization and my return home. The phone calls, cards, flowers and visits meant a great deal to us and will not be forgotten. Special thanks to Bro. Greer and Glenda Willis for your time spent with us.

Thank you Clinton & Ruby Hobbs

APPRECIATION
 I want to thank everyone who was so kind to call, send cards, letters, flowers, and visited me while I was in the hospital. I appreciate everything you all have done, and your kindness will always be remembered.

Rachael Patton
THANK YOU

We wish to thank you for your expressions of love while I was in the hospital and since I came home--for the flowers, food, cards, phone calls and especially for your prayers and visits.

Nothing can take the place of friends. Thanks again for everything.
 J.W. and Lucille Pritchett

THANK YOU

I wish to thank friends, neighbors and others for cards, and telephone calls expressing sympathy at the loss of my brothers, Bob and Curt Martin. With God's blessing to all.
 Katie James

THANK YOU

Your thoughtfulness and caring during the loss of our mother and grandmother is appreciated so very much. There are no friends like old friends and we thank you for being ours.

NOTICE TO PUBLIC OF NO SIGNIFICANT EFFECT ON THE ENVIRONMENT and NOTICE TO PUBLIC OF REQUEST FOR RELEASE OF FUNDS

TO ALL INTERESTED AGENCIES, GROUPS AND PERSONS:
 On or about April 23, 1984, the above-named Motley County will request the Texas Department of Community Affairs to release Federal funds under Title 1 of the Housing and Community Development Act of 1974 as amended, to be used for the following projects: ACTIVITY: Senior Citizen's Center. ESTIMATED COST: \$98,049.00.

The site for the proposed project is north of the Courthouse bounded on the east by Eubanks Street, on the south by Stewart Street and on the west by Main Street, located in the city limits of Matador, Motley County, Texas within Enumeration District-179.

Finding of No Significant Impact
 It has been determined that such request for release of funds will not constitute an action significantly affecting the quality of the human environment and accordingly the above-named Motley County has decided not to prepare an Environmental Impact Statement under the National Environmental Policy Act of 1969.

The reasons for such decision not to prepare such Statement are as follows:

SENIOR CITIZEN'S CENTER: The project site is located in the downtown business area north of the Motley County Courthouse. The project site itself is vacant, undeveloped land, and other surrounding land also includes some vacant land. The design of the building will be compatible to surrounding buildings to blend favorably with the environment. No increase in area traffic or traffic patterns is anticipated since the site is in a commercial area.

Construction activities will produce certain amounts of dust and equipment exhaust pollution. However, these effects will be limited in duration, extent and intensity. The completed project will produce certain amounts of air pollution from heating and cooling systems and from automobiles of users of the facility. However, the total amounts of these effects will be insignificant. Any emission producing equipment will meet all Federal and State standards. There are no hindrances to atmospheric dispersal of any emissions that might be produced by the project.

An Environmental Assessment respecting the within projects has been made by the above-named Motley County which documents the environmental review of the project and more fully sets forth the reasons why such Statement is not required. This Environmental Assessment is on file at the above address and is available for public examination and copying upon request in the office of the City Secretary between the hours of 8:00 a.m. and 5:00 p.m., Monday through Friday.

Public Comments on Finding
 All interested agencies, groups and persons disagreeing with this decision are invited to submit written comments for consideration by Motley County, to the office of the undersigned. Such written comments should be received at Judge Whitaker's office in the Courthouse on or before April 20, 1984.

All such comments so received will be considered and Motley County, will not request the release of Federal funds or take any administrative action on the within projects prior to the date specified in the preceding sentence.

Release of Funds
 Motley County will undertake the projects described above with Community Development funds from the Texas Department of Community Affairs under Title 1 of the Housing and Community Development Act of 1974. Motley County is certifying to TDCA that Motley County and Billy J. Whitaker in his official capacity as County Judge consent to accept the jurisdiction of the Federal courts if an action is brought to enforce responsibilities in relation to environmental assessments, decision making and action; and that these responsibilities have been satisfied.

The legal effect of the certification is that upon its approval of Motley County may use the Texas Community Development Program rurus and IDCA will have satisfied its responsibilities under the National Environmental Policy Act of 1969.

Objections to State Release of Funds
 Texas Department of Community Affairs will accept an objection to its approval only if it is on one of the following bases: (a) that the certification was not in fact executed by the certifying officer or other officer of applicant approved by TDCA; or (b) that applicant's environmental review record for the project indicates omission of a required decision finding or step applicable to the project in the environmental review process.

Objections must be prepared and submitted in accordance with the required procedure (24 CFR Part 58.75) and may be addressed to Texas Community Development Program; Texas Department of Community Affairs, P.O. Box 13166, Capitol Station, Austin, Texas 78711.

Objections to the release of funds on bases other than those stated above will not be considered by TDCA. No objection received after May 11, 1984 will be considered by TDCA. The Chief Executive Officer of Motley County is Judge Billy J. Whitaker.
