A Second Glance

By Leon Watson

Gary Chase is a highway patrolman in Hockley County. If he was in Motley County working with Dudley Speed, we would have Speed and Chase patrolling our highways. But Speed seems to do a good job in Motley County without Chase.

Did you know the North indorsed slavery during the Civil War? According to a study by Leroy Yarbrough in 1972 the North okayed a plan to put Apache Indians into slavery. Yarbrough said, "In 1862 Colonel John R. Baylor, governor of Arizona for the Confederacy, recommended an extermination policy for the Apaches, by which all adult males would be shot on sight and the women and children sold into slavery. Jefferson Davis rewarded him by relieving him of his command. Then General Carleton, in command of troops in the Southwest for the Union, recommended an identical policy which was accepted and put into effect by the North."

People of West Texas have two more days to experience a once-in-a-lifetime event - seeing the puppet festival at Texas Tech campus in Lubbock. You may think that is silly, a puppet festival. But it really is great entertainment when you think that there will be performances by puppeteers from England, Czechoslovakia, Mexico, Canada, New York, California, Massachusetts, Mississippi and Florida.

Last year the festival was held in California, and the year before in Connecticut. This is the first time for Texas. The last performance will be Saturday.

With this July 4th holiday coming, State Fire Marshal Ernest Emerson predicts a record number of fireworks-related accidents this year. He has predicted almost 200 persons will be injured by fireworks, plus about 2,000 fires caused by fireworks.

Emerson said there is "no such thing as 'safe' fireworks. Only when everyone knows this fact and takes it seriously will there be an end to tragedies from these items."

Letters to the Editor

Dear Editor:

TEXAS Senator Bentsen was among 68 U.S. Senators who voted to 'pay-away' our canal to Castro-Moscow oriented Panama Dictator Torrijos in direct defiance to the will of a vast majority of our people. This has occurred all too often as in the cases of forced busing, tax paid abortions, the ERA, and gun controls where our will was shamefully ignored.

Among those 68 Senators were 40 who have been involved with one or more of five groups having a common goal of "A New World Order" which would, in effect, replace the constitution they swore to defend. BENTSEN was on the CFR lists for 1973-1975 incl. Members of these five interlocking groups dominate Carter appointments to high offices with Carter, Mondale and canal negotiators Bunker and Linowitz having been charter directors of TC. The five groups are The Council on Foreign Relations (CFR), The Trilateral Commission (TC), Members of Congress for Peace through Law (MCPL), The World Affairs Council (wac) and The Bilderbergers (BB). These groups are closely interlocked as are Carter appointments.

CFR member Henry Commager drafted "A Declaration of INTERdependence" for SAC which was originally signed by 32 U.S. Senators and 92 U.S. members of Congress (incl. Texas congresswoman Barbara Jordan).

Ploys that "the canal was never ours" or "it won't cost taxpayers anything" are entirely false. The canal is OURS in all respects because we bought it with labor, money and lives and Carter and his bought votes of the Senate cannot legally 'pay-away' to our avowed enemies. Since 70 percent of all ships traversing the canal originate or end in U.S. Ports and since Marxist Torrijos will set tolls as he wishes, we will pay for the canal betrayal.

Colorado and Arizona are circulating petitions for recall of their canal treaty supporters Hart and DeConcini. This measure is a move in the right direction but the penalty should not end there. A full investigation should be made with criminal charges and trial following for all guilty of illegal acts.

Americans will assume their obligations or they will follow the history of Rome which fell through moral decay from within. We still have sufficient people of good moral convictions to defeat this conspiracy but the time is fast running out.

Most sincerely,

Aaron E. Coffee, USN retired

Editor's Note: I have heard of the Trilateral Commission and David Rockefeller's plans for "one world government" for some time. Through my own investigation and from information I have received from friends and speeches, I think the Trilateral Commission is now so powerful that its control of America is as close as one year away, starting with the down fall of the American dollar, which Rockefeller is seeing to. He already has new money printed to take the American dollar's place. The Tribune will try to print a second letter received from Mr. Coffee next week.

Spaghetti Supper

The youths of the United Methodist Church of Matador will hold a Spaghetti Supper tonight at the Motley County School Cafeteria this evening (Thursday) from 5 to 9:00 p.m.

Tickets for the dinner, which will include spaghetti, salad, garlic toast, tea and coffee, will be \$3.00 for adults and \$2.00 for children under 12. Proceeds will be donated to the building fund of the Church.

Bulletin

The American Legion and Auxiliary meeting July 3 has been rescheduled for Monday, July 10 at 8:00 p.m. due to the holiday weekend.

FIRE PRACTICE during summer months sometimes turns into a lot of fun for the Matador volunteer fire fighters. As the hoses are turned on, some of the men check pumps, gauges, the condition of the hoses and other equipment while other volunteers

engage in a game of water polo. Before practice was over Monday evening everyone had a chance to get wet while making their required inspection of the equipment.

Company Denies Insurance Coverage To Methodist Church

Members of the Matador First Methodist Church are not sure where they stand as to getting their sanctuary roof fixed. A meeting of the building committee was held Sunday night to discuss possibilities which lie ahead of them.

The church received word last week that the insurance company has determined that the cave in of the church roof on May 24 was not the result of any of the causes covered by the church's policy. Therefore the insurance company has stated they will not pay any amount toward the rebuilding of the sanctuary.

No one was in the sanctuary that Wednesday night when the roof crashed down, pushing the west wall out, and sending bricks onto the west lawn. There were no injuries. Damage was estimated at close to \$300,000.

Members of the building committee have said they don't know where they need to go at this point. Some feel a law suit against the insurance company would be in order, but funds would limit a legal fight with the large company.

The insurance company spokesmen said their policy covered natural causes, but according to their investigation the building must have caved in due to structural fatigue, since the weather was calm and nothing physical hit the building.

The roof was checked last fall by an architectural firm and deemed safe.

The church will now wait for new developments and maybe an increase in funds to operate on, until a positive course of action can be taken.

Champion Team Named Tonight

The 1978 softball season, sponsored by the Matador Jaycees, will end the season tonight following the two scheduled games. Individual trophies will be presented to each team member and a plaque to the coach with the most wins for the season.

The Dodgers sponsored by Spot Cash Grocery and Matador Cattle Co. are currently leading the league with nine wins and one loss. Rangers sponsored by Jo-Barb-Dee and Spray Auto are next with six wins and four losses. The Panthers sponsored by Billys Grocery and Higginbotham Bartlett of Matador follow with three wins and seven losses. The Bears sponsored by Matador Motor and Impl. and Ronnie's have two wins and eight losses.

The standings could change following tonight's games as each game played will count as two games.

Everyone is cordially invited to come out and support your favorite team and watch the presentation of the trophies.

S. S. Date Changed

Due to the July 4 holiday, the representative of the Social Security Administration will not be in Matador until (first Tuesday), August 1.

during the holiday to keep watch on holiday motorists. (Photo courtesy of Patrolman Neal Haralson)

Operation Motorside In Effect For July 4

LADY BUG TOURNAMENTS

On Wednesday, June 21 at Hillcrest CC (Lubbock) a Ladies partnership golf tournament was played with 62 two-women teams competing in the 18-hole affair . . . Laverna and Francine played -- and Winifred and Hazel were on stand-by. But had fun, anyway, following Francine and Laverna for several holes of play on that most beautiful course . . . hitting a few balls and enjoying the Ladies 19th hole. Laverna and Francine played well and missed by only one point in being a winner in the second flight.

Following play, a super gourmet meal was thoroughly enjoyed.

On way home we stopped by Floydada CC -- where Francine joined Pat for the weekly late afternoon Scotch four-some. At the end of play, their respective teams were tied, and in a play off they were still tied at the end of 2 holes. Since it was getting dark, they decided on a putting contest, and Francine's team won . . . received golf balls.

SOME OF OUR GALS

have been playing lots and lots of golf -- Laverna and Francine played 18 holes Monday in Pro-Am at Floydada -- and on Tuesday, Geneva, Louise and Leona, with Laverna and Francine played 27 holes. Then the 18-hole play Wednesday at Hillcrest for Laverna and Francine . . . and 9 more holes for Francine at Floydada and our regular play Thursday morn.

LOW GROSS PLAY

Sixteen players were on hand, including Marlene Bailey Hamm of Waco . . . who was visiting Lucretia; Loys, Tommy, Frances, Mickey, Lucretia, Mary, Geneva, Louise, Francine, Dorothy, Kathryn, Winifred, Kathy, Leona and Laverna.

Francine won the ball with low gross score of 40! That Francine, really playing

pretty . . . Frances had another BIG thrill, on a repeat performance of a hole-out, on No. 1 -- (other recent hole-out was on No. 5) Am sorry your reporter missed this event, Frances.

When the golfers arrived for lunch at El Matador, they were surprised by Margaret Jane Hill and her mother, Mrs. Willie Youngblood of Vernon and enjoyed visiting with them . . . in the group were Winifred, Mickey, Mary, Lucretia, Kathy, Geneva, Louise and Marlene, with Loys and Dorothy having coffee. After lunch, Margaret Jane and her mother enjoyed further visiting at Winifred's home, where several of their many friends joined them.

+++

On Thursday morning Hazel accompanied Lila Meador to Amarillo where they attended the Texas Press Association's 99th annual convention . . . visited with many friends, including Maxine Blakemore of Lubbock and Betty Howe of Shamrock -- who played golf Thursday morning at Amarillo CC. Both ladies won prizes . . . Maxine received golf balls.

CALCUTTA PLAY

Sunday afternoon, Women's Golf Association hosted a tournament, with 20 players participating . . . Howard, Loys, Jake G., Dorothy, Don Warren, Boyce, John, Geneva, Harold, Don Dillard, Clay, Tommy, Mickey, Nell Clem, Bundy, Lucretia, Joe C., Louise, Laverna, and Roy Stephens.

GOLFING IN BAHAMAS

La Voe and Buzz -- accompanied by their mothers, Cora Mitchell and Lillian Thacker -- flew to the Bahamas recently to meet Joey Thacker and his wife, Bonnie of Corpus Christi, who have been cruising along the southern coast -- leisurely sightseeing on the way.

Long drives on No. 5 were won by Lucretia and Boyce -- almost the same distance. Lucretia really does make some long drives and plays pretty golf.

Low net scores and winners were -- Geneva and Tommy tied for first place (65) and Louise had 67 (she always plays pretty golf) shot par (37 on each round for 74); Howard was winner (68); and a tie for second (69) was between Jake G. and John.

Leona and Nell B. were watching play from No. 1 green.

'Twas a hot, (106) windy afternoon but players managed to survive the weather . . . course is in great shape, all freshly mowed.

PADUCAH INVITATIONAL

63 teams entered a 2-day tournament last week in Paducah . . . Robin, Pat, Vann, Alfred, Bob and Tom played -- also Jimmy Tate and Bud Francis of Wichita Falls.

In championship flight Vann and Alfred won second (72) and received a set of Max-fli woods (1-3-4 & 5). Pat and Robin tied for first place in second flight (75) and got best in the play-off -- but won a set of Max-fli woods for second place.

Barbecue supper and dance Saturday evening . . . Francine and Sondra attended.

Forever has a different meaning for different people, but all of us accept forever as "a long time." This is especially true in terms of wasted energy -- once it's gone, it's gone forever. West Texas Utilities Company urges everyone to use all forms of energy as wisely and efficiently as possible. Make sure your home is properly insulated and weatherized; turn off unnecessary lights and appliances; and keep a careful check on the thermostat setting.

Just remember, wasted energy is lost forever -- and forever is a long time.
