CHRISTMAS COFFEE

On Thursday, December 17, La Voe and Lillian entertained friends for a Christmas coffee at La Voe's home in Roaring Springs.

All the usual traditional decorations were in place—as well as unusual arrangements from the front door to the back patio porch. Focal point of interest were the most decorated stockings of the Thacker kids—Johnny, Joey and Jeff—made by Lillian for their first Christmas, to the newest member, Blair.

Two tables were set up for the "tastin' bees" all of the goodies concocted for delicious eating. One table was centered by a Lazy Susan—designed and painted by La Voe's sister, Johnnie June. She and her mother,

Mrs. Cora Mitchell drove in that morning from Amarillo for the affair.

Hazel entertained Tuesday morning, December 22 with her annual Christmas coffee for the golfers (and friends).

Among new ornaments on the tree this year (and admired by all) was a white tufted angel, made by Mary Groves...the tiniest of beads outlined wings and around the gown. The hands were folded, and the face (eyes, nose and mouth) are all embroidered—even to pink cheeks. Truly a creation of art, since Mary made the design herself, and spent eight hours (Dick said) just buttonholing the beads on.

For a limited time: bonuses of \$1,400 to \$2,600 on John Deere row-crop tractors ... \$3,200 to \$4,000 on 40 Series 4-WD ... plus waiver of finance

Now through January 30, 1982, buy a new 2- or 4-WD tractor listed here and earn a bonus in John Deere money. After the dealer makes delivery, the bonus money will be mailed to you ... money you can spend for goods or service in this store.

There's more. Use the new variable-rate John Deere finance plan and no finance charges will accrue on these new tractors and on new or used implements bought with them until June 1, 1982*. One distinct advantage of variable-rate financing is that you can finance the tractor and implements you need now and automatically benefit from any future reduction in interest rates.

Senior Class Entertains With Christmas Program

The senior class presented a Christmas program, Friday, December 18, at 2:30 p.m. at the Motley County School auditorium.

Wesley Stafford, president of the class, gave the welcome and presented Mrs. H. R. (Earline) Jameson a corsage as a gift of appreciation for helping with the program.

The program began with the Christmas season being related in song by the pretty senior girls singing, "Silver Bells". Kimberly Campbell read the scripture of the Christmas story.

The class sang a medley of Christmas songs with Susannah Woodruff and Reneigh Gwinn adding to the fun and laughter with lyrics they had written to "Up on the Housetop" and "He'll Have Gifts for Everybody When He Comes." The class also sang, "Hey Santa" and "Jingle Bell Rock".

Santa Claus' Ho! Ho! Ho! was greeted with enthusiasm. Deanna Durham, Chris Gwinn, Terry Simpson, Mr. Millson and Shawn Bearden sat on Santa's knee when they told him what they wanted for Christmas. The delightful Santa decided he would sit on Vann Francis' knee when he heard his Christmas wishes and then, Santa gave him a present from his Christmas bag!

After the distribution of gifts, the class sang, "The Christmas Song". Mrs. Kenneth (Donna Sue) Thompson and Floyd Hardin, representing the Motley County Booster Club, presented the MCHS coaches, Gene Griffin, Danny James, Truitt Read and Gail Gregg, gifts of appreciation for their Black Magic with the 1981 MCHS football team.

Wayland Moore closed the program with a Merry Christmas and a reminder to the students to return to school, Monday, January 4. Everyone left with the holiday spirit and a goodwill toward fellowman.

LIBRARY NOTES
Beverly Darsey, Librarian

On Saturday, January 9, at 10:00 a.m. the film "Big Henry and the Polka-Dot Kid" will be shown in the library film room. This is a 35-minute film for elementary and junior high age children. Tell your friends!

On Thursday, December 17, the Motley County First Grade and their teacher, Mrs. Ronald Richards, toured the library and viewed the film, "Dragon Stew". Library Board Chairman, Darla Gwinn, showed the film to 24 children and three adults, and library registration cards were given to students to take home for their parent's signatures.

On Monday, December 21, your librarian and West Texas Library System consultant Jo Amandes held a work session in Motley County Library on collection development. Of particular concern was accession of materials in the reference collection. Our next book order will include several reference materials which will be purchased with grant funds from the Texas State Library. Ms. Amandes also emphasized the importance of librarian attendance at a 2-day WTLS workshop to be held in February at Snyder dealing with reference materials and information resources which every library should own and

make use of. The Library recently received a gift subscription to the children's periodical, "Humpty Dumpty," from Mrs. George Perkins. The magazine is designed for pre-school age children, and the first issue should be arriving in a few weeks. We thank Mrs. Perkins for her contribution to the children's section of the library.

We also extend our thanks to Bernice Daffern, Joan Patton and Darla Gwinn for their recent services in the library.

PERFORMANCE REPORT
During the month of December, the Motley County checked out 279 books to patrons in the county. Eighteen film showings were held with 433 viewers. Nine filmstrip showings were held with 41 viewers. Several films were checked out in December by civic groups, teachers, and individuals.

Library Hours are Wednesday 1-5 p.m.; Thursday, 9 a.m. - 5 p.m.; Friday 9 a.m. - 5 p.m.; and Saturday 9 a.m. to 1 p.m.
