ISSUE NO 65

School Board Decision Stands

The Motley County School Board voted Monday to uphold its original decision to fire school principal Arnold Parker, despite a three hour discussion with about 20 area residents who presented a petition to have him reinstated.

The board told the citizens that there was sufficient evidence to indicate Parker was unable to fulfill the principals position, and that the decision had come from much studying and investigating of "concrete facts".

"We do not act on hearsay," board president Vann Francis said. "As soon as we had concrete evidence, we acted. There are certain duties and written regulations a principal must carry out and Mr. Parker was not doing these things."

Francis stated that the board had met with Parker at the beginning of the year and laid out specific rules for him as principal.

Among the charges against Parker were student attendance, tardy rules not being enforced, and lack of supervision. Principal-teacher relations were discussed as nother problem, although a former teacher and a substitute teacher said they found Parker very fair and open with them.

"Some of these things were discussed when the board renewed my contract during the Match meeting," Parker said, as he gave an answer to the charges against him. He had signed a release stating that his charges could be discussed in an open meeting to the public. He also stated he was not attending the meeting or answering the charges in an effort to fight for his job back. He said when the board mentioned to him about the student attendance and discipline he did not think it was that serious. "I have been accused of trying to be friends with everyone. I guess I'm guilty of that."

Parker declined to give the Board an answer as to whether he would accept or contest the decision. He stated he would contact Superintendent Charlie Johnson in the next few days with an answer.

The petition, which carried about 300 names, read: "The

Two Youth Attend 4-H Citizenship Tour

Jeff Braselton and Kenny Rose, members of the Motley County 4-H clubs left June 12th to participate in the 1978 National 4-H Citizenship Short Course and Heritage Tour. They are scheduled to return June 17th.

While in Washington, they will stay at the National 4-H Center, and witness our Federal Government in operation. While in Washington they will visit points of interest and historic spots, as will be done on the trip to our nations capitol and return.

Groups that are helping the Motley County 4-H clubs sponsor part of the boys expenses are: Lions Club, Farm Bureau, Garden Club, El Progresso Study Club, Jaycees, Eternas Study Club, Arts & Crafts Club, Masonic Lodge, VFW and American Legion, Matador, Lions Club, CowBelles, Predicta Study Club and Lee's Feed & Seed, Roaring Springs.

A list of places visited will be given upon return from the trip, and programs for those interested will be given by Braselton and Rose.

Attends Girl State

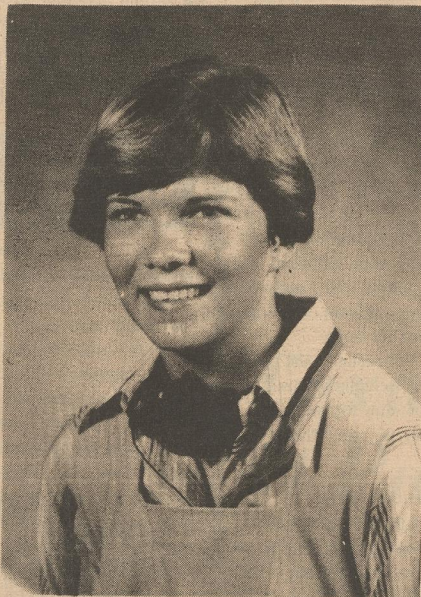

Tanya Simpson, daughter of Mr. and Mrs. Billy Paul Simpson of Northfield, was selected as Motley County delegate to Bluebonnet Girls State.

Sponsored by the American Legion Auxiliary, Girls State convened June 13 on the campus of Texas Lutheran College, Seguin, and will be in session until June 23.

Purpose of Girls State is similar to that of Boys State -- to educate young people in the duties, privileges, rights and responsibilities of American citizenship.

It is a mythical 51st State where, for a period, the young women organize their own city, county and state governments. They choose their own officials in accordance with regular election procedures and learn the duties of the various city, county and state officers.

A visit to the State Capitol will be included in the program which offers the girls an opportunity to assemble in the halls of the legislative bodies and meet state officials.

TINA CARTWRIGHT

Tina Cartwright Selected For Achievements

Tina Cartwright, a 1978 graduate of Motley County High School, has been selected as a member of The Society of Distinguished American High School Students. She is the daughter of Mr. and Mrs. Garland Cartwright of Matador.

With the assistance of high school and church officials, the Society honors America's most distinguished students -- those who have achieved academic excellence and have displayed leadership in extracurricular, civic, and church activities. Members are considered for scholarships through the National Awards Program supported by distinguished American colleges.

Throughout high school, Tina has been active in pep club, annual staff, and paper staff. She has participated in volleyball, UIL events in Prose Reading, Junior Play and Senior Play. Miss Cartwright was a cast member of the One Act Play and was selected to the "All Star Cast" at both District and Area competition this year. She attended the Farm Bureau Seminar her Junior year.

Miss Cartwright's membership will be announced in the 1978 edition of "The Society of Distinguished American High School Students" which will feature her high school biography.

Plans Complete For Donkey Show

Fun-loving sports fans are promised a field day of hilarious entertainment when the Ralph Godfrey Donkeys, from Crescent, Oklahoma, come to Matador on June 24 as the Matador Jaycees take on the Plainview Jaycees followed by the district Championship game.

The district Championship game will be between the two winners of the following scheduled games: June 19 Tulia vs Happy at Happy; June 20 Happy vs Tulia at Tulia; June 23 Matador vs Plainview at Plainview and June 24 Plainview vs Matador at Matador.

Admission prices will be \$2.00 for adults and \$1.00 for children 14 and under. Tickets are on sale from Jaycee members. The show is being sponsored by the Jaycees in order to raise funds to help support the Jaycees college for the Handicapped.

The first game followed by the Championship will begin at 8:00 p.m. Saturday, June 24 at Forrest Ball Park in Matador.

Cemetery Grounds Locked Due To Recent Vandalism

Matador East Mound Cemetery is being locked at nights. This action has become necessary due to recent vandalism of the headstones and cluttering up of the grounds with beer cans and liquor bottles by parties that have been frequenting the property. Many complaints also have been received by the caretakers, concerning artificial floral arrangements which have been stolen from graves.

Careless, or intentional driving of vehicles over the grounds has damaged some risers and meters (water connections), all of which have cost money to install, and additional expenses as well as work and time, to repair.

Visitors to the cemetery during wet weather also have posed a problem, by cutting deep ruts in the roadways, it was asserted.

The public is asked, and urged to cooperate in the protection, care and maintenance of the cemetery, if it is to be kept in good condition. Contributions from those having friends and loved ones buried in the cemetery provide the only means for maintaining the burial grounds, and funds are needed at this time to defray expenses.

Pat Seigler, president, and Mrs. R. E. Donovan, secretary of the Cemetery Association have given their time voluntarily for a number of years, without pay, as have other officials through the years. Mrs. Johnny Jackson, caretaker, and her helpers have done an outstanding job of keeping the graves and driveways cleared of weeds, and the support of the public will be appreciated -- and expected if this work is to continue.

Fate Of Building Is Extended

A committee of concerned citizens, Mr. and Mrs. Howard Traweck, Mr. and Mrs. Joe Smith, Mrs. Robert Darsey and Mrs. Seven Alexander, met with the Motley County ISD Board of Trustees Monday night to again discuss the fate of the old high school building. As was requested by the trustees in the May 8 board meeting, the committee presented them with the exact functions the building would be used for and a list of clubs and organizations that has expressed interest in using the building.

Mrs. Traweck pointed out that South Plains College and Snyder College have expressed interest in using the building for satellite college classes. Also, a film distributing company out of Ft. Worth would be able to supply full length Walt Disney movies as well as other family-type films for a fee. Dr. Richard Weaver, head of the drama department at Texas Tech informed Mrs. Traweck that his department takes their plays on tour to small area towns and

costs would be on a percentage basis of the box office receipts.

Mrs. Robert Darsey presented a list of clubs and organization that has expressed interest in using the building. These were El Progresso Study Club, Senior Citizens, Order of Eastern Star for District meetings, Motley County Singing Convention Association, M.C. Arts and Crafts, Matador Garden Club, Ladies Golf Association (for Guest Day etc.), United Methodist Women, M.C. Hospital Auxiliary, M.C. Homecoming Exes, Whiteflat Homecoming Association, large family reunions, and art instructors such as Mrs. Una Simpson.

After a short discussion period Vann Francis, president of the board, made the motion to postpone the demolition of the building for eight months or until the First Board meeting in February 1979. Motion was seconded by Wilberta Jackson and the vote was unanimous by the six board members present. The committee agreed to work on grants during this length of time and if at the end of this period, the possibility of grants were not favorable, the Board would proceed with their plans.

Flomot Homecoming Set For July 1--2

The 1978 Tri-annual Flomot Homecoming will be held Saturday and Sunday, July 1-2 at the Flomot Community Center. A good program is planned for both days. Letters have been mailed to ex-students and teachers outlining activities, according to Mrs. Herb Martin, secretary.

A dance will follow the crowning of the 1978 Homecoming Queen on Saturday night. The gym will be available for visiting with old friends and for class reunions. All exes are extended a cordial invitation to attend.

DRESS REVIEW WINNERS ANNOUNCED

Sharlene Smith, Deanna Durham and Kim Hand were first place winners in the annual Motley County 4-H dress revue held in the Motley County school Library, June 13th. These winners accompanied by their parents will participate in the district dress revue which will be held in Abilene, July 6.

In the Senior division, Sharlene Smith, Matador, Tanya Simpson, Northfield, Kay Phillips and Barbara Durham, Matador all received Blue awards.

In the Junior intermediate division, Deanna Durham and Nancy Cooper, Matador received Red awards.

In the Junior division, Kim Hand and Janice Brown, Roaring Springs received Red awards. Ribbons were furnished by the Eternas Study Club.

Kay Phillips served as narrator and the contest was under the supervision of Miss Thelma Wirges, District agent, Vernon. Judges were, Gay Patterson, Extension Agent, Paducah, Cheri Parnell and Brenda Whitaker, 4-H leaders, Paducah and Pam Prather, Nocona, who is scheduled to start work in Motley County September 1 as Home Demonstration agent at large.

Motley Co. Jr. Rodeo To Be Held Friday and Saturday

The third annual Motley County Jr. Rodeo will be held at the Old Settlers Grounds at Roaring Springs this Friday, June 16th, and Saturday, June 17th, with performances starting at 8:00 p.m. Boys and girls who have not reached their 19th birthday will be competing for buckles in all events; 50 percent of the pot in senior events (age 16 thru 18); 33 percent of the pot in junior events (age 12 thru 15), with the pee wee division being those 11 and under. A saddle will be awarded the high point boy and girl.

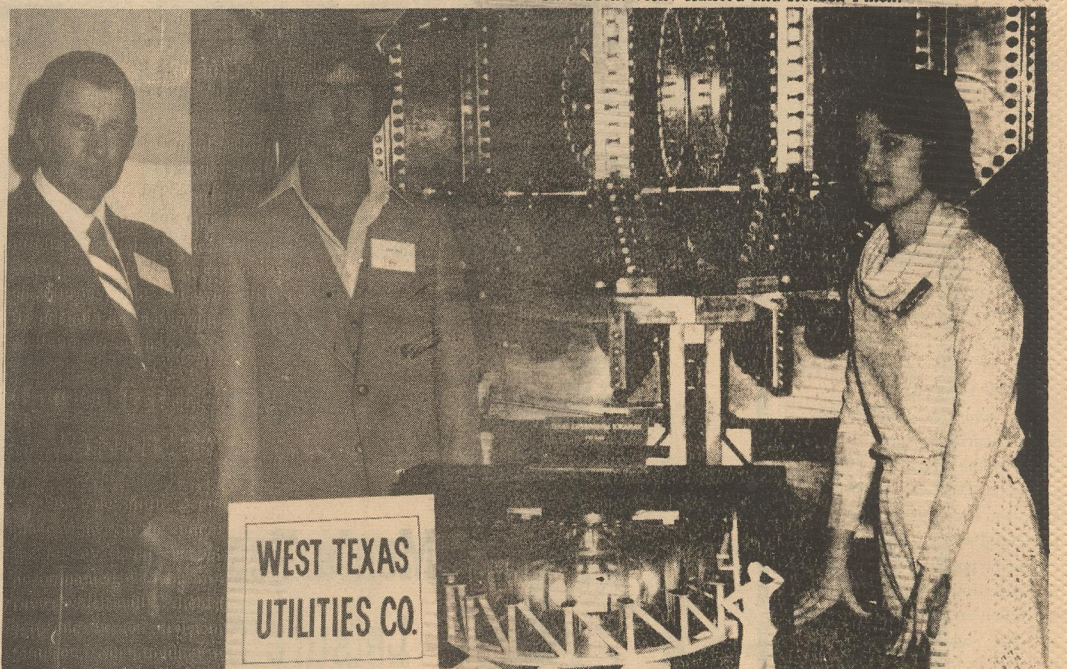

Runt Sloan, Newcastle, is again the producer, and the concession stand will be operated by 4-H parents, members and leaders. Cheeseburgers, hamburgers, sandwiches, chips, candy, coffee and soft drinks will be available.

A stickhorse race will be held each night for pre-school children. Age divisions are 4 and under, and 5-6.

Events will include barrel races, flag races, pole bending, and bareback riding for all divisions; calf riding for pee wees; goat tying for pee wees, Jr. & Sr. girls; chute dogging for Jr. & Sr. boys; bull riding, calf roping and ribbon roping for Jr's and Sr's. Henry Lester, Idalou, will play for a dance starting at 9:00 p.m. Saturday night.

4-H members, parents and leaders are reminded of the preparation meeting at the rodeo grounds starting at 2:00 p.m. Thursday June 15th.

Sid McFall, President of the Motley County 4-H Rodeo Assn., is assisted by Directors Sonny Russell, J. Don Finch and Roy Gene Stephens, Jr. Directors are Douglas Campbell, Bob McKevey, Bert Whitaker, Coke Barton, Rob Francis, John D. Russell and Roy Thompson. Dell Bearden is secretary, assisted by Donna Thompson, Vicki Halford and Rebeca Finch.

Wayland Moore, teacher, and Robert Parker, student, from Motley County High School are pictured with Jan Pierpont from

Abilene at the recent Nuclear Science Symposium held at the University of Texas campus in Austin.

Moore-Parker Attend Science Symposium

Wayland Moore, teacher, and Robert Parker, student from Motley County High School were among twenty outstanding students and teachers from the area served by West Texas Utilities Company to attend the 18th Annual Nuclear Science Symposium at the University of Texas at Austin. The Conference got underway Tuesday, June 6th, and ended Friday, June 9th.

The Symposium was jointly sponsored by the Texas Atomic Energy Research Foundation and the University of Texas. West Texas Utilities is one of the sponsoring companies.

The 500 selected high school science students and teachers who attended the session were offered the rare opportunity of hearing lectures by some of the nation's outstanding nuclear scientists.

The Foundation was formed for the primary purpose of conducting the world's first and largest privately financed research effort in the field of nuclear energy. Currently, the Foundation and the University are sponsoring a program in

nuclear fusion research aimed at controlling thermonuclear reactions for the production of electric power.

The goal of the Foundation and WTU is not research alone, but to also assist in the advancement of the knowledge of nuclear science in Texas schools. Of special interest to the sponsors is bringing to students and teachers a realization of the privileges, responsibilities and opportunities which scientific discoveries in the field of nuclear energy presents.

WTU paid all expenses for the 20 students and teachers attending from schools in the area served by the company. Lecturers at the Symposium were chosen from top men in their field.

There are over 1,000 accredited senior high schools in the state of Texas. Matador can be justly proud of its high school for having been chosen as one of the 150 high schools in the state invited to send students and teachers to the Symposium.

Church And Society

Pritchett-Fisher Exchange Vows

Marijona Kay Pritchett and Lawrence Joe Fisher exchanged wedding vows at 3 p.m. Saturday, June 3 in Ford Chapel of the First Baptist Church in Lubbock. The Rev. J. T. Bolding performed the ceremony.

Parents of the bride are Mr. and Mrs. J. C. Pritchett of Midland and parents of the groom are Mr. and Mrs. Joe Fisher of Lubbock. Mrs. Ernest Fisher of Matador is grandmother of the groom.

The bride graduated from Richmond Senior Secondary High School in Vancouver, British Columbia and attends Texas Tech University. The bridegroom graduated from Coronado High School and Texas Tech University and is employed at A.P.B.M. Steel in Lubbock.

The bride wore a sheer voile dress with a round neckline accented with a deep ruffle of lace, long gathered sleeves, and tiered skirt accented with wide lace ruffles. She wore sprays of spring flowers in her hair.

Mrs. Tommy Davis of Old Glory, attired in a dress of blue voile trimmed in white lace made similar to the bride's, attended the bride as Matron of Honor. Armand Fisher of Andrews served his brother as Best Man.

Gary Pritchett of Midland, brother of the bride and Ivan Fisher, brother of the groom served as Ushers.

The double ring vows were exchanged before an altar of spring flowers.

Music for the ceremony was furnished by Tracy Spray of Bowie, cousin of the groom.

A reception followed the exchanging of vows in the reception area of the Chapel.

NEW ARRIVAL

Mr. and Mrs. Ron Richards of Roaring Springs announce the arrival of a baby son, Lucas Den, who was born May 31 in Richards Memorial Hospital, Paducah. He weighed 9 pounds 5 1/2 ounces. He has a brother Will, 7, and a sister Bonnie 5. Grandparents are Mr. and Mrs. T. J. Richards of Paducah and Mr. and Mrs. A. Hall of Oklahoma City, Oklahoma.

RECENT VISITORS

Recent visitors in the home of Mr. and Mrs. Bill Moss were their daughter-in-law, Mrs. Dick Moss and daughters, Andrea and Stacey of Wilsonville, Oregon; their son, Mr. and Mrs. Glen Moss, Marsha, and Lee, of Bellevue, Texas; Mr. Moss' parents, Mr. and Mrs. John Moss, Elk City, Okla.; Mr. Moss' brother, Mr. and Mrs. John B. Moss and Jason, Salina, Kansas; and Mrs. Moss' parents, Mr. and Mrs. Henry Pope, Dodson, Texas.

GIVEN OES AWARDS -- Mrs. Bertha Stearns (second from right) recently received a 50 year member certificate from Grand Chapter, Order of Eastern Star, and a 50 year member certificate and pin from Matador Chapter No. 66, Order of Eastern Star. Her sister, Mrs. J. D. Craven (right) made the presentations. Mrs. Rita Groves, left, was reinstated in the chapter, and her husband, Algie Groves was initiated. Mrs. Una Simpson is immediate past Worthy Matron of the chapter.

Mrs. Bertha Stearns Receives OES Awards

At regular meeting of Matador Chapter No. 66, Order of Eastern Star on May 4, Mrs. Bertha Stearns was presented a 50 year member certificate from Grand Chapter Order of Eastern Star. She also received a 50 year member certificate and pin from the Matador chapter in a presentation by her sister, Mrs. Opal Craven. Mrs. Una Simpson is immediate past Worthy Matron.

Others who have received 50 year membership certificates and pins at other meetings of the chapter have been Mrs. Corrine Drace of Lubbock and Mrs. Margaret Springer of Floydada.

Algie Groves was initiated into the chapter and Mrs. Rita Groves was reinstated at the May meeting.

At regular meeting of Matador Chapter No. 66, OES, June 1, new officers were installed for year 1977-1978.

Installing Officer was Mrs. Vivian Jacobs. Installing Marshall was Mrs. Beverly Vinson and Mrs. Wilna Hobbs

Shower Honors Bride

A miscellaneous shower Friday night at the home of Mrs. Kirby Campbell was a courtesy for Mrs. Kelly Meyer, the former Renee McCreless of Plainview.

Hostesses with Mrs. Campbell were Mesdames Grady Phillips, J. P. Neighbors, Dean Turner, Boyce Hart, Mark Hall, James Simpson, T. W. Campbell, Pete Williams, Bruce Marrs and Ocie Smallwood.

Refreshments of cookies and punch were served from a table laid with an ecru linen cloth. The centerpiece was a crystal compote holding an arrangement of shasta daisies and fern.

The couple was married June 2 in the Date Street Baptist Church, Plainview. They are making their home here, where Mr. Meyer is engaged in farming.

HAMILTONS HERE FROM ALASKA

Mr. and Mrs. Richard Hamilton and children, John Richard, Suzan and David of Eagle River, Alaska, are visiting their respective parents, Mrs. John Hamilton and Mr. and Mrs. J. D. Craven. Mr. Hamilton arrived Sunday to join his family, who flew to Amarillo Tuesday of last week, and were accompanied here by her sister, Mrs. Bob Nix. Another daughter of the Cravens, Mrs. Bill Harrison and son, Kyle of Brownfield visited during the week end.

Week end visitors in the home of Rev. and Mrs. Jerry Golden were Mr. and Mrs. Keigm Slone and children, Angela and Randy of Lubbock.

Mrs. H. T. Robbins visited in Lubbock last week with her niece and family, Mr. and Mrs. Wayne Bryant, who accompanied her home Saturday afternoon. She attended the wedding of Mrs. Bryant's son, Jim Pipkin and Sherry Morris, on Friday evening.

IN VA HOSPITAL

Burrell Tipton of Dayton, Tex., formerly of Matador, is a patient in the Veteran's Hospital, Houston, following surgery Monday for a hernia in his lung cavity. He is in good condition, according to word received here by his sister, Mrs. Douglas Meador. He is in Ward 103.

TO FLORIDA

Mrs. L. J. Barkley left Thursday for Orlando, Florida, where she attended graduation exercises for her granddaughter, Lynn Bessley from the Florida Technological University. She is the daughter of Mr. and Mrs. Lowell Barkley Jr. The exercises were conducted at 8:30 a.m. Friday, June 9.

ATTENDS WORKSHOP

Bill Moss, Motley County Vocational Agriculture Instructor, attended a two day workshop on Selecting, Maintaining, and Adjusting Power Woodworking Equipment at East Texas State University, Commerce, Texas June 8 and 9. He was accompanied by Mrs. Moss.

ASU Psychologist Has Matador Roots

Three Angelo State University faculty members have been notified they have passed certification examination administered by the Texas State Board of Examiners of Psychologists. One of the three, Dr. Joe M. Jeffers is a native of Matador. He is the son of former residents, Mr. and Mrs. Kenneth Jeffers of San Angelo, and a grandson of the late Mr. and Mrs. Claud Jeffers.

Jeffers joined the ASU faculty in September, 1977, coming from East Texas State

University where he had served two years as an assistant instructor. He was head psychologist at San Angelo Center in Carlsbad from 1973-75 and was a psychologist in the Air Force from 1969-73. He received a doctors degree from East Texas State and a masters and bachelors from North Texas State University. He and his brother, Freddie James, were both born at Stanley Hospital in Matador.

Bulletins

Jaycee Meeting Tonight

The Matador Jaycees will have a meeting tonight (Thursday) following the ballgames. All members are encouraged to attend.

Singers To Meet Sunday

Motley County Singing Convention will meet Sunday, June 18 at the Assembly of God Church in Roaring Springs, it was announced this week by W. L. Craft, president of the association. The singing will start at 2:00 p.m.

The convention, oldest organization in the county, meets twice each year -- the third Sunday in June and October.

Everyone is extended a cordial invitation to attend, and singing groups are urged to participate.

Spaghetti Supper To Be Held June 29

The youths (junior and senior class age) at the Methodist Church will hold a Spaghetti Supper from 5 to 9 p.m. on Thursday, June 29 at the American Legion Building. Proceeds will be donated to the building fund of the Church.

Tickets for the dinner, which will include spaghetti, salad, garlic toast, tea and coffee, will be \$3.00 for adults and \$2.00 for children under 12. Advance tickets may be purchased from class members or by calling 347-2804.

'Texas' Opens At Palo Duro

CANYON, TEXAS, MAY 26, 1978: The spirits of the Texas Rangers are riding again as their descendants appear in the "TEXAS" production this summer, 1978.

When the opening chorus sweeps onto the stage on June 14, Eddie Brow will be in the company, returning from New Mexico to the Panhandle to the land where his uncle, a Texas ranger, came to subdue the tumult in Borger during its boom days of the 1920's and was shot and killed by a local marshal.

Ralph Kimbrough will be singing and as he looks at the cliffs, especially during the Indian scene, he will recall the stories of his great-grandfather, a Texas ranger, who was in the posse which captured Quanah Parker.

Lois Hull, who plays Aunt Anna, is a descendant of the Texas Ranger for whom Deaf Smith County is named.

There will be descendants of early farmers and ranchers, of people who came in covered wagons and lived in dug outs.

And Jim McClain will be there, whose great-grandmother fired the gun

"Consumer on the go"

MEDICAL CHECKLIST

If you're an experienced traveler, you probably pride yourself in being able to handle unexpected travel related emergencies while you're away from home.

Packing comfortable shoes for sightseeing excursions and rain gear for inclement weather are a few of the common emergencies travelers prepare for. As for medical emergencies, travelers also try to remember to take along extra aspirin, vitamins and other daily medications for the duration of their vacations or business trips.

But as a consumer how can you prepare for a serious medical emergency that can happen to you while you're in unfamiliar surroundings? The answer is to carry a summary of your medical history with you (not in your luggage) at all times.

American Express now offers its cardmembers a pocket-size Med Chart that, when filled in, enables a physician to review the medical history of a traveler in distress. A checklist of the life-saving information excerpted from the Med Chart appears below. Use it to prepare your personal, updated, accurate medical fact sheet for traveling. It may be invaluable in facilitating the medical care you need if you become ill while traveling.

Name and address of your health insurance company and your policy number.

Name, address and telephone number of a person who should be notified in case of an emergency.

Name, address and telephone number of your personal physician(s).

Personal and medical identification cards.
Current medication and eyeglass prescriptions.
Previous and current minor and chronic illnesses, such as allergies, high blood pressure and diabetes.

LEARNING HOW TO LOOK

Next time you're in the forest, look around more carefully. You'll be surprised how much there is to see.

THE ANGLEWING is one of the few butterflies you can see in early spring. Here he is sunning himself on a trillium flower.

In the forest, life is everywhere... above your head, beneath your feet, all around you. And the fascination that it holds is limited only by the time and curiosity for wonder that you bring to it.

If you hear a sharp rattle-tat-tat, try to follow it. You may see a woodpecker drilling to get at an insect larva burrowing beneath the bark. You can see more birds in spring by finding a sunlit clearing with berry bushes. Migrating birds frequently stop over in such spots.

Most wildflowers appear in the woods in early spring. That's when there is moisture in the ground, and sunlight can get down to them.

because the leaves on the trees are not yet fully formed.

Lift up a flat rock to see a sample of the abundant life of the forest floor. Among the dozens of creatures you may see are black, shiny pill bugs and sow bugs -- not bugs at all, but close relatives of

IN A DEAD LOG, forces that renew life are constantly at work -- bacteria, mosses and fungi break up dead organic matter, creating fertile forest soil.

lobsters and crawfish -- which curl up like snail shells to conserve their body moisture. You'll see a lot of rabbits in the spring because they usually come out to eat the delicious young leaves. If you see one and he seems to be looking for the generations to come.

off to your right or left, he's really looking at you. Rabbits' eyes are on the side of their heads, and look off in opposite directions. That one eye staring at you can detect your slightest motion.

To celebrate this life in the forest you may want to make a whistle. Pick up a small twig. Split it. Hollow out a section of both halves. Place a blade of grass between the two halves together. Then blow vigorously.

EVEN A TINY POND teems with fascinating creatures like the water strider skating around, and the whirligig beetle going madly in circles.

This article was prepared by the St. Regis Paper Company, which -- together with the other members of the forest products industry -- is vitally concerned with maintaining the beauty and usefulness of America's forests and he seems to be looking for the generations to come.

IN THE ROUGH

BIRTHDAY — It was Surprise Play... Loys announced... score on 5, 6, 7... Lucrétia had... these named... won the ball... Frances... Kathy, Laverna... Dorothy, Winifred... Loys has been... apricots from her... our snacking, the... weeks... really have... them.

It was planned for all... players to bring a sack lunch and help Loys celebrate her birthday — even with a "hummingbird" cake baked by Loys and most delicious. We had the picnic lunch under the mesquite trees. Mickey joined us and brought her "Air-pot" of coffee to share with us.

After feasting, these played 18 more holes: Leona, Mickey, Winifred, Lucrétia, Frances, Kathy, Dorothy and Hazel. Frances had a hole out on No. 5, her first one ever, and she was more than thrilled. 'Twas fun to watch her.

The weather isn't supposed to be mentioned — but it was a beautiful Texas day!! blue sky filled with billowy white clouds — reminded one of the oft quoted, familiar poem "And what is so rare as a day in June, Then, if ever, comes a perfect days..." — James Russell Lowell.

PADUCAH TOURNAMENT — There were 29 players from Childress, Spar-Dougherty, Ralls and Matador who played Thursday in the Paducah tournament, with these from our club: Geneva, Louise, Mary, Kathy, Tommy, and Donna Pernel of Dougherty.

Louise was runner-up in championship flight, playing with Neva, Abell (Ralls), Jean Hassell (Childress) and Tish Orr (Paducah).

Mary was in a 3-way tie for first, in second flight (107) with Shirley Hassell (Childress) and Tommy (Ralls). Winner was determined by card play — Shirley won and Mary was runner-up.

Geneva was in a 3-way tie for low-putts (31) with Sybil Jones and Bennie Taylor (both of Paducah). Bennie won the All winners received trophies and Geneva and Tommy won door prizes; Geneva, a water cooler jug, and Tommy, coasters.

Louise's and Mary's names were drawn (Mary said first time EVER for her) but couldn't have the prizes because they had won trophies.

They reported a great time — lots of fun — most delicious luncheon at tables decorated with floral arrangements and place favors of goodies — pens from Savings and Loan and other things.

Later that afternoon, Geneva and Louise played 9 holes on our course — to get in their regular play.

TOURNAMENT AT QUANAH — This was Saturday and had been postponed several weeks due to weather. Mary and Geneva played and both won door prizes; Geneva a thermos bottles and Mary, necklace and earrings. Most tasty lunch of ham, turkey, casseroles, salads and cake. Dirty bags full of goodies, (ball markers, and other items) were favors. Course was really green and in good shape, they said; following the rains... they had fun.

LUBBOCK, Friday, June 9, 1978

The third chapter was written June 7 in the story of regulations determining eligibility for prevented planting payments under the 1977 Farm Act.

First, from the State Agricultural Stabilization and Conservation Service (ASCS) office, in April, there were reasonable and fair guidelines. These would have provided producer protection against unreasonable conditions — as Congress intended. Then, on May 25 in the waning days of the required planting period, from Washington, came a directive that was impractical and unfair. It would have required senseless planting of other crops after the required cotton planting date, thus denying producers the protection envisioned by the law.

Now, there's something in between. Following Washington's ill-advised action May 25, Plains Cotton Growers, Inc., Lub-

bock, by telegram and telephone, protested. Repeated conversations with USDA high-ups brought contradictory responses and assertions of good intentions.

And, at long last, action. The State ASCS office in College Station was authorized June 7 — well past the May 31 required planting date — to issue a "clarification" of Washington's May 25 communication. Although late, some producers may yet see some benefit from the prevented planting section of the 1977 law.

As received by PCG in a telephone conversation with the state office, the new instructions to county ASCS offices read as follows:

"Producers are expected to plant other non-conserving crops (after being unable to plant cotton prior to May 31) to the extent that:

(1) Moisture is available for the planting of such crops during the normal planting period for the crop;

(2) Non-conserving crops

that can be planted are normal to the area;

(3) Equipment is available for the production of other non-conserving crops;

(4) Non-conserving crops normal for the area are tolerant to herbicides that were applied to the land in preparation for planting the intended crop this year;

(5) Other non-conserving crops normal to the area are normally grown on the type soil and under cultural practices normally carried out on the farm.

For example, a producer would not be expected to plant soybeans under dryland conditions if soybeans grown in the area are irrigated. The term cultural practices does not include rotation in the sense of Fall and Spring seeded crops.

Each producer who has not been able to plant, say PCG officials, whether too wet or too dry, should consult with his county ASCS office for any change these new instructions may bring about in his particular circumstance.

LOCAL — Mrs. Walter Evans spent the week end in Lubbock waiting her daughters Mr. and Mrs. Betty Scott and Mr. and Mrs. Corran Scott.

School Board From Page One

undersigned citizens wish to make it known that we think the action taken by the School Board regarding Arnold Parker's position as Principal of our schools was unfair and unjust and that action should be taken to make amends."

When asked to explain how the action was unfair and unjust, the citizens stated that being fired was very harsh punishment for activities of students who were not directly under Parker's control. It was pointed out that the fault lay with parents, and especially teachers who were incompetent to the point they could not control their students.

Board members pointed out that keeping discipline is a great concern, and each teacher is reviewed by the board each year and recommended for rehire by the principal. Parker, they said, had been asked on several occasions if there were any problems and he had indicated everything was fine. The Board also said Parker was to turn in a report to the Board every six months.

After listening to the citizens voice their support for Parker the Board voted unanimously to uphold their original decision.

Paka Barton looks on as Kim Hand (Bears) manages to keep one foot on the base before the Dodger player gets on first base.

What could be called "dancing a jig" is actually Panther players John Meador (left) and Rob Francis (right) as they both go after a fly ball.

Panther player, Leigh Barton, attempts to cross homeplate before Roy Thompson with the Ranger team puts her out.

Community, Area Support Makes Ballgame A Success

The well known saying "United We Stand - Divided We Fall" could easily be applied to the Saturday night Benefit Baseball game as a large part of the community turned-out to support, not only the teams, but also the United Methodist Church of Matador in their plight against the recent disaster of their Church. A total of \$689.36 was raised and donated to the Methodist building fund for expenses to be incurred in the re-building of the Church.

What began as a small event grew into a "fun filled" night as individuals from all denominations along with some clubs and businesses offered their help. High school girls have up their Saturday night outings to form a baseball team. Ladies from various churches including Mrs. Jerry (Toni) Golden, wife of the pastor of the First Baptist Church in Matador, formed a team. Volunteers brought homemade ice cream and members of the Eternas Jr. Study Club furnished brownies. Walter Jones donated barbeque meat for sandwiches and Billy's Grocery and Spot Cash Grocery chipped-in other items for the concession. The Matador Jaycees furnished cokes and assisted with the ballgame. The Texas Highway Department, located here, furnished extra trash cans and ice for the concession.

The baseball game of age vs youth had become such a controversial affair that umpires were carefully selected. Mrs. Dorothy Webb who has had many years of umpiring experience (from the sideline), called first base. Mrs. Nova Dale Turner was chosen to call third base due to her experience of settling "squabbles" through her teaching profession. Ricky Lawrence, a little league coach with a knowledge of the rules, was homeplate umpire. "Dizzy" Don Cox served as announcer and Mrs. Marion Woodruff, assisted by Charles Johnson, were official scorekeepers.

The Mighty Matrons took an early lead as Coach Vaden Hayes surprised his opponents with his secret weapon, fast-pitcher Bobby Brown. After the initial shock that the older women could still manage to run and see well enough to catch fly balls, the Swinging Singles settled down to play the type of ball that everyone expected. At the end of the third inning the Swinging Singles had come back and were winning the game by a narrow margin.

At this time Coach Hayes called on his assistant, Polly Gwinn, to check the pulse beat and physical condition of his players. After the report was given to Coach Hayes, he felt it was time to go into Phase II of his game plan. He pulled all players except pitcher, Bobby Brown, and sent in a complete list of fresh recruits. Coaches Dennis Gwinn and assistant, Lester Campbell, not to be surpassed by Hayes' coaching ability, likewise sent in new players. The Swinging Singles popped-up with several homers (with bases loaded) by pinch-hitters Pam Francis and Cindy Johnson to end the sixth inning with a 13 point spread. Believing the Mighty Matrons were "wearing-down," Coach Gwinn asked to continue the score for two more innings. Coach Hayes again using his strategy sent in fresh recruits the final two innings and the Mighty Matrons came back to defeat the Swinging Singles, in a hard fought battle, 29 to 28.

Roaring Springs News

Week end visitors in the home of Mr. and Mrs. J. D. Palmer were her parents, Mr. and Mrs. M. D. Goolsby from Odessa. Sunday, Mr. and Mrs. Jerry Crenshaw of Lubbock visited with the group.

Visiting in the home of Mr. and Mrs. Teddy Sedgwick last week were her brother and family, Mr. and Mrs. Tony Cook and boys of Alley Springs, Mo. Saturday, the group drove to Friona to attend a family reunion.

Mr. and Mrs. Jim Lawler of Lubbock recently visited her parents, Mr. and Mrs. Ray Zabielski.

Don Wittler and children, Danielle and Dana of Alverado, visited with their grandparents, Mr. and Mrs. Ray Zabielski. The girls remained to accompany the Zabielskis to Lexington, Ky. to spend the summer with their mother, Mrs. Laverne Whittler. They will also visit in Chicago, Ill. with Raworth and Lamar Zabielski and Mr. Zabielski's

Joey Thacker who sailed from Corpus Christi in February for a cruise down the coast.

Mr. and Mrs. Grady Webb accompanied by her sister and husband, Mr. and Mrs. Quannah Maxey of Post, drove to El Paso last week end to visit their cousins, Mr. and Mrs. Dalton Hill. Another sister of Mrs. Webb's, Mrs. Louis Sinclair of Lubbock flew to El Paso and joined these ladies for a visit.

Mrs. Trudy Stevens visited her parents, Mr. and Mrs. Billy Hand and Kimberly, Sunday. Her daughter, Kristie, who had been visiting with her grandparents, accompanied her home.

mother and family before returning home.

Visiting Mr. and Mrs. L. A. Mullins during the week end were Mr. and Mrs. Bobby Mullins and Mark of Wichita Falls; Todd Mullins and Ms. Sue Asmers and Lee of Amarillo; Mrs. Linda Hart, Kevin, Kim and Lisa of Chickasha, Oklahoma.

Mr. and Mrs. Buzz Thacker, Mrs. Lillian Thacker, and Mrs. Cora Mitchell left Monday to visit with their son in Irving, Mr. and Mrs. Johnny Thacker. From there they will drive to Dallas and enplane for the Bahama Islands where they will be joined by another son and wife, Mr. and Mrs.

"By Golly, we don't have an iist plain cowfeed!"
THIS FEATURE SPONSORED BY FIRST STATE BANK

PLANNING RETIREMENT

Plan Now, Play Later
 A new booklet developed by The Bowery Savings Bank, "You Don't Have To Be Rich To Retire Comfortably," offers a comprehensive guide to retirement planning. Topics covered include, social security, medicare, pensions, types of retirement accounts and all potential tax benefits. A special geographic guide to average living costs along with sales and income taxes for selected states, helps in the choice of a place to retire. Advice in the booklet also covers what to do financially before and after retirement, how various retirement accounts work, who is eligible for them, and how to protect the money saved.

For a free copy of "You Don't Have To Be Rich To Retire Comfortably," write to The Bowery Savings Bank, P.O. Box 600, Elmsford, New York 10523.

"Scenery is fine, but human nature is finer." Keats

Flag Day commemorates June 14, 1777, when the Continental Congress adopted the Stars and Stripes as the flag of the United States, according to *The World Book Encyclopedia*.

Ice Cream Facts & Figures

Ice cream is such a favorite food for people of all ages that America produces nearly 800 million gallons of it every year. That's about 15 quarts per year per person.

A favorite place to get ice cream for many people is at home. A unique home ice-cream machine now can give you two flavors at the same time. This Lickety-Split from Norelco also makes frozen yogurt, sherbet and ice milk by using table salt and ice.

You can make so many great flavors with such a machine that you may want to challenge the ice-cream-eating record set by Ken Redding in 1976, when he lapped up 11 pounds of the tasty treat in only 8 minutes, 15 seconds.

NOTE OF THANKS

A special thank you to each of you who have been so thoughtful to me during my illness. Your prayers and concern for me and my family during my stay in the hospital and since my return home are greatly appreciated. Also the calls, visits, flowers, and cards were kindnesses that will long be remembered.
 Sid McFall
