

Light Voting In State Election Is Reported

Texans Exhibit Little Interest During Morning

Local, District Contests Divide Spotlight Honors

Texans voted leisurely today on ten amendments to the state constitution, a State Board of Education and an assortment of local issues.

Reports from over the state said voters for the most part were casting ballots one or two at a time.

Only in places where local and district contests had fired up more than casual interest were there any semblance of a crowd.

Houston reported a very light morning vote. The Houston Chronicle said unofficial returns showed the amendment calling for annual sessions of the legislature was trailing sharply. It also would pay legislators \$3,600 yearly. The returns were from 30 scattered Harris County precincts.

Voting also was very light in Dallas County.

Amarillo reported only a light vote. Some interest was whipped up there when the Potter County Tax Payers Association came out against all 10 amendments. The Amarillo Labor Legislative Council urged its members to vote for the amendments.

Only 31 votes had been cast at Hillsboro up to 9 o'clock. Voting also was light in Hill County.

Balloting Is Very Light Here

Ten proposed amendments to the state constitution and a race for a state board of education post were luring few voters to the polls in Big Spring this morning.

Morning balloting was exceptionally light, election judges said. However, voters still had ample time to reach the polling places before the 7 p. m. closing time.

There were no waiting lines at the voting boxes in Big Spring this morning.

Voting got off to a slow start at Midland. The major interest there centered around a proposed \$200,000 bond issue for a Midland County park building. Another local proposal would authorize the county to levy an additional road tax not to exceed 15 cents on \$100 valuation.

Henderson County reported a light vote. A local issue was a county referendum on an offer by Jap Lucas, Athens merchant of land near Athens for a free market square.

Only 120 votes were cast at Abilene during the first hour. A very light vote was reported at Bryan.

Port Arthur was trying out mechanical voting machines for the first time. The vote was light.

The number that went to the polls is anybody's guess until tonight when unofficial returns start coming in to be tabulated.

In some counties, where hot local issues are at stake, big turnouts were predicted. These issues include:

Election of an official wolf trapper in Montague and Jones County.

Election of four state representatives and one state senator.

A liquor prohibition question in Nueces County (Corpus Christi).

Yesterday, political observers were predicting a vote of between 200,000 and 300,000 out of a possible million and a half.

Envoy Visits Gottwald

PRAGUE, Czech, Nov. 8.—U. S. Ambassador Ellis P. Briggs, newly appointed to his Prague post, presented his credentials today to President Klement Gottwald.

99 Years For Rape

DALLAS, Nov. 8.—Cecil McMeney, 33, Negro, yesterday was sentenced to 99 years in prison for raping a white girl.

DAY'S PAY HONOR ROLL

As solicitation continued for Spring's Community Chest through one-day-a-day gifts, a half-dozen firms reported employees 100 per cent on this basis. These groups that win a place on the Day's Pay Honor Roll, and are inviting others to join them: Westex Oil Company, Chamber of Commerce, H. W. Smith employees, C. L. Rowe employees, Cunningham & Phillips, No. 1 Packing House Market.

THIS ONE, THAT ONE—WHICH ONE?—Mother Helen Phipps holds 10-month-old twin girls, Merilee and Carolee, which the family can't tell apart. After taking the babies home from the hospital last December and from the identifying bassinets the parents became confused. So, after months of saying "this one" and "that one" they called on hospital authorities for proper identification. The hospital prints were smudged and of no help, so they'll take new prints and name the youngsters, who are identical in looks and habits, again. (AP Wirephoto).

EXPELLED UE TO LOSE MEMBERS

PITTSBURGH, Nov. 8.—The United Electrical Workers, expelled from the CIO only last week for its leftwing policies, was threatened today with the immediate loss of more than 107,000 members.

Most of these, a survey showed, intend to string along with the rightwing CIO.

At the same time the CIO announced that the new union of electrical workers—organized to supplant the UEW—had won its first employer recognition in a contract signed with two firms employing 1,075 workers at Yonkers, N. Y.

The survey covered scores of locals in 12 states—California, Illinois, Indiana, Iowa, Massachusetts, Minnesota, Missouri, New Jersey, New York, Ohio, Pennsylvania and West Virginia.

It showed that 107,482 UE members have voted to secede from the parent union or have otherwise indicated strongly they intend to do so in the less than a week since the UE was expelled by the National CIO for left-wingism.

Most of those who have voted for secession have also announced their intention of going into the CIO. A few have made no statement of their intent. One small local joined the CIO-United Auto Workers.

A total of 68,608 UE members in other locals have voted to stick by the parent organization or have announced that is their intention.

Big Spring-Lenora Roadway Assured

STANTON, Nov. 8.—Three settlements remained to be reached before all roadway for the Big Spring-Lenora highway is secured.

County Judge James McMorris said that it was anticipated these would be reached soon. One of four verdicts in condemnation proceedings on the route has been appealed. Judge McMorris said a hearing on the appeal of J. W. Elrod, Big Spring, had been set for Nov. 17.

NEW AMERICAN POLICY LIKELY

Jessup To Visit Red China On Study Tour Of Far East

LAKE SUCCESS, Nov. 8.—Prof. Philip C. Jessup, one of the State Department's top international troubleshooters expects to visit Communist China on a policy study tour of the Far East soon, an informant source said today.

Jessup, a Columbia University professor who doubles as a U. S. delegate to the United Nations has been assigned by Secretary of State Acheson to study changes in Far East conditions brought by Communist victories in China. A new American policy in the Pacific is expected to be charted from Jessup's fact-finding trip.

Manila will be Jessup's first stop on his Far East tour. An informed source said the ambassador-in-large would go on to Batavia, in Indonesia, and then expects to visit Communist-held parts of China as well as meet Nationalist leaders who have been forced to move their capital to Chungking.

The source said Jessup would leave immediately after a final conference with State Department officials in Washington Nov. 18.

The fact-finding tour is expected to deal with all phases of American policy in the Pacific. The question of U. S. recognition of the Chinese Communists is reportedly only one of the subjects with which Jessup is to deal.

He was expected to confer with Philippine President Elpidio Quirino on the proposed Pacific alliance to contain communism in Asia and the Pacific Islands. Quirino has taken a leading role in promoting the proposed pact but so far the U. S. has been non-committal about joining the alliance.

Eyes Of Nation Riveted Upon New York Race

'Fair Deal' Is Main Issue In Senate Campaign

ALBANY, N. Y., Nov. 8. (AP)—With the eyes of the nation on the outcome, New York State voters decide today the sizzling Senate contest between Republican John Foster Dulles and Democrat H. Lehman.

President Truman's "fair deal" was the main issue of the campaign. The result was awaited across the country as an indicator of satisfaction or unrest with the national administration's domestic policies and a portent of the 1950 congressional elections.

Interest in the race rose to a fever pitch, presaging an "off-year" record turnout of 5,500,000 voters.

A forecast of sunny, mild weather bolstered Republican hopes of a big vote in rural upstate, where the GOP customarily has a decided edge. The polls opened at 6 a. m. and will close at 7 p. m. (EST).

Tied to the election—the only Senate contest in the United States this year—was the possible effect it might have on the political future of Gov. Thomas E. Dewey.

Dewey, titular leader of the GOP, campaigned up and down the state for Dulles, whom he appointed to the Senate seat last July upon the resignation of New Dealer Robert F. Wagner. The winner today will serve out the remaining year of Wagner's term.

Observers predicted a Dulles victory would encourage Dewey to try for a third term as governor next year. A Dulles defeat, they contended, might mean the end of Dewey's office-holding at the conclusion of his present term Dec. 31, 1950.

Among the betting gentry, former Gov. Lehman remained the favorite, but there were no authenticated reports of large scale wagering.

The Democrats stung to their prediction of a Lehman triumph by 350,000 to 400,000. They based their forecasts on surveys which they said showed Lehman would carry Democratic New York City by more than 700,000.

The Republicans insisted Dulles would carry upstate by more than 700,000 and hold Lehman's majority in New York City to a half-million or less.

The Gallup Poll said its final, pre-election survey gave Lehman 46 per cent of voter sentiment and Dulles 34. The remaining 20 per cent of those polled were "undecided." The survey ended last Friday.

Legion To Sponsor Special Showing Of War Relics Here

Howard County American Legion post No. 355 will sponsor a special exhibition of war relics in connection with its annual membership drive, Frank Hardesty, post commander, announced today.

The special showing of war relics is scheduled for Thursday, Friday and Saturday. The displays are grouped on a mobile unit which will be stationed in the business district during the three-day period.

Weapons, other implements of war and various types of war souvenirs will be among the exhibits which will be brought to Big Spring for the occasion by J. H. Russell and Joseph Broadbent who have made similar showings throughout the country.

A representative of the local American Legion post will be stationed at the exhibit at all times to enroll new members, Hardesty said.

Republic Steel And Union Make Peace

Illinois Governor Rejects Proposal By Mine Chieftain

CHICAGO, Nov. 8. (AP)—John L. Lewis' proposal that Gov. Adlai Stevenson sponsor a conference of Illinois coal operators and United Mine Workers has been rejected by the Illinois chief executive.

Lewis said he had suggested the conference to Stevenson after yesterday's meeting here with the union's 200-man policy committee to discuss the seven-week-old coal strike.

Stevenson, in a statement, said he could see "no purpose that would be served" with such a meeting.

The governor said "Lewis' proposal is for a conference to discuss a settlement in Illinois and Indiana or both, and the Illinois operators on the other hand insist that negotiations be conducted on a national basis."

Lewis did not comment on Stevenson's stand since he had not been notified officially. The governor said he decided attempts to bring about such a meeting were useless after talking with Gov. Schricker of Indiana and Illinois coal operators.

Earlier, the Illinois and Indiana operators said they did not want separate peace with the UMW. Negotiations by the union with the northern and western operators' groups have broken off.

Lewis said he told Stevenson that if the operators would meet with the union under his sponsorship, "we will do so at any hour or any place he designates."

The UMW chief also told reporters he advised Stevenson that if the public requirements for coal in Illinois are as great as he said, then he should call a conference between the operators and union so "the public can form its own opinion on what is going on."

Lewis said he believed an agreement in Illinois and Indiana strikes had been blocked by George B. Harrington, president of the Chicago, Wilmington and Franklin Coal Co.

Harrington said he could not block an agreement in Illinois and Indiana strikes if other coal operators wanted an agreement. He added he did not have any "unusual opposition" to Lewis' settlement proposals.

Sub-Launched Bomb Aided By Rocket

MEMPHIS, Nov. 8. (AP)—The gunman was courteous as he backed out of a local liquor store with his \$250 loot yesterday.

"I sure hope you have this insured," he told a store employee. The loss was covered.

ALWAYS THE GENTLEMAN

MEMPHIS, Nov. 8. (AP)—The gunman was courteous as he backed out of a local liquor store with his \$250 loot yesterday.

"I sure hope you have this insured," he told a store employee. The loss was covered.

Response Quickens In Howard County Chest Campaign

With response beginning to quicken, the Day's Pay division was establishing the pace for the Community Chest campaign Tuesday.

Ted O. Groehl announced that there were six firms with employees giving 100 per cent on the day's pay plan. One other concern was 100 per cent in the number of employees giving. Latest on the Day's pay honor role were Cunningham & Phillips No. 1 and Packing House Market.

Kickoff for the general solicitation has been set for 8:30 a. m. Monday, Ted O. Groehl, general chairman, announced. Ray Guffin, chairman of this division, is rounding out his organization. Coffee and doughnuts at the Settles will precede the launching of this effort, designed to contact more than 600 firms and individuals.

This is in addition to the firms on the 100 per cent employe canvass. It also is in addition to the contacts being made by the big or special gifts workers.

The first few contributions from out-of-town firms had been received at headquarters.

HEIRESS BEFORE COMMITTEE — Mrs. Louise Branstetter Berman, West Coast heiress, appears before the House Un-American activities committee. She refused to tell the committee whether she contributed to Communist front activities. She is the wife of Lionel Berman of New York. See story on page 12. (AP Photo).

Strike Ended By Agreement On Pension Fund

Bethlehem's Lead Followed By Third Largest Producer

PITTSBURGH, Nov. 8. (AP)—Republic Steel Corp., and the CIO United Steel Workers today signed a pension and insurance plan which ended a 39-day old strike of 45,000 union employes against the nation's third largest steel producer.

The agreement provides: Insurance — Republic's present contributory insurance plan is continued but with increased benefits. Employes will continue to pay three and one half cents per hour and the company will pay two and one half cents per hour.

Pension — The plan is an exact replica of the Bethlehem agreement.

Employes reaching the age of 45 who have 25 years service will receive a minimum pension of \$100 a month including social security. Employes 65 years old with 15 to 25 years service will receive proportional pensions.

The agreement was signed by CIO and Steelworkers President Philip Murray and by E. J. Magee, acting director of Republic Industrial Relations.

Agreement was reached in one hour and 15 minutes session in Murray's office.

Earlier today the union signed an agreement with the No. 4 producer, Jones and Laughlin Steel Corp. That settlement, too, was in line with the Bethlehem steel pact. It ended the strike of 25,000 workers.

Republic Steel said in a statement: "It is expected that Republic's plants will be reopened on Tuesday but full production will be delayed until there is more light on the coal strike. Republic now has less than a three-week coal supply."

Republic steel, with a total of about 75,000 employes, said approximately 2,000 employes will be eligible for retirement on Jan. 1, although retirement will not be compulsory.

The agreement, third to be signed among the country's largest steel producers, makes provision for pensions above the \$100 a month minimum.

These payments are computed by taking one per cent of an employe's average annual earnings for the 10 years preceding retirement and multiplying that by the number of years of continuous service with the company.

One Of Two Rape Cases Dismissed At Colorado City

COLORADO CITY, Nov. 8.—One criminal assault case was dropped and another went to trial in 32nd district court here Monday.

Judge A. S. Mausey dismissed the rape case against George Bonilla, charged with an alleged attack on a 13-year old Latin-American girl. The complaining witness' father made a statement in court that continuance of the trial would endanger his daughter's health.

A jury was seated to hear testimony in the case of David Leach, Colorado City, indicted for an alleged assault on a 17-year old Colorado City girl.

The Cliff Clary murder case, transferred on a change of venue from Bellinger, was not docketed.

Stratocruiser Sets New Flight Record

MANILA, Nov. 8. (AP)—A Pan American stratocruiser today claimed a new commercial Trans-Pacific record of 28 hours and 28 minutes on a flight from San Francisco.

It clipped one hour and 37 minutes off the scheduled flight of 30 hours.

Under Observation

A local woman was under observation at the State hospital here today after she reportedly drank an unknown quantity of household bleaching preparation and tried to stab herself. The woman was treated at a local hospital last night.

Deathless Days 686 In Big Spring Traffic

JAILBREAKER TATUM RETURNED—Heavily shackled, Jack Tatum, 28, is shown as he was brought back to the county jail in Phoenix, Ariz., from which he escaped Oct. 22. Guarding him is U. S. Deputy Marshal J. E. Russell. Tatum was captured in El Paso, Tex. Two of his companions in the jailbreak were shot to death. Two others were captured. (AP Photo).

DEATH RATE HALVED

Oxygen Treatment Aids Polio Victims

INDIANAPOLIS, Nov. 8 (AP)—The death rate of infantile paralysis victims given early oxygen treatment at Riley Hospital has been only about half the national average, hospital authorities reported here.

This is about half the average death expectancy in the nation and in Indiana as a whole. This record was made despite the fact that the hospital took only serious or critical cases. Dr. Casely pointed out that use of oxygen was not new, but that Riley Hospital has facilities to try to experiment on a fairly large scale.

O'Dwyer Is Slight Favorite In N. Y. C.

NEW YORK, Nov. 8 (AP)—The battle for political control of the nation's largest city went to the voters for decision today. With mild, sunny weather forecast, more than 2,500,000 ballots were expected to be cast between 6 o'clock this morning and 7 o'clock this evening in a three-way mayoral race that saw party fences trampled and name-calling carried to a new peak for recent years.

swinging campaign. President Truman came out for O'Dwyer. Gov. Thomas E. Dewey backed Morris. The Communist Party put its full steam into a drive for Marcantonio. Sharing the stump with Marcantonio was Benjamin J. Davis, Jr., one of the 11 Communist leaders free on bail pending appeal of five-year prison sentences for criminal conspiracy.

It has been a far-ranging free-battling Democratic Mayor William O'Dwyer, 59, in his second term bid are Newbold Morris, 47, running on a combined Republican-Liberal fusion ticket, and Rep. Vito Marcantonio, 46, leaving candidates of the American Labor Party.

Davis is running for re-election to the city council on the American Labor Party ticket. The Democrats, Republicans and Liberals have joined forces in support of his opponent, Earl Brown. Both Davis and Brown are Negroes.

Waddies Invade Waco Saturday

WACO, Nov. 8 (AP)—The Bay for Bears "November Nightmares" which began last week as the strong Texas Longhorns dropped the Bruins out of the undefeated and untied class, will be at its worst Saturday when the Bears face the offensive minded University of Wyoming Cowpokes in Waco.

The Pokes, coached by Bowden Wyatt, former teammate to Bruins mention Bob Woodruff at the University of Tennessee, ran up a 105-0 victory over Colorado Saturday, and have yet to be scored on in conference play. To add to the worries for Woodruff, the Wyoming team was the nation's best in pass defense, which is not good for the aerial minded Bruins.

Local Guardsmen To Abilene School

Two Big Spring National Guardsmen left early today for Abilene where they will attend a three-day administrative and supply school being conducted for West Texas Guard units' personnel. M-Sgt. Jesse B. Wood and Sgt. Bob Meador, caretaker and administrative assistant, respectively, for Battery B, 182nd Field Artillery here, are attending the training sessions. They are to receive instruction in the handling of personnel, administrative and supply work.

Tractor May Join Mule On Sidelines

DALLAS, Nov. 8 (AP)—The tractor may join the mule on the sidelines as farming becomes more progressive. Gibb Gilchrist, chancellor of the Texas A&M College system, said yesterday that farmers may soon be using airplanes instead of tractors to plant their crops.

Cherries Featured In New Ice Cream

Picture a mixture of colorful mint cherries, the black richness of dubonnet cherries, and the flavorful and bright marachino cherries. Then, with your mind and taste buds at work, transplant these into a rich bowl of vanilla ice cream. That's "Cherry Festival," the Banner ice-cream special for the month of November. It is being emphasized in line with the Banner policy of a special ice cream attraction for each month.

Total Of 390 Fem Teams To Compete

HILLBORO, Nov. 8 (AP)—A 14 TOTAL OF record number of teams — 390 — will be in the high school girls basketball league of Texas this year. L. C. McKemie, director-general, said this is 40 more than played last year. He also said an advisory board meeting would be held soon to re-district the state and consider a site for the 1950 state tournament.

Vitalaire Box Gives Even Refrigeration

Vitalaire, the box that gives natural refrigeration, is being stressed within the next two months. Banner Ice, distributors for the boxes, is offering a substantial discount for outright purchases, or the alternative of small down payment and liberal terms up to 12 months. The discount for cash is five per cent, the down payment is pegged at \$10. The boxes come in 50, 75 and 100-pound capacity sizes. Arrangement is so that the natural refrigerated air drapes evenly down the interior for even, moist refrigeration. Vegetables need no humidifiers, for ice man's ice takes care of that nature's way. Auxiliary storage space is provided beneath the boxes.

Driscoll Favored In New Jersey Election

NEWARK, N. J., Nov. 8 (AP)—Republican Gov. Alfred E. Driscoll, was rated a close favorite today as New Jersey chose its chief executive.

The gaunt six-foot Republican was opposed by State Sen. Elmer H. Wene, round former Democratic congressman and one of the world's leading breeders of baby chicks. It was an election marked by a bodge-podge of issues, political switches and a last-ditch fight by Frank Hague to retain control of his once-powerful Democratic organization in New Jersey.

The bookmakers' odds were 6 to 5 for Driscoll. A poll by Princeton University researchers gave the governor 48.8 per cent of the vote as compared to Wene's 47.8. But the Democrats likened Wene's campaign to that of President Truman in 1948. Wene, a heavy-set soft-spoken rural county representative, had doffed his broad-brimmed hat at the women and gone down the streets shaking hands with passersby. The Democrats said he was their best candidate in years.

Oil Companies Await Ruling On Tideland Rentals

AUSTIN, Nov. 8 (AP)—Four oil companies today awaited a court ruling on whether or not they must pay rentals on state tidelands while the tidelands are involved in federal litigation. The Ohio Oil Co., Meibon Oil Co., Humble Oil and Refining Co. and Standard Oil and Gas Co. asked for a declaratory judgment in 83d district court yesterday.

Chile Outbreak Injures 23 Persons

SANTIAGO, Chile, Nov. 8 (AP)—Police headquarters said 23 persons were injured in yesterday's violent outbreak of shooting, bottle-throwing and stoning between police and a group celebrating the anniversary of the Soviet revolution. A government report said the group shouting pro-Russian and anti-government slogans, opened fire on the police when they tried to disperse the demonstration. The police fired back and were showered with bottles and stones.

Local Guardsmen To Abilene School

Two Big Spring National Guardsmen left early today for Abilene where they will attend a three-day administrative and supply school being conducted for West Texas Guard units' personnel. M-Sgt. Jesse B. Wood and Sgt. Bob Meador, caretaker and administrative assistant, respectively, for Battery B, 182nd Field Artillery here, are attending the training sessions. NAMED BY SHERMAN — Rear Adm. Lynde Dupuy McCormick (above) was picked by Adm. Forrest P. Sherman to be his new vice chief of Naval operations. The appointment will be made effective next spring. He was commander of the Twelfth Naval District with headquarters in San Francisco. (AP Wirephoto).

Detroit Voters Will Choose Mayor Today

DETROIT, Nov. 8 (AP)—One of the hottest majority election fights in Detroit's history rushed to its climax today.

With promise of a record vote, the motor city chose between City Treasurer Albert E. Cobo, the "business man's candidate," and CIO-supported George Edwards. Predictions on the vote ran from 550,000 to 600,000. This would compare to the record municipal election vote of 501,021 in 1945.

Since the September primary, the Cobo and Edwards forces have carried on a ding-dong fight for ballots in the non-partisan race. A veteran of seven terms as city treasurer, the 55-year-old Cobo fought for the job against a man 20 years his junior.

Voters also were called on to decide whether to increase the pay of their nine councilmen from \$3,000 a year to \$10,000.

A four-year term for the mayor, in place of the present two years, also was on the ballot. In the mayoralty primary, Cobo polled nearly 50 per cent of all votes cast for 31 candidates. He led Edwards by 55,400 votes. However, the primary trends have not always held true in Detroit's elections, and Edwards supporters pinned their hopes in part on that history.

Organized labor was divided. The CIO was all out for Edwards, but the AFL formally endorsed Cobo. Detroit set its mayoralty vote record four years ago when former Mayor Edward J. Jeffries defeated Richard T. Franckensteen, then a vice president of the auto workers union.

In the primary this year Mayor Eugene J. Van Antwerp was voted out of office after one term. The new mayor will take over Jan. 1.

Fort Worth Nov. 8 (AP)—A Fort Worth symphony society was to be formed today. It will promote concerts here by symphony orchestras.

Draws Jail Term For Beating Adopted Son

SAN ANTONIO, Nov. 8. (AP)—Mrs. Hope Viduarri, 38, last night was sentenced to 18 months in the county jail for beating her adopted son. A jury convicted her for aggravated assault on a child, a three-year-old boy who was brought to the U. S. from a German orphanage.

Record Pittsburgh Mayoral Vote Seen

PITTSBURGH, Nov. 8. (AP)—A Pittsburgh mayor fight that developed more fanfare than issues and Pennsylvania's proposed soldier's bonus promise to draw a record vote to the city and Allegheny County polls today. Mayor David L. Lawrence, Democratic national committeeman, is up for re-election with support of labor. Timothy F. (Tice) Ryan, former head of the Allegheny County Bar Assn. but a political novice, is his Republican opponent. Republicans in the city are outnumbered by 114,050 in registration. They haven't elected a mayor in this Democratic stronghold since 1929. Lawrence campaigned on his record of municipal improvements. His campaign posters depicted the mayor's smiling visage behind a golden sunrise and the legend "keep Pittsburgh growing." The Republicans lashed out at what they claimed was lack of police protection and urged a return to the two-party system of government. Gov. James H. Duff made a last-minute appearance in behalf of Ryan. Thirty-eight thousand new voters have registered since the primary election. In the 1945 general election, Lawrence came out ahead by 14,000. He polled 115,315 votes to 100,976 for Republican Robert N. Wadell. Although long a power behind party scenes, the mayorality was Lawrence's first elective office. He was formerly state Democratic chairman. This year's voter registration shows 231,197 Democrats and 117,147 Republicans. Both sides predicted victory. Louis J. Conley, GOP campaign manager, forecast a 25,000 majority for Ryan. Democratic estimates run 25,000 and upward for Lawrence. A Republican request for state police protection at the polls fanned the flame of the Lawrence-Ryan race in the closing hours. GOP Campaign Manager Conley they will be "available" he declared the request was made "just in case we need them," explaining: "We don't want to depend on the Democratic city police, the Democratic sheriff's office and the Democratic district attorney's office for help if trouble develops." Lawrence said Conley and GOP associates have "booby-trapped" their own candidates and have set a new record for "political mismanagement."

If Anything Made Of Leather Is Troubling You, Come In And See BILL At The Clark's Boot Shop "If It Is Made Of Leather We Can Make It" 119 E. 2nd, Big Spring, Texas

FULFILLS PROMISES—Sgt. Walter Konetsko, Connettsville, Pa., tells how he is making good on promises he made to 170 dying prisoner-of-war buddies to visit their families when he returned home. Konetsko, a surgical technician at the Army Depot at New Cumberland, Pa., indicates on map of Europe route of three-month, 700-mile march on which his buddies died. To date he has seen the families of 40 of the dead men. (AP Photo).

Poll Tax Repeal Is Issue In Virginia

RICHMOND, Va., Nov. 8. (AP)—Virginia elects a new governor today and, at the same time, decides whether they will abolish the poll tax.

County Health Head Tells Just How To Prepare Fresh Pork

Advice on how to prepare fresh pork to prevent trichinosis has been handed down by Dr. F. E. Sadler, director of the Big Spring-Howard county Health unit. Thorough cooking is the only sure means of removing all danger of the disease which attacks stomach and muscles of infected persons. All pork should be cooked until the pink color of the meat turns white, Dr. Sadler said.

Observers predict a turnout of 200,000 at the polls. John S. Battle, former state senator and the candidate of the Conservative Democratic organization, is regarded as the almost certain winner in the gubernatorial sweepstakes. Opposing battle are the Republican nominee, Walter Johnson, and the Social-Democrat candidate, Clarke T. Robb. Most of the heat of the campaign has been generated in a lively debate over the merits of the proposed amendments to the state constitution, which abolish the poll tax as a prerequisite to voting. Whereas nearly all hands have professed a desire to see the poll tax abolished, the amendments have caused sharp cleavages of opinion, principally because they would permit the state's general assembly to set literacy requirements for voting. Opponents of the measure have contended that passage of the amendments would lodge too much power in the general assembly and might pave the way for more requirements. Lined up against the amendments are "anti-organization" forces in the Democratic ranks, the National Assn. for the Advancement of Colored People, organized labor, and the Virginia Council of Churches. Voters today also will select a lieutenant-governor and an attorney general. Both Democratic candidates are regarded as shoo-ins. Lt. Gov. L. Preston Collins is opposed by Republican E. Thomas McGuire. Atty. Gen. J. Lindsay Almond, a former congressman, is opposed by Sidney Moore, a Social-Democrat. One new member of the state senate will also be elected and there are 23 contests for seats in the house of delegates.

Countess May Spend Fortune As She Pleases

LONDON, Nov. 8. —As far as the House of Commons is concerned, Countess Mountbatten can spend her nearly \$4 million inheritance any way she wants to. The house, dominated by laborites whose normal policy is to "soak the rich," took pity on the wife of Adm. Viscount Mountbatten, the wartime supreme allied commander in Southeast Asia, and all married women in her plight. Its members passed a bill lifting the legal restrictions which for 80 years have kept Britain's married women from getting at the capital of inheritance funds left in trust. If the House of Lords passes the bill Countess Mountbatten can start spending the \$1,400,000 when grandfather, Sir Ernest Cassel, left her. Countess Mountbatten appealed to Parliament earlier this year for permission to spend the money. The old British law, designed to protect moneyed wives from unscrupulous husbands, forbade her to touch anything but the income from the money in trust. She complained that the restrictions put her "in a position where I never know quite where I am."

CZECHS ADMIT RUSSIA 'HELPING' IN OPERATION OF URANIUM MINES

PRAGUE, Czech., Nov. 8. (AP)—Premier Antonin Zapotocky said last night that Russia is helping Czechoslovakia use her uranium mines "to ensure the peace of all the world." Speaking at a Prague celebration of the Soviet Bolshevik Revolution, Zapotocky made public officially what has been reliably reported for some time — that Russians are exploiting the nation's important uranium mines. Zapotocky said the mines were being worked "with the help of the Soviet Union and its science." "I think we have nothing to hide and nothing to be ashamed of," Zapotocky declared. "There are uranium deposits on our territory. "We are proud of being able to use them to block the aggression and bandit greed of the warmongers, to help ensure the peaceful work of all progressive powers, to ensure the peace of all the world." Uranium, principal element in making atom bombs, is known to exist in important deposits in the Jachymov (Joachimstal) region near the Czech-German border.

Dallas Bank Leads In Resources, Deposits

DALLAS, Nov. 8. (AP)—The Republic National Bank of Dallas leads Texas banks in resources and deposits. The Republic yesterday listed resources of \$340,813,929.26 and deposits of \$305,512,060.17. The First National Bank of Dallas was second with resources of \$322,605,980.74 and deposits of \$297,672,536.57.

Dies Following Fall

EL PASO, Nov. 8. (AP)—Chester M. Bidertack, 53, died yesterday after he fell down a flight of stairs in the Goodyear Tire and Rubber Co. warehouse where he worked.

It's the finest, freshest loaf in your grocer's store.

Deep River Singers Are Featured As Second Town Hall Presentation

A modest crowd received the Deep River Singers, second Town Hall offering of the season, Monday evening at the city auditorium with progressive enthusiasm.

Spontaneous showmanship combined with considerable vocal talent to draw several scores during the evening.

For one thing, the male quartet had a pleasing change of pace, ranging from some intricate arrangements to popular numbers including the saucy novelty, "I Didn't Know the Gun Was Loaded."

For artist, A. Robinson's "Water Boy" stood high. An odd mixture of animation added a touch of levity to the number without detracting from the harmonic precision. Cole Porter's "Gabriel" set a pace for spirited rhythm well suited to the talents of the singers.

Albert Yarborough, second tenor, exhibited a sound and well-trained voice, plus a barrel full of personality. In the novelty selection mentioned before, he set the audience on fire with his female mimicking. Joseph Giles, baritone, scored on his solo, "Without a Song," showed a wider range and personality than he had achieved in short solo parts in the arrangements. Yarborough's "Because" drew a vigorous round of applause and an encore, "Here's One."

Smooth harmony and pleasant melody opened the program with the Edward Grieg favorite, "I Love Thee." Succeeding numbers in this group demonstrated intricate patterns, not always to perfection. In the closing group of Negro spirituals, the singers obviously were at home. The vivacious "Joshua Fit the Battle of Jericho" got a big hand, enough that the singers

took a couple of curtain calls, did an encore and got another curtain call.

Not only did James McClendon accompany the quartet effectively, submerging his playing to the edification of the voices, but he also demonstrated an easy flowing style in a piano selection, the ev-

er-popular Debussy "Clair de Lune." Just to show his versatility, he cut the rug with a bit of boogie-woogie on his encore.

Members of the quartet were Walter Bell, first tenor, Yarborough, Giles and James Collins, bass. J.P.

First Baptist WMU Conducts Bible Study

First Baptist WMU members met Monday for two study sessions and a luncheon held at the church. Mrs. K. S. Beckett directed the morning session of the regular monthly Bible study. She discussed a lesson from the book, "Topical Studies of the Bible," by Dr. Alton Reed. Mrs. Joe Tuckness led the opening prayer.

Speaking on the topic, "The Inspiration of The Scriptures," Mrs. Beckett stated that God's word is inspired, is perfect, is permanent, is truth and is enlightening. She said that God's word produces results and is for the whole world.

A covered dish luncheon was served at noon.

At the afternoon session, Dr. P. D. O'Brien directed a study entitled "Heaven." He gave a description of heaven, discussed the blessedness of heaven, the fullness of the blessings received and the "pulling back of the curtains."

Mrs. Alton Underwood directed the group singing of the hymn, "When We All Get To Heaven." Mrs. Willard Hendrick gave the opening prayer of the afternoon session.

It was announced that Mrs. P. D. O'Brien will direct the royal service program scheduled for next Monday. Announcement was

also made concerning the Lottie Moon Week of Prayer which will begin November 27. Mrs. P. D. O'Brien led the closing prayer.

Those attending were Mrs. C. T. Clay, Mrs. A. L. Hobbs, Mrs. Marie Underwood, Mrs. S. Marie Haynes, Mrs. Willard Hendrick, Mrs. Archie Clayton, Jr., Mrs. V. W. Fuglaar, Mrs. K. S. Beckett, Mrs. W. B. Younger, Mrs. C. T. McDonald, Mrs. George Melser, Mrs. R. V. Hart, Mrs. Della K. Agnell, Mrs. P. D. O'Brien, Mrs. J. B. Langston, Mrs. W. B. Puckett, Mrs. Leah Jenkins, Mrs. J. T. Cuipepper, Mrs. J. L. Haynes, Mrs. W. B. Buchanan, Mrs. J. C. Lane, Mrs. Lonnie Coker, Mrs. Theo Andrews, Mrs. J. E. Hardesty, Dr. P. D. O'Brien, J. B. Langston, D. C. Naupia, George Melser, Willard Hendrick, Mrs. Vera Bumgarner, Mrs. Fannie Barrett, Mrs. Vera Hubbell of Portland, Oregon.

Mrs. Lee Jenkins, Mrs. J. T. Cuipepper, Mrs. J. L. Haynes, Mrs. W. B. Buchanan, Mrs. J. C. Lane, Mrs. Lonnie Coker, Mrs. Theo Andrews, Mrs. J. E. Hardesty, Dr. P. D. O'Brien, J. B. Langston, D. C. Naupia, George Melser, Willard Hendrick, Mrs. Vera Bumgarner, Mrs. Fannie Barrett, Mrs. Vera Hubbell of Portland, Oregon.

These pieces are factory Close Out of Very Expensive China which we offer at PRICES EVERYONE CAN AFFORD.

RIBBON RAMBLINGS By Mildred Young

There's one in every crowd! Last night on a south bound bus, the driver made the usual announcements about arrival and departure times and asked if there were any questions. Some colored man in the back popped up with the question, "yes sir, I paid 69 cents to go to some little town down the road and I forgot which one it is."

The driver replied, "I imagine you paid 69 cents to go to Tahoka."

We hear by the grapevine, that Al Capp, the cartoonist, has drawn a cartoon for the Lubbock Western football team and the Lubbock Avalanche. It's rather clever, we hear, and it scheduled to appear about Thursday.

In yesterday's paper, we gave Girl Scout Troop No. 5 credit for preparing camping site when credit should have been given to Troop 11. No matter how hard we try not to, we seem to end up with a mistake now and then. But doesn't everyone.

We were told by a certain club woman that a lot of club members depend on the coming events calendar for information concerning their clubs and that they are not always sure about meetings unless announcements appear in the calendar. We spend some two hours every Friday afternoon attempting to locate club leaders and information concerning clubs. If we don't reach you during that period, it's usually up to you to get your announcements to us. The calendar is held until noon Saturday for late callers. After that, only short notices are given. It is not possible to have a calendar every day, but it does appear as often as space permits.

EAT PLENTY AND TAKE OFF UGLY FAT

When you buy Barcortrate, you buy a preparation for taking off weight. You do not starve for any printed diet or for vitamins to fortify you against weakness while on a starvation diet. You need never know a hungry moment while taking this preparation. Barcortrate is the original grapefruit juice recipe for weight reduction.

Just go to your druggist and ask for four ounces of liquid Barcortrate. Pour this into a pint bottle and add enough grapefruit juice to fill bottle. Then take just two tablets-remember twice a day. That's all there is to it. If the very first bottle doesn't show you the simple, easy way to take off ugly fat,

Secret Rituals Set For Today

DALLAS, Nov. 8 (Sp)—Secret rituals of the order of the Eastern Star were scheduled today for 7,000 delegates attending the state convention.

Business sessions were to be held this afternoon.

An honor banquet for past grand matrons and past grand patrons was scheduled this evening. The convention attracted a group of international officers. Among them are Miss Mary Jane Truman of Grandview, Mo. She is associate worthy grand matron of that state.

Mrs. Esther Baldwin, worthy grand matron, of Waco, will be honored at drill ceremonies by members of the Waco chapters tonight.

Mrs. C. C. Jones of Big Spring was elected treasurer of the district federation of music clubs at a meeting held in Monahan Saturday.

Music Club To Meet

Announcement has been made that Mrs. H. G. Keaton will host the Music Study club Wednesday afternoon at 3:30 p. m. at her home at 416 Dallas.

Lost 56 pounds

Here is what Mrs. L. J. Bryant, P. O. Box 56, Whitehouse, Texas, wrote me: "I want to tell you what Barcortrate has done for me. I weighed 250 pounds when I started taking it. I now weigh 194."

"I have taken my dress size down from size 44 to 42 and never felt better in my life and everybody tells me how much slimmer I look than I did."

"I am still taking Barcortrate as I want to get my weight down to 150 or 160 pounds."

Smith-Peurifov Betrothal Told

Mr. and Mrs. S. E. Smith, 2008 Runnels, announce the engagement and approaching marriage of their daughter, Natalie, to Cecil W. Peurifov, son of Mr. and Mrs. J. M. Peurifov, 710 11th Place.

Homer Haley, Abilene Church of Christ minister, will officiate at the informal single ring ceremony to be held in the home of the bride's parents at 7 p. m. Thursday, Nov. 24.

John A. Kee Rebekah Lodge met in regular session Monday night with Lucille Brown, Noble Grand, presiding.

Plans were made for a Thanksgiving dinner to be held in the hall on November 21.

Those present were Mable Glenn, Opal Faye Nevens, Ida Hughes Mary Cole, Gertrude Wasson, W. C. Cole, W. O. Wasson, Ben Miller, Leta Metcalf, Delpha Gordon W. A. Prescott, Jones C. Lamar, Ross Darrow, Onita Chapman, Minnie Anderson, Jean Harris Viba Cormas, Clara Bell Schattelle Mae Darrow, Lucille Brown, Josie McDaniel, Memrie Winterrowd, C. H. McDaniel, Hazel Lamar, Zula Reeves, Adelle Savage, Wanda Hampton, Glass Glenn, John R. Yager, Gould Winn, Alvin Viererger Frances Winn, Beatrice Viererger, Grace Martin and Bonnie Tubbs.

Mr. and Mrs. John H. Cardwell returned home Sunday from Waxahatchee where they were called to attend the funeral services of his brother-in-law, J. A. Harrison. Funeral services were conducted Thursday. The Cardwells visited in Rice, Dallas and Abilene before returning home.

Mr. and Mrs. E. F. Pryor, Mr. and Mrs. I. L. Watkins and Mr. and Mrs. C. G. Parsons of Garden City were Forsan visitors Friday night.

Mr. and Mrs. John H. Cardwell returned home Sunday from Waxahatchee where they were called to attend the funeral services of his brother-in-law, J. A. Harrison. Funeral services were conducted Thursday. The Cardwells visited in Rice, Dallas and Abilene before returning home.

GRIEVING PARENTS — Mr. and Mrs. Henry Komorek sob as a Ulica, N. Y., coroner rules at an inquest that the death of their six-week-old son Stephen was accidental. Mrs. Komorek first told police that the son had been kidnapped by a strange man, but later at the inquest said she had dropped him. (AP Wirephoto).

Ex-Aircraft Inspector Held In Extortion

WASHINGTON, Nov. 8 (U) — The FBI arrested a former Army aircraft inspector last night on charges of sending a \$200,000 extortion letter to an official of the Fairchild Aircraft Corp.

It identified the arrested man as Joseph R. Roth, 40, of Washington, and said he apparently harbored some resentment against the firm. The extortion letter was received by Sherman Fairchild, Fairchild now is on the company's board of directors, but he was not associated with the firm while Roth was working there.

The FBI also accused Roth of trying to extort \$25,000 from A. J. Eckhardt of Baldwin, N. Y.

Fairchild said Eckhardt had worked at the company's Ranger Engine plant as an inspector, and added that apparently was Roth's superior.

The executive said Roth's letter gave the impression that he was "obsessed with the idea he's not had a fair deal."

"His argument is with the Air Force," Fairchild said, "not with Fairchild."

Federal agents said Roth had warned both Fairchild and Eckhardt to pay up by Armistice Day or be dead by Christmas.

CUSSES OUT WRONG MAN

ALBUQUERQUE, N. M., Nov. 7 (U) — Joseph Markel, 24, was booked for disorderly conduct yesterday. He was charged with directing derogatory language at a fellow motorist.

The other motorist was Bernallillo County Sheriff John A. Flaska.

Barkley Named 1949 Grandfather

CHICAGO, Nov. 8 (U) — Vice President Barkley, who in 10 days is to become a bridegroom at 71, was named "grandfather of 1949" yesterday.

The award was presented to Barkley—who has seven grandchildren—by the National Federation of Grandmothers and Grandfathers Clubs.

Barkley, who came to Chicago to address The American Petroleum Institute said he had visited Mrs. Carleton Hadley, his bride-to-be in a St. Louis hospital where she is confined with the flu. He said she was "feeling better" but would be in the hospital for several days.

The vice president declined to discuss any honeymoon plans he and his 38-year-old fiancée have made.

"We may just travel from place to place," Barkley told reporters. The wedding is scheduled Nov. 18 in St. Louis.

Red Push Looms

HONG KONG, Nov. 8. — Chinese newspapers today said Red generals Chen Keng and Lin Piao have massed 800,000 troops for an all out assault on Nationalist held Kwangsi Province.

WAR'S END RECOGNIZED

Indonesia Again Receiving Marshall Plan Assistance

WASHINGTON, Nov. 8 (U) — Marshall Plan aid started flowing again today to the Netherlands East Indies after an 11-month halt.

The Economic Cooperation Administration said about \$46 million is earmarked for assistance to the Dutch far eastern territory which is scheduled to become an independent nation next year.

Resumption of American aid to Indonesia represents an official United States recognition that the long and bloody warfare between the Dutch and native Indonesians has ended.

Marshall Plan dollars were cut off last December when the fighting was at its heaviest. At that time, ECA Chief Paul G. Hoffman stopped the recovery assistance on the grounds that shipments could not reach the persons and places intended because of the hostilities.

The policy shift meanwhile was described by State Department officials as the first of several official steps designed to bolster the struggling nations of the Indonesian Republic. These sources hinted that the United States may soon move to recognize the government of Indonesia and establish diplomatic relations.

ECA said that its action in recognizing aid was based on a promise by the Netherlands that they will turn over sovereignty of the East Indies to the independent nation on next Jan. 1.

Whether or not the U. S. would continue to help the Indonesian Republic, these officials said, is a matter which Congress must decide.

ECA said the funds to be spent during the next nine weeks will be used to finance purchase of sorely-needed foodstuffs, textiles and other consumer goods.

The recovery agency made it clear, however, that Marshall Plan aid will be terminated at that date, that under the European Recovery Program, as passed by Congress, Indonesia can receive American help only so long as it is a dependency of a Marshall Plan country.

Whether or not the U. S. would continue to help the Indonesian Republic, these officials said, is a matter which Congress must decide.

ECA said the funds to be spent during the next nine weeks will be used to finance purchase of sorely-needed foodstuffs, textiles and other consumer goods.

Canned Foods Cheaper Than Fresh In City

WASHINGTON, Nov. 8 (U) — The Commerce Department reported today canned fruits and vegetables in some instances are cheaper for city dwellers than the fresh products, even when the latter are bountiful.

The canned goods also under-

frozen fruits and vegetables by wide margins, the department said in a new "industry report" on canned fruits and vegetables.

"Retail prices of canned fruits and vegetables average generally between 60 and 80 per cent of the prices on equivalent quantities of the corresponding frozen products," the study said.

"Usually, the maximum price among the different brands of the canned item is lower than the minimum price in the range for the comparable frozen fruit or vegetable."

"In some instances, canned prices are also well below the cost to urban consumers of fresh products, even when the latter are in flush supply."

The conclusions were "based upon a survey and analysis made in the Washington, D. C. area," especially for the study, the report said, adding that "representative chain store prices were used."

The department listed these "comparative prices of selected fresh and processed products" in cents "per net edible pound":

While fresh sweet corn was lowest priced by far at the time the survey was made in August, the report commented that it sold for three or four times the listed prices "at other times during the limited period of its availability."

"Fresh peaches," said the report, "were also completely out of reach of either of the processed (canned or frozen) products as far as price competition was concerned at the height of the 1949 season."

Canned freestone peaches, it said, were "available at 67 to 84 per cent of the price of frozen peaches."

"While the Washington, D. C., area may not be typical of the country as a whole in terms of absolute prices, the relationship between and among the processed and the fresh products found to exist here is probably representative of that in populous centers throughout the country," the report said.

City Optometrists Will Participate In Lubbock Meeting

Four Big Spring optometrists are due to participate in a meeting of the South Plains and Permian Basin Optometric societies in Lubbock this evening.

Dr. Ralph Barstow was to be the principal speaker, pointing to the economic importance of visual aids. His message was calculated not only to document the increased efficiency of workers with needed visual aids, but in savings effected and efficiency promoted by attention to visual needs of children as well.

Scheduled to attend from Big Spring are Dr. Allen R. Hamilton, Dr. Marshall Q. Cauley, Dr. Amos R. Wood and Dr. Cullen Chapman.

Kill Is Heavy In Deer Sector

EL PASO, Dec. 8 (U) — Good hunting is the word from far West Texas. During the first two days of the deer season, an estimated 150 have been killed.

Two locker plants here checked in 110 bucks.

G. O. Walker of El Paso shot the largest buck reported, a 10-point blacktail weighing more than 300 pounds.

Darrell York, 18-year-old Yaleta High School student, was the first reported to get his limit. He killed an eight-point blacktail and a five-point whitetail.

The best result has been reported from the flats south of the Guadalupe Mountains.

City Woman, Son Attend Kin's Rites

Mrs. Walter Long, wife of the county commissioner, and son, Eugene, are in Marin City, Calif., where they were to attend funeral rites for Jesse (Monk) Brown, 33, who died following an explosion in that city last Friday.

Brown is a former resident of the Moore community and is the son of Mr. Lucy Brown, who was in California at the time of the mishap. He was a nephew of the Longs.

Jesse died Sunday morning of injuries sustained in the explosion.

TEC Office Closed Until Thursday

Offices of the Texas Employment Commission will be closed until Thursday morning, Leon Kinney, manager, announced today. Activity will be halted Wednesday out of respect to Robert J. McKinley, one of the three state commission members, who died suddenly Tuesday morning in Austin. Rites for Mr. McKinley are scheduled for Wednesday in Austin.

The office closed here Tuesday noon taking half a day for election day. On the heels of this, news of Mr. McKinley's death was received.

Nehru Arrives In England For Visit

LONDON, Nov. 8 (U) — Prime Minister Jawaharlal Nehru of India arrived by air from New York today for a five-day visit as a guest of the British government. He flew in President Truman's private plane, "Independence."

DEMOS HOIST BY OWN PETARD

ITHACA, N. Y., Nov. 8 (U) — When the Democrats published an election advertisement they had no intention of pleasing Republican Mayor Bert Baker, who is seeking re-election.

But Baker was so tickled he sent the Democrats \$25. The newspaper ad was headed "Baker's record as mayor." "The space beneath was blank."

"It was such a nice advertisement for me, stressing my clean and spotless record," Baker explained last night.

Another Deep Wildcat Located In Mitchell

Mitchell county had another deep wildcat location Tuesday.

S. F. Harbut of Corpus Christi, who recently abandoned a north-central Mitchell wildcat, announced plans to spud his No. 1-A U. D. Wulfsen on Nov. 21. It will be 660 feet from the north and west lines of the southwest quarter of section 89-26-1s, T&P, seven miles south of Colorado City.

Olson Drilling No. 1 Jesse B. Green, two miles south of the south end of the North Snyder pool in the central Seury, recovered free oil in an Ellenburger test from 8,075-8,137 feet during an hour and a half run. Gas was to surface in 50 minutes and recovery was 900 feet of oil. Open hole pressure was 300 pounds, and after 15 minutes shut-in pressure was 650. The venture was to test again from 8,135-77 feet. Location is in the C NW NW section of 157-31-H&GN.

After reacidizing with 3,000 gallons, S. B. Roberts No. 1 Burl H. Lewis, northeast Diamond M prospective extender in southwest Seury, flowed eight barrels of fluid hourly through quarter-inch choke. The zone was from 6,841-6,868 feet. The test, in section 24-97, H&TC, is two and a half miles northeast of Diamond M. production. Most of the fluid was new oil. Previously, the test had 1,000 gallons of acid injected.

In south-central Borden, Don Ameche No. 1 Clayton & Johnson, 660 feet from the south and west lines of the northeast quarter of section 26-33-3n, T&P, a southwest 3,050 feet.

Moore Exploration No. 1 Mildred Jones, 1,980 feet from the north and 702.5 from the east lines of section 36-33-3n, T&P, a southwest stepout in the Valtmor area, progressed to 5,565 feet.

Job After Job—Ford Trucks Cost Less

YOU CAN'T BEAT Ford Trucks when it comes to economy! Because they're Bonus Built, Ford Trucks have fewer breakdowns—they give you the kind of steady, day-after-day performance that makes for sure profits. Ford offers you your choice of over 150 truck models, and three economical, top-performing engines (two V-8's and a Six).

Whichever type of Ford Truck you pick you can count on getting real fuel savings. They're lower-priced to begin with, and will save you money with every turn of the wheels! And Ford's Bonus Built extra strength means fewer repairs and longer life. So come on in and talk trades with us today. We'll give a liberal allowance on your old truck.

- ★ They're Bonus Built!
- ★ Up to 145 Horsepower!
- ★ Over 150 Models!
- ★ Two New Big Jobs!
- ★ Million Dollar Cab!

Because FORD TRUCKS LAST LONGER

Using latest registration data on 6,108,000 trucks, life insurance experts prove Ford Trucks last longer!

Debt Has Rocketed, But Many Other Things Have Come Along

Of course, the fellow said, the national debt of the United States is a pretty big thing any way you figure it, and if you break it up into its per capita implications it really appalling. Something like \$2,300 for every man, woman and child in the country, ain't it?

Production May Be Resumed But Price Structure May Be Static

Prospects of a settlement in the steel strike, and the natural deduction of resolving difficulties in the coal industry point to a resumption of productive activity.

Matter Of Fact—Joseph Alsop

25 A-Bombs Per Annum Believed To Be Maximum Soviet Output

WASHINGTON.—Let everyone forget the changed world we are living in, it might be wise to begin each day by repeating, "Six and twenty-five make thirty-one, and twenty-five make fifty-six."

Notebook—Hal Boyle

Nerve, Hard Work Needed For Literary Success, Says Writer

NEW YORK.—MILLIONS OF AMERICANS want to be successful authors. But only 5,000 really are.

THE BIG SPRING HERALD

Published Monday morning and Tuesday afternoon except Saturday by APPLIANT NEWS-PAPER, Inc.

"How You Coming With The Barnacles On Your Side?"

Merry-Go-Round—Drew Pearson

Rank-And-File Revolt Against Lewis Spurs Mine Chieftain's Peace Efforts

WASHINGTON.—Inside reason why John L. Lewis is trying so desperately to settle with the coal operators is that his United Mine Workers Union is torn with rank-and-file revolt.

Other miners, rather than their families go hungry in the prolonged strike, have actually gone to work in non-union mines in Virginia and western Kentucky.

ROW OVER CHINA.—The hottest diplomatic row between the United States and Great Britain in recent years is taking place backstage over the tough subject of China.

President Truman and Secretary Acheson got wind of the fact that a large British diplomatic delegation has been secretly conferring in Peiping with the Chinese Communists in order to negotiate British recognition of the Red government.

When the State Department learned that this agreement had been violated, Secretary Acheson and other foreign ministers sent a scorching joint note secretly to British Foreign Minister Bevin denouncing his government for trafficking with the Chinese Reds.

Bevin, replying, admitted his country's guilt, but brazenly stated that the move was necessary. However, Britain he condescended to say, would keep its allies informed of its activities from here on in.

SERVANTS OF BROTHERHOOD.—Southern race disturbances or KKK flogging make sensational headlines, while the little acts of kindness between white and colored people seldom get in the newspapers.

In Florence, South Carolina, for instance, a Negro Western Union messenger, James E. Jones, has spent his extra time and energy in recent years collecting money for the March of Dimes.

Webb himself would like a change of pace. Says he: "I'd like to play a despicable character, one even I could hate."

This will apparently precede such other announced subjects as "Mr. Belvedere's Book of the Month," "Mr. Belvedere Goes West" and "Mr. Belvedere Goes to Africa."

Webb himself would like a change of pace. Says he: "I'd like to play a despicable character, one even I could hate."

This may be testimony on the state of the theater this season. Such stage actresses as Gertrude Lawrence, Margaret Sullivan, Margalo Gilmore, Jane Cowd, Erin O'Brien Moore and Ethel Barrymore are in Hollywood.

Charles Laughlin's Bible-reading tour in the east may be extended. He has been well received and is enjoying himself. But he'd like to be home for Christmas.

It looks as though the good old musical revue is coming back. "Duchess of Idaho" will be packed with such specialties

as Eleanor Powell, Lena Horne, Connie Haines and Mel Tormé. "Mr. Music" will have Groucho Marx, Dorothy Kirsten, Peggy Lee and Marge and Gower Champion.

Around The Rim—The Herald Staff

Of Course, It May Have Been Just Pure Coincidence, But--

They say the day of miracles is gone. But they may be wrong. Of course, the most of us spend a good deal of our time talking about the things that shouldn't be, but are: We travel our merry way with the half-hearted feeling that maybe it is a pretty good world, but we more or less ignore the belief as far as actions are concerned.

Two months ago, Boots, a puppy belonging to Kara Plowman, a 7-year-old, was poisoned and became so ill he was taken to the hospital. Despite careful attention, the dog did not improve and finally was brought home. When the pet got no better, the Plowmans asked that he be taken to the pound, explaining to Kara that he was too sick to be kept at the house.

Nightly during the dog's absence, Kara prayed that her little dog might be restored to health. Her parents were worried because they did not know how to explain that likely Boots would never be reunited with his young owner.

Last Monday morning, the Plowmans went down town and found a parking spot right away and right there where they parked was Boots, yelping and dashing back and forth and clamoring to get in the car. The little animal answered to its name and when it got out of the car at the Plowman home ran inside and dashed frantically from room to room.

The Plowmans had no idea how the dog made its way out of the pound, how it regained its health or why it happened to be in the exact place where they chose to park their car.

As for Kara, she doesn't care about the whys and wherefores. As for us, we're willing to bet that regardless of the people who shout "coincidence," that she'll be grateful some day for the prayers she thinks brought her little dog back home. Maybe it was only a coincidence, but something of that little girl's faith may keep a woman going when the world falls in around her.—MILDRED YOUNG.

WASHINGTON.—SUPPOSE, IN CELEBRATION of the American revolution, Washington was full of pictures of President Truman and his cabinet every year on the Fourth of July.

And suppose you knew that Mr. Truman was going to stay President so long as he lived—and that you couldn't do anything about it—and that when he died one of the cabinet was going to take over.

You weren't going to elect the new leader. That was going to be done by the President before he died, or by all the cabinet members after he died.

In a case like that you'd take a close gander at that picture of the cabinet around the President. You'd say to yourself: "Who's it going to be?" But the best you could do would be to guess because—

THE LIVES OF THE PRESIDENT AND the cabinet were pretty secret. Nothing ever got into the newspapers about them, except what they told the newspapers to print.

They ran the country, the President and the cabinet did, but because everything about them was so hush-hush you never knew how they ran it, by vote among themselves, or by what the President said, or how.

If you kept seeing Treasury Secretary Snyder always at the right hand of the President you might think: "I guess he's the one. He and the President have been pals for years. Snyder'll get it."

But maybe Snyder was there at the right hand only because of old friendship. Maybe it was the one on the left hand side who had the inside track.

Since you didn't know, and could only guess, every year you'd look at the Fourth of July picture to see who was standing

closest to Mr. Truman, and who was moved around.

THAT'S JUST ABOUT WHAT HAPPENED Monday in Moscow, where the Russians celebrated the 32nd anniversary of the Bolshevik revolution in 1917.

Official pictures of Prime Minister Stalin and his Politburo—the 12 men who, with Stalin, run Russia—have been made public.

There, standing at his right is his oldtime pal, V. M. Molotov, former foreign minister. They've been friends for years.

But—on the left today is Georgi M. Malenkov. This created a stir in Moscow because, in an official Politburo picture last May, L. P. Beria was at Stalin's left-hand.

Beria, who used to be chief of the secret police, now is reported to be head of Russia's atomic development. Malenkov is vice chairman of the council of ministers.)

BERIA IS STILL IN THE PICTURE, of course, but not where he was last May: At Stalin's left-hand. Because Malenkov has that spot, it's caused speculation that now Malenkov is closer to Stalin than Beria—but not so close as Molotov who's on the right hand.

Anyway, somebody in the Politburo probably will succeed Stalin, either peacefully through appointment by Stalin before he dies, or through election by the other Politburo members, or after a riproaring internal struggle that might rip Russia open.

But if Stalin lives, and enough pictures are taken, with some changing around in every picture, there'll be no end of talk which, after all, is a pretty good way of keeping people from talking about something else.

Affairs Of The World—DeWitt MacKenzie

Bolshevist Revolution Circles Globe In Only Three Decades

MONDAY WAS THE 32ND ANNIVERSARY of the Bolshevik revolution that overthrew the czarist government and established a Red regime which in the succeeding generation has extended its domination to almost a third of the globe.

It is one of history's most amazing conquests. Not only has Soviet Russia created the huge Red bloc of nations which owe allegiance to Moscow, but also agents have penetrated even the uncivilized parts of the world to establish Bolshevist cells which pledge their fealty to Moscow.

THE CHIEF WEAPONS EMPLOYED IN this "world revolution" have been ideological persuasion and outright force. Of these the strong-arm method has been responsible for most of the success. World War II of course assisted greatly, since numerous countries both in Asia and Europe were occupied by Soviet troops, thereby establishing immediate Russian control.

Britain's Socialist Prime Minister Attlee adds another weapon which mustn't be overlooked. He says Russia is using its United Nations veto as an "instrument of power politics and for furthering the imperialistic aims" of the Soviet Union. Attlee made this charge in a speech in which he also cited Czechoslovakia's plight as an example of Russian methods.

The Czechoslovakia which was created at the end of World War I was thriving, democratic concern with an enlightened peace-minded population.

THEN CAME THIS SECOND WORLD war and Russian military occupation toward the close of the conflict. Since that time the country has been largely Sovietized.

Regimentation of the public began immediately. Early in October arrests of small businessmen and other middle class

elements was begun with the apparent idea of wiping out the middle class. Several thousand people were jailed in Prague. Such arrests now are reported to be spreading through the provinces, and people are said to be getting sentences of two years in forced labor camps or in uranium and coal mines.

Space Ship Must Wait, Says Savant

BALTIMORE (AP)—Man's desire to roam about outer space and explore heavenly bodies will remain a songwriter's fancy for a few years, says Dr. Ralph E. Gibson, director of the applied physics laboratory of the Johns Hopkins University.

Dr. Gibson cites these obstacles to interplanetary travel:

1. You would need a rocket ship weighing about 10,000 tons—the weight of a light cruiser—to carry a payload of 50,000 pounds. 2. You would need fuel tanks a quarter of a million cubic feet in size and would have to carry 5,000 tons of fuel, probably liquid oxygen. 3. You would have to start with a velocity of 36,000 feet a second in order to get shot out of the field of the earth's gravity.

Dr. Gibson's laboratory has been experimenting in guided missiles at the government's White Sands (N. M.) testing grounds.

India's Princes Still Are Paid

NEW DELHI (AP)—The crownless princelings of India—numbering about 600 together draw from the Indian exchequer an annual privy purse of \$9,600,000.

Mouse Hunt By Plane

HAMILTON, Mont. (AP)—Dr. J. K. Frenkel, pathologist at the federal laboratory here, needed some field mice for experiments. Ferd Fullerton and Lawrence Humble said they'd go hunting for them.

Fifteen minutes after they took off in Fullerton's plane, they spotted harvesters working in a hay field. They landed in the field, borrowed a jeep and soon had a bag full of mice for Dr. Frenkel.

Electric Cooking is **CLEAN**

Electric cooking is as clean as electric light. Kitchen walls and curtains stay clean and bright. Cooking utensils, too, stay bright and shining, since contact heat from electric range surface units never blackens the bottoms or sides of pots and pans. You'll like the spick, span and spotless kitchen you'll have when you cook electrically.

Your favorite electric appliance dealer or home furnishing store can show you the new model electric ranges with all the new features which make cooking easier and more economical.

Big Spring-Midland Battle Thursday Night A Tossup

Local Juniors Clip Loraine 8th Graders

LORAIN, Nov. 8.—Big Spring Yearlings pushed across a touchdown in each quarter here yesterday to defeat the Loraine 8th graders, 26-0.

Billy Martin, Yearling halfback led the visitors' scoring, carrying the ball across the double stripes for two six-pointers. Freddie Black, quarterback, scored one touchdown and passed to Luke Thompson in the end zone for another.

Clyde Hurst ran the ball over for both the Yearling conversions.

The Yearling team threatened to score twice in the contest. It pushed the ball down to the five-yard line on one occasion, and penetrated to the 10 once.

Two games with Midland team have been scheduled for the Yearlings. Coach Roy Baird said. The junior high squad will meet the Midland C team Thursday afternoon, and will play Midland junior high on the following Thursday. Both games will be played on the Big Spring field.

Bob Smith Tops In Ball-Lugging In SW Circuit

DALLAS, Nov. 8. (AP)—Pounding Bob Smith, Texas A&M's mighty sophomore, can't be called a one-man team but you can say "a fourth of a team" and be safe.

Smith, in leading Southwest Conference ball-carriers, has gained almost a fourth of the ground boasted by Rice, the team that's leading the conference race.

Statistics released by Secretary James H. Stewart of the Southwest Conference today showed Smith with 626 yards on 120 carries. He is 155 yards ahead of Bobby Laurip, Rice fullback, who is second in the conference. Laney, however, has played in only seven games. He has carried 99 times for 471 yards.

Making its power felt, Rice has moved into the top spot in conference. The Owls have rolled up 2,621 yards in seven games for an average of 374. Texas has gained 2,964 yards in eight games for an average of 370.

When Texas and Texas Christian play at Austin Saturday the two top passers of the conference will be matching throws. Paul Campbell of Texas leads with 1,052 yards on 71 completions in 139 attempts. Eddy Berry of Texas Christian is five yards behind — because he has been in one less game than Campbell. Berry has connected on 77 throws in 154 for 1,047 yards.

The leading pass-receivers also will be playing against each other at Austin. Ben Procter of Texas is the No. 1 man with 31 catches for 479 yards and four touchdowns. Morris Bailey of Texas Christian has three touchdowns. J. D. Ison of Baylor has caught 30 but for only 315 yards.

LOOKING 'EM OVER

With Tommy Hart

Pinwheel Purdy says if some of the offense isn't legislated out of football and replaced by more defense, then the feeling is going to be intensified against some of the luckless coaches backed against the fence.

A hasty check run by this department recently betrayed the fact that not a scoreless tie had been played by any of the 130-odd major colleges playing football this fall.

Of course, fans would frown on taking all the punch out of the Autumn sport. At the same time, they can get too much of a good thing and are in the process of having some shoved down their throats. The game's law-makers had best get busy after this season is terminated.

NORTH-SOUTH GAME COULD TEAM UP BACKS

Has anyone awakened to the fact that the North-South football classic in Alabama next month could feature two of the most celebrated backs in the nation, running with the same outfit?

Charley (Choo-Choo) Justice, North Carolina's great back, has already signed to play with the Rebels, if his Tarheels don't earn a Bowl bid.

Southern Methodist's hopes for a New Year's Day date were dimmed tremendously by the 27-27 tie played with Texas A & M last weekend. That means Doak Walker, SMU's Golden Boy, could go out on his own. Since he played in the East-West game in San Francisco as a freshman, he might elect to accept an offer from Montgomery.

Sports writers have often speculated on what would result if they could get the two aces in the same secondary. Now, such a thing might come to pass.

MOST OF PONY REGULARS TO GRADUATE

Sweetwater's Mustangs might be the hardest hit football team by graduation of any club in District SAA next May.

Coach Pat Gerald of the Pontes was telling this department prior to the Big Spring-San Angelo game last week that he lost everyone after this season save his two tackles. He added it would probably be 1951 or '52 before the Cayuses could rival the other schools.

Gerald has a habit, though, of getting the most out of his material. His teams are always tough to beat.

Pat also came up with a suggestion schools and school pep squads might be wise to follow.

He thinks Alma Mater songs should be sung just before the squads leave the field for final instructions and not immediately before the kickoff. He points out a lot of time is wasted as it is.

We'll go Pat one better and suggest that all night football games booked after Oct. 1 in this section start at 7:30 p. m. rather than 8 o'clock.

NOTRE DAME NO HOME-GROWN OUTFIT

Here's something to mull over. Practically all of the college football teams playing in this state take pride in the fact that not only their starting lineups but their entire squads are made up of native-born Texans.

The Notre Dame football club, which has been tearing up the earth in a football way, has only one indian on its starting eleven. Four others hail from Ohio, two from Illinois, two from Pennsylvania, one from Maryland and one from California.

Six members of the University of Oklahoma freshman football team are from Texas. One of that group is Jimmy Patterson, the former Odessa back.

Of the 32 members of the frosh squad over at Tulsa university, 23 are out-of-state boys.

Not so many months ago, Danny Lynch, a Dallas boy, was considered one of baseball's most prized possessions. He drew a \$20,000 bonus for signing a pact with Pittsburgh. But the Bucs have soured on him, from all indications. Lynch, carried on the Des Moines roster, is subject to the draft, which means he can be had for \$6,000, the draft price.

Bob Smith Tops In Ball-Lugging In SW Circuit

DALLAS, Nov. 8. (AP)—Pounding Bob Smith, Texas A&M's mighty sophomore, can't be called a one-man team but you can say "a fourth of a team" and be safe.

Smith, in leading Southwest Conference ball-carriers, has gained almost a fourth of the ground boasted by Rice, the team that's leading the conference race.

Statistics released by Secretary James H. Stewart of the Southwest Conference today showed Smith with 626 yards on 120 carries. He is 155 yards ahead of Bobby Laurip, Rice fullback, who is second in the conference. Laney, however, has played in only seven games. He has carried 99 times for 471 yards.

Making its power felt, Rice has moved into the top spot in conference. The Owls have rolled up 2,621 yards in seven games for an average of 374. Texas has gained 2,964 yards in eight games for an average of 370.

Eddy Berry of Texas Christian is five yards behind — because he has been in one less game than Campbell. Berry has connected on 77 throws in 154 for 1,047 yards.

The leading pass-receivers also will be playing against each other at Austin. Ben Procter of Texas is the No. 1 man with 31 catches for 479 yards and four touchdowns. Morris Bailey of Texas Christian has three touchdowns. J. D. Ison of Baylor has caught 30 but for only 315 yards.

Layne Succeeds Baugh As Top Passer In National Pro Circuit

PHILADELPHIA, Nov. 8. (AP)—Apparently all a man needs to lead the National Football League in passing is a good arm and the right to call Texas his home.

The latest NFL statistics released today disclosed that a Texas boy by the name of Robert L. Layne has replaced another Texas boy by the name of Samuel Adrian Baugh as the top aerial artist.

Baugh of Washington, who led the top in the art of tossing the pigskin last week now trails the adept Layne by a point and a half under the NFL's inverse system of rating. Charley Conerly of the New York Giants rated third and Johnny Lujack of the Chicago Bears fourth.

Layne, the former Texas University flash, pitched his New York Bulldogs, to their first victory of the 1949 season last Sunday—a 31-24 win over the New York Giants—as he completed 23 of 39 passes for 332 yards. It was the greatest day of Layne's pro-football career. The Bulldog's "T" quarterback now has thrown 183 passes, completed 87 for 1,057 yards and four touchdowns. Only four Layne tosses have been intercepted.

Baugh's record now reads 125 attempts, 77 completions, 1,232 yards and 12 touchdowns.

Another Bulldog, End Bill Chipley, leads the pass receivers and he used Sunday's initial triumph to pad his figures. Chipley pulled in nine of Layne's tosses to make it 39 for the season and 456 yards gained. Tom Fears of Los Angeles held second place with 37 receptions good for 455 yards. Detroit's Bob Mann has gained 540 yards on 35 catches.

Midland Game Tickets Here

Tickets for the Big Spring-Midland high school football game, which will be played in Midland Thursday night, have gone on sale at the School Tax office and John D. Hurrell's Sporting Goods store, Pat Murphy, business manager.

All are for midfield seats.

The tickets are priced at \$1.50, which is the standard District SAA fee. Student cards should be had for 30 cents. They are being sold at the high school here.

Murphy said the tickets would remain on sale here until 4 p. m. on the day of the game.

Only 450 of the 45 members of the University of Miami's 1949 football squad are seniors.

Bulldogs Have Heavier Line

The Big Spring high school Steers are banging away in drills this week, with an eye on the Midland Bulldogs.

The two teams square away in a non-conference tilt in Midland Thursday night, and the Longhorn gridders are determined to wrap up their fourth victory of the year in that one, thereby doubling their win output of a year ago.

It'll not be easy. Big Spring scouts have warned the coaches and the boys. The Bulldogs have been showing steady improvement and only last week routed Brownfield in a 26-7 battle.

Big Spring beat that same team earlier in the campaign, 18-12, and considered itself very lucky in getting off with that margin.

Midland has previously defeated Plainview by 21 points, the same Plainview outfit that drubbed Big Spring early in the campaign, 7-0, in the mud at Plainview.

Dopsters may have a hard time figuring out the battle, however. Brownwood dropped Midland, 27-13, while Big Spring upset that same Brownwood, 14-13. Austin High of El Paso defeated both clubs, routing Midland, 49-12, and Big Spring, 42-7.

Midland will probably start a backfield composed of Jack Burris, Charles Crowley L. C. Thomas and Luther Mooney against Big Spring. Ralph Brooks will see a lot of action for the Canines.

The Bulldogs boast a heavier line than the Bovines, a primary that is said to have looked potent against Brownfield.

Robert Cobb may be used quite a bit in the Big Spring secondary. The passing wizard has suffered for lack of experience but Coach Carl Coleman wants him to get as much action under fire as possible. It'll stand him in good stead in 1950.

The Longhorns will not be in top shape for the struggle. Howard Washburn and Floyd Martin, who have divided time at the quarterback slot, are still favoring leg injuries. Both will probably be there, however.

The game this week was moved up from Friday to avoid conflict with important prep games being played at Odessa and San Angelo.

Church Kegling League Planned

Efforts will be made at an open meeting at the East Fourth Street Baptist church at 7:30 p. m. Thursday to organize a Church Kegling League.

Dr. T. C. Tinkham, behind the move met with local ministers Monday to lay plans for the league which would use facilities of the West Texas Bowling center one night a week for league play.

All churches are eligible to send representatives to the Thursday session. Dr. Tinkham said. Persons of all ages will be permitted to bowl.

Oklahoma City Hosts Keglers

OKLAHOMA CITY, Nov. 8.—A total entry of 1,100 is expected for the Oklahoma City Times' twin bowling tournaments here this winter, with prize money a probably \$3,100.

Officials announced the seventh annual men's Classic would be held at Jenks' 16-alley established January 14-15 and 21-22, men rolling six games scratch for a \$5 entry fee.

The tenth annual women's Classic will be at Playmore's 12-alley emporium February 18-19 and 25-26, the handicap tournament calling for four games with a \$4 entry fee.

Last year the women outdrew the men for the first time in history, 615 attending and the winner Betty Miller of Midwest City, Oklahoma, with 852. Mrs. Fritz Williams of Anadarko was second by one pin and Mrs. Leo Whitwell of Dallas came in third with 847.

Ralph Gibson, 20-year-old Oklahoma City star, won the men's tournament with 1,292, ahead of Jim Black of Wichita, who had 1,264 and Jack Aydelotte of Tulsa, 1,262.

Again, first place in the men's Classic pays \$150, with some 40 money positions paying down to \$25. Women's winner will get \$100, some 30-40 positions paying down to \$25. Grand prizes as usual will be paid in both tournaments.

Entries are open now for both tournaments. Women can enter now and send in their averages after the handicap-setting deadline of January 1st. Entries and checks or money orders should be sent to Times Bowling Classic, Oklahoma City Times, Oklahoma City.

Ted Shipkey, new football coach at Montana University, last season was end coach of the Los Angeles Dons of the All-America Conference.

FRENCH IDOL—Milo Carrara (above), who plans to compete in six-day bike races in New York soon, is a great favorite in his native France.

Scribe Opines TIL Is Wrong In Game Curbs

By HAROLD V. RATLIFF
Associated Press Sports Editor
DALLAS, Nov. 8.—We fear the Texas Interscholastic League is hitting its collective head against a brick wall in trying to stop the all-star football games in which high school boys participate.

Recently, the Interscholastic League advocated that rules be made that no high school coach can assist in putting on such contests, that high school facilities not be used for such purposes and that the colleges declare any boy ineligible for college athletics who engages in unsanctioned all-star contests.

The only sanctioned all-star high school football game apparently would be the one put on at the Texas Coaching School each year. It is argued that this game is for demonstration purposes.

What the league is hitting at is hitting its Moore Simms' national high school all-star game, which saw its inception at Corpus Christi in August. The league objects to anything in which it sees a purpose of commercializing on a high school athlete's fame.

All three of the league's proposals to curb these contests are faulty. In the first place, high school coaches are not used in such an all-star game as Simms is promoting. Big name college coaches are sought. In the second place, high school facilities are not necessary. College or municipal stadium can and probably will be used in order to handle the crowd. In the third place, the colleges are not going to legislate out all-star games for high school boys. Boys good enough to be invited to play in such games are too good for the colleges to turn down because they played in them.

The colleges commercialize in football, too, you know.

LET US ANALYZE THE ALL-STAR football game put on at the Texas Coaching School. The reason the league approves it is because the Texas High School Coaches' Association says it's to demonstrate the theories of the big name college coaches who lecture at the coaching school and tutor the all-star squads on the side. But the Texas High School Coaches Association charges admission for its game and the proceeds are used to operate the school and carry out their projects of the association.

The coaches are in business and they benefit just like any promoter who might put on an all-star game. The coaching school helps expand their business.

The Interscholastic League can not control the boys' participation in an all-star game because only the boys who have finished their high school eligibility are used. Only the colleges could stop the all-star games.

Trains Collide

MADRID, Spain, Nov. 8. (AP)—Two electric trains collided near here last night, killing at least 14 persons and injuring more than 30. The crash occurred between Las Matas and Las Rozas stations 14 miles north of Madrid.

Burial For Mays Slated Thursday

GLENDALE, Calif., Nov. 8. (AP)—Final rites for Rex Mays, one of the nation's top race drivers killed in a racing crash Sunday, will be held Thursday at Forest Lawn Memorial Park.

Mays was killed on the 13th lap of the final 100-mile AAA championship race of the season when his car upended and he was thrown to the track.

Top Five Teams In Grid Poll Maintain Places

By WILL GRIMSLEY
AP STAFF
NEW YORK, Nov. 8.—Notre Dame is dominating the college football picture this year as few teams have done in the past.

The resourceful Fighting Irish, making mincemeat of a man-sized schedule, held the No. 1 position for the fifth straight week today in the Associated Press national wide poll. They are a near universal choice.

The South Bendiers received 137 of 163 first place votes cast by sports writers and sportscasters.

This left only 26 to be distributed among the other powers in the land with second-ranked Army getting 13, Oklahoma, No. 3, received nine and California, No. 4, collected three.

The lone remaining first place vote went to another unbeaten, untied team, Cornell, which took sixth place behind the defending national champion Michigan, twice-beaten this year.

With the poll crowding each season, Notre Dame commands the heaviest first place vote in the 13-year history of the AP feature.

Not even Army, in its robust wartime days when Doc Blanchard and Glenn Davis were rampant, or the Irish, in 1946-47 when they were riding high behind Johnny Lujack's buggypump arm, enjoyed such mass national acclaim.

SOME SHUFFLE

All the shuffling in the weekly standing occurred in the lower division as the top five teams held firm.

Cornell moved from seventh to sixth on a strength of a 23-7 triumph over Syracuse. Rice, climbing from eighth, succeeded to the No. 7 spot after humbling Arkansas 14-0.

As a demonstration of Notre Dame's influence, Michigan State climbed from tenth to eighth just because it gave the Irish a good scrap, losing 24-21.

The last two places in the top ten were filled by newcomers Minnesota and Virginia as Baylor and Southern Methodist were shoved below.

Minnesota walloped Iowa, 55-7, to win the ninth position. Unbeaten Virginia gained the tenth place by upsetting favored Penn, 26-14.

The total vote with points figured on a 10-9-7-6-5-4-3-2-1 basis (first place votes in parenthesis).

1. Notre Dame (137).....1598
2. Army (13).....1144
3. Oklahoma (9).....1108
4. California (3).....943
5. Michigan.....905
6. Cornell (1).....500
7. Rice.....467
8. Michigan State.....225
9. Minnesota.....209
10. Virginia.....199

The second ten — 11. Ohio State, 188; 12. Southern Methodist, 97; 13. Texas, 90; 14. Kentucky, 79; 15. Boston University, 68; 16. Louisiana State, 44; 17. Stanford, 39; 18. Wake Forest, 33; 19. College of Pacific, 30; 20. Santa Clara, 28.

Others receiving five or more votes: — Maryland, 25; Wyoming, 20; Dartmouth, 18; North Carolina, 16; Baylor, 12; Illinois, 8; Duke, 7; Villanova and Wisconsin, each 6.

Powerhouses Fall In A Grid Play

Wink Opposes Kermit Friday

By WILBUR MARTIN
Associated Press Staff

It's title time in Class A football. Five teams have already clinched district crowns as the Nov. 13 deadline for certifying schoolboy champions draws near. More are scheduled to be determined Friday.

Two undefeated, untied teams fell last week, and several others face giant-killer foes this week.

Mincola upset powerful Mount Vernon, 13-7, and Columbia beat El Campo, 26-14.

Mount Vernon had rolled up 339 points against seven previous opponents.

El Campo had scored more than a hundred points.

The victory left Mincola on top of the District 13-A standings with three victories and no defeats.

Bay City took over undoubted leadership of 27-A on El Campo's defeat.

Lefors, Grand Saline, Lavaca, Brenham, and New Braunfels have already clinched crowns.

Canyon's 12-4 upset victory over Hereford left Dalhart alone in the District One, B, race for the championship by beating Dumas and Canyon.

Lefors clinched the District Two title by thumping Wellington, 33-19, while Shamrock upset McLean, 14-7.

Spur, 3-A leader, beat Abertathy, 19-6, but probably won't claim the title until it meets Floydada on Nov. 18.

Littlefield tied Sudan, 7-7, but won the game on penalties, two to one, to take the lead in the North Zone of District Four. The Wildcats have one more tough foe remaining, Levelland.

Post and Slaton have their showdown in the South Zone of 4-A this week.

District Five is still a merry men's Wink leads by a half game, with Andrews and Kermit tied for second. Wink faces Kermit this week and this game may tell the tale of the final standings.

District Six's West one championship may be decided Friday, when Rotan meets Hamlin. Rotan can clinch the crown with a victory.

Haskell is a top heavy favorite to win the east half title by beating Munday Friday.

Ballinger's undefeated, untied Bearcats tackle Coleman this week and the decision will likely settle the 7-A championship.

Nocona stands in the way of Bowie in district 9-A, while Burk Burnett or Holiday will settle the 10-A title in their game Nov. 18.

Ranger and Eastland meet this week for the championship of District Eight.

Arlington and Birdville pace the pack in 11-A, while Garland and Irving are tied for the lead in 12-A.

Honey Grove and Clarksville meet Nov. 18 in 13-A's deciding game.

Atlanta blasted DeKalb, 47-6, to grab the lead in 14-A.

Gaston surprisingly tied Leverett's Chapel, 20-20, last week, but the unbeaten Leverett's Chapel crew is still a top heavy favorite to take the title in 16-A with a victory over Carlisle next week.

Unbeaten, untied Kaufman can't clinch the 17-A championship until it meets Terrell next week.

Grand Saline clinched District 18-A. La Vega ahead up 19-A. Mexia, West Zone champion, and Huntsville, east zone winner, meet Nov. 18 for the 20-A crown.

Rosebud leads 21-A and a victory over Cameron this week would clinch matters.

Lampasas is ahead in 22-A, while Brenham's 1-0 victory over Navasota last week assured it honors in 23-A.

Powerful New Braunfels, playoff finalist last year, crushed San Marcos, 42-0, last week to set up 24-A. The Unicorns are idle now until next week. They are undefeated and untied.

Alvin beat Cypress-Fairbanks last week to retain its unbeaten, untied record and roll smoothly along to the 25-A championship.

Nederland and French of Beaumont both are undefeated, untied and heading for a showdown in 26-A. It'll come next week.

Edna and Karnes City tangle Friday for the top spot in 28-A while the two Valley districts—29 and 30—are still in a whirl.

Hot Wells and Edison, both of San Antonio, meet Nov. 18 to determine the 31-A championship.

Undefeated untied Del Rio has things its own way in 32-A.

Sam Snead Named Golfer Of Year

CHICAGO, Nov. 8. (AP)—Golfer of the year? You don't need three guesses to know it's Sammy Snead.

The Professional Golfers Association of America said today Snead was No. 1 in its annual nationwide poll.

Sports writers and sports casters voted Cary Middlecoff runner-up. Middlecoff ruined Snead's chances of a grand title slam by beating him out of the National Open crown. Johnny Palmer, Tom O'Shanter champion, was third in the poll.

Contempt Proceedings Faced By Heiress In Communist Probe

WASHINGTON, Nov. 8. (AP)—Rep. Wood (D-Ga.) said today he will ask the House Committee on un-American Activities to consider contempt proceedings against wealthy Louise Rosenberg Bransen Berman.

Red-haired Mrs. Berman West Coast heiress, yesterday for the second time refused to tell the committee whether she contributed to Communist activities.

The committee meanwhile, summoned other witnesses today in the hope of obtaining leads on Soviet espionage.

Mrs. Berman, attractive wife of Lionel Berman of New York, was an obdurate and frequently indignant witness.

Flanked by Atty. Joseph Forer of Washington, she parried each question from committee counsel with a refusal to answer on the constitutional grounds of self-incrimination.

Chairman Wood, who sat with Rep. Monroney (D-Mo.) as an investigating subcommittee, questioned her performance.

"I intend to submit for the consideration of the full committee the possibility of citing Mrs. Berman for contempt," Wood told reporters.

Mrs. Berman is linked by official committee reports with Steve Nelson, a Communist organizer and a having been in frequent contact with Soviet consular officials in San Francisco and New York.

Sawyer To Make Southwest Survey

WASHINGTON, Nov. 8. (AP)—Secretary of Commerce Sawyer leaves today for a business and employment survey in the South and Southwest.

His itinerary includes Houston Nov. 12-13, Dallas Nov. 13-14, Fort Worth Nov. 14 and Oklahoma City Nov. 15.

In each city he plans to talk to representatives of business, labor and other groups to get first hand information and suggestions for "maintaining high levels of business and employment."

The survey in the South and Southwest will complete his tour of the nation. Then he will make recommendations to President Truman.

Indian Summer Reigns In U. S.

CHICAGO, Nov. 8. (AP)—Indian summer came back for a repeat performance today for most of the country from the Rocky Mountains to the Atlantic seaboard.

The western states had rain and cloudy skies while the rest of the country had fair and clear weather with temperatures mild for the season. Rain fell along the Washington and Oregon coasts and there were showers in parts of Nevada, Utah and southern Idaho.

New temperature records for the date were reported in several cities yesterday. They included 75 at Omaha, Neb., 68 at Green Bay, Wis., and 66 at Duluth, Minn. The mercury was in the 60's and 70's over most of the central states.

CERAMICS COURSE

Yvonne Gregg, Fort Worth artist, is to teach a three-day course in glazing and firing here, starting Wednesday. The instructor will be given at the Ceramic and Art studio, Mrs. Charlene Kee, artist, announced.

Vishinsky Asks U. S. Friendship

WASHINGTON, Nov. 8. (AP)—Soviet Foreign Minister Vishinsky says Russia and the United States ought to be better friends.

The honor guest at a glittering Soviet Embassy reception last night, Vishinsky talked informally with newsmen on this general theme—but put his specific observations "off the record."

His general line: The common feeling of Russian-American friendship has fallen asleep but some day it will awaken and confound the enemies of freedom.

Smiling amiably, Vishinsky shook hands with more than a thousand diplomats, congressmen, newsmen and other guests. They jammed the embassy for the annual celebration of the anniversary of the 1917 revolution which swept the Bolsheviks into power in Russia.

Under a heroic-size oil painting of Generalissimo Stalin, the envoys of most of the American and western European nations which have rejected Communism chatted briefly with Vishinsky and with Soviet Ambassador Alexander S. Panyushkin.

One envoy missing was Yugoslav Ambassador Sava N. Kasanovic, whose government is on distinctly bad terms with Moscow at the moment. He was not invited.

Campbell Due To Face SMU

DALLAS, Nov. 8. — South-west Conference football teams got down to serious practice today.

Only a few of the teams reported serious casualties yesterday and one — Arkansas—had some very cheering news, but not for Southern Methodist University.

Leon (Musick) Campbell may play for Arkansas against SMU Saturday. He limbered up with the team yesterday. He has been out of action for more than two weeks.

Instead the Bears heard a scout report on Wyoming, the team that last week beat Colorado State, 103-0. That's the club Baylor plays this week.

Rice Coach Jess Neely wasn't too pleased with his Owls' showing in beating Arkansas, 12-0, last week.

He's already warning his players about Texas A&M.

A&M, the team that amazingly beat Southern Methodist 27-27, last week, lost one of its starting line-backers in the Rice game and maybe for the season. Dick Calender hurt his knee badly.

GM Dividends Break Record

NEW YORK, Nov. 8. (AP)—One of the biggest cash dividends in American history will go to General Motors stockholders on Dec. 10.

It totals more than \$190 million. With other payments already made this year, it will bring the company's grand total of dividends for 1949 to more than one-third of a billion dollars.

This is an all-time record for General Motors Corp., and financial circles said it probably is an all-time record for the United States.

The yearly earnings will amount to \$8 a share for common stock, which has a par value of \$10. The stock closed here yesterday—before the company announcement—at \$69.12 1/2 a share. The year's dividend will be 80 per cent of the par value and almost 12 per cent of yesterday's price.

Reaction to the news on the New York Stock Exchange will be delayed until tomorrow, since the exchange is closed today for the general election.

The San Francisco Exchange still was open, however, when word of the announcement hit the tickers. The price shot up immediately \$2.62 1/2 a share to \$71.75. The new dividend will be paid to stockholders of record Nov. 17, and will be \$4.25 a share for common stock. Preferred stockholders will get regular dividends.

The huge dividend comes from record-breaking earnings recently reported by the company. Sales for the first nine months this year totaled \$4,458,000,000, well over a billion dollars more than the comparable 1948 figure of \$3,436,000,000. The net profit for the first nine months of this year was \$502 million, compared to \$327 million for the same period last year. This year's total dividend will be \$351,664,000.

Of the company's 44 million shares of common stock, E. I. Du Pont and Company holds 10 million and will receive nearly a quarter of the dividend. The Du Pont board will meet about Nov. 15.

Crude Output Upped In U. S.

TULSA, Okla., Nov. 8. (AP)—Daily average crude oil production in the United States during the week ended Nov. 5 was 5,089,575 barrels, up 84,300 barrels from the previous week, the Oil and Gas Journal reported today.

The biggest gain was 102,300 barrels in Texas, where allowables were revised for November. The state's total daily average was 3,128,500 barrels.

Other sizable increases were in Illinois, up 2,200 barrels to 182,600; New Mexico, up 4,285 to 131,185; and Indiana, 1,000 to 29,500.

The eastern area increased 50 barrels to 60,000. Kentucky gained 100 to 24,900. Louisiana advanced 450 to 531,775. Arkansas was up 250 to 73,500 and Colorado added 200 to 65,500.

California had the biggest decline, down 11,500 barrels to 870,000. Other major losses were Kansas, off 9,800 barrels to 306,800; Michigan, down 4,300 to 44,500; Mississippi, 1,500 to 96,200; and Wyoming, 1,100 to 127,800.

Florida dropped 35 barrels to 1,015. Oklahoma slumped 200 to 425,650. Nebraska fell 50 to 950. Montana was off 150 to 26,200, and Utah declined 500 to 2,500. Production in Alabama was unchanged at 1,300 barrels.

Smallest member of the University of Texas football team—150-pound Perry Samuels—also is the fastest. He has run 100 yards in 9.3 seconds.
