Issue No. 49

A Second Glance

By Leon Watson

What the average American newspaper reader considers the cardinal journalistic sin is inaccuracy. Suppress news favorable to the other fellow and play up news favorable to your side but score the point through use of facts. It is a terrible letdown to be faced with irrefragable proof that something one wants to believe is false. Likewise, if the juicy story or sensational yarn is shown to be untrue, it ceases to entertain.

Readers don't mean it when they say they don't believe anything they read in the newspaper; actually most of what they know is learned in that way. They apply the opprobrious term, "just newspaper talk," to a story unpleasant to believe, regardless of its truth.

It is unpleasant to believe that government officials are not in office of represent the people. The farmers in Washington ment last week with the Appropriations

Committee. They questioned Secretary Bergland about what he is doing to try to help the plight of the farmers. He had no answer, according to reports made to the Valley Tribune. They tried to tell him he is here to represent the farmers all over the nation, but he seems very lethargic. They asked him what he thought about the CCC (Commodity Credit Corporation) which is set up to balance and cut the exports and imports for the benefit of the nation. Most of this is foreign owned. Bergland promised to look into this. I can't believe he didn't already know about it.

The farmers who are still in Washington are asking those of us at home to call and write our Congressmen and Senators to express our needs. The representatives there have expressed in many cases that they didn't know the farmers' plight.

Between the Lines

By Elvin Dick

One Red prophet, Kruschew, said one day America will fly the Red flag over their country and will be hoisted up by Americans themselves.

In order, there is the offensive, defensive, stand, retreat and disaster. Is this where we are, step four? Seemingly so. Let us look at the record. The following have been done away with: McCormack Act of 1938 (foreign agents registration) Hatch Act of 1939 (excluded Federal employees for violent overthrow) Smith Act of 1940, done away with in 1977.

House Un-American Activities of '40's.

House Committee on Internal Security and presently its counterpart.

Senate Subcommittee on Internal Security has had funds drastically reduced.

In 1976, the FBI and CIA were weakened-forces reduced, operations open to public and agents like the one in Greece, assassinated. Iran fell easier since our CIA was feeble there.

Supreme Court rulings: Red propoganda being carried in U.S. Mails (4-24-1965); Reds can hold old office in unions (6-7-65); Registration of Reds illegal (11-15-65); Reds free to work in military, security government positions; Maranda decision which was soft on criminals (6-13-66); and Reds free to teach in our schools (1-67).

Yalta: (1945), the giving to Russia-Manchuria, North Korea, Ports of Darien and Arthur, Outer Mongolia, south end of Sakhalin and three Kuriles Islands of Japan.

Marshall in 1945-6, refused agreement of Berlin Corridor, put Berlin in Russian Zone, held and withdrew

from German territory for Russia, denied General Patton to take Progue, denied Montgomery from pushing into Berlin and stopped allies from taking Eastern Europe after taking Italy from Hitler.

Ignoring General Patton who said (1945) now is the time to fight Russia as we will sooner or later have to do so.

Ignoring General Wedemeyer (1945) as he advised us not to let China fall Red.

Ignoring General Eisenhower (1945) who did not want to withdraw from Russians in Germany.

Firing of General McArthur (1953) for wanting to defeat China, the enemy.

Congressional censuring (1954) of Senator Joseph McCarthy. (Vote: 67-22).

Marshall Plan of foreign aid to Red and free nations, excluding Free China (1948). Korean (no win) War (of 1953).

Cuba's fall to Reds, (1961). ter) aim.

Offensive weapons (jets) are now allowed in Cuba, which is contrary to the Kennedy-Kruschew agreement of 1962 during the missile crisis.

Sen. McCarthy said World War III started at Stalingrad when Hitler was turned back. Further, "This war will not end except by either victory or death of this civilization." Do we want that?

J. Edgar Hoover said, "We are at war with communism and the sooner every red-blooded American realizes this, the safer we will be."

This retreat policy should regress to a standing position. We urgently need to stand our ground with all our strength. Then when the See LINES, Page 4

Parents, teachers and school board members met Monday night at Motley County School to canvass ideas on making the local school system better. Board members explained policies, and answered questions for the PTA members. The board praised the PTA for its work and concern. Tribune photo by Leon Watson

County Elections Set For April 7

Motley county residents will so be faced with election on April 7th. Hospital board members, new school board members, city councilmen and a mayor, will be elected.

Motley County School Board Election has been called for Saturday, April 7, to fill the expiring positions of Sut Braselton, Billy Hand, Tom Ross. Candidates may

file at the administrative offices of the Motley County ISD with the last date to file being March 7.

City of Roaring Springs residents will elect a mayor and two councilmen. The

terms of Jeff Thacker, and Ronnie Davis as City councilmen, and Charlie Long as mayor will expire this year.

Councilmen whose terms See ELECTIONS, Page 4

Public School Week

Public School Week, March 5-9 will be observed in the Motley County

Schools Tuesday, Matador Lions Club will meet in the school cafeteria for the regular luncheon meeting and will visit class rooms after the meal.

Wednesday has been desi-

gnated as Parents Visitation Day. All parents are invited to eat in the cafeteria with their children and then visit in the classroom.

Some believe that of all the factors which have made our nation great, the major one has been the ability of our society, through the years to provide consistently the highest level of public education in the world.

If this is to be continued, they say, it is up to the private citizen to take an active role in the improvement of our educational system.

Students Entertain At Banquet

A group of Ralls High School students provided the program last Thursday night for the 42nd annual Father and Son Banquet sponsored by the Matador Lions Club. The banquet was held at the Motley County School cafeteria and gymnasium.

Serving as Master of Ceremonies was Craig Turner, son of Mr. and Mrs. Dean Turner.

Rev. Jerry Golden gave the invocation.

Joe Freeman introduced the program of Magic Acts presented by Suzette Southward, Todd Abell, Paul Abell and assisted by Connie Watts. Bill Mays, a well known amateur magician of this area, accompanied the group as their advisor.

Boss Lion Frank Price made the announcements and recognized special guests.

Master of Ceremonies lead the group in the scout benediction.

MC Varsity girls basketball, Bi-District Champs in action

Motley County Girls Bi-District Champs

By Carla Hart

The MC Varsity Girls defeated Chillicothe 58-40 Tuesday night to win the Bi-District title, the first girls team to do so in years.

Chillicothe scored first in the game and it was a slow start for MC, but the Matadors came alive and with a free shot from Ann Morris, MC pulled ahead 5-4. MC had three steals in the first quarter and led 9-8 when the quarter ended.

Turnovers, fouls and violations hurt both teams in the second quarter. Motley was strong again in steals and fast breaks. The MC offense pulled out to an eleven point lead, and on defense held CHS down to only five points during the second quarter. Bonnie Zabielski scored five points

form the free-shot line. At the end of the half MC led 24-13.

Motley County started the second half with a fast half-court press which shook up the CHS girls. Motley girls scored nine points in less than two minutes, and led 42-27 as the final quarter began.

Chillicothe picked up slightly in the final period as MC slacked off on offense and concentrated on defense but MC won the game with an easy 18 point margin.

Pamilea Pitts was the leading MC scorer with 18 points, and Bonnie Zabielski was next with 11. Glouris Sims scored nine points while Gwen Calvert had eight. Pam Francis had five, Ann Morris had four and Sharlene scored two.

School Board Is Guest of PTA Monday Night

Members of the Motley County School Board were guests Monday night at the local PTA meeting, and presented a program of general discussion on ideas with the parents and teachers.

One main item canvassed during the meeting was the possibilities of obtaining an ice machine for the school concession stand located in the school cafeteria. After analyzing different sizes and prices of the ice machines, the PTA agreed to check into the subject in more depth and talk about it at the next meeting on March 19.

Other topics of discussion for the evening were the policies of absenteeism, excused and unexcused absences, activity periods, seven period school days, athletic funds, adoption of text books and new or improved tennis courts.

The subject of 60 per cent being considered as a passing grade at Motley County was also discussed and a display of hands showed most of those present were in favor of a 70 per cent grade being the bottom level for passing.

Board members said the subject was discussed at length with teachers at the first of the year and it was decided that the 60 per cent level offered a better chance for the overall student body because all students did not have the same ability. It was stated that if a teacher does not think 60 per cent is adequate for passing, he or she can make the 60 per cent harder for the students to make.

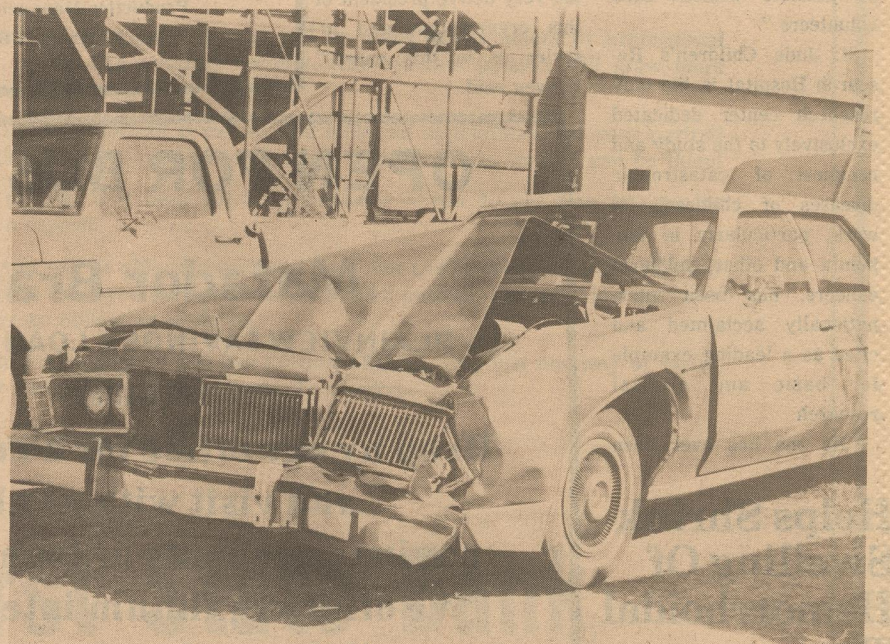

It was suggested, however that students may not try as hard when the standards are lower, but several teachers said they knew when a student was trying at the best of his ability and a passing grade was usually given to that student, whatever the passing level was. It was also brought out that when parents apply more pressure at home the student often makes better grades.

With the election of PTA officers approaching, members selected a nominating committee which, with School Superintendent Charlie Johnson, will nominate those who will be elected as officers next year.

Those chosen for the committee were Cheryl Bynum, Flomot; Betty Simpson, Northfield; Brett Allen, Roaring Springs; and Anita Agulair, Matador.

PTA president Dell Bear-den announced that Public School Week was March 5-9, and urged parents to visit the school. She also reminded the group that school board elections were to be held April 7, with three places to be filled. She said interested persons had to file before March 7.

The school board members complimented the PTA for their cooperation and interest, stating they were pleased to see an active PTA which was helping make people aware of the activities of the school system. Parents also thanked Wayland Moore, school Principal, for his efforts in sending notes home with the students informing parents of school events.

An Arkansas family received minor injuries Tuesday when they were involved in a two-car collision on the East edge of Matador. The accident occurred when a pickup driven by a local man tried to cross U.S. Highway 70.

Turner Rites Held At Kerrville

John C. Turner, age 79, died Monday February 19, in Sid Peterson Memorial Hospital in Kerrville. A resident of Kerrville for 14 years, he was a member of the Presbyterian Church, and the Masonic Lodge 1171 of Roaring Springs. He lived in Matador, for many years, ingaging in Farming and Ranching.

He is survived by 2 brothers: Albert Turner of Kerrville; George Turner of Bovina. Two sisters: Mrs. O.C. Campbell, of Kress; Edna Hunter, Floydada, and numerous nieces and nephews.

Services for Mr. Turner were held in the Chapel of the Kerrville Funeral Home, Wednesday evening, with Reverend J.R. Dye of the First Christian Church officiating.

Interment was in Roaring Springs Cemetery Friday. Services were under the direction of the Kerrville Funeral Home.

Rites Held For E. Anderson

Funeral Services for Earl Anderson, 75, were held Tuesday, February 20 at the First Baptist Church in Borger. Dr. Charles Thrasher, pastor and U.S. Navy Chaplain, Edwin Gates of Gorpus Christi, nephew of Mr. Anderson, officiated.

Burial was in Westlawn Memorial Park Cemetery in Borger under the direction of Ed Brown and Sons Funeral Directors.

A former Flomot resident, Mr. Anderson died of an apparent heart attack, Sunday. He was the son of the late Mr. and Mrs. C.E. Anderson of the Quitaque area. He was preceded in death by a daughter, Nazamova Anderson, when the family lived in Flomot.

Survivors include his wife, Nettie Gates Anderson, a daughter, Mrs. Phillip Goage of Borger; two brothers, Alton Anderson of Tulia and C.E. Anderson, Jr. of Paris, Arkansas; a sister, Mrs. Lela Overstreet of Tulia, a cousin, Mrs. Emmett Jenkins of Matador and a grandson.

Mrs. Long To Lead Research Hospital Drive

St. Jude Children's Research Hospital is proud to announce Mrs. Nona Long has been named to head the 1979 Spring Bike-A-Thon Campaign in Roaring Springs.

William J. Kirwen, St. Jude's Development Director, made the announcement and said more information will be forth coming concerning the date, place, time, etc.

"We are proud to find such a dedicated person for this important task," Kirwen said. "St. Jude Children's Research Hospital offers hope to stricken children everywhere that would not be possible without such volunteers."

St. Jude Children's Research Hospital is the only research center dedicated exclusively to the study and conquest of catastrophic diseases of children. Its work, particularly in leukemia and other childhood cancers, has been internationally acclaimed and cited as a leading example for basic and clinical research.

"No one has ever been charged for the benefits provided by St. Jude Hospital," Kirwen said. "And that includes the extremely expensive total medical care provided to children enrolled in its research studies."

"Over two-thirds of this year's 19 million dollar operating budget came from public support. Each year we rely on events like this to pay for the following year's costs."

"Since Danny Thomas opened this institution in 1962, his dream of conquering the deadly diseases of childhood has continuously been brought closer to reality. Mr. Thomas is still the very active president of this organization and inspires us in this cause," Kirwen said.

Helps Shrink Swelling Of Hemorrhoidal Tissues

caused by inflammation Doctors have found a medication that in many cases gives prompt, temporary relief for hours from pain and burning itchin hemorrhoidal tissues, then helps shrink swelling of these tissues caused by inflammation. The name: Preparation H®. No prescription is needed. Preparation H. Ointment and suppositories. Use only as directed.

GAMMA SIGMA DELTA TAMU Honor Society of Agriculture

LINDA NORMAN, daughter of W.L. and Hope Norman of Dougherty, recently has been initiated into Gamma Sigma Delta, the national honor society of agriculture at Texas A&M University. She was selected from more than 1,500 seniors and graduate students in the Colleges of Agriculture and Veterinary Medicine based upon her scholastic achievement while enrolled at Texas A&M University. Miss Norman, pictured with Dr. T.D. Tanksley Jr., president of the Texas A&M University Chapter, Gamma Sigma Delta, is majoring in Agricultural Journalism.

ROUNDUP

American Legion and Auxiliary will meet for their regular meeting on March 5, at 6:30 p.m. in the Legion building. All members are urged to bring a covered dish and attend.

The Junior Class of 1979 would like to invite everyone to attend their play "To Tame A Brat" on March 1st. The play will be presented in the high school gym at 7:30 p.m.

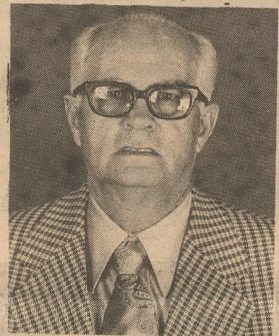

Tickets will be on sale at the door. Adults tickets are \$1.50 and students 75 cents.

The Texas Department of Health will hold two Multiphasic Screening Clinics for adults in Motley County during the month of March. These clinics will be held on March 5th and on March 26th from 10:00 a.m. to 4:00 p.m. at the Motley County Courthouse in Matador.

Screening services available at these clinics will be available to adults at no charge.

The Texas Department of Health will hold an Immunization Clinic in Matador on March 28th from 10:00 a.m. to 4:00 p.m. The clinic will be held in the basement of the

Motley County Courthouse. Immunizations will be available without charge to all ages. Persons under 18 years of age must be accompanied by a parent or guardian and all persons should bring records of past immunizations if possible.

James H. Hub Swaringen, district maintenance superintendent for the Highway Department in Childress retired today after 35 years of service.

Swaringen was a maintenance foreman in Matador prior to accepting a transfer to Childress in 1967 to assume the superintendent job.

He was in direct charge of all highways maintenance activities across the 13 counties in District 25.

Arrival Announced

I. Lacey Parks would like to share the good news of having a new little sister, Kasey Joy at my house with my Mom and Dad, Harold and Barabra Parks of Roaring Springs. She was born February 21 at 7:27 a.m. in Central Plains Regional Hospital in Plainview. She weighed 6 lbs 9½oz.

Grandparents are Mr. and Mrs. Omar Parks, of Roaring Springs and Mr. and Mrs. J.W. Pickens of Spur. Great Grandmother is Mrs. R.L. Park of Paducal.

Hospital News

Donnie Rogers, son of Mr. and Mrs. Howard Rogers, returned home this week from the Methodist Hospital in Lubbock where he had extensive surgery on his leg that was injured in a recent tractor accident.

O.P. "Pete" Clark is a patient in the Central Plains Hospital in Plainview where

he had major surgery, Friday.

Dick Dickinson of Lubbock, son in law of Mr. and Mrs. L.D. Bilberry, is in the intensive care unit of the Methodist Hospital in Lubbock following heart surgery, Friday. His wife, Doris, reported he had 3 heart by-passes corrected and is doing fine.

THE LADY TINKER

SQUEAKY BOARDS!

If squeaky boards are a problem at your house, try locating the 2 boards that are causing the noise and sweep talcum powder between them. If this doesn't work, try squirting a shot or two of white all-purpose glue between the boards, wiping up the excess, of course.

The first electric fan was produced in 1882 by a company in New York.

Program Features Women In Uniform

By Lila Meador

Opportunities for training in many careers are open to women in uniform, according to Lt. Cloretta Yates of Reese Air Force Base. Guest speaker Thursday, Feb. 22, at regular meeting of El Progreso Club in the home of Mrs. E. A. Day, the lieutenant described her duties at Reese in connection with the military as a profession.

The meeting was opened by the president, Mrs. Franklin Price, who stressed attendance March 17, at the Santa Rosa District Convention in Seymour. New business included a report on Enterprise Economy by Mrs. W. C. Pallmeyer, department chairman of FREE (Federation Role in our Enterprise Economy.)

Mrs. Frank Pohl was program leader and read the yearbook quotation: "Praise the Lord and pass the ammunition," as an introduction to the program subject, "Love of Country." Lt. Yates was introduced by Mrs. Carl King, for her discussion of "Women in Uniform."

With a B.A. degree in English from Christian Brothers College in Memphis, Tenn., and ROTC training at Memphis State University, the young officer came well qualified to present her subject. She has been at Reese AFB for over a year and came to Lubbock from Webb AFB, Big Spring, after the base there was closed.

Serving as Personnel Officer, Lt. Yates sees many opportunities for women in the air force.

"The military is changing," she declared. "The policies are changing, and the quotas are now open to women for entrance into the Air Force Academy. Although the number of women in uniform is low, it is increasing as more young women realize the potentials offered them. All careers

are open to women, from mechanics, laying of bricks, heating and air conditioning training, to electronics, office work and social work. Equal opportunity is offered to all . . . women are not discriminated against. The Air Force is a 'People's organization' with an affirmative action plan: To solve problems, and to train women just as they train men in highly technical jobs.

"I enjoy my work, and the position I hold. It is fulfilling, but it has responsibilities, especially in making decisions." As personnel officer, the lieutenant's duties include retirement of personnel, evaluation, consultant, and liaison between female recruits and supervisors in addition to other personal affairs, such as trouble among supervisors and dissatisfaction with jobs.

"I would like to go into Social Actions, which includes treatment of drugs and alcohol, and also human relations education," Lt. Yates said. "The Air Force is a family -- closer than the usual working unit. The opportunities are great for everyone, and especially for women."

The lieutenant answered several questions concerning regulations, asked by the club members.

For Inspirational Thought, Mrs. John Hamilton read the poem, "In Flanders Field," to conclude the program.

Mrs. Day served coffee and cookies to those mentioned, and the following members: Mesdames Una Simpson, W. F. Jacobs, L. B. Campbell, J. L. Woodruff, Douglas Meador, William Lucas and Joe Campbell.

RETURNS HOME

Mrs. Audie Poteet has returned home from Torrance, California, where she had visited her daughter and family, Mr. and Mrs. Dave Breeden since December.

Engagement Is Announced

Mr. and Mrs. Charles Robert Taylor of Hereford announce the engagement and forthcoming marriage of their daughter, Lori Beth, to William Paul Campbell, son of Mayor and Mrs. Kirby Campbell of Matador.

Club Project Is Announced

El Progreso Study Club will participate in providing kits for apartments for the use of out-patients at M. D. Anderson Hospital in Houston, and members are reminded by Mrs. Franklin Price, president, to bring kitchen-ware items to the next meeting of the club. This will be March 8, at the home of Mrs. Carl King.

The project is sponsored by Texas Federation of Women's Clubs. The apartments available for out-patients are equipped with kitchenettes, but appliances, such as mixing spoons, knives, cookware and dishes are not included.

In making the announcement at last week's club meeting, Mrs. Price said that members wishing to make a cash donation instead of buying an article, may do so. The collection of money and items is to be taken to the Santa Rosa District Convention, March 17 in Seymour.

About Local People

Mrs. Tom Melton of Odessa visited from Friday until Sunday with her mother, Mrs. Roy Smith, and with Mr. Smith, a patient in Richard's Memorial Hospital, Paducah.

Mrs. Ava Clyde Crump of Corsicana, spent several days last week with her mother, Mrs. Lois Smart, who is a patient in Richard's Memorial Hospital, Paducah.

James May, and a friend, Phillip Farrell of Chickasha, Okla., are visiting the former's mother and grandmother, Mrs. June Christian and Mrs. Faye Dirickson.

Virginia Green of Whiteface visited her parents, Mr. and Mrs. L.B. Green over the week-end.

Mr. and Mrs. Bill McCaghan visited Mr. and Mrs. Marty McCaghan in Odessa Tuesday. Mr. McCaghan had a medical appointment in Midland on Wednesday.

Circle Has Bible Study

The Women's Circle of the Baptist Women's Missionary Society met Tuesday, Feb. 20 in the home of Mrs. Audrey Price for a Bible study led by Mrs. Edgar Lee. The study featured Christian Deviations in the doctrines of Jehovah Witnesses.

Mrs. Eddie Russell presented the names of missionaries with birthdays on the 20th, as given on the Calendar of Prayer.

Others present were visitors, Mrs. Lloyd Fulkerson of Odessa and Mrs. Cecil Shelton of Monahans, and the following local women:

Mesdames Stuart Dixon, Bill Dunning, Alvin Stearns, J. D. Craven, C. D. Garrison, J. L. Woodruff and Douglas Meador.

"It usually takes more than three weeks to prepare a good impromptu speech."

County Agent Says

By Bill Pallmeyer

All cotton producers are urged to attend either the meeting in Matador on Monday night March 5th in the Motley County School; the Community Building in Quitaque, Tuesday March 6th, or the Bob Wills building in Turkey, Thursday night March 8th, with all meetings starting at 7:00 p.m. to hear an explanation of the proposed "In Season Boll Weevil Management Program" that has been planned for the area just under the Caprock. This program offers producers a chance to stay in the cotton production business at a price they can afford, says Extension Agent Bill Pallmeyer.

Do not confuse this program with the Diapause Program, states Pallmeyer. The two will help each other, but for the producers below the Caprock, help is needed before the Diapause Program starts, therefore the formulation of the In Season Management Program.

Basically the In Season Management Program consists of a starting planting date; scouting of trouble spots during the summer; and recommendations for control if infestations warrant treatment.

Emory Boring, Area Entomologist from Vernon, will report on the results of the program carried out in 1978, and outline the 1979 program, and has stated, "the more that participate, the cheaper the cost per acre".

Also on the program in

Matador will be Dr. Dale Lovelace, Area Agronomist, Dallas, who will give a report of cotton variety performance; and Dr. Dale Pennington, Area Soil Chemist, Lubbock, who will present fertilizer test results and recommendations for this area.

If information on the area to be included in the 1979 diapause program is available at the time of the meetings, this will also be given, adds Pallmeyer. livestock judging

Seventeen Motley County 4-H members competed for honors at the Floyd County Fat Stock Show on Wed. Feb. 21st, with the following winners in the "out of county" division.

1st places: Overall, Roy Thompson; Beef, Clicky Sims; Sheep, Shannon Jameson; Swine, Jay Wallingsford.

2nd places: Overall, Mark Wason; Beef, Kody Hardin; Sheep, Mark Wason; Swine, Roy Thompson.

3rd places: Overall, Shannon Jameson; Beef, Roy Thompson; Sheep, Craig Turner; Swine, Mark Wason.

Others competing in the contest were: Dennis Gwinn, Willy Palmer, Rob Francis, Kyle Hardin, Jan Hart, Tim Shannon, Coke Barton, Alex Guerrero, Wade Vandiver and Jimmy Wallingsford.

The group was accompanied by Max Barton, James Bearden, Bill Pallmeyer and Steve Stevens.

Hospital board members whose terms expire are Larry Hoyle, Algie Groves and the position vacated by Bill Peacock. Anyone wishing their name to be placed

Public Meeting In Dallas To Discuss Metric System

Representatives of the city of Dallas, and Texas business, industry and education will discuss the use of and conversion to the metric system of measurement during a public meeting of the United States Metric Board in Dallas.

"The purpose of our public meetings is to receive input from all segments of society on the metric system -- its need, uses, costs, benefits and problems," said Board Chairman Louis Polk. "We feel that in a city as diverse as Dallas, the Board can gather a variety of views, representing a cross-section of the American public."

The 17-member citizens Board, in its first meeting outside Washington, D.C., will conduct a public forum February 15, beginning at 2:00 p.m. in the Embassy Garden Room of the Dallas Hilton Hotel, 1914 Commerce Street.

Following introductory remarks by Dallas City

Councilman William F. Nicol, City Consumer Affairs Director Charles Vincent will make an oral presentation to the Board.

Also scheduled to appear before the Board are Dr. Alice Kidd, Program Director for Mathematics, Texas Education Agency; Ralph Miller, Vice President for Regulatory Research and Planning, Jewel Food Stores; and James T'ew Chairman, Metric Implementation Committee, Texas Instruments. The Board will also accept comments and questions from the audience.

The Board's regular business meeting, also open to the public, will begin at 8:30 a.m., February 16 in the Hilton's Court Room.

The U.S. Metric Board was established by an Act of Congress in 1975 to coordinate voluntary conversion to the metric system. The 17 citizen members of the Board are presidential appointees.

Tractor Maintenance Course Is Next Week

All tractor owners and operators are reminded of the short course in "Tractor Maintenance" to be held March 5-8 at 7:00 p.m. in the Vocational Agriculture department.

Mr. Richard Pivonka, Tractor Maintenance Specialist with the Texas Education Agency and Texas

A&M University, will be on hand to instruct in all phases of tractor maintenance.

Special attention will be given to the "electrical system", "fuels and lubricants", "Diesel fuel injection", and service for maximum performance.

Further information may be obtained by calling Bill Moss, local Vo-Ag teacher.

Administration Accused Of Playing Games

Senator John Tower (R-Tex) today accused the Administration of playing games with the defense portion of the Fiscal Year 1980 budget in an attempt to convince the American people that it represents the President's promised 3 percent real growth over 1979.

"The game the Administration is playing is to take funds authorized and appropriated from past years' budgets and adjust the expenditure of these funds so as to come up with the 3 percent real growth figure," Tower declared.

The net result, Tower said, is that we are not buying any more defense. The entire FY 80 budget is not expended during that year, even as in past years.

"For example, only about 15 percent of the funds requested in this budget for major items such as ships, tanks, and aircraft, will be expended during FY 80," Tower said.

Tower said the actual growth in the new defense budget amounts to only about 1.7 percent, not 3 percent. According to Tower, the Administration derives its 3 percent growth statement from its estimate of the dollars expected to be spent on defense in FY 80 which totals \$122.7 billion. The new budget request for \$135.5 billion in Total

Obligational Authority falls short of the 3 percent.

"If the Administration truly wanted a 3 percent increase in real terms in the defense budget, it would have requested that increase in Total Obligational Authority. This would assure the growth necessary in our national defense budget for those systems needed to be approved this year but not paid for in 1980.

Tower, who is the ranking minority member of the Senate Armed Services Committee said he would do everything possible to insure the defense budget contains real growth, not merely the appearance of growth through manipulation of budgetary figures.

"I am particularly concerned that the development and modernization of our strategic forces, especially the MX missile, proceed rapidly enough to overcome the expected vulnerability of our land based ICBM's in the mid-1980's. In addition, the Administration has again shortchanged the Navy's shipbuilding program with a request for only 15 new ships, including the smaller mid-sized aircraft carrier rather than the 90,000 ton conventional carrier the President promised after vetoing the nuclear carrier last year." Tower concluded.

F.F.A. NEWS

By Charles Cammack
 The Motley County FFA held its monthly meeting, Wednesday, Feb. 21. FFA Week was discussed and bumper stickers were put on sale for 25c each. Mr. Moss talked about the upcoming stock show. The Chapter was informed about a pig quarantine. All pigs shown at the county show must be sold and slaughtered. This eliminates the open gilt class available in previous years. The committee in charge of the spring banquet was asked to get a date on the school calendar and to start making arrangements for the banquet. The State FFA Convention will be held in Lubbock this year. All members were asked to attend and support Area I President David Rattan who plans to run for State President. A film was shown "I Christen Thee." The film showed what goes into building a ship and preparing it for sailing.

Whitharral Panthers Slip By Motley Matadors

By Carla Hart
 With the district championship won, both Motley County Varsity basketball teams have played two very tough games in practice play. Thursday, February 15 the boy's varsity traveled to Jayton to take on the Southland Eagles, who are also district champs. From the very beginning the Motley boys held the lead. At the half, Motley went into the dressing room leading 27 to 17. Southland came back to score 20 points during the third quarter but failed to take the victory from the Matadors; although they came close. Motley won the contest 55 to 54. Senior Robert Parker dominated the boards with 24 total points, while P. Hill had 16 for Southland. Tuesday, February 19, the Motley girls traveled to Ralls to battle the Meadow Broncos.

"Ridicule is the test of truth." William Hazlitt

Practice Games Played Recently

By Carla Hart
 Friday, February 23 the Motley Matadors, led by Coach Danny James, went to the Regional Playoffs in Levelland for the third time in the last four years. But once again they returned home defeated but heroes. In the deciding contest the Matadors faced the Whitharral Panthers in a rather turnabout game. In the first quarter Senior Mark Wason dominated the floor with eight quick points to lead the Panthers 15 to 10 at the buzzer. Second quarter play was very exciting as Sophomore Dwight (Po) Campbell was substituted into the game. His quickness resulted in several steals and turnovers for the Matadors. Dwight and Senior Robert Parker donated 6 apiece in the second, and the Matadors retired to the locker room leading Whitharral 31-26. The tables turned during the third quarter as the Matadors suffered low scoring with only 12 points made to Whitharral's 21. Mark Wason gained his fifth foul and was knocked from the game. The score at the break read WHS 47, MC, 43. The fourth quarter decided the Matador's fate with both Parker and Preston Pitts fouling out. Freshman Harvey Lee entered the game and added 8 points but to no avail. The Motley crew led WHS to the free-throw-line to score 11 shots deciding the outcome of the match. Motley scored 15 points compared to Whitharral's 20 in the fourth to end WHS-67, MCHS-58. Leading scorers of the game were Robert Parker with 17 and J. Avery of WHS with 29 points. The Matadors closed the season with a 16 and 4 record. Boys, the school and community are very proud of you.

Mr. and Mrs. Tom Ross visited in Olton, Wednesday with her mother, Mrs. Hoyte Paschal. Mrs. Joe Gipson is at home after her hospitalization in the Crosbyton Hospital.

on have vanished in the fine print of Sec. 334 (PL 95-216)." (end of article) My Social Security advisor from the Lubbock office tells me that this law does not apply for teachers who retired in 1977 and before but everybody including teachers has to get into Social Security by 1982. Texas teachers, on the whole, have not paid Social Security and have only their Teacher Retirement and their spouses' allotments. Write your Congressmen and call for the repeal of Section 334 (PL 95-216) Marie Kelley, Retired Teacher 814 W. 3rd St. Spur, Texas 79370 P.S. Teachers are not the only ones affected. My Social Security representative has a Civil Service Record. He is now working for Social Security. According to 334 he will not be able to collect Social Security but will have to choose Civil Service benefits. --

Social Security Tips

By Janis A. Sherrod
Question: I have worked under social security all my life, but I've always had low wages. Isn't there some kind of special retirement benefit for people like me?
Answer: There is a special minimum retirement benefit for people who worked under social security at least 20 years. This helps people who had low earnings, but still above a specified level, in their working years. The amount of the special minimum depends on the number of years of coverage. For a worker retiring in 1979 at 65 with 30 or more years of coverage the minimum would be \$230. The special minimum benefit will increase automatically in future years as the cost-of-living rises. For further information regarding Social Security benefits please contact the Social Security office, 1401-B West 5th Street, Plainview, telephone 293-4371.

Roaring Springs News

BY ODESSA MULLINS

Mr. and Mr. L.M. Miller visited his sister Mrs. Pearl Costelow in Spur, Saturday. Miss Lula Swim visited her brother, J.T. and wife at Littlefield, Saturday, joining them was their son and family, Mr. and Mrs. J.R. Swim, Edward and Emily of Abilene. Earl G. Freeman of Odessa was the guest of his father M.D. Freeman over the week-end; He also visited with his mother at the Floydada nursing Home. Mesdames John Burrow and J.J. Griffin of McAdoo, were Sunday afternoon guests of Mrs. Roxie Lewis. Mrs. Lewis was English teacher and basketball coach of the ladies in the late 30's at McAdoo. Mr. Mack Skaggs (Gerry) and two grandchildren, Brooks and Anita Zuyrus of Abilene spent the weekend with their mother and grandmother, Mrs. Edith Brooks. Mr. and Mrs. W.H. Marshall were Sunday visitors in Plainview with Mr. Marshall's sister and husband, Mr. and Mrs. Fred Clower. They also attended the Farm Show at the Municipal Building where interesting features were the antique tractors on display and the miniature tractor races. Olin Ozborn, formerly of Roaring Springs, now of Plainview is a heart patient in Central Plains Hospital. Rev. Mrs. Edna Dillard attended the International Businessmens Fellowship meeting in Lubbock last week. Staying in the home of her son and wife, Mr. and Mrs. J.W. Marith. Rev. Mrs. Dillard visited with Mr. and Mrs. V.C. Spraybury in Methodist Hospital, Friday. He is improving as well as expected since undergoing leg surgery. Rev. Bill Dillard and daughter, Tony, of Mustang Okla. spent Saturday night with his mother, Mrs. Edna Dillard. He preached Sunday at the Assembly of

The "offset provision" of the new regulation changed the rule in the middle of the game." "The "offset provision" will work this way: If Graham's teacher pension is \$272 or more when she retires, she will receive no Social Security Benefits at all. If it is less than \$272, Social Security will pay the difference. In no way can she collect the full amount of her own EARNED pension, plus the full amount of her deceased husband's Social Security benefits as would have been the case before 334 was passed." Graham started a campaign to REPEAL 334. This is what she said to her Congressman: "I am enraged that my government would make changes in a law which negate a lifetime of careful planning. In addition, I feel that I am being penalized for returning to the workforce and becoming a productive citizen. Had I remained a housewife, my Social Security income would not be cancelled. "These changes will completely nullify more than 30 years of contributions my late husband made through out his working life. None of the money will go to him or me, his widow." "Because the provision

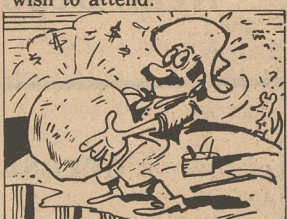

most heavily on the woman." "Before the law was passed, a retired woman could collect her own government pension and still be entitled to Social Security Benefits as a spouse, in an amount based on her husband's contributions to the Social Security fund. In 1976 the typical widow over 60 was collecting \$159 a month as her husband's beneficiary. "Nora Graham, a Los Angeles school teacher, accidentally discovered how the new (law) regulations will slash her planned retirement income. Because the Los Angeles school district carries Retirement benefits through a California teachers' pension system (as does Texas. M.K.) rather than Social Security, Graham's status is the same as that of nearly one million female federal employees, NONE of whom is eligible for Social Security, not even as a spouse any more. "When Graham's husband died four years ago, she was notified by Social Security that under his account her benefits at 60 would be \$272. She was confident that the combined benefits of her teacher's pension and Social Security would keep her from living out her last years on near-starvation.

Speed Up Refund Using Peel-off Label

Taxpayers can help speed up the processing of their Federal income tax return and receive their refund much faster by using the pre-addressed, peel-off label on their return, the Internal Revenue Service said. The label, which is located on the cover of the tax return package, lists the taxpayer's name, address, and social security number. If any of the information is incorrect, the taxpayer should make needed changes directly on the label. Married taxpayers filing joint returns should be sure that both social security numbers appear on the label. If only one spouse's number is shown, the other number should be placed on the label, according to the IRS. Taxpayers may also speed the mailing of their refund by sending their return in the coded envelope provided with the tax package and making sure they have attached all required schedules and forms, the IRS said.

Exes Form Association

A meeting Friday night, February 23, formed an Ex Students Association of Roaring Springs Schools. Nona Long was elected President and Dorothy Lefevre, Vice-President. It was decided to hold an all school reunion, August 25, 1979. This reunion is for anyone that ever went to or taught at Roaring Springs Schools. This will include the schools of Tee Pee Flat, Flag Springs, Dorden Can-you, the Dutchman School-house, Bird Ranch School. There will be a fee of \$1.00 to help cover postage and any other expenses we may have. Anyone wanting more information, please contact the chairperson of the following classes. Classes from 1914 to 1930, Mrs. M.S. Thacker, Box 158, Roaring Springs, Texas 79256. Classes 1931 to 1940, Miss Freda Keahey, Box 156, Roaring Springs, Texas 79256; 1941 to 1950, Mrs. H.C. Spith, Box 218, Roaring Springs, Texas 79256; 1951 to 1960, Mrs Darrell Woolsey, Rt 1, Roaring Springs, Texas 79256; 1961 to 1972, Mrs. Bruce Lefevre, Box 192, Roaring Springs, Texas 79256. If you attended school in Roaring Springs until 1972, please contact Miss Shelia Lefevre, Box 192, Roaring Springs, Texas 79256. This reunion is also for any former teachers that may wish to attend.

The largest gold nugget in the world was found in Australia in 1869 during that country's great gold rush. Rather appropriately named the "Welcome Stranger," it measured two feet long and weighed 200 pounds.

Spur, Texas Feb. 21, 1979 Editor of Matador Tribune Matador, Texas Dear Sir: Inclosed is a letter which I hope you can print in the Tribune. It focuses on some very serious problems with Social Security, Teacher Retirement and it even applies to the "work Force" nationally. As a retired teacher, I believe that the "offset provision" 334 of the law PL. 95-216 should be repealed. I am also against putting Teacher Retirement in Texas into Social Security. Thank you for your regard for this letter. Sincerely Marie Kelley

ATTENTION TEXAS WORKFORCE: In the Los Angeles Times on Sunday, January 28th, 1979, the following article appeared -- quoting: "Late in 1977 the Social Security law was amended in a move to keep the whole system from going bankrupt. Hidden among the 56 pages of rules and regulations, the amendment singled out a particular group of women to be VICTIMIZED and virtually no one noticed." "Section 334 of the law (PL95-216) is subtitled "Reduced benefits for spouses" receiving government pension". The key word is "SPOUSE". The government pension is one the spouse earned by working for "the federal government or any state or political subdivision thereof." (Teacher Retirement System of Texas or California is a "political subdivision.") M.K. "A spouse may be either a man or woman. Historically it has been the woman who was insured under Social Security as a dependent of her husband. The burden of the reduced benefits will therefore fall

Notice of Intent To Introduce a Bill in the 66th Legislature, State of Texas

Notice is hereby given that the undersigned intends to request introduction of a bill in the Sixty-sixth Legislature of the State of Texas the general purpose, nature and substance of which is as follows:

Such bill will provide for the creation of the Ogallala Water Import Authority of Texas, said Authority to comprise the whole of all Texas counties any part of which overlies the Ogallala Aquifer; and, further, said Authority to have the power and purpose to import, store and otherwise coordinate the use of water; and further, said bill will provide the purposes, powers, duties, operation, expansion, and financing of said Authority. The Bill will empower the Authority to levy, assess and collect ad valorem taxes and issue bonds as necessary to carry out the purposes of the Act. The foregoing enumeration of provisions to be contained in such bill is not intended to be exclusive, but only to express the general purpose, nature, and substance thereof. Such bill will make other provisions and confer other powers in connection with the general purpose, nature, and substance as stated above.

This Notice is given in accordance with the requirements of paragraph (d), Section 59 of Article XVI of the Texas Constitution.

E. T. Manning Jr.
