Legion Boys State

The Fortieth annual American Legion Boys State sponsored by the State of Texas American Legion, and held on the Campus of The University of Texas, will get under way June 7 as 957 high school boys from all parts of Texas begin registration, State Commander, Mike D. Mireles of San Antonio announced. A mong those registering will be Kenny Mark Holt from Matador who is sponsored by Fleming Post in Matador.

Following registration, each citizen will be assigned to one of two political parties - the Nationalist or Federalist. Each citizen then functions as a member of his party, he attends its precinct, county and state conventions and votes in its primary.

Boys State helps to develop civic leadership and pride in American citizenship. This program arouses a keen interest in the detailed study of our government. These civic workshops stress the importance of maintaining our form of government and brings about a better understanding of our national traditions and beliefs to the more than 28,000 young men throughout the nation who are participating this year.

In Boys State, The

The program takes on added significance since the vote has been extended to 18 year olds, as most Boys Staters are in the 16 to 17 age category.

First Assembly of God

Rev. & Mrs. T. L. Lillard

WELCOME TO OUR VISITORS:

It is a pleasure to invite you to First Assembly of God. We hope that brough our services you will be uplifted and find help for your spiritual needs. You do not have a church home, we invite you to be with us regularly.

If you do not have a church norme, we invite you to be wint us regularly.

But where sin abounded, grace did much more abound. Romans 5:20. Before Columbus set sail in search of a new world, the motto on the flag of Spain was: "Ne Plus Ultra" (Nothing Beyond). After the confirmation that Columbus had indeed discovered a new world, the motto was shortened and changed. It was made to read: "Plus Ultra" (More Beyond).

Redemption from sin brings this kind of change in the life of a person. Before conversion, life is draped with a negative concept of the future that says in effect, "Nothing Beyond." Nothing beyond this life but extend death and lostness. But when Christ enters the heart, the negative Christ is a plus sign. For the Crhistian there is always more beyond. More of the better things that make life meaningful. More joy, more peace, exciting discoveries in the life of faith, new inches of the Kingdom of God. The honor of service for God and others to make life richer and fuller. And there is "more beyond this life. Eternal life and blessedness. Complete fulfilment. So much beyond!"

First Assembly of God - Where everyone is someone and Christ is Lord.

God make the doorway of this church the gateway of the eternal kingdom to many precious
